³ he jagat ke sab rahanevalo, aur prathvee ke sab nivaasiyo, jab jhnda pahadon par khda kiya jaa, use dekho! jab narasinga foonka jaa, tab suno!

⁴ kyonaki yahova ne mujh se yon kaha haai, dhoop kee tej garmee va kattnee ke samay ke osavale badal kee nain maain shaant hokar niharoonga.

⁵ kyonaki dakh todne ke samay se pahile jab fool fool chuke, aur dakh ke guchchhe pakane lage, tab vah tthaaniyon ko hansuon se katt dalega, aur faailee hui daaliyon ko tod todkar alag faenk dega.

⁶ ve pahadon ke mansaharee pakshiyon aur vana-pashuon ke liye ikatthe pade rahenge. aur mansaharee pakshae to unako nochate nochate dhoopakal bitaenge, aur sab bhanti ke vanapashu unako khate khate jada kattenge.

⁷ us samay jis jati ke log balishtt aur sundar haai, aur jo adi hee se dravane hote aae haai, aur mapane aur raundanevale haai, aur jinaka desh naadiyon se vibhaajit kiya hua haai, us jaati se senaon ke yahova ke nam ke sthan siyyon parvat par senaon ke yahova ke pas bhentt pahunchai jaegee..

Yashaayaah 19

¹ misr ke vishay men bharee bhvishyavanee. dekho, yahova shaeegha udnevale badal par savar hokar misr men a raha haai

² aur misr kee mooraten usake ane se thrathra uttengee, aur misriyon ka day panee-panee ho jaaega. aur maain misriyon ko aek doosare ke virooddh ubharoonga, aur ve apas men ladenge, pratyek apane bhai se aur har aek apane padosee se ladega, nagar nagar men aur rajy rajy men yuddh chhdienga

- ³ aur misriyon kee buaddh imaree jaaegee aur maain unakee yuktaiyon ko vyarth kar doonga aur ve apanee mooraton ke pas aur ojhean aur fausafausanevale ttonhon ke pas ja jakar un se poochhenge
- ⁴ parantu maain misriyon ko aek kattor svamee ke hath men kar doonga aur aek kroor raja un par prabhuta karega, prabhu senaon ke yahova kee yahee vanee haai..
- ⁵ aur samudra ka jal sookh jaaega, aur mahanadee sookh kar khalee ho jaaegee
- ⁶ aur nale basane lagenge, aur misr kee naharen bhee sookh jaaengee, aur narakatt aur hoogale kumhala jaaenge.

- ¹⁵ aur misr ke liye koi aeesa kam n rahega jo sir va poonchh se athva pradhaan va sadhaaran se ho sake..
- ¹⁶ us samay misree, striayon ke saman ho jaenge, aur senaon ka yahova jo apana hath un par baddhaega usake dr ke mare ve thrathraenge aur kanp uttenge.
- ¹⁷ or yahooda ka desh misr ke liye yahan tak bhy ka karan hoga ki jo koi usakee charcha sunega vah thrathra uttega senaon ke yahova kee us yuaktai ka yahee fal hoga jo vah misr ke virooddh karata haai..

18 us samay misr desh men panch nagar honge jinake log kanan kee bhasha bolenge aur yahova kee shapath khayenge. un men se ek ka nam nashanagar rakha jaega..

19 us samay misr desh ke beech men yahova ke liye ek vedee hogee, aur usake sivane ke pas yahova ke liye ek khnbha khda hoga.

20 vah misr desh men senaon ke yahova ke liye chinh aur sakshae ttharega aur jab ve andhor karanevale ke karan yahova kee dohai denge, tab vah unake pas aek uddharakarta aur rakshak bhejega, aur unhen mukt karega.

21 tab yahova apne ap ko misriyon par pragatt karega aur misree us samay yahova ko pahichanenge aur melabali aur annabali chaddhakar usakee upasana karenge, aur yahova ke liye mannat manakar pooree bhee karenge.

22 aur yahova misriyon ko marega, aur marega aur changa bhee karega, aur ve yahova kee or firenge aur vah unakee binatee sunakar unako changa karega..

23 us samay misr se ashshoor jane ka ek rajamarga hoga, aur ashshooree misr men aenge aur misree log ashshoor ko jaenge, aur misree ashshooriyon ke sang milakar aradhana karenge..

24 us samay israel, misr aur ashshoor teenon milakar prathvee ke liye ashaeesh ka karan honge.

25 kyonaki senaon ka yahova un teenon ko yah kahakar ashaeesh dega, dhany ho meree praja misr, aur mera rakh hua ashshoor, aur mera nij bhag israaela..

Yashaayaah 20

1 jis varsha men ashshoor ke raja sargon kee agyaa se tartan ne ashadod akar us se yuddh kiya aur usako le bhee liya,

2 usee varsha yahova ne amos ke putra yashaayah se kaha, jakar apanee kamar ka ttatt khol aur apanee jootiyan utara so us ne vaaisa hee kiya, aur vah nanga aur nange panv ghoomata firata tha.

3 aur yahova ne kaha, jis प्रकार मेरा दास यशायाह तेन वरशा से उगादा और नगे पानव चालता आया है, कि मिस्र और कुश के लिये चिन्ह और चमत्कार हो,

4 usee प्रकार ashshoor ka raja misree aur koosh ke logon ko bandhaua karake desha-nikal karega, kya ladke kya booddhe, sabhon ko bandhauae karake ughaade aur nange panv aur nitamb khule le jaega, jis se misr lajjait ho.

5 tab ve koosh ke karan jis par unakee asha thee, aur misr ke hetu jis par ve foolate the vyakul aur lajjait ho jaaenge.

6 aur samudra ke is par ke basanevale us samay yah kahenge, dekho, jin par ham asha rakhte the or jinake pas ham ashshoor ke raja se bachane ke liye bhagane ko the unakee aeesee dasa ho gai haai. to fir ham log kaaise bachenge?

Yashaayaah 21

¹⁷ aur kedar ke dhanudhararee shoorageeron men se thode hee rah jaaenge kyonaki israael ke parameshvar yahova ne aesa kaha haai..

⁵ prathvee apane rahanevalon ke karan ashuuddh ho gai haai, kyonki unhon ne vyavastha ka ullanghan kiya aur vidhai ko palatt dala, aur sanatan vacha ko tod diya haai.

⁶ is karan prathvee ko shaap grasega aur us men rahanevale doshaee ttharenge aur isee karan prathvee ke nivasee bhsm honge aur thode hee manushy rah jaeenge.

⁷ naya dakhmadha jata rahega, dakhlata murjha jaegee, aur jitane man men anand karate haain sab lambee lambee sans lenge.

16 prathvee kee chhor se hamen aeese geet kee dhvani sun padtee haai, ki dharmee kee maahima aur badai ho. parantu maain ne kaha, hay, haya! maain nash ho gaya, nasha! kyonaki vishvasaghaatee vishvasaghaat karate, ve bada hee vishvasaghaat karate haain..

- 1 ghamand ke mukutt par haya! jo aepraaim ke matavalon ka haai, aur unakee bhdkeele sundarata par jo murjhanevala fool haai, jo ati upaja tarai ke sire par dakhmadha se matavalon kee haai.
- 2 dekho, prabhu ke pas aek balavant aur samarthee haai jo ole kee vashara va ujadnevalee andhaee ya baddh kee prachand dhaar kee nai haai vah usako kattorata se boomi par gira dega.
- 3 aepraimee matavalon ke ghamand ka mukutt panv se latada jaaega

- 14 is karan he ttttha karanevalo, yarooshalemavasee praja ke hakimo, yahova ka vachan suno!
- 15 tum ne kaha haai ki ham ne mratyu se vacha bandhaee aur adhaelok se pratigyaa karai haai is karan vipaati jab baddh kee nai baddh aae tab hamare

pas n aegeee kyonaki ham ne joott kee sharan lee aur mithya kee ad men chhpai huae haain.

16 isaliye prabhu yahova yon kahata haai, dekho, maain ne siyyon men nev ka patthr rakha haai, aek parakha hua patthr, kone ka anamol aur aati draddh nev ke yogy patthra: aur jo koi vishvas rakhe vah utavalee n karega.

17 aur maain nyay kee doree aur dharma ko sahum ttharaunga aur tumhara joott ka sharansthan olon se bah jaaega, aur tumhare chhpaine ka sthan jal se oob jaaega.

18 tab jo vacha tum ne mratyuu se bandhaee haai vah toott jaaegeee, aur jo pratigyaa tum ne adhaelok se karai vah n ttharegeee jab vipaati baddh kee nai baddh aa, tab tum us men oob hee jaoge.

19 jab jab vah baddh aa, tab tab vah tum ko le jaaegeee vah praati din varan rat din baddha karengeee aur is samachar ka sunana hee vyakul hone ka karan hoga.

20 kyonaki bichhauna ttang faailane ke liye chhotta, aur oddhna oddhne ke liye sakara haai..

21 kyonaki yahova aeesa utt khda hoga jaaisa vah paraajem nam parvat par khda hua aur jaaisa gibon kee tarai men us ne krodha dikhaya tha vah ab fir krodha dikhaaega, jis se vah apana kam kare, jo achambhiat kam haai, aur vah karya kare jo anokha haai.

22 isaliye ab tum ttttha mat karo, naheen to tumhare bandhan kase jaaenge kyonki maain ne senaon ke prabhu yahova se yah suna haai ki sare desh ka satyanash ttana gaya haai..

23 kan lagakar meree suno, dhyan dharakar mera vachan suno.

24 kya hal jotanevala beej bone ke liye lagatar jotata rahata haai? kya vah sada dharatee ko cheerata aur hengata rahata haai?

25 kya vah usako chauras karake saunfa ko naheen chhtairata, jeere ko naheen bakherata aur gehoon ko panti panati karake aur jab ko usake nij sthan par, aur kattyai gehoon ko khet kee chhor par naheen bota?

26 kyonaki usaka parameshvar usako tteek tteek kam karana sikhlata aur batalata haai..

27 danvane kee gadee se to saunfa dai naheen jatee, aur gadee ka pahiya jeere ke upar naheen chalaya jata parantu saunfa chhdee se, aur jeera sontten se jhada jata haai.

28 rottee ke ann par dayen kee jatee haai, parantu koi usako sada danvata naheen rahata aur n gadee ke paahiye n ghaede us par chalata haai, vah use choor choor naheen karata.

²⁹ yah bhee senaon ke yahova kee or se niyukt hua haai, vah adabhut yuaktaivala aur mahabuddhmaian haai..

Yashaayaah 29

¹ hay, areael, areael, hay us nagar par jis men daud chhavane kiae huae raha! varsha par varsha jadte jao, utsav ke parva apne apne samay par manate jao.

³ aur maain charon or tere virooddh chhavane karake tujhe kotton se ghor loonga, aur tere virooddh gaddh bhee banaunga.

⁴ tab too girakar boomi men dala jaaega, aur dhool par se bolega, aur teree bat boomi se dhaeeme dhaeeme sunai degee tera bol boomi par se praet ka sa hoga, aur too dhool se gunagunakar bolega..

⁵ tab tere paradshaee baairiyon kee bheed sooksham dhooli kee nai, aur un bhyanak loagon kee bheed boose kee nai udain jaegee.

⁶ aur senaon ka yahova achanak badal garajata, boomi ko kampata, aur mahadhvani karata, bavandr aur andhaee chalata, aur nash karanevalee agnai bhdkata hua usake pas aeega.

¹² tab vahee pustak anapaddhe ko yah kahakar dee jaa, ise paddh, aur vah kahe, maain to anapaddh hoon..

13 aur prabhu ne kaha, ye log jo munh se mera adar karate huae sameep ate parantu apana man mujh se door rakhte haai, aur jo keval manushyon kee agyaa sun sunakar mera bhy manate haain.

14 is karan sun, maain inake sath adabhut kam varan ati adabhut aur achambhe ka kam karoonga tab inake buaddhmaianon kee buddh inashtt hogee, aur inake praveenon kee praveenta jatee rahegee..

15 hay un par jo apanee yuaktai ko yahova se chhpaiane ka bada yatn karate, aur apane kam andhore men karake kahate haai, ham ko kaun dekhta haai? ham ko kaun janata haai?

16 tumharee kaaisee ulattee samajh haai! kya kumhar mittee ke tuly gina jaaega? kya banai hui vastu apane kartta ke vishay kahe ki us ne mujhe naheen banaya, va rachee hui vastu apane rachanevale ke vishay kahe, ki vah kuchh samajh naheen rakhta?

17 kya ab thode hee dinon ke beetane par labanon fir faladai baree n ban jaaega, aur faladai baree jangal n ginee jaaegee?

18 us samay bahire pustak kee baten sunane legenge, aur andho jinhen ab kuchh naheen soojhta, ve dekhne legenge.

19 namra log yahova ke karan fir anaandait honge, aur daridra manushy israael ke pavitra ke karan magan honge.

20 kyonaki upadravee fir n rahenge aur ttttha karanevalon ka ant hoga, aur jo anarth karane ke liye jagate rahate haai, jo manushyon ko vachan men fansate haai,

21 aur jo sabha men ulahana dete unake liye fanda lagate, aur dharma ko vyarth bat ke dara bigad dete haai, ve sab mitt jaaenge..

22 is karan ibraaheem ka chhudanevala yahova, yakoob ke gharane ke vishay yon kahata haai, yakoob ko fir lajjait hona n padega, usaka mukh fir neecha n hoga.

23 kyonaki jab usake santan mera kam dekhenge, jo maain unake beech men karoonga, tab ve mere nam ko paavitra manenge, aur israael ke parameshvar ko aati bhy manenge.

24 us samay jinaka man bhittka ho ve buddh ipraapt karenge, aur jo kudkudate haain vah shaiksha grahan karenge..

- ¹⁵ prabhu yahova, israael ka paavitra yon kahata haai, laut ane aur shaant rahane men tumhara uddhar haai shaant rahate aur bhrosa rakhne men tumharee veerata haai. parantu tum ne aeese naheen kiya,

16 tum ne kaha, nahee, ham to ghaedon par chaddhkar bhagenge, isaaliye tum bhagoge aur yah bhee kaha ki ham tej savaree par challenge, so tumhara peechha karanevale us se bhee tej honge.

17 aek hee kee dhamakee se aek hajar bhagenge, aur panch kee dhamakee se tum aeesa bhagoge ki ant men tum pahad kee chottee ke dnde va tteele ke upar kee dhvaja ke saman rah jaoge jo chinh ke liye gade jate haain.

18 taubhee yahova isaaliye vilamb karata haai ki tum par anugrah kare, aur isaliye unche uttega ki tum par daya kare. kyonki yahova nyayee parameshvar haai kya hee dhany haain ve jo us par asha lagaae rahate haain..

19 he siyyon ke logon tum yarooshalem men base raho tum fir kabhee n rooge, vah tumharee dohai sunate hee tum par nishchay anugrah karega: vah sunate hee tumharee manega.

21 aur jab kabhee tum dahinee va bai or mudne lago, tab tumhare peechhe se yah vachan tumhare kanon men padega, marga yahee haai, isee par chalo.

22 tab tum vah chandee jis se tumharee khudee hui mootiayan maddhee haai, aur vah sona jis se tumharee ddhlee hui mootiayan abooshait haai, ashuddh karoge. tum unako maalee kuchaaile vasr kee nain faenk doge aur kahoge, door ho.

23 aur vah tumhare liye jal barasaaega ki tum khet men beej bo sako, aur boomi kee upaj bhee uttm aur bahutayat se hogee. us samay tumhare janavaron ko lambee-chaudee charai milegee.

24 aur baail aur gadahe jo tumharee khetee ke kam men aaenge, ve soop aur daliya se fattka hua svaadisht chara khaaenge.

25 aur us mahasanhar ke samay jab gummatt gir padenge, sab unche unche pahadon aur pahadiyon par naaliyan aur sote paae jaaenge.

26 us samay yahova apanee praja ke logon ka ghaav bandhoga aur unakee chott changa karega tab chandrama ka prakash soorya ka sa, aur soorya ka prakash sataguna hoga, arthata attvare bhr ka prakash ek din men hoga..

²⁹ tab tum paavitra parva ke rat ka sa geet gaoge, aur jaaisa log yahova ke parvat ke or us se milane ko, jo israael ke chattan haai, bansulee bajate huae jate haai, vaaise hee tumhare man men bhee anand hoga.

³⁰ aur yahova apanee pratapeevanee sunaaega, aur apana krodha bhdkata aur ag ke lau se bhsam karata hua, aur prachand andhaee aur ati vashara aur olon ke sath apana bhujabal dikhaaega.

³¹ ashshoor yahova ke shabd kee shaktai se nash ho jaaega, vah use sontte se marega.

¹ hijaakiyyah raja ke chaudahaven varsha me, ashshoor ke raja sanhereeb ne yahooda ke sab gaddhvale nagaron par chaddhai karake unako le liya.

² aur ashshoor ke raja ne rabashaake kee badee sena dekar lakeesh se yarooshalem ke pas hijaakiyyah raja ke virooddh bhej diya. aur vah uttree pokhre kee nalee ke pas dhaeabiyon ke khet kee sadk par jakar khda hua.

³ tab hilkaiyyah ka putra aelyakeem jo rajagharane ke kam par niyukt tha, aur shobna jo mantraee tha, aur asap ka putra yoah jo iatihat ka lekhk tha, ye teenon us se milane ko bahar nikal gaae..

⁴ rabashaake ne un se kaha, hijaakiyyah se kaha, maharajadhairaj ashshoor ka raja yon kahata haai ki too kisaka bhrosa kiae baaitta haai?

⁵ mera kahana haai ki kya munh se baten banana hee yuddh ke liye parakram aur yuaktai haai? too kis par bhrosa rakhta haai ki too ne mujh se balava kiya haai?

⁶ sun, too to us kuchale huae narakatt arthata misr par bhrosa rakhta haai us par yaadi koi ttek lagaae to vah usake hath men chubhkar chhed kar dega. misr ka raja firaun un sab ke sath aeesa hee karata haai jo us par bhrosa rakhte haain.

⁷ fir yadi too mujh se kahe, hamara bhrosa apane parameshvar yahova par haai, to kya vah vahee naheen haai jisake unche sthanon aur vediyon ko ddha kar hijaakiyyah ne yahooda aur yarooshalem ke logon se kaha ki tum is vedee ke samhane dandvata kiya karo?

⁸ isaliye ab mere svamee ashshoor ke raja ke sath vacha bandha tab maain tujhe do hajar ghaede doonga yaadi too un par savar chaddha sake.

⁹ fir too rathon aur savaron ke liye misr par bhrosa rakhkar mere svamee ke chhotte se chhotte karmacharee ko bhee kaaise hatta sakega?

¹⁰ kya maain ne yahova ke bina kahe is desh ko ujadne ke liye chaddhai kee haai? yahova ne mujh se kaha haai, us desh par chaddhai karake use ujad de..

¹¹ tab aelyakeem, shobna aur yoah ne rabashaake se kaha, apane dason se aramee bhasha men bat kar kyonaki ham use samajhte haain ham se yahoodee bhasha men shaharapanah par baaitte huae logon ke sunate baten n kara.

¹² rabashaake ne kaha, kya mere svamee ne mujhe tere svamee hee ke va tumhare hee pas ye baten kahane ko bheja haai? kya us ne mujhe un logon ke

pas naheen bheja jo shaharapanah par baaitte haain jinhen tumhare sang apanee vishitta khana aur apana mootra peena padega?

13 tab rabashaake ne khde hokar yahoodde bhasha men unche shabd se kaha, maharajaadhairaj ashshoor ke raja kee baten suno!

14 raja yon kahata haai, hijaakiyyah tum ko dhaekha n de, kyonaki vah tumhen bacha n sakega.

15 aeesa n ho ki hijaakiyyah tum se yah kahakar bhulava de ki yahova nishchay ham ko bachaaega ki yah nagar ashshoor ke raja ke vash men n padega.

16 hijaakiyyah kee mat suno ashshoor ka raja kahata haai, bhentt bhejkar mujhe prasann karo aur mere pas nikal ao tab tum apanee apanee dakhata aur anjeer ke vraksha ke fal kha paoge, aur apane apane kund ka panee piya karoge

17 jab tak maain akar tum ko aeese desh men n le jaun jo tumhare desh ke saman anaj aur naye dakhmadha ka desh aur rottee aur dakh kee baariyon ka desh haai.

18 aeesa n ho ki hijaakiyyah yah kahakar tum ko bahakaae ki yahova ham ko bachaaega. kya aur jaatyon ke devataon ne apane apane desh ko ashshoor ke raja ke hath se bachaya haai?

19 hamat aur arpad ke devata kahan rahe? sapavaraim ke devata kahan rahe? kya unhon ne shaemaron ko mere hath se bachaya?

20 desh desh ke devataon men se aeesa kaun haai jis ne apane desh ko mere hath se bachaya ho? fir kya yahova yarooshalem ko mere hath se bachaaega?

21 parantu ve chup rahe aur usake uttr men aek bat bhee n kahee, kyonki raja kee aeesee agyaa thee ki usako uttr n dena.

22 tab hilkaiyyah ka putra aelyakeem jo rajagharane ke kam par niyukt tha aur shobna jo mantraee tha aur asap tha, inhon ne hijaakiyyah ke pas vasr faade huae jakar rabashaake kee baten kah sunai..

Yashaayaah 37

1 jab hijaakiyyah raja ne yah suna, tab vah apane vasr faad aur ttatt oddhkar yahova ke bhvan men gaya.

2 aur us ne aelyakeem ko jo rajagharane ke kam par niyukt tha aur shobna mantraee ko aur yajakon ke puraaniyon ko jo sab ttatt oddhe huae the, amos ke putra yashaayah nabee ke pas bhej diya.

3 unhon ne us se kaha, hijaakiyyah yon kahata haai ki aj ka din sankatt aur ulahane aur ninda ka din haai, bachche janmane par huae par jachcha ko janane ka bal n raha.

4 sambhv haai ki tere parameshvar yahova ne rabashaake kee baten sunee jise usake svamee ashshoor ke raja ne jeevate parameshvar kee ninda karane ko

⁵ jab hijaaqiyyah raja ke karmacharee yashaayah ke pas aae.

⁶ tab yashaayah ne un se kaha, apane svamee se kaho, yahova yon kahata haai ki jo vachan too ne sune haain jinake dara ashshoor ke raja ke janon men meree ninda kee haai, unake karan mat dra.

⁷ sun, maain usake man men praerana karoonga jis se vah kuchh samachar sunakar apane desh ko lauttt jaae aur maain usako usee desh men talavar se marava daloonga..

⁸ tab rabashaake ne lauttkar ashshoor ke raja ko libna nagar se yuddh karate paya kyonki us ne suna tha ki vah lakeesh ke pas se utt gaya haai.

⁹ us ne koosh ke raja tirhaka ke vishay yah suna ki vah us se ladne ko nikala haai. tab us ne hijaaqiyyah ke pas dooton ko yah kahakar bheja.

¹⁰ ki tum yahooda ke raja hijaaqiyyah se yon kahana, tera parameshvar jis par too bhrosa karata haai, yah kahakar tujhe dhaekha n dene paae ki yarooshalem ashshoor ke raja ke vash men n padega.

¹¹ dek, too ne suna haai ki ashshoor ke rajaon ne sab deshaen se kaaisa vyavahar kiya ki unhen satyanash hee kar diya.

¹² fir kya too bach jaaega? gojaan aur haran aur resep men rahanevalee jin jatiyon ko aur talassar men rahanevale aedenee logon ko mere purakhaon ne nash kiya, kya unake devataon ne unhen bacha liya?

¹³ hamat ka raja, arpad ka raja, sapavaraim nagar ka raja, aur hena aur ivva ke raja, ye sab kahan gaae?

¹⁴ is patraee ko hijaaqiyyah ne dooton ke hath se lekar paddha tab us ne yahova ke bhvan men jakar us patraee ko yahova ke samhane faaila diya.

¹⁵ aur yahova se yah praarthna kee,

¹⁶ he senaon ke yahova, he karoobon par virajaman israael ke parameshvar, prathvee ke sab rajyon ke upar keval too hee parameshvar haai akash aur prathvee ko too hee ne banaya haai.

¹⁷ he yahova, kan lagakar suna yahova ankh kholakar dekh aur sanhereeb ke sab vachanon ko sun le, jis ne jeevate parameshvar kee ninda karane ko likh bheja haai.

¹⁸ he yahova, sach to haai ki ashshoor ke rajaon ne sab jatiyon ke deshaen ko ujada haai

19 aur unake devataon ko ag men jhonka haai kyonaki ve ishvar n the, ve keval manushyon kee kareegaree, katt aur patthr hee the is karan ve unako nash kar sake.

20 ab he hamare parameshvar yahova, too hamen usake hath se bacha jis se prathvee ke rajy rajy ke log jan len ki keval too hee yahova haai..

21 tab amos ke putra yashaayah ne hijaakiyyah ke pas yah kahala bheja, israael ka parameshvar yahova yon kahata haai, too ne jo ashshoor ke raja sanhereeb ke vishay men mujh se praarthna kee haai,

22 usake vishay yahova ne yah vachan kaha haai, siyyon kee kumaree kanya tujhe tuchchh janatee haai aur tttthon men udatee haai yarooshalem kee putraee tujh par sir hilatee haai..

23 too ne kis kee namadharai aur ninda kee haai? aur too jo bada bol bola aur ghamand kiya haai, vah kis ke virooddh kiya haai? israael ke paavitra ke virooddh!

24 apane karmachaariyon ke dara too ne prabhu kee ninda karake kaha haai ki bahut se rath lekar maain parvaton kee chottyaaien par varan labanon ke beech tak chaddh aya hoon maain usake unche unche devadaron aur achchhe achchhe sanaubaron ko katt daloonga aur usake door door ke unche sthanon men aur usake van kee faladai bariyon men pravesh karoonga.

25 maain ne khudavakar panee piya aur misr kee naharon men panv dharate hee unhen sukha diya.

26 kya too ne naheen suna ki praacheenakal se maain ne yahee ttana aur poorvakal se isakee taaiyaree kee thee? isaliye ab maain ne yah poora bhee kiya haai ki too gaddhvale nagaron ko khndhar kee khndhar kar de.

27 isee karan unake rahanevalon ka bal ghatt gaya aur ve vismait aur lajjait hue: ve maaidan ke chhotte chhotte pedon aur haree ghaas aur chht par kee ghaas aur aeese anaj ke saman ho gaae jo baddhne se paahile hee sookh jata haai..

28 maain to tera baaitna, kooch karana aur laut ana janata hoon aur yah bhee ki too mujh par apana krodha bhdkata haai.

29 is karan ki too mujh par apana krodha bhdkata aur tere aabhaiman kee baten mere kanon men padee haai, maain teree nak men nakel dalakar aur tere munh men apanee lagam lagakar jis marga se too aya haai usee marga se tujhe lautta doonga..

30 aur tere liye yah chinh hoga ki is varsha to tum use khaoge jo ap se ap uge, aur doosare varsha vah jo us se utpann ho, aur teesare varsha beej bokar use lavane paoge aur dakh kee bariyan lagane aur unaka fal khane paoge.

31 aur yahooda ke gharane ke bache huae log fir jad pakadenge aur foolen-falenge

32 kyonaki yarooshalem se bache huae aur siyyon parvat se bhage huae log nikalenge. senaon ka yahova apanee jalan ke karan yah kam karega..

33 isaliye yahova yashshoor ke raja ki vishay yon kahata haai ki vah is nagar men pravesh karane, varan is par aek teer bhee marane n paaega aur n vah ddhal lekar isake samhane ane va isake virooddh damadama bandhane paaega.

34 jis marga se vah aya haai usee se vah lautt bhee jaaega aur is nagar men pravesh n karane paaega, yahova kee yahee vanee haai.

35 kyonaki maain apane nimitt aur apane das daud ke nimit, is nagar kee raksha karake use bachaunga..

36 b yahova ke doot ne nikalakar ashshooriyon kee chhavane men aek lakh pachasee hajar purooshaen ko mara aur bhor ko jab log savere utte tab kya dekha ki loth hee loth padee haain.

37 tab ashshoor ka raja sanhereeb chal diya aur lauttkar neenave men rahane laga.

38 vahan vah apane devata nisrok ke maandair men dandvata kar raha tha ki itane men usake putra adrammelek aur sharesen ne usako talavar se mara aur ararat desh men bhag gae. aur usaka putra aesarhaon usake sthan par rajy karane laga..

Yashaayaah 38

1 un dinon men hijaakiyyah aesa rogee hua ki vah marane par tha. aur amos ke putra yashaayah nabee ne usake pas jakar kaha, yahova yon kahata haai, apane gharane ke vishay jo agyaa denee ho vah de, kyonaki too n bachega mar hee jaega.

2 tab hijaakiyyah ne bhee kee or munh faerakar yahova se praarthna karake kaha

3 he yahova, maain binatee karata hoo, smaran kar ki maain sachchai aur khre man se apane ko tere sammukh janakar chalata aya hoon aur jo teree draashti men uchit tha vahee karata aya hoon. aur hijaakiyyah bilak bilakakar rone laga.

4 tab yahova ka yah vachan yashaayah ke pas pahuncha,

5 jakar hijaakiyyah se kah ki tere moolapuroosh daud ka parameshvar yahova yon kahata haai, maain ne teree praarthna sunee aur tere ansoo dekhe haain sun, maain teree ayu pandrah varsha aur baddha doonga.

6 ashshoor ke raja ke hath se maain teree aur is nagar kee raksha karake bachaunga..

- ⁷ yahova apane is kahe huae vachan ko poora karega,

- ¹⁵ maain kya kahoon? usee ne mujh se praatigyaa kee aur poora bhee kiya haai. maain jeevan bhr kaduahatt ke sath dhaeere dhaeere chalata rahoonga..
- ¹⁶ he prabhu, inheen baton se log jeeavit haai, aur in sabhon se meree atma ko jeevan milata haai. too mujhe changa kar aur mujhe jeeavit rakh!
- ¹⁷ dek, shaaantai hee ke liye mujhe badee kaduahatt milee parantu too ne sneh karake mujhe vinash ke gadhe se nikala haai, kyonaki mere sab papon ko too ne apanee peett ke peechhe faenk diya haai.
- ¹⁸ kyonaki adhaelok tera dhanyavad naheen kar sakata, n mratyu teree stuati kar sakatee haai jo kabar men paden ve teree sachchai kee asha naheen rakh sakate
- ¹⁹ jeeavit, ho jeeavit hee tera dhanyavad karata haai, jaaisa maain aj kar raha hoon pita teree sachchai ka samachar putraen ko deta haai..
- ²⁰ yahova mera uddhar karega, isaliye ham jeevan bhr yahova ke bhvan men taravale bajon par apane rache huae geet gaten rahenge..
- ²¹ yashaayah ne kaha tha, anjeeron kee aek ttiikaya banakar hijaakiyyah ke faade par bandhaee jaa, tab vah bachega.
- ²² aur hijaakiyyah ne poochha tha ki isaka kya chinch haai ki maain yahova ke bhvan ko fir jane paunga?

Yashaayaah 39

¹ us samay baladan ka putra marodak baladan, jo babul ka raja tha, us ne hijaaqiyyah ke rogee hone aur fir change ho jane kee charcha sunakar usake pas patraee aur bhentt bhejee.

⁷ aur jo putra tere vansh men utpann ho, un men se bhee kitanon ko ve bandhauai men le jaaenge aur vah khoje banakar babul ke rajabhvan men rahenge.

⁸ hijaaqiyyah ne yashaayah se kaha, yahova ka vachan jo too ne kaha haai vah bhla hee haai. fir us ne kaha, mere dinon men to shaantai aur sachchai banee rahegee..

Yashaayaah 40

15 yahova kee yah vanee haai, maain uttar disha ke rajyon aur kulon ko bulaunga aur ve akar yarooshalem ke faattkon men aur usake charon or kee shaharapanah, aur yahooda ke aur sab nagaron ke samhane apana apana sinhasan lagaenge.

16 aur unakee saree burai ke karan maain un par dand kee agyaa doonga kyonaki unhon ne mujhe tyagakar doosare devataon ke liye dhoop jalaya aur apanee banai hui vastuon ko dandvata kiya haai.

17 isaliye too apanee kamar kasakar utt aur jo kuchh kahane kee maain tujhe agyaa doon vahee un se kaha. too unake mukh ko dekhkar n ghabarana, aeesa n ho ki maain tujhe unake samhane ghabara doon.

18 kyonaki sun, maain ne aj tujhe is sare desh aur yahood ke rajao, hakimo, aur yajakon aur sadhaaran logon ke virud gaddhvala nagar, aur lohe ka khmbha, aur peetal kee shaharapanah banaya haai.

19 ve tujh se ladenge to sahee, parantu tujh par prabal n hongee, kyonaki bachane ke liye maain tere sath hoo, yahova kee yahee vanee haai.

Yirmayah 2

1 yahova ka vah vachan mere pas pahuncha,

2 aur yarooshalem men pukarakar yah suna de, yahova yah kahata haai, teree javanee ka sneh aur tere vivah ke samay ka praem mujhe smaran ata haai ki too kaaise jangal men mere peechhe peechhe chalee jahan boomi jotee-boi n gai thee.

3 israaael, yahova ke liye paavitra aur usakee pahalee apaj thee. use khanevale sab doshaee ttharengae aur vipaattai men padenge, yahova kee yahee vanee haai.

4 he yakoob ke gharane, he israaael ke gharane ke kulon ke logo, yahova ka vachan suno !

5 yahova yon kahata haai, tumhare purakhaon ne mujh men kaun aeese kuattlita pai ki mujh se door hatt gaae aur nikammee vastuon ke peechhe hokar svayan nikamme ho gaae?

6 unhon ne itana bhee n kaha ki jo hamen misra desh se nikal le aya vah yahova kahan haai? jo hamen jangal men se or ret aur gadhon se bhre huae nirjal aur ghaer andhakar ke desh se jis men hokar koi naheen chalata, aur jis men koi manushy naheen rahata, hamen nikal le aya.

7 aur maain tum ko is upaja desh men le aya ki usaka fal aur uttam upaj khao parantu mere is desh men akar tum ne ise ashuddha kiya, aur mere is nij bhag ko gharaanaiat kar diya haai.

8 yajakon ne bhee naheen poochha ki yahova kahan haai jo vyavastha sikhate the ve bhee mujh ko n janate the charavahon ne bhee mujh se balava kiya bhavishyadvktaon ne bal devata ke nam se bhvishyadane kee aur nishfal baton ke peechhe chale.

9 is karan yahova yah kahata haai, maain fir tum se vivad, aur tumhare bette aur poton se bhee prashn karoonga.

10 kittaiyon ke deepon men par jakar dekho, ya kedar men doot bhejkar bhlee bhanti vichar karo aur dekho dekho, ki aeese kam kaheen aur bhee hua haai? kya kisee jaati ne apane devataon ko badal diya jo parameshvar bhee naheen haain?

11 parantu meree praja ne apanee mahima ko nikammee vastu se badal diya haai.

12 he akasha, chaakit ho, bahut hee thrathra aur sunasan ho ja, yahova kee yah vane haai.

13 kyonaki meree praja ne do buraiyan kee haain unhon ne mujh bahate jal ke sote ko tyag diya haai, aur, anhon ne haud bana lia, varan bese haud jo toott gae haai, aur jin men jal naheen rah sakata.

14 kya israael das haai? kya vah ghar men janma hua dans haai? fir vah kyon shaikar bana?

15 javan sinhon ne usake viruddh garajakar nad kiya. unhon ne usake desh ko ujad diya unhon ne usake nagaron ko aeese ujad diya ki un men koi basanevala hee n raha.

16 aur nop aur tahapathes ke nivasee bhee tere desh kee upaj chatt kar gae haain.

17 kya yah teree hee karanee ka fal nahee, jo too ne apane parameshvar yahova ko chhod diya jo tujhe marga men liae chala?

18 aur ab tujhe misra ke marga se kya labh haai ki too seehor ka jal peeae? athva ashshoor ke marga se bhee tujhe kya labh ki too mahanad ka jal peeae?

19 teree burai hee teree tadna karegee, aur tera bhthk jana tujhe ulahana dega. jan le aur dekh ki apane parameshvar yahova ko tyagana, yah buree aur kadvee bat haai tujhe mera bhy hee naheen raha, prabhu senaon ke yahova kee yahee vane haai.

20 kyonaki bahut samay pahile maain ne tera jooa tod dala aur tere bandhan khol diae parantu too ne kaha, maain seva n karoongee. aur sab unche-unche tteelon par aur sab hare pedon ke neechhe too vyaabhaicharin ka sa kam karatee rahee.

21 maain ne to tujhe uttam jaati kee dakhilata aur uttam beej karake lagaya tha, fir too kyon mere liye jangalee dakhilata ban gai?

22 chahe too apane ko sajjee se dhaeae aur bahut sa sabun bhee prayog kare, taubhee tere adharma ka dhabba mere samhane bana rahega, prabhu yahova kee yahee vanee haai.

23 too kyonkar kah sakatee haai ki maain ashuuddh nahee, maain bal devataon ke peechhe naheen chalee? tarai men kee apanee chal dekh aur jan le ki too ne kya kiya haai? too veg se chalaneevalee aur idhar udhar firanevalee sandnee haai,

24 jangal men palee hui jangalee gadahee jo kamatur hokar vayu soondhatee firatee haai tab kaun use vash men kar sakata haai? jitane usako ddoonddhte haain ve vyarth parishram n karen kyonki ve use usakee tu men paaenge.

25 apane panv nange aur gala sukhaae n raha. parantu too ne kaha, nahee, aeesa naheen ho sakata, kyonki mera praem doosaron se lag gaya haai aur maain unake peechhe chalatee rahoongee.

26 jaaise chor pakade jane par laajjait hota haai, vaaise hee israaael ka gharana rajao, hakimo, yajakon aur bhvishyadvktaon samet laajjait hoga.

27 ve katt se kahate haai, too mera bap haai, aur patthr se kahate haai, too ne mujhe janm diya haai. is prakar unhon ne merree or munh naheen peett hee faeree haai parantu vipaattai ke समय ve kahate haai, uttkar hamen bacha !

28 parantu jo devata too ne bana liae haai, ve kahan rahe? yadi ve teree vipaattai ke समय tujhe bacha sakate haain to abhee utten kyonaki he yahooda, tere nagaron ke barabar tere devata bhee bahut haain.

29 tum kyon mujh se vadaavivad karate ho? tum sabhon ne mujh se balava kiya haai, yahova kee yahee vanee haai.

30 maain ne vyarth hee tumhare betton kee tadna kee, unhon ne kuchh bhee naheen mana tum ne apane bhavishyadvktaon ko apanee hee talavar se aeesa katt dala haai jaaisa sinh faadta haai.

31 he logo, yahova ke vachan par dhyan do ! kya maain israaael ke liye jangal va ghaer andhakar ka desh bana? tab merree praja kyon kahatee haai ki ham to ajad ho gaae haain so tere pas fir n aaenge?

32 kya kumaree apane midgar va dualhain apanee sajavatt bool sakatee haai? taubhee merree praja ne yugon se mujhe bisara diya haai.

33 praem lagane ke liye too kaaisee sundar chal chalatee haai ! buree striayon ko bhee too ne apanee see chal sikhai haai.

34 tere ghaanghare men nidash aur daaridra logon ke lohoo ka chinh paya jata haai too ne unhen sendha lagate naheen pakada. parantu in sab ke hote huae bhee too kahatee haai, maain nidash hoon

35 nishchay usaka krodha mujh par se hatt jaaega. dek, too jo kahatee haai ki maain ne pap naheen kiya, isaliye maain tera nyay karaunga.

³⁶ too kyon naya marga pakadne ke liye itanee danvadol firatee haai? jaise ashshooriyon se too lajjait hui vaaise hee misiryon se bhee hogee.

³⁷ vahan se bhee too sir par hath rakhe huae yon hee chalee aaegee, kyonaki jin par too ne bhrosa rakha haai unako yahova ne nikamma ttharaya haai, aur usake karan too safal n hogee.

Yirmayah 3

¹ ve kahate haai, yadi koi apanee patnee ko tyag de, aur vah usake pas se jakar doosare purush kee ho jaa, to vah pahila kya usake pas fir jaaega? kya vah desh aati ashuddh n ho jaaega? yahova kee yah vanee haai ki too ne bahut se praemiyon ke sath vyabhaichar kiya haai, kya too ab meree or firegee?

² munde tteelon kee or ankhen uttakar dekh ! aesa kaun sa sthan haai jahan too ne kukarma n kiya ho? magan men too aeese baaittee jaise aek arabee jangal men. too ne desh ko apane vyabhaichar se ashuddh kar diya haai.

³ isee karan jhadiyan aur barasat kee pichhlee vashara naheen hotee taubhee tera matha veshya ka sa haai, too lajjait hona hee naheen janatee.

⁴ kya too ab mujhe pukarakar kahegee, he mere pita, too hee meree javanee ka sathee haai?

⁵ kya vah man men sada krodha rakhe rahega? kya vah usako sada banaae rahega? too ne aesa kaha to haai, parantu too ne bure kam prabalata ke sath kiae haain.

⁶ fir yoshaiyyah raja ke dinon men yahova ne mujh se yah bhee kaha, kya too ne dekha ki bhttkanevalee israael ne kya kiya haai? us ne sab unche pahadon par aur sab hare pedon ke tale ja jakar vyaabhaichar kiya haai.

⁷ tab maain ne sova, jab ye sab kam vah kar chuke tab meree or firegee parantu vah n firee, aur usakee vishvasaghaatee bahin yahooda ne yah dekha.

⁸ fir maain ne dekha, jab maain ne bhttkanevalee israael ko usake vyabhaichar karane ke karan tyagakar use tyagapatra de diya taubhee usakee vishvasaghaatee bahin yahooda n dree, varan jakar vah bhee vyabhaicharinee ban gai.

⁹ usake nirlajja-vyabhaicharinee hone ke karan desh bhee ashuddh ho gaya, us ne patth aur katt ke sath bhee vyabhaichar kiya.

¹⁰ itane par bhee usakee vishvasaghaatee bahin yahooda poorn man se meree or naheen firee, parantu kapatt se, yahova kee yahee vanee haai.

¹¹ aur yahova ne mujh se kaha, bhttkanevalee israael, vishvasaghaatin yahooda se kam doshae nikalee haai.

12 too jakar uttar disha men ye baten prachar kar, yahova kee yah vanee haai, he bhhtkanevalee israaael lautt a, maain tujh par krodha kee drashtti n karoonga kyonki yahova kee yah vanee haai, maain karunamay hoo maain sarvada krodha n rakhe rahoonga.

13 keval apana yah adharma man le ki too apane parameshvar yahova se fir gai aur sab hare pedon ke tale idhar udhar doosaron ke pas gai, aur meree baton ko naheen mana, yahova kee yah vanee haai.

14 he bhhtkanevalee ladko lautt ao, kyonki maain tumhara svamee hoo yahova kee yah vanee haai. tumhare pratyek nagar peechhe aek, aur pratyek kul peechhe do ko lekar maain siyyon men pahuncha doonga.

15 aur maain tumhen apane man ke anukool charavahe doonga, jo gyaan aur buaddhi se tumhen charaenge.

16 un dinon men jab tum is desh men baddho, aur foolo-falo, tab log fir aeese n kahenge, yahova kee vacha ka sandooka yahova kee yah bhee vanee he. usaka vichar bhee unake man men n aega, n log usake n rahane se chinta karenge aur n usakee marammat hogee.

17 us samay sarooshalem yahova ka sinhasan kahalaega, aur sab jatiyan usee yarooshalem men mere nam ke nimitt ikatthee hua karengee, aur, ve fir apane bure man ke hatt par n challengee.

18 un dinon men yahooda ka gharana israael ke gharane ke sath chalega aur ve donon milakar uttar ke desh se is desh men aenge jise maain ne unake poorvajon ko nij bhag karake diya tha.

19 maain ne socha tha, maain kaaise tujhe ladkon men ginakar vah manabhavana desh doon jo sab jatiyon ke deshaen ka shairomanai haai. aur maain ne socha ki too mujhe pita kahegee, aur mujh se fir n bhhtkegee.

20 is men to sandeh naheen ki jaaise vishvasaghaatee sree apane piry se man faer letee haai, vaaise hee he israaael ke gharane, too mujh se fir gaya haai, yahova kee yahee vanee haai.

21 munde tteelon par se israaaeliyon ke rone aur gidgidane ka shabd sunai de raha haai, kyonki ve tteddhee chal chalte rahe haain aur apane parameshvar yahova ko bool gae haain.

22 he bhhtkanevalee ladko, lautt ao, maain tumhara bhhtkana sudhaar doonga. dek, ham tere pas aae haain kyonaki too hee hamara parameshvar yahova haai.

23 nishkhy pahadon aur pahadiyon par ka kolahal vyarth hee haai. israaael ka uddhar nishchay hamare parameshvar yahova hee ke dara haai.

²⁴ parantu hamaree javanee hee se us badanamee kee vastu ne hamare purakhaon kee kamai arthata unakee bhed-bakaree aur gaya-baail aur unake bette-beattyaien ko nigal liya haai.

²⁵ ham laajjait hokar lett jaae, aur hamara sankoch hamaree oddhnee ban jaae kyonaki hamare purakha aur ham bhee yuva avastha se lekar aj ke din tak apane parameshvar yahova ke viruddh pap karate aae haain aur ham ne apane parameshvar yahova kee baton ko naheen mana haai.

Yirmayah 4

¹ yahova kee yah vanee haai, he israaael yadi too lautt aye, to mere pas lautt a. yadi too ghainaunee vastuon ko mere samhane se door kare, to tujhe avara firana n padega,

² aur yaadi too sachchai aur nyay aur dharm se yahova ke jeevan kee shapath khaa, to anyajaatiyan usake karan apane apako dhany kahengee, aur usee par ghamand karengee.

³ kyonaki yahooda aur yarooshalem ke logon se yahova ne yon kaha haai, apanee padtee boomi ko joto, aur katteele jhadon men beej mat boo.

⁴ he yahooda ke logo aur yarooshalem ke nivaasiyo, yahova ke liye apana khtana karo ha, apane man ka khtana karo naheen to tumhare bure kamon ke karan mera krodha ag kee nai bhdkega, aur aeesa hoga kee koi usee bujha n sakega.

⁵ yahooda men prachar karo aur yarooshalem men yah sunao poore desh men naraasinga foonko gala kholakar lalakaro aur kaho, ao, ham ikatthe hon or gaddhvale nagaron men jaaen !

⁶ siyyon ke marga men jhnda khda karo, apana saman battorake bhago, khde mat raho, kyonaki maain uttar kee disha se vipaattai aur satyanash le aya chahata hoo.

⁷ aek sinh apanee jhadee se nikala, jati jati ka nash karanevala chaddhai karake a raha haai vah kooch karake apane sthan se isaaliye nikala haai ki tumhare desh ko ujad de aur tumhare nagaron ko aeesa sunasan kar de ki un men koi basanevala n rahane paae.

⁸ isaliye kamar men ttatt bandhae, vilap aur hay hay karo kyonki yahova ka bhdka hua kop ham par se tla naheen haai.

⁹ us samay raja aur haakimon ka kaleja kanp uttega yajak chaakit honge aur nabee achambhiat ho jaenge, yahova kee yah vanee haai.

¹⁰ tab maain ne kaha, hay, prabhu yahova, too ne to yah kahakar ki tum ko shaaantai milegee nishchay apanee is praja ko aur yarooshalem ko bhee bada dhaekha diya haai kyonki talavar praanon ko mittane par haai.

- 11 us samay teree is praja se aur yarooshalem sen bhee kaha jaega, jangal ke munde tteelon par se praja ke logon kee or loo bah rahee haai, vah aeesee vayu naheen jis se osana va farachhana ho,
- 12 parantu merree or se aeese kamon ke liye aadhaik prachand vayu bahegee. ab maain unako dand kee agyaa doonga.
- 13 dekho, vah badalon kee nai chaddhai karake a raha haai, usake rath bavandr ke saman aur usake ghaede ukabon se bhee aadhaik veg se chalate haain. ham par hay, ham nash huae !
- 14 he yarooshalem, apana day burai se dhae, ki, tumhara uddhar ho jae. tum kab tak vyarth kalpanaaen karate rahoge?
- 15 kyonaki dan se shabd sun pad raha haai aur aepraaim ke pahadee desh se vipaattai ka samachar a raha haai.
- 16 anyajatiyon men suna do, yarooshalem ko bhee isaka samachar do, paharuae door desh se akar yahooda ke nagaron ke viruddh lalakar rahe haain.
- 17 ve khet ke rakhvalon kee nai usako charon or se ghor rahe haai, kyonki us ne mujh se balava kiya haai, yahova kee yahee vanee haai.
- 18 yah teree chal aur tere kamon hee ka fal haain. yah teree dushtta haai aur ati dukhdai haai is se tera day chhdai jata haai.
- 19 hay ! hay ! mera day bheetar hee bheetar tadpata haai ! aur mera man ghabarata haai ! maain chup naheen rah sakata kyonki he mere praa, naraasinge ka shabd aur yuddh kee lalakar tujh tak pahunchee haai.
- 20 nash par nash ka samachar a raha haai, sara desh loott liya gaya haai. mere dere achanak or mere tamboo aekaaek lootte gae haain.
- 21 aur kitane din tak mujhe unaka jhgada dekhna aur narasinge ka shabd sunana padega?
- 22 kyonaki merree praja mooddh haai, ve mujhe naheen janate ve aeese moorkh ladke haain jin men kuchh bhee samajh naheen. burai karane ko to ve buaddhiman haai, parantu bhilai karana ve naheen janate.
- 23 maain ne prathvee par dekha, vah soonee aur sunasan padee thee aur akash ko, aur us men koi jyoti naheen thee.
- 24 maain ne pahadon ko dekha, me hil rahe the, aur sab pahadiyon ko ki ve dol rahee theen.
- 25 fir maain ne kya dekha ki koi panushy bhee n tha aur sab pakshae bhee ud gae the.
- 26 fir maain kya dekhta hoo ki yahova ke pratap aur us bhdke huae prakop ke karan upaja desh jangal, aur usake sare nagar khndhar ho gae the.

²⁷ kyonaki yahova ne yah bataya ki sara desh ujad ho jaaega taubhee maain usaka ant n kar daloonga.

²⁸ is karan prathvee vilap karegee, aur akash shaek ka kala vasr pahinega kyonki maain ne aeesa hee karate ko ttana aur kaha bhee haai maain is se naheen pachhtaunga aur n apane pran ko chhodoonga.

²⁹ nagar ke sare log savaron aur dhanudharariyon ka kolahal sasunakar bhage jate haain ve jhadiyon men ghausate aur chattanon par chaddhe jate haain sab nagar nirjan ho gaa, aur un men koi bakee n raha.

³⁰ aur too jab ujadegee tab kya karegee? chahe too lal radg ke vasr paahine aur sone ke abooshan dhaaran kare aur apanee ankhon men anjan lagaa, parantu vyarth hee too apana sharangar karegee. kyonaki tere mitra tujhe nikamnee janate haain ve tere praanon ke khojee haain.

³¹ kyonaki maain ne jachcha ka shabd, pahilautta janatee hui sree kee see chillahatt sunee haai, yah siyyon kee bettee ka shabd haai, jo hanfatee aur hath faailaae huae yon kahatee haai, hay mujh par, maain hatyaron ke hath padkar moorchhri ho chalee hoo.

Yirmayah 5

¹ yarooshalem kee sadkon men idhar udhar daudkar dekho ! usake chaukon men ddoonddho yadi koi aeesa mil sake jo tyay se kam kare aur sachchai ka khojee ho to maain usaka pap kshama karoonga.

² yadhymi usake nivasee yahova ke jeevan kee shapath bhee khaae, taubhee nishchay ve joottee shapath khate haain.

³ he yahova, kya teree draashtti sachchai par naheen haai? too ne unako dukh diya, parantu ve shaeakit naheen huae too ne unako nash kiya, parantu unhon ne tadna se bhee naheen mana. unhon ne apana man chattan se bhee adhaik kattor kiya haai unhon ne pashchattap karane se inakar kiya haai.

⁴ fir maain ne socha, ye log to kadgal aur abodha hee haain kyonaki ye yahova ka marga aur apane parameshvar ka niyam naheen janate.

⁵ isaliye maain bade logon ke pas jakar unako sunaunga kyonki ve to yahova ka marga aur apane parameshvar ka niyam janate haain. parantu un sabhon ne milakar jooae ko tod diya haai aur bandhanon ko khol dala haai.

⁶ is karan van men se aek sinh akar unahen mar dalega, nirjal desh ka aek bhediya unako nash karega. aur aek cheeta unake nagaron ke pas ghaat lagaae rahega, aur jo koi un men se nikale vah faada jaaega kyonki unake aparadha bahut baddh gaae haain aur ve mujh se bahut hee door hatt gaae haain.

⁷ maain kyonkar tera pap kshama karoon? tere ladkon ne mujh ko chhodkar unakee shapath khai haai jo parameshvar naheen haai. jab maain ne unaka pett

⁸ ve khailaae-pilaae be-lagam ghodon ke saman ho gaa, ve apane apane padosee kee sree par hinaahinane lage.

⁹ kya maain aeese kamon ka unhen dand n doon? yahova kee yah vanee haai kya maain aeesee jati se apana palatta n loon?

¹⁰ shaharapanah par chaddhke usaka nash to karo, taubhee usaka ant mat kar dalo usakee jad rahane do parantu usakee daliyon ko todkar faenk do, kyonki ve yahova kee naheen haain.

¹¹ yahova kee yah vanee haai ki israaael aur yahooda ke gharanon ne mujh se bada vishvasaghaat kiya haai.

¹² unhon ne yahova kee baten jhuttakar kaha, vah aeese naheen haai vipaattai ham par n padegee, n ham talavar ko aur n mahangee ko dekhenge.

¹³ bhavishyadvkta hava ho jaaenge un men ishvar ka vachan naheen haai. unake sath aeese hee kiya jaaega !

¹⁴ is karan senaon ka parameshvar yahova yon kahata haai, ye log jo aeese kahate haai, isaaliye dek, maain apana vachan tere munh men ag, aur is praja ko katt banaunga, aur vah unako bshm karegee.

¹⁵ yahova kee yah vanee haai, he israaael ke gharane, dek, maain tumhare viruddh door se aeesee jaati ko chaddha launga jo samath aur praacheen haai, usakee bhasha tum n samajhoge, aur n yah janoge ki ve log kya kah rahe haain.

¹⁸ taubhee, yahova kee yah vanee haai, un dinon men bhee maain tumhara ant n kar daloonga.

¹⁹ aur jab tum poochhoge ki hamare parameshvar yahova ne ham se ye sab kam kis liye kiae haai, tab tum un se kahana, jis prakhar se tum ne mujh ko tyagakar apane desh men doosare devataon kee seva kee haai, usee prakhar se tum ko paraye desh men paradeshaiyon kee seva karanee padegee.

²⁰ yakoob ke gharane men yah prachar karo, aur yahooda men yah sunao

²¹ he moorkh aur nirbuaddhi logo, tum jo ankhen rahate huae naheen dekhte, jo kan rahate huae naheen sunate, yah suno.

²² yahova kee yah vanee haai, kya tum log mera bhy naheen manate? kya tum mere sammukh naheen thrathrate? maain ne baloo ko samudra ka sivana ttharakar yug yug ka aeesa bandha ttharaya ki vah use landha n sake aur chahe usakee laharen bhee utte, taubhee ve prabal n ho sake, ya jab ve garajen taubhee usako n landha saken.

⁷ kyonaki jis samay se maain tumhare purakhaon ko misra desh se chhuda le aya tab se aj ke din tak unako draddhta se chitata aya hoo, meree bat suno.

⁸ parantu anhon ne n sunee aur n meree baton par kan lagaya, kintu apane apane bure man ke hatt par chalate rahe. isaaliye maain ne unake vishay is vacha kee sab baton ko poorn kiya haai jisake manane kee maain ne unhen agyaa dee thee aur unhon ne n manee.

⁹ fir yahova ne mujh se kaha, yahoodiyon aur yarooshalem ke nivaasiyon men vidraeh paya gaya haai.

¹⁰ jaaise inake purakha mere vachan sunane se inakar karate the, vese hee ye bhee unake adhaman ka anusaran karake doosare devataon ke peechhe chalate aur unakee upasana karate haain israael aur yahooda ke gharanon ne us vaacha ko jo maain ne unake poornvajan se bandhaee thee, tod diya haai.

¹¹ isaliye yahova yon kahata haai, dek, maain in par aeesee vipaattai dalane par hoo jis se ye bach n sake aur chahe ye meree dohai den taubhee maain inakee n sunoonga.

¹² us samay sarooshalem aur yahooda ke nagaron ke nivasee un devataon kee dohai denge jinake liye ve dhoop jalate haai, parantu ve unakee vipaattai ke samay unako kabhee n bacha sake.

¹³ he yahooda, jitane tere nagar haain utane hee tere devata bhee haain aur yarooshalem ke nivaasiyon ne har aek sadk men us lajjapoorn bal kee vadiyan bana banakar usake liye dhoop jalaya haai.

14 isaliye too merree is praja ke liye praarthna n karana, n koi in logon ke liye unche svar se binatee kare, kyonaki jis samay ye apanee vipaattai ke mare merree dohai denge, tab maain unakee n sunoonga.

15 merree pirya ko mere ghar men kya kam haai? us ne to bahuton ke sath kukarma kiya, aur teree pavitrata pooree reeti se jatee rahee haai. jab too burai karatee haai, tab pusann hotee haai.

16 yahova ne tujh ko haree, manohar, sundar falavalee jalapai to kaha tha, parantu us ne bade hullad ke shabd hote hee us men ag lagai gai, aur usakee daaliyan tod dalee gai.

17 senaon ka yahova, jis ne tujhe lagaya, us ne tujh par vipaattai dalane ke liye kaha haai isaka karan israael aur yahooda ke gharanon kee yah burai haai ki unhon ne mujhe ris dilane ke liye bal ke nimitt dhoop jalaya.

18 yahova ne mujhe bataya aur yah bat mujhe maloom ho gai kyonki yahova hee ne unakee yuktaiyan mujh par pragatt keen.

19 maain to vadha honevalee bhed ke bachche ke saman anajan tha. maain n janata tha ki ve log merree haani kee yuktaiyan yah kahakar karate haai, ao, ham fal samet is vraksha ko ukhad de, aur jeeviton ke beech men se katt dale, tab isaka nam tak fir smaran n rahe.

20 parantu, ab he senaon ke yahova, he dhama nyayee, he antakaran kee baton ke gyaata, too unaka palatta le aur mujhe dikha, kyonaki maain ne apana mukama tere hath men chhod diya haai.

21 isaliye yahova ne mujh se kaha, anatot ke log jo tere praan ke khojee haain aur yah kahate haain ki too yahova ka nam lekar bhavishyadane n kar, naheen to hamare hathon se marega.

22 isaliye senaon ka yahova unake vishay yon kahata haai, maain unako dand doonga unake javan talavar se, aur unake ladke-ladkiyan bookhon mareenge

23 aur un men se koi bhee n bachega. maain anatot ke logon par yah vipaattai daloonga unake dand ka din anevala haai.

Yirmayah 12

1 he yahova, yaadi maain tujh se mukama ladoo, taubhee too dhama haai mujhe apane sath is vishay par vadavivad karane de. dushtton kee chal kyon safanl hotee haai? kya karan haai ki vishvasaghaatee bahut sukh se rahate haain?

2 too unako bota aur ve jad bhee pakadte ve baddhte aur falate bhee haain too unake munh ke nikatt haai parantu unake manon se door haai.

3 he yahova too mujhe janata haai too mujhe dekhta haai, aur too ne mere man kee pareeksha karake dekha ki maain teree or kis prakhar rahata hoo. jaise

bhed-bakaariyan ghaat hone ke liye jhund men se nikalee jatee haai, vaaise hee unako bhee nikal le aur vadha ke din ke liye taaiyar kara.

⁴ kab tak desh vilap karata rahega, aur sare maaidan kee ghaas sookhee rahegee? desh ke nivaasiyon kee burai ke karan pashuu-pakshae sab nash ho gae haai, kyonki un logon ne kaha, vah hamare ant ko n dekhega.

⁵ too jo pyadon hee ke sang daudkar thk gaya haai to ghodon ke sang kyonkar barabaree kar sakega? aur yadhypi too shaaantai ke is desh men nidr haai, parantu yaradan ke asapas ke dhane jangal men too kya karega?

⁶ kyonaki tere bhai aur tere gharane ke logon ne bhee tera vishvasaghaat kiya haai ve tere peechhe lalakarate haai, yadi ve tujh se meettee baten bhee kahe, taubhee unakee prateeti n karana.

⁷ maain ne apana ghar chhod diya, apana nij bhag maain ne tyag diya haai maain ne apanee praanapirya ko shatraun ke vash men kar diya haai.

⁸ kyonaki mera nij bhag mere dekhne men van ke sinh ke saman ho gaya aur mere viruddh garaja haai is karan maain ne us se baair kiya haai.

⁹ kya mera nij bhag meree draashti men chitteevale shaikaree pakshae ke saman naheen haai? kya shaikaree pakshae charon or se use ghore huae haain? jao sab jangalee pashuon ko ikattha karo unako lao ki kha jaaen.

¹⁰ bahut se charavahon ne meree dakh kee baree ko bigad kar diya, unhon ne mere bhag ko latada, varan mere manohar bhag ke khet ko sunasan jangal bana diya haai.

¹¹ unhon ne usako ujad diya vah ujadkar mere samhane vilap kar raha haai. sara desh ujad gaya haai, taubhee koi naheen sochata.

¹² jangal ke sab munde tteelon par nashak chaddh aae haain kyonaki yahova kee talavar desh ke aek chhor se lekar doosaree chhor tak nigalatee jatee haai kisee manushy ko shaanantai naheen milatee.

¹³ unhon ne gehoon to boya, parantu katteele ped katte, unhon ne kashtt to uttaya, parantu us se kuchh labh n hua. yahova ke krodha ke bhdkane ke karan tum apane kheton kee upaj ke vishay men laajjait ho.

¹⁴ mere dushtt padosee us bhag par hath lagate haai, jisaka bhagee maain ne apanee praja israael ko banaya haai. unake vishy yahova yon kahata haai ki maain unako unakee boomi men se ukhad daloonga, aur yahooda ke gharane ko bhee unake beech men se ukhdoonga.

¹⁵ unhen ukhadne ke bad maain fir un par daya karoonga, aur un men se har ek ko usake nija bhag aur boomi men fir se lagaunga.

¹⁶ aur yaadi ve meree praja kee chal seekhkar mere hee nam kee saugandha, yahova ke jeevan kee saugandha, khane lage, jis prakhar se unhon ne meree praja

ko bal kee saugandha khana sikhlaya tha, tab meree praja ke beech unaka bhee vansh baddhega.

¹⁷ parantu yadi ve n mane, to maain us jaati ko aeesa ukhadooonga ki vah fir kabhee n pananpegee, yahova kee yahee vanee haai.

Yirmayah 13

¹ yahova ne mujh se yon kaha, jakar sanee kee aek pettee mol le, use kamar men bandha aur jal men mat bheegane de.

² tab maain ne aek pettee mol lekar yahova ke vachan ke anusar apanee kamar men bandha lee.

³ tab toosaree bar yahova ka yah vachan mere pas pahuncha ki

⁴ jo pettee too ne mol lekar kaatt imen kas lee haai, use parat ke teer par le ja aur vahan use kadade par kee aek darar men chhpai de.

⁵ yahova kee is agyaa ke anusar maain ne usako parat ke teer par le jakar chhpai diya.

⁶ bahut dinon ke bad yahova ne mujh se kaha, ut, fir parat ke pas ja, aur jis pettee ko maain ne tujhe vahan chhpaiane kee agyaa dee use vahan se le le.

⁷ tab maain parat ke pas gaya or khodakar jis sthan men maain ne pettee ko chhpaiaaya tha, vahan se usako nikal liya. aur dekho, pettee bigad gai thee vah kisee kam kee n rahee.

⁸ tab yahova ka yah vachan mere pas pahucha, yahova yon kahata haai,

⁹ isee prakar se maain yahoodiyon ka garva, aur yarooshalem ka bada garva nashtt kar doonga.

¹⁰ is dushtt jati ke log jo mere vachan sunane se inakar karate haain jo apane man ke hatt par chalate, doosare devataon ke peechhe chalakar unakee upasana karate or unako dandvata karate haai, ve is pettee ke saman ho jaaenge jo kisee kam kee naheen rahee.

¹¹ yahova kee yah vanee haai ki jis prakar se pettee manushy kee kamar men kasee jatee haai, usee prakar se maain ne israaael ke sare gharane aur yahooda ke sare gharane ko apanee kaatt imen bandha liya tha ki ve meree praja banen aur mere nam aur keettair aur shaebha ka karan ho, parantu unhon ne n mana.

¹² isaliye too un se yah vachan kah, israaael ka parameshvar yahova yon kahata haai, dakhmadha ke sab kuppe dakhmadha se bhr diae jaaenge. tab ve tujh se kahenge, kya ham naheen janate ki dakhmadha ke sab kuppe dakhmadha se bhr diae jaaenge?

¹³ tab too un se kahana, yahova yon kahata haai, dekho, maain is desh ke sab rahanevalon ko, vishosh karake daudavansh kee gae par virajaman raja aur

yajak aur bhavishyadvkta aadi yarooshalem ke sab nivaasiyon ko apanee koparoopee madira pilakar achet kar doonga.

14 tab maain unhen aek doosare se ttkara doonga arthata bap ko bette se, aur bette ko bap se, yahova kee yah vane haai. maain un par komalata naheen dikhaunga, n taras khunga aur n daya karake unako nasht hone se bachaunga.

15 dekho, aur kan lagao, garva mat karo, kyonki yahova ne yon kaha haai.

16 apane parameshvar yahova kee badai karo, is se paahile ki vah andhakar laae aur tumhare panv andhore pahadon par ttokar khaae, aur jab tum prakash ka asara dekho, tab vah usako mratyuu kee chhaya se badal aur use ghaer andhakar bana de.

17 aur yaadi tum ise n suno, to maain akele men tumhare garva ke karan rounge, aur meree ankhon se ansuon kee dhaara bahatee rahegee, kyonki yahova kee bheden bandhaua kar lee gai haain.

18 raja aur rajamata se kah, neeche baait jao, kyonaki tumhare siron ke shaebhayaman mukutt utar liae gae haain.

19 daakkhian desh ke nagar ghore gae haai, koi unhen bacha n sakega sampoorn yahoodee jati bandee ho gai haai, vah pooree reeti se bandhauai men chalee gai haai.

20 apanee okhen uttakar unako dekh jo uttar disha se a rahe haain. vah sundar jhund jo tujhe saunpa gaya tha kahan haai?

21 jab vah tere un mitraen ko tere upar pradhaan ttharaaega jinhen too ne apanee hani karane kee shaiksha dee haai, tab too kya kahegee? kya us samay tujhe jachcha kee see peedaaen n uttengee?

22 aur yaadi too apane man men soche ki ye baten kis karan mujh par padee haai, to tere bade adharma ke karan tera anchal uttaya gaya haai aur teree aediyan baariyai se nangee kee gai haain.

23 kya habashaee apana chamada, va cheeta apane dhabbe badal sakata haai? yadi ve aeesa kar sake, to too bhee, jo burai karana seekh gai haai, bhilai kar sakegee.

24 is karan maain unako aeesa titara-abitar karoonga, jaaisa boosa jangal ke pavan se titara-abitar kiya jata haai.

25 yahova kee yah vane haai, tera hissa aur mujh se ttharaya hua tera bhag yahee haai, kyonaki too ne mujhe boolakar joott par bhrosa rakha haai.

26 isaliye maain bhee tera anchal tere munh tak uttaunga, tab teree laj janee jaegee.

27 vyabhaichar aur chochala aur chhnaialapan aadi tere ghainaune kam jo too ne maaidan aur tteelon par kiae haai, ve sab maain ne dekhe haain. he yarooshalem,

tujh par hay ! too apane ap ko kab tak shuuddh n karegee? aur kitane din tak too banee rahegee?

1 yahova ka yah vachan mere pas pahuncha,

Yirmayah 18

¹ yahova kee or se yah vachan yirmayah ke pas pahuncha, uttkar kumhar ke ghar ja,

² aur vahan maain tujhe apane vachan sunavaunga.

³ so maain kumhar ke ghar gaya aur kya dekha ki vah chak par kuchh bana raha haai !

⁴ aur jo mittee ka basan vah bana raha tha vah bigad gaya, tab us ne usee ka doosara basan apanee samajh ke anusar bana diya.

⁵ tab yahova ka yah vachan mere pas pahuncha, he israaael ke gharane,

⁶ yahova kee yah vanee haai ki is kumhar kee nai tumhare sath kya maain bhee kam naheen kar sakata? dek, jaaisa mittee kumhar ke hath men rahatee haai, vaaisa hee he israaael ke gharane, tum bhee mere hath men ho.

⁷ jab maain kisee jaati va rajy ke vishay kahoon ki use ukhadoonga va ddha doonga athva nash karoonga,

⁸ tab yaadi us jati ke log jisake vishay maain ne kah bat kahee ho apanee burai se fire, to maain us vipaattai ke vishay jo maain ne un par dalane ko ttana ho pachhtaunga.

⁹ aur jab maain kisee jaati va rajy ke vishay kahoon ki maain use banaunga aur ropoonga

¹⁰ tab yaadi ve us kam ko karen jo meree drashtti men bura haai aur meree bat n mane, to maain us bhilai ke vishy jise maain ne unake liye karane ko kaha ho, pachhtaunga.

¹¹ isaliye ab too yahooda aur yarooshalem ke nichaasiyoen se yah kah, yahova yon kahata haai, dekho, maain tumharee haani kee yuktai aur tumhare viruddh

prabandha kar raha hoo. isaaliye tum apane apane bure marga se firo aur apana apana chalachalan aur kam sudhaaro.

12 parantu ve kahate haai, aeesa naheen hone ka, ham to apanee hee kalpanaon ke anusar challenge aur apane bure man ke hatt par bane rahenge.

13 is karan prabhu yahova yon kahata haai, anyajaatiyon se poochh ki aeese baten kya kabhee kisee ke sunane men ai haai? israaael kee kumaree ne jo kam kiya haai usake sunane se rom rom khde ho jate haain.

14 kya labanon ka him jo chattan par se maaidan men bahata haai band ho sakata haai? kya vah ttnda jal jo door se bahata haai kabhee sookh sakata haai?

15 parantu meree praja mujhe bool gai haai ve nikammee vastuon ke liye dhoop jalate haain unhon ne apane praacheenakal ke magan men ttokar khai haai, aur pagadandiyon aur behad magan men bhthk gaae haain.

16 is se unaka desh aeese ujad ho gaya haai ki log us par sada talee bajate rahenge aur jo koi usake pas se chale vah chaakit hoga aur sir hilaega.

17 maain unako puravai se udakar shatra ke samhane se titara-abitar kar doonga. unakee vipaattai ke din maain unako munh naheen parantu peett dikhaunga.

18 tab ve kahane lage, chalo, yirmayah ke viruddh yuaktai kare, kyonki n yajak se vyavastha, n gyaanee se sammati, n bhavishyadvkta se vachan door honge. ao, ham usakee koi bat pakadkar usako nash karaaen aur fir usakee kisee bat par dhyan n den.

19 he yahova, meree or dhyan de, aur jo log mere sath jhgadte haain unakee baten suna.

20 kya bhlai ke badale men burai ka vyavahar kiya jaae? too is bat ka smaran kar ki maain unakee bhlai ke liye tere samhane praarthna karane ko khda hua jis se teree jalajalahatt un par se utar jaa, aur ab unhon ne mere praan lene ke liye gadha khoda haai.

21 isaliye unakee ladkebalon ko bookh se marane de, ve talavar se katt mare, aur unakee striayan nirvash aur vidhava ho jaaen. unakee purush maree se mare, aur unakee javan ladai men talavar se mare jaaen.

22 jab too un par achanak shatraudal chaddhaa, tab unakee gharon se chillahatt sunai de ! kyonki unhon ne mere liye gadha khoda aur mere fansane ko fande lagaae haain.

23 he yahova, too unakee sab yuaktaiyan janata haai jo ve meree mratyu ke liye karate haain. is karan too unakee is adharma ko n ddhanp, n unakee pap ko apane samhane se mitta. ve tere dekhte hee ttokar khakar gir jaae, apane krodha men akar un se isee prakar ka vyavahar kara.

Yirmayah 19

¹ yahova ne yon kaha, too jakar kumhar se mittee kee banai hui aek surahee mol le, aur praja ke kuchh puraniyon men se aur yajakon men se bhee kuchh praacheenon ko sath lekar,

² hinnomiyon kee tarai kee or us faattk ke nikatt chala ja jahan tteekare faenk diae jate haain aur jo vachan maain kahoo, use vahan prachar kara.

³ too yah kahana, he yahooda ke rajao aur yarooshalem ke sab nivaasiyo, yahova ka vachan suno. israaael ka parameshvar senaon ka yahova yon kahata haai, is sthan par maain aeese vipaattai dalane par hoo ki jo koi usaka samachar sune, us par sannatta chha jaaega.

⁴ kyonaki yahan ke logon ne mujhe tyag diya, aur is sthan men doosare devataon ke liye jinako n to ve janate haai, aur n unake purakha va yahooda ke purane raja janate the dhoop jalaya haai aur isako paraya kar diya haai aur unhon ne is sthan ko nidashaen ke lohoo se bhr diya,

⁵ aur bal kee pooja ke unche sthanon ko banakar apane ladkebalon ko bal ke liye hom kar diya, yadhypi maain ne kabhee bhee jisakee agyaa naheen dee, n usakee charcha kee aur n vah kabhee mere man men aya.

⁶ is karan yahova kee yah vanee haai ki aeese din ate haain ki yah sthan fir topet va hinnomiyon kee tarai n kahalaaega, varan ghaat hee kee tarai kahalaaega.

⁷ aur maain is sthan men yahooda aur yarooshalem kee yuaktaiyon ko nishfal kar doonga aur unhen unake praanon ke shatrauon ke hath kee talavar chalavakar gira doonga. unakee lothon ko maain akash ke pakshiyon aur boomi ke jeevajantuon ka ahar kar doonga.

⁸ aur maain is nagar ko aeesa ujad doonga ki log ise dekhkar drenge jo koi isake pas se hokar jaae vah isakee sab vipaattaiyon ke karan chakit hoga aur ghabaraaega.

⁹ aur ghair jane aur us saketee ke samay jis men unake praan ke shatra unhen dal denge, maain unake bette-beattyaien ka mans unhen khailaunga aur aek doosare ka bhee mans khailaunga.

¹⁰ tab too us surahee ko un manushyon ke samhane tod dena jo tere sang jaaenge,

¹¹ aur un se kahana, senaon ka yahova yon kahata haai ki jis prakar yah mittee ka basan jo toott gaya ki fir banaya n ja sake, isee prakar maain is desh ke logon ko aur is nagar ko tod daloonga. aur topet nam tarai men itanee kabraen hongee ki kabra ke liye aur sthan n rahega.

¹² yahova kee yah vanee haai ki maain is sthan aur isake rahanevalon ke sath aeese hee kam karoonga, maain is nagar ko topet ke saman bana doonga.

13 aur yarooshalem ke ghar aur yahooda ke rajaon ke bhvan, jinakee chhton par akash ke saree sena ke liye dhoop jalaya gaya, aur any devataon ke liye tapavan diya gaya haai, ve sab topet ke saman ashuddh ho jaaenge.

14 tab yirmayah topet se lauttkar, jahan yahova ne use bhvishyadaneer karane ko bheja tha, yahova ke bhvan ke angan men khda hua, aur sab logon se kahane laga

15 israaael ka parameshvar senaon ka yahova yon kahata he, dekho, sab ganvon samet is nagar par vah saree vipaattai dalana chahata hoo jo maain ne is par lane ko kaha haai, kyonaki unhon ne hatt karake mere vachan ko naheen mana haai.

Yirmayah 20

1 jab yirmayah yah bhvishyadaneer kar raha tha, tab immer ka putra pashahoor ne jo yajak aur yahova ke bhvan ka pradhaan rakhvala tha, vah sab suna.

2 so pashahoor ne yirmayah bhvishyadvkta ko mara aur use us katt men dal diya jo yahova ke bhvan ke upar binyameen ke faattk ke pas haai.

3 bihan ko jab pashahoor ne yirmayah ko katt men se nikalavaya, tab yirmayah ne us se kaha, yahova ne tera nam pashahoor naheen magormissabeeb rakha haai.

4 kyonaki yahova ne yon kaha haai, dek, maain tujhe tere liye aur tere sab mitraen ke liye bhee bhy ka karan tttharaunga. ve apane shatrauon kee talavar se tere dekhte hee vadha kiae jaaenge. aur maain sab yahoodiyon ko babul ke raja ke vash men kar doonga vah unako bandhaua karake babul men le jaaega, aur talavar se mar dalega.

5 fir maain is nagar ke sare dhan ko aur is men kee kamai aur sab anamol vastuon ko aur yahooda ke rajaon ka jitana rakha hua dhan haai, us sab ko unake shatrauon ke vash men kar doonga aur ve usako loottkar apana kar lenge aur babul men le jaaenge.

6 aur, he pashahoor, too un sab samet jo tere ghar men rahate haain bandhauai men chala jaaega apane un mitraen samet jin se too ne joottee bhvishyadaneer kee, too babul men jaaega aur vaheen marega, aur vaheen tujhe aur unhen bhee mittee dee jaaege.

7 he yahova, too ne mujhe dhaekha diya, aur maain ne dhaekha khaya too mujh se balavant haai, is karan too mujh par prabal ho gaya. din bhr meree hansee hotee haai sab koi mujh se ttthta karate haain.

8 kyonaki jab maain baten karata hoo, tab maain jor se pukar pukarakar lalakarata hoo ki upadrav aur utpat hua, han utpat ! kyonki yahova ka vachan din bhr mere liye ninda aur ttthta ka karan hota rahata haai.

⁹ yaadi maain kahoo, maain usakee charcha n karoonga n usake nam se boloonga, to mere day kee aeesee dasha hogee mano merree haddiyon men dhadhakatee hui ag ho, aur maain apane ko rokate rokate thk gaya par mujh se raha naheen jata.

¹⁰ maain ne bahuton ke munh se apana apavad suna haai. charon or bhy hee bhy haai ! merree jan pahachan ke sab jo mere ttokar khane kee batt johate haai, ve kahate haai, usake dosh batao, tab ham unakee charcha faaila denge. kadaachit vah dhaekha khaa, to ham us par prabal hokar, us se badala lenge.

¹¹ parantu yahova mere sath haai, vah bhyankar veer ke saman haai is karan mere satanevale prabal n hongee, ve ttokar khakar girenge. ve buaddhi se kam naheen karate, isaliye unhen bahut lajjait hona padega. unaka apaman sadaaiv bana rahega aur kabhee boola n jaaega.

¹² he senaon ke yahova, he dhaarmiyon ke parakhnevale aur day aur man ke gyaata, jo badala too un se lega, use maain dekoo, kyonki maain ne apana mukama tere upar chhod diya haai.

¹³ yahova ke liye gao yahova kee stuati karo ! kyonki vah daridra jan ke praan ko kukaarmiyon ke hath se bachata haai.

¹⁴ sraapit ho vah din jis men maain utpann hua ! jis din merree mata ne mujh ko janm diya vah dhany n ho !

¹⁵ sraapit ho vah jan jis ne mere pita ko yah samachar dekar usako bahut anandait kiya ki tere ladka utpann hua haai.

¹⁶ us jan kee dasha un nagaron kee see ho jinhen yahova ne bin daya ddha diya use savere to chillahatt aur dopahar ko yuddh kee lalakar sunai diya kare,

¹⁷ kyonaki us ne mujhe garbh hee men n mar dala ki merree mata ka garbhashay hee merree kabra hotee, aur maain usee men sada pada rahata.

¹⁸ maain kyon utpat aur shaek bhogane ke liye janma aur ki apane jeevan men paarishram aur ducha dekoo, aur upane din namadharai men vyateet karoon?

Yirmayah 21

¹ yah vachan yahova kee or se yirmayah ke pas us samay pahuncha jab sidaakiyyah raja ne usake pas maalkaiyyah ke putra pashahoor aur maseyah yajak ke putra sapanyah ke hath se yah kahala bheja ki,

³ tab yirmayah ne un se kaha, tum sidaakiyyah se yon kaho, israaael ka parameshvar yahova yon kahata haai,

⁵ aur maain svayan hath baddhakar aur balavant bhuja se, aur krodha aur jalajalahatt aur bade krodha men akar tumhare viruddh laoonga.

⁶ aur maain is nagar ke rahanevalon ko kya manushy, kya pashu sab ko mar daloonga ve badee maree se marenge.

⁷ aur usake bad, yahova kee yah vanee haai, he yahooda ke raja sidaakiyyah, maain tujhe, tere karmachariyon aur logon ko varan jo log is nagar men maree, talavar aur mahangee se bache rahenge unako babul ke raja nabookadanessar aur unake praan ke shatrauon ke vash men kar doonga. vah unako talavar se mar dalega un par n to vah taras khaaega, n kuchh komalata dikhaaega aur n kuchh daya karega.

⁸ aur is praja ke logon se kah ki yahova yon kahata haai, dekho, maain tumhare samhane jeevan ka marga aur mratyu ka marga bhee batata hoo.

⁹ jo koi is nagar men rahe vah talavar, mahangee aur maree se marega parantu jo koi nikalakar un kasadiyon ke pas jo tum ko ghor rahe haain bhag jaae vah jeevit rahega, aur usaka praan bachega.

¹⁰ kyonaki yahova kee yah vanee haai ki maain ne is nagar kee or apana mukh bhilai ke liye nahee, varan burai hee ke liye kiya haai yah babul ke raja ke vash men pad jaaega, aur vah isako faunkava dega.

¹¹ or yahooda ke rajakul ke logon se kah, yahova ka vachan suno,

¹² he daud ke gharane ! yahova yon kahata haai, bhor ko nyay chukao, aur lutte huae ko andhor karanevale ke hath se chhudao, naheen to tumhare bure kamon ke karan mere krodha kee ag bhdkegee, aur aeesee jalatee rahegee ki koi use bujha n sakega.

¹³ he tarai men rahanevalee aur samathr desh kee chattana tum jo kahate ho ki ham par kaun chaddhai kar sakega, aur hamare vasasthan men kaun pavesh kar sakega? yahova kahata haai ki maain tumhare viruddh hoo.

¹⁴ aur yahova kee vanee haai ki maain tumhen dand dekar tumhare kamon ka fal tumhen bhugataunga. maain usake van men ag lagaunga, aur usake charon or sab kuchh bhsm ho jaaega.

15 too jo devadar kee lakadee ka abhailashae haai, kya is reeti se tera rajy sthiar rahega. dek, tera pita nyay aur dharma ke kam karata tha, aur vah khata peeta aur sukh se bhee rahata tha !

16 vah is karan sukh se rahata tha kyonki vah deen aur daridra logon ka nyay chukata tha. kya yahee mera gyaan rakhna naheen haai? yahova kee yah vanee haai.

⁶ usake dinon men yahoodee log bache rahenge, aur israaelee log nidr base rahenge aur yahova usaka nam yahova hamaree dhaarmikata rakhega.

⁷ so dek, yahova kee yah vanee haai ki aeese din aaenge jin men log fir n kahenge, ki yahova jo ham israaaliyon ko misra desh se chhuda le aya, usake jeevan kee saugandha,

⁸ parantu ve yah kahenge, yahova jo israaael ke gharane ko uttar desh se aur un sab deshaen se bhee jahan us ne hamen barabas nikal diya, chhuda le aya, usake jeevan kee saugandha. tab ve apane hee desh men base rahenge.

⁹ bhavishyadvktaon ke vishay mera day bheetar hee bheetar fatta jata haai, meree sab haaddiyan thrathratee haai yahova ne jo pavitra vachan kahe haai, unhen sunakar, maain aeese manushy ke saman ho gaya hoo jo dakhmadha ke nasho men choor ho gaya ho,

¹⁰ kyonaki yah desh vyabhaichaariyon se bhra haai is par aeese shaap pada haai ki yah vilap kar raha haai van kee charaiyan bhee sookh gai. log badee daud to daudte haai, parantu burai hee kee ora aur veerata to karate haai, parantu anyay hee ke sath.

11 kyonaki bhvishyadvkta aur sajak donon bhaktaiheen ho gaae haain apane bhvan men bhee maain ne unakee burai pai haai, yahova kee yahee vane haai.

12 is karan unaka marga andhora aur fisalaha hoga jis men ve ddhkelakar gira diae jaaenge kyonki, yahova kee yah vane haai ki maain unake dand ke varsha men un par vipaattai daloonga !

13 shaemaron ke bhvishyadvktaon men maain ne yah moorkhta dekhee thee ki ve bal ke nam se bhvishyadane karate aur meree praja israaael ko bhrtka dete the.

14 parantu yarooshalem ke naabiyon men maain ne aeese kam dekhe haai, jin se rongatte khde ho jate haai, arthata vyaabhaichar aur pakshd ve kukaarmiyon ko aeese hiyav bandhaate haain ki ve apanee apanee burai se pashchattap bhee naheen karate sab nivasee meree draashti men sadomiyon aur amoriyon ke saman ho gaae haain.

15 is karan senaon ka yahova yarooshalem ke bhavishyadvktaon ke vishay men yon kahata haai, dek, maain unako kaduvee vastuaen khailaunga aur vish pilaunga kyonki unake karan sare desh men bhaktaiheenata faail gai haai.

16 senaon ke yahova ne tum se yon kaha haai, in bhavishyadvktaon kee baton kee or jo tum se bhavishadane karate haain kan mat lagao, kyonaki ye tum ko vyarth baten sikhate haain ye darshan ka dava karake yahova ke mukh kee nahee, apane hee man kee baten kahate haain.

17 jo log mera tiraskar karate haain un me ye bhvishyadvkta sada kahate rahate haain ki yahova kahata haai, tumhara kalyan hoga aur jitane log apane hatt hee par chalate haai, un se ye kahate haai, tum par koi vipaattai n padegge.

18 bhla kaun yahova kee gupt sabha men khda hokar usaka vachan sunane aur samajhne paya haai?

19 va kis ne dhyan dekar mera vachan suna haai? dekho, yahova kee jalajalahatt ka prachand bavandr aur andhaee chalane lagee haai aur usaka jhonka dushtton ke sir par jor se lagega.

20 jab tak yahova apana kam aur apanee yuaktaiyon ko pooree n kar chuke, tab tak usaka krodha shaant n hoga. ant ke dinon men tum is bat ko bhlee bhanti samajh sakoge.

21 ye bhavishyadvkta bina mere bheje daud jate aur bina mere kuchh kahe bhavishyadane karane lagate haain.

22 yaadi ye meree shaiksha men sthiar rahate, to meree praja ke logon ko mere vachan sunate aur ve apanee buree chal aur kamon se fir jate.

23 yahova kee yah vane haai, kaya maain aeese parameshvar hoo, jo door nahee, nikatt hee rahata hoo?

24 fir yahova kee yah vanee haai, kya koi aeese gupt sthanon men chhpai sakata haai, ki maain use n dekh sakoon? kya svarga aur prathvee donon mujh se paripoorn naheen haain?

25 maain ne in bhvishyadvktaon kee baten bhee suneen haain jo mere nam se yah kahakar joottee bhvishyadaneer karate haain ki maain ne svapn dekha haai, svapn !

26 jo bhavishyadvkta joottmooott bhavishyadaneer karate aur apane man hee ke chhl ke bhvishyadvkta haai, yah bat kab tak unake man men samai rahegee?

27 jaaise merree praja ke logon ke purakha mera nam boolakar bal ka nam lene lage the, vaaise hee ab ye bhvishyadvkta unhen apane apane svapn bata batarak mera nam bhulana chahate haain.

28 yaadi kisee bhavishyadvkta ne svapn dekha ho, to vah use bataa, parantu jis kisee ne mera vachan suna ho to vah mera vachan sachchai se sunaae. yahova kee yah vanee haai, kahan boosa aur kahan gehoon?

29 yahova kee yah bhee vanee haai ki kya mera vachan ag sa naheen haai? fir kya vah aeese hathauda naheen jo patthr ko faod dale?

30 yahova kee yah vanee haai, dekho, jo bhvishyadvkta mere vachan auron se chura churakar bolate haai, maain unake viruddh hoo.

31 fir yahova kee yah bhee vanee haai ki jo bhvishyadvkta usakee yah vanee haai, aeesee joottee vanee kahakar apanee apanee jeebh dulate haai, maain unake bhee viruddh hoo.

32 yahava kee yah bhee vanee haai ki jo bina mere bheje va bina merree agyaa paae svapn dekhne ka jootta dava karake bhavishyadaneer karate haai, aur usaka varnn karake merree praja ko jootte ghamand men akar bhramate haai, unake bhee maain viruddh hoo aur un se merree praja ke logon ka kuchh labh n hega.

33 yaadi sadhaaran logon men se koi jan va koi bhvishyadvkta va yajak tum se poochhe ki yahova ne kya prabhvashaalee vachan kaha haai, to us se kahana, kya prabhvashaalee vachana? yahova kee yah vanee haai, maain tum ko tyag doonga.

34 aur jo bhavishyadvkta va yajak va sadhaaran manushy yahova ka kaha hua bharee vachana aeese kahata rahe, usako gharane samet maain dand doonga.

35 tum log aek doosare se aur apane apane bhai se yon puchhna, yahova ne kya uttar diya?

36 va, yahova ne kya kaha haai? yahova ka kaha hua bharee vachana, is prakar tum bhavishy men n kahana naheen to tumhara aeese kahana hee dand ka karan ho jaaega kyonki hamara parameshvar senaon ka yahova jo jeeavit parameshvar haai, tum logon ne usake vachan bigad diae haain.

³⁷ too bhavishyadvkta se yan poochh ki yahova ne tujhe kya uttar diya?

³⁸ va, yahova ne kya kaha haai? yadi tum yahova ka kaha hua prabhavashaalee vachana isee prakar kahoge, to yahova ka yah vachan suno, maain ne to tumhare pas kahala bheja haai, bhvishy men aesa n kahana ki yahova ka kaha hua prabhavashaalee vachana. parantu tum yah kahate hee rahate ho, ki yahova ka kaha hua prabhavashaalee vachana.

³⁹ is karan dekho, maain tum ko bilakul bool jaunga aur tum ko aur is nagar ko jise maain ne tumhare purakhaon ko, aur tum ko bhee diya haai,

⁴⁰ tyagakar apane samhane se door kar doonga. aur maain aesa karoonga ki tumharee namadharai aur anadar sada bana rahega aur kabhee boola n jaaega.

Yirmayah 24

¹ jab babul ka raja nabookadanessar, yahoyakeem ke putra yahooda ke raja yakonyah ko, aur yahooda ke haakimon aur loharon aur aur kareegaron ko bandhaua karake yarooshalem se babul ko le gaya, to usake bad yahova ne mujh ko apane maandair ke samahane rakhe huae anjeeron ke do ttokare dikhaae.

² aek ttokare men to paahile se pake achchhe achchhe anjeer the, aur doosare ttokare men bahut nikamme anjeer the, varan ve aeese nikamme the ki khane ke yogy bhee n the.

³ fir yahova ne mujh se poochha, he yirmayah, tujhe kya dekh padta haai? maain ne kaha, anjeera jo anjeer achchhe haain so to bahut hee achchhe haai, parantu jo nikamme haai, so bahut hee nikamme haain varan aeese nimamme haain ki khane ke yogy bhee naheen haain.

⁴ tab yahova ka yah vachan mere pas pahuncha,

⁵ ki israaael ka parameshvar yahova yon kahata haai, jaise achchhe anjeeron ko, vaaise hee maain yahooda bandhauon ko jinhen maain ne is sthan se kasaadiyon ke desh men bhej diya haai, dekhkar prasann hoonga.

⁶ maain un par krapadrashtti rakoonga aur unako is desh men lautta le aunga aur unhen nash n karoonga, parantu banaunga unhen ukhad n daloonga, parantu lagaae rakoonga.

⁷ maain unaka aesa man kar doonga ki ve mujhe janenge ki maain yahova hoo aur ve merree praja ttharengae aur maain unaka parameshvar ttharoonga, kyonaki ve merree or sare man se firenge.

⁸ parantu jese nikamme anjeer, nikamme hone ke karan khaae naheen jate, usee prakar se maain yahooda ke raja sidaakiyyah aur usake hakimon aur bache huae yarooshalemiyon ko, jo is desh men va misra men rah gae haai, chhod doonga.

⁹ is karan ve prathvee ke rajy rajy men mare mare firate huae hukh bhogate rahenge aur jitane sthanon men maain unhen barabas nikal doonga, un sabhon men ve namadharai aur drashttant aur sraap ka vishay honge.

¹⁰ aur maain un men talavar chalaunga, aur mahangee aur maree faailaunga, aur ant men is desh men se jise maain ne unake purakhaon ko aur unako diya, ve mitt jaaenge.

Yirmayah 25

¹ yoshaiyyah ke putra yahooda ke raja yahoyakeem ke rajy ke chauthe varsha men jo babul ke raja nabookadanessar ke rajy ka paahila varsha tha,

² yahova ka jo vachan yirmayah nabee ke pas pahuncha, aur jise yirmayah nabee ne sab yahoodiyon aur yarooshalem ke sab nivaasiyon se kaha, vah yah haai

³ amon ke putra yahooda ke raja yoshaiyyah ke rajy ke terahaven varsha se lekar aj ke din tak arthata teis varsha se yahova ka vachan mere pas pahunchata aya he aur maain use bade yatn ke sath tum se kahata aya hoo parantu tum ne use naheen suna.

⁴ aur yadhypi yahova tumhare pas apane sare dason athva bhavishyadvktaon ko bhee yah kahane ke liye bade yatn se bhejata aya haai

⁵ ki apanee apanee buree chal aur apane apane buree kamon se firo tab jo desh yahova ne praacheenakal men tumhare pitaron ko aur tum ko bhee sada ke liye diya haai us par base rahane paoge parantu tum ne n to suna aur n kan lagaya haai.

⁶ aur doosare devataon ke peechhe hokar unakee upasana aur unako dandvata mat karo, aur n apanee banai hui vastuon ke dara mujhe ris dilao tab maain tumharee kuchh hani n karoonga.

⁷ yah sunane par bhee tum ne meree naheen manee, varan apanee banai hui vastuon ke dara mujhe ris dilate aae ho jis se tumharee haani hee ho sakatee haai, yahova kee yahee vanee haai.

⁸ isaliye senaon ka yahova yon kahata haai ki tum ne jo mere vachan naheen mane,

⁹ jasaliye suno, maain uttar men rahanevale sab kulon ko bulaunga, aur apane das babul ke raja nabookadanessar ko bulava bhejoonga aur un sabhon ko is desh aur isake nivaasiyon ke viruddh aur isake as pas kee sab jaatiyon ke viruddh bhee le aunga aur in sab deshaen ka maain satyanash karake unhen aeesa ujad doonga ki log inhen dekhkar talee bajaenge varan ye sada ujade hee rahenge, yahova kee yahee vanee haai.

- 10 aur maain aeesa karoonga ki in men n to harsha aur n anand ka shabd sunai padega, aur n dulhe va dulhain ka, aur n chakkee ka bhee shabd sunai padega aur n in men diya jalega.
- 11 saree jatiyon ka yah desh ujad hee ujad hoga, aur ye sab jaatiyan sattar varsha tak babul ke raja ke adhaeen rahengee.
- 12 jab sattar varsha beet chuke, tab maain babul ke raja aur us jaati ke logon aur kasadiyon ke desh ke sab nivaasiyon ko adhrma ka dand doonga, yahova kee yah vanee haai aur us desh ko sada ke liye ujad doonga.
- 13 maain us desh men apane ve sab vachan poore karoonga jo maain ne usake vishay men kahe haai, aur jitane vachan yirmayah ne saree jaatiyon ke viruddh bhavishyadaneer karake pustak men likhe haain.
- 14 kyonaki bahut see jaatiyon ke log aur bade bade raja bhee un se apanee seva karaaenge aur maain unako unakee karaneer ka fal bhugataunga.
- 15 israaael ke parameshvar yahova ne mujh se yon kaha, mere hath se is jalalahatt ke dakhmadha ka kattora lekar un sab jatiyon ko pila de jinake pas maain tujhe bhejata hoo.
- 16 ve use peekar us talavar ke karan jo maain unake beech men chalaunga ladhdaaenge aur bavale ho jaaenge.
- 17 so maain ne yahova ke hath se vah kattora lekar un sab jaatiyon ko jinake pas yahova ne mujhe bheja, pila diya.
- 18 arthata yarooshalem aur yahooda ke nagaron ke nivaasiyon ko, aur unake rajaon aur haakimon ko pilaya, taki unaka desh ujad ho jaae aur log talee bajaee, aur usakee upama dekar shaap diya karen jaisa ajakal hota haai.
- 19 aur misra ke raja firaun aur usake karmachaariyo, hakimo, aur saree praja ko
- 20 aur sab dogale manushyon kee jatiyon ko aur us desh ke sab rajaon ko aur palishtaiyon ke desh ke sab rajaon ko aur ashkalon ajja aur aekron ke aur ashadod ke bache huae logon ko
- 21 aur aedoniyo, moaabiyon aur ammoniyon ko aur saree rajaon ko
- 22 aur seedon ke sab rajaon ko, aur samudra par ke deshaen ke rajaon ko
- 23 fir dadaaniyo, temaiyon aur boojiyon ko aur jitane apane gal ke balon ko munda dalate haai, un sabhon ko bhee
- 24 aur arab ke sab rajaon ko aur jangal men rahanevale dogale manushyon ke sab rajaon ko
- 25 aur jimrae, aelam aur madaai ke sab rajaon ko

26 aur kya nikatt kya door ke uttar disha ke sab rajaon ko aek sang pilaya, nidan dharatee bhr men rahanevale jagat ke rajyon ke sab logon ko maain ne pilaya. aur in sab ke peechhe shoshak ke raja ko bhee peena padega.

27 tab too un se yah kahana, senaon ka yahova jo israael ka parameshvar haai, yon kahata haai, peeo, aur matavale ho aur chhatt karo, gir pado aur fir kabhee n utto, kyonaki yah us talavar ke karan se hoga jo maain tumhare beech men chalaunga.

28 aur yaadi ve tere hath se yah kattora lekar peene se inakar karen to un se kahana, senaon ka yahova yon kahata haai ki tum ko nishchay peena padega.

29 dekho, jo nagar mera kahalata haai, maain paahile usee men vipaattai dalane lagoonga, fir kya tum log nidash ttharake bachoge? tum nidash ttharake n bachoge, kyonaki maain prathvee ke sab rahanevalon par talavar chalane par hoo, senaon ke yahova kee yahee vane he.

30 itanee baten bhvishyadane kee reeti par un se kahakar yah bhee kahana, yahova upar se garajega, aur apane usee paavitra dhaam men se apana shabd sunaaega vah apanee charai ke sthan ke viruddh jor se garajega vah prathvee ke sare nivaasiyon ke viraddh bhee dakh latadnevalon kee nai lalakarega.

31 prathvee kee chhor lon bhee kolahal hoga, kyonki sab jatiyon se yahova ka mukama haai vah sab matushyon se vadavivad karega, aur dushtton ko talavar ke vash men kar dega.

32 senaon ka yahova yon kahata haai, dekho, vipaattai aek jati se doosaree jaati men faailegee, aur badee andhaee prathvee kee chhor se uttegee !

33 us samay yahova ke mare huon kee lothen prathvee kee ek chhor se doosaree chhor tak padee rahengee. unake liye koi rone-peettnevala n rahega, aur unakee lothen n to battoree jaengee aur n kabaron men rakhee jaengee ve boomi ke upar khad kee nai padee rahengee.

34 he charavaho, hay hay karo aur chillao, he balavant meddho aur bakaro, rakh men lotto, kyonaki tumhare vadha hone ke din a pahunche haai, aur maain manabha baratan kee nai tumhara satyanash karoonga.

35 us samay n to charavahon ke bhagane ke liye koi sthan rahega, aur n balavant meddhe aur bakare bhagane paenge.

36 charavahon kee chillahatt aur balavant meddhon aur bakaron ke mimiyane ka shabd sunai padta haai ! kyonki yahova unakee charai ko nash karega,

37 aur yahova ke krodha bhdkane ke karan shaantai ke sthan nashtt ho jaaenge, jin vasasthanon men ab shaaantai haai, ve nashtt ho jaaenge.

³⁸ yuva sinh kee nai vah apane ttauair ko chhodkar nikalata haai, kyonki andhor karaneharee talavar aur usake bhdke huae kop ke karan unaka desh ujad ho gaya haai.

Yirmayah 26

¹ yoshaiyyah ke putra yahooda ke raja yahoyakeem ke rajay ke arambh me, yahova kee or se yah vachan pahuncha, yahova yon kahata haai,

² yahova ke bhvan ke angan men khda hokar, yahooda ke sab nagaron ke logon ke samhane jo yahova ke bhvan men dandvata karane ko aae, ye vachan jinake vishay un se kahane kee agyaa maain tujhe deta hoo kah de un men se koi vachan mat rakh chhod.

³ sambhv haai ki ve sunakar apanee apanee buree chal se firen aur maain unakee hani karane se pachhtaun jo unake buree kamon ke karan maain ne ttana tha.

⁴ isaliye too un se kah, yahova yon kahata haai, yaadi tum meree sunakar meree vyavastha ke anusar jo maain ne tum ko sunava dee haai n chalo,

⁵ aur n meree das bhavishyadvktaon ke vachanon par kan lagaoge, jinhen maain tumhare pas bada yatn karake bhejata aya hoo, parantu tum ne unakee naheen sunee,

⁶ to maain is bhvan ko shaeelo ke saman ujad doonga, aur is nagar ka aeesa satyanash kar doonga ki prathvee kee saree jaatiyon ke log usakee upama de dekar shaap diya karenge.

⁷ jab yirmayah ye vachan yahova ke bhvan men kah raha tha, tab yajak aur bhvishyadvkta aur sab sadhaaran log sun rahe the.

⁸ aur jab yirmayah sab kuchh jise saree praja se kahane kee agyaa yahova ne dee thee kah chuka, tab yajakon aur bhavishyadvktaon aur sab sadhaaran logon ne yah kahakar usako pakad liya, nishchay tujhe praandand hoga.

⁹ too ne kyon yahova ke nam se yah bhvishyadane kee ki yah bhvan shaeelo ke saman ujad ho jaaega, aur yah nagar aeesa ujadega ki us men koi n rah jaaega? itana kahakar sab sadhaaran logon ne yahova ke bhvan men yirmayah ke viruddh bheed lagai.

¹⁰ yahooda ke hakim ye baten sunakar, raja ke bhvan se yahova ke bhvan men chaddh aae aur usake naye faattk men baaitt gae.

¹¹ tab yajakon aur bhavishyadvktaon ne hakimon aur sab logon se kaha, yah manushy praandand ke yogy haai, kyonaki is ne is nagar ke viruddh aeesee bhvishyadane kee haai jise tum bhee apane kanon se sun chuke ho.

12 tab yirmayah ne sab hakimon aur sab logon se kaha, jo vachan tum ne sune haai, use yahova hee ne mujhe is bhvan aur is nagar ke viruddh bhavishyadane ke reeti par kahane ke liye bhej diya haai.

13 isaliye ab apana chalachalan aur apane kam sudhaaro, aur apane parameshvar yahova ke bat mano tab yahova us vipaattai ke vishay men jisakee charcha us ne tum se kee haai, pachhtaega.

14 dekho, maain tumhare vash men hoo jo kuchh tumharee draashti men bhla aur tteek ho vahee mere sath karo.

15 par yah nishchay jano, ki, yadi tum mujhe mar daloge, to apane ko aur is nagar ko aur isake nivaasiyon ko nidash ke hatyare banaoge kyonaki sachamuch yahova ne mujhe tumhare pas ye sab vachan sunane ke liye bheja he.

16 tab haakimon aur sab logon ne yajakon aur nabiyon se kaha, yah manushy praandand ke yogy naheen haai kyonki us ne hamare parameshvar yahova ke nam se ham se kaha haai.

17 aur desh ke puraaniyon men se kitanon ne uttkar praja kee saree mandlee se kaha,

18 yahooda ke raja hijaakiyyah ke dinon men morasetee meekayah bhvishyadane kahata tha, us ne yahooda ke sare logon se kaha, senaon ka yahova yon kahata haai ki siyyon jotakar khet banaya jaaega aur yarooshalem khaedhar ho jaaega, aur bhvanavala parvat jangalee sthan ho jaaega.

19 kya yahooda ke raja hijaakiyyah ne va kisee yahooda ne usako kaheen marava dala? kya us raja ne yahova ka bhy n mana or us se binatee n kee? aur tab yahova ne jo vipaattai un par dalane ke liye kaha tha, usake vishay kya vah n pachhtaya? aeese karake ham apane praanon kee badee haani karenge.

20 fir shamayah ka putra uriyyah nam kiryatyareem ka aek purush jo yahova ke nam se bhvishyadane kahata tha us ne bhee is nagar aur is desh ke viruddh tteek aeese hee bhvishyadane kee jaisee yirmayah ne abhee kee haai.

21 aur jab yahoyakeem raja aur usake sab veeron aur sab hakimon ne usake vachan sune, tab raja ne use marava dalane ka yatn kiya aur uriyyah yah sunakar dr ke mare misra ko bhag gaya.

22 tab yahoyakeem raja ne misra ko log bheje arthata akabor ke putra aelanatan ko kitane aur purushaen ke sath misra ko bheja.

23 aur ve uriyyah ko misra se nikalakar yahoyakeem raja ke pas le aae aur us ne use talavar se maravakar usakee loth ko sadhaaran logon kee kabaron men finkava diya.

24 parantu shaapan ka putra aheekam yirmayah kee sahayata karane laga aur vah logon ke vash men vadha hone ke liye naheen diya gaya.

Yirmayah 27

- ¹ yoshaiyyah ke putra, yahooda ke raja yahoyakeem ke rajy ke arambh men yahova kee or se yah vachan yirmayah ke pas pahuncha.
- ² yahova ne mujh se yah kaha, bandhan aur jooae banavakar apanee gardan par rakh.
- ³ tab unhen aedom aur moab aur ammon aur sor aur seedon ke rajaon ke pas, un dooton ke hath bhejana jo yahooda ke raja sidaakiyyah ke pas yarooshalem men aae haain.
- ⁴ aur unako unake svamiyon ke liye yah kahakar agyaa dena, ki, israaael ka parameshvar senaon ka yahova yon kahata haai,
- ⁵ apane apane svamee se yon kaho ki prathvee ko aur prathvee par ke manushyon aur pashuon ko apanee badee shaktai aur baddhai hui bhujia ke dara maain ne banaya, aur jis kisee ko maain chahata hoo usee ko maain unhen diya karata hoo.
- ⁶ ab maain ne ye sab desha, apane das babul ke raja nabookadanessar ko ap hee de diae haain aur maaidan ke jeevajantuon ko bhee maain ne use diya haai ki ve usake adhaeen rahen.
- ⁷ ye sab jaatiyan usake aur usake bad usake bette aur pote ke adhaeen us samay tak rahengee jab tak usake bhee desh ka din n aae tab bahut see jaatiyan aur bade bade raja us se bhee apanee seva karavaaenge.
- ⁸ so jo jaati va rajy babul ke raja nabookadanessar ke adhaeen n ho aur usaka jooa apanee gardan par n le le, us jaati ko maain talavar, mahangee aur maree ka dand us samay tak deta rahoonga jab tak usako usake hath ke dara mitta n doon yahova kee yahee vanee haai.
- ⁹ isaliye tum log apane bhavishyadvktaon aur bhavee kahanevalon aur ttonahon aur tantraikon kee or chitt mat lagao jo tum se kahate haain ki tum ko babul ke raja ke adhaeen naheen hona padega.
- ¹⁰ kyonaki ve tum se joottee bhvishyadaneer karate haai, jis se tum apane apane desh se door ho jao aur maain ap tum ko door karake nashtt kar doon.
- ¹¹ parantu jo jati babul ke raja ka jooa apanee gardan par lekar usake adhaeen rahegee usako maain usee ke desh men rahane doonga aur vah us men khetee karatee hui basee rahegee, yahova kee yahee vanee haai.
- ¹² aur yahooda ke raja sidaakiyyah se bhee maain ne ye baten kahee, apanee praja samet too babul ke raja ka jooa apanee gardan par le, aur usake aur usakee praja ke adhaeen rahakar jeevit raha.

13 jab yahova ne us jaati ke vishay jo babul ke raja ke adhaeen n ho, yah kaha haai ki vah talavar, mahangee aur maree se nash hogee to fir too kyon apanee praja samet marana chahata haai?

14 jo bhavishyadvkta tujh se kahate haain ki tujh ko babul ke raja ke adhaeen n hona padega, unakee mat suna kyonki ve tujh se joottee bhvishyadaneer karate haain.

15 yahova kee yah vaneer haai ki maain ne unhen naheen bheja, ve mere nam se joottee bhkishyadaneer karate haain aur isaka fal yahee hoga ki maain tujh ko desh se nikal doonga, aur too un nabiyon samet jo tujh se bhvishyadaneer karate haain nasht ho jaaega.

16 tab yajakon aur sadhaaran logon se bhee maain ne kaha, yahova yon kahata haai, tumhare jo bhavishyadvkta tum se yah bhavishyadaneer karate haain ki yahova ke bhvan ke patra ab shaeegha hee babul se lautta diae jaaenge, unake vachanon kee or kan mat dharo, kyonaki ve tum se joottee bhvishyadaneer karate haain.

17 unakee mat suno, babul ke raja ke adhaeen hokar aur usakee seva karake jeevit raho.

18 yah nagar kyon ujad ho jaae? yaadi ve bhvishyadvkta bhee ho, aur yadi yahova ka vachan unake pas ho, to ve senaon ke yahova se binatee karen ki jo patra yahova ke bhvan men aur yahooda ke raja ke bhvan men aur yarooshalem men rah gaae haai, ve babul n jane paaen.

19 kyonaki senaon ka yahova yon kahata haai ki jo khmbhe aur peetal kee nand, gangal aur kuarsiyan aur aur patra is nagar men rah gaae haai,

20 jinhen babul ka raja nabookadanessar us samay n le gaya jab vah yahoyakeem ke putra yahooda ke raja yakonyah ko aur yahooda aur yarooshalem ke sab kuleenon ko bandhaua karake yarooshalem se babul ko le gaya tha,

21 jo patra yahova ke bhvan men aur yahooda ke raja ke bhvan men aur yarooshalem men rah gaae haai, unake vishay men israael ka parameshvar senaon ka yahova yon kahata haai ki ve bhee babul men pahunchaae jaaenge

22 aur jab tak maain unakee sudhai n loon tab tak vaheen rahenge, aur tab maain unhen lakar is sthan men fir rakh doonga, yahova kee yahee vaneer haai.

Yirmayah 28

1 fir usee varsha, arthata yahooda ke raja sidaakiyyah ke rajy ke chauthe varsha ke panchaven maheene me, ajjoor ka putra hananyah jo gibon ka aek bhavishyadvkta tha, us ne mujh se yahova ke bhvan me, yajakon aur sab logon ke samhane kaha,

- ² israaael ka parameshvar senaon ka yahova yon kahata haai ki maain ne babul ke raja ke jooae ko tod dala haai.
- ³ yahova ke bhvan ke jitane patra babul ka raja nabookadanessar is sthan se uttakar babul le gaya, unhen maain do varsha ke bheetar fir isee sthan men le aunga.
- ⁴ aur maain yahooda ke raja yahoyakeem ka putra yakonyah aur sab yahoodae bandhauae jo babul ko gaae haai, unako bhee is sthan men lautta le aunga kyonaki maain ne babul ke raja ke jooae ko tod diya haai, yahova kee yahee vanee haai.
- ⁵ tab yirmayah nabee ne hananyah nabee se, yajakon aur un sab logon ke samhane jo yahova ke bhvan men khde huae the kaha,
- ⁶ ameen ! yahova aesa hee kare jo baten too ne bhvishyadaneer karake kahee haain ki yahova ke bhvan ke patra aur sab bandhauae babul se is sthan men fir aaenge, anhen yahova poora kare.
- ⁷ taubhee mera yah vachan sun, jo maain tujhe aur sab logon ko kah sunata hoo.
- ⁸ jo bhavishyadvkta praacheenakal se mere aur tere paahile hote aae the, unhon ne to bahut se deshaen aur bade rajyon ke viruddh yuddh aur vipaattai aur maree ke vishay bhavishyadaneer kee thee.
- ⁹ parantu jo bhvishyadvkta kushal ke vishay bhavishyadaneer kare, to jab usaka vachan poora ho, tab hee us bhvishyadvkta ke vishy yah nishchay ho jaega ki yah sachamuch yahova ka bheja hua haai.
- ¹⁰ tab hananyah bhvishyadvkta ne us jooae ko jo yirmayah bhvishyadvkta kee gardan par tha, utarakar tod diya.
- ¹¹ aur hananyah ne sab logon ke samhane kaha, yahova yon kahata haai ki isee prakar se maain poore do varsha ke bheetar babul ke raja nabookadanessar ke jooae ko sab jaatiyon kee gardan par se utarakar tod doonga. tab yirmayah bhvishyadvkta chala gaya.
- ¹² jab hananyah bhvishyadvkta ne yirmayah bhvishyadvkta kee gardan par se jooa utarakar tod diya, usake bad yahova ka yah vachan yirmayah ke pas pahuncha
- ¹³ jakar hananyah se yah kah, yahova yon kahata haai ki too ne katt ka jooa to tod diya, parantu aesa karake too ne usakee santee lohe ka jooa bana liya haai.
- ¹⁴ kyonaki israaael ka parameshvar, senaon ka yahova yon kahata haai ki maain in sab jaatiyon kee gardan par lohe ka jooa rakhta hoo aur ve babul ke raja nabookadanessar ke adhaeen rahenge, aur inako usake adhaeen hona padega, kyonki maaidan ke jeevajantu bhee maain usake vash men kar deta hoo.

¹⁵ aur yirmayah nabee ne hananyah nabee se yah bhee kaha, he hananyah, dekh yahova ne tujhe naheen bheja, too ne in logon ko joottee asha dilai haai.

¹⁶ isaliye yahova tujh se yon kahata haai, ki dek, maain tujh ko prathvee ke upar se utta doonga, isee varsha men too marega kyonaki too ne yahova kee or se firane kee baten kahee haain.

¹⁷ is vachan ke anusar hananyah usee varsha ke sataven maheene men mar gaya.

Yirmayah 29

¹ usee varsha yirmayah nabee ne is ashay kee patrae, un puraaniyon aur bhavishyadvktaon aur sadhaaran logon ke pas bhejeen jo bandhauon men se bache the, jinako nabookadanessar yarooshalem se babul ko le gaya tha.

² yah patraee us samay bhejee gai, jab yakonyah raja aur rajamata, khoje, yahooda aur yarooshalem ke haakim, lohar aur any kareegar yarooshalem se chale gae the.

³ yah patraee shaapan ke putra aelasa aur hilkaiyyah ke putra gamaryah ke hath bhejee gai, jinhen yahooda ke raja sidaakiyyah ne babul ke raja nabookadanessar ke pas babul ko bheja.

⁴ us men likha tha ki jitane logon ko maain ne yarooshalem se bandhaua karake babul men pahunchava diya haai, un sabhon se israael ka parameshvar senaon ka yahova yon kahata he

⁵ ghar banakar un men bas jao bariyan lagakar unake fal khao.

⁶ byah karake bettebettyaian janmao aur apane betton ke liye striayan byah lo aur apanee beattyaian purushaen ko byah do, ki ve bhee bette-beattyaian janmaaen aur vahan ghatto naheen varan baddhte jao.

⁷ parantu jis nagar men maain ne tum ko bandhaua karake bheej diya haai, usake kushal ka yatn kiya karo, aur usake hit ke liye yahova se praarthna kiya karo. kyonki usake kushal se tum bhee kushal ke sath rahoge.

⁸ kyonaki israael ka parameshvar, senaon ka yahova tum se yon kahata haai ki tumhare jo bhavishyadvkta aur bhavee kahanevale tumhare beech men haai, ve tum ko bahakane n paae, aur jo svapn ve numhare nimitt dekhte haain unakee or kan mat dharo,

⁹ kyonaki ve mere nam se tum ko joottee bhavishyadaneer sunate haain maain ne unhen naheen bheja, mujh yahova kee yah vaneer haai.

¹⁰ yahova yon kahata haai ki vabul ke sattar varsha poore hone par maain tumhareer suadhair loonga, aur apana yah manabhvana vachan ki maain tumhen is sthan men lautta le aunga, poora karoonga.

11 kyonaki yahova kee yah vanee haai, ki jo kalpanaaen maain tumhare vishay karata hoo unhen maain janata hoo, ve hanee kee nahee, varan kushal hee kee haai, aur ant men tumharee asha pooree karoonga.

12 tab us samay tum mujh ko pukaroge aur akar mujh se praarthna karoge aur maain tumharee sunoonga.

13 tum mujhe ddoonddhoge aur paoge bhee kyonaki tum apane sampoorn man se mere pas aoge.

14 maain tumhen miloonga, yahova kee yah vanee haai, aur bandhauai se lautta le aunga aur tum ko un sab jaatiyon aur sthanon men se jin men maain ne tum ko barabas nikal diya haai, aur tumhen ikattha karake is sthan men lautta le aunga jahan se maain ne tumhen bandhaua karavake nikal diya tha, yahova kee yahee vanee haai.

15 tum kahate to ho ki yahova ne hamare liye babul men bhvishyadvkta pragatt kiae haain.

16 parantu jo raja daud kee bae par virajaman haai, aur jo praja is nagar men rahatee haai, arthata tumhare jo bhai tumhare sang bandhauai men naheen gaa, un sabhon ke vishay senaon ka yahova yah kahata haai,

17 suno, maain unake beech talavar chalaunga aur mahangee karoonga, aur maree faailaunga aur unhen aeese ghainaune anjeeron ke saman karoonga jo nikamme hone ke karan khaae naheen jate.

18 maain talavar, mahangee aur maree liae huae unaka peechha karoonga, aur aeese karoonga ki ve prathvee ke rajy rajy men mare mare firenge, aur un sab jaatiyon men jin ke beech maain unhen barabas kar doonga, unakee aeesee dasha karoonga ki log unhen deshakar chakit honge aur talee bajaenge aur unaka apaman karenge, aur unakee upama dekar shaap diya karenge.

19 kyonaki jo vachan maain ne apane das bhvishyadvktaon ke dara unake pas bada yatn karake kahala bheje haai, unako unhon ne naheen suna, yahova kee yahee vanee haai.

20 isaliye he sare bandhauo, jinhen maain ne yarooshalem se babul ko bheja haai, tum usaka yah vachan suno

21 kolayah ka putra ahab aur maseyah ka putra sidaakiyyah jo mere nam se tum ko joottee bhavishyadane sunate haai, unake vishay israaael ka parameshvar senaon ka yahova yon kahata haai ki suno, maain unako babul ke raja nabookadanessar ke hath men kar doonga, aur vah unako tumhare samhane mar dalega.

22 aur sab yahoodee bandhauae jo babul men rahate haai, unakee upama dekar yah shaap diya karenge yahova tujhe sidaakiyyah aur ahab ke saman kare, jinhen babul ke raja ne ag men boon dala,

²³ kyonaki unhon ne israaaeliyon men mooddhta ke kam kia, arthata apane padosiyon ke striayon ke sath vyaabhaichar kiya, aur bina meree agyaa paae mere nam se jootte vachan kahe. isaka jananevala aur gavah maain ap hee hoo, yahova kee yahee vanee haai.

²⁴ aur nehelamee shamayah se too yah kah, ki, israaael ke parameshvar yahova ne yon kaha haai,

²⁵ isaliye ki too ne yarooshalem ke sab rahanevalon aur sab yajakon ko aur yaseyah ke putra sapanyah yajak ko apane hee nam kee is ashay kee patraee bhejee,

²⁶ ki, yahava ne yahoyada yajak ke sthan par tujhe yajak tthara diya taaki too yahova ke bhvan men rakhval hokar jitane vahan pagalapan karate aur bhvishyadvkta ban baaitte haain unhen katt men ttonke aur unake gale men lohe ke patte dale.

²⁷ so yirmayah anatotee jo tumhara bhvishyadvkta ban baaitta haai, usako too ne kyon naheen ghaudka?

²⁸ us ne to ham logon ke pas babul men yah kahala bheja haai ki bandhauai to bahut kal tak rahegee, so ghar banakar un men raho, aur baariyan lagakar unake fal khao.

²⁹ yah patraee sapanyah yajak ne yirmayah bhvishyadvkta ko paddh sunai.

³⁰ tab yahova ka yah vachan yirmayah ke pas pahuncha ki sab bandhauon ke pas yah kahala bhej,

³¹ yahova nehelamee shamayah ke vishay yon kahata haai ki shamayah ne mere bina bheje tum se jo bhvishyadane kee aur tum ko joott par bhrosa dilaya haai,

³² isaliye yahova yon kahata haai, ki suno, maain us nehelamee shamayah aur usake vansh ko dand diya chahata hoo usake ghar men se koi in prajaon men n rah jaaega. ³³ aur jo bhlai maain apanee praja kee karanevala hoo, usako vah dekhne n paaega, kyonki us ne yahova se fir jane kee baten kahee haai, yahova kee yahee vanee haai.

Yirmayah 30

¹ yahova ka jo vachan yirmayah ke pas pahuncha vah yah haai

² israaael ka parameshvar yahova tujh se yon kahata haai, jo vachan maain ne tujh se kahe haain un sabhon ko pustak men likh le.

³ kyonaki yahova kee yah vanee haai, aeese din ate haain ki maain apanee israaaelee aur yahooder praja ko bandhauai se lautta launga aur jo desh maain ne unake pitaron ko diya tha us men unhen faer le aunga, aur ve fir usake adhaikaree honge, yahova ka yahee vachan he.

⁴ jo vachan yahova ne israaaeliyon aur yahoodiyon ke vishay kahe the, ve ye haain

⁵ yahova yon kahata haai thrathra denevala shabd sunai de raha haai, shaantai nahee, bhy hee ka haai.

⁶ poochho to bhla, aur dekho, kya purush ko bhee kaheen janane kee peeda utttee haai? fir kya karan haai ki sab purush jachcha kee nai apanee apanee kamar apane hathon se dabraae huae dekh padte haain? kyon sab ke mukh faeekke rang ke ho gaae haain?

⁷ hay, hay, vah din kya hee bharee hoga ! usake saman aur koi din naheen vah yakoob ke sankatt ka samay hoga parantu vah us se bhee chhudaya jaaega.

⁸ aur senaon ke yahova kee yah vanee haai, ki us din maain usaka rakha hua jooa tumharee gardan par se tod doonga, aur tumhare bandhanon ko ttukade-ttukade kar daloonga aur paradeshae fir un se apanee seva n karane paaenge.

⁹ parantu ve apane parameshvar yahova aur apane raja daud kee seva karenge jisako maain un par rajy karane ke liye ttaraunga.

¹⁰ isaliye he mere das yakoob, tere liye yahova kee yah vanee haai, mat dra he israaael, vismait n ho kyonaki maain door desh se tujhe aur tere vansh ko bandhauai ke desh se chhuda le aunga. tab yakoob lauttkar, chaain aur sukh se rahega, aur koi usako drane n paaega.

¹¹ kyonaki yahova kee yah vanee haai, tumhara uddhar karane ke liye maain tumhare sang hoo isaaliye maain un sab jatiyon ka ant kar daloonga, jin men maain ne unhen titara-abitar kiya haai, parantu tumhara ant n karoonga. tumharee tadna maain vichar karake karoonga, aur tumhen kisee prakhar se nidash n ttaraunga.

¹² yahova yon kahata haai tere dukh kee koi aushadha nahee, aur teree chott gaahiree aur dukhprad haai.

¹³ tera mukama ladne ke liye koi nahee, tera ghaav bandhane ke liye n pattee, n malaham haai.

¹⁴ tere sab mitra tujhe bool gaae ve tumharee suadhai naheen lete kyonki tere bade adharma aur bharee papon ke kara, maain ne shatra banakar tujhe mara haai maain ne kroor banakar tadn dee haai.

¹⁵ too apane ghaav ke mare kyon chillatee haai? teree peeda kee koi aushadha naheen. tere bade adharma aur bharee papon ke karan maain ne tujh se aeesa vyavahar kiya haai.

¹⁶ parantu jitane tujhe ab khaae lete haai, ve ap hee khaae jaaenge, aur tere draehee ap sab ke sab bandhauai men jaaenge aur tere loottnevale ap luttenge or jitane tera dhan chheenate haai, unaka dhan maain chhnaivaunga.

17 maain tera ilaj karake tere ghaavon ko changa karoonga, yahova kee yah vanee haai kyonki tera nam ttukarai hui pada haai vah to siyyon haai, usakee chinta kaun karata haai?

18 yahova kahata haai maain yakoob ke tamboo ko bandhauai se lauttata hoo aur usake gharon par daya karoonga or nagar apane hee khndhar par fir basega, aur rajabhvan paahile ke anusar fir ban jaaega.

19 tab un men se dhany kahane, aur anand karane ka shabd sunai padega.

20 maain unaka vibhv baddhaunga, aur ve thode n honge. unake ladkevale praacheenakal ke saman honge, aur unakee mandlee mere samhane sthiar rahegee aur jitane un par andhor karate haain unako maain dand doonga.

21 unaka mahapurush unheen men se hoga, aur jo un par prabhuta karega, vah unheen men se utpann hoga maain use apane nikatt bulaunga, aur vah mere sameep a bhee jaega, kyonki kaun haai jo apane ap mere sameep a sakata haai? yahova kee yahee vanee haai.

22 us samay tum meree praja ttharoge, aur maain tumhara parameshvar ttharoonga.

23 dekho, yahova kee jalajalahatt kee andhaee chal rahee haai ! vah ati prachand andhaee haai dushtton ke sir par vah jor se lagegee.

24 jab tak yahova apana kam n kar chuke aur apanee yuaktaiyon ko pooree n kar chuke, tab tak usaka bhdka hua krodha shaant n hoga. ant ke dinon men tum is bat ko samajh sakoge.

Yirmayah 31

1 un dinon men maain sare israaelee kulon ka parameshvar ttharoonga aur ve meree praja ttharenge, yahova kee yahee vanee haai.

2 yahova yon kahata haai jo praja talavar se bach nikalee, un par jangal men anugrah hua maain israaael ko vishraam dene ke liye taaiyar hua.

3 yahova ne mujhe door se darshan dekar kaha haai. maain tujh se sada praem rakhta aya hoo is karan maain ne tujh par apanee karuna banaae rakhee haai.

4 he israaaelee kumaree kanya ! maain tujhe fir basaunga vahan too fir singar karake dfa bajane lagegee, aur anand karanevalon ke beech men nachatee hui nikalegee.

5 too shaemaron ke pahadon par angoor kee bariyan fir lagaaegee aur jo unhen lagaaenge, ve unake fal bhee khane paaenge.

6 kyonaki aeesa din aega, jis men aepraaim ke pahadee desh ke paharuae pukarenge utto, ham apane parameshvar yahova ke pas siyyon ko chalen.

⁷ kyonaki yahova yon kahata haai yakoob ke karan anand se jayajayakar karo jaatiyon men jo shraeshtt haai usake liye unche shabad se stuati karo, aur kaho, he yahova, apanee praja israaael ke bache huae logon ka bhee uddhar kara.

⁸ dekho, maain unako uttar desh se le aunga, aur prathvee ke kone kone se ikatthe karoonga, aur unake beech andho, langade, garbhvatee, aur jachcha striayan bhee aaengee aek badee mandlee yahan lautt aaegee.

⁹ ve ansoo bahate huae aaenge aur gidgirate huae mere dara pahunchaae jaaenge, maain unhen naadiyon ke kinare kinare se aur aeese chauras marga se le aunga, jis se ve ttokar n khane paaenge kyonaki maain israaael ka pita hoo, aur aepraaim mera jetta haai.

¹⁰ he jaati jati ke logo, yahova ka vachan suno, aur door door ke deepon men bhee isaka prachar karo kaho, ki jis ne israaaeliyon ko titara- bitar kiya tha, vahee unhen ikatthe bhee karega, aur unakee aeese raksha karega jaisee charavaha apane jhund kee karata haai.

¹¹ kyonaki yahova ne yakoob ko chhuda liya, aur us shatra ke panje se jo us se aadhaik balavant haai, use chhutt kara diya haai.

¹² isaliye ve siyyon kee chottee par akar jayajayakar karenge, aur yahova se anaj, naya dakhmadha, tttka tel, bhed-bakaariyan aur gaya-baailon ke bachche adi uttam uttam dan pane ke liye tanta bandhakar challenge aur unaka praan seenchee hui baree ke saman hoga, aur ve fir kabhee udas n hongee.

¹³ us samay unakee kumaariyan nachatee hui harsha karengee, aur javan aur booddhe ek sang anand karenge. kyonki maain unake shaek ko door karake unhen anandait karoonga, maain unhen shaaantai doonga, aur dukh ke badale anand doonga.

¹⁴ maain yajakon ko chikanee vastuon se aati trapt karoonga, aur meree praja mere uttam danon se santushtt hogee, yahova kee yahee vanee haai.

¹⁵ yahova yah bhee kahata haai sun, rama nagar men vilap aur bilak bilakakar rone ka shabd sunane men ata haai. rahel apane ladkon ke liye ro rahee haai aur apane ladkon ke karan shaant naheen hotee, kyonki ve jate rahe.

¹⁶ yahova yon kahata he rone-peettne aur ansoo bahane se ruk ja kyonki tere paarishram ka fal milanevala haai, aur ve shatraun ke desh se lautt aaenge.

¹⁷ ant men teree asha pooree hogee, yahova kee yah vanee haai, tere vansh ke log apane desh men lautt aaenge.

¹⁸ nishchay maain ne aepraaim ko ye baten kahakar vilap karate suna haai ki too ne meree tadna kee, aur meree tadna aeese bachhde kee see hui jo nikala n gaya ho parantu ab too mujhe faer, tab maain firoonga, kyonaki too mera parameshvar haai.

19 bhttk jane ke bad maain pachhtaya aur sikhaae jane ke bad maain ne chhatee peettee purane papon ko smasan kar maain laajjait hua aur mera munh kala ho gaya.

20 kya aepraaim mera piry putra naheen haai? kya vah mera dulara ladka naheen haai? jab jab maain usake viruddh baten karata hoo, tab tab mujhe usaka smaran ho ata haai. isaaliye mera man usake karan bhr ata haai aur maain nishchay us par daya karoonga, yahova kee yahee vanee haai.

21 he israaaelee kumaree, jis rajamarga se too gai thee, usee men khmbhe aur jhnde khde kara aur apane in nagaron men laut ane par man laga.

22 he bhttkanevalee kanya, too kab tak idhar udhar firatee rahegee? yahova kee aek nai sraashti prathvee par pragatt hogee, arthata naree purush kee sahayata karegee.

23 israaael ka parameshvar senaon ka yahova yon kahata haai jab maain yahoodee bandhauon ko unake desh ke nagaron men lauttaunga, tab un men yah ashaeervad fir diya jaaega he dharmabhre vasasthan, he paavitra parvat, yahova tujhe ashaeesh de !

24 aur yahooda aur usake sab nagaron ke log aur kisan aur charavahe bhee us men ikatte basenge.

25 kyonaki maain ne thke huae logon ka praan trapt kiya, aur udas logon ke praan ko bhr diya haai.

26 is par maain jag utta, aur dekha, or meree neend mujhe meettee lagee.

27 dek, yahova kee yah vanee haai, ki aeese din anevale haain jin men maain israaael aur yahooda ke gharanon ke ladkebaale aur pashu donon ko bahut baddhaunga.

28 aur jis prakar se maain soch sochakar unako girata aur ddhata, nashtt karata, katt dalata aur satyanash hee karata tha, usee prakar se maain ab soch sochakar unako ropoonga aur baddhaunga, yahova kee yahee vanee haai.

29 un dinon men ve fir n kahenge ki purakha logon ne to jangalee dakh khai, parantu unake vansh ke dant khte ho gae haain.

30 kyonaki jo koi jangalee dakh khaae usee ke dant khte ho jaaenge, aur har aek manushy apane hee adharma ke karan mara jaaega.

31 fir yahova kee yah bhee vanee haai, sun, aeese din anevale haain jab maain israaael aur yahooda ke gharanon se nai vacha bandhoonga.

32 vah us vacha ke saman n hogee jo maain ne unake purakhaon se us samay bandhaee thee jab maain unaka hath pakadkar unhen misra desh se nikal laya, kyonki yadhyapi maain unaka paati tha, taubhee unhon ne meree vah vacha tod dalee.

³³ parantu jo vacha maain un dinon ke bad israaael ke gharane se bandhoonga, vah yah haai maain apanee vyavastha unake man men samavaunga, aur use unake day par likoonga aur maain unaka parameshvar ttharoonga, aur ve meree praja ttharenge, yahova kee yah vanee haai.

³⁴ aur tab unhen fir aek doosare se yah n kahana padega ki yahova ko jano, kyonki, yahova kee yah vanee haai ki chhotte se lekar bade tak, sab ke sab mera gyaan rakhenge kyonki maain unaka adharma kshama karoonga, aur unaka pap fir smaran n karoonga.

³⁵ jisane din ko prakash dene ke liye soorya ko aur rat ko prakash dene ke liye chandrama aur taragan ke niyam ttharaae haai, jo samudra ko uchhalata aur usakee laharon ko garajata haai, aur jisaka nam senaon ka yahova haai, vahee yahova yon kahata haai

³⁶ yaadi ye niyam meree samhane se ttl jaaen tab hee yah ho sakega ki israaael ka vansh meree drashti men sada ke liye aek jaati ttharane kee apeksha mitt sakega.

³⁷ yahova yon bhee kahata haai, yadi upar se akash mapa jaae aur neeche se puthvee kee nev khod khodakar pata lagaya jaa, tab hee maain israaael ke sare vansh ko anake sab papon ke karan un se hath uttaunga.

³⁸ dek, yahova kee yah vanee haai, aeese din a rahe haain jin men yah nagar hananel ke gummatt se lekar kone ke faattk tak yahova ke liye banaya jaaega.

³⁹ aur mapane kee rassee fir age baddhkar seedhaee gareb pahadee tak, aur vahan se ghoomakar goa ko pahunchegee.

⁴⁰ aur lothon aur rakh kee sab tarai aur kidraen nale tak jitane khet haai, ghaedon ke poova faattk ke kone tak jitane boomi haai, vah sab yahova ke liye paavitra ttharegee. sada tak vah nagar fir kabhee n to giraya jaaega aur n ddhaya jaaegau

Yirmayah 32

¹ yahooda ke raja sidaakiyyah ke rajy ke dasaven varsha men jo nabookadanessar ke rajy ka attarahavan varsha tha, yahova kee or se yah vachan yirmayah ke pas pahuncha.

² us samay babul ke raja kee sena ne yarooshalem ko ghor liya tha aur yirmayah bhvishyadvkta yahooda ke raja ke pahare ke bhvan ke angan men kaaidee tha.

³ kyonki yahooda ke raja sidaakiyyah ne yah kahakar use kaaid kiya tha, ki, too aeese bhavishyadane ke kyon karata haai ki yahova yon kahata haai dekho, maain yah nagar babul ke raja ke vash men kar doonga, vah isako le lega

⁴ aur yahooda ka raja sidaakiyyah kasaadiyon ke hath se n bachega parantu vah babul ke raja ke vash men avashy hee padega, aur vah aur babul ka raja apas

men amhane-samhane baten karengge aur apanee apanee ankhon se aek doosare ko dekhenge.

⁵ aur vah sidaakiyyah ko babul men le jaaega, aur jab tak maain usakee suadhain loo, tab tak vah vaheen rahega, yahova kee yah vane haai. chahe tum log kasaadiyon se lado bhee, taubhee tumhare ladne se kuchh ban n padega.

⁶ yirmayah ne kaha, yahova ka vachan mere pas pahuncha,

⁷ dek, shallam ka putra hanamel jo tera chachera bhai haai, so tere pas yah kahane ko ane par haai ki mera khet jo anatot men haai use mol le, kyonki use mol lekar chhudane ka aadhaikar tera hee haai.

⁸ so yahova ke vachan ke anusar mera chachera bhai hanamel pahare ke angan men mere pas akar kahane laga, mera jo khet binyameen desh ke anatot men haai use mol le, kyonaki usake svamee hone aur usake chhuda lene ka adhaikar tera hee haai isaliye too use mol le. tab maain ne jan liya ki vah yahova ka vachan tha.

⁹ isaliye maain ne us anatot ke khet ko apane chachere bhai hanamel se mol le liya, aur usaka dam chandee ke sattarah shokel taulakar de diae.

¹⁰ aur maain ne dastaveja men dastakht aur muhar ho jane par, gavahon ke samhane vah chandee kantte men taulakar use de dee.

¹¹ tab maain ne mol lene kee donon dastabejen jin men sab shatan likhee hui thee, aur jin men se aek par muhar thee aur doosaree khulee thee,

¹² unhen lekar apane chachere bhai hanamel ke aur un gavahon ke samhane jinhon ne dastaveja men dastakht kiae the, aur un sab yahoodiyon ke samhane bhee jo pahare ke angan men baaitte huae the, neariyyah ke putra barook ko jo mahaseyah ka pota tha, saunp diya.

¹³ tab maain ne unake samhane barook ko yah agyaa dee

¹⁴ ki israaael ke parameshvar senaon ke yahova yon kahata haai, in mol lene kee dastavejaon ko jin par muhar kee hui haai aur jo khulee hui haai, inhen lekar mittee ke bartan men rak, taaki ye bahut din tak rahen.

¹⁵ kyonaki israaael ka parameshvar senaon ka yahova yon kahata haai, is desh men ghar aur khet or dakh kee baariyan fir bechee aur mol lee jaaengee.

¹⁶ jab maain ne mol lene kee vah dastaveja neariyyah ke putra barook ke hath men dee, tab maain ne yahova se yah praarthna kee,

¹⁷ he prabhu yahova, too ne bade samarth aur baddhai hui bhuja se akash aur prathvee ko banaya haai ! tere liye koi kam kattnai naheen haai.

¹⁸ too hajaron par karuna karata rahata parantu poorvajon ke adharma ka badala unake bad unake vansh ke logon ko bhee deta haai, he mahan aur parakramee parameshvar, jisaka nam senaon ka yahova haai,

19 too badee yuaktai karanevala aur samarth ke kam karanevala haai teree drashtti manushyon ke sare chalachalan par lagee rahatee haai, aur too har aek ko usake chalachalan aur karma ka fal bhugatata haai.

20 too ne misra desh men chinh aur chatmatkar kia, aur aj tak israaaeliyon varan sab manushyon ke beech vaaisa karata aya haai, aur is prakar too ne apana aeesa nam kiya haai jo aj ke din tak bana haai.

21 too apanee praja israaael ko misra desh men se chinhon aur chatmatkaron aur samath hath aur baddhai hui bhuja ke dara, aur bade bhyanak kamon ke sath nikal laya.

22 fir too ne yah desh unhen diya jisake dene kee shapath too ne unake poorvajon se khai thee jisamen doodha aur madha kee dhaaraaen bahatee haai, aur ve akar isake aadhaikaree hue.

23 taubhee unhon ne teree naheen manee, aur n teree vyavastha par chale varan jo kuchh too ne unako karane kee agyaa dee thee, us men se unhon ne kuchh bhee naheen kiya. is karan too ne un par yah sab vipaattai dalee haai.

24 ab in damadamon ko dek, ve log is nagar ko le lene ke liye a gae haai, or yah nagar talavar, mahangee aur maree ke karan in chaddhe huae kasaadiyon ke vash men kiya gaya haai. jo too ne kaha tha vah ab poora hua haai, aur too ise dekhta bhee haai.

25 taubhee, he prabhu yahova, too ne mujh se kaha haai ki gavah bulakar us khet ko mol le, yadhypi ki yah nagar kasadiyon ke vash men kar diya gaya haai.

26 tab yahova ka yah vachan yirmayah ke pas pahuncha, maain to sab praaanaiyon ka parameshvar yahova hoo

27 kya mere liye koi bhee kam kattnai haai?

28 so yahova yon kahata haai, dek, maain yah nagar kasadiyon aur babul ke raja nabookadanessar ke vash men kar dene par hoo, aur vah isako le lega.

29 jo kasadee is nagar se yuddh kar rahe haai, ve akar is men ag lagakar foonk denge, aur jin gharon kee chhton par unhon ne bal ke liye dhoop jalakar aur doosare devataon ko tapavan dekar mujhe ris dilai haai, ve ghar jala diae jaaenge.

30 kyonaki israaael aur yahooda, jo kam mujhe bura lagata haai, vahee ladkapan se karate aae haain israaaelee apanee banai hui vastuon se mujh ko ris hee ris dilate aae haai, yahova kee yah vane haai.

31 yah nagar jab se basa haai tab se aj ke din tak mere krodha aur jalajalahatt ke bhdkane ka karan hua haai, isaliye ab maain isako apane samhane se is karan door karoonga

³² kyonaki israaael aur yahooda apane rajaon hakimo, yajakon or bhvishyadvktaon samet, kya yahooda desh ke, kya yarooshalalem ke nivasee, sab ke sab burai par burai karake mujh ko ris dilate aae hen.

³³ unhon ne meree or munh naheen varan peett hee faer dee haai yadhyapi maain unhen bade yatn se sikhata aya hoo, taubhee unhon ne meree shaiksha ko naheen mana.

³⁴ varan jo bhvan mera kahalata haai, us men bhee unhon ne apanee gharaanait vastuen sthapan karake use ashuddh kiya haai.

³⁵ unhon ne hinnomiyon kee tarai men bal ke unche unche sthan banakar apane bette-beattyaien ko molak ke liye hom kiya, jisakee agyaa maain ne kabhee naheen dee, aur n yah bat kabhee mere man men ai ki aeesa gharanait kam kiya jaae aur jis se yahoodae log pap men fanse.

³⁶ parantu ab israaael ka parameshvar yahova is nagar ke vishay me, jisake liye tum log kahate ho ki vah talavar, mahangee aur maree ke dara babul ke raja ke vash men pada hua haai yon kahata haai

³⁷ dekho, maain unako un sab deshaen se jin men maain ne krodha aur jalajalahatt men akar unhen barabas nikal diya tha, lautta le akar isee nagar men ikatthe karoonga, aur nidr karake basa doonga.

³⁸ aur ve meree praja tthareng, aur maain unaka parameshshvar ttharoonga

³⁹ maain unako aek hee man aur aek hee chal kar doonga ki ve sada mera bhy manate rahe, jis se unaka aur unake bad unake vansh ka bhee bhla ho.

⁴⁰ maain un se yah vacha bandhoonga, ki maain kabhee unaka sang chhodkar unaka bhla karana n chhodoonga aur apana bhy maain unake man se aeesa upajaunga ki ve kabhee mujh se alag hona n chahenge.

⁴¹ maain badee prasannata ke sath unaka bhla karata rahoonga, aur sachamuch unhen is desh men apane sare man or praan se basa doonga.

⁴² dek, yahova yon kahata haai ki jaise maain ne apanee is praja par yah sab badee vipaattai dal dee, vaaise hee nishchay in se vah sab bhilai bhee karoonga jisake karane ka vachan maain ne diya he. so yah desh jisake vishay tum log kahate ho

⁴³ ki yah ujad ho gaya haai, is men n to manushy rah gae haain aur n pashu, yah to kasaadiyon ke vash men pad chuka haai, isee men fir se khet mol liae jaaenge,

⁴⁴ aur binyameen ke desh me, yarooshalem ke as pas, aur yahooda desh ke arthata pahadee desha, neeche ke desh aur dakkhian desh ke nagaron men log gavah bulakar khet mol lenge, aur dastaveja men dastakht aur muhar kareng kyonki maain unake dinon ko lautta le aunga yahova kee yahee vane haai.

Yirmayah 34

¹ jab babul ka raja nabookadanessar apanee saree sena samet aur prathvee ke jitane rajy usake vash men the, un sabhon ke logon samet yarooshalem aur usake sab ganvon se lad raha tha, tab yahova ka yah vachan yirmayah ke pas pahuncha,

² israaael ka parameshvar yahova yon kahata haai, jakar yahooda ke raja sidaakiyyah se kah, yahova yon kahata haai, ki dek, maain is nagar ko babul ke raja ke vash men kar dene par hoo, aur vah ise faunkava dega.

³ aur too usake hath se n bachega, nishchay pakada jaaega aur usake vash men kar diya jaaega aur teree ankhen babul ke raja ko dekhengee, aur tum amhane-samhane baten karoge aur too babul ko jaaega.

⁴ taubhee he yahooda ke raja sidaakiyyah, yahova ka yah bhee vachan tun jise yahova tere vishay men kahata haai, ki too talavar se mara n jaaega.

⁵ too shaantai ke sath marega. aur jaaisa tere pitaron ke liye arthata jo tujh se paahile raja the, unake liye sugandha dravy jalaya gaya, vaaisa hee tere liye bhee jalaya jaaega aur log yah kahakar, hay mere prabhu ! tere liye chhatee peettenge, yahova kee yahee vanee haai.

⁶ ye sab vachan yirmayah bhvishyadvkta ne yahooda ke raja sidaakiyyah se yarooshalem men us samay kahe,

⁷ jab babul ke raja kee sena yarooshalem se aur yahooda ke jitane nagar bach gae the, un se arthata lakeesh aur ajeka se lad rahee thee kyonaki yahooda ke jo gaddhvale nagar the un men se keval ve hee rah gae the.

⁸ yahova ka yah vachan yirmayah ke pas us samay aya jab sidaakiyyah raja ne saree praja se jo yarooshalem men thee yah vacha bandhaai ki dason ke svadhaeen hone ka prachar kiya jaa,

⁹ ki sab log apane apane dasa-dasee ko jo ibraee va iabirn hon svadhaeen karake jane de, aur koi apane yahudee bhai se fir apanee seva n karaae.

¹⁰ tab sab haakimon aur saree praja ne yah pran kiya ki ham apane apane dasa-daasiyon ko svatantra kar denge aur fir un se apanee seva n karaaenge so us pran ke anusar unako svatantra kar diya.

¹¹ parantu isake bad ve fir gae aur jin dasa-daasiyon ko unhon ne svatatra karake jane diya tha unako fir apane vash men lakar das aur dasee bana liya.

- 12** tab yahova kee or se yah vachan yirmayah ke pas pahuncha,
- 13** israaael ka parameshvar yahova tum se yon kahata haai, jis samay maain tumhare pitaron ko dasatv ke ghar arthata misra desh se nikal le aya, us samay maain ne ap un se yah kahakar vacha bandhae
- 14** ki tumhara jo ibraee bhai tumhare hath men becha jaae usako tum sataven baras men chhod dena chh baras to vah tumharee seva kare parantu isake bad tum usako svatantra karake apane pas se jane dena. parantu tumhare pitaron ne meree n sunee, n meree or kan lagaya.
- 15** tum abhee fire to the aur apane apane bhai ko svatantra kar dene ka prachar karake jo kam meree draashti men bhla he use tum ne kiya bhee tha, aur jo bhvan mera kahalata haai us men meree samhane vacha bhee bandhae thee
- 16** par tum bhthk gae aur mera nam is reeti se ashuuddh kiya ki jin dasa-daasiyon ko tum svatantra karake unakee ichchha par chhod chuke the unhen tum ne fir apane vash men kar liya haai, aur ve fir tumhare dasa- dasiyan ban gae haain.
- 17** is karan yahova yon kahata haai ki tum ne jo meree agyaa ke anusar apane apane bhai ke svatantra hone ka prachar naheen kiya, so yahova ka yah vachan haai, suno, maain tumhare is prakar se svatantra hone ka prachar karata hoo ki tum talavar, maree aur mahangee men padoge aur maain aeesa karoonga ki tum prathvee ke rajy rajy men mare mare firege.
- 18** aur jo log meree vacha ka ullanghan karate haain aur jo pran unhon ne meree samhane aur bachhde ko do bhag karake usake donon bhagon ke beech hokar kiya parantu use poora n kiya,
- 19** arthata yahooda desh aur yarooshalem nagar ke haakim, khoje, yajak aur sadhaaran log jo bachhde ke bhagon ke beech hokar gae the,
- 20** unako maain unake shatrauon arthata unake praan ke khojiyon ke vash men kar doonga aur unakee loth akash ke paakshiyon aur maaidan ke pashuuon ka ahar ho jaengee.
- 21** aur maain yahooda ke raja sidaakiyyah aur usake hakimon ko unake shatrauon aur unake praan ke khojiyon arthata babul ke raja kee sena ke vash men kar doonga jo tumhare samhane se chalee gai haai.
- 22** yahova ka yah vachan haai ki dekho, maain unako agyaa dekar is nagar ke pas lautta le aunga aur ve ladkar ise le lenge aur foonk denge aur yahooda ke nagaron ko maain aeesa ujad doonga ki koi un men n rahega.

- ² rekabiyon ke gharane ke pas jakar un se baten kar aur unhen yahova ke bhvan kee aek kottree men le jakar dakhmadha pila.

- ⁵ tab maain ne rekaabiyon ke gharane ko dakhmadha se bhre huae hande aur kattore dekar kaha, dakhmadha peeo.
- ⁶ unhon ne kaha, ham dakhmadha n peeenge kyonki rekab ke putra yonadab ne jo hamara purakha tha ham ko yah agyaa dee thee ki tum kabhee dakhmadha n peena n tum, n tumhare putra.

- ¹³ israaael ka parameshvar senaon ka yahova yon kahata haai ki jakar yahooda desh ke logon aur yarooshalem nagar ke nivaasiyon se kah, yahova kee yah vanee haai, kya tum shaiksha manakar meree n sudoge?
- ¹⁴ dekho, rekab ke putra yonadab ne jo agyaa apane vansh ko dee thee ki tum dakhmadha n peena so to manee gai haai yahan tak ki aj ke din bhee ve log kuchh naheen peete, ve apane purakha kee agyaa manate haain par yadhypi maain tum se bade yatn se kahata aya hoo, taaibhee tum ne meree naheen sunee.

15 maain tumhare pas apane sare das nabiyon ko bada yatn karake yah kahane ko bhejata aya hoo ki apanee buree chal se firo, aur apane kam sudhaaro, aur doosare devataon ke peechhe jakar unakee upasana mat karo tab utum is desh men jo maain ne tumhare pitaron ko diya tha aur tum ko bhee diya haai, basane paoge. par tum ne meree or kan naheen lagaya n meree sunee haai.

16 dekho rekab ke putra yonadab ke vansh ne to apane purakha kee agyaa ko man liya par tum ne meree naheen sunee.

17 isaliye senaon ka parameshvar yahova, jo israaael ka parameshvar haai, yon kahata haai ki dekho, yahooda desh aur yarooshalem nagar ke sare nivaasiyon par jitane vipaattai dalane kee maain ne charcha kee haai vah un par ab dalata hoo kyonki maain ne unako sunaya par unhon ne naheen suna, maain ne unako bulaya par unhon ne uttar n diya.

18 aur rekabiyon ke gharane se yirmayah ne kaha, israaael ka parameshvar senaon ka yahova tum se yon kahata haai, isaliye ki tum ne jo apane purakha yonadab kee agyaa manee, varan usakee sab agyaaon ko man liya aur jo kuchh us ne kaha usakee anusar kam kiya haai,

19 isaliye israaael ka parameshvar senaon ka yahova yon kahata haai, rekab ke putra yonadab ke vansh men sada aeesa jan paya jaaega jo mere sammukh khda rahe.

Yirmayah 36

1 fir yoshaiyyah ke putra yahooda ke raja yahoyakeem ke rajy ke chauthe baras men yahova kee or se yah vachan yirmayah ke pas pahuncha,

2 aek pustak lekar jitane vachan maain ne tujh se yoshaiyyah ke dinon se lekar arthata jab maain tujh se baten karane laga us samay se aj ke din tak israaael aur yahooda aur sab jatiyon ke vishay men kahe haai, sab ko us men likh.

3 kya jane yahooda ka gharana us saree vipaattai ka samachar sunakar jo maain un par dalane kee kalpana kar raha hoo apanee buree chal se fire aur maain unakee adharm aur pap ko kshama karoon.

4 to yirmayah ne neriyah ke putra barook ko bulaya, aur barook ne yahova ke sab vachan jo us ne yirmayah se kahe the, usakee mukh se sunakar pustak men likh diae.

5 fir yirmayah ne barook ko agyaa dee aur kaha, maain to bandha hua hoo, maain yahova ke bhvan men naheen ja sakata.

6 so tu upavas ke din yahova ke bhvan men jakar usakee jo vachan too ne mujh se sunakar likhe haai, pustak men se logon ko paddhkar sunana, aur jitane yahooda log apane apane nagaron se aaenge, unako bhee paddhkar sunana.

⁷ kya jane ve yahova se gidgidakar praarthna karen aur apanee apanee buree chal se firen kyonki jo krodha aur jalalahatt yahova ne apanee is praja par bhdkane ko kaha haai, vah badee haai.

⁸ yirmayah bhvishyadvkta kee is agyaa ke anusar neriyah ke putra barook ne, yahova ke bhvan men us pustak men se usake vachan paddhkar sunaae.

⁹ aur yoshaiyyah ke putra yahooda ke raja yahoyakeem ke rajy ke panchaven baras ke nauven maheene men yarooshalem men jitane log the, aur yahooda ke nagaron se jitane log yarooshalem men aae the, unhon ne yahova ke samhane upavas karane ka prachar kiya.

¹⁰ tab barook ne yahova ke bhvan men sab logon ko shaapan ke putra gamaryah jo pradhaan tha, usakee kottree men jo upar ke angan men yahova ke bhvan ke naye faattk ke pas thee, yirmayah ke sab vachan pustak men se paddh sunaae.

¹¹ tab shaapan ke putra gamaryah ke bette meekayah ne yahova ke sare vachan pustak men se sune.

¹² aur vah rajabhvan ke pradhaan kee kottree men utar gaya, aur kya dekha ki vahan aeleeshama pradhaan aur shamayah ka putra dalayah aur ababor ka putra aelanatan aur shaapan ka putra gamaryah aur hananyah ka putra sidaakiyyah aur sab hakim baaitte huae haain.

¹³ aur meekayah ne jitane vachan us samay sune, jab barook ne pustak men se logon ko paddh sunaae the, ve sab varnn kiae.

¹⁴ unhen sunakar sab haakimon ne yahoodae kee jo natanyah ka putra or sholemyah ka pota aur kooshae ka parapota tha, barook ke pas yah kahane ko bheja, ki jis pustak men se too ne sab logon ko paddh sunaya he, use apane hath men leta a. so neriyah ka putra barook vah pustak hath men liae huae unake pas aya.

¹⁵ tab unhon ne us se kaha, ab baaitt ja aur hamen yah paddhkar suna. tab barook ne unako paddhkar suna diya.

¹⁶ jab ve un sab vachanon ko sun chuke, tab thrathrate huae aek doosare ko dekhne lage aur unhon ne barook se kaha, ham nishchay raja se in sab vachanon ka varnn karenge.

¹⁷ fir unhon ne barook se kaha, ham se kah, kya too ne ye sab vachan usake mukh se sunakar likhe?

¹⁸ barook ne un se kaha, vah ye sab vachan apane mukh se mujhe sunata gaya or maain inhen pustak men syahee se likhta gaya.

¹⁹ tab haakimon ne barook se kaha, ja, too apane apako aur yirmayah ko chhpai, aur koi n janane paae ki tum kahan ho.

- 20** tab ve pustak ko aeleeshama pradhaan kee kottree men rakhkar raja ke pas angan men aae aur raja ko ve sab vachan kah sunaae.
- 21** tab raja ne yahoodee ko pustak le ane ke liye bheja, us ne use aeleeshaama pradhaan kee kottree men se lekar raja ko aur jo haakim raja ke as pas khde the unako bhee paddh sunaya.
- 22** raja shaeetakal ke bhvan men baaitta hua tha, kyonaki nauvan maheena tha aur usake samhane angeetee jal rahee thee.
- 23** jab yahoodee teen char prashtt paddh chuka, tab us ne use chakoo se katta aur jo ag angeetee men thee us men faenk diya so angeetee kee ag men pooree poostak jalakar bhsam ho gai.
- 24** parantu n koi dra aur n kisee ne apane kapade faade, arthata n to raja ne aur n usake kamrachaariyon men se kisee ne aeesa kiya, jinhon ne ve sab vachan sune the.
- 25** aelanatan, aur dalayah, aur gamaryah ne to raja se binatee bhee kee thee ki pustak ko n jalaa, parantu us ne unakee aek n sunee.
- 26** or raja ne rajaputra yarahamel ko aur ajraeeael ke putra sarayah ko aur abdel ke putra sholemyah ko agyaa dee ki barook lekhk aur yirmayah bhvishyadvkta ko pakad le, parantu yahova ne unako chhpai rakha.
- 27** jab raja ne un vachanon kee pustak ko jo barook ne yirmayah ke mukh se sun sunakar likhee thee, jala diya, tab yahova ka yah vachan yirmayah ke pas pahuncha ki
- 28** fir aek aur pustak lekar us men yahooda ke raja yahoyakeem kee jalai hai paahilee pustak ke sab vachan likh de.
- 29** aur yahooda ke raja yahoyakeem ke vishay men kah ki yahova yon kahata haai, too ne us pustak ko yah kahakar jala diya haai ki too ne us men yah kyon likha haai ki babul ka raja nishchay akar is desh ko nash karega, aur us men n to manushy ko chhodega aur n pashu ko.
- 30** isaliye yahova yahooda ke raja yahoyakeem ke vishay men yon kahata haai, ki usaka koi daud kee gae par virajaman n rahega aur usakee loth aeesee faenk dee jaaegge ki din ko dhaam men or rat ko pale men padee rahegee.
- 31** aur maain usako aur usake vansh aur karmachariyon ko unake adharma ka dand doonga aur jitane vipaattai maain ne un par aur yarooshalem ke nivaasiyon aur yahooda ke sab logon par dalane ko kaha haai, aur jisako unhon ne sach naheen mana, un sab ko maain un par daloonga.
- 32** tab yirmayah ne doosaree pustak lekar neriyah ke putra barook lekhk ko dee, aur jo pustak yahooda ke raja yahoyakeem ne ag men jala dee thee, us men ke

sab vachanon ko barook ne yirmayah ke mukh se sun sunakar us men likh diae aur un vachanon men unake saman aur bhee bahut see baten baddha dee gai.

¹ aur yahoyakeem ke putra konyah ke sthan par yoshaiyyah ka putra sidaakiyyah rajy karane laga, kyonki babul ke raja nabookadanessar ne usee ko yahooda desh men raja ttharaya tha.

² parantu n to us ne, n usake karmachariyon ne, aur n sadhaaran logon ne yahova ke vachanon ko mana jo us ne yirmayah bhvishyadvkta ke dara kaha tha.

³ sidaakiyyah raja ne sholemyah ke putra yahookal or maseyah ke putra samanyah yajak ko yirmayah bhvishyadvkta ke pas yah kahala bheja, ki, hamare nimitt hamare parameshvar yahova se praarthna kara.

⁴ us samay yirmayah bandeegrah men n dala gaya tha, or logon ke beech aya jaya karata tha.

⁵ us samay firaun kee sena chaddhai ke liye misra se nikalee tab kasadee jo yarooshalem ko ghore huae the, usaka samachar sunakar yarooshlem ke pas se chale gae.

⁶ tab yahova ka yah vachan yirmayah bhvishyadvkta ke pas pahuncha,

⁷ israaael ka parameshvar yahova yon kahata haai, yahuda ke jis raja ne tum ko praarthna karane ke liye mere pas bheja haai, us se yon kaho, ki dek, firaun kee jo sena tumharee sahayata ke liye nikalee haai vah apane desh misra men lautt jaaegee.

⁸ aur kasadee fir vapis akar is nagar se ladenge ve isako le lenge aur foonk denge.

⁹ yahova yon kahata haai, yah kahakar tum apane apane man men dhaekha n khao ki kasadee hamare pas se nishchay chale gaae haain kyonaki ve naheen chale gaae.

¹⁰ kyonaki yadi tum ne kasaadiyon kee saree sena ko jo tum se ladtee haai, aeesa mar bhee liya hota ki un men se keval ghaayal log rah jate, taubhee ve apane apane tamboo men se uttkar is nagar ko foonk dete.

¹¹ jab kasadiyon kee sena firaun kee sena ke dr ke mare yarooshalem ke pas se kooch kar gai,

¹² tab yirmayah yarooshalem se nikalakar binyameen ke desh kee or isaaliye ja nikala ki vahan se aur logon ke sang apana ansh le.

¹³ jab vah binyameen ke faattk men pahuncha, tab yiriyyah namak paharuon ka aek saradar vahan tha jo sholemyah ka putra aur hananyah ka pota tha, aur us ne yirmayah bhvishyadvkta ko yah kahakar pakad liya, too kasadiyon ke pas bhaga jata haai.

14 tab nirmayah ne kaha, yah joott haai maain kasaadiyon ke pas naheen bhaga jata hoo. parantu yiriyyah ne usakee aek n mune, so vah use pakadkar haakimon ke pas le gaya.

15 tab haakimon ne yirmayah se krodhait hokar use pittvaya, aur yonatan pradhaan ke ghar men bandee banakar dlava diya kyonaki unhon ne usako sadhaaran bandeegrah bana diya tha.

16 yirmayah us talaghar men jis men kai aek kottriyen thee, rahane laga.

17 usake bahut din beetane par sidaakiyyah raja ne usako bulava bheja, aur apane bhvan men us se chhpaikar yah prashn kiya, kya yahova kee or se koi vachan paiuncha haai? yirmayah ne kaha, ha, pahuncha haai. vah yah haai, ki too babul ke raja ke vash men kar diya jaega.

18 fir yirmayah ne sidaakiyyah raja se kaha, maain ne tera, tere karmachaariyon ka, v teree praja ka kya aparadha kiya haai, ki tum logon ne mujh ko bandeegrah men dlavaya haai?

19 tumhare jo bhvishyadvkta tum se bhavishyadane karake kaha karate the ki babul ka raja tum par aur is desh par chaddhai naheen karega, ve ab kahan haai?

20 ab, he mere pubhu, he raja, meree praarthna grahan kar ki mujhe yonatan pradhaan ke ghar men fir n bhej, naheen to maain vahan mar jaunga.

21 tab sidaakiyyah raja kee agyaa se yirmayah pahare ke angan men rakha gaya, aur jab tak nagar kee sab rottee n chuk gai, tab tak usako rotteevalon kee dookan men se praatidin aek rottee dee jatee thee. or yirmayah pahare ke angan men rahane laga.

Yirmayah 38

1 fir jo vachan yirmayah sab logon se kahata tha, unako mattan ke putra shpanyah, pashahoor ke putra gadalyah, sholemyah ke putra yookal aur malkaiyyah ke putra pashahoor ne suna,

2 ki, yahova yon kahata haai ki jo koi is nagar men rahega vah talavar, pahangee or maree se marega parantu jo koi kasadiyon ke pas nikal bhage vah apana praan bachakar jeeavit rahega.

3 yahova yon kahata haai, yah nagar babul ke raja kee sena ke vash men kar diya jaaega aur vah isako le lega.

4 isaliye un haakimon ne raja se kaha ki us purush ko marava dal, kyonaki vah jo is nagar men bache huae yodaon aur any sab logon se aeese aeese vachan kahata haai jis se unake hath panv ddheele ho jate haain. kyonaki vah purush is praja ke logon kee bhlai naheen varan burai hee chahata haai.

- ⁵ sidaakiyyah raja ne kaha, suno, vah to tumhare vash men he kyonaki aesa naheen ho sakata ki raja tumhare virud kuchh kar sake.
- ⁶ tab unhon ne yirmayah ko lekar rajaputra malkaiyyah ke us gadhe men jo pahare ke angan men tha, raassaiyon se utarakar dal diya. aur us gadhe meen panee naheen keval daladal tha, aur yirmayah keechad men dhans gaya.
- ⁷ us samay raja binyameen ke faattk ke pas baaita tha so jab ebedamelek kooshaee ne jo rajabhvan men ek khoja tha, suna, ki unhon ne yirmayah ko gadhe men dal diya haai---
- ⁸ tab aebedamelek rajabhvan se nikalakar raja se kahane laga,
- ⁹ he mere svamee, he raja, un logon ne yirmayah bhvishyadvkta se jo kuchh kiya haai vah bura kiya haai, kyonki unhon ne usako gadhe men dal diya haai vahan vah bookh se mar jaaega kyonaki nagar men kuchh rottee naheen rahee haai.
- ¹⁰ tab raja ne aebedamelek kooshaee ko yah agyaa dee ki yahan se tees purush sath lekar yirmayah bhvishyadvkta ko marane se paahile gadhe men se nikala.
- ¹¹ so aebedamelek utane purushaen ko sath lekar rajabhvan ke bhndar ke talaghar men gaya aur vahan se fattepurane kapade aur chithde lekar yirmayah ke pas us gadhe men raassaiyon se utar diae.
- ¹² aur aebedamelek kooshaee ne yirmayah se kaha, ye purane kapade aur chithdde apanee kankhon men raassaiyon ke neeche rakh le. so yirmayah ne vaaisa hee kiya.
- ¹³ tab unhon ne yirmayah ko rassaiyon se kheenchakar, gadhe men se nikala. aur yirmayah pahare ke angan men rahane laga.
- ¹⁴ sidaakiyyah raja ne yirmayah bhvishyadvkta ko yahova ke bhvan ke teesare dar men apane pas bulava bheja. aur raja ne yirmayah se kaha, maain tujh se aek bat puchhta hoo mujh se kuchh n chhpaia.
- ¹⁵ yirmayah ne sidaakiyyah se kaha, yaadi maain tujhe batau, to kya too mujhe marava n dalega? aur chahe maain tujhe sammati bhee doo, taubhee too meree n manega.
- ¹⁶ tab sidaakiyyah raja ne akele men yirmayah se shapath khai, yahova jis ne hamara yah jeev racha haai, usake jeevan kee saugandha n maain to tujhe marava daloonga, aur n un manushyon ke vash men kar doonga jo tere praan ke khojee haain.
- ¹⁷ yirmayah ne sidaakiyyah se kaha, senaon ka parameshvar yahova jo israaael ka parameshvar haai, vah yon kahata haai, yadi too babul ke raja ke hakimon ke pas sachamuch nikal jaa, tab to tera praan bachega, aur yah nagar foonka n jaaega, aur too apane gharane samet jeevit rahega.

18 parantu, yadi too babul ke raja ke hakimon ke pas n nikal jaa, to yah nagar kasaadiyon ke vash men kar diya jaaega, or ve ise foonk denge, aur too unake hath se bach n sakega.

19 sidaakiyyah ne yirmayah se kaha, jo yahooder log kasaadiyon ke pas bhag gae haai, maain un se drata hoo, aesa n ho ki maain unake vash men kar diya jaun aur ve mujh se ttttha karen.

20 yirmayah ne kaha, too unake vash men n kar diya jaaega jo kuchh maain tujh se kahata hoo use yahova kee bat samajhkar man le tab tera bhla hoga, aur tera praan bachega.

21 aur yaadi too nikal jana sveekar n kare to jo bat yahova ne mujhe darshan ke dara batai haai, vah yah haai

22 dek, yahooda ke raja ke ranavas men jitane striayan rah gai haai, ve babul ke raja ke hakimon ke pas nikal kar pahunchai jaaenge, aur ve tujh se kahenge, tere mitraen ne tujhe bahakaya, aur unakee ichchha pooree ho gai aur jab tere panv keech men dhans gae to ve peechhe fir gae haain.

23 teree sab striayan aur ladkebaale kasadiyon ke pas nikal kar pahunchae jaaenge aur too bhee kasadiyon ke hath se n bachega, varan too pakadkar babul ke raja ke vash men kar diya jaaega or is nagar ke foonke jane ka karan too hee hoga.

24 tab sidaakiyyah ne yirmayah se kaha, in baton ko koi n janane paa, to too mara n jaaega.

25 yaadi hakim log yah sunakar ki maain ne tujh se batacheet kee haai tere pas akar kahane lage, hamen bata ki too ne raja se kya kaha, ham se koi bat n chhpaai, aur ham tujhe n marava dalenge aur yah bhee bata, ki raja ne tujh se kya kaha,

26 to too un se kahana, ki maain ne raja se gidgidakar binatee kee thee ki mujhe yonatan ke ghar men fir bapis n bhej naheen to vahan mar jaunga.

27 fir sab hakimon ne yirmayah ke pas akar poochha, aur jaaisa raja ne usako agyaa dee thee, tteek vaaisa hee us ne unako uttar diya. so ve us se aur kuchh n bole aur n vah bhed khula.

28 is prakar jis din yarooshalem le liya gaya us din tak vah pahare ke angan hee men raha.

Yirmayah 39

1 yahooda ke raja sidaakiysah ke rajy ke nauven varsha ke dasaven maheene me, babul ke raja nabookadanessar ne apanee saree sena samet yarooshalem par chaddhai karake use ghor liya.

- ² aur sidaakiyyah ke rajy ke gyarahaven varsha ke chauthe maheene ke nauven din ko us nagar kee shaharapanah todee gai.
- ³ so jab yarooshalem le liya gaya, tab nergalasareser, aur samagarnabo, aur khejon ka pradhaan sarsakeem, aur magon ka pradhaan nergalasareser adi, babul ke raja ke sab hakim beech ke faattk men pravesh karake baaitt gaae.
- ⁴ jab yahooda ke raja sidaakiyyah aur sab yodaon ne unhen dekha tab rat hee rat raja kee baree ke marga se donon bheeton ke beech ke faattk se hokar nagar se nikalakar bhag chale aur araba ka marga liya.
- ⁵ parantu kasaadiyon kee sena ne unako khdedkar sidaakiyyah ko yareeho ke araba men ja liya aur unako babul ke raja nabookadanessar ke pas hamat desh ke ribala men le gaae aur us ne vahan usake dand kee agyaa dee.
- ⁶ tab babul ke raja ne sidaakiyyah ke putraen ko usakee ankhon ke samhane ribala men ghaat kiya aur sab kuleen yahoodiyon ko bhee ghaat kiya.
- ⁷ us ne sidaakiyyah kee ankhon ko faudva dala aur usako babul le jane ke liye beadiyon se jakadva rakha.
- ⁸ kasadiyon ne rajabhvan aur praja ke gharon ko ag lagakar foonk diya, or yarooshalem kee shaharapanah ko ddha diya.
- ⁹ tab jalladon ka pradhaan naboojaradan praja ke bache huon ko jo nagar men rah gaae the, aur jo log usake pas bhag aae the unako arthata praja men se jitane rah gaae un sab ko bandhaua karake babul ko le gaya.
- ¹⁰ parantu praja men se jo aeese kangal the jinake pas kuchh n tha, unako jalladon ka pradhaan naboojaradan yahooda desh men chhod gaya, aur jate samay unako dakh kee baariyan aur khet de diae.
- ¹¹ babul ke raja nagookadanessar ne jalladon ke pradhaan naboojaradan ko yirmayah ke vishay men yah agyaa dee,
- ¹² ki usako lekar us par krapadraashti banaae rakhna aur usakee kuchh hani n karana jaaisa vah tujh se kahe vaaisa hee us se vyavahar karana.
- ¹³ so jalladon ke pradhaan naboojaradan aur khejon ke pradhaan naboosajaban aur magon ke pradhaan nergalasareser jyotishaiyon ke saradar,
- ¹⁴ aur babul ke raja ke sab pradhaanon ne, logon ko bhejekar yirmayah ko pahare ke angan men se bulava liya aur gadalyah ko jo aheekam ka putra aur shaapan ka pota tha saunp diya ki vah use ghar pahunchaae. tab se vah logon ke sath rahane laga.
- ¹⁵ jab yirmayah pahare ke angan men kaaid tha, tab yahova ka yah vachan usake pas pahuncha,
- ¹⁶ ki, jakar aebedamelek kooshaee se kah ki israael ka parameshvar senaon ka yahova tujh se yon kahata haai, dek, maain apane ve vachan jo maain ne is nagar

ke vishay men kaho haain is prakar poora karoonga ki isaka kushal n hoga, haani hee hogee, or us samay unaka poora hona tujhe dikhai padega.

¹⁷ parantu yahova kee yah vanee haai ki us samay maain tujhe bachaunga, aur jin manushyon se too bhy khata haai, too unake vash men naheen kiya jaaega.

¹⁸ kyonaki maain tujhe, nishchay bachaunga, aur too talavar se n marega, tera praan bacha rahega, yahova kee yah vanee haai. yah is karan hoga, ki too ne mujh par bhrosa rakha haai.

Yirmayah 40

¹ jab jalladon ke pradhaan naboojaradan ne yirmayah ko rama men un sab yarooshalemee aur yahoodee bandhauon ke beech hathkadiyon se bandha hua pakar jo babul jane ko the chhuda liya, usake bad yahova ka vachan usake pas pahuncha.

² jalladon ke pradhaan naboojaradan ne yirmayah ko us samay apane pas bula liya, or kaha, is sthan par yah jo vipaattai padee haai vah tere parameshvar yahova kee kahee hui thee.

³ or jaaisa yahova ne kaha tha vaaisa hee us ne poora bhee kiya haai. tum logon ne jo yahova ke virud pap kiya or usakee agyaa naheen manee, is karan tumharee yah dasa hui haai.

⁴ ab maain teree in hathkaadiyon ko katte deta hoo, aur yadi mere sang babul men jana tujhe achchha lage to chal, vahan maain tujh par krapadraashti rakoonga aur yadi mere sang babul jana tujhe n bhaa, to yaheen rah ja. dek, sara desh tere samhane pada he, jidhar jana tujhe achchha aur tteek janche udhar hee chala ja.

⁵ vah vaheen tha ki naboojaradan ne fir us se kaha, gadalyah jo aheekam ka putra aur shaapan ka pota haai, jisako babul ke raja ne yahooda ke nagaron par aadhaikaree ttharaya haai, usake pas laut ja aur usake sang logon ke beech rah, va jahan kaheen tujhe jana tteek jan pade vaheen chala ja. so jalladon ke pradhaan ne usako seedha aur kuchh dravy bhee dekar vida kiya.

⁶ tab yirmayah aheekam ke putra gadalyah ke pas mispa ko gaya, aur vahan un logon ke beech jo desh men rah gae the, rahane laga.

⁷ yodaon ke jo dal dihat men the, jab unake sab pradhaanon ne apane janon samet suna ki babul ke raja ne aheekam ke putra gadalyah ko desh ka aadhaikaree ttharaya haai, aur desh ke jin kangal logon ko vah babul ko naheen le gaya, kya purusha, kya sre, kya balabachche, un sabhon ko use saunp diya haai,

⁸ tab natanyah ka putra ishmaael, kareh ke putra yohanan, yonatan aur tanhooset ka putra sarayah, aepaai natopavasee ke putra aur kisee makavasee ka putra yajanyah apane janon samet gadalyah ke pas mispa men aae.

⁹ aur gadalyah jo aheekam ka putra aur shaapan ka pota tha, us ne un se aur unake janon se shapath khakar kaha, kasaadiyon ke adhaeen rahane se mat dro. isee desh men rahate huae babul ke raja ke adhaeen raho tab numhara bhla hoga.

¹⁰ maain to iseealiye mispa men rahata hoon ki jo kasadee log hamare yahan aae, unake samhane haajir hua karoon parantu tum dakhmadha aur dhoopakal ke fal aur tel ko battorake apane baratanon men rakho aur apane liae huae nagaron men base raho.

¹¹ fir jab moaabiyo, ammoniyo, aedomiyon aur any sab jatiyon ke beech rahanevale sab yahoodiyon ne suna ki babul ke raja ne yahoodiyon men se kuchh logon ko bacha liya aur un par gadalyah ko jo aheekam ka putra aur shaapan ka pota haai adhaikaree niyukt kiya haai,

¹² tab sab yahoodee jin jin sthanon men titara-abitar ho gae the, vahan se lautkar yahooda desh ke mispa nagar men gadalyah ke pas, aur bahut dakhmadha aur dhoopakal ke fal battorane lage.

¹³ tab kareh ka putra yohanan aur maaidan men rahanevale yodaon ke sab dalon ke pradhaan mispa men gadalyah ke pas akar kahane lage, kya too janata haai

¹⁴ ki ammoniyon ke raja balees ne natatyah ke putra ishmaael ko tujhe jan se marane ke liye bheja haai? parantu aheekam ke putra gadalyah ne unakee prateeati n kee.

¹⁵ fir kareh ke putra yohanan ne gadalyah se mispa men chhpaikar kaha, mujhe jakar natanyah ke putra ishmaael ko mar dalane de or koi ise n janega. vah kyon tujhe mar dale, aur jitane yahoodee log tere pas ikatthe huae haain ve kyon titara-abitar ho jaaen aur bache huae yahoodee kyon nash hon?

¹⁶ yaheekam ke putra gadalyah ne kareh ke putra yohanan se kaha, aesa kam mat kar, too ishmaael ke vishay men joott bolata haai.

Yirmayah 41

¹ aur sataven maheene men aesa hua ki ishmaael jo natanyah ka putra aur aeleeshaama ka pota aur rajavansh ka aur raja ke pradhaan purushaen men se tha, so das jan sang lekar mispa men aheekam ke putra gadalyah ke pas aya. vahan mispa men unhon ne aek sang bhojan kiya.

² tab natanyah ke putra ishmaael aur usake sang ke das janon ne uttkar gadalyah ko, jo aheekam ka putra aur shapan ka pota tha, or jise babul ke raja ne desh ka adhaikaree ttharaya tha, use talavar se aesa mara ki vah mar gaya.

³ aur ishmaael ne gadalyah ke sang jitane yahoodee mispa men the, aur jo kasadee yoda vahan mile, un sabhon ko mar dala.

⁴ gadalyah ke mar dalane ke doosare din jab koi ise n janata tha,

- ⁵ tab shakem aur shaello aur shaemaron se assee purush daddhee mudaa, vasr faade, shareer cheere huae aur hath men annabali aur loban liae hua, yahova ke bhvan men jane ko ate dikhai diae.
- ⁶ tab natanyah ka putra ishmaael un se milane ko mispa se nikala, aur rota hua chala. jab vah un se mila, tab kaha, aheekam ke putra gadalyah ke pas chalo.
- ⁷ jab ve us nagar men aae tab natanyah ke putra ishmaael ne apane sangee janon samet unako ghaat karake gadhe men faenk diya.
- ⁸ parantu un men se das manushy ishmaael se kahane lage, ham ko n mara kyonaki hamare pas maaidan men rakha hua gehoo, jav, tel aur madha haai. so us ne unhen chhod diya aur unake bhaiyon ke sath naheen mara.
- ⁹ jis gadhe men ishmaael n un logon kee sab lothen jinhen us ne mara tha, gadalyah kee loth ke pas faenk dee thee, yah vahee gadha haai jise asa raja ne israaael ke raja basha ke dr ke mare khudavaya tha, usako natanyah ke putra ishmaael ne mare huon se bhr diya.
- ¹⁰ tab jo log mispa men bache huae the, arthata rajakumaariyan aur jitane aur log mispa men rah gae the jinhen jalladon ke pradhaan naboojaradan ne aheekam ke putra gadalyah ko saunp diya tha, un sabhon ko natanyah ka putra ishmaael bandhaua karake ammoniyon ke pas le jane ko chala.
- ¹¹ jab kareh ke putra yohanan ne aur yodaon ke dalon ke un sab pradhaanon ne jo usake sang the, suna, ki natanyah ke putra ishmaael ne yah sab burai kee haai,
- ¹² tab ve sab janon ko lekar natanyah ke putra ishmaael se ladne ko nikale aur usako us bade jalashay ke pas paya jo gibon men haai.
- ¹³ kareh ke putra yohanan ko, aur dalon ke sab pradhaanon ko dekhkar jo usake sang the, ishmaael ke sath jo log the, ve sab anaandait hue.
- ¹⁴ aur jitane logon ko ishmaael mispa se bandhaua karake liae jata tha, ve palattkar kareh ke putra yohanan ke pas chale aae.
- ¹⁵ parantu natanyah ka putra ishmaael att purush samet yohanan ke hath se bachakar ammoniyon ke pas chala gaya.
- ¹⁶ tab praja men se jitane bach gae the, arthata jin yodao, striayo, balabachchon aur khojon ko kareh ka putra yohanan, aheekam ke putra gadalyah ke mispa men mare jane ke bad natanyah ke putra ishmaael ke pas se chhudakar gibon se faer le aya tha, unako vah apane sab sangee dalon ke pradhaanon samet lekar chal diya.
- ¹⁷ aur betalehem ke nikatt jo kimham kee saray haai, us men ve isaaliye ttkai gae ki misra men jaaen.

¹⁸ kyonaki ve kasaadiyon se drate the isaka karan yah tha ki aheekam ka putra gadalyah jise babul ke raja ne desh ka adhaikaree ttharaya tha, use natanyah ke putra ishmaael ne mar dala tha.

Yirmayah 42

¹ tab kareh ka putra yohanan, hoshayah ka putra yajanyah, dalon ke sab pradhaan aur chhotte se lekar bade tak, sab log yirmayah bhvishyadvkta ke nikatt akar kahane lage,

² hamaree binatee grahan karake apane parameshvar yahova se ham sab bache huon ke liye praarthna kar, kyonaki too apanee ankhon se dekh raha haai ki ham jo pahale bahut the, ab thode hee bach gae haain.

³ isaliye praarthna kar ki tera parameshvar yahova ham ko bataae ki ham kis marga se chale, aur kaun sa kam karen?

⁴ so yirmayah bhvishyadvkta ne un se kaha, maain ne tumharee sunee haai dekho, maain tumhare vachanon ke anusar tumhare parameshvar yahova se praarthna karoonga or jo uttar yahova tumhare liye dega maain tum ko bataunga maain tum se koi bat n chhpaiaunga.

⁵ tab unhon ne yirmayah se kaha, yaadi tera parameshvar yahova tere dara hamare pas koi vachan pahunchaae aur ham usake anusar n kare, to yahova hamare beech men sachcha aur vishvasayogy sakshae tthare.

⁶ chahe vah bhlee bat ho, chahe buree, taubhee ham apane parameshvar yahova kee agyaa, jisake pas ham tujhe bhejate haai, manenge, kyonaki jab ham apane parameshvar yahova kee bat manen tab hamara bhla ho.

⁷ das din ke beetane par yahova ka vachan yirmayah ke pas pahuncha.

⁸ tab us ne kareh ke putra yohanan ko, usake sath ke dalon ke pradhaanon ko, aur chhotte se lekar bade tak jitane log the, un sabhon ko bulakar un se kaha,

⁹ israaael ka parameshvar yahova, jisake pas tum ne mujh ko isaaliye bheja ki maain tumharee binatee usake age kah sunau, vah yon kahata haai,

¹⁰ yaadi tum isee desh men rah jao, tab to maain tum ko nash naheen karoonga varan banaae rakoonga aur tumhen n ukhaoonga, varan rope rakoonga kyonaki tumharee jo haani maain ne kee haai us se maain pachhtata hoo.

¹¹ tum babul ke raja se drate ho, so us se mat dro yahova kee yah vanee haai, us se mat dro, kyonaki maain tumharee raksha karane aur tum ko usake hath se bachane ke liye tumhare sath hoo.

¹² maain tum par daya karoonga, ki vah bhee tum par daya karake tum ko tumharee boomi par fir se basa dega.

13 parantu yadi tum yah kahakar ki ham is desh men n rahenge apane parameshvar yahova kee bat n mano, aur kaho ki ham to misra desh jakar vaheen rahenge,

14 kyonaki vahan n ham yud dekhenge, n naraasinge ka shabd sunenge aur n ham ko bhojan kee dhattee hoga, to, he bache huae yahoodiyo, yahova ka yah vachan suno

15 israaael ka parameshvar senaon ka yahova yon kahata haai, ki yadi tum sachamuch misra kee or jane ka munh karo, aur vahan rahane ke liye jao,

16 to aeesa hoga ki jis talavar se tum drate ho, vahee vahan misra desh men tum ko ja legee, aur jis mahangee ka bhy tum khate ho, vah misra men tumhara peechha n chhodegee aur vaheen tum maroge.

17 jitane manushy misra men rahane ke liye usakee or munh kare, ve sab talavar, mahangee aur maree se mareenge, aur jo vipaattai maain unake beech daloonga, us se koi bacha n rahega.

18 israaael ka parameshvar senaon ka yahova yon kahata haai, ki jis prakar se mera kop aur jalalahatt yarooshalem ke nivaasiyon par bhdk uttee thee, usee prakar se yaadi tum misra men jao, to meree jalalahatt tumhare upar aeese bhdk uttegee ki log chakit honge, aur tumharee upama dekar shaap diya karenge aur tumharee ninda kiya karenge. tum us sthan ko fir n dekhne paoge.

19 he bache huae yahoodiyo, yahova ne tumhare vishay men kaha haai, misra men mat jao. tum nishchay jano ki maain ne aj tum ko chitakar yah bat bata dee haai.

20 kyonaki jab tum ne mujh ko yah kahakar apane parameshvar yahova ke pas bhej diya ki hamare nimitt hamare parameshvar yahova se praarthna kar aur jo kuchh hamara parameshvar yahova kahe usasee ke anusar ham ko bata aur ham vaaisa hee karenge, tab tum jan boojhke apane hee ko dhaekha dete the.

21 dekho, maain aj tum ko bataae deta hoo, parantu, aur jo kuchh tumhare parameshvar yahova ne tum se kahane ke liye mujh ko bheja haai, us men se tum koi bat naheen manate.

22 ab tum nishchay jano, ki jis sthan men tum paradeshaee hoke rahane kee ichchha karate ho, us men tum talavar, mahangee aur maree se mar jaoge.

Yirmayah 43

1 jab yirmayah unake parameshvar yahova ke ve sab vachan kah chuka, jinake kahane ke liye us ne usako un sab logon ke pas bheja tha,

2 tab hoshaaya ke putra ajaryaah aur kareh ke putra yohanan aur sab abhaimanee purushaen ne yirmayah se kaha, too joott bolata haai. hamare

parameshvar yahova ne tujhe yah kahane ke liye naheen bheja ki misra men rahane ke liye mat jao

³ parantu neriyah ka putra barook tujh ko hamare virud usakata haai ki ham kasaadiyon ke hath men paden aur ve ham ko mar dalen va bandhaua karake babul ko le jaaen.

⁴ so kareh ka putra yohanan aur dalon ke sab pradhaanon aur sab logon ne yahova kee yah agyaa n manee ki ve yahooda ke desh men hee rahen.

⁵ aur kareh ka putra yohanan aur dalon ke aur sab pradhaan un sab yahoodiyon ko jo anyajatiyon ke beech titarabitar ho gaae the, aur un men se lauttkar yahooda desh men rahane lage the, ve unako le gaae--

⁶ purusha, sre, balabachche, rajakumaariya, aur jitane praaanaiyon ko jalladon ke pradhaan naboojaradan ne gadalyah ko jo aheekam ka putra aur shaapan ka mota tha, saunp diya tha, unako aur yirmayah bhvishyadvkta aur neariyah ke putra barook ko ve le gaae

⁷ aur yahova kee agyaa n manakar ve misra desh men tahapanhes nagar tak a gaae.

⁸ tab yahova ka yah vachan tahapanhes men yirmayah ke pas pahuncha

⁹ apane hath se bade patthr le, aur yahoodee purushaen ke samhane us itt ke chabootare men jo tahapanhes men firaun ke bhvan ke dar ke pas haai, choona faer ke chhpai de,

¹⁰ aur un purushaen se kah, ki israael ka parameshvar, senaon ka yahova, yon kahata haai, dekho, maain babul ke raja apane sevak nabookadanessar ko bulava bhejoonga, aur vah apana sinhasan in patthron ke upar jo maain ne chhpai rakhe haai, rakhega aur apana chhtra inake upar tanavaaega.

¹¹ vah ake misra desh ko marega, tab jo maranevale hon ve mratyu ke vash me, jo bandhauae honevale hon ve bandhauai me, aur jo talavar ke liye hen ve talavar ke vash men kar diae jaaenge.

¹² maain misra ke devalayon men ag lagaunga aur vah unhen faunkava dega aur bandhauai men le jaaega aur jaaisa koi charavaha apana vasr oddhta haai, vaaisa hee vah misra desh ko samett lega aur tab bekhttke chala jaaega.

¹³ vah misra desh ke sooryagrah ke khmbhon ko tudva dalega aur misra ke devalayon ko ag lagakar foonkava dega.

Yirmayah 44

¹ jitane yahoodee log misra desh men migdol, tahapanhes aur nop nagaron aur patraes desh men rahate the, unake vishay yirmayah ke pas yah vachan pahuncha,

² israaael ka parameshvar, senaon ka yahova yon kahata haai ki jo vipaattai maain yarooshalem aur yahooda ke sab nagaron par dal chuka hoo, vah sab tum logon ne dekhee haai. dekho, ve aj ke din kaaise ujade huae aur nirjan haai,

³ kyonaki unake nivaasiyon ne vah burai kee jis se unhon ne mujhe ris dilai thee ve jakar doosare devataon ke liye dhoop jalate the aur unakee upasana karate the, jinhen n to tum aur n tumhare purakha janate the.

⁴ taubhee maain apane sab das bhavishyadvktaon ko bade yatn se yah kahane ke liye tumhare pas bhejata raha ki yah gharaanait kam mat karo, jis se maain gharana rakhta hoo.

⁵ par unhon ne meree n sunee aur n meree or kan lagaya ki apanee burai se firen aur doosare devataon ke liye dhoom n jalaaen.

⁶ is karan meree jalalahatt aur kop kee ag yahooda ke nagaron aur yarooshalem kee sadkon par bhdk gai aur ve aj ke din tak ujad aur sunasan pade haain.

⁷ ab yahova, senaon ka parameshvar, jo israaael ka parameshvar haai, yon kahata haai, tum log kyon apanee yah badee hani karate ho, ki kya purusha, kya sre, kya balak, kya doodhaapiuva bachcha, tum sab yahooda ke beech se nash kiae jao, aur koi n rahe?

⁸ kyonaki is misra desh men jahan tum paradeshae hokar rahane ke liye aae ho, tum apane kamon ke dara, arthata doosare devataon ke liye dhoop jalakar mujhe ris dilate ho jis se tum nash ho jaoge or prathvee bhr kee sab jaatiyon ke log tumharee jati kee namadharai karenge aur tumharee upama dekar shaap diya karenge.

⁹ jo jo buraiyan tumhare purakha, yahooda ke raja aur unakee striaya, aur tumharee striaya, varan tum ap yahooda desh aur yarooshalem kee sadkon men karate the, kya use tum bool gae ho?

¹⁰ aj ke din tak unaka man choor naheen hua or n ve drate haain aur n meree us vyavastha aur un vidhaiyon par chalate haain jo maain ne tumhare poorvajon ko aur tum ko bhee sunavai haain.

¹¹ is karan israaael ka parameshvar, senaon ka yahova, yon kahata haai, dekho, maain tumhare virud hokar tumharee haani karoonga, taaki sab yahoodiyon ka ant kar doon.

¹² aur bache huae yahoodae jo hatt karake misra desh men akar rahane lage haai, ve sab mitt jaaenge is misra desh men chhotte se lekar bade tak ve talavar aur mahangee ke dara marak mitt jaaenge aur log unhen kosenge aur chaakit hongee aur unakee upama dekar shaap diya karenge aur ninda bhee karenge.

¹³ so jaaisa maain ne yarooshalem ko talavar, mahangee aur maree ke dara dand diya haai, vaaisa hee misra desh men rahanevalon ko bhee dand doonga,

14 ki jo bache huae yahoodee misra desh men paradshaee hokar rahane ke liye aae haai, yadhyapi ve yahooda desh men rahane ke liye lautne kee badee aabhailasha rakhte haai, taubhee un men se aek bhee bachakar vahan n lautne paaega keval kuchh hee bhage huon ko chhod koi bhee vahan n lautne paaega.

15 tab misra desh ke patraes men rahanevale jitane purush janate the ki unakee striayan doosare devataon ke liye dhoop jalatee haai, aur jitane striayan badee mandlee men pas khdee thee, un sabhon ne yirmayah ko yah uttar diya,

16 jo vachan too ne ham ko yahova ke nam se sunaya haai, usako ham naheen sunane kee.

17 jo jo mannaten ham man chuke haain unhen ham nishchay pooree karengee, ham svarga kee ranee ke liye dhoop jalaaenge aur tapavan denge, jaaise ki hamare purakha log aur ham bhee apane rajaon aur aur hakimon samet yahooda ke nagaron men aur yarooshalem kee sadkon men karate the kyonaki us samay ham pett bhrake khate aur bhle change rahate aur kisee vipaattai men naheen padte the.

18 parantu jab se ham ne svarga kee ranee ke liye dhoop jalana aur tapavan dena chhod diya, tab se ham ko sab vastuon kee ghattee haai aur ham talavar aur mahangee ke dara mitt chale haain.

19 aur striayon ne kaha, jab ham svarga kee ranee ke liye dhoop jalateen aur chandraakar rottiyaian banakar tapavan detee thee, tab apane apane pati ke bin jane aeesa naheen karatee theen.

20 tab yirmayah ne, kya sre, kya purusha, jitane logon ne yah uttar diya, un sab se kaha,

21 tumhare purakha aur tum jo apane rajaon aur hakimon aur logon samet yahooda desh ke nagaron aur yarooshalem kee sadkon men dhoop jalate the, kya vah yahova ke dhyan men naheen aya?

22 kya us ne usako smaran n kiya? so jab yahova tumhare bure aur sab gharanait kamon ko aur aadhaik n sah saka, tab tumhara desh ujadkar nirjan aur sunasan ho gaya, yahan tak ki log usakee upama dekar shaap diya karate haai, jaaise ki aj hota haai.

23 kyonaki tum dhoop jalakar yahova ke virud pap karate aur usakee naheen sunate the, aur usakee vyavastha aur vidhaiyon aur chitauaniyon ke anusar naheen chale, is karan yah vipaattai tum par a padee haai, jaaise ki aj haai.

24 fir yirmayah ne un sab logon se aur un sab striayon se kaha, he sare misra desh men rahanevale yahoodiyo, yahova ka vachan suno

25 israael ka parameshvar, senaon ka yahova, yon kahata haai, ki tum ne aur tumharee striayon ne mannaten manee aur yah kahakar unhen pooree karate ho ki ham ne svarga kee ranee ke liye dhoop jalane aur tapavan dene kee jo jo

mannaten manee haain unhen ham avashy hee pooree karengi aur tum ne apane hathon se aeesa hee kiya. so ab tum apane apane mannaton ko manakar pooree karo !

²⁶ parantu he misra desh men rahanevale sare yahoodiyo yahova ka vachan suno suno, maain ne apane bade nam kee shapath khai haai ki ab poore misra desh men koi yahoodi manushy mera nam lekar fir kabhee yah n kahane paaega ki prabhu yahova ke jeevan kee saugandha.

²⁷ suno, ab maain unakee bhilai nahee, hani hee kee chinta karoonga so misra desh men rahanevale sab yahoodi, talavar aur mahangee ke dara mittkar nash ho jaaenge jab tak ki unaka sarvanash n ho jae.

²⁸ aur jo talavar se bachakar aur misra desh se lautkar yahooda desh men pahunchenge, ve thode hee honge aur misra desh men rahane ke liye aae huae sab yahoodiyon men se jo bach paaenge, ve jan lenge ki kisaka vachan poora hua, mera va unaka.

²⁹ is bat ka maain yah ching deta hoo, yahova kee yah vane haai, ki maain tumhen isee sthan men dand doonga, jis se tum jan loge ki tumhare haani karane men mere vachan nishchay poore honge.

³⁰ yahova yon kahata he, dekho, jaisa maain ne yahooda ke raja sidaakiyyah ko usake shatra arthata usake praan ke khojee babul ke raja nabookadanessar ke hath men kar diya, vaaise hee maain misra ke raja firaun hopra ko bhee usake shatraon ke, arthata usake praan ke khojiyon ke hath men kar doonga.

Yirmayah 45

¹ yoshiyyah ke putra yahooda ke raja yahoyakeem ke rajy ke chauthe varsha me, jab neriyah ka putra barook yirmayah bhvishyadvkta se bhavishyadane ke ye vachan sunakar pustak men likh chuka tha,

² tab us ne us se yah vachan kaha, ki israael ka parameshvar yahova, tujh se yon kahata haai,

³ he barook, too ne kaha, hay mujh par ! kyonaki yahova ne mujhe dukh par dukh diya haai maain karahate karahate thk gaya aur mujhe kuchh chahin naheen milata.

⁴ too yon kah, yahova yon kahata haai, ki dek, is sare desh ko jise maain ne banaya tha, use maain ap ddha doonga, aur jin ko maain ne ropa tha, unhen svayan ukhad faenkoonga.

⁵ isaliye sun, kya too apane liye badai khoj raha haai? use mat khoja kyonki yahova kee yah vane haai, ki maain sare manushyon par vipaattai daloonga parantu jahan kaheen too jaaega vahan maain tera praan bachakar tujhe jeevit rakoonga.

- 24 misraee kanya laajjait hogee, vah uttar disha ke logon ke vash men kar dee jaaege.
- 25 israaael ka parameshvar, senaon ka yahova kahata haai, dekho, maain nagaravasee amon aur firaun raja aur misra ko usake sab devataon aur rajaon samet aur firaun ko un samet jo us par bhrosa rakhte haain dand dene par hoo.

²⁶ in sab ko jalladon ka pradhaan naboojaradan ribala men babul ke raja ke pas le gaya.

²⁷ tab babul ke raja ne unhen hamat desh ke ribala men aesa mara ki ve mar gae.

²⁸ yo yahoodae apne desh se bandhauae hokar chale gae. jin logon ko nabookadanessar bandhaua karake le gaya, so ye haai, arthta usake rajy ke sataven varsha men teen hajar teis yahoodae

- ¹⁵ aur maain un bandhauon ke pas aya jo kabar nadee ke teer par telabeeb men rahate the. aur vahan maain sat din tak unake beech vyakul hokar baaita raha.

¹⁹ par yaadi too dushtt ko chitaa, aur vah apanee dushtta or dushtt parga se n fire, to vah to apane adharma men fansa hua mar jaaega parantu too apane praanon ko bachaaega.

²⁰ fir jab dhama jan apane dharma se firakar kuttlai kam karane lage, aur maain usake samhane ttokar rakoo, to vah mar jaaega, kyonaki too ne jo usako naheen chitaya, isaaliye vah apane pap men fansa hua marega aur jo dharma ke karma us ne kiae ho, unakee sudhai n lee jaaege, par usake koon ka lekha maain tujhee se loonga.

²¹ parantu yadi too dhama ko aesa kahakar chitaa, ki vah pap n kare, aur vah pap se bach jaa, to vah chitaanee ko grahan karane ke karan nishchay jeevit rahega, aur too apane praan ko bachaaega.

²² fir yahova kee shaktai vaheen mujh par pragatt hui, aur us ne mujh se kaha, uttkar maaidan men ja aur vahan maain tujh se baten karoonga.

²³ tab maain uttkar maaidan men gaya, aur vahan kya dekha, ki yahova ka pratap jaisa mujhe kabar nadee ke teer par, vaaisa hee vahan bhee dikhai padta haai aur maain munh ke bal gir pada.

²⁴ tab atma ne mujh men samakar mujhe panvon ke bal khda kar diya fir vah mujh se kahane laga, ja apane ghar ke bheetar dar band karake baaitt raha.

²⁵ aur he manushy ke santan, dekh ve log tujhe rassaiyon se jakadkar bandha rakhenge, aur too nikalakar unake beech jane naheen paaega.

²⁶ aur maain teree jeebh tere taloo se lagaunga jis se too mauain rahakar unaka danttnevala n ho, kyonaki ve balavai gharane ke haain.

²⁷ parantu jab jab maain tujh se baten karoo, tab tab tere munh ko kholoonga, aur too un se aesa kahana, ki prabhu yahova yon kahata haai, jo sunata haai vah sun le aur jo naheen sunata vah n sune, ve to balavai gharane ke haain hee.

⁵ maain israaaeliyon kee lothon ko unakee mooraton ke samhane rakoonga, aur unakee haddiyon ko tumharee vediyon ke as pas chhtaira doongan

⁶ tumhare jitane basaae huae nagar haai, ve sab aeese ujad jaaenge, ki tumhare pooja ke unche sthan bhee ujad ho jaaenge, tumharee vedyon ujadengee aur ddhai jaaengee, tumharee mooraten jatee rahengee aur tumharee soorya kee pratimaaen kattee jaaengee aur tumharee saree kareegaree mittai jaaengee.

⁷ aur tumhare beech mare huae girenge, aur tum jan loge ki maain yahova hoo.

⁸ taubhee maain kitanon ko bacha rakoonga. so jab tum desh desh men titara-bitar hoge, tab anyajaatiyon ke beech tumhare kuchh log talavar se bach jaaenge.

⁹ aur ve bache huae jog, un jatiyon ke beech, jin men ve bandhauae hokar jaaenge, mujhe smaran karenge aur yah bhee ki hamara vyaabhaicharee day

yahova se kaaise hatt gaya haai aur vyaabhaichaarinee kee see hamaree ankhen mooraton par kaaisee lagee haain jis se yahova ka man tootta haai. is reeati se un buraiyon ke kara, jo unhon ne apane sare ghainaune kam karake kee haai, ve apanee drashtti men ghainaune ttharenge.

10 tab ve jan lenge ki maain yahova hoo, aur unakee saree haani karane ko maain ne jo yah kaha haai, use vyarth naheen kaha.

11 prabhu yahova yon kahata haai, ki apana hath marakar aur apana panv pattkakar kah, israaael ke gharane ke sare ghainaune kamon par hay, hay, kyonaki ve talavar, book, aur maree se nash ho jaaenge.

12 jo door ho vah maree se marega, aur jo nikatt ho vah talavar se mar dala jaaega aur jo bachakar nagar men rahate huae ghora jaa, vah bookh se marega. is bhanti maain apanee jalalahatt un par pooree reeati se utaroonga.

13 aur jab har aek unchee pahadee aur pahadon kee har aek chottee par, aur har aek hare ped ke neeche, aur har aek ghane banjavraksha kee chhaya me, jahan jahan ve apanee sab mooraton ko sukhdhayak sugandha dravy chaddhate haai, vahan unake mare huae log apanee veadiyon ke as pas apanee mooraton ke beech men pade rahenge tab tum log jan loge ki maain yahova hoo.

14 maain apana hath unake viruddh baddhakar us desh ko sare gharon samet jangal se le dibala kee or tak ujad hee ujad kar doonga. tab ve jan lenge ki maain yahova hoo.

Yahejakel 7

1 fir yahova ka yah vachan mere pas pahuncha,

2 he manushy ke santan, prabhu yahova israaael kee boomi ke vishay men yon kahata haai, ki ant hua charon konon samet desh ka ant a gaya haai.

3 tera ant bhee a gaya, aur maain apana kop tujh par bhdkakar tere chalachalan ke anusar tujhe dand doonga aur tere sare ghainaune kamon ka fal tujhe doonga.

4 meree dayadrashtti tujh par n hogee, aur n maain kotalata karoonga aur jab tak tere ghainaune pap tujh men bane rahenge tab tak maain tere chalachalan ka fal tujhe doonga. tab too jan lega ki maain yahova hoo.

5 prabhu yahova yon kahata haai, vipaattai haai, aek badee vipaattai haai ! dekho, vah atee haai.

6 ant a gaya haai, sab ka ant aya haai vah tere viruddh jaga haai. dekho, vah ata haai.

- 8** ab thode dinon men maain apanee jalajalahatt tujh par bhdkaunga, aur tujh par poora kop undeloonga aur tere chalachalan ke anusar tujhe dand doonga. aur tere sare ghainaune kamon ka fal tujhe bhugataunga.
- 9** meree dayadrashtti tujh par n hogee aur n maain tujh par kopalata karoonga. maain teree chalachalan ka fal tujhe bhugataunga, aur tere ghainaune pap tujh men bane rahenge. tab tum jan loge ki maain yahova dand denevala hoo.
- 10** dekho, us din ko dekho, vah ata haai ! chakr ghoom chuka, chhdee fool chukee, abhaiman foola haai.
- 11** upadrav baddhte baddhte dushtta ka dand ban gaya un men se koi n bachega, aur n unakee bheed-bhad, n unake dhan men se kuchh rahega aur n un men se kisee ke liye vilap sun padega.
- 12** samay a gaya, din nikatt a gaya haai n to mol lenevala anand kare aur n bechanevala shaek kare, kyonaki unakee saree bheed par kop bhdka utta haai.
- 13** chahe ve jeevit rahe, taubhee bechanevala bechee hui vastu ke pas kabhee lautne n paaega kyonki darshan kee yah bat desh kee saree bheed par ghattegee koi n lauttega koi bhee manushy, jo adharma men jeevit rahata haai, bal n pakad sakega.
- 14** unhone narasinga foonka aur sab kuchh taaiyar kar diya parantu yuddh men koi naheen jata kyonaki desh kee saree bheed par mera kop bhdka hua haai.
- 15** bahar talavar aur bheetar mahangee aur maree haain jo maaidan men ho vah talavar se marega, aur jo nagar men ho vah bookh aur maree se mara jaaega.
- 16** aur un men se jo bach nikalenge ve bachenge to sahee parantu apne apne adharma men fase rahakar taraiyon men rahanevale kabootaron kee nai pahadon ke upar vilap karate rahenge.
- 17** sab ke hath ddheele aur sab ke ghauttne aati nirbal ho jaaenge.
- 18** aur ve kamar men ttatt kasenge, aur unake roae khde honge sab ke munh sookh jaaenge aur sab ke sir moonde jaaenge.
- 19** ve apanee chandee sadkon men faenk denge, aur unaka sona ashuddh vastu chhharega yahova kee jalan ke din unaka sona chandee unako bacha n sakegee, n us se unaka jee santusht hoga, n unake pett bhrenge. kyonki vah unake adharma ke ttokar ka karan hua haai.
- 20** unaka desh jo shaebhayaman aur shairomanai tha, usake vishay men unhone garva hee garva karake us men apanee gharanait vastu on kee moorate, aur gharaanait vastuen bana rakhee, is karan maain ne use unake liye ashuddh vastu ttharaya he.

²¹ aur maain use loottne ke liye paradeashaiyon ke hat, aur ghan chhaeenane ke liye prathvee ke bushtt logon ke vash men kar doonga aur ve use apaavitra kar dalenge.

²² maain un se munh faer loonga, tab ve mere raakshiat sthan ko apaavitra karenge dakoo us men ghausakar use apavitra karenge

²³ aek sankal bana de, kyonki desh anyay kee hatya se, aur nagar upadrav se bhra hua haai.

²⁴ maain anyajaatiyon ke bure se bure logon ko launga, jo unake gharon ke svamee ho jaaenge aur maain samathairyon ka garva tod doonga aur unake pavitrasthan apavitra kiae jaaenge.

²⁵ satyanash hone par haai tab ddoonddhne par bhee unhen shaantai n milengee.

²⁶ vipaattai par vipaattai aaegee aur udtee hui charcha par charcha sunai padegee aur log bhavishyadvkta se darshan kee bat poochhenge, parantu yajak ke pas se vyavastha, aur puraaniye ke pas se sammaati dene kee shaaktai jatee rahegee.

²⁷ raja to shaek karega, aur rais udaseeroopee vasr paahinenge, aur desh ke logon ke hath ddheele padenge. maain unake chalan ke anusar un se bartav karoonga, aur unakee kamai ke saman unako dand doonga tab ve jan lenge ki maain yahova hoo.

Yahejakel 8

¹ fir chhttven varsha ke chhttven maheene ke panchaven din ko jab maain apane ghar men baaita tha, aur yahoodiyon ke puradiye mere samhane baaitte the, tab prabhu yahova kee shaktai vaheen mujh par pragatt hui.

² aur maain ne dekha ki ag ka sa aek roop dikhi deta haai usakee kamar se neeche kee or ag haai, aur usakee kamar se upar kee or jhlakaae huae peetal kee jhlak see kuchh haai.

³ us ne hath sa kuchh baddhakar mere sir ke bal pakade tab atma ne mujhe prathvee aur akash ke beech men uttakar parameshvar ke dikhaae huae darshanon men yarooshalem ke maandair ke bheetar, angan ke us faattk ke pas pahucha diya jisaka munh uttar kee or haai aur jis men us jalan upajanevalee pratima ka sthan tha jisake karan desh upajata haai.

⁴ fir vahan israael ke parameshvar ka tej vaaisa hee tha jaaisa maain ne maaidan men dekha tha.

⁵ us ne mujh se kaha, he manushy ke santan, apanee ankhen uttar kee or uttakar dekh. so maain ne apanee ankhen uttar kee or uttakar dekha ki vedee ke faattk

kee uttar kee or usake praveshashtan hee men vah dah upajanevalee praatima haai.

⁶ tab us ne mujh se kaha, he manushy ke santan, kya too dekhta haai ki ye log kya kar rahe haain? israaael ka gharana kya hee bade gharaanait kam yahan karata haai, taki maain apane paavitrasthan se door ho jaun parantu too in se bhee aadhaik gharaanait kam dekhega.

⁷ tab vah mujhe angan ke dar par le gaya, aur maain ne dekha, ki bheet men aek chhed haai.

⁸ tab us ne moojh se kaha, he manushy ke santan, bheet ko faod to maain ne bheet ko faodkar kya dekha ki aek dar haai

⁹ us ne mujh se kaha, bheetar jakar dekh ki ye log yahan kaaise kaaise aur aati gharaanait kam kar rahe haain.

¹⁰ so maain ne bheetar jakar dekha ki charon or kee bheet par jaati jati ke renganevalee jantuon aur gharaanait pashuon aur israaael ke gharane kee sab mooraton ke chitra khaiche huae haain.

¹¹ aur israaael ke gharane ke puraaniyon men se sattar purush jin ke beech men shaapan ka putra yajanyah bhee haai, ve un chitraen ke samhane khde haai, aur har aek purush apane hath men ghoopadan liae huae haai aur dhoop ke dhooen ke badal kee sugandha utt rahee haai.

¹² tab us ne mujh se kaha, he manushy ke santan, kya too ne dekha haai ki israaael ke gharane ke puraniye apanee apanee nakkashaevelee kottriyon ke bheetar arthata andhiyare men kya kar rahe haain? ve kahate haain ki yahova ham ko naheen dekhta yahova ne desh ko tyag diya haai.

¹³ fir us ne mujh se kaha, too in se aur bhee aati gharaanait kam dekhega jo ve karate haain.

¹⁴ tab vah mujhe yahova ke bhvan ke us faatk ke pas le gaya jo uttar kee or tha aur vahan sitrayan baaittee hui tammooj ke liye ro rahee theen.

¹⁵ tab us ne mujh se kaha, he manushy ke santan, kya too ne yah dekha haai? fir in se bhee bade ghararaanait kam too dekhega.

¹⁶ tab vah mujhe yahova ke bhvan ke bheetaree angan men le gaya aur vahan yahova ke bhvan ke dar ke pas osare aur vedee ke beech koi pachchees purush apanee peett yahova ke bhvan kee or aur apane mukh poorva kee or kiae huae the aur ve poorva disha kee or soorya ko dandvata kar rahe the.

¹⁷ tab us ne mujh se kaha, he manushy ke santan, kya too ne yah dekha? kya yahooda ke gharane ke liye gharanait kamon ka karana jo ve yahan karate haain chhottee bat haai? unhone apane desh ko upadrav se bhr diya, aur fir yahan akar mujhe ris dilate haain. varan ve dalee ko apanee nak ke age liae rahate haain.

18 isaliye maain bhee jalajalahatt ke sath kam karoonga, n maain daya karoonga aur n maain komalata karoonga aur chahe ve mere kanon men unche shabd se pukare, taubhee maain unakee bat n sunoonga.

Yahejakel 9

1 fir us ne mere kanon men unche shabd se pukarakar kaha, nagar ke adhaikaariyon ko apane apane hath men nash karane ka hathaiyar liae huae nikatt lao.

2 is par chhpurusha, uttar kee or uparee faattk ke marga se apane apane hath men ghaat karane ka hathaiyar liae huae aae aur unake beech san ka vasr paahine, kamar men likhne kee davat bandho huae aek aur purush tha aur ve sab bhvan ke bheetar jakar peetal kee vedee ke pas khde huae.

3 aur israaael ke parameshvar ka tej karoobon par se, jinake upar vah raha karata tha, bhvan kee devaddhee par utt aya tha aur us ne us san ke vasr pahine huae purush ko jo kamar men davat bandho huae tha, pukara.

4 aur yahova ne us se kaha, is yarooshalem nagar ke bheetar idhar udhar jakar jitane manushy un sab gharaanait kamon ke karan jo us men kiae jate haai, sansen bhrate aur dukh ke mare chillate haai, unake mathon par chinh kar de.

5 tab us ne mere sunate huae doosaron se kaha, nagar men unake peechhe peechhe chalakkar marate jao kisee par daya n karana aur n komalata se kam karana.

6 booddhe, yuva, kunvaree, balabachche, striaya, sab ko marakar nash karo, parantu jis kisee manushy ke mathe par vah chinh ho, usake nikatt n jana. aur mere pavitrasthan hee se arambh karo. aur unhon ne un puraaniyon se arambh kiya jo bhvan ke samhane the.

7 fir us ne un se kaha, bhvan ko ashuddh karo, aur anganon ko lothon se bhr do. chalo, bahar nikalo. tab ve nikalakar nagar men marane lage.

8 jab ve mar rahe the, aur maain akela rah gaya, tab maain munh ke bal gira aur chillakar kaha, hay prabhu yahova ! kya too apanee jalajalahatt yarooshalem par bhdkakar israaael ke sab bache huon ko bhee nash karega?

9 tab us ne mujh se kaha, israaael aur yahooda ke gharanon ka adharma atyant hee aadhaik haai, yahan tak ki desh hatya se aur nagar anyay se bhr gaya haai kyonki ve kahate hen ki yahova ne prathvee ko tyag diya aur yahova kuchh naheen dekhta.

10 isaliye un par daya n hogee, n maain komalata karoonga, varan unakee chal unheen ke sir lautta doonga.

11 tab maain ne kya dekha, ki jo purush san ka vasr paahine huae aur kamar men davat bandho tha, us ne yah kahakar samachar diya, jaaise too ne agyaa dee, maain ne vaaise hee kiya haai.

Yahejakel 10

1 isake bad maain ne dekha ki karoobon ke siron ke upar jo akashamandl haai, us men neelamanai ka sinhasan sa kuchh dikhai deta haai.

2 tab yahova ne us san ke vasr pahine huae purush se kaha, ghoomanevale paahiyon ke beech karoobon ke neechे ja aur apanee donon muatthiyon ko karoobon ke beech ke angaron se bhrakar nagar par chhtaira de. so vah mere dekhte dekhte unake beech men gaya.

3 jab vah purush bheetar gaya, tab ve karub bhvan kee daakkhian or khde the aur badal bheetaravale angan men bhra hua tha.

4 tab yahova ka tej karoobon ke upar se uttkar bhvan kee devaddhee par a gaya aur badal bhvan men bhr gaya aur vah angan yahova ke tej ke prakash se bhr gaya.

5 aur karoobon ke pankhon ka shabd baharee angan tak sunai deta tha, vah sarvashaaktaimana parameshvar ke bolane ka sa shabd tha.

6 jab us ne san ke vasr pahine huae purush ko ghoomanevale pahiyon ke bheetar karoobon ke beech men se ag lene kee agyaa dee, tab vah unake beech men jakar aek paahiye ke pas khda hua.

7 tab karoobon ke beech se aek karoob ne apana hath baddhakar, us ag men se jo karoobon ke beech men thee, kuchh uttkar san ke vasr paahine huae purush kee mutthee men de dee aur vah use lekar bahar chala gaya.

8 karoobon ke pankhon ke neechे to manushy ka hath sa kuchh dikhai deta tha.

9 tab maain ne dekha, ki karooben ke pas char pahiyे haain arthata aek aek karoob ke pas aek aek pahiya haai, aur pahiyon ka roop faerojaa ka sa haai.

10 aur unaka aeasa roop haai, ki charon aek se dikhai dete haai, jaaise aek pahiyे ke beech doosara pahiya ho.

11 chalane ke samay ve apanee charon alangon ke bal se chalate haain aur chalate samay mudte nahee, varan jidhar unaka sir rahata haai ve udhar hee usake peechhe chalate haain aur chalate samay ve mudte naheen.

12 aur peett hath aur pankhon samet karoobon ka sara shareer aur jo pahiyे unake haai, ve bhee sab ke sab charon or ankhone se bhre huae haain.

13 mere sunate huae in paahiyon ko chakkar kaha gaya, arthata ghoomanevale paahiye.

14 aur aek aek ke char char mukh the aek mukh to karoob ka sa, doosara panushy ka sa, teesara sinh ka sa, aur chautha ukab pakshae ka sa.

15 aur karoob boomi par se utt gaae. ye ve hee jeevadhaaree haai, jo maain ne kabar nadee ke pas dekhe the.

16 aur jab jab ve karoob chalate the tab tab ve pahiye unake pas pas chalate the aur jab jab karoob prathvee par se uttne ke liye apane pankh uttate tab tab pahiye unake pas se naheen mudte the.

17 jab ve khde hote tab ye bhee khde hote the aur jab ve uttate tab ye bhee unake sang uttate the kyonki jeevadhaariyon kee atma in men bhee rahatee thee.

18 yahova ka tej bhvan kee devaddhee par se uttkar karoobon ke upar tthar gaya.

19 aur karoob apane pankh uttkar mere dekhte dekhte prathvee par se uttkar nikal gaae aur pahiye bhee unake sang sang gaa, aur ve sab yahova ke bhvan ke poova faattk men khde ho gaae aur israael ke parameshvar ka tej unake upar tthara raha.

20 ye ve hee jeevadhaaree haain jo maain ne kabar nadee ke pas israael ke parameshvar ke neeche dekhe the aur maain ne jan liya ki ve bhee karoob haain

21 har aek ke char mukh aur char pankh aur pankhon ke neeche manushy ke se hath bhee the.

22 aur unake mukhon ka roop vahee haai jo maain ne kabar nadee ke teer par dekha tha. aur unake mukh hee kya varan unakee saree deh bhee vaaisee hee thee. ve seedho apane apane samhane hee chalate the.

Yahejakel 11

1 tab atma ne mujhe uttkar yahova ke bhvan ke poova faattk ke pas jisaka munh poova disha kee or haai, pahuncha diya aur vahan maain ne kya dekha, ki faattk hee men pachchees purush haain. aur maain ne unake beech ajjoor ke putra yajanyah ko aur banayah ke putra palatyah ko dekha, jo praja ke pradhaan the.

2 tab us ne mujh se kaha, he manushy ke santan, jo manushy is nagar men anarth kalpana aur buree yuktai karate haain ve ye hee haain.

3 ye kahate haai, ghar banane ka samay nikatt nahee, yah nagar handa aur ham us men ka mans haai.

4 isaliye he manushy ke santan, inake viruddh bhavishyadane kar, bhavishyadane.

5 tab yahova ka atma mujh par utara, aur mujh se kaha, aesa kah, yahova yon kahata haai, ki he israael ke gharane tum ne aesa hee kaha he jo kuchh tumhare man men ata haai, use maain janata hoo.

6 tum ne to is nagar men bahuton ko mar dala varan usakee sadkon ko lothon se bhr diya haai.

7 is karan prabhu yahova yon kahata haai, ki jo manushy tum ne is men mar dale haai, unakee lothen hee is nagararoopee hande men ka mans haai aur tum isake beech se nikale jaoge.

8 tum talavar se drate ho, aur maain tum par talavar chalaunga, prabhu yahova kee yahee vanee haai.

9 maain tum ko is men se nikalakar paradeashaiyon ke hath men kar doonga, aur tum ko dand dilaunga.

10 tum talavar se marakar giroge, aur maain tumhara mukama, israaael ke desh ke sivane par chukaunga tab tum jan loge ki maain yahova hoo.

11 yah nagar tumhare liye handa n banega, aur n tum is men ka mans hoge maain tumhara mukama israaael ke desh ke sivane par chukaunga.

12 tab tum jan loge ki maain yahova hoo tum to meree vidhaiyon par naheen chale, aur mere niyamon ko tum ne naheen mana parantu apane charon or kee anyajaatiyon kee reeatiyon par chale ho.

13 maain is prakar kee bhavishyadaneer kar raha tha, ki banayah ka putra palatyah mar gaya. tab maain munh ke bal girakar unche shabd se chilla utta, aur kaha, hay prabhu yahova, kya too israaael ke bache huon ko satyanash kar dalega?

14 tab yahova ka yah vachan mere pas pahuncha,

15 he manushy ke santan, yarooshalem ke nivaasiyon ne tere nikatt bhaiyon se varan israaael ke sare gharane se bhee kaha haai ki tum yahova ke pas se door ho jao yah desh hamare hee aadhaikar men diya gaya haai.

16 parantu too un se kah, prabhu yahova yon kahata haai ki maain ne tum ko door door kee jaatiyon men basaya aur desh desh men titara-abitar kar diya to haai, taubhee jin deshaen men tum aae huae ho, un men maain svayan tumhare liye thode din tak pavitrasthan ttharoonga.

17 isaliye, un se kah, prabhu yahova yon kahata haai, ki maain tum ko jaati jati ke logon ke beech se battoroonga, aur jin deshaen men tum titara-abitar kiae gae ho, un men se tum ko ikattha karoonga, aur tumhen israaael kee boomi doonga.

18 aur ve vahan pahunchakar us desh kee sab gharanait mooraten aur sab gharanait kam bhee us men se door karenge.

19 aur maain unaka day aek kar doonga aur unake bheetar nai atma utpann karoonga, aur unakee deh men se patthr ka sa day nikalakar unhen mans ka day doonga,

²⁰ jis se ve merree vidhaiyon par nit chala karen aur mere niyamon ko manen aur ve merree praja tthareng, aur maain unaka parameshvar ttharoonga.

²¹ parantu ve log jo apanee gharaanait mooratn aur gharanait kamn men man lagakar chalate rahate haai, unako maain aeesa karoonga ki unakee chal unheen ke sir par padengee, prabhu yahova kee yahee vanee haai.

²² is par karoobn ne apane pankh uttaa, aur pahiyee unake sang sang chale aur israael ke parameshvar ka tej unake upar tha.

²³ tab yahova ka tej nagar ke beech men se uttkar us parvat par tthar gaya jo nagar kee poorva or haai.

²⁴ fir atma ne mujhe uttaya, aur parameshvar ke atma kee shaaktai se darshan men mujhe kasaadiyon ke desh men bandhauon ke pas pahuncha diya. aur jo darshan maain ne paya tha vah lop ho gaya.

²⁵ tab jitane baten yahova ne mujhe dikhai thee, ve maain ne bandhauon ko bata deen.

Yahejakel 12

¹ fir yahova ka yah vachan mere pas pahuncha,

² he manushy ke santan, too balava karanevale gharane ke beech men rahata haai, jinake dekhne ke liye ankhen to haai, parantu naheen dekhte aur sunane ke liye kan to haain parantu naheen sunate kyonki ve balava karanevale gharane ke haain.

³ isaliye he manushy ke santan din ko bandhauai ka saman, taaiyar karake unake dekhte huae utt jana, unake dekhte huae apana sthan chhodkar doosare sthan ko jana. yadhyapi ve balava karanevale gharane ke haai, taubhee sambhv haai ki ve dhyan den.

⁴ so too din ko unake dekhte huae bandhauai ke saman kee nai apana saman nikalana, aur tab too sanjh ko bandhauai men janevale ke saman unake dekhte huae utt jana.

⁵ unake dekhte huae bheet ko faodkar usee se apana saman nikalana.

⁶ unake dekhte huae use apane kandho par uttakar andhore men nikalana, aur apana munh ddhanpe rahana ki boomi tujhe n dekh pade kyonki maain ne tujhe israael ke gharane ke liye ek chinh ttharaya haai.

⁷ us agyaa ke anusar maain ne vaaisa hee kiya. din ko maain ne apana saman bandhauai ke saman kee nai nikala, aur sanjh ko apane hath se bheet ko faoda fir andhore men saman ko nikalakar, unake dekhte huae apane kandho par uttaae huae chala gaya.

⁸ bihan ko yahova ka yah vachan mere pas pahuncha,

⁹ he manushy ke santan, kya israaael ke gharane ne arthata us balava karanevale gharane ne tujh se yah naheen poochha, ki yah too kya karata haai?

¹⁰ too un se kah ki prabhu yahova yon kahata haai, yah prabhavashaalee vachan yarooshalem ke pradhaan purush aur israaael ke sare gharane ke vishy men haai jisake beech men ve rahate haain.

¹¹ too un se kah, maain numhare liye chinh hoo jaaisa maain ne kiya haai, vaaisa hee israaaelee lagon se bhee kiya jaaega unako uttkar bandhauai men jana padega.

¹² unake beech men jo pradhaan haai, so andhore men apane kangho par bojh uttaaee huae nikalega vah apana saman nikalane ke liye bheet ko faodega, aur apana munh ddhanpe rahega ki usako boomi n dekh pade.

¹³ aur maain us par apana jal faailaunga, aur vah mere fande men fansega aur maain use kasadiyon ke desh ke babul men pahuncha doonga yadhypai vah us nagar men mar jaaega, taubhee usako n dekhega.

¹⁴ aur jitane usake sahayak usake as pas honge, unako aur usakee saree ttoliyon ko maain sab dishaaon men titara-abitar kar doonga aur talavar kheenchakar unake peechhe chalavaunga.

¹⁵ aur jab maain unhe jati jati men titara-abitar kar doonga, aur desh desh men chhnnai bheenn kar doonga, tab ve jan lenge ki maain yahova hoo.

¹⁶ parantu maain un men se thede se logon ko talavar, bookh aur maree se bacha rakoonga aur ve apane gharaanait kam un jatiyon men bakhan karenge jinake beech men ve pahunchenge tab ve jan lenge ki maain yahova hoo.

¹⁷ tab yahova ka yah vachan mere pas pahuncha,

¹⁸ he manushy ke santan, kanpate huae apanee rottee khana aur thrathrate aur chinta karate huae apana panee peena

¹⁹ aur is desh ke logon se yon kahana, ki prabhu yahova yarooshalem aur israaael ke desh ke nivaasiyon ke vishay men yon kahata haai, ve apanee rottee chinta ke sath khaenge, aur apana panee vismay ke sath peeaenge kyonki desh apane sab rahanevalon ke upadrav ke karan apanee saree bhrapooree se raahit ho jaaega.

²⁰ aur base huae nagar ujad jaaenge, aur desh bhee ujad ho jaaega tab tum log jan loge ki maain yahova hoo.

²¹ fir yahova ka yah vachan mere pas pahuncha,

²² he manushy ke santan yah kya kahavat haai jo tum log israaael ke desh men kaha karate ho, ki din adhaik ho gaae haai, aur darshan kee koi bat pooree naheen hui?

²³ isaliye un se kah, prabhu yahova yon kahata haai, maain is kahavat ko band karoonga aur yah kahavat israaael par fir n chalegee. aur too un se kah ki vah din nikatt a gaya haai, aur darshan kee sab baten pooree hone par haain.

²⁴ kyonaki israaael ke gharane men n to aur adhaik jootte darshan kee koi bat aur n koi chikanee-chupadee bat fir kahee jaaegee.

²⁵ kyonaki maain yahova hoo jab maain boloo, tab jo vachan maain kahoo, vah poora ho jaaega. us men vilamb n hoga, parantu, he balava karanevale gharane tumhare hee dinon men maain vachan kahoonga, aur vah poora ho jaaega, prabhu yahova kee yahee vanee haai.

²⁶ fir yahova ka yah vachan mere pas pahuncha,

²⁷ he manushy ke santan, dek, israaael ke gharane ke log yah kah rahe haain ki jo darshan vah dekhta haai, vah bahut din ke bad poora honevala haai aur ki vah door ke samay ke vishay men bhavishyadaneer karata haai.

²⁸ isaliye too un se kah, prabhu yahova yon kahata haai, mere kisee bachan ke poora hone men fir vilamb n hoga, varan jo vachan maain kahoo, so vah nishchay poora hoga, prabhu yahova kee yahee vanee haai.

¹ yahova ka yah vachan mere pas pahuncha,

² he manushy ke santan, israaael ke jo bhavishyadvkta apane hee man se bhavishyavaneer karate haai, unake virud bhavishyavaneer karake too kah, yahova ka vachan suno.

³ prabhu yahova yon kahata haai, hay, un mooddh bhvishyadvktaon par jo apaneer hee atma ke peechhe bhthk jate haai, aur kuchh darshan naheen paya !

⁴ he israaael, tere bhvishyadvkta khndharon men kee lomadiyon ke saman bane haain.

⁵ tum ne nakon men chaddhkar israaael ke gharane ke liye bheet naheen sudhaaree, jis se ve yahova ke din yuddh men sthiar rah sakate.

⁶ ve log jo kahate haai, yahova kee yah vanee haai, unhon ne bhavere ka vyarth aur jootta dava kiya haai aur tab bhee yah asha dilai ki yahova yah vachan poora karega taubhee yahova ne unhen naheen bheja.

⁷ kya tumhara darshan jootta naheen haai, aur kya tum joottmoott bhavere naheen kahate? tum kahate ho, ki yahova kee yah vanee haai parantu maain ne kuchh naheen kaha haai.

⁸ is karan prabhu yahova tum se yon kahata haai, tum ne jo vyarth bat kahee aur jootte darshan dekhe haai, isaaliye maain tumhare viruddh hoo, prabhu yahova kee yahee vanee haai.

⁹ jo bhavishyadvkta jootte darshan dekhte aur joottmooott bhavee kahate haai, mera hath unake viruddh hoga, aur ve meree praja kee goshttee men bhagee n honge, n unake nam israaael kee namavalee men likhe jaaenge, aur n ve israaael ke desh men pravesh karane paaenge is se tum log jan loge ki maain prabhu yahova hoo.

¹⁰ kyonaki ha, kyonki unhon ne shaantai haai, aeesa kahakar meree praja ko bahakaya he jab ki shaaantai naheen haai aur isaaliye ki jab koi bheet banata haai tab ve usakee kachchee lesai karate haain.

¹¹ un kachchee lesai karanevalon se kah ki vah gir jaegee. kyonaki bade jor kee vashara hogee, aur bade bade ole bhee girenge, aur prachand andhaee use giraeege.

¹² so jab bheet gir jaegee, tab kya log tum se yah n kahenge ki jo lesai tum ne kee vah kahan rahee?

¹³ is karan prabhu yahova tum se yon kahata haai, maain jalakar usako pachand andhaee ke dara giraunga aur mere kop se bharee vashara hogee, aur meree jalajalahatt se bade bade ole girenge ki bheet ko nash karen.

¹⁴ is reeati jis bheet par tum ne kachchee lesai kee haai, use maain ddha doonga, varan mittee men milaunga, aur usakee nev khul jaegee aur jab vah giregee, tab tum bhee usake neeche dabakar nash hoge aur tum jan loge ki maain yahova hoo.

¹⁵ is reeati maain bheet aur usakee kachchee lesai karanevale donon par apanee jalajalahatt poorn reeti se bhdkaunga fir tum se kahoonga, n to bheet rahee,aur n usake lesanevale rahe,

¹⁶ arthata israaael ke ve bhvishyadvkta jo yarooshalem ke vishay men bhavishyadane ke karate aur unakee shaaantai ka darshan batate the, parantu prabhu yahova kee yah vane haai, ki shaaantai haai hee naheen.

¹⁷ fir he manushy ke santan, too apane logon kee striayon se vimukh hokar, jo apane hee man se bhavishyadane ke karate he unake viruddh bhavishyadane ke karake kah,

¹⁸ prabhu yahova yon kahata haai, jo striayan hath ke sab jodo ke liye taakiya seeteen aur praanaiyon ka aher karane ko sab prakar ke manushyon kee ankh ddhanpane ke liye kapade banatee haai, un par hay ! kya tum meree praja ke praanon ka aher karake apane nij praan bacha rakhogee?

¹⁹ tum ne to muutthee mutthee bhr jav aur rottee ke ttukadon ke badale mujhe meree praja kee draashtti men apaavitra ttharakar, aur apanee un joottee baton ke dara, jo meree praja ke log tum se sunate haai, jo nash ke yogy n the, unako mar dala aur jo bachane ke yogy n the un praanon ko bacha rakha haai.

²⁰ is karan prabhu yahova tum se yon kahata haai, dekho, maain tumhare un taakiyon ke virud hoo, jinake dara tum praanon ka aher karatee ho, isaaliye jinhen tum aher kar karake udatee ho unako maain tumharee banh par se chheenakar unako chhuda doonga.

²¹ maain tumhare sir ke buka ko faadkar apanee praja ke logon ko numhare hath se chhudaunga, aur age ko ve tumhare vash men n rahenge ki tum unaka aher kar sako tab tum jan logee ki maain yahova hoo.

²² tum ne jo joott kahakar dhama ke man ko udas kiya haai, yadhyapi maain ne usako udas karana naheen chaha, aur tum ne dushtt jan ko hiyav bandhaaya haai, taki vah apane bure marga se n fire aur jeeavit rahe.

²³ is karan tum fir n to jootta darshan dekhogee, aur n bhaveree kahogee kyonki maain apanee praja ko tumhare hath se dudaunga. tab tum jan logee ki maain yahova hoo.

Yahejakel 14

¹ fir israaael ke kitane puraaniye mere pas akar mere samhane baaitt gaae.

² tab yahova ka yah vachan mere pas pahuncha,

³ he manushy ke santan, in purushaen ne to apanee mooraten apane man men sthaapit kee, aur apane adharma kee ttokar apane samhane rakhee haai fir kya ve mujh se kuchh bhee poochhne paaenge?

⁴ so too un se kah, prabhu yahova yon kahata haai, ki israaael ke gharane men se jo koi apanee mooraten apane man men sthapit karake, aur apane adharma kee ttokar apane samhane rakhkar bhvishyadvkta ke pas aa, usako, maain yahova, usakee bahut see mooraton ke anusar hee uttar doonga,

⁵ jis se israaael ka gharana, jo apanee mooraton ke dara mujhe tyagakar door ho gaya haai, unhen maain unheen ke man ke dara fansaunga.

⁶ so israaael ke gharane se kah, prabhu yahova yon kahata he, firo aur apanee mooraton ko peett ke peechhe karo aur apane sab gharaanait kamon se munh modo.

⁷ kyonaki israaael ke gharane men se aur usake beech rahanevale paradeashaiyon men se bhee koi kyon n ho, jo mere peechhe ho lena chhodkar apanee mooraten apane man men sthaapit kare, aur apane adharma kee ttokar apane samhane rakhe, aur tab mujh se apanee koi bat poochhne ke liye bhvishyadvkta ke pas aa, to usako, maain yahova ap hee uttar doonga.

⁸ aur maain us manushy ke viruddh hokar usako vismait karoonga, aur chinh tttharaunga aur usakee kahavat chanaunga aur use apanee praja men se nash karoonga tab tum log jan logee ki maain yahova hoo.

⁹ aur yaadi bhvishyadvkta ne dhaekha khakar koi vachan kaha ho, to jano ki mujh yahova ne us bhvishyadvkta ko dhaekha diya haai aur maain apana hath usake viruddh baddhakar use apanee praja israael men se nash karoonga.

¹⁰ ve sab log apane apane adharma ka boj uttaaenge, arthata jaaisa bhavishyadvkta se poochhnevale ka adharma ttharega, vaaisa hee bhavishyadvkta ka bhee adharma ttharega.

¹¹ taaki israael ka gharana age ko mere peechhe ho lena n chhode aur n apane bhanti bhanati ke aparadhaen ke dara age ko ashuddh bane varan ve meree praja banen aur maain unaka parameshvar ttharoo, prabhu yahova kee yahee anee haai.

¹² aur yahova ka yah vachan mere pas mahuncha,

¹³ he manushy ke santan, jab kisee desh ke log mujh se vishvasaghaat karake papee ho jaae, aur maain apana hath us desh ke viruddh baddhakar usaka annaroopee adhaar door karoo, aur us men akal dalakar us men se manushy aur pashu donon ko nash karoo,

¹⁴ tab chahe us men nooh, daniyyel aur ayyoob ye teenon purush ho, taubhee ve apane dharma ke dara keval apane hee praanon ko bacha sakenge prabhu yahova kee yahee vanee he.

¹⁵ yaadi maain kisee desh men dusht jantu bhejoon jo usako nirjan karake ujad kar dale, aur jantuon ke karan koi us men hokar n jaae,

¹⁶ to chahe use men ve teen purush ho, taubhee prabhu yahova kee yah vanee haai, mere jeevan kee saugandha, n ve putraen ko or n puatraiyon ko bacha sakenge ve hee akele bachenge parantu desh ujad ho jaaega.

¹⁷ aur yaadi maain us desh par talavar kheechakar kahoo, he talavar us desh men chala aur is reeti maain us men se manushy aur pashu nash karoo,

¹⁸ tab chahe us men ve teen purush bhee ho, taubhee prabhu yahova kee yah vanee haai, mere jeevan kee saugandha, n to ve putraen ko aur n puatraiyon ko bacha sakenge, ve hee akele bachenge.

¹⁹ yaadi maain us desh men maree faailaun aur us par apanee jalalahatt bhdhakar usaka lohoo aeesa bahaun ki vahan ke manushy aur pashu donon nash ho,

²⁰ to chahe nooh, daniyyel aur ayyoob bhee us men ho, taubhee, prabhu yahova kee yah vanee haai, mere jeevan kee saugandha, ve n putraen ko aur n puatraiyon ko bacha sakenge, apane dharma ke dara ve keval apane hee praanon ko bacha sakenge.

²¹ kyonaki prabhu yahova yon kahata haai, maain yarooshalem par apane charon dand pahunchaunga, arthata talavar, akal, dushtt jantu aur maree, jin se manushy aur pashu sab us men se nash hon.

²² taubhee us men thode se putra-puatrayan bachengee jo vahan se nikalakar tumhare pas pahunchai jaaengee, aur tum unake chalachalan aur kamon ko dekhkar us vipaattai ke vishay men jo maain yarooshalem par daloonga, varan jitane vipaattai maain us par daloonga, us sab ke vishay men shaantai paoge.

²³ jab tum unaka chalachalan aur kam dekho, tab ve tumharee shaaantai ke karan honge aur tum jan loge ki maain ne yarooshalem men jo kuchh kiya, vah bina karan naheen kiya, prabhu yahova kee yahee vanee haain

¹ fir yahova ka yah vachan mere pas pahuncha,

² he manushy ke santan, sab vrakshaen men angoor kee lata kee kya shraeshttta haai? angoor kee shaakha jo jangal ke pedon ke beech utpann hotee haai, us men kya gun haai?

³ kya koi vastu banane ke liye us men se lakadee lee jatee, va koi bartan ttangane ke liye us men se koonttee ban sakatee haai?

⁴ vah to indhan banakar ag men jhonkee jatee haai usake donon sire ag se jal jate, aur usake beekh ka bhag bhsam ho jata haai, kya vah kisee bhee kam kee haai?

⁵ dek, jab vah banee thee, tab bhee vah kisee kam kee n thee, fir jab vah ag ka indhan hokar bhsam ho gai haai, tab kis kam kee ho sakatee haai?

⁶ so prabhu yahova yon kahata haai, jaise jangal ke pedon men se maain angoor kee lata ko ag ka indhan kar deta hoo, vaaise hee maain yarooshalem ke nivaasiyon ko nash kar doonga.

⁷ maain un se viruddh hoonga, aur ve aek ag men se nikalakar fir doosaree ag ka indhan ho jaaenge aur jab maain un se vimukh hoonga, tab tum log jan loge ki maain yahova hoo.

⁸ aur maain unaka desh ujad doonga, kyonki unhon ne mujh se vishvasaghaat kiya haai, prabhu yahova kee yahee vanee haai.

Yahejakel 16

¹ fir yahova ka yah vachan mere pas pahuncha,

² he manushy ke santan, yarooshalem ko usake sab gharanait kam jata de.

³ aur us se kah, he yarooshalem, prabhu yahova tujh se yon kahata haai, tera janm aur teree utpaattai kanaaniyon ke desh se hui tera pita to aemoree aur teree mata hittain thee.

⁴ aur tera janm aeese hua ki jis din too janmee, us din n tera nal katta gaya, n too shuuddh hone ke liye dhaei gai, n tere kuchh lon mala gaya aur n too kuchh kapadon men lamettee gai.

⁵ kisee kee dayadraashti tujh par naheen hui ki in kamon men se tere liye aek bhee kam kiya jata varan apane janm ke din too gharaanait hone ke karan khule maaidan men faenk dee gai thee.

⁶ aur jab maain tere pas se hokar nikala, aur tujhe lohoo men lottte huae dekha, tab maain ne tujh se kaha, he nohoo men lotttee hui jeevit raha ha, tujh hee se maain ne kaha, he lohoo me lotttee hui, jeevit raha.

⁷ fir maain ne tujhe khet ke birule kee nai baddhaya, aur too baddhte baddhte badee ho gai aur ati sundar ho gai teree chhatiyon sudaal hui, aur tere bal baddhe taubhee too nangee thee.

⁸ maain ne fir tere pas se hokar jate huae tujhe dekha, aur ab too pooree sree ho gai thee so maain ne tujhe apana vasr oddhakar tera tan ddhanp diya aur saugandha khakar tujh se pacha bandhaee aur too meree ho gai, prabhu yahova kee yahee vanee haai.

⁹ tab maain ne tujhe jal se nahalakar tujh par se lohoo dhae diya, aur teree deh par tel mala.

¹⁰ fir maain ne tujhe boottedar vasr aur soison ke chamade kee jootiyon paahinai aur teree kamar men sooksham san bandha, aur tujhe reshamee kapada oddhaya.

¹¹ tab maain ne tera shrarangar kiya, aur tere hathen men choodiyan aur gale men toda pahinaya.

¹² fir maain ne teree nak men natth aur tere kanon men baaliyan paahinai, aur tere sir par shaebhayaman mukutt dhara.

¹³ tere abooshan sone chandee ke aur tere vasr sooksham san, resham aur boottedar kamade ke bane fir tera bhojan maaida, madha aur tel hua aur too atyant sundar, varan ranee hone ke yogy ho gai.

¹⁴ aur teree sundarata kee keettair anyajaatiyon men faail gai, kyonaki us pratap ke kara, jo maain ne apanee or se tujhe diya tha, too atyant sundar thee, prabhu yahova kee yahee vanee haai.

¹⁵ parantu too apanee sundarata par bhrosa karake apanee namavaree ke karan vyaabhaichar karane lagee, aur sab yatrayon ke sang bahut kukarma kiya, aur jo koi tujhe chahata tha too usee se milatee thee.

- 16 too ne apane vasr lekar rang birang ke unche sthan bana lia, aur un par vyabhaichar kiya, aeese kukarma kiae jo n kabhee huae aur n honge.
- 17 aur too ne apane sushaeabhait gahane lekar jo mere diae huae sone-chandee ke the, un se purushaen kee mooraten bana lee, aur un se bhee vyabhaichar karane lagee
- 18 aur apane boottedar vasr lekar unako pahinaa, aur mera tel aur mera dhoop unake samhane chaddhaya.
- 19 aur jo bhojan maain ne tujhe diya tha, arthata jo maaida, tel aur madha maain tujhe khailata tha, vah sab tu ne unake samhane sukhdayak sugatdha karake rakha prabhu yahova kee yahee vanee haai ki yon hee hua.
- 20 fir too ne apane putra-puatrayan lekar jinhen too ne mere liye janm diya, un mooraton ko naaivedh karake chaddhai. kya tera vsabhaichar aeesee chhottee bat theen
- 21 ki too ne mere ladkebale un mooraton ke age ag men chaddhakar ghaat kiae haain?
- 22 aur too ne apane sab gharanait kamon men aur vyabhaichar karate hua, apane bachapan ke dinon kee kabhee sudhai n lee, jab ki too nangee apane lohoo men lottnee thee.
- 23 aur teree us saree burai ke peechhe kya hua?
- 24 prabhu yahova kee yah vanee haai, hay, tujh par hay ! ki too ne aek gummatt banava liya, aur har aek chauk men aek uncha sthan banava liya
- 25 aur aek aek sadk ke sire par bhee too ne apana uncha sthan banavakar apanee sundarata gharanait kara dee, aur har aek yatraee ko kukarma ke liye bulakar mahavyabhaichaarinee ho gai.
- 26 too ne apane padosee misraee logon se bhee, jo motte-taje haai, vyaabhaichar kiya aur mujhe krodha dilane ke liye apana vyabhaichar chaddhatee gai.
- 27 is karan maain ne apana hath tere viruddh baddhakar, tera prati din ka khana ghata diya, aur teree baaiarin palishtee striayan jo tere mahapap kee chal se lajatee haai, unakee ichchha par maain ne tujhe chhod diya haai.
- 28 fir bhee teree trashna n bujhee, isaliye too ne ashshooree logon se bhee vyabhaichar kiya aur un se vyabhaichar karane par bhee teree trashna n bujhee.
- 29 fir too len den ke desh men vyabhaichar karate karate kasadiyon ke desh tak pahunchee, aur vahan bhee teree trashna n bujhee.
- 30 prabhu yahova kee yah vanee haai ki tera day kaaisa chanchal haai ki too ye sab kam karatee haai, jo nirlajj veshya hee ke kam haain?

- 31** too ne har aek sadk ke sire par jo apana gummat, aur har chauk men apana uncha sthan banavaya haai, kya isee men too veshya ke saman naheen ttharee? kyonaki too aeesee kamai par hansatee haai.
- 32** too vyabhaichaarinee patnee haai. too paraye purushaen ko apane paati kee santee grahan karatee haai.
- 33** sab veshyaon ko to rupaya milata haai, parantu too ne apane sab mitraen ko svayan rupaae dekar, aur unako lalach dikhakar bulaya haai ki ve charon or se akar tujh se vyaabhaichar karen.
- 34** is prakar tera vyabhaichar aur vyabhaichaariyon se ulatta haai. tere peechhe koi vyabhaicharee naheen chalata, aur too kisee se dam letee nahee, varan too hee detee haai isee karan too ulattee ttharee.
- 35** is kara, he veshya, yahova ka vachan sun,
- 36** prabhu yahova yon kahata haai, ki too ne jo vyaabhaichar men aati nirlajj hokar, apanee deh apane mitraen ko dikhai, aur apanee mooraton se gharanait kam kia, aur apane ladkebalon ka lohoo bahakar unhen bali chaddhaya haai,
- 37** is karan dek, maain tere sab mitraen ko jo tere praemee haain aur jitanon se too ne praeeati lagai, aur jitanon se too ne vaair rakha, un sabhon ko charon or se tere viruddh ikattha karake unako teree deh nangee karake dikhaunga, aur ve tera tan dekhenge.
- 38** tab maain tujh ko aeesa dand doonga, jaaisa vyabhaichaarinaiyon aur lohoo bahanevalee striayon ko diya jata haai aur krodha aur jalan ke sath tera lohoo bahaunga.
- 39** is reeti maain tujhe unake vash men kar doonga, aur ve tere gummatton ko ddha denge, aur tere unche sthanon ko toddenge ve tere vasr barabas utarenge, aur tere sundar gahane chheen lenge, aur tujhe nanga karake chhod denge.
- 40** tab tere viruddh aek sabha ikatthee karake ve tujh ko patthravah karenge, aur apanee kattaron se varapar chhedenge.
- 41** tab ve ag lagakar tere gharon ko jala denge, aur toojhe bahut see striayon ke dekhte dand denge aur maain tera vyabhaichar band karoonga, aur too fir chhnaiale ke liye dam n degee.
- 42** aur jab maain tujh par pooree jalalahatt pragatt kar chukoonga, tab tujh par aur n jaloonga varan shaant ho jaunga aur fir n risiyaunga.
- 43** too ne jo apane bachapan ke din smaran nahee rakhe, varan in sab baton ke dara mujhe chiddhaya is karan maain tera chalachalan tere sir par daloonga aur too apane sab pichhle gharaanait kamon se aur aadhaik mahapap n karegee, prabhu yahova kee yahee vanee haai.

⁴⁴ dek, sab kahavat kahanevale tere vishay yah kahavat kahenge, ki jaaisee man vaaisee putraee.

⁴⁵ teree man jo apane pati aur ladkebalon se gharana karatee thee, too bhee tteek usakee putraee ttharee aur teree baahinen jo apane apane paati aur ladkebalon se ghararana karatee thee, too bhee tteek unakee bahin nikalee. teree mata hittain aur pita aemoree tha.

⁴⁶ teree badee bahin haemaron haai, jo apanee putraiyon samet teree bai or rahatee haai, aur teree chhottee baahin, jo teree dahinee or rahatee haai vah puatraiyon samet sadom haai.

⁴⁷ too unakee see chal naheen chalee, aur n unake se gharaanait kamon hee se santusht hui yah to bahut chhottee bat ttharatee, parantu tera sara chalachalan un se bhee adhaik bigad gaya.

⁴⁸ prabhu yahova kee yah vanee haai, mere jeevan kee saugandha, teree bahin sadom ne apanee puatraiyon samet tere or teree putraiyon ke saman kam naheen kiae.

⁴⁹ dek, teree baahin sadom ka adharma yah tha, ki vah apanee putraiyon saahit ghamand karatee, pett bhr bhrake khatee, aur sukh chaain se rahatee thee aur deen daridra ko n sanbhalatee thee.

⁵⁰ so vah garva karake mere samhane gharaanait kam karane lagee, aur yah dekhkar maain ne unhen door kar diya.

⁵¹ fir shaemaron ne tere papon ke adho bhee pap naheen kiae too ne to us se baddhkar gharanait kam kiae or apane ghaer gharanait kamon ke dara apanee bahinon ko jeet liya.

⁵² so too ne jo apanee baahinon ka nyay kiya, is karan lajjait ho, kyonki too ne un se baddhkar gharanait pap kiae haain is karan ve tujh se kam doshaee ttharee haain. so too is bat se lajja kar aur lajatee rah, kyonaki too ne apanee bahinon ko kam doshaee ttharaya haai.

⁵³ jab maain unako arthata putraiyon saahit sadom aur shaemaron ko bandhauai se faer launga, tab unake beech hee tere bandhauon ko bhee faer launga,

⁵⁴ jis se too lajatee rahe, aur apane sab kamon ko dekhkar lajaa, kyonaki too unakee shaaantai hee ka karan hui haai.

⁵⁵ aur teree bahinen sadom aur shaemaron apanee apanee puatraiyon samet apanee pahilee dasha ko fir pahunchengee, aur too bhee apanee puatraiyon saahit apanee pahilee dasha ko fir pahanchegee.

⁵⁶ jab tak teree burai pragatt n hui thee, arthata jis samay tak too as pas ke logon samet aramee aur paalishtee striayon kee jo ab charon or se tujhe tuchchh janatee haai, namadharai karatee thee,

⁵⁷ un apane ghmand ke dinon men to too apanee baahin sadom ka nam bhee n letee thee.

⁵⁸ parantu ab tujh ko apane mahapap aur gharaanait kamon ka bhar ap hee uttana pada haai, yahova kee yahee vanee haai.

⁵⁹ prabhu yahova yah kahata haai, maain tere sath aeesa hee bartav karoonga, jaaisa too ne kiya haai, kyonki too ne to vacha todkar shapath tuchhh janee haai,

⁶⁰ taubhee maain tere bachapan ke dinon kee apanee vacha smaran karoonga, aur tere sath sada kee vacha bandhoonga.

⁶¹ aur jab too apanee baahinon ko arthata apanee badee aur chhottee bahinon ko grahan kare, tab too apana chalachalan smaran karake lajjait hogee aur maain unhen teree puatraiyan tthara doonga parantu yah teree vacha ke anusar n karoonga.

⁶² maain tere sath apanee vacha sthiar karoonga, aur tab too jan legee ki maain yahova hoo,

⁶³ jis se too smaran karake lajjait ho, aur lajja ke mare fir kabhee munh n khole. yah us samay hoga, jab maain tere sab kamon ko ddhanpoonga, prabhu yahova kee yahee vanee haai.

²³ arthata israaael ke unche parvat par lagaunga so vah daaliyan faodkar balavant aur uttam devadar ban jaaega, aur usakee neeche arthata usakee daliyon kee chhaya men bhanati bhanati ke sab pakshae basera karenge.

²⁴ tab maaidan ke sab vraksha jan lenge ki mujh yahova hee ne unche vraksha ko neecha aur neeche praksha ko uncha kiya, hare vraksha ko sukha diya, aur sookhe vraksha ko faulaya falaya haai. mujh yahova hee ne yah kaha aur vaaisa hee kar bhee diya haai.

¹ sataven varsha ke panchaven maheene ke dasaven din ko israaael ke kitane puraaniye yahova se prashn karane ko aa, aur mere samhane baaitt gaae.

² tab yahova ka yah vachan mere pas pahuncha,

³ he manushy ke santan, israaaelee puraaniyon se yah kah, prabhu yahova yon kahata haai, kya tum mujh se prashn karane ko aae ho? prabhu yahova kee yah vanee haai ki mere jeevan kee saugandha, tum mujh se prashn karane n paoge.

⁴ he manushy ke santan, kya too unaka nyay n karega? kya too unaka nyay n karega? unake purakhaon ke ghainaune kam unhen jata de,

⁵ aur un se kah, prabhu yahova yon kahata haai, jis din maain ne israaael ko chun liya, aur yakoob ke gharane ke vansh se shapath khai, aur misra dekh men apane ko un par pragatt kiya, aur un se shapath khakar kaha, maain tumhara parameshvar yahova hoo,

⁶ usee din maain ne un se yah bhee shapath khai, ki maain tum ko misra desh se nikalakar ek desh men pahunchaunga, jise maain ne tumhare liye chun liya haai vah sab deshaen ka shairomanai haai, aur us men doodha aur madha kee dharaen bahatee haain.

⁷ fir maain ne un se kaha, jin ghainaunee vastuon par tum men se har aek kee ankhen lagee haai, unhen faenk do aur misra kee mooraton se apane ko ashuddh n karo maain hee tumhara parameshvar yahova hoo.

⁸ parantu ve mujh se bigad gae aur meree sunanee n chahee jin ghainaunee vastuon par unakee ankhen lagee thee, unakee kisee ne faenka nahee, aur n misra kee mooraton ko chhoda. tab maain ne kaha, maain yahee, misra desh ke beech mum par apanee jalajalahatt bhdkaunga. aur poora kop dikhaunga.

⁹ taubhee maain ne apane nam ke nimitt aeesa kiya ki jinake beech ve the, aur jinake dekhte huae maain ne unako misra desh se nikalane ke liye apane ko un par pragatt kiya tha un jaatiyon ke samhane ve apaavitra n tthare.

¹¹ vahan unako maain ne apanee vidhaiyan batai aur apane niyam bhee bataae ki jo matushy unako mane, vah unake karan jeevit rahega.

¹² fir maain ne unake liye apane vishraamadin ttharaae jo mere aur unake beech chinh ttharen ki ve janen ki maain yahova unaka paavitra karanevala hoo.

¹³ taubhee israael ke gharane ne jangal men mujh se balava kiya ve meree vidhaiyon par n chale, aur mere niyamon ko tuchchh jana, jinhen yadi manushy mane to vah unake karan jeevit rahega aur unhon ne mere vishraamadinon ko aati apaavitra kiya. tab maain ne kaha, maain jangal men in par apanee jalajalahatt bhdkakar inaka ant kar daloonga.

¹⁴ parantu maain ne apane nam ke nimitt aeesa kiya ki ve un jatiyon ke samhane, jinake dekhte maain unako nikal laya tha, apaavitra n tthare.

¹⁵ fir maain ne jangal men un se shapath khai ki jo desh maain ne unako de diya, aur jo sab deshaen ka shairomanai haai, jis men doodha aur madha kee dharaaen bahatee haai, us men unhen n pahunchaunga,

¹⁶ kyonaki unhon ne mere niyam tuchchh jane aur meree vidhaiyon par n chale, aur mere vishraamadin apaavitra kiae the isaaliye ki unaka man unakee mooraton kee or laga raha.

¹⁷ laubhee maain ne un par krapa kee drashti kee, aur unhen nash n kiya, aur n jangal men pooree reeti se unaka ant kar dala.

¹⁸ fir maain ne jangal men unakee santan se kaha, apane purakhaon kee vidhaiyon par n chalo, n unakee eiti yon ko mano aur n unakee mooraten poojkar apane ko ashuuddh karo.

¹⁹ maain tumhara parameshvar yahova hoo, meree vidhaiyon par chalo, or mere niyamon ke manane men chaukasee karo,

²² taubhee maain ne hath kheench liya, aur apane nam ke nimitt aesa kiya, ki un jatiyon ke samhane jinake dekhte huae maain unhen nikal laya tha, ve apaavitra n tthare.

²³ fir maain ne jangal men un se shapath khai, ki maain tumhen jaati jati men titara-abitar karoonga, aur desh desh men chhtaira doonga,

²⁴ kyonaki unhon ne mere niyam n mane, meree vidhaiyon ko tuchchh jana, mere vishraamadinon ko apavitra kiya, aur apane purakhaon kee mooraton kee or unakee ankhen lagee raheen.

²⁵ fir maain ne unake liye aeese aeese vidhaiyan ttharai jo achchhee n thee aur aeese aeese reetiyon jinake karan ve jeeavit n rah saken

²⁶ arthata ve apane sab paahilautton ko ag men hom karane lage is reeti maain ne unhen unaheen kee bhentton ke dara ashuddh kiya jis se unhen nirvash kar daloon aur tab ve jan len ki maain yahova hoo.

²⁷ he manushy ke santan, too israael ke gharane se kah, prabhu yahova yon kahata haai, tumhare purakhaon ne is men bhee meree ninda kee ki unhon ne mera vishvasaghaat kiya.

²⁸ kyonaki jab maain ne unako us desh men pahunchaya, jisake unhen dene kee shapath maain ne un se khai thee, tab ve har aek unche tteele aur har aek ghane vraksha par draashti karake vaheen apane melabaali karane lage aur vaheen ris dilanevalee apanee bhentten chaddhane lage aur vaheen apana sukhdaiy sugandhadravay jalane lage, aur vaheen apane tapavan dene lage.

²⁹ tab maain ne un se poochha, jis unche sthan ko tum log jate ho, us se kya prayojan haai? isee se usaka nam aj tak bama kahalata haai.

³⁰ isaliye israael ke gharane se kah, prabhu yahova tum se yah poochhta haai, kya tum bhee apane purakhaon kee reeti par chalakar ashuddh hokar, aur unake ghainaune kamon ke anusar vyabhaicharinee kee nai kam karate ho?

³¹ aj tak jab jab tum apanee bhentten chaddhate aur apane ladkebalon ko hom karake ag men chaddhate ho, tab tab tum apanee mooraton ke nimitt ashuddh ttharate ho. he israael ke gharane, kya tum mujh se pooghane paoge? prabhu yahova kee yah vanee haai, mere jeevan kee shapath tum mujh se poochhne n paoge.

³² jo bat tumhare man men atee haai ki ham katt aur patthr ke upasak hokar anyajatiyon aur desh desh ke kulon ke saman ho jaeenge, vah kisee bhanti pooree naheen hone kee.

33 prabhu yahova yon kahata haai, mere jeevan kee shapath maain nishchay balee hath aur baddhai hui bhuja se, aur bhdikai iui jalajalahatt ke sath tumhare upar rajy karoonga.

34 maain balee hath aur baddhai hui bhuja se, aur bhdikai hui jalajalahatt ke sath tumhen desh desh ke logon men se alag karoonga, aur un deshon se jin men tum titara-abitar ho gae the, ikattha karoonga

35 aur maain tumhen desh desh ke logon ke jangal men le jakar, vahan amhane-samhane tum se mukama ladoonga.

36 jis prakar maain tumhare poorvajon se misra desharoopee jangal men mukama ladta tha, usee prakar tum se mukama ladoonga, prabhu yahova kee yahee vane haai.

37 maain tumhen lattee ke tale chalaunga. aur tumhen vacha ke bandhan men daloonga.

38 maain tum men se sab balavaiyon ko nikalakar jo mera aparadha karate haai tumhen shuuddh karoonga aur jis desh men ve tkaite haain us men se maain unhen nikal doonga parantu israael ke desh men ghausane n doonga. tab tum jan loge ki maain yahova hoo.

39 aur he israael ke gharane tum se to prabhu yahova yon kahata haai ki jakar apanee apanee mooraton kee upasana karo aur yadi tum meree n sunoge, to age ko bhee yahee kiya karo parantu mere pavitra nam ko apanee bhentton or mooraton ke dara fir apaavitra n karana.

40 kyonaki prabhu yahova kee yah vane haai ki israael ka sara gharana apane desh men mere pavitra parvat par, israael ke unche parvat par, sab ka sab meree upasana karega vahee maain un se prasann hoonga, aur vaheen maain tumharee uttai hui bhentten aur chaddhai hui uttam uttam vastue, aur tumharee sab paavitra kee hui vastuen tum se liya karoonga.

41 jab maain tumhen desh desh ke logon men se alag karoon aur un deshaen se jin men tum titara-abitar huae ho, ikattha karoo, tab tum ko sukhdaiyak sugandha janakar grahan karoonga, aur any jaatiyon ke samhane tumhare dara pavitra ttharaya jaunga.

42 aur jab maain tumhen israael ke desh men pahunchau, jisake dene kee shapath maain ne tumhare poorvajon se khai thee, tab tum jan loge ki maain yahova hoo.

43 aur vahan tum apanee chal chalan aur apane sab kamon ko jinake karane se tum ashuddh huae ho smaran karoge, aur apane sab bure kamon ke karan apanee drashti men ghainaune ttharoge.

44 aur he israael ke gharane, jab maain tumhare sath tuthare bure chalachalan aur bigade huae kamon ke anusar nahee, parantu apane hee nam ke nimitt

bartav karoo, tab tum jan loge ki meain yahova hoo, prabhu yahova kee yahee vanee haai.

⁴⁵ aur yahova ka yah vachan mere pas pahuncha,

⁴⁶ he manushy ke santan, apana mukh dakkhian kee or kar, dakkhian kee or vachan suna, aur daakkhian desh ke van ke vishay men bhavishyadaneer kara

⁴⁷ aur daakkhian desh ke van se kah, yahova ka yah vachan sun, prabhu yahova yon kahata heai, maain tujh men ag lagaunga, aur tujh men kya hare, kya sookhe, jitane ped haai, sab ko vah bhsm karegee asakee dhadhakatee jvala n bujhegee, aur usake karan dakkhian se uttar tak sab ke mukh jhulas jaaenge.

⁴⁸ tab sab praanaiyon ko soojh padega ki vah ag yahova kee lagai hui haai aur vah kabhee n bujhegee.

⁴⁹ tab maain ne kaha, hay parameshvar yahova ! log to mere vishay men kaha karate haain ki kya vah drashttant hee ka kahanevala naheen haai?

Yahejakel 21

¹ yahova ka sah vachan mere pas pahuncha,

² he manushy ke santan, apana mukh yarooshalem kee or kar aur paavitrasthanon kee or vachan suna israael desh ke vishay men bhavishyadaneer kar aur us se kah,

³ prabhu yahova yon kahata haai, dek, maain tere viruddh hoo, or apanee talavar miyan men se kheenchakar tujh men se dhama aur adhama donon ko nash karoonga.

⁴ isaliye ki maain tujh men se dhama aur adhama sab ko nash karanevala hoo, is kara, meree talavar miyan se nikalakar daakkhian se uttar tak sab praanaiyon ke viruddh chalegee

⁵ tab sab praanee jan lenge ki yahova ne miyan men se apanee talavar kheenchee haai or vah us men fir rakhee n jaaegee.

⁶ so he manushy ke santan, too ah mar, bharee khed kar, aur toottee kamar lekar logon ke samhane ah mara.

⁷ aur jab ve tujh se poochhen ki too kayon ah marata haai, tab kahana, samachar ke karan. kyonki aeese bat anevalee haai ki sab ke man toott jaaenge aur sab ke hath ddheele padenge, sab kee atma bebas aur sab ke ghootne nirbal ho jaaenge. dekho, aeese hee bat anevalee haai, aur vah avashy pooree hogee, parameshvar yahova kee yahee vanee haai.

⁸ fir yahova ka yah vachan mere pas pahuncha, he manushy ke santan, bhvishyadaneer karake kah,

⁹ parameshvar yahova yon kahata haai, dek, sat chaddhai hui talavar, aur jhlakai hui talavar !

¹⁰ vah isaliye san chaddhai gai ki us se ghaat kiya jaa, aur isaliye jhlakai gai ki bijalee kee nai chamake ! to kya ham haashairt ho? vah to yahova ke putra ka rajadand haai aur sab pedon ko tuchchh jananevala haai.

¹¹ aur vah jhlakane ko isaaliye dee gai ki hath men lee jaae vah isaaliye san chaddhai aur jhlakai gai ki ghaat karanevalon ke hath men dee jaae.

¹² he manushy ke santan chilla, aur hay, hay, kar ! kyonaki vah meree praja par chala chahatee haai, vah israaael ke sare pradhaanon par chala chahatee haai meree praja ke sang ve bhee talavar ke vash men a gaae. is karan too apanee chhatee peett.

¹³ kyonaki sachamuch usakee janch hui haai, aur yaadi use tuchchh jananevala rajadand bhee n rahe, to kya? parameshvar yahova kee yahee vanee haai.

¹⁴ so he manushy ke santan, bhvishyadaneer kar, aur hath par hath de mar, aur teen bar talavar ka bal duguna kiya jaae vah to ghaat karane kee talavar varan bade se bade ke ghaat karane kee talavar haai, jis se kottariyon men bhee koi naheen bach sakata.

¹⁵ maain ne ghaat karanevalee talavar ko unake sab faattkon ke viruddh isaliye chalaya haai ki logon ke man toott jaae, aur ve bahut ttokar khaaen. hay, hay ! vah to bijalee ke saman banai gai, aur ghaat karane ko san chaddhai gai haai.

¹⁶ sikudkar daahinee or ja, fir taaiyar hokar bai or mud, jidhar bhee tera mukh ho.

¹⁷ maain bhee talee bajaunga aur apanee jalajalahatt ko ttnda karoonga, mujh yahova ne aeesa kaha haai.

¹⁸ fir yahova ka yah vachan mere pas pahuncha,

¹⁹ he manushy ke santan, do marga ttara le ki babul ke raja kee talavar aae donon marga aek hee desh se nikalen ! fir aek chinh kar, arthata nagar ke marga ke sir par aek chinh kara

²⁰ aek marga ttara ki talavar ammoniyon ke rabba nagar par, aur yahooda desh ke gaddhvale nagar yarooshalem par bhee chale.

²¹ kyonaki babul ka raja tirmuhane arthata donon magan ke nikalane ke sthan par bhaveree boojhne ko khda hua haai, us ne teeron ko hila diya, aur grahadevataon se prashn kiya, aur kaleje ko bhee dekha.

²² usake daahineer hath men yarooshalem ka nam haai ki vah usakee or yuddh ke yantra lagaa, aur gala faadkar ghaat karane kee agyaa de aur unche shabd se lalakare, faattkon kee or yuddh ke yantra lagaae aur damadama bandho aur kott banae.

23 parantu log to us bhavē kahane ko mithya samajhenge unhon ne jo unakee shapath khai haai is karan vah unakee adharmā ka smaran karakar unhen pakad lega.

24 is karan prabhu yahova yon kahata haai, isaaliye ki tumhara adharmā jo smaran kiya gaya haai, aur tumhare aparadhā jo khul gae haai, kasonki tumhare sab kamon men pap hee pap dikhai pada haai, aur tum smaran men aae ho, isaliye tum unheen se pakade jaoge.

25 aur he israael dusht pradhān, tera din a gaya haai adharmā ke ant ka samay pahunch gaya haai.

26 tere vishay men parameshvar yahova yon kahata haai, pagadee utar, aur mukutt bhee utar de vah jyon ka tyon naheen rahane ka jo neecha haai use uncha kar aur jo uncha haai use neecha kara.

27 maain isako ulatt doonga aur ulatt pulatt kar doonga han ulatt doonga aur jab tak usaka aadhaikaree n aae tab tak vah ulatta hua rahega tab maain use de doonga.

28 fir he manushy ke santan, bhavishyadaneē karake kah ki prabhu yahova ammoniyon aur unakee kee hui namadharai ke vishay men yon kahata haai too yon kah, kheenchee hui talavar haai, vah talavar ghaat ke liye jhlakai hui haai ki nash kare aur bijalee ke saman ho---

29 jab tak ki ve tere vishay men jootte darshan pate, aur jootte bhavē tujh ko batate haain---ki too un dusht asadhy ghaayalon kee gardanon par pade jinaka din a gaya, aur jinake adharmā ke ant ka samay a pahuncha haai.

30 usako miyan men fir rakh. jis sthan men too sirajee gai aur jis desh men tere utpattai hui, usee men maain tera nyay karoonga.

31 aur maain tujh par apana krodha bhdkāunga aur tujh par apanē jalajalahatt kee ag foonk doonga or tujhe pashu sareekhe manushy ke hath kar doonga jo nash karane men nipun haain.

32 too ag ka kaur hogē tera koon desh men bana rahega too smaran men n rahege kyonaki mujh yahova hee ne aeesa kaha haai.

Yahejakel 22

1 aur yahova ka yah vachan mere pas pahuncha,

2 he manushy ke santan, kya too us hatyare nagar ka nyay n karega? kya too usaka nyay n karega? usako usake sab ghainaune kam jata de,

3 aur kah, parameshvar yahova yon kahata haai, he nagar too apane beech men hatya karata haai jis se tera samay aa, aur apanē hee hani karane aur ashuddh hone ke liye mooraten banata haai.

⁴ jo hatya too ne kee haai, us se too doshaee ttharee, aur jo mooraten too ne banai haai, unake karan too ashuddh ho gai haai too ne apane ant ke din ko sameep kar liya, aur apane pichhle vashaan tak pahunch gai haai. is karan maain ne tujhe jaati jati ke logon kee or se namadharai ka aur sab deshaen ke tttthe ka karan kar diya haai.

⁵ he badanam, he hullad se bhre huae nagar, jo nikatt aur jo door haai, ve sab tujhe tttthon men udaaenge.

⁶ dek, israaael ke pradhaan log apane apane bal ke anusar tujh men hatya karanevale huae haain.

⁷ tujh men mata-apita tuchchh jane gae haain tere beech paradeshaee par andhor kiya gaya aur anath aur vidhava tujh men peesee gai haain.

⁸ too ne merree pavitra vastuon ko tuchchh jana, aur mere vishraamadinon ko apavitra kiya haai.

⁹ tujh men luchche log hatya karane ka tatpar hua, aur tere logon ne pahadon par bhojan kiya haai tere beech mahapap kiya gaya haai.

¹⁰ tujh men pita kee desh udhaaree gai tujh men retumatee sree se bhee bhog kiya gaya haai.

¹¹ kisee ne tujh men padosee kee sree ke sath ghainauna kam kiya aur kisee ne apanee bahoo ko bigadkar mahapap kiya haai, aur kisee ne apanee baahin arthata apane pita kee bettee ko bhrasht kiya haai.

¹² tujh men hatya karane ke liye unhon ne ghoos lee haai, too ne byaj aur sood liya aur apane padosiyon ko pees peesakar anyay se labh uttaya aur mujh ko too ne jhula diya haai, prabhu yahova kee yahee vanee haai.

¹³ so dek, jo labh too ne anyay se uttaya aur apane beech hatya kee haai, us se maain ne hath par hath de mara haai.

¹⁴ so jin dinon men tera nyay karoonga, kya un men tera day draddh yaaur tere hath sthiar rah sakenge? mujh yahova ne yah kaha haai, aur aeesea hee karoonga.

¹⁵ maain tere logon ko jati jati men titara-abitar karoonga, aur desh desh men chhtaira doonga, aur teree ashuddhta ko tujh men se nash karoonga.

¹⁶ aur too jaati jati ke dekhte huae apanee hee draashtti men apaavitra ttharegee tab too jan legee ki maain yahova hoo.

¹⁷ fir yahova ka yah vachan mere pas pahuncha,

¹⁸ he manushy ke santan, israaael ka gharana merree drashtti men dhaatu ka maail ho gaya haai ve sab ke sab bhttee ke beech ke peetal aur range aur lohe aur shaeesho ke saman ban gae ve chandee ke maail ke saman ho gae haain.

19 is karan prabhu yahova un se yon kahata haai, isaaliye ki tum sab ke sab dhaatu ke maail ke saman ban gaae ho, ho dekho, taain tum ko yarooshalem ke bheetar ikattha karane par hoo.

20 jaaise log chandee, peetal, loha, shaeesha, aur ranga isaaliye bhtthee ke bheetar battorakar rakhte haain ki unhe ag foonkakar pighalaae, vaaise hee maain tum ko apane kop aur jalajalahatt se ikattha karake vaheen rakhkar pighala doonga.

21 maain tum ko vahan battorakar apane rosh kee ag se foonkoonga, aur tum usake beech pighalaae jaoge.

22 jaaise chandee bhtthee ke beech men pighalai jatee haai, vaaise hee tum usake beech men pighalaae jaoge tab tum jan loge ki jis ne ham par apanee jalajalahatt bhdikai haai, vah yahova haai.

23 fir yahova ka yah vachan mere pas pahuncha,

24 he manushy ke santan, us desh se kah, too aeesa desh haai jo shuuddh naheen hua, aur jalajalahatt ke din men tujh par vashara naheen huirar

25 tere bhvishyadvktaon ne tujh men rajadraeh kee goshttee kee, unhon ne garajanevale sinh kee nai aher pakada aur praaanaiyon ko kha dala haai ve rakhe huae anamol dhan ko chheen lete haai, aur tujh men bahut striayon ko vidhava kar diya he.

26 usake yajakon ne meree vyavastha ka arth kheenchakhanchakar lagaya haai, aur meree paavitra vastuon ko apaavitra kiya haai unhon ne pavitranapavitra ka kuchh bhed naheen mana, aur n auron ko shuuddh-ashuuddh ka bhed sikhaya haai, aur ve mere vishraamadinon ke vishay men nishchaint rahate haai, jis se maain unake beech apavitra ttharata hoo.

27 usake pradhaan hundaron kee nai aher pakadte, aur anyay se labh uttane ke liye hatya karate haain aur praan ghaat karane ko tatpar rahate haain.

28 aur usake bhavishyadvkta unake liye kachchee lesai karate haai, unaka darshan pana midhya haai yahova ke bina kuchh kahe bhee ve yah kahakar joottee bhavete batate haain ki prabhu yahova yon kahata haai.

29 desh ke sadhaaran log bhee andhor karate aur paraya dhan chheenate haai, ve deen daridra ko peesate aur nyay kee chinta chhodkar paradshaee par andhoer karate haain.

30 aur maain ne un men aeesa manushy ddoonddhna chaha jo bade ko sudhaare aur desh ke nimitt nake men meree samhane aeesa khda ho ki mujhe usako nash n karana pade, parantu aeesa koi n mila.

³¹ is karan maain ne un par apana rosh bhdkaya aur apanee jalalahatt kee ag se unhen bhsam kar diya haai maain ne unakee chal unhee ke sir par lautta dee haai, parameshvar yahova kee yahee vanee haai..

Yahejakel 23

¹ yahova ka yah vachan mere pas pahuncha,

² he manushy ke santan, do striayan thee, jo aek hee ma kee bettee thee,

³ ve apane bachapan hee men veshya ka kam misra men karane lagee unakee chhatiyan kunvarapan men paahile vaheen meenjee gai aur unaka maradan bhee hua.

⁴ un ladkiyon men se badee ka nam ohola aur usakee baahin ka nam oholeeba tha. ve merree ho gai, aur unakee putra putraiyan utpann hui. unakee namon men se ohola to shaemaron, aur oheleeba yarooshalem haai.

⁵ ohola jab merree thee, tab hee vyaabhaicharinee hokar apane mitraen par mohit hone lagee jo usakee padosee ashshooree the.

⁶ ve to sab ke sab neele vasr paahinanevale manabhavane javan, adhaipaati aur pradhaan the, aur ghaedon par savar the.

⁷ so us ne unheen ke sath vyabhaichar kiya jo sab ke sab savattam ashshooree the aur jis kisee par vah mohit hui, usee kee mooratn se vah ashuddh hui.

⁸ jo vyabhaichar us ne misra men seekha tha, usako bhee us ne n chhoda kyonaki bachapan men manushyon ne usake sath kukarma kiya, aur usakee chhaatiyan meenjee, aur tana-man se usake sath vyaabhaichar kiya gaya tha.

⁹ is karan maain ne usako unheen ashshooree mitraen ke hath kar diya jin par vah mohit hui thee.

¹⁰ unhon ne usako nangee kiya usakee putra-mutraiyan chheenakar usako talavar se ghaat kiya is prakar unakee hath se dand pakar vah striayon men prasiddh ho gai.

¹¹ usakee baahin oholeeba ne yah dekha, taubhee vah mohit hokar vyabhaichar karane men apanee baahin se bhee adhaik baddh gai.

¹² vah apane ashshooree padosiyon par mohit hotee thee, jo sab ke sab aati sundar vasr paahinanevale aur ghaedon ke savar manabhavane, javanan adhaipaati aur prakar ke pradhaan the.

¹³ tab maain ne dekha ki vah bhee ashuddh ho gai un donon bahinon kee aek hee chal thee.

¹⁴ parantu oholeeba aadhaik vyaabhaichar karatee gai so jab us ne bheet par sendoor se kheenche huae aeese kasadee purushon ke chitra dekhe,

- 15 jo kaatt imen faentte bandho hua, sir men chhor lattkatee hui rangeelee pagadiyan paahine hua, aur sab ke sab apanee kasadee janmaboomi arthata babul ke logon kee reeti par pradhaanon ka roop dhare huae the,
- 16 tab unako dekhte hee vah un par mohit hui aur unake pas kasadiyon ke desh men doot bheje.
- 17 so babulee log usake pas palang par aa, aur usake sath vyaabhaichar karake use ashuddh kiya aur jab vah un se ashuddh ho gai, tab usaka man un se fir gaya.
- 18 taubhee jab vah tan udhadtee aur vyabhaichar karatee gai, tab mera man jaaise usakee baahin se fir gaya tha, vaaise hee us se bhee fir gaya.
- 19 is par bhee vah misra desh ke apne bachapan ke din smaran karake jab vah veshya ka kam karatee thee, aur adhaik vyaabhaichar karatee gai
- 20 aur aeese misraen par mohit hui, jinaka mans gadahon ka sa, aur veerya ghaedon ka sa tha.
- 21 too is prakar se apne bachapan ke us samay ke mahapap ka smaran karatee haai jab misraee log teree chhatiyen meenjate the.
- 22 is karan he oholeeba, parameshvar yahova tujh se yon kahata haai, dek, maain tere misraen ko ubharakar jin se tera man fir gaya charon or se tere viruddh le aunga.
- 23 arthata babuliyon aur sab kasadiyon ko, aur pakod, shae aur koa ke logon ko aur unake sath sab ashshooriyon ko launga jo sab ke sab ghaedon ke savar manabhavane javan aadhaipaati, aur kai prakar ke pratinidhai, pradhaan aur namee purush haain.
- 24 ve log haathaiyar, rat, chhkade aur desh desh ke logon ka dal liae huae tujh par chaddhai karenge aur ddhal aur faree aur ttop dhaaran kiae huae tere viruddh charon or panati bandhonge aur maain unheen ke hath nyay ka kam saunpoonga, aur ve apne apne niyam ke anusar tera nyay karenge.
- 25 aur maain tujh par jaloonga, jis se ve jalalahatt ke sath tujh se bartav karenge. ve teree nak aur kan katt lenge, aur tera jo bhee bacha rahega vah talavar se mara jaaega. ve tere putra-puatraiyon ko chheen le jaaenge, aur tera jo bhee bacha rahega, vah ag se bhsam ho jaaega.
- 26 ve tere vasr bhee utarakar tere sundara-sundar gahane chheen le jaaenge.
- 27 is reeti se maain tera mahapap aur jo veshya ka kam too ne misra desh men seekha tha, use bhee tujh se chhudaunga, yahan tak ki too fir apanee ankh unakee or n lagaaege aur n misra desh ko fir smaran karege.
- 28 kyonaki prabhu yahova tujh se yon kahata haai, dek, maain tujhe unake hath saunpoonga jin se too vaair rakhtee haai aur jin se tera man fir gaya haai

29 aur ve tujh se vaair ke sath bartav karenge, aur teree saree kamai ko utta lenge, aur tujhe nanga karake chhod denge, aur tere tan ke ughaade jane se tera vyabhaichar aur mahapap pragatt ho jaaega.

30 ye kam tujh se is karan kiae jaaenge kyonki too anyajaatiyon ke peechhe vyaabhaicharinee kee nai ho gai, aur unakee mooraten poojekar ashuddh ho gai haai.

31 too apanee baahin kee leek par chalee haai is karan maain tere hath men usaka sa kattora doonga.

32 prabhu yahova yon kahata haai, apanee baahin ke kattore se tujhe peena padega jee gaahira aur chauda haai too hansee aur tttthon men udai jaaegee, kyonaki us kattore men bahut kuchh samata haai.

33 too matavalepan aur dukh se chhk jaaegee. too apanee baahin shaemaron ke kattore ko, arthata vismay aur ujad ko peekar chhk jaaegee.

34 us men se too gar garakar peeegee, aur usake ttkairon ko bhee chabaegee aur apanee chhaatiyan ghaayal karegee kyonaki maain hee ne aeesa kaha haai, prabhu yahova kee yahee vanee haai.

35 too ne jo mujhe bhula diya haai aur apana munh mujh se faer liya haai, isaaliye too ap hee apane mahapap aur vyabhaichar ka bhar utta, parameshvar yahova ka yahee vachan haai.

36 yahova ne mujh se kaha, he manushy ke santan, kya too ohola aur oholeeba ka nyay karega? to fir unake ghainaune kam unhen jata de.

37 kyonaki unhon ne vyaabhaichar kiya haai, aur unake hathon men koon laga haai unhon ne apanee mooraton ke sath vyabhaichar kiya, aur apane ladkebale jo mujh se utpann huae the, un mooraton ke age bhsam hone ke liye chaddhaae haain.

38 fir unhon ne mujh se aeesa bartav bhee kiya ki usee ke sath mere pavitrasthan ko bhee ashuddh kiya aur mere vishraamadion ko apavitra kiya haai.

39 ve apane ladkebale apanee mooraton ke samhane baali chaddhakar usee din mera paavitrasthan apavitra karane ko us men ghausee. dek, unhon ne is bhanati ka kam mere bhvan ke bheetar kiya he.

40 aur unhon ne door se purushaen ko bulava bheja, aur ve chale bhee aae. unake liye too naha dhae, ankhon men anjan laga, gahane pahinakara

41 sundar palang par baaittee rahee aur tere samhane aek meja bichhee hui thee, jis par too ne mera dhoop aur mera tel rakha tha.

42 tab usake sath nishchaint logon kee bheed ka kolahal sun pada, aur un sadhaaran logon ke pas jangal se bulaae huae piyakkad log bhee the unhon ne

un donon baahinon ke hathon men choodyaian paahinai, aur unake siron par shaebhayaman mukutt rakhe.

⁴³ tab jo kyabhaichar karate karate buaddhiya ho gai thee, usake vishay men bol utta, ab to ve usee ke sath vyabhaichar karenge.

⁴⁴ kyonaki ve usake pas aeese gaae jaaise log veshya ke pas jate haain. vaaise hee ve ohola aur oholeeba nam mahapaapinee striayon ke pas gaae.

⁴⁵ so dhama log vyaabhaichaarinaiyon aur hatyaron ke yogy usaka nyay karen kyonki ve vyaabhaichaarineeyon aur hatyaron ke yogy usaka nyay karen kyonaki ve vyaabhaichaarinee haai, aur unake hathon men koon laga haai.

⁴⁶ is karan parameshvar yahova yon kahata haai, maain aek bheed se un par chaddhai karakar unhen aeese karoonga ki ve maree maree firengee aur lattee jaaengee.

⁴⁷ aur us bheed ke log unako patravah karake unhen apanee talavaron se katt dalenge, tab ve unake putra-puatrayon ko ghaat karake unake ghar bhee ag lagakar foonk denge.

⁴⁸ is prakar maain mahapap ko desh men se door karoonga, aur sab striayan shaiksha makar tumhara sa mahapap karane se bachee rahegee.

⁴⁹ tumhara mahapap tumhare hee sir padega aur tum nishchay apanee mooraton ko pooja ke papon ka bhar uttaoge aur tab tum jan loge ki maain parameshvar yahova hoon.

Yahejakel 24

¹ naven varsha ke dasaven maheene ke dasaven din ko, yahova ka yah vachan mere pas pahuncha,

² he manushy ke santan, aj ka din likh rak, kyonaki aj hee ke din babul ke raja ne yarooshalem a ghora haai.

³ aur is balabai gharane se yah drashttant kah, prabhu yahova kahata haai, hande ko ag par ghar do use dharakar us men panee dal do

⁴ tab us men jandha, kandha aur sab achchhe achchhe ttukade battorakar rakho aur use uttam uttam haaddiyon se bhr do.

⁵ jhund men se sab se achchhe pashu lekar un haddiyon ko hagade ke neeche ddher karo aur unako bhlee-bhanati pakao taki bheetar hee haaddiyan bhee pak jaaen.

⁶ isaliye prabhu yahova yon kahata haai, hay, us hatyaree nagaree par ! hay us hande par ! jisaka morcha us men bana haai aur chootta naheen us men se ttukada ttukada karake nikal lo, us par chitthee n dalee jaae.

- ⁷ kyonaki us nagaree men kiya hua koon us men haai us ne use boomi par dalakar dhooli se naheen ddhanpa, parantu nangee chattan par rakh diya.
- ⁸ isaliye maain ne bhee usaka koon nangee chattan par rakha haai ki vah ddhnp n sake aur ki badala lene ko jalajalahatt bhdke.
- ⁹ prabhu yahova yon kahata haai, hay, us koonee nagaree par ! maain bhee ddher ko bada karoonga.
- ¹⁰ aur aadhaik lakadee dal, ag ko bahut tej kar, mans ko bhlee bhanati paka aur masala mila, aur haaddiyan bhee jala do.
- ¹¹ tab hande ko choochha karake angaron par rakh jis se vah garma ho aur usaka peetal jale aur us men ka maail gale, aur usaka morcha nashtt ho jaae.
- ¹² maain usake karan paarishram karate karate thk gaya, parantu usaka bharee morcha us se chootta nahee, usaka morcha ag ke dara bhee naheen chootta.
- ¹³ he nagaree teree ashuddhta mahapap kee haai. maain to tujhe shuddh karana chahata tha, parantu too shuddh naheen hui, is karan jab tak maain apanee lajalajahatt tujh par shaant n kar loo, tab tak too fir shuddh n kee jaaegee.
- ¹⁴ mujh yahova hee ne yah kaha haai aur vah ho jaaega, maain aeesa hee karoonga, maain tujhe n chhodoonga, n tujh par taras khunga n pachhtaunga tere chalachalan aur kamon hee ke anusar tera nyay kiya jaaega, prabhu yahova kee yahee vanee haai.
- ¹⁵ yahova ka yah bhee vachan mere pas pahuncha,
- ¹⁶ he manushy ke santan, dek, maain teree ankhon ke piry ko marakar tere pas se le lene par hoo parantu n too rona-peetna aur n ansoo bahana.
- ¹⁷ lambee sansen le to le, parantu ve sunai n paden mare huon ke liye bhee vilap n karana . sir par pagadee bandho aur panvon men jootee pahane rahana aur n to apane hontt ko ddhanpana n shaek ke yogy rottee khana.
- ¹⁸ tab maain savere logon se bola, aur sanjh ko meree sree mar gai. aur bihan ko maain ne agyaa ke anusar kiya.
- ¹⁹ tab log mujh se kahane lage, kya too hamen n bataaega ki yah jo too karata haai, isaka ham logon ke liye kya arth haai?
- ²⁰ maain ne unako uttar diya, yahova ka yah vachan mere pas pahuncha,
- ²¹ too israael ke gharane se kah, prabhu yahova yon kahata haai, dekho, maain apane paavitrasthan ko jisake gaddh hone par tum foolate ho, aur jo tamharee ankhon ka chaha hua haai, aur jisako tumhara man chahata haai, use maain apaavitra karane par hoon aur apane jin bette-beattyaien ko tum vahan chhod aae ho, ve talavar se mare jaaenge.

²² aur jaaisa maain ne kiya haai vaaisa hee tum log karoge, tum bhee apane hontt n ddhanpoge, n shaek ke yogy rottee khaoge.

²³ toom sir par pagadee bandho aur panvon men jootee paahine rahoge, n tum rooge, n chhatee peettoge, varan apane adharna ke kamon men fanse huae galate jaoge aur aek doosare kee or karahate rahoge.

²⁴ is reeati yahojakel tumhare liye chinh ttharega jaaisa us ne kiya, tteek vaaisa hee tum bhee karoge. aur jab yah ho jaa, tab tum jan loge ki maain parameshvar yahova hoo.

²⁵ aur he manushy ke santan, kya yah sach nahee, ki jis din maain unaka draddh gaddh, unakee shaebha, aur harsha ka kara, aur unake bette-beattyaian jo unakee shaebha, unakee ankhon ka anand, aur man kee chah haai, unako maain un se le loonga,

²⁶ usee din jo bhagakar bachega, vah tere pas akar tujhe samachar sunaega.

²⁷ usee din tera munh khulega, aur too fir chup n rahega parantu us bache huae ke sath baten karega. so too in logon ke liye chinh ttharega aur ye jan lenge ki maain yahova hoo.

Yahejakel 25

¹ yahova ka yah vachan mere pas pahuncha,

² he manushy ke santan, ammoniyon kee or munh karake unake vishay men bhavishyadaneer kara.

³ un se kah, he ammoniyo, parameshvar yahova ka vachan suno, parameshvar yahova yon kahata haai ki tum ne jo mere paavitrasthan ke vishay jab vah apavitra kiya gaya, aur israael ke desh ke vishay jab vah ujad gaya, aur yahooda ke gharane ke vishay jab ve bandhauai men gaa, aha, aha ! kaha !

⁴ is karan dekho, maain tujh ko poorabiyon ke aadhaikar men karane par hoo aur ve tere beech apanee chhavaniyan dalenge aur apane ghar banaaenge ve tere fal khaaenge aur tera doodha peeaenge.

⁵ aur maain rabba nagar ko untton ke rahane aur ammoniyon ke desh ko bhed-bakaariyon ke baaittne ka sthan kar doonga tab tum jan loge ki maain yahova hoo.

⁶ kyonaki parameshvar yahova yon kahata haai, tum ne jo israael ke desh ke karan talee bajai aur nache, aur apane sare man ke aabhaiman se anand kiya,

⁷ is karan dek, maain ne apana hath tere upar baddhaya haai aur tujh ko jati jati kee loott kar doonga, aur desh desh ke logon men se tujhe mittaunga aur desh desh men se nash karoonga. maain tera satyanash kar daloonga tab too jan lega ki maain yahova hoo.

⁸ parameshvar yahova yon kahata haai, moab aur seir jo kahate haai, dekho, yahooda ka gharana aur sab jatiyon ke saman ho gaya he.

⁹ is karan dek, moab ke desh ke kinare ke nagaron ko betyashaeemot, balamon, aur kiryataaim, jo us desh ke shairomanai haai, maain unaka marga kholakar

¹⁰ unhen pooraabiyon ke vash men aesa kar doonga ki ve amyoniyon par chaddhai karen aur maain ammoniyan ko yahan tak unake adhaikar men kar doonga ki jati jati ke beech unaka smaran fir n rahega.

¹¹ aur maain moab ko bhee dand doonga. aur ve jan lenge ki maain yahova hoo.

¹² parameshvar yahova yon bhee kahata haai, aedom ne jo yahooda ke gharane se palatta liya, aur un se badala lekar bada doshaee ho gaya haai,

¹³ is karan parameshvar yahova yon kahata haai, maain aedom ke desh ke viruddh apana hath baddhakar us men se manushy aur pashu donon ko mittaunga aur teman se lekar dadan tak usako ujad kar doonga aur ve talavar se mare jaaenge.

¹⁴ aur maain apanee praja israaael ke dara aedom se apana badala loonga aur ve us desh men mere kop aur jalajalahatt ke anusar kam karenge. tab ve mera palatta lena jan lenge, parameshvar yahova kee yahee vanee haai.

¹⁵ parameshvar yahova yon kahata haai, kyonki palishtee logon ne palatta liya, varan apanee yug yug kee shatrauta ke karan apane man ke abhaiman se badala liya ki nash kare,

¹⁶ is karan parameshvar yahova yon kahata haai, dek, maain paalishtaiyon ke viruddh apana hath baddhane par hoo, aur kareatiyon ko mitta daloonga aur samudrateer ke bache huae rahanevalon ko nash karoonga.

¹⁷ aur maain jalajalahatt ke sath mukama ladkar, un se kadai ke sath palatta loonga. aur jab maain un se badala le loonga, tab ve jan lenge ki maain yahova hoo.

Yahejakel 26

¹ gsarahaven varsha ke paheele maheene ke pahile din ko yahova ka yah vachan mere pas pahancha,

² he manushy ke santan, sor ne jo yarooshalem ke vishy men kaha haai, aha, aha. jo desh desh ke logon ke faattk ke saman thee, vah nash hogai.

³ usake ujad jane se maain bhrapoor ho jaunga ! is karan parameshvar yahova kahata haai, he sor, dek, maain tere piruddh hoo aur aesa karoonga ki bahut see jaatiyan tere viruddh aeesee uttengee jaise samudra kee laharen utttee haain.

- ⁴ aur ve sor ke shaharapanah ko giraaengee, aur usake gummatton ko tod dalengee aur maain us par se usakee mittee khurachakar use nangee chattan kar doonga.
- ⁵ vah samudra ke beech ka jal faailane hee ka sthan ho jaaega kyonaki parameshvar yahova kee yah vanee haai aur vah jati jati se lutt jaaega
- ⁶ aur usakee jo beattyaian maaidan men haai, ve talavar se maree jaaengee. tab ve jan lenge ki maain yahova hoo.
- ⁷ kyonaki parameshvar yahova yah kahata haai, dek, maain sor ke viruddh rajadhairaj babul ke raja nabookadanessar ko ghodo, ratho, savaro, badee bheed, aur dal samet uttar disha se le aunga.
- ⁸ aur teree jo bettyaian maaidan men ho, unako vah talavar se marega, aur tere viruddh kott banaaega aur damadama bandhoga aur ddhal uttaaega.

¹ dasaven varsha ke dasaven maheene ke barahaven din ko yahova ka yah vachan mere pas pahuncha,

² he manushy ke santan, apana mukh misra ke raja firaun kee or karake usake aur sare misra ke viruddh bhavishyadaneer kara

³ yah kah, parameshvar yahova yon kahata he, he misra ke raja firaun, maain tere viruddh hoo, he bade nagar, too jo apanee nadiyon ke beech pada rahata haai, jis ne kaha haai ki meree nadee meree nij kee haai, aur maain hee ne usako apane liye banaya haai.

⁴ maain tere jabadon men akade daloonga, aurateree nadiyon kee machhliyon ko teree khal men chipattaunga, aur teree khal men chipattee hui teree nadiyon kee sab machhliyon samet tujh ko teree naadiyon men se nikaloonga.

5 tab maain tujhe teree nadiyon ke saree machhaliyon samet jangal men nikal doonga, aur too maaidan men pada rahega kisee bhee prakar se teree suadhain leee jaaegee. maain ne tujhe vanapashuon aur akash ke paakshiyon ka ahar kar diya haai.

7 jab unhon ne tujh par hath ka bal diya tab too toott gaya aur unake pakhaude ukhd hee gae aur jab unhon ne tujh par ttek lagai, tab too toott gaya, aur unakee kamar kee saree nasen chaddh gai.

8 is karan prabhu yahova yon kahata haai, dek, maain tujh par talavar chalavakar, tere manushy aur pashu, sabhon ko nash karoonga.

9 tab misra desh ujad hee ajad hoga aur ve jan lenge ki maain yahova hoo. ds ne kaha haai ki merree nadee merree apanee hee haai, aur maain hee ne use banaya.

10 is karan dek, maain tere aur teree nadiyon ke viruddh hoo, aur misra desh ko migdol se lekar savene tak varan koosh desh ke sivane tak ujad hee ujad kar doonga.

11 chalees varsha tak us men manushy va pashu ka panv tak n padega aur n us men koi basega.

¹⁰ parameshvar yahova yon kahata he, maain babul ke raja nabookadanessar ke hath se misra kee bheed-bhad ko nash kara doonga.

- 11 vah apanee praja samet, jo sab jatiyon men bhyanak haai, us desh ke nash karane ko pahunchaya jaaega aur ve misra ke viruddh talavar kheenchakar desh ko mare huon se bhr denge.
- 12 aur maain nadiyon ko sukha daloonga, aur desh ko bure logon ke hath kar doonga aur maain paradeashaiyon ke dara desh ko, aur jo kuchh us men haai, ujad kara doonga mujh yahova hee ne yah kaha haai.
- 13 parameshvar yahova yon kahata haai, maain nop men se mooraton ko nash karoonga aur us men kee mooraton ko rahane n doonga fir koi pradhaan misra desh men n uttega aur men misra desh men bhy upajaunga.

- 16 aur maain misra men ag lagaunga seen bahut thrathraaega aur no faada jaaega aur nop ke virodhae din dahade uttenge.
- 17 aven aur peeveset ke javan talavar se girenge, aur ye nagar bandhauai men chale jaaenge.
- 18 jab maain misiryon ke juon ko tahapanhes men todoonga, tab us men din ko andhora hoga, aur usakee samarth jis par vah foolata haai, vah nash ho jaaege us par ghatta chha jaaege aur usakee bettyaian bandhauai men chalee jaaengee.
- 19 is prakar maain misiryon ko dand doonga. aur ve jan lenge ki maain yahova hoo.
- 20 fir gyarahaven varsha ke paahile maheene ke sataven din ko yahova ka yah vachan mere pas pahuncha,
- 21 he manushy ke santan, maain ne misra ke raja firaun kee bhujia tod dee haai aur dekh? n to vah jodee gai, n us par lep lagakar pattee chaddhai gai ki vah bandhane se talavar pakadne ke yogy ban sake.
- 22 so prabhu yahova yon kahata haai, dek, maain misra ke raja firaun ke viruddh hoo, aur usakee achchhee aur toottee deenon bhujiaon ko todoonga aur talavar ko usake hath se giraunga.
- 23 maain misiryon ko jati jati men titara-abitar karoonga, aur desh desh men chhtairaunga.

Yahejakel 31

¹ gyarahaven varsha ke teesare maheene ke pahile din ko yahova ka yah vachan mere pas pahuncha,

² he manushy ke santan, misra ke raja firaun aur usakee bheed se kah, apanee badai men too kis ke saman haai.

³ dek, ashshoor to labanon ka aek devadar tha jisakee sundar sundar shaakhe, ghanee chhaya deteen aur badee unchee thee, aur usakee faunagee badalon tak pahunchatee thee.

⁴ jal ne use baddhaya, us gaahire jal ke karan vah uncha hua, jis se nadiyan usake sthan ke charon or bahatee thee, aur usakee naliyan nikalakar maaidan ke sare vrakshaen ke pas pahunchatee theen.

⁵ is karan usakee unchai maaidan ke sab vrakshaen se aadhaik hui usakee tthaniyan bahut hui, aur usakee shaakhaen lambee ho gai, kyonaki jab ve nikalee, tab unako bahut jal mila.

⁶ usakee tthaniyon men akash ke sab prakar ke pakshaee basera karate the, aur usakee shaakhaon ke neeche maaidan ke sab bhanti ke jeevajantu janmate the aur usakee chhaya men sab badee jatiyan rahatee theen.

⁷ vah apanee badai aur apanee daliyon kee lambai ke karan sundar hua kyonki usakee jad bahut jal ke nikatt thee.

⁸ parameshvar kee baree ke devadar bhee usako n chhpai sakate the, sanaubar usakee tthaaniyon ke saman bhee n the, aur n aman vraksha usakee shaakhaon ke tuly the parameshvar kee baree ka bhee koi vraksha sundarata men usakee barabar n tha.

⁹ maain ne use daaliyon kee bahutayat se sundar banaya tha, yahan tak ki aeden ke sab vraksha jo parameshvar kee baree men the, us se dah karate the.

¹⁰ is karan parameshvar yahova ne yon kaha haai, usakee unchai jo baddh gai, aur usakee faunagee jo badalon tak pahunchee haai, aur apanee unchai ke karan usaka man jo fool utta haai,

¹¹ isaliye jaatiyon men jo samath haai, maain usee ke hath usako kar doonga, aur vah nishchay us se bura vyavahar karega. usakee dushtta ke karan maain ne usako nikal diya haai.

¹² paradeshae, jo jaatiyon men bhyanak log haai, ve usako kattkar chhod denge, usakee daaliyan pahadon par, aur sab taraiyon men girai jaaengee, aur usakee shaakhaaen desh ke sab nalon men toottee padee rahengee, aur jati jati ke sab log usakee chhaya ko chhodkar chale jaaenge.

¹³ us gire huae vraksha par akash ke sab pakshae basera karate haai, aur usakee shaakhaon ke upar maaidan ke sab jeevajantu chaddhne pate haain.

¹⁴ yah isaliye hua haai ki jal ke pas ke sab vrakshaen men se koi apanee unchai n baddhaa, n apanee faunagee ko badalon tak pahunchaa, aur un men se jitane jal pakar draddh ho gae haain ve unche hone ke karan sir n uttaaen kyonki ve bhee sab ke sab kabar men gade huae manushyon ke saman mratyu ke vash karake adhaelok men dal diae jaaenge.

¹⁵ parameshvar yahova yon kahata haai, jis din vah adhaelok men utar gaya, us din maain ne vilap karaya aur gaahire samudra ko ddhanp diya, aur naadiyon ka bahut jal ruk gaya aur usake karan maain ne labanon par udasee chha dee, aur maaidan ke sab vraksha moorchhri hue.

¹⁶ jab maain ne usako kabar men gade huon ke pas adhaelok men faenk diya, tab usake girane ke shabd se jaati jati thrathra gai, aur aeden ke sab vraksha arthata labanon ke uttam uttam vrakshaen ne, jitane us se jal pate haai, un sabhon ne adhaelok men shaaantai pai.

¹⁷ ve bhee usake sang talavar se mare huon ke pas adhaelok men utar gae arthata ve jo usakee bhujathe, aur jati jati ke beech usakee chhaya men rahate the.

¹⁸ so maahima aur badai ke vishay men aeden ke vrakshaen men se too kis ke saman haai? too to aeden ke aur vrakshaen ke sath adhaelok men utara jaaega, aur khtanaheen logon ke beech talavar se mare huon ke sang pada rahega. firaun apanee saree bhed-bhad samet yon hee hoga, parameshvar yahova kee yahee vane haai.

¹⁴ tab maain unaka jal nirmal kar doonga, aur unakee nadiyan tel kee nai bahengee, parameshvar yahova kee yahee vane haai.

¹⁵ jab maain misra desh ko ujad kar doonga aur jis se vah bhrapoor haai, us se choochha kar doonga, aur jab maain usake sab rahanevalon ko maroonga, tab ve jan lenge ki maain yahova hoo.

¹⁶ logon ke vilap karane ke liye vilap ka geet yahee haai jaati-jati kee striyan ise gaaengee misra aur usake saree bheed ke vishay ve yahee vilapageet gaaengee, parameshvar yahova kee yahee vane haai.

¹⁷ fir barahaven varsha ke pahile maheene ke pandrahaven din ko yahova ka yah vachan mere pas pahuncha,

18 he manushy ke santan, misra kee bheed ke liye haya-hay kar, aur usako pratapee jatiyon kee beattyaien samet kabar men gade huon ke pas adhaelok men utara.

19 too kis se manohar haai? too utarakar khtanaheenon ke sang pada raha.

20 ve talavar se mare huon ke beech girenge, un ke liye talavar hee ttharai gai haai so misra ko usakee saree bheed samet ghaseett le jao.

21 samath shooraveer us se aur usake sahayakon se adhaelok men baten karenge ve khtanaheen log vahan talavar se mare pade haain.

22 apanee saree sabha samet ashshoor bhee vahan haai, usakee kabaren usake charon or haain sab ke sab talavar se mare gae haain.

23 usakee kabaren gadhe ke konon men banee hui haai, aur usakee kabar ke charon or usakee sabha haai ve sab ke sab jo jeevanalok men bhy upajate the, ab talavar se mare pade haain.

24 vahan aelam haai, aur usakee kabar kee charon or usakee saree bheed haai ve sab ke sab talavar se mare gae haai, ve khtanaheen adhaelok men utar gae haain ve jeevanalok men bhy upajate the, parantu ab kabar men aur gade huon ke sang unake munh par bhee siyahee chhai hui haai.

25 usakee saree bheed samet use mare huon ke beech sej milee, usakee kabaren usee ke charon or haai, ve sab ke sab khtanaheen talavar se mare gae unhon ne jeevanalok men bhy upajaya tha, parantu ab kabar men aur gade huon ke sang unake munh par siyahee chhai hui haai aur ve mare huon ke beech rakhe gae haain.

26 vahan saree bheed samet meshok aur toobal haai, unake charon or kabaren haain ve sab ke sab khtanaheen talavar se mare gae, kyonki jeevanalok men ve bhy upajate the.

27 aur un gire huae khtanaheen shooraveeron ke sang ve pade n rahenge jo apane apane yuddh ke haathaiyar liae huae adhaelok men utar gae haai, vahan unakee talavaren unake siron ke neeche rakhee hui haai, aur unake adharma ke kam unakee haddiyon men vyape haain kyonaki jeevanalok men un se shooraveeron ko bhee bhy upajata tha.

28 isaliye too bhee khtanaheenon ke sang anga-bhng hokar talavar se mare huon ke sang pada rahega.

29 vahan aedom aur usake raja aur usake saree pradhaan haai, jo parakramee hone par bhee talavar se mare huon ke sang rakhe haain gadhe men gade huae khtanaheen logon ke sang ve bhee pade rahenge.

30 vahan uttar disha ke saree pradhaan aur saree seedonee bhee haain jo mare huon ke sang utar gae unhon ne apane parakram se bhy upajaya tha, parantu

ab ve laajjait huae aur talavar se aur mare huon ke sath ve bhee khtanaheen pade huae haai, aur kabar men any gade huon ke sang unake munh par bhee siyahee chhai hui haai.

³¹ inhen dekhkar firaun bhee apanee saree bheed ke vishay men shaantai paaega, han firaun aur usakee saree sena jo talavar se maree gai haai, parameshvar yahova kee yahee vanee haai.

³² kyonaki maain ne usake karan jeevanalok men bhy upajaya tha isaaliye vah saree bheed samet talavar se aur mare huon ke sahit khtanaheenon ke beech littaya jaaega, parameshvar yahova kee yahee vanee haai.

Yahejakel 33

¹ yahova ka yah vachan mere pas pahuncha,

² he manushy ke santan, apane logon se kah, jab maain kisee desh par talavar chalane lagoo, aur us desh ke log kisee ko apana paharua karake ttharaae,

³ tab yaadi vah yah dekhkar ki is desh par talavar chala chahatee haai, narasinga foonkakar logon ko chita de,

⁴ to jo koi naraasinge ka shabd sunane par n chete aur talavar ke chalane se mar jaa, usaka koon usee ke sir padega.

⁵ us ne narasinge ka shabd suna, paranatu n cheta so usaka koon usee ko lagega. parantu, yadi vah chet jata, to apana praan bacha leta.

⁶ parantu yadi paharua yah dekhne par ki talavar chala chahatee haai narasinga foonkakar logon ko n chitaa, aur talavar ke chalane se un men se koi mar jaa, to vah to apane adharma men fansa hua mar jaaega, parantu usake khun ka lekha maain paharuae hee se loonga.

⁷ isaliye, he manushy ke santan, maain ne tujhe israaael ke gharane ka paharua tthara diya haai tu mere munh se vachan sun sunakar unhon meree or se chita de.

⁸ yaadi maain dushtt se kahoo, he dusht, too nishchay marega, tab yadi too dushtt ko usake marga ke vishay n chitaa, to vah dushtt apane adharma men fansa hua marega, parantu usake koon ka lekha men tujhee se loonga.

⁹ parantu yadi too dushtt ko usake marga ke vishay chitaae ki vah apane marga se fire aur vah apane marga me n fire, to vah to apane adharma men fansa hua marega, parantu too apana praan bacha lega.

¹⁰ fir he manushy ke santan, israaael ke gharane se yah kah, tum log kahate ho, hamare aparadhaen aur papon ka bhar hamare upar lada hua haai aur ham usake karan galate jate haain ham kaaise jeeavit rahen?

- 11 so too ne un se yah kah, parameshvar yahova kee yah vanee haai, mere jeevan kee saugandha, maain dushtt ke marane se kuchh bhee prasann naheen hota, parantu is se ki dushtt apane marga se firakar jeevit rahe he israaael ke gharane, tum apane apane bure marga se fir jao tum kyon maro?
- 12 aur he manushy ke santan, apane logon se yah kah, jab dhama jan aparadha kare tab usaka dharma use bacha n sakega aur dushtt kee dushtta bhee jo ho, jab vah us se fir jaa, to usake karan vah n girega aur dhama jan jab vah pap kare, tab apane dharma ke karan jeevit n rahega.
- 13 yaadi maain dhama se kahoon ki too nishchay jeevit rahega, aur vah apane dharma par bhrosa karake kuattlai kam karane lage, tab usake dharma ke kamon men se kisee ka smaran n kiya jaaega jo kuttlai kam us ne kiae hon vah unhee men fansa hua marega.
- 14 fir jab maain dushtt se kahoo, too dishchay marega, aur vah apane pap se firakar nyay aur dharma ke kam karane lage,
- 15 arthata yaadi dushtt jan bandhak faer de, apanee loottee hui vastuen bhr de, aur bina kuattlai kam kiae jeevanadayak vidhaiyon par chalane lage, to vah n marega vah nishchay jeevit rahega.
- 16 jitane pap us ne kiae ho, un men se kisee ka smaran n kiya jaaega us ne nyay aur dharma ke kam kiae aur vah nishchay jeevit rahega.
- 17 taubhee tumhare log kahate haai, prabhu kee chal tteek naheen parantu unheen kee chaj tteek naheen haai.
- 18 jab dhama apane dharma se firakar kuttlai kam karane lage, tab nishchay vah un men fansa hua mar jaaega.
- 19 aur jab dushtt apanee dushtta se firakar nyay aur dharma ke kam karane lage, tab vah unake karan jeevit rahega.
- 20 taubhee tum kahate ho ki prabhu kee chal tteek naheen? he israaael ke gharane, maain har aek vyaktai ka nyay usakee chal hee ke anusar karoonga.
- 21 fir hamaree bandhauai ke gyarahaven varsha ke dasaven maheene ke panchaven din ko, aek vyaaktai jo yarooshalem se bhagakar bach gaya tha, vah mere pas akar kahane laga, nagar le liya gaya.
- 22 us bhage huae ke ane se pahile sanjh ko yahova kee shaktai mujh par hui thee aur bhor tak arthata us manushy ke ane tak us ne mera munh khol diya yo mera muh khula hee raha, aur maain fir goonga n raha.
- 23 tab yahova ka yah vachan mere pas pahuncha,
- 24 he manushy ke santan, israaael kee boomi ke un khndharon ke rahanevale yah kahate haai, ibraaheem aek hee manushy tha, taubhee desh ka aadhaikaree hua

parantu ham log bahut se haai, isaaliye desh nishchay hamare hee adhaikar men diya gaya haai.

²⁵ is karan too un se kah, parameshvar yahova yon kahata haai, tum log to mans lohoo samet khate aur apanee mooraton kee or drashti karate, aur hatya karate ho fir kya tum us desh ke adhaikaree rahane paoge?

²⁶ tum apanee apanee talavar par bhrosa karate aur ghainaune kam karate, aur apane apane padosee kee sree ko ashuddh karate ho fir kya tum us desh ke adhaikaree rahane paoge?

²⁷ too un se yah kah, parameshvar yahova yon kahata haai, mere jeevan kee saugandha, nisandeh jo log khndharon men rahate haai, ve talavar se girenge, aur jo khule maaidan men rahata haai, use maain jeevajantuon ka ahar kar doonga, aur jo gaddhon aur gufaaon men rahate haai, ve maree se mareenge.

²⁸ aur maain us desh ko ujad hee ujad kar doonga aur usake bal ka ghamand jata rahega aur israael ke pahad aeese ujadenge ki un par hokar koi n chalega.

²⁹ so jab maain un logon ke kiae huae sab ghainaune kamon ke karan us desh ko ujad hee ujad kar doonga, tab ve jan lenge ki maain yahova hoo.

³⁰ aur hee manushy ke santan, tere log bheeton ke pas aur gharon ke daron men tere vishay men baten karate aur aek doosare se kahate haai, ao, suno, ki yahova kee or se kaun sa vachan nikalata haai.

³¹ ve praja kee nai tere pas ate aur meree praja banakar tere samhane baaitkar tere vachan sunate haai, parantu ve un par chalate naheen munh se to ve bahut praem dikhate haai, parantu unaka man lalach hee men laga rahata haai.

³² aur too unakee draashti men praem ke madhaur geet ganevale aur achchhe bajanevale ka sa tthara haai, kyonaki ve tere vachan sunate to haai, parantu un par chalate naheen.

³³ so jab yah bat ghattegee, aur vah nishchay ghattegee ! tab ve jan lenge ki hamare beech aek bhvishyadvkta aya tha.

Yahejakel 34

¹ yahova ka yah vachan mere pas pahuncha,

² hee manushy ke santan, israael ke charavahon ke viruddh bhavishyadaneer karake un charavahon se kah, parameshvar yahova yon kahata hee, hay israael ke charavahon par jo apane apane pett bhrate haain ! kya charavahon ko bhed-bakaariyon ka pett n bhrana chahiae?

³ tum log chaba khate, un paahinate aur motte motte pashuon ko kattte ho parantu bhed-bakaariyon ko tum naheen charate.

4 tum ne beemaron ko balavan n kiya, n rogiyon ko changa kiya, n ghayalon ke ghaavon ko bandha, n nikalee hui ko faer laa, n khorira iui ko khoja, parantu tum ne bal aur jabaradastee se adhaikar chalaya haai.

5 ve charavahe ke n hone ke karan titara-abitar hui aur sab vanapashuon ka ahar ho gai.

6 meree bhed-bakaariyan titara-abitar hui haai ve sare pahadon aur unche unche tteelon par bhhtkatee theen meree bhed-bakaariyan saree prathvee ke upar titara-abitar hui aur n to koi unakee sudhai leta tha, n koi unako ddoonddhta tha.

7 is kara, he charavaho, yahova ka vachan suno.

8 parameshvar yahova kee yah vanee haai, mere jeevan kee saugandha, meree bhed-bakaariyan jo lutt gai, aur meree bhed-bakaariyan jo charavahe ke n hone ke karan sab vanapashuon ka ahar ho gai aur isaaliye ki mere charavahon ne meree bhed-bakaariyon kee suadhai naheen lee, aur meree bhed-bakaariyon ka pett nahee, apana hee apana pett bhra

9 is karan he charavaho, yahova ka vachan suno,

10 parameshvar yahova yon kahata he, dekho, maain charavahon ke viruddh hoo aur maain un se apanee bhed-bakaariyon ka lekha loonga, aur unako fir unhen charane n doonga ve fir apana apana pett bhrane n paaenge. maain apanee bhed-bakaariyan unake munh se chhudaunga ki age ko ve unaka ahar n hon.

11 kyonaki parameshvar yahova yon kahata haai, dekho, maain ap hee apanee bhed-kariyon kee suadhai doonga, aur unhen ddoonddhoonga.

12 jaaise charavaha apanee bhed-bakaariyon men se bhhtkee hui ko fir se apane jhund men battorata haai, vaaise hee maain bhee apanee bhed-bakaariyon ko battoroonga maain unhe un sab sthanon se nikal le aunga, jahan jahan ve badal aur ghaer andhakar ke din titara-abitar ho gai hon.

13 aur maain unhon desh desh ke logon men se nikaloonga, aur desh desh se iattha karoonga, aur unheen ke nij boomi men le aunga aur israaael ke pahadon par or nalon men aur us desh ke sab base huae sthanon men charaunga.

14 maain unhen achchhee charai men charaunga, aur israaael ke unche unche pahadon par unako charai milegee vahan ve achchhee haariyalee men baaitta kareengee, aur israaael ke pahadon par uttam se uttam charai chareengee.

15 maain ap hee apanee bhed-bakaariyon ka charavaha hoonga, aur maain ap hee unhen baaittaunga, parameshvar yahova kee yahee vanee haai.

16 maain khoi hui ko ddoonddhoonga, aur nikalee hui ko faer launga, aur ghaayal ke ghaav bandhoonga, aur beemar ko balavana karoonga, aur jo mottee aur

balavant haain unhen maain nash karoonga maain unakee charavahee nyay se karoonga.

17 aur he mere jhun, tum se parameshvar yahova yon kahata haai, dekho maain bhed-bhed ke beech aur meddhon aur bakaron ke beech nyay karata hoo.

18 kya tumhen yah chhottee bat jan padtee haai ki tum achchhee charai char lo aur shosh charai ko apane panvon se raundo aur kya tumhen yah chhottee bat jan padtee haai ki tum nirmal jal pee lo aur shosh jal ko apane panvon se gandala karo?

19 aur kya meree bhed-bakaariyon ko tumhare panvon se raunde huae ko charana, aur tumhare panvon se gandale kiae huae ko peena padega?

20 is karan parameshvar yahova un se yon kahata haai, dekho, maain ap mottee aur dubalee bhed-bakaariyon ke beech nyay karoonga.

21 tum jo sab beemaron ko panjar aur kandho se yahan tak ddhkelate aur seeng se yahan tak marate ho ki ve titara-abitar ho jatee haai,

22 is karan maain apanee bhed-bakaariyon ko chhudaunga, aur ve fir n luttengee, aur maain bhed-bhed ke aur bakaree-bakaree ke beech nyay karoonga.

23 aur maain un par aeesa aek charavaha ttaraunga jo unakee charavahee karega, vah mera das daud hoga, vahee unako charaagea, aur vahee unaka charavaha hoga.

24 aur maai, yahova, unaka parameshvar ttaroonga, aur mera das daud unake beech pradhaan hoga mujh yahova hee ne yah kaha haai.

25 maain unake sath shaaantai kee vacha bandhoonga, aur dusht jantuon ko desh men n rahane doonga so ve jangal men nidr rahenge, aur van men soaenge.

26 aur maain unhen aur apanee pahadee ke as pas ke sthanon ko ashaeesh ka karan bana doonga aur menh ko maain tteek samay men barasaya karoonga aur ve ashaeashaen kee vashara hongee.

27 aur maaidan ke vraksha falenge aur boomi apanee upaj upajaaegee, aur ve apane desh men nidr rahenge jab maain unake jooae ko todkar un logon ke hath se chhudaunga, jo un se seva karate haai, tab ve jan lenge ki maain yahova hoo.

28 ve fir jati-jati se lootte n jaaenge, aur n vanapashu unhen faad khaaenge ve nidr rahenge, aur unako koi n draaega.

29 aur maain unake liye mahan bariyen upajaunga, aur ve desh men fir bookhon n mareenge, aur n jaati-jati ke log fir unakee ninda karenge.

30 aur ve janenge ki maain parameshvar yahova, unake sang hoo, aur ve jo israael ka gharana haai, ve meree praja haai, mujh parameshvar yahova kee yahee vane haain.

³¹ tum to merree bhed-bakaariya, merree charai kee bhed-bakaariyan ho, tum to manushy ho, aur maain tumhara parameshvar hoo, parameshvar yahova kee yahee vanee haai.

Yahejakel 35

¹ yahova ka yah vachan mere pas pahuncha,

² he manushy ke santan, apana munh seir pahad kee or karake usake viruddh bhavishyadaneer kar,

³ aur us se kah, parameshvar yahova yon kahata haai, he seir pahad, maain tere viruddh hoo aur apana hath tere viruddh baddhakar tujhe ujad hee ujad kar doonga.

⁴ maain tere nagaron ko khndhar kar doonga, aur too ujad ho jaaega tab too jan lega ki maain yahova hoo.

⁵ kyonaki too israaaliyon se yuga-yug kee shatruuta rakhta tha, aur unakeer vipaattai ke samay jab unakee adharm ke dand ka samay pahuncha, tab unhen talavar se mare jane ko de diya.

⁶ isaliye parameshvar yahova kee yah vanee haai, mere jeevan kee saugandha, maain tujhe hatya kiae jane ke liye taaiyar karoonga or koon tera peechha karega too to koon se n ghainata tha, as karan koon tera peechha karega.

⁷ is reeati maain seir pahad ko ujad hee ujad kar doonga, aur jo us men ata-jata ho, maain usako nash karoonga.

⁸ aur maain usake pahadon ko mare huon se bhr doonga tere tteelo, taraiyon aur sab nalon men talavar se mare huae girenge !

⁹ maain tujhe yug yug ke liye ujad kar doonga, aur tere nagar fir n basenge. tab tum jan lage ki maain yahova hoo.

¹⁰ kyonaki too ne kaha haai, ki ye donon jaatiyan aur ye donon desh mere hongee aur ham hee unakee svamee ho jaaenge, yadhyapi yahova vahan tha.

¹¹ is kara, parameshvar yahova kee yah vanee haai, mere jeevan kee saugandha, tere kop ke anusar, aur jo jalajalahatt too ne un par apane vaair ke karan kee haai, usee ke anusar maain tujh se bartav karoonga, aur jab maain tera nyay karoo, tab tum men apane ko pragatt karoonga.

¹² aur too janega, ki mujh yahova ne teree sab tiraskar kee baten sunee haai, jo too ne israael ke pahadon ke vishay men kahee, ki, ve to ujad gaa, ve ham hee ko diae gae haain ki ham unhen kha dalen.

¹³ tum ne apane muunh se mere viruddh badai maree, aur mere viruddh bahut baten kahee haain ise maain ne suna haai.

¹⁴ parameshvar yahova yon kahata haai, jab prathvee bhr men anand hoga, tab maain tujhe ujad karoonga.

¹⁵ too israaael ke gharane ke nij bhag ke ujad jane ke karan anaandait hua, so maain bhee tujh se vaaisa hee karoonga he seir pahad, he aedom ke sare desha, too ujad ho jaaega. tab ve jan lenge ki maain yahova hoo.

Yahejakel 36

¹ fir he manushy ke santan, too israaael ke pahadon se bhavishyadaneer karake kah, he israaael ke pahado, yahova ka vachan suno.

² parameshvar yahova yon kahata haai, shatra ne to tumhare vishay men kaha haai, aha ! praacheenakal ke unche sthan ab hamare adhaikar men a gaae.

³ is karan bhvishyadaneer karake kah, parameshvar yahova yon kahata he, logon ne jo tumhen ujada aur charon or se tumhen aeesa nigal liya ki tum bachee hui jatiyon ka aadhaikar ho jao, aur lutare tumharee charcha karate aur sadhaaran log tumharee ninda karate haain

⁴ is kara, he israaael ke pahado, parameshvar yahova ka vachan suno, parameshvar yahova tum se yon kahata haai, arthata pahadon aur pahaadiyon se aur nalon aur taraiyon se, aur ujade huae khndharon aur nirjan nagaron se jo charon or kee bachee hui jatiyon se lutt gaae aur unake hansane ke karan ho gaae haain

⁵ parameshvar yahova yon kahata haai, nishchay maain ne apanee jalan kee ag men bachee hui jatiyon ke aur sare aedom ke viruddh men kaha haai ki jinhon ne mere desh ko apane man ke poore anand aur abhaiman se apane aadhaikar men kiya haai ki vah paraya hokar lootta jaae.

⁶ is karan israaael ke desh ke vishay men bhavishyadaneer karake pahado, pahaadiyo, nalo, aur taraiyon se kah, parameshvar yahova yon kahata haai, dekho, tum ne jatiyon kee ninda sahee haai, is karan maain apanee badee jalajalahatt se bola hoo.

⁷ parameshvar yahova yon kahata haai, maain ne yah shapath khai haai ki nisandeh tumhare charon or jo jaatiyan haai, unako apanee ninda ap hee sahanee padegee.

⁸ parantu, he israaael ke pahado, tum par daliyan panapengee aur unake fal meree praja israaael ke liye lagenge kyonki usaka lautt ana nikatt haai.

⁹ aur dekho, maain tumhare paksha men hoo, aur tumharee or krapadraashti karoonga, aur tum jote-boae jaoge

¹⁰ aur maain tum par bahut manushy arthata israaael ke sare gharane ko basaunga aur nagar fir basaae aur khndhar fir banaaen jaaenge.

11 aur maain tum par manushy aur pashu donon ko bahut baddhaunga aur ve baddhenge aur foolen-falenge aur maain tum ko praacheenakal kee nai basaunga, aur pahile se aadhaik tumharee bhilai karoonga. tab tum jan loge ki maain yahova hoo.

12 aur maain aesa karoonga ki manushy arthta meree praja israael tum par chala-afiregee aur ve tumhare svamee honge, aur tum unaka nij bhag honge, aur ve fir tumhare karan nirvash n ho jaaenge.

13 parameshvar yahova yon kahata he, jo log tum se kaha karate haai, ki too manushyon ka khanevala haai, aur apane par basee hui jaati ko tirvash kar deta haai,

14 so fir too manushyon ko n khaega, aur n apane par basee hui jaati ko nirvash karega, parameshvar yahova kee yahee vane haai.

15 aur maain fir jati-jati ke logon se teree ninda n sunavaunga, aur tujhe jaati-jati kee or se fir namadharai n sahanee padegee, aur tujh par basee hui jati ko too fir ttokar n khailaega, parameshvar yahova kee yahee vane haai.

16 fir yahova ka yah vachan mere pas pahuncha,

17 he manushy ke santan, jab israael ka gharana apane desh men rahata tha, tab apanee chalachalan aur kamon ke dara ve usako ashuddh karate the unakee chalachalan mujhe retumatee kee ashuddhta see jan padtee thee.

18 so jo hatya unhon ne desh men kee, aur desh ko apanee mooratn ke dara ashuddh kiya, isake karan maain ne un par apanee jalalahatt bhdkai.

19 aur maain ne unhen jati-jati men titara-abitar kiya, aur ve desh desh men chhtair gae unake chalachalan aur kamon ke anusar maain ne unako dand diya.

20 parantu jab ve un jatiyon men pahunche jin men ve pahunchae gae, tab unhon ne mere pavitra nam ko apavitra ttharaya, kyonki log unake vishay men yah kahane lage, ye yahova kee praja haai, parranatu usake desh se nikale gae haain.

21 parantu maain ne apane paavitra nam kee suadhai lee, jise israael ke gharane ne un jatiyon ke beech apavitra ttharaya tha, jahan ve gae the.

22 is karan too israael ke gharane se kah, parameshvar yahova yon kahata haai, he israael ke gharane, maain is ko tumhare nimitt nahee, parantu apane paavitra nam ke nimitt karata hoo jise tum ne un jatiyon men apavitra ttharaya jahan tum gae the.

23 aur maain apane bade nam ko pavitra ttharaunga, jo jatiyon men apavitra ttharaya gaya, jise tum ne unake beech apavitra kiya aur jab maain unakee drashti men tumhare beech paavitra ttharonga, tab ve jaatiyan jan legee ki maain yahova hoo, parameshvar yahova kee yahee vane haai.

- 24 maain tum ko jatiyon men se le loonga, aur deshaen men se ikattha karoonga aur tum ko tumhare nij desh men pahuncha doonga.
- 25 maain tum par shuuddh jal chhdikoonga, aur tum shuuddh ho jaoge aur maain tum ko tumharee saree ashuddhta aur mooraton se shuuddh karoonga.
- 26 maain tum ko naya man doonga, aur tumhare bheetar nai atma utpann karoonga aur tumharee deh men se patthr ka day nikalakar tum ko mans ka day doonga.
- 27 aur maain apana atma tumhare bheetar dekar aesa karoonga ki tum meree vidhaiyon par chaloge aur mere niyamon ko manakar unake anusar karoge.
- 28 tum us desh men basoge jo maain ne tumhare pitaron ko diya tha aur tum meree praja ttharoge, aur maain tumhara parameshvar ttharoonga.
- 29 aur maain tum ko tumharee saree ashuddhta se chhudaunga, aur ann upajane kee agyaa dekar, use baddhaunga aur tumhare beech akal n daloonga.
- 30 maain vrakshaen ke fal aur khet kee upaj baddhaunga, ki jatiyon men akal ke karan fir tumharee namadharai n hogee.
- 31 tab tum apane bure chalachalan aur apane kamon ko jo achchhe naheen the, smaran karake apane adharna aur ghainaune kamon ke karan apane ap se gharana karoge.
- 32 parameshvar yahova kee yah vane haai, tum jan jo ki maain isako tumhare nimitt naheen karata. he israael ke gharane apane chalachalan ke vishay men lajjait ho aur tumhara mukh kala ho jaae.
- 33 parameshvar yahova yon kahata haai, jab maain tum ko tumhare sab adharna ke kamon se shuuddh karoonga, tab tumhare nagaron ko basaunga aur tumhare khndhar fir banaae jaaenge.
- 34 aur tumhara desh jo sab ane janevalon ke samhane ujad haai, vah ujad hone kee santee jota boya jaaega.
- 35 aur log kaha karenge, yah desh jo ujad tha, so aeden kee baree sa ho gaya, aur jo nagar khndhar aur ujad ho gae aur ddhaae gae the, so gaddhvale hua, aur basaae gae haain.
- 36 tab jo jaatiyan tumhare as pas bachee rahengee, so jan lengee ki mujh yahova ne ddhaae huae ko fir banaya, aur ujad men ped rope haai, mujh yahova ne yah kaha, aur aesa hee karoonga.
- 37 parameshvar yahova yon kahata haai, israael ke gharane men fir mujh se binatee kee jaaegee ki maain unake liye yah karoon arthata maain un men manushyon kee ginatee jhod-bakaariyon kee nai baddhaun.

³⁸ jaaise paavitra samayon kee bhed-bakaariya, arthataniyat pavan ke samay yarooshalem men kee bhed-bakaariyan anaginit hotee haain vaaise hee jo nagar ab khnddhar haain ve anaginit manushyon ke jhundon se bhr jaaenge. tab ve jan lenge ki maain yahova hoo.

¹ yahova kee shaaktai mujh par hui, aur vah mujh men apana atma samavakar bahar le gaya aur mujhe tarai ke beech khda kar diya vah tarai haaddiyon se bhree hui thee.

² tab us ne mujhe unake charon or ghaumaya, aur tarai kee tah par bahut hee haaddiyon theen aur ve bahut sookhee theen.

³ tab us ne mujh se poochha, he manushy ke santan, kya ye haaddiyan jee sakatee haain? maain ne kaha, he parameshvar yahova, too hee janata haai.

⁴ tab us ne mujh se kaha, in haddiyon se bhavishyadaneer karake kah, he sookhee haaddiyo, yahova ka vachan suno.

⁵ parameshvar yahova tum haaddiyon se yon kahata he, dekho, maain ap tum men sans samavaunga, aur tum jee uttogee.

⁶ aur maain tumharee nasen upajakar mans chaddhaunga, aur tum ko chamade se ddhanpoonga aur tum men sans samavaunga aur tum jee jaogee aur tum jan logee ki maain yahova hoo.

⁷ is agyaa ke anusar maain bhavishyadaneer karane laga aur maain bhvishyadaneer kar hee raha tha, ki aek ahatt ai, aur bhuidol hua, aur ve haaddiyan ikatthee hokar haddee se haddee jud gai.

⁸ aur maain dekhta raha, ki un men nasen utpann hui aur mans chaddha, aur ve upar chamade se ddhnp gai parantu un men sans kuchh n thee.

⁹ tab us ne mujh se kaha, he manushy ke santan sans se bhavishyadaneer kar, aur sans se bhvishyadaneer karake kah, he sans, parameshvar yahova yon kahata haai ki charon dishaon se akar in ghaat kiae huon men sama ja ki ye jee utten.

¹⁰ usakee is agyaa ke anusar maain ne bhavishyadaneer kee, tab sans un men a gai, or ve jeekar apane apane panvon ke bal khde ho gae aur ek bahut badee sena ho gai.

¹¹ fir us ne mujh se kaha, he manushy ke santan, ye haddiyan israaael ke sare gharane kee upama haain. ve kahat haai, hamaree haddiyan sookh gai, aur hamaree asha jatee rahee ham pooree reeti se katt chooke haain.

¹² is karan bhvishyadaneer karake un se kah, parameshvar yahova yon kahata haai, he meree praja ke logo, dekho, maain tumharee kabaren kholakar tum ko un se nikaloonga, aur israaael ke desh men pahuncha doonga.

- 13 so jab maain tumaharee kabaren kholoo, aur tum ko un se nikaloo, tab he meree praja ke logo, tum jan loge ki maain yahova hoo.
- 14 aur maain tum men apana atma samavaunga, aur tum jeeoge, aur tum ko tumhare nij desh men basaunga tab tum jan loge ki mujh yahova hee ne yah kaha, aur kiya bhee haai, yahova kee yahee vanee haai.
- 15 fir yahova ka yah vachan mere pas pahuncha,
- 16 he manushy ke santan, aek lakadee lekar us par lik, yahooda kee aur usake sangee israaaeliyon kee tab doosaree lakadee lekar us par lik, yoosufa kee arthata gapraaim kee, aur usake sangee israaaeliyon kee lakadee.
- 17 fir un lakaadiyon ko aek doosaree se jodkar aek hee kar le ki ve tere hath men aek hee lakadee ban jaaen.
- 18 aur jab tere log tujh se poochhe, kya too hamen n bataaega ki in se tera kya abhaipraay haai?
- 19 tab un se kahana, parameshvar yahova yon kahata haai, dekho, maain yoosufa kee lakadee ko jo aepraaim ke hath men haai, aur israaael ke jo gotra usake sangee haai, unako lekar yahooda kee lakadee se jodkar usake sath aek hee lakadee kar doonga aur donon mere hath men aek hee lakadee banengee.
- 20 aur jin lakaadiyon par too aesa likhega, ve unake samhane tere hath men rahen.
- 21 aur too un logon se kah, parameshvar yahova yon kahata haai, dekho, maain israaaeliyon ko un jaatiyon men se lekar jin men ve chale gaae haai, charon or se ikattha karoonga aur unake nij desh men pahuchaunga.
- 22 aur maain unako us desh arthata israaael ke pahadon par aek hee jaati kar doonga aur un sabhon ka aek hee raja hoga aur ve fir do n rahenge aur n do rajyon men kabhee battenge.
- 23 ve fir apanee moorato, aur ghainaune kamon va apane kisee prakar ke pap ke dara apane ko ashuddh n karenge parantu maain unako un sab baastaiyon se, jahan ve pap karate the, nikalakar shuddh rooniga, aur ve meree praja honge, aur maain unaka parameshvar hoonga.
- 24 mera das daud unaka raja hoga so un sabhon ka aek hee charavaha hoga. ve mere niyamon par challenge aur meree vidhaiyon ko manakar unake anusar challenge.
- 25 ve us desh men rahenge jise maain ne apane das yakoob ko diya tha aur jis men tumhare purakha rahate the, usee men ve aur unake bette-pote sada base rahenge aur mera das daud sada unaka pradhaan rahega.

²⁶ maain unake sath shaaantai kee vacha bandhoonga vah sada kee vacha ttharegee aur maain unhen sthan dekar ginatee men baddhaunga, aur unake beech apana paavitrasthan sada banaae rakoonga.

²⁷ mere nivas ka tamboo unake upar tana rahega aur maain unaka parameshvar hoonga, aur ve merree praja honge.

²⁸ aur jab mera pavitrasthan unake beech sada ke liye rahega, tab sab jaatiyan jan lengee ki maain yahova israael ka pavitra karanevala hoo.

⁹ too chaddhai karega, aur andhaee kee nai aaega, aur apane sare dalon aur bahut deshaen ke logon samet meghe ke saman desh par chha jaaega.

¹⁰ parameshvar yahova yon kahata haai, us din tere man men aeeseer aeeseer baten aaengeer ki too aek bureer yuaktai bhee nikalega

¹¹ aur too kahega ki maain bin shaharapanah ke ganvon ke desh par chaddhai karoonga maain un logon ke pas jaunga jo chaain se nidr rahate haain jo sab ke sab bina shaharapanah or bina bedon aur pallon ke base huae haain

12 taaki chheenakar too unhen lootte aur apana hath un khndharon par baddhaae jo fir basaae gaa, aur un logon ke viruddh faere jo jatiyon men se iatthe huae the aur prathvee kee nabhee par base huae ddhor aur aur sampattai rakhte haain.

13 shaba aur dadan ke log aur tashash ke vyoparee apane desh ke sab javan sinhon samet tujh se kahenge, kya too loottne ko ata haai? kya too ne dhan chheenane, sona-chadee uttane, ddhor aur aur sampattai le jane, aur badee loott apana lene ko apanee bheed ikattee kee haai?

14 is kara, he manushy ke santan, bhavishyadaneer karake gog se kah, parameshvar yahova yon kahata haai, jis samay meree praja israaael nidr basee rahegee, kya tujhe isaka samachar n milega?

15 aur too uttar disha ke door door sthanon se aega too aur tere sath bahut see jaatiyon ke log, jo sab ke sab ghaedon par chaddhe huae honge, arthata aek badee bheed aur balavant sena.

16 aur jaaise badal boomi par chha jata haai, vaaise hee too meree praja israaael ke desh par aeese chaddhai karega. isaaliye he gog, ant ke dinon men aeese hee hoga, ki maain tujh se apane desh par isaaliye chaddhai karaunga, ki jab maain jaatiyon ke dekhte tere dara apane ko paavitra ttharau, tab ve mujhe paahichan lenge.

17 parameshvar yahova yon kahata haai, kya too vahee naheen jisakee charcha maain ne praacheenakal men apane dason ke, arthata israaael ke un bhvishyadvktaon dara kee thee, jo un dinon men vashan tak yah bhvishyadaneer karate gaa, ki yahova gog se israaaeliyon par chaddhai karaaega?

18 aur jis din israaael ke desh par gog chaddhai karega, usee din meree jalajalahatt mere mukh se pragatt hogee, parameshvar yahova kee yahee vanee haai.

19 aur maain ne jalajalahatt aur krodha kee ag men kaha ki nisandeh us din israaael ke desh men bada bhuidol hoga.

20 aur mere darshan se samudra kee machhliyan aur akash ke pakshae, maaidan ke pashu aur boomi par jitane jeevajantu rengate haai, aur boomi ke upar jitane manushy rahate haai, sab kanp uttenge aur pahad giraae jaaenge aur chaddhaiyan nash hongee, aur sab bheeten girakar mittee men mil jaaengee.

21 parameshvar yahova kee yah vanee haai ki maain usake viruddh talavar chalane ke liye apane sab pahadon ko pukaroonga aur har aek kee talavar usake bhai ke viruddh uttegee.

22 aur maain maree aur oon ke dara us se mukama ladoonga aur us par aur usake dalon par, aur un bahut see jatiyon par jo usake pas hongee, maain badee jhdee lagaunga, aur ole aur ag aur gandhak barasaunga.

²³ is prakar maain apane ko mahan aur pavitra ttharaunga aur bahut see jaatiyon ke samhane apane ko pragatt karoonga. tab ve jan lengee ki maain yahova hoo.

Yahejakel 39

¹ fir he manushy ke santan, gog ke viruddh bhavishyadaneer karake yah kah, he gog, he rosha, meshok aur toobal ke pradhaan, parameshvar yahova yon kahata haai, maain tere viruddh hoo.

² maain tujhe ghauma le aunga, aur uttar disha ke door door deshaen se chaddha le aunga, aur israaael ke pahadon par pahunchaunga.

³ vahan maain tera dhanush tere baaen hath se giraunga, aur tere teeron ko tere daahine hath se gira doonga.

⁴ too apane sare dalon aur apane sath kee saree jatiyon samet israaael ke pahadon par mar dala jaaega maain tujhe bhanati bhanati ke mansaharee pakshiyon aur vanapashuon ka ahar kar doonga.

⁵ too khet men girega, kyonki maain hee ne aeesa kaha haai, parameshvar yahova kee yahee vanee haai.

⁶ maain magog men aur deepon ke nidr rahanevalon ke beech ag lagaunga aur ve jan lenge ki maain yahova hoo.

⁷ aur maain apanee praja israaael ke beech apana nam pragatt karoonga aur apana pavitra nam fir apaavitra n hone doonga tab jati-jati ke log bhee jan lenge ki maain yahova, israaael ka pavitra hoo.

⁸ yah ghattna hua chahatee haai aur vah ho jaaege, parameshvar yahova kee yahee vanee haai. yah vahee din haai jisakee charcha maain ne kee haai.

⁹ tab israaael ke nagaron ke rahanevale nikalenge aur hathaiaron men ag lagakar jala denge, ddhal, aur faree, dhanusha, aur teer, lattee, bachh, sab ko ve sat varsha tak jalate rahenge.

¹⁰ aur isake karan ve maaidan men lakadee n beenenge, n jangal men kattenge, kyonaki ve hathaiaron hee ko jalaya karenge ve apane loottnevale ko loottenge, aur apane chheenanevalon se chheenenge, parameshvar yahova kee yahee vanee haai.

24 maain ne unakee ashuddhta aur aparadhaen hee ke anusar un se bartav karake un se apana munh faer liya tha.

25 isaliye parameshvar yahova yon kahata haai, ab maain yakoob ko bandhauai se faer launga, aur israael ke sare gharane par daya karoonga aur apane paavitra nam ke liye mujhe jalan hogee.

26 tab us sare vishvasaghaat ke karan jo unhon ne mere viruddh kiya ve laajait honge aur apane desh men nidr rahenge aur koi unako n draaega.

²⁷ aur jab maain unako jati-jati ke beech se faer launga, aur un shatrauon ke deshaen se ikattha karoonga, tab bahut jatiyon kee draashtti men unake dara paavitra ttharoonga.

Daaniyyel 1

¹ yahooda ke raja yahoyakeem ke rajy ke teesare varsha men babul ke raja nabookadanessar ne yaroosholam par chaddhai karake usako ghor liya.

² tab parameshvar ne yahooda ke raja yahoyakeem ko parameshvar ke bhvan ke kai patraen sahit usake hath men kar diya aur us ne un patraen ko shainar desh men apane devata ke mandair men le jakar, apane devata ke bhndar men rakh diya.

³ tab us raja ne apane khojon ke pradhaan ashapanaj ko agyaa dee ki israaelee rajaputraen aur pratishttit purooshaen men se aeese kai javanon ko la,

⁴ jo nirdosha, sundar aur sab prakar kee buddh imen pravee, aur gyaan men nipun aur vidana aur rajamandair men hajir rahane ke yogy hon aur unhen kasaadiyon ke shaasr aur bhasha kee shaiksha de.

⁵ aur raja ne agyaa dee ki usake bhojan aur peene ke dakhmadha men se unhen praatidin khane-peene ko diya jaae. is prakar teen varsha tak unaka palan poshan hota rahe tab usake bad ve raja ke samhane haajir kiae jaaen.

⁶ un men yahooda kee santan se chune hua, daaniyyel, hananyah, meeshaael, aur ajaryah nam yahooda the.

⁷ aur khojon ke pradhaan ne unake doosare nam rakhen arthata daaniyyel ka nam rakhe arthata daaniyyel ka nam us ne belatashassar, hananyah ka shadrak, meeshaael ka meshak, aur ajaryah ka nam abedanago rakha..

⁸ parantu daniyyel ne apane man men ttan liya ki vah raja ka bhojan khakar, aur usake peene ka dakhmadha peekar apavitra n hoae isaliye us ne khojon ke pradhaan se binatee kee ki use apavitra n hona pade.

⁹ parameshvar ne khojon ke pradhaan ke man men daniyyel ke prati krapa aur daya bhr dee.

¹⁰ aur khojon ke pradhaan ne daniyyel se kaha, maain apane svamee raja se drata hoo, kyonki tumhara khana-peena usee ne ttharaya haai, kaheen aeesa n ho ki vah tera munh tere sangee ke javanon se utara hua aur udas dekhe aur tum mera sir raja ke samhane jakhaim men dalo.

¹¹ tab daaniyyel ne us mukhaiye se, jisako khojon ke pradhaan ne daaniyyel, hananyah, meeshaael, aur ajaryah ke upar dekhhhal karane ke liye niyakt kiya tha, kaha,

¹² maain teree binatee karata hoo, apane dason ko das din tak janch, hamare khane ke liye sagapat aur peene ke liye panee hee diya jaae.

- 13** fir das din ke bad hamare munh aur jo javan raja ka bhojan khate haain unake munh ko dekh aur jaaisa tujhe dekh pade, usee ke anusar apane dason se vyavahar karana.
- 14** unakee yah binatee us ne man lee, aur das din tak unako janchata raha.
- 15** das din ke bad unake munh raja ke bhojan ke khanevale sab javanon se adhaikar achchhe aur chikane dekh pade.
- 16** tab vah muakhaiya unaka bhojan aur unake peene ke liye ttharaya hua dakhmadha donon chhudakar, unako sagapat dene laga..
- 17** aur parameshvar ne un charon javanon ko sab shaasre, aur sab prakar kee vidhaon men buddhmaianee aur praveenta dee aur daaniyyel sab prakar ke darshan aur svapan ke arth ka gyaanee ho gaya.
- 18** tab jitane din ke bad nabookadanessar raja ne javanon ko bheetar le ane kee agyaa dee thee, utane din ke beetane par khojon ke pradhaan unhen usake samane le gaya.
- 19** aur raja un se batacheet karane laga aur daaniyyel, hananyah, meeshaaael, aur ajaryah ke tuly un sab men se koi n tthara isaaliye ve raja ke sammukh hajir rahane lage.
- 20** aur buaddh iddh aur har prakar kee samajh ke vishay men jo kuchh raja un se poochhta tha us men ve rajy bhr ke sab jyotishayon aur tantriyon se dasagune nipun ttharate the.
- 21** aur daaniyyel kusroo raja ke pahile varsha tak bana raha..

Daaniyyel 2

- 1** apane rajy ke doosare varsha men nabookadanessar ne aeesa svapn dekha jis se usaka man bahut hee vyakul ho gaya aur usako neend n ai.
- 2** tab raja ne agyaa dee, ki jyotishae, tantrae, ttonahe aur kasadee bulaae jaen ki ve raja ko usaka svapt bataaen so ve aae aur raja ke samhane haajir hue.
- 3** tab raja ne un se kaha, maain ne aek svapn dekha haai, aur mera man vyakul haai ki svapan ko kaise samajoon.
- 4** kasadiyon ne, raja se aramee bhasha men kaha, he raja, too chiranjeev rahe! apane dason ko svapn bata, aur ham usaka fal bataaenge.
- 5** raja ne kasaadiyon ko uttr diya, maain yah agyaa de chuka hoon ki yadi tum fal samet svapn ko n bataoge to tum ttukade ttukade kiae jaoge, aur tumhare ghar faunkava diae jaaenge.

- ⁶ aur yaadi tum fal samet svapn ko bata do to mujh se bhanati bhanati ke dan aur bharee praatishtta paoge.
- ⁷ isaliye tum mujhe fal samet svapn batao. unhon ne doosaree bar kaha, he raja svapn tere dason ko bataya jaa, aur ham usaka fal samajha denge.
- ⁸ raja ne uttr diya, maain nishchay janata hoon ki tum yah dekhkar, ki raja ke munh se agyaa nikal chukee haai, samay baddhana chahate ho.
- ⁹ isaliye yaadi tum mujhe svapn n batao to tumhare liye aek hee agyaa haai. kyonaki tum ne goshttee kee hogee ki jab tak samay n badale, tab tak ham raja ke samhane joottee aur gapashap kee baten kaha karenge. isaliye tum mujhe svapn ko batao, tab maain janoonga ki tum usaka fal bhee samajha sakate ho.
- ¹⁰ kasadiyon ne raja se kaha, prathvee bhr men aesa koi manushy naheen jo raja ke man kee bat bata sake aur n koi aesa raja, va pradhaan, va hakim kabhee hua haai jis ne kisee jyotishaee va tantrae, va kasadee se aeesee bat poochhee ho.
- ¹¹ jo bat raja poochhta haai, vah anokhee haai, aur devataon ko chhodkar jinaka nivas manushyon ke sang naheen haai, aur koi doosara nahee, jo raja ko yah bata sake..
- ¹² is par raja ne jhunjhlakar, aur bahut kee krodhait hokar, babul ke sab paanditon ke nash karane kee agyaa de dee.
- ¹³ so yah agyaa nikalee, aur pandit logon ka ghaat hone par tha aur log daaniyyel aur usake sanagiyon ko ddoonddh rahe the ki ve bhee ghaat kiae jaaen.
- ¹⁴ tab daaniyyel ne, jalladon ke pradhaan ayork se, jo babul ke paanditon ko ghaat karane ke liye nikala tha, soch vicharakar aur buaddhmaianee ke sath kaha
- ¹⁵ aur raja ke hakim aryok se poochhne laga, yah agyaa raja kee or se aeesee utavalee ke sath kyon nikalee? tab aryok ne daniyyel ko isaka bhed bata diya.
- ¹⁶ aur daaniyyel ne bheetar jakar raja se binatee kee, ki usake liye koi samay ttharaya jaa, to vah maharaj ko svapn ka fal bata dega.
- ¹⁷ tab daaniyyel ne apane ghar jakar, apane sangee hananyah, meeshaaael, aur ajaryah ko yah hal batarak kaha,
- ¹⁸ is bhed ke vishash men svarga ke paramashevar kee daya ke liye yah kahakar praarthna karo, ki babul ke aur sab paanditon ke sang daniyyel aur usake sangee bhee nash n kiae jaaen.
- ¹⁹ tab vah bhed daaniyyel ko rat ke samay darshan ke dara pragatt kiya gaya. so daniyyel ne svarga ke parameshvar ka yah kahakar dhanyavad kiya,

- 20** parameshvar ka nam yuganuyug dhany haai kyonki buddh iddh aur parakram usee ke haain.
- 21** samayon aur retuon ko vahee palattta haai rajaon ka ast aur uday bhee vahee karata haai buddhmaianon ko buddh iddh aur samajhvalon ko samajh bhee vahee deta haai
- 22** vahee gooddh aur gupt baton ko pragatt karata haai vah janata haai ki andhiyare men kya haai, aur usake sang sada prakash bana rahata haai.
- 23** he mere poorvajon ke paramashevar, maain tera dhanyavad aur stuti karata hoo, kyonki too ne mujhe buaddh iddh aur shaaktai dee haai, aur jis bhed ka khulana ham logon n tujh se mange tha, use too ne mujh par pragatt kiya haai, too ne ham ko raja kee bat batai haai.
- 24** tab daaniyyel ne aryok ke pas, jise raja ne babul ke paanditon ke nash karane ke liye ttharaya tha, bheetar jakar kaha, babul ke panditon ka nash n kar, mujhe raja ke sammukh bheetar le chal, maain fal bataunga..
- 25** tab ayork ne daniyyel ko raja ke sammukh shaeegha bheetar le jakar us se kaha, yahooodee bandhauon men se aek puroosh mujh ko mila haai, jo raja ko svapn ka fal bataaega.
- 26** raja ne daniyyel se, jisaka nam belatashassar bhee tha, poochha, kya tujh men itanee shaktai haai ki jo svapn maain ne dekha haai, use fal samet mujhe bataae?
- 27** daaniyyel ne raja ka uttr diya, jo bhed raja poochhta haai, vah n to paandit n tantrae, n jyotishae, n doosare bhavvee batanevale raja ko bata sakate haai,
- 28** parantu bhedon ka pragattkartta parameshvar svarga men haai aur usee ne nabookadanessar raja ko jataya haai ki ant ke dinon men kya kya honavala haai. tera svapan aur jo kuchh too ne palang par pade huae dekha, vah yah haai:
- 29** he raja, jab tujh ko palang par yah vichar hua ki bhvishy men kya kya honevala haai, tab bhedon ko kholanevale ne tujh ko bataya, ki kya kya honevala haai.
- 30** mujh par yah bhed is karan naheen khola gaya ki maain aur sab praanaiyon se aadhaik buddhmaian hoo, parantu keval isee karan khola gaya haai ki svapan ka fal raja ko bataya jaa, aur too apane man ke vichar samajh sake..
- 31** he raja, jab too dekh raha tha, tab aek badee mootira dekh padee, aur vah mootira jo tere samhane khdee thee, so lambee chaudee thee usakee chamak anupam thee, aur usaka roop bhyankar tha.
- 32** us mootira ka sir to chokhe sone ka tha, usakee chhatee aur bhujjaen chandee kee, usaka pett aur jangho peetal kee,
- 33** usakee ttange lohe kee aur usakee panv kuchh to lohe ke aur kuchh mittee ke the.

34 fir dekhte dekhte, too ne kya dekha, ki aek patthr ne, bina kisee ke khode, ap hee ap ukhdkar us mootira ke panvon par lagakar jo lohe aur mittee ke the, unako choor choor kar dala.

35 tab loha, mittee, peetal, chandee aur sona bhee sab choor choor ho gaa, aur dhoopakal men khalihanon ke boose kee nain hava se aeese ud gaae ki unaka kaheen pata n raha aur vah patthr jo mootira par laga tha, vah bada pahad banakar saree prathvee men faail gaya..

36 svapan to yon hee hua aur ab ham usaka fal raja ko samajha dete haain.

37 he raja, too to maharajaadhaira haai, kyonki svarga ke parameshvar ne tujh ko rajy, samarth, shaktai aur mahima dee haai,

38 aur jahan kaheen manushy paae jate haai, vahan us ne un sabhon ko, aur maaidan ke jeevajantu, aur akash ke pakshae bhee tere vash men kar diae haain aur tujh ko un sab ka adhaikaree ttharaya haai. yah sone ka sir too hee haai.

39 tere bad aek rajy aur uday hoga jo tujh se chhotta hoga fir aek aur teesara peetal ka sa rajy hoga jis men saree prathvee a jaaegee.

40 aur chautha rajy lohe ke tuly majaboot hoga lohe se to sab vastuen choor choor ho jatee aur pis jatee haain isaliye jis bhanati lohe se ve sab kuchalee jatee haai, usee bhanti, us chauthe rajy se sab kuchh choor choor hokar pis jaaega.

41 aur too ne jo mootira ke panvon aur unakee ungaaliyon ko dekha, jo kuchh kumhar kee mittee kee aur kuchh lohe kee thee, is se vah chautha rajy batta hua hoga taubhee us men lohe ka sa kadapan rahega, jaise ki too ne kumhar kee mittee ke sang loha bhee mila hua dekha tha.

42 aur jaise panvon kee ungaaliyan kuchh to lohe kee aur kuchh mittee kee thee, isaka arth yah haai, ki vah rajy kuchh to draddh aur kuchh nirbal hoga.

43 aur too ne jo lohe ko kumhar kee mittee ke sang mila hua dekha, isaka arth yah haai, ki us rajy ke log aek doosare manushyon se mile jule to rahenge, parantu jaise loha mittee ke sath mel naheen khata, vaaise hee ve bhee aek n bane rahenge.

44 aur un rajaon ke dinon men svarga ka parameshvar, aek aeese rajy uday karega jo anantakal tak n tootega, aur n vah kisee doosaree jati ke hath men kiya jaaega. varan vah un sab rajyon ko choor choor karega, aur unaka ant kar dalega aur vah sada sthiar rahega

45 jaisa too ne dekha ki aek patthr kisee ke hath ke bin khode pahad men se ukhda, aur us ne lohe, peetar, mittee, chandee, aur sone ko choor choor kiya, isee reeti mahana parameshvar ne raja ko jataya haai ki isake bad kya kya honevala haai. n svapn men aur n usake fal men kuchh sandeh haai..

⁴⁶ itana sunakar nabookadanessar raja ne munh ke bal girakar daniyyel ko dandvata kee, aur agyaa dee ki usako bhentt chaddhao, aur usake samhane sugandha vastu jalao.

⁴⁷ fir raja ne daaniyyel se kaha, sach to yah haai ki tum logon ka parameshvar, sab ishvaron ka ishvar, rajaon ka raja aur bhedon ka kholanevala haai, isaliye too yah bhed pragatt kar paya.

⁴⁸ tab raja ne daniyyel ka pad bada kiya, aur usako bahut se bade bade dan diae aur yah agyaa dee ki vah babul ke sare praant par hakim aur babul ke sab paanditon par mukhy pradhaan bane.

⁴⁹ tab daaniyyel ke binatee karane se raja ne shadrak, meshak, aur abedanago ko babul ke praant ke karya ke upar niyukt kar diya parantu daniyyel ap hee raja ke darabar men raha karata tha..

Daaniyyel 3

¹ nabookadanessar raja ne sone kee aek moorat banavai, jinakee unchai satt hat, aur chaudai chh: hath kee thee. aur us ne usako babul ke praant ke doora nam maaidan men khda karaya.

² tab nabookadanessar raja ne aadhaipaatiyo, hakimo, gavarnaro, jajo, khjannaachiyo, nyaaiyo, shaaastriayo, adi praanta-praant ke sab aadhaikaariyon ko bulava bheja ki ve us moorat kee pratishhta men aen jo us ne khdee karai thee.

³ tab aadhaipaati, hakim, garvanar, jaj, khjannachee, nyayee, shaasree aadi praanta-praant ke sab aadhaikaree nabookadanessar raja kee khdee karai hui moorat kee praatishhta ke liye ikatthe hua, aur us moorat ke samhane khde hue.

⁴ tab ddhniddhoriye ne unche shabd se pukarakar kaha, he desha-desh aur jati-jati ke logo, aur bhainn bhainn bhasha bolanevalo, tum ko yah agyaa sunai jatee haai ki,

⁵ jis samay tum narasinge, bansulee, veena, sarangee, sitar, shahanai aadi sab prakar ke bajon ka shabd suno, tum usee samay girakar nabookadanessar raja kee khdee karai huae sone kee moorat ko dandvata karo.

⁶ aur jo koi girakar dandvata n karega vah usee ghadee dhadhakate huae bhththe ke beech men dal diya jaeega.

⁷ is karan us samay jyon hee sab jati ke logon ko narasinge, bansulee, veena, sarangee, sitar shahanai aadi sab prakar ke bajon ka shabd sun pada, tyon hee desha-desh aur jati-jati ke logon aur bhainna-abhainn bhasha bolanevalon ne girakar us sone kee moorat ko jo nabookadanessar raja ne khdee karai thee, dandvata kee..

- 8** usee samay kai ek kasadee puroosh raja ke pas gaa, aur kapatt se yahoodiyon kee chugalee khai.
- 9** ve nabukadanessar raja se kahane lage, he raja, too chiranjeev rahe.
- 10** he raja, too ne to yah agyaa dee haai ki jo manushy naraasinge, bansulee, veena, sarangee, sitar, shahanai aadi sab prakar ke bajon ka shabd sune, vah girakar us sone kee moorat ko dandvat kare
- 11** aur jo koi girakar dandvata n kare vah dhadhakate huae bhtthe ke beech men dal diya jaae.
- 12** dek, shadrak, meshak, aur abedanago nam kuchh yahoodee puroosh haai, jinhen too ne babul ke praant ke karya ke upar niyukt kiya haai. un purooshaen ne, he raja, teree agyaa kee kuchh chinta naheen kee ve tere devata kee upasana naheen karate, aur jo sone kee moorat too ne khdee karai haai, usako dandvata naheen karate..
- 13** tab nabookadanessar ne rosh aur jalajalahatt men akar agyaa dee ki shadrak meshak aur abedanago ko lao. tab ve puroosh raja ke samhane haajir kiae gaae.
- 14** nabookadanessar ne un se poochha, he shadrak, meshak aur abedanago, tum log jo mere devata kee upasana naheen karate, aur meree khdee karai hui sone kee moorat ko dandvata naheen karate, so kya tum jan boojhkar aeesa karate ho?
- 15** yaadi tum abhee taaiyar ho, ki jab naraasinge, bausulee, veena, sarangee, sitar, shahanai aadi sab prakar ke bajon ka shabd suno, aur usee kshan girakar meree banavai hui moorat ko dandvata karo, to bachoge aur yadi tum dandvata ne karo to isee ghadee dhadhakate huae bhtthe ke beech men dale jaoge fir aeesa kaun devata haai, jo tum ko mere hath se chhuda sake?
- 16** shadrak, meshak aur abedanago ne raja se kaha, he nabookadanessar, is vishay men tujhe uttr dene ka hamen kuchh prayojan naheen jan padta.
- 17** hamara parameshvar, jisakee ham upasana karate haain vah ham ko us dhadhakate huae bhtte kee ag se bachane kee shaaktai rakhta haai varan he raja, vah hamen tere hath se bhee chhuda sakata haai.
- 18** parantu, yadi nahee, to he raja tujhe maloom ho, ki ham log tere devata kee upasana naheen karenge, aur n teree khdee karai hui sone kee moorat ko dandvata karenge..
- 19** tab nabookadanessar jhunjhla utta, aur usake chehare ka rang shadrak, meshak aur abedanago kee or badal gaya. aur us ne agyaa dee ki bhtthe ko sataguna adhaik dhadhaka do.

20 fir apanee sena men ke kai aek balavana purooshaen ko us ne agyaa dee, ki shadrak, meshak aur abedanago ko bandhakar unhen dhadhakate huae bhththe men dal do.

21 tab ve puroosh apane mojo, angarakho, bagon aur aur vasren saahit bandhakar, us dhadhakate huae bhththe men dal diae gaae.

22 vah bhththa to raja kee draddh agyaa hone ke karan atyant dhadhakaya gaya tha, is karan jin purooshaen ne shadrak, meshak aur abedanago ko uttaya ve hee ag kee anch se jal mare.

23 aur usee dhadhakate huae bhththe ke beech ye teenon puroosha, shadrak, meshak aur abedanago, bandho huae faenk diae gaae..

24 tab nabookadanessare raja achaambhiat hua aur ghabarakar utt khda hua. aur apane mantriayon se poochhne laga, kya ham ne us ag ke beech teen hee puroosh bandho huae naheen dlavaae? unhon ne raja ko uttr diya, han raja, sach bat to haai.

25 fir us ne kaha, ab maain dekhta hoon ki char puroosh ag ke beech khule huae tthal rahe haai, aur unako kuchh bhee hani naheen pahunchee aur chauthe puroosh ka svaroop ishvar ke putra ke sadrashy haai..

26 fir nabookadanessar us dhadhakate huae bhththe ke dar ke pas jakar kahane laga, he shadrak, meshak aur abedanago, he paramapradhaan parameshvar ke daso, nikalakar yahan ao! yah sunakar shadrak, meshak aur abedanago ag ke beech se nikal aae.

27 jab aadhaipaati, hakim, garvanar aur raja ke mantriayon ne, jo ikatthe huae the, un purooshaen kee or dekha, tab unakee deh men ag ka kuchh bhee prabhav naheen paya aur unake sir ka aek bal bhee n jhulasa, n unake moje kuchh bigade, n un men jalane kee kuchh gandha pai gai.

28 nabookadanessar kahane laga, dhany haai shadrak, meshak aur abedanago ka parameshvar, jis ne apana doot bhejekar apane in dason ko isaaliye bachaya, kyonaki inhon ne raja kee agyaa n manakar, usee par bhrosa rakha, aur yah sochakar apana shareer bhee arpan kiya, ki ham apane parameshvar ko chhod, kisee devata kee upasana va dandvata n karenge.

29 isaliye ab maain yah agyaa deta hoon ki desha-desh aur jati-jati ke logo, aur bhainna-abhainn bhasha bolanevalon men se jo koi shadrak, meshak aur abedanago ke parameshvar kee kuchh ninda karega, vah ttukade ttukade kiya jaaega, aur usaka ghar ghoora banaya jaaega kyonki aeesa koi aur devata naheen jo is reeati se bacha sake.

30 tab raja ne babul ke praant men shadrak, meshak, abedanago ka pad aur uncha kiya..

Daaniyyel 4

- 1** nabookadanessar raja kee or se desha-desh aur jaati jati ke logo, aur bhainna-abhainn bhasha bolanevale jitane saree prathvee par rahate haai, un sabhon ko yah vachan mila, tumhara kushal kshom baeee!
- 2** mujhe yah achchha laga, ki paramapradhaan parameshvar ne mujhe jo jo chinh aur chamatkar dikhaae haai, unako pragatt karoon.
- 3** usake dikhaae huae chinh kya hee bade, aur usake chamatkaron men kya hee badee shaaktai pragatt hotee haai! usaka rajy to sada ka aur usakee prabhuta peeddhee se peeddhee tak banee rahatee haai..
- 4** maain nabookadanessar apane bhvan men chaain se aur prafaullait rahata tha.
- 5** maain ne aesa svapn dekha jisake karan maain dr gaya aur palang par pade pade jo vichar mere man men aae aur jo baten maai ne dekhee, unake karan maain ghabara gaya tha.
- 6** tab maain ne agyaa dee ki babul ke sab paandit mere svapn ka fal mujhe batane ke liye mere samhane haajir kiae jaaen.
- 7** tab jyotishae, tantrae, kasadee aur honahar batanevale bheetar aa, aur maain ne unako apana svapn bataya, parantu ve usaka fal n bata sake.
- 8** nidan daaniyyel mere sammukh aya, jisaka nam mere devata ke nam ke karan belatashassar rakha gaya tha, aur jis men pavitra ishvaron kee atma rahatee haai aur maain ne usako apana svapn yah kahakar bata diya,
- 9** ki, he beletashssar too to sab jyotishaiyon ka pradhaan haai, maain janata hoon ki tujh men pavitra ishvaron kee atma rahatee haai, aur too kisee bhed ke karan naheen ghabarata isaaliye jo svapan maain ne dekha haai use fal samet mujhe batakar samajha de.
- 10** jo darshan maain ne palang par paya vah yah haai: maain ne dekha, ki prathvee ke beechobeech aek vraksha laga haai usakee unchai bahut badee haai.
- 11** vah vraksha bada hokar draddh ho gaya, aur usakee unchai svarga tak pahunchee, aur vah saree prathvee kee chhor tak dekh padta tha.
- 12** usake patte sundar, aur us men bahut fal the, yahan tak ki us men sabhon ke liye bhojan tha. usake neechे maaidan ke sab pashuon ko chhaya milatee thee, aur usakee daliyon men akash kee sab chidiyan basera karata thee, aur sab praanee us se ahar pate the..
- 13** maain ne palang par darshan pate samay kya dekha, ki aek pavitra paharooa svarga se utar aya.

14 us ne unche shabd se pukarakar yah kaha, vraksha ko katt dalo, usakee daliyon ko chhant do, usake patte jhad do aur usake fal chhtaira dalo pashu usake neeche se hatt jae, aur chidiyen usakee daaliyon par se ud jaen.

15 taubhee usake toontt ko jad samet boomi men chhodo, aur usako lohe aur peetal ke bandhan se bandhakar maaidan kee haree ghaas ke beech rahane do. vah akash kee os se bheenga kare aur boomi kee ghaas khane men maaidan ke pashuon ke sang bhagee ho.

16 usaka man badale aur manushy ka n rahe, parantu pashu ka sa ban jae aur us par sat kal beeten.

17 yah agyaa paharoon ke nirny se, aur yah bat paavitra logon ke vachan se nikalee, ki jo jeevit haain ve jan len ki paramapradhaan paramashevar manushyon ke rajy men prabhuta karata haai, aur usako jise chahe use de deta haai, aur vah chhotte se chhotte manushy ko bhee us par niyukt kar deta haai.

18 mujh nabookadanessar raja ne yahee svapan dekha. so he belatashassar, too isaka fal bata, kyonki mere rajy men aur koi paandit isaka fal mujhe samajha naheen sakata, parantu tujh men to paavitra ishvaron kee atma rahatee haai, is karan too use samajha sakata haai..

19 tab daaniyyel jisaka nam belatashassar bhee tha, ghadee bhr ghabarata raha, aur sochate sochate vyakul ho gaya. tab raja kahane laga, he belatashassar is svapn se, va isake fal se too vyakul mat ho. belatashassar ne kaha, he mere prabhu, yah svapn tere baaiariyon par, aur isaka arth tere draeahiyon par fale!

20 jis vraksha ho too ne dekha, jo bada aur draddh ho gaya, aur jisakee unchai svarga tak pahunchee aur jo prathvee ke sire tak dikhai deta tha

21 jisake patte sundar aur fal bahut the, aur jis men sabhon ke liye bhojan tha jisake neeche maaidan ke sab pashu rahate the, aur jisakee daliyon men akash kee chidiyan basera karatee thee,

22 he raja, vah too hee haai. too mahan aur samarthee ho gaya, teree mahima baddhee aur svarga tak pahunch gai, aur teree prabhuta prathvee kee chhor tak faailee haai.

23 aur he raja, too ne jo aek pavitra paahirooae ko svarga se utarate aur yah kahate dekha ki vraksha ko katt dalo aur usaka nash karo, taubhee usake toontt ko jad samet boomi men chhodo, aur usako lohe aur peetal ke bandhan se bandhakar maaidan kee haree ghaas ke beech men rahane do vah akash kee os se bheega kare, aur usako maaidan ke pashuon ke sang hee bhag mile aur jab tak sat yug us par beet n chuke, tab tak usakee aeesee hee dasha rahe.

24 he raja, isaka fal jo paramapradhaan ne ttana haai ki raja par ghatte, vah yah haai,

²⁵ ki too manushyon ke beech se nikala jaaega, aur maaidan ke pashuon ke sang rahega too baailon kee nai ghaas charega aur sat yug tujh par beetenge, jab tak ki too n jan le ki manushyon ke rajy men paramapradhaan hee prabhuta karata haai, aur jise chahe vah use de deta haai.

²⁶ aur us vraksha ke toontt ko jad samet chhodne kee agyaa jo hui haai, isaka arth yah haai ki tera rajy tere liye bana rahega aur jab too jan lega ki jagat ka prabhu svarga hee men haai, tab too fir se rajy karane paaega.

²⁷ is kara, he raja, meree yah sammati sveekar kar, ki yadi too pap chhodkar dharma karane lage, aur adharm chhodkar deena-heenon par daya karane lage, to sambhv haai ki aesa karane se tera chaain bana rahe..

²⁸ yah sab kuchh nabookadanessar raja par ghatt gaya.

²⁹ barah maheene beetane par jab vah babul ke rajabhvan kee chht par tthal raha tha, tab vah kahane laga,

³⁰ kya yah bada babul naheen haai, jise maain hee ne apane bal aur samarth se rajaanivas hone ko aur apane pratap kee badaai ke liye basaya haai?

³¹ yah vachan raja ke munh se nikalane bhee n paya tha ki akashavane hui, he raja nabookadanessar tere vishay men yah agyaa nikalatee haai ki rajy tere hath se nikal gaya,

³² aur too manushyon ke beech men se nikala jaaega, aur maaidan ke pashuon ke sang rahega aur baailon kee nain ghaas charega9 aur sat kal tujh par beetenge, jab tak ki too n jan le ki paramapradhaan, manushyon ke rajy men prabhuta karata haai aur jise chahe vah use de deta haai.

³³ usee ghadee yah vachan nabookadanessar ke vishay men poora hua. vah manushyon men se nikala gaya, aur baailon kee nain ghaas charane laga, aur usake deh akash kee os se bheegatee thee, yahan tak ki usake bal ukab paakshiyon ke paron se aur usake nakoon chidiyon ke changulon ke saman baddh gae..

³⁴ un dinon ke beetane par, mujh nabookadanessar ne apanee ankhen svarga kee or uttai, aur meree buaddh ifir jyon kee tyon ho gai tab maain ne paramapradhaan ko dhany kaha, aur jo sada jeevit haai usakee stuati aur mahima yah kahakar karane laga: usakee prabhuta sada kee haai aur usaka rajy peeddhee se peeddhee tab bana rahanevala haai.

³⁵ prathvee ke sab rahanevale usake samhane tuchchh gine jate haai, aur vah svarga kee sena aur prathvee ke rahanevalon ke beech apanee ichchha ke anusar kam karata haai aur koi usako rokakar us se naheen kah sakata haai, too ne yah kya kiya haai?

³⁶ usee samay, meree buaddh ifir jyon kee tyon ho gai aur mere rajy kee maahima ke liye mera pratap aur mukutt mujh par fir a gaya. aur mere mantraee

aur pradhaan log mujh se bhentt karane ke liye ane lage, aur maain rajy men sthiar ho gaya aur meree aur aadhaik prashansa hone lagee.

³⁷ ab maain nabookadanessar svarga ke raja ko sarahata hoo, aur usakee stuati aur mahima karata hoon kyonki usake sab kam sachche, aur usake sab vyavahar nyay ke haain aur jo log ghamand se chalate haai, unhen vah neecha kar sakata haai..

Daaniyyel 5

¹ belashassar nam raja ne apane hajar pradhaanon ke liye badee jevanar kee, aur un hajar logon ke samhane dakhmadha piya..

² dakhmadha peete peete belashassar ne agyaa dee, ki sone-chandee ke jo patra mere pita nabookadanessar ne yarooshalem ke maandair men se nikale the, unhen le ao ki raja apane pradhaano, aur raniyon aur rakheliyon samet un men se peeaee.

³ tab jo soene ke patra yarooshalem men parameshvar ke bhvan ke mandair men se nikale gaae the, ve laae gaae aur raja apane pradhaano, aur raniyo, aur rakhealiyon samet un men se peene laga..

⁴ ve dakhmadha pee peekar sone, chandee, peetal, lohe, katt aur patthr ke devataon kee stuati kar hee rahe the,

⁵ ki usee ghadee manushy ke hath kee see kai ungaliyan nikalakar deevatt ke samhane rajamaandair kee bheet ke choone par kuchh likhne lageen aur hath ka jo bhag likh raha tha vah raja ko dikhai pada.

⁶ use dekhkar raja bhyabheet ho gaya, aur vah apane soch men ghabara gaya, aur usakee kaatt ike jod ddheele ho gaa, aur kanpate kanpate usake ghauttne ek doosare se lagane lage.

⁷ tab raja ne unche shabd se pukarakar tantriayo, kasaadiyon aur aur honahar batanevalon ko haajir karavane kee agyaa dee. jab babul ke paandit pas aa, tab raj un se kahane laga, jo koi vah likha hua paddhkar usaka arth mujhe samajhaae use baainjaneer rang ka vasr aur usake gale men sone kee kanttmala pahinai jaaegeee aur mere rajy men teesara vahee prabhuta karega.

⁸ tab raja ke sab pandit log bheetar aa, parantu us likhe huae ko n paddh sake aur n raja ko usaka arth samajha sake.

⁹ is par belashassar raja nipatt ghabara gaya aur bhyatur ho gaya aur usake pradhaan bhee bahut vyakul hue..

¹⁰ raja aur pradhaanon ke vachanon ko sunakar, ranee jevanar ke ghar men ai aur kahane lagee, he raja, too yugayug jeevit rahe, apane man men n ghabara aur n udas ho.

- 11** tere rajy men daaniyyel aek puroosh haai jisaka nam tere pita ne belatashassar rakha tha, us men paavitra ishvaron kee atma rahatee haai, aur us raja ke dinon men us men prakasha, praveenta aur ishvaron ke tuly buddh ipai gai. aur he raja, tera pita jo raja tha, us ne usako sab jyotishaiyo, tantriayo, kasaadiyon aur aur honahar batanevalon ka pradhaan ttharaya tha,
- 12** kyonaki us men uttm atma, gyaan aur praveenta, aur svapnon ka fal batane aur paheliyan kholane, aur sandeh door karane kee shaktai pai gai. isaaliye ab daaniyyel bulaya jaa, aur vah isaka arth bataaega..
- 13** tab daaniyyel raja ke samhane bheetar bulaya gaya. raja daaniyyel se poochhne laga, kya too vahee daniyyel haai jo mere pita nabookadanessar raja ke yahooda desh se laae huae yahoodee bandhauon men se haai?
- 14** maain ne tere vishay men suna haai ki ishvar kee atma tujh men rahatee haai aur prakasha, praveenta aur uttm buaddh itujh men pai jatee haai.
- 15** dek, abhee paandit aur tantraee log mere samhane isaaliye laae gaae the ki yah likha hua paddhen aur usaka arth mujhe bataae, parantu ve us bat ka arth n samajha sake.
- 16** parantu maain ne tere vishay men suna haai ki daniyyel bhed khol sakata aur sandeh door kar sakata haai. isaaliye ab yaadi too us likhe huae ko paddh sake aur usaka arth bhee mujhe samajha sake, to tujhe baainjaneer rang ka vasr, aur tere gale men sone kee kanttmala paahinai jaaegee, aur rajy men teesara too hee prabhuta karega..
- 17** daaniyyel ne raja se kaha, apane dan apane hee pas rakh aur jo badala too dena chahata haai, vah doosare ko de vah likhee hui bat maain raja ko paddh sunaunga, aur usaka arth bhee tujhe samajhaunga.
- 18** he raja, paramapradhaan parameshvar ne tere pita nabookadanessar ko rajy, badai, praatishtta aur pratap diya tha
- 19** aur us badai ke karan jo us ne usako dee thee, desha-desh aur jaati jati ke sab log, aur bhainna-abhainn bhasha bolanevale usake samhane kanpate aur thrathrate the, jise vah chahata use vah ghaat karata tha, aur jisako vah chahata use vah jeeavit rakhta tha jise vah chahata use vah uncha pad deta tha, aur jisako vah chahata use vah gira deta tha.
- 20** parantu jab usaka man fool utta, aur usakee atma kattor ho gai, yahan tak ki vah abhaiman karane laga, tab vah apane rajaasinhasan par se utara gaya, aur usakee pratishtta bhng kee gai
- 21** vah manushyon men se nikala gaya, aur usaka man pashuuon ka sa, aur usaka nivas jangalee gadahon ke beech ho gaya vah baailon kee nain ghaas charata, aur usaka shareer akash kee os se bheega karata tha, jab tak ki us ne jan n liya

ki paramapradhaan paramashevar manushyon ke rajy men prabhuta karata haai aur jise chahata usee ko us par adhaikaree ttharata haai.

²² taubhee, he belashassar, too jo usaka putra haai, aur yah sab kuchh janata tha, taubhee tera man namra n hua.

²³ varan too ne svarga ke prabhu ke virooddh sir uttakar usake bhvan ke patra mangavakar apane samhane dharava lia, aur apane pradhaanon aur raniyon aur rakheliyon samet too ne un men dakhmadha piya aur chandee-sone, peetal, lohe, katt aur patthr ke devata, jo n dekhte n sunate, n kuchh janate haai, unakee to stuati kee, parantu parameshvar, jisake hath men tera praan haai, aur jisake vash men tera sab chalana firana haai, usaka sanman too ne naheen kiya..

²⁴ tab hee yah hath ka aek bhag usee kee or se pragatt kiya gaya haai aur ve shabd likhe gaae haain.

²⁵ aur jo shabd likhe gaae ve ye haai, mane, mane, takel, aur uparseena.

²⁶ is vaky ka arth yah haai, mane, arthata parameshvar ne tere rajy ke din ginakar usaka ant kar diya haai.

²⁷ takel, too mano tarajoo men taula gaya aur halaka paya gaya.

²⁸ pares, arthata tera rajy banttkar madiyon aur faarasiyon ko diya gaya haai..

²⁹ tab belashassar ne agyaa dee, aur daniyyel ko baainjaneer rang ka vasr aur usake gale men sone kee kanttmala pahinai gai aur ddniddhoriye ne usake vishay men pukara, ki rajy men teesara daaniyyel hee prabhuta karega..

³⁰ usee rat kasaadiyon ka raja belashassar mar dala gaya.

³¹ aur dara madee jo koi basatt varsha ka tha rajagaee par virajaman hua..

Daaniyyel 6

¹ dara ko yah achchha laga ki apane rajy ke upar aek sau bees aeese aadhaipaati ttharaa, jo poore rajy men aadhaikar rakhen.

² aur unake upar us ne teen adhyaksha, jin men se daniyyel aek tha, isaaliye ttharaa, ki ve un adhaipaatiyon se lekha liya rake, aur is reeti raja kee kuchh haani n hone paae.

³ jab yah dekha gaya ki daniyyel men uttm atma rahatee haai, tab usako un adhyakshaen aur adhaipaatiyon se aadhaik pratishhta milee varan raja yah bhee sochata tha ki usako sare rajy ke upar ttharaae.

⁴ tab adhyaksha aur adhaipaati rajakarya ke vishay men daaniyyel ke virooddh dosh ddoonddhne lage parantu vah vishvasayogy tha, aur usake kam men koi bool va dosh n nikala, aur ve aeese koi aparadha va dosh n pa sake.

⁵ tab ve log kahane lage, ham us daniyyel ke parameshvar kee vyavastha ko chhod aur kisee vishay men usake virooddh koi dosh n pa sakege..

⁶ tab ve adhyaksha aur adhaipaati raja ke pas utavalee se aa, aur us se kaha, he raja dara, too yugayug jeeavit rahe.

⁷ rajy ke sare adhyakshaen ne, aur haakimo, adhaipaatiyo, nyaayiyo, aur gavarnaron ne bhee apas men sammati kee haai, ki raja aeesee agyaa de aur aeesee kadee agyaa nikale, ki tees din tak jo koi, he raja, tujhe chhod kisee aur manushy va devata se binatee kare, vah sinhon kee mand men dal diya jaae.

⁸ isaliye ab he raja, aeesee agyaa de, aur is patra par hastakshar kar, jis se yah bat madiyon aur faarasiyon kee attl vyavastha ke anusar adala-badal n ho sake.

⁹ tab dara raja ne us agyaapatra par hastakshar kar diya..

¹⁰ jab daaniyyel ko maloom hua ki us patra par hastakshar kiya gaya haai, tab vah apane ghar men gaya jisakee uparauttee kottree kee khaidkiyan yarooshalem ke samane khulee rahatee thee, aur apanee reeti ke anusar jaisa vah din men teen bar apane parameshvar ke samhane ghauttne ttekakar praarthna aur dhanyavad karata tha, vaaisa hee tab bhee karata raha.

¹¹ tab un purooshaen ne utavalee se akar daniyyel ko apane parameshvar ke samane binatee karate aur gidgirate huae paya.

¹² so ve raja ke pas jakar, usakee rajaagyaa ke vishay men us se kahane lage, he raja, kya too ne aeese agyaapatra par hastakshar naheen kiya ki tees din tak jo koi tujhe chhod kisee manushy va devata se binatee karega, vah sinhon kee mand men dal diya jaaega? raja ne uttr diya, ha, madiyon aur faarasiyon kee attl vyavastha ke anusar yah bat sthiar haai.

¹³ tab unhon ne raja se kaha, yahooodee bandhauon men se jo daniyyel haai, us ne, he raja, n to teree or kuchh dhyan diya, aur n tere hastakshar kiae huae agyaapatra kee ora vah din men teen bar binatee kiya karata haai..

¹⁴ yah vachan sunakar, raja bahut udas hua, aur daaniyyel ke bachane ke upay sochane laga aur soorya ke ast hone tak usake bachane ka yatn karata raha.

¹⁵ tab ve puroosh raja ke pas utavalee se akar kahane lage, he raja, yah jan rak, ki madiyon aur faarasiyon men yah vyavastha haai ki jo jo manahee va agyaa raja ttharaa, vah naheen badal sakatee..

¹⁶ tab raja ne agyaa dee, aur daaniyyel lakar sinhon kee mand men dal diya gaya. us samay raja ne daniyyel se kaha, tera parameshvar jisakee too nity upasana karata haai, vahee tujhe bachaae!

¹⁷ tab aek patthr lakar us gadhe ke munh par rakha gaya, aur raja ne us par apanee angoottee se, aur apane pradhaanon kee angoottyaien se muhar laga dee ki daniyyel ke vishay men kuchh badalane ne paae.

18 tab raja apane mahal men chala gaya, aur us rat ko bina bhojan pada raha aur usake pas sukh vilas kee koi vastu naheen pahunchai gai, aur use neend bhee naheen ai..

19 bhor ko pau fattte hee raja utta, aur sinhon ke gadhe kee or faurtee se chala gaya.

20 jab raja gadhe ke nikatt aya, tab shaekabhree vanee se chillane laga aur daniyyel se kaha, he daaniyyel, he jeevate parameshvar ke das, kya tera parameshvar jisakee too nity upasana karata haai, tujhe sinhon se bacha saka haai?

21 tab daaniyyel ne raja se kaha, he raja, too yugayug jeeavit rahe!

22 mere parameshvar ne apana doot bhejkar sinhon ke munh ko aeesa band kar rakha ki unhon ne merree kuchh bhee haani naheen kee isaka karan yah haai, ki maain usake samhane nirdosh paya gaya aur he raja, tere sammukh bhee maain ne koi bool naheen kee.

23 tab raja ne bahut anandait hokar, daniyyel ko gadhe men se nikalane kee agyaa dee. so daniyyel gadhe men se nikala gaya, aur us par haani ka koi chinh n paya gaya, kyonki vah apane parameshvar par vishvas rakhta tha.

24 aur raja ne agyaa dee ki jin purooshaen ne daaniyyel kee chugalee khai thee, ve apane apane ladkebalon aur striayon samet lakar sinhon ke gadhe men dal diae jaaen aur ve gadhe kee pendee tak bhee n pahunche ki sinhon ne un par jhpattkar sab haaddiyon samet unako chaba dala..

25 tab dara raja ne saree prathvee ke rahanevale desha-desh aur jati-jati ke sab logo, aur bhainna-abhainn bhasha bolanevalon ke pas yah likha, tumhara bahut kushal ho.

26 maain yah agyaa deta hoon ki jahan jahan mere rajy ka adhaikar haai, vahan ke log daaniyyel ke parameshvar ke sammukh kanpate aur thrathrate rahe, kyonki jeevata aur yuganayug tak rahanevala parameshvar vahee haai usaka rajy avinashae aur usakee prabhuta sada sthiar rahegee.

27 jis ne daniyyel ko sinhon se bachaya haai, vahee bachane aur chhudanevala haai aur svarga men aur prathvee par chinhon aur chatmatkaron ka pragatt karanevala haai.

28 aur daaniyyel, dara aur kusroo faarasee, donon ke rajy ke dinon men bhagyavana raha..

Daaniyyel 7

1 babul ke raja belashassar ke paahile varsha me, daniyyel ne palang par svapn dekha. tab us ne vah svapn likha, aur baton ka saransh bhee varnn kiya.

² daaniyyel ne yah kaha, maain ne rat ko yah svapn dekha ki mahasagar par chaumukhee andhaee chalane lagee.

³ tab samudra men se char bade bade jantu, jo aek doosare se bhainn the, nikal aae.

⁴ paahila jantu sinh ke saman tha aur usake pankh ukab ke se the. aur mere dekhte dekhte usake pankhon ke par neeche gae aur vah boomi par se uttakar, manushy kee nain panvon ke bal khda kiya gaya aur usako manushy ka day diya gaya.

⁵ fir maain ne aek aur jantu dekha jo reechh ke saman tha, aur aek panjar ke bal utta hua tha, aur sake munh men danton ke beech teen pasulee theen aur lag us se kah rahe the, uttkar bahut mans kha.

⁶ isake bad maain ne drashti kee aur dekha ki cheete ke saman aek aur jantu haai jisakee peett par pakshaee ke se char pankh haain aur us jantu ke char sir the aur usako adhaikar diya gaya.

⁷ fir isake bad maain ne svapn men draashti kee aur dekha, ki aek chautha jantu haai jo bhyankar aur dravana aur bahut samarthee haai aur usake bade bade lohe ke dant haain vah sab kuchh kha dalata haai aur choor choor karata haai, aur jo bach jata haai, use paairon se raundata haai. aur vah sab paahile jantuon se bhainn haai aur usake das seeng haain.

⁸ maain un seengon ko dhyan se dekh raha tha to kya dekha ki unake beech aek aur chhotta sa seeng nikala, aur usake bal se un pahile seengon men se teen ukhade gae fir maain ne dekha ki is seeng men manushy kee see ankhe, aur bada bol bolanevala munh bhee haai.

⁹ maain ne dekhte dekhte ant men kya dekha, ki sinhasan rakhe gaa, aur koi ati praacheen virajaman hua usaka vasr him sa ujala, aur sir ke bal nirmal un sareekhe the usaka sinhasan aagnaimay aur usake paahiye dhadhakatee hui ag ke se dekh padte the.

¹⁰ us praacheen ke sammukh se ag kee dhaara nikalakar bah rahee thee fir hajaron hajar log usakee seva tthal kar rahe the, aur lakhon lakh log usake samhane hajir the fir nyayee baaitt gaa, aur pustaken kholee gain.

¹¹ us samay us seeng ka bada bol sunakar maain dekhta raha, aur dekhte dekhte ant men dekha ki vah jantu ghaat kiya gaya, aur usaka shareer dhadhakatee hui ag men bhsam kiya gaya.

¹² aur rahe huae jantuon ka adhaikar le liya gaya, parantu unaka praan kuchh samay ke liye bachaya gaya.

¹³ maain ne rat men svapn men dekha, aur dekho, manushy ke santan sa koi akash ke badalon samet a raha tha, aur vah us aati praacheen ke pas pahuncha, aur usako ve usake sameep laae.

- 14 tab usako aeesee prabhuta, mahima aur rajy diya gaya, ki desha-desh aur jati-jati ke log aur bhainna-abhainn bhasha balanevale sab usake adhaeen hon usakee prabhuta sada tak attl, aur usaka rajy aavinashae tthara..
- 15 aur mujh daaniyyel ka man vikal ho gaya, aur jo kuchh maain ne dekha tha usake karan maain ghabara gaya.
- 16 tab jo log pas khde the, un men se aek ke pas jakar maain ne un saree baton ka bhed poochha, us n yah kahakar mujhe un baton ka arth bataya,
- 17 un char bade bade jantuon ka arth char rajy haai, jo prathvee par uday honge.
- 18 parantu paramapradhaan ke paavitra log rajy ko paaenge aur yuganayug usake aadhaikaree ban rahenge..
- 19 tab mere man men yah ichchha hui kee us chauthe jantu ka bhed bhee jan loon jo aur teenon se bhainn aur aati bhyankar tha aur jisake dant lohe ke aur nakh peetal ke the vah sab kuchh kha dalata, aur choor choor karata, aur bache huae ko paairon se raund dalata tha.
- 20 fir usake sir men ke das seengon ka bhed, aur jis naye seeng ke nikalane se teen seeng gir gaa, arthata jis seeng kee ankhen aur bada bol bolanevala munh aur sab aur seengon se adhaik bhyankar tha, usaka bhee bhed janane kee mujhe ichchha hui.
- 21 aur maain ne dekha tha ki vah seeng paavitra logon ke sang ladai karake un par us samay tak prabal bhee ho gaya,
- 22 jab tab vah aati praacheen n aya, aur paramapradhaan ke paavitra log nyayee n tthare, aur un pavitra logon ke rajyadhaikaree hone ka samay n a pahuncha..
- 23 us ne kaha, us chauthe jantu ka arth, ek chautha rajy haai, jo prathvee par hokar aur sab rajyon se bhainn hoga, aur saree prathvee ko nash karega, aur danvakar choora-choor karega.
- 24 aur un das seengon ka arth yah haai, ki us rajy men se das raja uttenge, aur unake bad un paahilon se bhainn aek aur raja uttega, jo teen rajaon ko gira dega.
- 25 aur vah paramapradhaan ke virooddh baten kahega, aur paramapradhaan ke paavitra logon ko pees dalega, aur samayon aur vyavastha ke badal dene kee asha karega, varan saddhe teen kal tak ve sab usake vash men kar diae jaaenge.
- 26 parantu, tab nyayee baaitenge, aur usakee prabhuta chheenakar mittai aur nash kee jaegee yahan tak ki usaka ant hee ho jaeega.
- 27 tab rajy aur prabhuta aur dharatee par ke rajy kee maahima, paramapradhaan hee kee praja arthata usake paavitra logon ko dee jaegee, usaka rajy sada ka rajy haai, aur sab prabhuta karanevale usake adhaeen honge aur usakee agyaa manenge.

²⁸ is bat ka varnn maain ab kar chuka, parantu mujh daaniyyel ke man men badee ghabarahatt banee rahee, aur maain bhyabheet ho gaya aur is bat ko maai. apane man men rakhe raha..

Daaniyyel 8

¹ belashassar raja ke rajy ke teesare varsha men us pahile darshan ke bad aek aur bat mujh daniyyel ko darshan ke dara dikhai gai.

² jab maain aelam nam praant me, shooshan nam rajagaddh men rahata tha, tab maain ne darshan men dekha ki maain ulaai nadee ke kinare par hoon.

³ fir maain ne ankh uttakar dekha, ki us nadee ke samhane do seengavala aek meddha khda haai, usake donon seeng bade haai, parantu un men se aek aadhaik bada haai, aur jo bada haai, vah doosare ke bad nikala.

⁴ maain ne us meddhe ko dekha ki vah pashchaim, uttr aur dakkhian kee or seeng marata haai, aur koi jantu usake samhane khda naheen rah sakata, aur n usake hath se koi kisee ko bacha sakata haai aur vah apanee hee ichchha ke anusar kam karake baddhta jata tha..

⁵ maain soch hee raha tha, to fir kya dekha ki aek bakara pashchaim disha se nikalakar saree prathvee ke upar aeesa fir ki chalate samay boomi par panv n chhuaya aur us bakare kee ankhon ke beech aek dekhne yogy seeng tha.

⁶ vah us do seengavale meddhe ke pas jakar, jisako maain ne nadee ke samhane khda dekha tha, us par jalakar apane poore bal se lapaka.

⁷ maain ne dekha ki vah meddhe ke nikatt akar us par jhunjhlaya aur meddhe ko marakar usake donon seengon ko tod diya aur usaka samhane karane ko meddhe ka kuchh bhee vash n chala tab bakare ne usako boomi par girakar raund dala aur meddhe ko usake hath se chhudanevala koi n mila.

⁸ tab bakara atyant badai marane laga, aur jab balavant hua, tak usaka bada seeng toott gaya, aur usakee santee dekhne yogy char seeng nikalakar charon dishaon kee or baddhne lage..

⁹ fir in men se aek chhotta sa seeng aur nikala, jo dakkhian, poorab aur shairomanai desh kee or bahut hee baddh gaya.

¹⁰ vah svarga kee sena tak baddh gaya aur us men se aur taron men se bhee kitanon ko boomi par girakar raund dala.

¹¹ varan vah us sena ke pradhaan tak bhee baddh gaya, aur usaka nity homabaali band kar diya gaya aur usaka pavitra vasasthan gira diya gaya.

12 aur logon ke aparadha ke karan nity homabaali ke sath sena bhee usake hath men kar dee gai, aur us seeng ne sachchai ko mittee men mila diya, aur vah kam karate karate safal ho gaya.

13 tab maain ne aek pavitra jan ko bolate suna fir aek aur pavitra jan ne us paahile bolanevale aparadha ke vishay men jo kuchh darshan dekha gaya, vah kab tak falata rahega arthata pavitrasthan aur sena donon ko raunda jana kab tak hota rahega?

14 aur us ne mujh se kaha, jab tak sanjh aur savera do hajar teen sau bar n ho, tab tak vah hota rahega tab paavitrasthan shuuddh kiya jaaega..

15 yah bat darshan me dekhkar, maai, daniyyel, isake samajhne ka yatn karane laga itane men puroosh ke roop dhare huae koi mere sammukh khda hua dekh pada.

16 tab mujhe ulaai nadee ke beech se aek manushy ka shabd sun pada, jo pukarakar kahata tha, he jibraaael, us jan ko usakee dekhee hui baten samajha de.

17 tab jahan maain khda tha, vahan vah mere nikatt aya aushra usake ate hee maain ghabara gaya, aur munh ke bal gir pada. tab us ne mujh se kaha, he manushy ke santan, un dekhee hui baton ko samajh le, kyonki usaka arth ant hee ke samay men falega..

18 jab vah mujh se baten kar raha tha, tab maain apana munh bhumi kee or kiae huae bharee neend men pada tha, parantu us ne mujhe chookar seedha khda kar diya.

19 tab us ne kaha, krodha bhdkane ke ant ke dinon men jo kuchh hoga, vah maain tujhe jatata hoon kyonki ant ke ttharaae huae samay men vah sab poora ho jaaega.

20 jo do seengavala meddha too ne dekha haai, usaka arth madiyon aur faarasiyon ke rajy se haai.

21 aur vah ronar bakara yoonan ka rajy haai aur usakee ankhon ke beech jo bada seeng nikala, vah pahila raja tthara.

22 aur vah seeng jo toott gaya aur usakee santee jo char seeng nikale, isaka arth yah haai ki us jati se char rajy uday honge, parantu unaka bal us paahile ka sa n hoga.

23 aur un rajyon ke ant samay men jab aparadhaee poora bal pakadenge, tab kroor drashtivala aur pachelee boojhnevala aek raja uttega.

24 usaka samathrya bada hoga, parantu us pahile raja ka sa naheen aur vah adabhuta reeti se logon ko nash karega, aur safal hokar kam karata jaega, aur samathairyon aur paavitra logon ke samuday ko nash karega.

²⁵ usakee chaturai ke karan usaka chhl safal hoga, aur vah man men foolakar nidr rahate huae bahut logon ko nash karega. vah sab haakimon ke haakim ke viroodh bhee khda hoga parantu ant ko vah kisee ke hath s ebina mar khaae toott jaega.

²⁶ sanjh aur savere ke vishay men jo kuchh too ne dekha aur suna haai vah sach haai parantu jo kuchh too ne darshan men dekha haai use band rak, kyonki vah bahut dinon ke bad falega..

²⁷ tab mujh daaniyyel ka bal jata raha, aur maain kuchh din tak beemar pada raha tab maain uttkar raja ka kamakaj fir karane laga parantu jo kuchh maain ne dekha tha us se maain chaakit raha, kyonaki usaka koi samajhanevala n tha..

Daaniyyel 9

¹ madee kshayarsha ka putra dara, jo kasaadiyon ke desh par raja ttharaya gaya tha,

² usake rajy ke pahile varsha me, mujh daniyyel ne shaasr ke dara samajh liya ki yarooshalem kee ujadee hui dasa yahova ke us vachan ke anusar, jo yirmayah nabee ke pas pahuncha tha, kuchh vasharen ke beetane par arthata sattr varsha ke bad pooree ho jaegee.

³ tab maain apana mukh parameshvar kee or karake gidgidahatt ke sath praarthna karane laga, aur upavas kar, ttatt pahin, rakh men baaittkar varadan mangane laga.

⁴ maain ne apane parameshvar yahova se is prakar praarthna kee aur pap ka angeekar kiya, he prabhu, too mahan aur bhyayogy parameshvar haai, jo apane praem rakhne aur agyaa mananevalon ke sath apanee vacha ko poora karata aur karoona karata rahata haai,

⁵ ham logon ne to pap, kuattlaita, dushtta aur balava kiya haai, aur teree agyaaon aur niyamon ko tod diya haai.

⁶ aur tere jo das nabee log, hamare rajao, hakimo, poorvajon aur sab sadhaaran logon se tere nam se baten karate the, unakee ham ne naheen sunee.

⁷ he prabhu, too dharmee haai, parantu ham logon ko aj ke din lajjait hona padta haai, arthata yarooshalem ke nivasee adi sab yahoodee, kya sameep kya door ke sab israaelee log jinhen too ne us vishvasaghaat ke karan jo unhoen ne tera kiya tha, desh desh men barabas kar diya haai, un sabhon ko lajjait hona padta haai.

⁸ he yahova ham logon ne apane rajao, hakimon aur poorvajon samet tere viroodh pap kiya haai, is karan ham ko lajjait hona padta haai.

⁹ parantu, yadhyapi ham apane parameshvar prabhu se fir gaa, taubhee too dayasagar aur kshama kee khani haai.

10 ham to apane parameshvar yahova ke shaiksha sunane par bhee us par naheen chale jo us ne apane das naabiyon se hamako sunai.

11 varan sab israaeliyon ne teree vyavastha ka ullanghan kiya, aur aese hatt gaae ki teree naheen sunee. is karan jis shaap kee charcha parameshvar ke das moosa kee vyavastha men likhee hui haai, vah shaap ham par ghatt gaya, kyonaki ham ne usake viroodh pap kiya haai.

12 so us ne hamare aur nyaiyon ke vishay jo vachan kahe the, unhen ham par yah badee vipaati dalakar poora kiya haai yahan tak ki jaaisee vipaati yarooshalem par padee haai, vaaisee saree dharatee par aur kaheen naheen padee.

13 jaaise moosa kee vyavastha men likha haai, vaaise hee yah saree vipaati ham par a padee haai, taubhee ham apane parameshvar yahova ko manane ke liye n to apane adharma ke kamon se fire, aur ne teree saty baton par dhyan diya.

14 is karan yahova ne soch vicharakar ham par vipaati dalee haai kyonki hamara parameshvar yahova jitane kam karata haai un sabhon men dharmee ttharata haai parantu ham ne usakee naheen sunee.

15 aur ab, he hamare parameshvar, he prabhu, too ne apanee praja ko misr desh se, balee hath ke dara nikal lakar apana aeesa bada nam kiya, jo aj tak praasiddh haai, parantu ham ne pap kiya haai aur dushtta hee kee haai.

16 he prabhu, hamare papon aur hamare purakhaon ke adharma ke kamon ke karan yarooshalem kee aur teree praja kee, aur hamare as pas ke sab logon kee or se namadharai ho rahee haai taubhee too apane sab dharm ke kamon ke karan apana krodha aur jalalahatt apane nagar yarooshalem par se utar de, jo tere paavitra parvat par basa haai.

17 he hamare parameshvar, apane das kee praarthna aur gidgadahatt sunakar, apane ujade huae paavitrasthan par apane mukh ka prakash chamaka he prabhu, apane nam ke nimitt yah kara.

18 he mere parameshvar, kan lagakar sun, ankh kholakar hamaree ujadee hui dasha aur us nagar ko bhee dekh jo tera kahalata haai kyonki ham jo tere samhane gidgidakar praarthna karate haai, so apane dharm ke kamon par nahee, varan teree badee daya hee ke kamon par bhrosa rakhkar karate haain.

19 he prabhu, sun le he prabhu, pap kshama kara he prabhu, dhyan dekar jo karata haai use kar, vilamb n kara he mere parameshvar, tera nagar aur teree praja teree hee kahalatee haai isaliye apane nam ke nimitt aesa hee kara..

20 is prakar maain praarthna karata, aur apane aur apane israaelee jati bhaiyon ke pap ka angeekar karata hua, apane parameshvar yahova ke sammukh usake pavitra parvat ke liye gidgidakar binatee karata hee tha,

21 tab vah puroosh jibraaael jis maain ne us samay dekha jab mujhe pahile darshan hua tha, us ne veg se udne kee agyaa pakar, sanjh ke annabali ke samay mujh ko choo liya aur mujhe samajhakar mere sath baten karane laga.

22 us ne mujh se kaha, he daniyyel, maain tujhe buaddh iddh aur praavinta dene ko abhee nikal aya hoon.

23 jab too gidgidakar binatee karane laga, tab hee isakee agyaa nikalee, isaaliye maain tujhe batane aya hoo, kyonki too ati piry tthara haai isaaliye us vishay ko samajh le aur darshan kee bat ka arth boojh le..

24 tere logon aur tere pavitra nagar ke liye sattr saptah ttharaae gae haain ki unake ant tak aparadha ka hona band ho, aur papon ko ant aur adharma ka praayashchait kiya jaa, aur yugayug kee dhaarmikata pragatt hoae aur darshan kee bat par aur bhavishyavane par chhap dee jaa, aur paramapaavitra ka aabhaishok kiya jaae.

25 so yah jan aur samajh le, ki yarooshalem ke fir basane kee agyaa ke nikalane se lekar abhaishaikt pradhaan ke samay tak sat saptah beetenge. fir basatt saptahon ke beetane par chauk aur khai samet vah nagar kashtt ke samay men fir basaya jaaega.

26 aur un basatt saptahon ke beetane par aabhaishaikt puroosh katta jaaega : aur usake hath kuchh n lagega aur anevale pradhaan kee praja nagar aur pavitrasthan ko nash to karegee. parantu us pradhaan ka ant aesa hoga jaisa baddh se hota haai taubhee usake ant tak ladai hotee rahegee kyonaki usaka ujad jana nishchay ttana gaya haai.

27 aur vah pradhaan aek saptah ke liye bahuton ke sang draddh vacha bandhoga, parantu adho saptah ke beetane par vah melabaali aur annabaali ko band karega aur kangoore par ujadnevalee gharanait vastuen dikhai dengee aur nishchay se ttnee hui bat ke samapt hone tak parameshvar ka krodha ujadnevale par pada rahega..

Daaniyyel 10

1 faaras desh ke raja kusroo ke rajy ke teesare varsha men daaniyyel par, jo belatashassar bhee kahalata haai, aek bat pragatt kee gai. aur vah bat sach thee ki bada yuddh hoga. us ne is bat ko boojh liya, aur usako is dekhee hui bat kee samajh a gai..

2 un dinon maai, daniyyel, teen saptah tak shaek karata raha.

3 un teen saptahon ke poore hone tak, maain ne n to svaadishtt bhojan kiya aur n mans va dakhmadha apane munh men rakha, aur n apanee deh men kuchh bhee tel lagaya.

- ⁴ fir pahile maahine ke chaubeesaven din ko jab maain hiekel nam nabee ke teer par tha,
- ⁵ tab maain ne ankhen uttakar dekha, ki san ka vasr paahine hua, aur ufaaj desh ke kundan se kamar bandho huae aek puroosh khda haai.
- ⁶ usaka shareer faeroja ke saman, usaka mukh bijalee kee nai, usakee ankhen jalate huae deepak kee see, usakee bahen aur panv chamakaae huae peetal ke se, aur usake vachanon ke shabd bheedon ke shabd ka sa tha.
- ⁷ usako keval mujh daniyyel hee ne dekha, aur mere sangee manushyon ko usaka kuchh bhee darshan n hua parantu ve bahut hee thrathrane lage, aur chhpaine ke liye bhag gae.
- ⁸ tab maain akela rahakar yah adabhut darshan dekhta raha, is se mera bal jata raha maain bhyatur ho gaya, aur mujh men kuchh bhee bal n raha.
- ⁹ taubhee maain ne us puroosh ke vachanon ka shabd suna, aur jab vah mujhe sun pada tab maain munh ke bal gir gaya aur gaharee neend men boomi par aundho munh pada raha..
- ¹⁰ fir kisee ne apane hath se meree deh ko chhua, aur mujhe uttakar ghauttnon aur hatheliyon ke bal thrathrate huae baaita diya.
- ¹¹ tab us ne mujh se kaha, he daniyyel, he aati piry puroosha, jo vachan maain tujh se kahata hoon use samajh le, aur seedha khda ho, kyonaki maain abhee tere pas bheja gaya hoon. jab us ne mujh se yah vachan kaha, tab maain khda to ho gaya parantu thrathrata raha.
- ¹² fir us ne mujh se kaha, he daaniyyel, mat dr, kyonki pahile hee din ko jab too ne samajhne-boojhne ke liye man lagaya aur apane parameshvar ke samhane apane ko deen kiya, usee din tere vachan sune gaa, aur maain tere vachanon ke karan a gaya hoon.
- ¹³ faaras ke rajy ka pradhaan ikkees din tak mera samhana kiae raha parantu meekael jo mukhy pradhaanon men se haai, vah meree sahayata ke liye aya, isaaliye maain faaras ke rajaon ke pas raha,
- ¹⁴ aur jab maain tujhe samajhane aya hoo, ki ant ke dinon men tere logon kee kya dasha hogee. kyonki jo darshan too ne dekha haai, vah kuchh dinon ke bad poora hoga..
- ¹⁵ jab vah puroosh mujh se aeesee baten kah chuka, tab maain ne boomi kee or munh kiya aur chupaka rah gaya.
- ¹⁶ tab manushy ke santan ke saman kisee ne mere ontt chhua, aur maain munh kholakar balane laga. aur jo mere samhane khda tha, us se maain ne kaha, he mere prabhu, darshan kee baton ke karan mujh ko peeda see uttee, aur mujh men kuchh bhee bal naheen raha.

17 so prabhu ka das, apane prabhu ke sath kyonkar baten kar sake? kyonaki meree deh men ne to kuchh bal raha, aur n kuchh sans hee rah gai..

18 tab manushy ke saman kisee ne mujhe chookar fir mera hiyav bandhaaya.

19 aur us ne kaha, he ati piry puroosha, mat dr, tujhe shaantai mile too draddh ho aur tera hiyav bandha rahe. jab us ne yah kaha, tab maain ne hiyav bandhakar kaha, he mere prabhu, ab kah, kyonki too ne mera hiyav bandhaaya haai.

20 tab us ne kaha, kya too janata haai ki maain kis karan tere pas aya hoon? ab maain faaras ke pradhaar se ladne ko launtranga aur jab maain nikaloonga, tab yoonana ka pradhaan aaega.

21 aur jo kuchh sachchee baton se bhree hui pustak men likha hua haai, vah maain tujhe batata hoon un pradhaanon ke viroodd, tumhare pradhaan meekael ko chhod, mere sang sthiar rahanevala aur koi bhee naheen haai..

Daaniyyel 11

1 aur dara nam madee raja ke rajy ke paahile varsha men usako hiyav dilane aur bal dene ke liye maain khda ho gaya ..

2 aur ab maain tujh ko sachchee bat batata hoon. dek, faaras ke rajy men ab teen aur raja uttenge aur chautha raja un sabhon se adhaik dhane hoga aur jab vah dhan ke karan samarthee hoga, tab sab logon ko yoonan ke rajy ke virooddh ubharega.

3 usake bad ek parakramee raja uttkar apana rajy bahut baddhaega, aur apanee ichchha ke anusar hee kam kiya karega.

4 aur jab vah bada hoga, tab usaka rajy toottega aur charon dishaon men battkar alag alag ho jaaega aur n to usake rajy kee shaktai jyon kee tyon rahegee aur n usake vansh ko kuchh milega kyonki usaka rajy ukhdkar, unakee apeksha aur logon ko praapt hoga..

5 tab daakkhian desh ka raja bal pakadega parantu usaka aek hakim us se adhaik bal pakadkar prabhuta karega yahan tak ki usakee prabhuta badee ho jaaege.

6 kai vasharen ke beetane par, ve donon apas men milenge, aur daakkhian desh ke raja kee bettee uttr desh ke raja ke pas shaantai kee vacha bandhane ko aaegee parantu usaka bahubal bana n rahega, aur n vah raja aur n usaka nam rahega parantu vah sree apane pahunchanevalon aur apane pita aur apane sambhalanevalon samet alag kar dee jaaege..

7 fir usakee jadon men se aek dal utpann hokar usake sthan men baddhegee vah sena samet uttr ke raja ke gaddh men pravesh karega, oshra un se yuddh karake prabal hoga.

8 tab vah usake devataon kee ddhlee hui moorato, aur sone-chandee ke manabha patraen ko chheenakar misr men le jaaega isake bad vah kuchh varsha tak uttr desh ke raja ke virooddh hath roke rahega.

9 ratavah raja daakkhian desh ke raja ke desh men aega, parantu fir apane desh men laut jaaega..

10 usake putra jhgada machakar bahut se bade bade dal ikatte karenge, aur upandnevalee nadee kee nain akar desh ke beech hokar jaenge, fir lautte huae usake gaddh tak jhgada machate jaaenge.

11 tab daakkhian desh ka raja chiddhega, aur nikalakar uttr desh ke us raja se yuddh karega, aur vah raja ladne ke liye badee bheed ikatthee karega, parantu vah bheed usake hath men kar dee jaaenge.

12 us bheed ko jeet karake usaka man fool uttega, aur vah lakhon logon ko giraega, parantu vah prabal n hoga.

13 kyonaki uttr desh ka raja lauttkar paahilee se bhee badee bheed ikatthee karega aur kai dinon varan vasharen ke beetane par vah nishchay badee sena aur sampaati liae huae aega..

14 un dinon men bahut se log dakkhian desh ke raja ke virooddh uttenge varan tere logon men se bhee balatkaree log utt khde hongee, jis se is darshan kee bat pooree ho jaaenge parantu ve ttokar khakar girenge.

15 tab uttr desh ka raja akar kila bandhoga aur draddh nagar le lega. aur daakkhian desh ke n to pradhaan khde raheenge aur n bade veera kyonaki kisee ke khde rahane ka bal n rahega.

16 tab jo bhee unake virooddh aega, vah apanee ichchha pooree karega, aur vah hath men styanash liae huae shairomanai desh men bhee khda hoga aur usaka samhana karanevala koi n rahega.

17 tab vah apane rajy ke poorn bal samet, kai seedho logon ko sang liae huae ane lagega, aur apanee ichchha ke anusar kam kiya karega. aur vah usako aek sree isaliye dega ki usaka rajy bigada jaae parantu vah sthiar n rahege, n us raja kee hogee.

18 tab vah ddheepoon kee or munh karake bahuton ko le lega parantu aek senapaati usake ahankar ko mittaaega varan usake ahankar ke anukool use badala deta.

19 tab vah apane desh ke gaddhon kee or munh faerega, aur vah ttokar khakar girega, aur kaheen usaka pata n rahega.

20 tab usake sthan men koi aeesa uttega, jo shairomanai rajy men andhor karanevale ko ghaumaega parantu thode din beetane par vah krodha va yuddh kiae bina hee nash ho jaaega.

- 21** usake sthan men ek tuchchh manushy uttega, jisakee rajapratishtha pahile to n hogee, taubhee vah chaain ke samay akar chikaneer-chupadee baton ke dara rajy ko praapt karega.
- 22** tab usakee bhujaroopee baddh se log, varan vacha ka pradhaan bhee usake samhane se bahakar nash honge.
- 23** kyonaki vah usake sang vacha bandhane par bhee chhl karega, aur thode hee logon ko sang liae huae chaddhkar prabal hoga.
- 24** chaain ke samay vah praant ke uttm se uttm sthanon par chaddhai karega aur jo kam n usake purakha aur n usake purakhaon ke purakha karate the, use vah karega aur loottee hui dhana-sampati un men bahut bantta karega. vah kuchh kal tak draddh nagaron ke lene kee kalpana karata rahega.

- 32** aur jo dushtt hokar us vacha ko todenge, unako vah chikaneer-chupadee baten kah kahakar bhktaiheen kar dega parantu jo log apane parameshvar ka gyaan rakhenge, ve hiyav bandhakar bade kam karenge.
- 33** aur logon ko sikhanevale buddhmaian jan bahuton ko samajhaaenge, taubhee ve bahut din tak talavar se chhdaikar aur ag men jalakar, aur bandhauae hokar aur luttkar, bade du:kh men pade rahenge.

³⁴ jab ve du:kh men padenge tab thoda bahut sambhenge, parantu bahut se log chikane-chupadee baten kah kahakar un se mil jaaenge

³⁵ aur sikhanevalon men se kitanen girenge, aur isaliye girane paaenge ki janche jaae, aur nirmal aur ujale kiae jaaen. yah dasha ant ke samay tak banee rahegee, kyonaki in sab baton ka ant niyat samay men honevala haai..

³⁶ tab vah raja apanee ichchha ke anusar kam karega, aur apne ap ko sare devataon se uncha aur bada ttharaaega varan sab devataon ke parameshvar ke virooddh bhee anokhee baten kahega. aur jab tak parameshvar ka krodha n ho jaae tab tak us raja ka karya safal hota rahega kyonaki jo kuchh nishchay karake ttana hua haai vah avashy hee poora honevala haai.

³⁸ vah apne rajapad par sthiar rahakar draddh gaddhon hee ke devata ka samman karega, aek aese devata ka jise usake purakha bhee n janate the, vah sona, chandee, maanai aur manabhavane vastuen chaddhakar usaka samman karega.

³⁹ us birane devata ke sahare se vah ati draddh gaddhon se ladega, aur jo koi usako mane use vah badee praatishtta dega. aese logon ko vah bahuton ke upar prabhuta dega, aur apne labh ke liae apne desh kee boomi ko banttt dega..

⁴⁰ ant ke samay daakkhian desh ka raja usako seeng marane lagega parantu uttr desh ka raja us par bavandr kee nain bahut se rath-savar aur jahaj lekar chaddhai karega is reeti se vah bahut se deshaen men faail jaaega, aur un men se nikal jaaega.

⁴¹ vah shairomanai desh men bhee aega. aur bahut se desh ujad jaaenge, parantu aedomee, moabee aur mukhy mukhy ammonee aadi jatiyon ke desh usake hath se bach jaaenge.

⁴² vah kai deshaen par hath baddhaaega aur misr desh bhee n bachega.

⁴³ vah misr ke sone chandee ke khjanon aur sab manabhavane vastuon ka svamee ho jaaega aur loobee aur kooshaee log bhee usake peechhe ho lenge.

⁴⁴ usee samay vah poorab aur uttr dishaaon se samachar sunakar ghabaraega, aur bade krodha men akar bahuton ko satyanash karane ke liye nikalega.

⁴⁵ aur vah donon samudraen ke beech paavitra shairomanai parvat ke pas apana rajakeey tamboo khda karaaega itana karane par bhee usaka ant ja jaaega, aur koi usaka sahayak n rahega..

Daaniyyel 12

¹ usee samay meekael nam bada pradhaan, jo tere jati-bhaiyon ka paksha karane ko khda rahata haai, vah uttega. tab aese sankatt ka samay hoga, jaaisa kisee

⁴ parantu he daniyyel, too is pustak par muhar karake in vachanon ko ant samay tak ke liye band rakh. aur bahut log poochh-pachh aur ddoonddh-ddhanddh karenge, aur is se gyaan baddh bhee jaaega..

⁵ yah sab sun, mujh daniyyel ne drashtti karake kya dekha ki aur do puroosh khden haai, aek to nadee ke is teer par, aur doosara nadee ke us teer par haai.

⁶ yah sab sun, mujh daniyyel ne drashtti karake kya desha ki aur do puroosh khden haai, aek to nadee ke is teer par, aur doosara nadee ke us teer par haai.

⁷ tab jo puroosh san ka vasr pahine huae nadee ke jal ke upar tha, us se un purooshaen men se aek ne poochha, in ashcharyakamorn ka ant kab tak hoga?

⁸ tab jo puroosh san ka vasr pahine huae nadee ke jal ke upar tha, us ne mere sunate daahina aur banya apane donon hath svarga kee or uttakar, sada jeevit rahanevale kee shapath khakar kaha, yah dasa saddhe teen kal tak hee rahegee aur jab pavitra praja kee shaktai toottte toottte samapt ho jaaege, tab ye baten pooree hongee.

⁹ us ne kaha, he daniyyel chala ja kyonaki ye baten antasamay ke liye band haain aur in par muhar dee hui haai.

¹⁰ bahut log to apane apane ko nirmal aur ujale karenge, aur svachchh ho jaaenge parantu dushtt log dushtta hee karate rahenge aur dushtton men se koi ye baten n samajhega parantu jo buaddhmaian haai ve hee samajhenge.

¹¹ aur jab se nity homabaali uttai jaaege, aur vah ghainaunee vastu jo ujad kara detee haai, sthapit kee jaaege, tab se barah sau nabbe din beetenge.

¹² kya hee dhany haai vah, jo dhaeraj dharakar terah sau paantees din ke ant tak bhee pahunche.

¹³ ab too jakar ant tak tthara raha aur too vishraam karata rahega aur un dinon ke ant men too apane nij bhag par khda hoga..

Hosho 1

¹ yahooda ke raja ujaiyah, yotam, ahaj, aur hijaakiyyah ke dinon men aur israael ke raja yoash ke putra yarobam ke dinon me, yahova ka vachan beree ke putra hosho ke pas pahuncha..

² jab yahova ne hosho ke dara paahile paahil baten kee, tab us ne hosho se yah kaha, jakar aek veshya ko apanee patnee bana le, aur usake kukarma ke ladkebalon ko apane ladkebale kar le, kyonaki yah desh yahova ke peechhe chalana chhodkar veshya ka sa bahut kam karata haai.

³ so us ne jakar dibalaaaim kee bettee gomer ko apanee patnee kar liya, aur vah us se garbhvatee hui aur usake putra utpann hua.

⁴ tab yahova ne us se kaha, usaka nam yijraail rakh kyonaki thode hee kal men maain yehoo ke gharane ko yijraail kee hatya ka dand doonga, aur maain israael ke gharane ke rajy ka ant kar doonga.

⁵ aur us samay maain yijraail kee tarai men israael ke dhanush ko tod daloonga..

⁶ aur vah sree fir garbhvatee hui aur usake aek bettee utpann hui. tab yahova ne hosho se kaha, usaka nam lороohama rakh kyonki maain israael ke gharane men fir kabhee daya karake unaka aparadha kisee prakar se kshama n karoonga.

⁷ parantu yahooda ke gharane par maain daya karoonga, aur unaka uddhar karoonga unaka uddhar maain dhanush va talavar va yuddh va ghaedon va savaron ke dara nahee, parantu unake parameshvar yahova ke dara karoonga..

⁸ jab us sree ne lороohama ka dudha chhudaya, tab vah garbhvatee hui aur us se aek putra utpann hua.

⁹ tab yahova ne kaha, isaka nam loammee rakh kyonki tum log merree praja naheen ho, aur n maain tumhara parameshvar rahoonga..

¹⁰ taubhee israaeliyon kee ginatee samudra kee baloo kee see ho jaaege, jinaka mapana-aginana anahona haai aur jis sthan men un se yah kaha jata tha ki tum merree praja naheen ho, usee sthan men ve jeeavit parameshvar ke putra kahalaenge.

Hosho 2

¹ isaliye tum log apane bhaiyon se ammee aur apanee baahinon se roohama kaho..

- ² apanee mata se vivad karo, vivad kyonaki vah merree sree naheen aur n maain usaka pati hoon. vah apane munh par se apane chhnaialapan ko aur chhaatiyon ke beech se vyabhaicharon ko alag kare
- ³ hananee to maain usake vasr utarakar usako janm ke din ke saman nangee kar doonga, aur usako maroosthl ke saman aur marooboomi sareekhee banaunga, aur use pyas se mar daloonga.

- ⁷ vah apane yaron ke peechhe chalane se bhee n paaegee aur unhen ddoonddhne se bhee n paaegee. tab vah kahegee, maain apane pahile paati ke pas fir jaungee, kyonaki merree paahilee dasa is samay kee dasa se achchhee thee.
- ⁸ vah yah naheen janatee thee, ki ann, naya dakhmadha aur tel maain hee use deta tha, aur usake liye vah chandee sona jisako ve bal devata ke kam men le ate haai, maain hee baddhata tha.

¹⁶ aur yahova kee yah vanee haai ki us samay too mujhe ishaee kahegee aur fir balee n kahegee.

¹⁷ kyonaki bhvishy men maain use bal devataon ke nam n lene doonga aur n unake nam fir smaran men rahenge.

¹⁸ aur us samay maain unake liye vana-pashuon aur akash ke paakshiyon aur boomi par ke renganevale jantuon ke sath vacha bandhoonga, aur dhanush aur talavar todkar yuddh ko unake desh se door kar doonga aur aeese karoonga ki ve log nidr soya karenge.

¹⁹ aur maain sada ke liye tujhe apanee sree karane kee pratigyaa karoonga, aur yah pratigyaa dharma, aur nyay, aur karoonna, aur daya ke sath karoonga.

27 tab tum janoge ki maain israael ke beech men hoo, aur maai, yahova, tumhara parameshvar hoon aur koi doosara naheen haai. aur meree praja kee asha fir kabhee n toottegee..

28 un baton ke bad maain sab praanaiyon par apana atma undeloonga tumhare bette-beattyaian bhavishyadane ke kareenge, aur tumhare puraaniye svapn dekhenge, aur tumhare javan darshan dekhenge.

29 tumhare das aur dasiyon par bhee maain un dinon men apana atma undeloonga..

30 aur maain akash men aur prathvee par chatkar, arthata lohoo aur ag aur dhooaen ke khmbhe dikhaunga.

31 yahova ke us bade aur bhyanak din ke ane se paahile soorya aandhiayara hoga aur chandrama rakt sa ho jaaega.

32 us samay jo koi yahova se praarthna karega, vah chhuttakra paega aur yahova ke vachan ke anusar siyyon parvat par, aur yarooshalem men jin bache huon ko yahova bulaega, ve udar paenge..

Yoael 3

1 kyonaki suno, jin dinon men aur jis samay maain yahooda aur yarooshalem vasiyon ko bandhauai se lautta le aunga,

2 us samay maain sab jaatiyon ko ikatthee karake yahoshapat kee tarai men le jaunga, aur vahan unake sath apanee praja arthata apane nij bhag israel ke

³ unhon ne to merree praja par chitthee dalee, aur ek ladka veshya ke badale men de diya, aur ek ladkee bechakar dakhmadha peeya haai..

⁴ he sor, aur seedon aur paalishteen ke sab pradeshae, tum ko mujh se kya kama? kya tum mujh ko badala doge? yaadi tum mujhe badala bhee do, to maain shaeegha hee tumhara diya hua badala, tumhare hee sir par dal doonga.

⁵ kyonaki tum ne merree chandee-sona le liya, aur merree achchhee aur manabhavanee vastuen apane mandairon men le jakar rakhee haai

⁶ aur yahoodiyon aur yarooshalemiyon ko yoonaanion ke hath isaliye bech dala haai ki ve apane desh se door kiae jaaen.

⁷ isaliye suno, maain unako us sthan se, jahan ke janevalon ke hath tum ne unako bech diya, bulane par hoo, aur tumhara diya hua badala, tumhare hee sir par dal doonga.

⁸ maain tumhare bette-bettyaien ko yahoodiyon ke hath bikava doonga, aur ve usako shabaiyon ke hath bech denge jo door desh ke rahanevale haain kyonki yahova ne yah kaha haai..

⁹ jaati jati men yah prachar karo, yuddh kee taaiyaree karo, apane shooraveeron ko ubharo. sab yoddha nikatt akar ladne ko chaddhen.

¹⁰ apane apane hal kee faal ko peettkar talavar, aur apanee apanee hanasiya ko peettkar barchhee banao jo balaheen ho vah bhee kahe, maain veer hoon..

¹¹ he charon or ke jati jati ke logo, faurtee karake ao aur ikatthe ho jao. he yahova, too bhee apane shooraveeron ko vahan le ja.

¹² jaati jati ke log ubhrakar chaddh jaaen aur yahoshaapat kee tarai men jaae, kyonki vahan maain charon are kee saree jaatiyon ka nyay karane ko baaitoonga..

¹³ hansua lagao, kyonki khet pak gaya haai. ao, dakh raundo, kyonaki hauja bhr gaya haai. rasakund umandne lage, kyonaki unakee burai bahut badee haai..

¹⁴ nibattare kee tarai men bheed kee bheed haai! kyonki nibattare kee tarai men yahova ka din nikatt haai.

¹⁵ soorya aur chandrama apana apana prakash n denge, aur n tare chamakenge..

¹⁶ aur yahova siyyon se garajega, aur yarooshalem se bada shabd sunaaega aur akash aur prathvee thrathraaenge. parantu yahova apanee praja ke liye sharansthan aur israaeliyon ke liye gaddh ttharega..

17 is prakar tum janoge ki yahova jo apane pavitra parvat siyyon par vas kiae rahata haai, vahee hamara parameshvar haai. aur yarooshalem pavitra ttharega, aur paradeshaee us men hokar fir n jane paaenge..

18 aur us samay pahadon se naya dakhmadha ttpakane lagega, aur tteelon se doodha bahane lagega, aur yahooda desh ke sab nale jal se bhr jaaenge aur yahova ke bhvan men se aek sota foott nikalega, jis se shaittem ka nam nala seencha jaaega..

19 yahoodiyon par upadrav karane ke kara, misr ujad aur aedom ujada hua maroosthl ho jaaega, kyonaki unhon ne unake desh men nirdosh kee hatya kee thee.

20 parantu yahooda sarvada aur yarooshalem peeddhee peeddhee tab bana rahega.

21 kyonaki unaka koon, jo ab tak maain ne paavitra naheen ttharaya tha, use ab pavitra ttharaunga, kyonki yahova siyyon men vas kiae rahata haai..

⁵ isaliye maain yahooda men ag lagaunga, aur us se yarooshalem ke bhvan bhsm ho jaaenge..

⁶ yahova yon kahata haai, israael ke teen kya, varan char aparadhaen ke kara, maain usaka dand n chhooonga kyonaki unhon ne nirdosh ko roopaye ke liye aur daaridra ko aek jodee jootiyon ke liye bech dala haai.

⁷ ve kangalon ke sir par kee dhooli ka bhee lalach karate, aur namra logon ko marga se hatta dete haain aur bapa-betta donon aek hee kumaree ke pas jate haai, jis se mere paavitra nam ko apavitra ttharaaen.

⁹ maain ne unake samhane se aemoriyon ko nash kiya tha, jinakee lambai devadaron kee see, aur jinaka bal banj vrakshaen ka sa tha taubhee maain ne upar se usake fal, aur neeche se usakee jad nash kee.

¹⁰ aur maain tum ko misr desh se nikal laya, aur jangal men chalees varsha tak liae firata raha, ki tum aemoriyon ke desh ke adhaikaree ho jao.

11 aur maain ne tumhare putraen men se nabee hone ke liye aur tumhare kuchh javanon men se najeer hone ke liye ttharaya. he israaeliyo, kya yah sab sach naheen haai? yahova kee yahee vanee haai.

12 parantu tum ne najeeron ko dakhmadha pilaya, aur nabiyon ko agyaa dee ki bhvishyadvanee n karen..

13 dekho, maain tum ko aeesa dabaunga, jaaisee poolon se bhree hui gadee neeche ko dabai jatee haai.

Amos 3

1 he israaeliyo, yah vachan suno jo yahova ne tumhare vishay men arthata us sare kul ke vishay men kaha haai jis maain misr desh se laya hoon:

2 prathvee ke sare kulon men se maain ne keval tumheen par man lagaya haai, is karan maain tumhare sare adharma ke kamon ka dand doonga..

3 yaadi do manushy paraspar sahamat n ho, to kya ve aek sang chal sakenge?

4 kya sinh bina aher paae van men garajenge? kya javan sinh bina kuchh pakade apanee mand men se gurraaega?

5 kya chidiya bina fanda lagaae fansegee? kya bina kuchh fanse fanda boomi par se uchakega?

6 kya kisee nagar men naraasinga foonkane par log n thrathraaenge? kya yahova ke bina bheje kisee nagar men koi vipaati padegee?

7 isee prakar se prabhu yahova apane das bhvishyadvktaon par apana marma bina prakatt kiae kuchh bhee n karega.

8 sinh garaja kaun n drega? parameshvar yahova bola kaun bhavishyavanee n karega?

9 ashdod ke bhvan aur misr desh ke rajabhvan par prakar karake kaho, samaariya ke pahadon par ikatthe hokar dekho ki us men kya hee bada kolahal aur usake beech kya hee andhor ke kam ho rahe haain.

10 yahova kee yah vanee haai, ki jo lo apane bhvanon men upadrav aur dkaaitee ka dhan battor rakhte haai, ve seedhaai se kam karana janate hee naheen.

11 is karan parameshvar yahova yon kahata haai, desh ka ghoranevala aek shatra hoga, aur vah tera bal todega, aur tere bhvan lootte jaaenge..

12 yahova yon kahata haai, jis bhanati charavaha sinh ke munh se do ttange va kan ka aek ttukada chhudata haai, vaaise hee israaelee log, jo samaariya men bichhaune ke aek kone va reshamee gae par baaitta karate haai, ve bhee chhudaae jaaenge..

13 senaon ke parameshvar, prabhu yahova kee yah vanee haai, dekho, aur yakoob ke gharane se yah bat chitakar kaho,

14 jis samay maain israael ko usake aparadhaen ka dand doonga, usee samay maain betel kee veadiyon ko bhee dand doonga, aur vedee ke seeng tootkar bhmi par gir padenge.

15 aur maain jade ke bhvan ko aur dhoopakal ke bhvan, donon ko giraunga aur hatheedant ke bane bhvan bhee nash honge, aur bade bade ghar nash ho jaaenge, yahova kee yahee vanee haai..

Amos 4

1 he bashaan kee gayo, yah vachan suno, tum jo samaariya parvat par ho, jo kangalon par andhor karatee, aur daridraen ko kuchal dalatee ho, aur apane apane paati se kahatee ho ki la, de ham peeaen!

2 parameshvar yahova apanee paavitrata kee shapath khakar kahata haai, dekho, tum par aeese din anevale haai, ki tum kattyaiaon se, aur tumharee santan machhlee kee baansaiyon se kheench liae jaaenge.

3 aur tum bade ke nakon se hokar seedhaee nikal jaogee aur hamrmon men dalee jaagee, yahova kee yahee vanee haai..

4 betel men akar aparadha karo, aur gilgal men akar bahut se aparadha karo apane chaddhave bhor ko, aur apane dashamansh har teesare din le aya karo

5 dhanyavadabali khmeer milakar chaddhao, aur apane svechchhabaaliyon kee charcha chalakar unaka prachar karo kyonki he israaeliyo, aeese karana tumako bhvata haai, parameshvar yahova kee yahee vanee haai..

6 maain ne tumhare sab nagaron men dant kee safaai kara dee, aur tumhare sab sthanon men rottee kee ghattee kee haai, taubhee tum merree or firakar n aa, yahova kee yahee vanee haai..

7 aur jab kattnee ke teen maheene rah gaa, tab maain ne tumhare liye vashara n kee maain ne aek nagar men jal barasakar doosare men n barasaya aek khet men jal barasa, aur doosara khet jis men n barasa vah sookh gaya.

⁸ isaliye do teen nagaron ke log panee peene ko mare mare firate huae aek hee nagar men aa, parantu trapt n huae taubhee tum meree or n fire, yahova kee yahee vanee haai..

⁹ maain ne tumako looh aur gerooi se mara haai aur jab tumharee vattkaiaaen aur dakh kee bariya, aur anjeer aur jalapai ke vraksha bahut ho gaa, tab ttiiddayan unhen kha gain taubhee tum meree or firakar n aa, yahova kee yahee vanee haai..

¹⁰ maain ne tumhare beech men misr desh kee see maree faailai maain ne tumhare ghaadon ko chhnaiva kar tumhare javanon ko talavar se ghaat kara diya aur tumharee chhavane kee durgandha tumhare pas pahunchai taubhee tum meree or firakar n aa, yahova kee yahee vanee haai..

¹¹ maain ne tum men se kai aek ko aesa ulatt diya, jaaise parameshvar ne sadom aur amora ko ulatt diya tha, aur tum ag se nikalee hui lukattee ke saman tthare taubhee tum meree or firakar n aa, yahova kee yahee vanee haai..

¹² is kara, he israael, maain tujh se aesa hee karoonga, aur isaliye ki maain tujh men yah kam karane par hoo, he israael, apane parameshvar ke samhane ane ke liye taaiyar ho ja..

¹³ dek, pahadon ka bananevala aur pavan ka sirajanevala, aur manushy ko usake man ka vichar batanevala aur bhor ko andhakar karanevala, aur jo prathvee ke unche sthanon par chalanvala haai, usee ka nam senaon ka parameshvar yahova haai..

Amos 5

¹ he israael ke gharon, is vilap ke geet ke vachan sun jo maain tumhare vishay men kahata hoon:

² israael kee kumaree kanya gir gai, aur fir utt n sakegee vah apanee hee boomi par pattk dee gai haai, aur usaka uttanevala koi naheen..

³ kyonaki parameshvar yahova yon kahata haai, jis nagar se hajar nikalate the, us men israael ke gharane ke sau hee bache rahenge, aur jis se sau nikalate the, us men das bache rahenge..

⁴ yahova, israael ke gharane se yon kahata haai, meree khoj men lago, tab jeeavit rahoge.

⁵ betel kee khoj men n lago, n gilgal men pravesh karo, aur n barshoba ko jao kyonki gilgal nishchay bandhauai men jaaega, aur betel soona padega..

⁶ yahova kee khoj karo, tab jeevit rahoge, naheen to vah yoosufa ke gharane par ag kee nain bhdkega, aur vah use bhsam karegee, aur betel men koi usaka bujhanevala n hoga.

- 7** he nyay ke bigadnevalon aur dharma ko mittee men milanevalon!
- 8** jo kachapaachiya aur mragashaira ka bananevala haai, jo ghaer andhakar ko bhor ka prakash banata haai, jo din ko andhakar karake rat bana deta haai, aur samudra ka jal sthl ke upar baha deta haai, usaka nam yahova haai.
- 9** vah turant hee balavant ko vinash kar deta, aur gaddh ka bhee satyanash karata haai..
- 10** jo sabha se ulahana deta haai us se ve baair rakhte haai, aur khree bat bolanevale se gharana karate haain.
- 11** tum jo kangalon ko latada karate, aur bhentt kahakar us se ann har lete ho, isaliye jo ghar tum ne gaddhe huae patthron ke banaae haai, un men rahane n paoge aur jo manabhavane dakh kee baariyan tum ne lagai haai, unaka dakhmadha n peene paoge.
- 12** kyonaki maain janata hoon ki tumhare pap bharee haain. tum dharmee ko satate aur ghoos lete, aur faattk men daaridraen ka nyay bigadte ho.
- 13** is karan jo buddhmaiana ho, vah aese samay chupaka rahe, kyonaki samay bura haai..
- 14** he logo, burai ko nahee, bhlai ko ddoonddho, taki tum jeevit raho aur tumhara yah kahana sach tthare ki senaon ka parameshvar yahova tumhare sang haai.
- 15** burai se baair aur bhlai se praeeti rakho, aur faattk men nyay ko sthiar karo kya jane senaon ka parameshvar yahova yoosufa se bache huon par anugrah kare..
- 16** is karan senaon ka parameshvar, prabhu yahova yon kahata haai, ab chaukon men rona-peettna hoga aur sab sadkon men log hay, hay, karenge! ve kisanon ko shaek karane ke liye, aur jo log vilap karane ken nipun haai, unhen rone-peettne ko bulaaenge.
- 17** aur sab dakh kee baariyon men rona-peettna hoga, kyonaki yahova yon kahata haai, maain tumhare beech men se hokar jaunga.
- 18** hay tum par, jo yahova ke din kee abhailasha karate ho! yahova ke din se tumhara kya labh hoga? vah jo ujiyale ka nahee, andhiyare ka din hoga.
- 19** jaaisa koi sinh se bhage aur use bhaloo mile va ghar men akar bheet par hath tteke aur sanp usako dse.
- 20** kya yah sach naheen haai ki yahova ka din ujiyale ka nahee, varan aandhiyare hee ka hoga? ha, aese ghaer andhakar ka jis men kuchh bhee chamak n ho..
- 21** maain tumhare pavorn se baair rakhta, aur unhen nikamma janata hoo, aur tumharee mahasabhaon se maain prasann naheen.

²² chahe tum mere liye homabaali aur annabali chaddhao, taubhee maain prasann n hoonga, aur tumhare pale huae pashuon ke melabaliyon kee or n takoonga.

²³ apane geeton ko kolahal mujh se door karo tumharee saranagiyon ka sun maain n sunoonga.

²⁴ parantu nyay ko nadee kee nai, aur dharm mahanad kee nain bahane do.

²⁵ he israael ke gharane, tum jangal men chalees varsha tak pashuubaali aur annabali kya mujhee ko chaddhate rahe?

²⁶ nahee, tum to apane raja ka tambo, aur apanee mooraton ko charanpeet, aur apane devata ka tara liae firate rahe.

²⁷ is karan maain tum ko daamishk ke us par bandhauai men kar doonga, senaon ke parameshvar yahova ka yahee vachan haai..

Amos 6

¹ hay un par jo siyyon men sukh se rahate, aur un par jo samaariya ke parvat par nishchaint rahate haai, ve jo shraeshtt jaati men prasiddh haai, jin ke pas israael ka gharana ata haai!

² kalane nagar ko jakar dekho, aur vahan se hamat nam bade nagar ko jao fir palishtaiyon ke gat nagar ko jao. kya ve in rajyon se uttm haain? kya unaka desh tumhare desh se kuchh bada haai?

³ tum bure din ko door kar dete, aur upadrav kee gae ko nikatt le ate ho..

⁴ tum hathee dant ke palangon par lettte, aur apane apane bichhaune par panv faailaae sote ho, aur bhed-bakaariyon men se memne aur gaushaalaon men se bachhde khate ho.

⁵ tum sarangee ke sath geet gate, aur daud kee nain bhanti bhanati ke baje buaddh ise nikalate ho

⁶ aur kattoron men se dakhmadha peete, aur uttm uttm tel lagate ho, parantu yoosufa par anevalee vipaati ka hal sunakar shaeakit naheen hote.

⁷ is karan ve ab bandhauai men paahile jaaenge, aur jo panv faailaae sote the, unakee dhoom jatee rahege..

⁸ senaon ke parameshvar yahova kee yah vane haai, parameshvar yahova ne apanee hee shapath khakar kaha haai: jis par yakoob ghamand karata haai, us se maain gharana, aur use rajabhvanon se baair rakhta hoon aur maain is nagar ko us sab samet jo us men haai, shatra ke vash men kar doonga..

⁹ aur yaadi kisee ghar men das puroosh bache rahe, taubhee ve mar jaaenge.

10 aur jab kisee ka chacha, jo usaka jalanevala ho, usakee haddiyon ko ghar ke nikalane ke liye uttaaega, aur jo ghar ke kone men ho us se kahega, kya tere pas koi aur haai? tab vah kahega, koi naheen tab vah kahega, chup rahe! hamen yahova ka nam naheen lena chahiae..

11 kyonaki yahova kee agyaa se bade ghar men chhech, aur chhotte ghar men darar hogee.

12 kya ghaede chattan par dauden? kya koi aeese sthan men baailon se jiten jahan tum logon ne nyay ko vish se, aur dharna ke fal ko kadve fal se badal dala haai?

13 tum aeese vastu ke karan anand karate ho jo vyarth haai aur kahate ho, kya ham apne hee yatn se samarthee naheen ho gae?

14 is karan senaon ke parameshvar yahova kee yah vanee haai, he israael ke gharane, dek, maain tumhare viroodh aek aeesee jati khdee karoonga, jo hamat kee ghaattee se lekar araba kee nadee tak tumako sankatt men dalegee..

Amos 7

1 parameshvar yahova ne mujhe yah dikhaya, aur maain kya dekhta hoon ki us ne pichhlee ghaas ke ugane ke arambh me ttiiddayan utpann kee aur vah raja kee kattnee ke bad kee pichhlee ghaas theen.

2 jab ve ghaas kha chukee, tab maain ne kaha, he parameshvar yahova, kshama kara! naheen to yakoob kaaise sthiar rah sakega? vah kitana nirbal haai!

3 isake vishay men yahova pachhtaya, aur us se kaha, aeesee bat ab n hogee..

4 parameshvar yahova ne mujhe yah dikhaya : aur kya dekhta hoon ki parameshvar yahova ne ag ke dara mukama ladne ko pukara, aur us ag se mahasagar sookh gaya, aur desh bhee bhsam hua chahata tha.

5 tab maain ne kaha, he parameshvar yahova, thm ja! naheen to yakoob kaaise sthiar rah sakega? vah kaaisa nirbal haai.

6 isake vishay men bhee yahova pachhtaya aur parameshvar yahova ne kaha, aeesee bat fir n hogee..

7 us ne mujhe yah bhee dikhaya: maain ne dekha ki prabhu sahil lagakar banai hui kisee bheet par khda haai, aur usake hath men sahil haai.

8 aur yahova ne mujh se kaha, he amos, tujhe kya dekh padta haai? maain ne kaha, aek sahula. tab parameshvar ne kaha, dek, maain apnee praja israael ke beech men sahil lagaunga.

9 maain ab unako n chhoonga. ishak ke unche sthan ujad, aur israael ke paavitrasthan sunasan ho jaaenge, aur maain yarobam ke gharane par talavar kheech huae chaddhai karoonga..

10 tab betel ke yajak amasyah ne israael ke raja yarobam ke pas kahala bheja, ki, amos ne israael ke gharane ke beech men tujh se rajadraeh kee goshttee kee haai usake sare vachanon ko desh naheen sah sakata.

11 kyonaki amos yon kahata haai, ki, yarobam talavar se mara jaaega, aur israael apanee boomi par se nishchay banghauai men jaaega..

12 aur amasyah ne amos se kaha, he dasharee, yahan se nikalakar yahooda desh men bhag ja, aur vaheen rottee khaya kar, aur vaheen bhvishyadane kiya kara

13 parantu betel men fir kabhee bhavishyadane n karana, kyonaki yah raja ka paavitrasthan aur raja-nagar haai.

14 amos ne uttr dekar amasyah se kaha, maain ne to bhavishyadvkta tha, aur n bhvishyadvkta ka betta maain to gaya-baail ka charavaha, aur goolar ke vrakshaen ka chhanttnehara tha,

15 aur yahova ne mujhe bhed-bakaariyon ke peechhe peechhe firane se bulakar kaha, ja, merree praja israael se bhvishyadane kara.

16 isaliye ab too yahova ka vachan sun, too kahata haai ki israael ke virooddh bhavishyadane mat kara aur isahak ke gharane ke virooddh bar bar vachan mat suna.

17 is karan yahova yon kahata haai, teree sree nagar men veshya ho jaaengee, aur tere bette-bettyaian talavar se maree jaaengee, aur teree boomi doree dalakar bant lee jaaengeen aur too ap ashuuddh desh men marega, aur israael apanee boomi par se nishchay bandhaai men jaaega..

Amos 8

1 parameshvar yahova ne mujh ko yon dikhaya: ki, dhoopakal ke falon se bhree hui aek ttokaree haai.

2 aur us ne kaha, he amos, tujhe kya dekh padta haai? maain ne kaha, dhoopakal ke falon se bhree aek ttokaree. tab yahova ne mun se kaha, merree praja israael ka ant a gaya haai maain ab usako aur n chhoonga.

3 parameshvar yahova kee vanee haai, ki us din rajamandair ke geet hahakar men badal jaaenge, aur lathon ka bada ddher lagega aur sab sthanon men ve chupachap faenk dee jaaengee..

4 yah suno, tum jo daridraen ko nigalana aur desh ke namra logon ko nash karana chahate ho,

5 jo kahate ho naya chand kab beetega ki ham ann bech saken? aur vishraamadin kab beetega, ki ham ann ke khte kholakar aepa ko chhotta aur shokel ko bharee kar de, aur chhl se dandee mare,

⁶ ki ham kangalon ke roopaya dekar, aur daaridraen ko aek jodee jootiyan dekar mol le, aur nikamma ann bechen?

⁷ yahova, jis par yakoob ko ghamand karana uchit haai, vahee apanee shapath khakar kahata haai, maain tumhare kisee kam ko kibhee n booloonga.

⁸ kya is karan boomi n kanpegee? aur kya un par ke sab rahanevale vilap n karenge? yah desh sab ka sab misr kee neel nadee ke saman hoga, jo baddhtee haai, fir laharen maratee, aur ghatt jatee haai..

⁹ parameshvar yahova kee yah vanee haai, us samay maain soorya ka dopahar ke samay ast karoonga, aur is desh ko din dupaharee aandhiyara kar doonga.

¹⁰ maain tumhare pavorn ke utsav door karake vilap karaunga, aur tumhare sab geeton ko door karake vilap ke geet gavaunga maain tum sab kee katt imen ttatt bandhaaunga, aur tum sab ke siron ko mundaunga aur aesa vilap karaunga jaaisa aekalaut ke liye hota haai, aur usaka ant kattnai du:kh ke din ka sa hoga..

¹¹ parameshvar yahova kee yah vanee haai, dekho, aeese din ate haai, jab maain is desh men mahangee karoonga us men ne to ann kee bookh aur n panee kee pyas hogee, parantu yahova ke vachanon ke sunane hee kee bookh pyas hogee.

¹² aur log yahova ke vachan kee khoj men samudra se samudra tab aur uttr se poorab tak mare mare firenge, parantu usako n paaenge..

¹³ us samay sundar kumaariyan aur javan puroosh donon pyas ke mare moorchha khaenge.

¹⁴ jo log samariya ke pap mool devata kee shapath khate haai, aur jo kahate haain ki dan ke devata ke jeevan kee shapat, aur beshorba ke panth kee shapat, ve sab gir padenge, aur fir n uttenge..

Amos 9

¹ maain ne prabhu ko vedee ke upar khda dekha, aur us ne kaha, khmbhe kee kangaaniyon par mar jis se devaaddhiyan hile, aur unako sab logon ke sir par girakar ttukade ttukade kara aur jo nash hone se bache, unhen maain talavar se ghaat karoonga un men se aek bhee n bhag nikalega, aur jo apane ko bachaa, vah bachane n paaega..

² kyonaki chahe ve khodakar adhaelok men utar jaae, to vahan se maain hath baddhakar unhen launga chahe ve akash par chaddh jaae, to vahan se maain unhen utar launga.

³ chahe ve kamrmel men chhpai jaae, parantu vahan bhee maain unhen ddoonddh-ddoonddhkar pakad loonga, aur chahe ve samudra kee thah men meree draashti se ott ho, vahan bhee maain sarpa ko unhen dsane kee agyaa doonga.

- ⁴ aur chahe shatra unhen hankakar bandhauai men le jaae, vahan bhee maain agyaa dekar talavar se unhen ghaat karaunga aur maain un par bhilai karane ke liye nahee, burai kee karane ke liye draashtti karoonga..
- ⁵ senaon ke parameshvar yahova ke sparsha karane se prathvee pighalatee haai, aur usake sare rahanevale vilap karate haain aur vah sab kee sab misr kee nadee ke saman jo jatee haai, jo baddhtee haai fir laharen maratee, aur ghatt jatee haai.
- ⁶ jo akash men apanee kottriyon banata, aur apane akashmandl kee nev prathvee par dalata, aur samudra ka jal gharatee par baha deta haai, usee ka nam yahova haai..
- ⁷ he israaeliyo, yahova kee yah vanee haai, kya tum mere lekhe kooshaiyon ke saman naheen ho? kya maain israael ko misr desh se aur paalishtaiyon ko kaptor se naheen nikal laya? aur araamiyon ko keer se naheen nikal laya?
- ⁸ dekho, parameshvar yahova kee drashtti is papa-may rajy par lagee haai, aur maain isako dharatee par se nash karoonga taubhee maain pooree reeati se yakoob ke gharane ko nash n karoonga, yahova kee yahee vanee haai.
- ⁹ merree agyaa se israael ka dharana sab jatiyon men aeesa chala jaaega jaisa ann chalanee men chala jata haai, parantu usaka aek bhee pushtt dana boomi par n girega.
- ¹⁰ merree praja men ke sab papee jo kahate haain ki vah vipaati ham par n padegee, aur n hamen ghoregee, ve sab talavar se mare jaaenge.
- ¹¹ us samay maain daud kee giree hui jhopadee ko khda karoonga, aur usake bade ke nakon ko sudhaaroonga, aur usake khndharon ko fir banaunga, aur jaisa vah praacheenakal se tha, usako vaaisa hee bana dunga
- ¹² jis se ve bache huae aedomiyon ko varan sab anyajaatiyon ko jo merree kahalatee haai, apane adhaikar men le, yahova jo yah kam poora karata haai, usakee yahee vanee haai..
- ¹³ yahova kee yah bhee vanee haai, dekho, aese din ate haai, ki hal jotanevala lavanevale ko aur dakh raundanevala beech bonevale ko ja lega aur pahadon se naya dakhmadha ttpakane lagega, aur sab pahadiyon se bah nikalega.
- ¹⁴ maain apanee praja israael ke bandhauon ko faer le aunga, aur ve ujade huae nagaron ko sudhaarakar un men basenge ve dakh kee bariyan lagakar dakhmadha peeaenge, aur bageeche lagakar unake fal khaaenge.
- ¹⁵ maain unhe, unheen kee boomi men bounga, aur ve apanee boomi men se jo maain ne unhen dee haai, fir kabhee ukhade n jaaenge, tumhare parameshvar yahova ka yahee vachan haai..

Obadhah

Obadhah 1

- ¹ obadhah ka darshana.. ham logon ne yahova kee or se samachar suna haai, aur aek doot anyajaatiyon men yah kahane ko bheja gaya haai:
- ² utto! ham us se ladne ko utten! maain tujhe jaatiyon men chhotta kar doonga, too bahut tuchchh gina jaega.
- ³ he pahadon kee dararon men basanevale, he unche sthan men rahanevale, tere abhaiman ne tujhe dhaekha diya haai too man men kahata haai,
- ⁴ kaun mujhe boomi par utar dega? parantu chahe too ukab kee nain uncha udta ho, varan taragan ke beech apana ghaensala banaae ho, taubhee maain tujhe vahan se neeche giraunga, yahova kee yahee vanee haai..
- ⁵ yaadi chora-dakoo rat ko tere pas ate, hay, too kaaise mitta diya gaya haai! to kya ve churaae huae dhan se trapt hokar chale n jate? aur yaadi dakh ke todnevale tere pas ate, to kya ve kaheen kaheen dakh n chhod jate?
- ⁶ parantu aesav ka dhan kaaise khojkar lootta gaya haai, usaka gupt dhan kaaise pata laga lagakar nikala gaya haai!
- ⁷ jitanon ne tujh se vacha bandhaee thee, un sabhon ne tujhe sivane tak ddhkel diya haai jo log tujh se mel rakhte the, ve tujh ko dhaeka dekar tujh par prabal huae haain ve teree rottee khate haai, ve tere liye fanda lagate haain-- us men kuchh samajh naheen haai.
- ⁸ yahova kee yah vanee haai, kya maain us samay aedom men se buaddhmaianon ko, aur aesav ke pahad men se chaturai ko nash n karoonga?
- ⁹ aur he teman, tere shooraveeron ka man kachcha n ho jaaega, aur yon aesav ke pahad par ka har aek puroosh ghaat hokar nash ho jaaega.
- ¹⁰ he aesav, aek upadrav ke karan jo too ne apane bhai yakoob par kiya, too lajja se ddhnpega aur sada ke liye nash ho jaaega.
- ¹¹ jis din paradshaee log usakee dhan sampati chheenakar le gaa, aur birane logon ne usake faattkon se ghausakar yarooshalem par chitthee dalee, us din too bhee un men se aek tha.
- ¹² parantu tujhe uchit n tha ki too apane bhai ke din me, arthata usakee vipaati ke din men usakee or dekhta rahata, aur yahoodiyon ke nash hone ke din unake upar anand karata, aur unake sankatt ke din bada bol bolata.
- ¹³ tujhe uchit n tha ki merree praja kee vipaati ke din too usake faattk se ghausata, aur usakee vipaati ke din usakee dhan sampati par hath lagata.

14 tujhe uचित n tha ki tiramuhane par usake bhaganevalon ko mar dalane ke liye khda hota, aur sankatt ke din usake bache huon ko pakadata..

15 kyonaki saree anyajatiyon par yahova ke din ka ana nikatt haai. jaaisa tu ne kiya haai, vaaisa hee tujh se bhee kiya jaaega, tera vyavahar lauttkar tere hee sir par padega.

16 jis prakar too ne mere pavitra parvat par piya, usee prakar se saree anyajaatiyan lagatar peetee rahengee, varan ve sudka-sudkakar peeaengee, aur aesee ho jaaengee jaisee kabhee hui hee naheen.

17 parantu us समय siyyon parvat par bache huae log rahenge, or vah pavitrasthan ttharega aur yakoob ka gharana apane nij bhagon ka aadhaikaree hoga.

18 tab yakoob ka gharana ag, aur yoosufa ka gharana lau, aur aesav ka gharana koonttee banega aur ve un men ag lagakar unako bhsn karenge, aur aesav ke gharane ka koi n bachega kyonaki yahova hee ne aesa kaha haai..

19 daakkhian desh ke log aesav ke pahad ke aadhaikaree ho jaaenge, aur neeche ke desh ke log palishtaiyon ke aadhaikaree hongee aur yahooddee, aepraaim aur samariya ke dihat ko apane bhag men kar lenge, aur binyameen gilad ka aadhaikaree hoga.

20 israaeliyon ke us dal men se jo lag bandhauai men jakar kananiyon ke beech sarapat tak rahate haai, aur yarooshaleamiyon men se jo log bandhauai men jakar sapaarad men rahate haai, ve sab dakkhian desh ke nagaron ke adhaikaree ho jaaenge.

21 aur uddhar karanevale aesav ke pahad ka nyay karane ke liye siyyon parvat par chaddh aaenge, aur rajy yahova hee ka ho jaaega..

Yona

Yona 1

- ¹ yahova ka yah vachan amitaai ke putra yona ke pas pahuncha,
- ² uttkar us bade nagar neenave ko ja, aur usake virooddh prachar kara kyonaki usakee burai meree draashtti men baddh gai haai.
- ³ parantu yona yahova ke sammukh se tashareesh ko bhag jane ke liye utta, aur yapo nagar ke jakar tashareesh janevala aek jahaj paya aur bhada dekar us par chaddh gaya ki unake sath hokar yahova ke sammukh se tashareesh ko chala jaae..
- ⁴ tab yahova ne samudra men aek prachand andhaee chalai, aur samudra men badee andhaee uttee, yahan tak ki jahaj tootne par tha.
- ⁵ tab mallah log drakar apane apane devata kee dohai dene lage aur jahaj men jo vyopar kee samagraee thee use samudra men faenkane lage ki jahaj halka ho jaae. parantu yona jahaj ke nichale bhag men utarakar so gaya tha, aur gaharee neend men pada hua tha.
- ⁶ tab manjhee usake nikatt akar kahane laga, too bharee neend men pada hua kya karata haai? ut, apane devata kee dohai de! sambhv haai ki parameshvar hamaree chinta kare, aur hamara nash n ho..
- ⁷ tab unhon ne apas men kaha, ao, ham chitthee dalakar jan len ki yah vipaati ham par kis ke karan padee haai. tab unhon ne chitthee dalee, aur chitthee yona ke nam par nikalee.
- ⁸ tab unhon ne us se kaha, hamen bata ki kis ke karan yah vipaati ham par padee haai? tera udhym kya haai? aur too kahan se aya haai? too kis desh aur kis jati ka haai?
- ⁹ us ne un se kaha, maain ibraee hoon aur svarga ka parameshvar yahova jis ne jal sthl donon ko banaya haai, usee ka bhy manata hoon.
- ¹⁰ tab ve nipatt dr gaa, aur us se kahane lage, too ne yah kya kiya haai? ve jan gaae the ki vah yahova ke sammukh se bhag aya haai, kyonki us ne ap hee unako bata diya tha..
- ¹¹ tab unhon ne us se poochha, ham tere sath kya karen jis se samudra shaant ho jaae? us samay samudra kee laharen baddhtee hee jatee theen.
- ¹² us ne un se kaha, mujhe uttkar samudra men faenk do tab samudra shaant pad jaega kyonki maain janata hoo, ki yah bharee andhaee tumhare upar mere hee karan ai haai.

¹³ taubhee ve bade yatn se khete rahe ki usako kinare par lagaae, parantu pahunch n sake, kyonaki samudra kee laharen unake virooddh baddhtee hee jatee theen.

¹⁴ tab unhon ne yahova ko pukarakar kaha, he yahova ham binatee karate lae, ki is puroosh ke praan kee santee hamara nash n ho, aur n hamen nirdosh kee hatya ka doshaee tthara kyonki he hayova, jo kuchh teree ichchha thee vahee too ne kiya haai.

¹⁵ tab unhon ne yona ko uttakar samudra men faenk diya aur samudra kee bhyanak laharen thm gain.

¹⁶ tab un manushyon ne yahova ka bahut hee bhy mana, aur usako bhentt chaddhai aur mannaten maneen..

¹⁷ yahova ne aek bada sa magaramachchh ttharaya tha ki yona ko nigal le aur yona us magaramachchh ke pett men teen din aur teen rat pada raha..

Yona 2

¹ tab yona ne usake pett men se apane parameshvar yahova se praarthna karake kaha,

² maain ne sankatt men pade huae yahova kee dohai dee, aur us ne meree sun lee haai adhaelok ke udar men se maain chilla utta, aur too ne meree sun lee.

³ too ne mujhe gahire sagar men samudra kee thah tak dal diya aur maain dhaaraon ke beech men pada tha, teree bhdikai hui sab tarang aur laharen mere upar se bah gain.

⁴ tab maain ne kaha, maain tere samhane se nikal diya gaya hoon taubhee tere pavitra maandair kee or fir takoonga.

⁵ maain jal se yahan tak ghaira hua tha ki mere praan nikale jate the gaahira sagar mere charon or tha, aur mere sir men sivar lipatta hua tha.

⁶ maain pahadon kee jad tak pahunch gaya tha maain sada ke liye boomi men band ho gaya tha taubhee he mere parameshvar yahova, too ne mere praanon ko gadhe men se uttaya haai.

⁷ jab maain moorchha khane laga, tab maain ne yahova ko smaran kiya aur meree praarthna tere pas varan tere pavitra maandair men pahunch gai.

⁸ jo log dhaekhe kee vyarth vastuon par man lagate haai, ve apane karonanidhaan ko chhod dete haain.

⁹ parantu maain unche shabd se dhanyavad karake tujhe balidan chaddhaunga jo mannat maain ne manee, usako pooree karoonga. uddhar yahova hee se hota haai.

¹⁰ aur yahova ne magaramachchh ko agyaa dee, aur us ne yona ko sthl par ugal diya..

Yona 3

¹ tab yahova ka yah vachan doosaree bar yona ke pas pahuncha,

² uttkar us bade nagar neenave ko ja, aur jo bat maain tujh se kahoonga, usaka us men prachar kara.

³ tab yona yahova ke vachan ke anusar neenave ko gaya. neenave aek bahut bada lagar tha, vah teen din kee yatra ka tha.

⁴ aur yona ne nagar men pravesh karake aek din kee yatra pooree kee, aur yah prachar karata gaya, ab se chalees din ke beetane par neenave ulatt diya jaega.

⁵ tab neenave ke manushyon ne parameshvar ke vachan kee prateeti kee aur upavas ka prachar kiya gaya aur bade se lekar chhotte tak sabhon ne ttatt oddha.

⁶ tab yah samachar neenave ke raja ke kan men pahuncha aur us ne sinhasan par se ut, apana rajakeey oddhna utarakar ttatt oddh liya, aur rakh par baaitt gaya.

⁷ aur raja ke pradhaanon se sammaati lekar neenave men is agyaa ka ddheenddhora pittvaya, ki kya manushy, kya gaya-baail, kya bhed-bakaree, ya aur pashu, koi kuchh bhee n khaaen ve ne khanae aur n panee peeven.

⁸ aur manushy aur pashu donon ttatt oddhe, aur ve parameshvar kee dohai chilla-achilla kar den aur apane kumarga se firen aur us upadrav se, jo ve karate haai, pashchatap karen.

⁹ sambhv haai, parameshvar daya kare aur apanee ichchha badal de, aur usaka bhdka hua kop shaant ho jae aur ham nash hone se bach jaeen..

¹⁰ jab parameshvar ne unake kamon ko dekha, ki ve kumarga se fir rahe haai, tab parameshvar ne apanee ichchha badal dee, aur unakee jo haani karane kee ttanee thee, usako n kiya..

Yona 4

¹ yah bat yona ko bahut hee buree lagee, aur usaka krodha bhdka.

² aur us ne yahova se yah kahakar praarthna kee, he yahova jab maain apane desh men tha, tab kya maain yahee bat n kahata tha? isee karan maain ne teree agyaa sunate hee tashareesh ko bhag jane ke liye faurtee kee kyonki maain janata tha ki too anugrahakaree aur dayalu parameshvar haai, vilamb se kop karanevala karonanidhaan haai, aur du:kh dene se prasann naheen hota.

³ so ab he yahova, mera praan le le kyonaki mere liye jeeavit rahane se marana hee bhla haai.

- 4** yahova ne kaha, tera jo krodha bhdka haai, kya vah uchit haai?
- 5** is par yona us nagar se nikalakar, usakee poorab or baaitt gaya aur vahan aek chhppar banakar usakee chhaya men baaitta hua yah dekhne laga ki nagar ko kya hoga?
- 6** tab yahova parameshvar ne aek rend ka ped lagakar aesa baddhaya ki yona ke sir par chhaya ho, jis se usaka du:kh door ho. yona us rend ke ped ke karan bahut hee anaandait hua.
- 7** bihan ko jab pau fattne lagee, tab parameshvar ne aek keede ko bheja, jis ne rend ka ped aesa katta ki vah sookh gaya.
- 8** jab soorya uga, tab parameshvar ne puravai bahakar loo chalai, aur ghaam yona ke sir par aesa laga ki vah moochrchha khane laga aur us ne yah kahakar mratyu mangee, mere liye jeeavit rahane se marana hee achchha haai.
- 9** parameshvar ne yona se kaha, tera krodha, jo rend ke ped ke karan bhdka haai, kya vah uchit haai? us ne kaha, ha, mera jo krodha bhdka haai vah achchha hee haai, varan krodha ke mare marana bhee achchha hota.
- 10** tab yahova ne kaha, jis rend ke ped ke liye too ne kuchh paarishram naheen kiya, n usako baddhaya, jo aek hee rat men hua, aur aek hee rat men nash bhee hua us par too ne taras khai haai.
- 11** fir yah bada nagar neenave, jis men aek lakh bees hajar se aadhaim manushy haai, jo apane dahine baaen hathon ka bhed naheen paahichanate, aur bahut ghareloo pashu bhee us men rahate haai, to kya maain us par taras n khaun?

Haggaai

Haggaai 1

¹ dara raja ke doosare varsha ke chhrtven maheene ke paahile din, yahova ka yah vachan, haggaai bhavishyadvkta ke dara, shaalateael ke putra jaroobbabel ke pas, jo yahooda ka adhaipaati tha, aur yahosadak ke putra yahoshoo mahayajak ke pas pahuncha:

² senaon ka yahova yon kahata haai, ye log kahate haain ki yahova ka bhvan banane ka samay naheen aya haai.

³ fir yahova ka yah vachan haggaai bhavishyadvkta ke dara pahuncha,

⁴ kya tumhare liye apane chhtavale gharon men rahane ka samay haai, jab ki yah bhvan ujad pada haai?

⁵ isaliye ab senaon ka yahova yon kahata haai, apanee apnee chala-chalan par dhyan karo.

⁶ tum ne bahut boya parantu thoda katta tum khate ho, parantu pett naheen bhrata tum peete ho, parantu pyas naheen bujhtee tum kapade paahinate ho, parantu garamate naheen aur jo majadooree kamata haai, vah apnee majadooree kee kamai ko chhedavalee thailee men rakhta haai..

⁷ senao ka yahova tum se yon kahata he, apane apane chalachalan par socho.

⁸ pahad par chaddh jao aur lakadee le ao aur is bhvan ko banao aur maain usako dekhkar prasann hoonga, aur meree mahima hogee, yahova ka yahee vachan haai.

⁹ tum ne bahut upaj kee asha rakhee, parantu dekho thedee hee haai aur jab tum use ghar le aa, tab maain ne usako uda diya. senaon ke yahova kee yah vanee haai, aeesa kyon hua? kya isaliye nahee, ki mera bhvan ujad pada haai aur tum men se pratyek apane apane ghar ko dauda chala jata haai?

¹⁰ is karan akash se os girana aur prathvee se ann upajana donon band haain.

¹¹ aur meree agyaa se prathvee aur pahadon par, aur ann aur naye dakhmadha par aur taje tel par, aur jo kuchh boomi se upajata haai us par, aur manushyon aur gharaailoo pashuon par, aur unake parishram kee saree kamai par bhee akal pada haai..

¹² tab shaalateael ke putra jaroobbabel aur yahosadak ke putra yahoshoo mahayajak ne sab bache huae logon samet apane paramashevar yahova kee bat manee aur jo vachan unake parameshvar yahova ne un se kahane ke liye haggaai bhavishyadvkta ko bhej diya tha, use unhon ne man liya aur logon ne yahova ka bhy mana.

¹³ tab yahova ke doot haggai ne yahova se agyaa pakar un logon se yah kaha, yahova kee yah vanee haai, maain tumhare sang hoon.

¹⁴ aur yahova ne shaalateael ke putra jaroobbabel ko jo yahooda ka adhaipaati tha, aur yahosadak ke putra yahoshoo mahayajak ko, aur sab bache huae logon ke man ko ubhar ka utsah se bhr diya ki ve akar apane parameshvar, senaon ke yahova ke bhvan ko banane men lag jaaen.

¹⁵ yah dara raja ke doosare varsha ke chhthven maheene ke chaubeesaven din hua..

Haggai 2

¹ fir sataven maheene ke ikkeesaven din ko yahova ka yah vachan haggai bhavishyadvkta ke pas pahuncha,

² shaalateael ke putra yahooda ke adhaipaati jaroobbabel, aur yahosadak ke putra yahoshoo mahayajak aur sab bache huae logon se yah bat kah,

³ tum men se kaun haai, jis ne is bhvan kee paahilee maahima dekhee haai? ab tum ise kaaisee dasha men dekhte ho? kya yah sach naheen ki yah tumharee draashti men us pahile kee apeksha kuchh bhee achchha naheen haai?

⁴ taubhee, ab yahova kee yah vanee haai, he jaroobbabel, hiyav bandha aur he yahosadak ke putra yahoshoo mahayajak, hiyav bandha aur yahova kee yah bhee vanee haai ki he desh ke sab logo hiyav bandhakar kam karo, kyonaki maain tumhare sang hoo, senaon ke yahova kee yahee vanee haai.

⁵ tumhare misr se nikalane ke samay jo vacha maain ne tum se bandhaee thee, usee vacha ke anusar mera atma tumhare beech men bana haai isaaliye tum mat dro.

⁶ kyonaki senaon ka yahova yon kahata haai, ab thodee hee der bakee haai ki maain akash aur prathvee aur samudra aur sthl sab ko kampait karoonga.

⁷ aushra maai. saree jaatiyon ko kampakapaunga, aur saree jaatiyon kee manabhavaneer vastuaen aaengee aur maain is bhvan ko apanee mahima ke tej se bhr doonga, senaon ke yahova ka yahee vachan haai.

⁸ chandee to meree haai, aur sona bhee mera hee haai, senaon ke yahova kee yahee vanee haai.

⁹ is bhvan kee pichhlee mahima isakee paahilee maahima se badee hogee, senaon ke yahova ka yahee vachan haai, aur is sthan men maain shaantai doonga, senaon ke yahova kee yahee vanee haai..

¹⁰ dara ke doosare varsha ke nauven maheene ke chaubeesave din ko, yahova ka yah vachan haggai bhavishyadvkta ke pas pahuncha,

¹¹ senaon ka yahova yon kahata haai: yajakon se is bat kee vyavastha pooch,

12 yaadi koi apane vasr ke anchal se rottee va pakaae huae bhojan va dakhmadha va tel va kisee prakar ke bhojan ko chhua, to kya vah bhojan pavitra ttharega? yajakon ne uttr diya, naheen.

13 fir haggai ne poochha, yadi koi jan manushy kee loth ke karan ashuddh hokar aeesee kisee vastu ko chhua, to kya vah ashuddh ttharegee? yajakon ne uttr diya, han ashuddh ttharegee.

14 fir haggai ne kaha, yahova kee yahee vanee haai, ki meree draashti men yah praja aur yah jaati vaaisee hee haai, aur inake sab kam bhee vaaise haain aur jo kuchh ve vahan chaddhate haai, vah bhee ashuddh haai

15 ab socha-avichar karo ki aj se pahile arthata jab yahova ke maandair men patthr par patthr rakha hee naheen gaya tha,

16 un dinon men jab koi ann ke bees napuon kee asha se jata, tab das hee pata tha, aur jab koi dakhras ke kund ke pas is asha se jata ki pachas bartan bhr nikale, tab bees hee nikalate the.

17 maain ne tumharee saree khetee ko loo aur garooi aur olon se mara, taubhee tum meree or n fire, yahova kee yahee vanee haai.

18 ab socha-avichar karo, ki aj se pahile arthata jis din yahova ke mandair kee nev dalee gai, us din se lekar nauven maheene ke isee chaubeesaven din tak kya dasa thee? isaka socha-vichar karo.

19 kya ab tak beech khte men haai? ab tak dakhlata aur anjeer aur anar aur jalapai ke vraksha naheen fale, parantu aj ke din se maain tum ko ashaeesh deta rahoonga..

20 usee maheene ke chaubeesaven din ko doosaree bar yahova ka yah vachan haggai ke pas pahuncha, yahooda ke adhaipaati jaroobbabel se yon kaha:

21 maain akash aur prathvee donon ko kampaunga,

22 aur maain rajya-rajy kee gae ko ulatt doonga maain anyajatiyon ke rajya-rajy ka bal tooonga, aur rathon ko chaddhvaaiyon samet ulatt doonga aur ghaedon samet savar aek doosare kee talavar se girenge.

23 senaon ke yahova kee yahee vanee haai, us din, he shaalateael ke putra mere das jaroobbabel, maain tujhe lekar angoottee ke saman rakoonga, yahova kee yahee vanee haai kyonki maain ne tujhee ko chun liya haai, senaon ke yahova kee yahee vanee haai..

Jakaryah

Jakaryah 1

¹ dara ke rajy ke doosare varsha ke attven maheene men jakaryah bhavishyadvkta ke pas jo berekyah ka putra aur io ka pota tha, yahova ka yah vachan pahuncha:

² yahova tum logon ke purakhaon se bahut hee krodhait hua tha.

³ isaliye too in logon se kah, senaon ka yahova yon kahata haai: tum meree or firo, senaon ke yahova kee yahee vane haai, tab maain tumharee or firoonga, senaon ke yahova ka yahee vachan haai.

⁴ apane purakhaon ke saman n bano, un se to agale bhavishyadvkta yah pukar pukarakar kahate the ki senaon ka yahova yon kahata haai, apane bure margon se, aur apane bure kamon se firo parantu unhon ne n to suna, aur n meree or dhyan diya, yahova kee yahee vane haai.

⁵ tumhare purakha kahan rahe? aur bhvishyadvkta kya sada jeeavit rahate haain?

⁶ parantu mere vachan aur meree agyaaaen jin ko maain ne apane das naabiyon ko diya tha, kya ve tumhare purakhaon par pooree n hui? tab unhon ne man firaya aur kaha, senaon ke yahova ne hamare chalachalan aur kamon ke anusar ham se jaaisa vyavahar karane ko kaha tha, vaaisa hee us ne ham ko badala diya haai..

⁷ dara ke doosare varsha ke shabat nam gyarahaven maheene ke chaubeesaven din ko jakaryah nabee ke pas jo berekyah ka putra aur io ka pota tha, yahova ka vachan yon pahuncha:

⁸ maain ne rat ko svapn men kya dekha ki aek puroosh lal ghaede par chaddha hua un menhadiyon ke beech khda haai jo neechे sthan men haai, aur usake peechhe lal aur surang aur shvet ghaede bhee khde haain.

⁹ tab maain ne kaha, he mere prabhu ye kaun haain? tab jo doot mujh se baten karata tha, us ne mujh se kaha, maain tujhe bataunga ki ye kaun haain.

¹⁰ fir jo puroosh menhadiyon ke beech khda tha, us ne kaha, yah ve haain jin ko yahova ne prathvee par saair arthata dhoomane ke liye bheja haai.

¹¹ tab unhon ne yahova ke us doot se jo menhadiyon ke beech khda tha, kaha, ham ne prathvee par saair kiya haai, aur kya dekha ki saree prathvee men shaantai aur chaain haai.

¹² tab yahova ke doot ne kaha, he senaon ke yahova, too jo yarooshalem aur yahooda ke nagaron par sattr varsha se krodhait haai, so too un par kab tak daya n karega?

13 aur yahova ne uttr men us doot se jo mujh se baten karata tha, achchhee achchhee aur shaaantai kee baten kaheen.

14 tab jo doot mujh se baten karata tha, us ne mujh se kaha, too pukarakar kah ki senaon ka yahova yon kahata haai, mujhe yarooshalem aur siyyon ke liye badee jalan hui haai.

15 aur jo jaatiyan sukh se rahatee haai, un se maain krodhait hoon kyunki maain ne to thoda se krodha kiya tha, parantu unhon ne vipaati ko baddha diya.

16 is karan yahova yon kahata haai, ab maain daya karake yarooshalem ko lautt aya hoon mera bhvan us men banega, aur yarooshalem par napane kee doree dalee jaaegge, senaon ke yahova kee yahee vanee haai.

17 fir yah bhee pukarakar kah ki senaon ka yahova yon kahata haai, mere nagar fir uttm vastuon se bhr jaaenge, aur yahova fir siyyon ko shaaantai dega aur yarooshalem ko fir apana ttharaaega..

18 fir maain ne jo ankhen uttai, to kya dekha ki char seeng haain.

19 tab jo doot mujh se baten karata tha, us se maain ne poochha, ye kya haain? us ne mujh se kaha, ye ve hee seeng haai, jinhon ne yahooda aur israael aur yarooshalem ko titara-abitar kiya haai.

20 fir yahova ne mujhe char lohar dikhaae.

21 tab maain ne poochha, ye kya karane ko aae haain? us ne kaha, ye ve hee seeng haai, jinhon ne yahooda ko aeesa titara-abitar kiya ki koi sir n utta saka parantu ye log unhen bhgane ke liye aur un jaatiyon ke seengon ko katt dalane ke liye aae haain jinhon ne yahooda ke desh ko titara-abitar karane ke liye unake viroodh apane apane seeng uttaae the..

Jakaryah 2

1 fir maain ne ankhen uttain to kya dekha, ki hath men napane kee doree liae huae aek puroosh haai.

2 tab maain ne us se poochha, too kahan jata haai? us ne mujh se kaha, yarooshalem ko napane jata hoon ki dekon usakee chaudai kitanee, aur lambai kitanee haai.

3 tab maain ne kya dekha, ki jo doot mujh se baten karata tha vah chala gaya, aur doosara doot us se milane ke liye akar,

4 us se kahata haai, daudkar us javan se kah, yarooshalem manushyon aur gharaailoo pashuon kee bahutayat ke mare shaharapanah ke bahar bahar bhee basegee.

5 aur yahova kee yah vanee haai, ki maain ap usake charon or ag kee se shaharapanah ttharoonga, aur usake beech men tejomay hokar dikhai doonga..

⁶ yahova kee yah vanee haai, dekho, suno uttr ke desh men se bhag jao, kyonki maain ne tum ko akash kee charon vayuon ke saman titar bitar kiya haai.

⁷ he babulavalee jaati ke sang rahanevalee, siyyon ko bachakar nikal bhaga!

⁸ kyonaki senaon ka yahova yon kahata haai, us tel ke pragatt hone ke bad us ne mujhe un jatiyon ke pas bheja haai jo tumhen lootttee thee, kyonki jo tum ko choota haai, vah meree ankh kee putalee hee ko choota haai.

⁹ dekho, maain apana hath un par uttaunga, tab ve unheen se lootte jaaenge jo unake das huae the. tab tum janoge ki senaon ke yahova ne mujhe bheja haai.

¹⁰ he siyyon, unche svar se ga aur anand kar, kyonaki dek, maain akar tere beech men nivas karoonga, yahova kee yahee vanee haai.

¹¹ us samay bahut see jaatiyan yahova se mil jaengee, aur meree praja ho jaengee aur maain tere beech men bas karoonga,

¹² aur too janegee ki senaon ke yahova ne mujhe tere pas bhej diya haai. aur yahova yahooda ko paavitra desh men apana bhag kar lega, aur yarooshalem ko fir apana ttharaaega..

¹³ he sab praanaiyon! yahova ke samhane chupake raho kyonki vah jagakar apane pavitra nivasasthan se nikala haai..

Jakaryah 3

¹ fir us ne yahoshoo mahayajak ko yahova ke doot ke samhane khda hua mujhe dikhaya, aur shautan usakee daahinee or usaka virodha karane ko khda tha.

² tab yahova ne shautan se kaha, he shautan yahova tujh ko ghaudke! yahova jo yarooshalem ko apana leta haai, vahee tujhe ghaudke! kya yah ag se nikalee hui lukattee see naheen haai?

³ us samay yahoshoo to doot ke samhane maaila vasr paahine huae khda tha.

⁴ tab doot ne un se jo samhane khde the kaha, isake ye maaile vasr utaro. fir us ne us se kaha, dek, maain ne tera adharma door kiya haai, aur maain tujhe sundar vasr paahina deta hoon.

⁵ tab maain ne kaha, isake sir par aek shuuddh pagadee rakhee jaae. aur unhon ne usake sir par yajak ke yogy shuuddh pagadee rakhee, aur usako vasr pahinaae us samay yahova ka doot pas khda raha..

⁶ tab yahova ke doot ne yahoshoo ko chitakar kaha,

⁷ senaon ka yahova tujh se yon kahata haai: yadi too mere magorn par chale, aur jo kuchh maain ne tujhe saunp diya haai usakee raksha kare, to too mere bhvan ka nyayee, aur mere anganon ka rakshak hoga aur maain tujh ko inake beech men ane jane doonga jo pas khde haain.

⁸ he yaheashoo mahayajak, too sun le, aur tere bhaibandha jo tere samhane khde haain ve bhee sune, kyonki ve manushy shuubh shakun haain: suno, maain apane das shaakh ko pragatt karoonga.

⁹ us patthr ko dekh jise maain ne yahoshoo ke age rakha haai, us ek hee patthr ke upar sat ankhen banee haai, senaon ke yahova kee yah vanee haai, dekh maain us patthr par khod deta hoo, aur is desh ke adharma ko ek hee din men door kar doonga.

¹⁰ usee din tum apane apane bhaibandhauon ko dakhata aur anjeer ke vraksha ke neeche ane ke liye bulaoge, senaon ke yahova kee yahee vanee haai..

Jakaryah 4

¹ fir jo doot mujh se baten karata tha, us ne akar mujhe aeesa jagaya jaaisa koi neend se jagaya jaae.

² aur us ne mujh se poochha, tujhe kya dekh padta haai? maain ne kaha, aek deevatt haai, jo sampoon sone kee haai, aur usaka kattora usakee chottee par haai, aur us par usake sat deepak haai jin ke upar battee ke liye sat sat naaliyan haain.

³ aur deevatt ke pas jalapai ke do vraksha haai, aek us kattore kee dahinee or, aur doosara usakee bain ora.

⁴ tab maain ne us doot se jo mujh se baten karata tha, poochha, he mere prabhu, ye kya haain?

⁵ jo doot mujh se baten karata tha, us ne mujh ko uttr diya, kya too naheen janata ki ye kya haain? maain ne kaha, he mere prabhu maain naheen janata.

⁶ tab us ne mujhe uttr dekar kaha, jaroobbabel ke liye yahova ka yah vachan haai: n to bal se, aur n shaaktai se, parantu mere atma ke dara hoga, mujh senaon ke yahova ka yahee vachan haai.

⁷ he bade pahad, too kya haai? jaroobbabel ke samhane too maaidan ho jaaega aur vah chottee ka patthr yah pukarate huae aaega, us par anugrah ho, anugraha!

⁸ fir yahova ka yah vachan mere pas pahuncha,

⁹ jaroobbabel ne apane hathon se is bhvan kee nev dalee haai, aur vahee apane hathon se usako taaiyar bhee karega. tab too janega ki senaon ke yahova ne mujhe tumhare pas bheja haai.

¹⁰ kyonaki kis ne chhottee baton ke din tuchchh jana haai? yahova apanee in saton ankhone se saree prathvee par draashti karake sahal ko jaroobbabel ke hath men dekhega, aur anandait hoga.

11 tab maain ne us se fir poochha, ye do jalapai ke vraksha kya haain jo deevatt kee daahinee-bai or haain?

12 fir maain ne doosaree bar us se poochha, jalapai kee donon daliyen kya haain jo sone kee donon naaliyon ke dara apane men se sonahala tel undelatee haain?

13 us ne mujh se kaha, kya too naheen janata ki ye kya haain? maain ne kaha, he mere prabhu maain naheen janata.

14 tab us ne kaha, inaka arth taje tel se bhre huae ve do puroosh haain jo saree prathvee ke parameshvar ke pas hajir rahate haain..

Jakaryah 5

1 maain ne fir ankhen uttain to kya dekha, ki aek likha hua patra ud raha haai.

2 doot ne mujh se poochha, tujhe kya dekh padta haai? maain ne kaha, mujhe aek likha hua patra udta hua dekh padta haai, jis kee lambai bees hath aur chaudai das hath kee haai.

3 tab us ne mujh se kaha, yah vah shaap haai jo is sare desh par padnevala haai kyonki jo koi choree karata haai, vah usakee aek or likhe huae ke anusar maail kee nain nikal diya jaaega aur jo koi shapath khata haai, vah usakee doosaree or likhe huae ke anusar maail kee nain nikal diya jaaega.

4 senaon ke yahova kee yahee vanee haai, maain usako aeesa chalaunga ki vah chor ke ghar men aur mere nam kee joottee shapath khanevale ke ghar men ghausakar ttharega, aur usako lakadee aur patthron samet nash kar dega..

5 tab jo doot mujh se baten karata tha, us ne bahar jakar mujh se kaha, ankhen uttakar dekh ki vah kya vastu nikalee ja rahee haain?

6 maain ne poochha, vah kya haai? us ne kaha? vah vastu jo nikalee ja rahee haai vah aek aepa ka nap haai. aur us ne fir kaha, sare desh men logon ka yahee roop haai.

7 fir maain ne kya dekha ki kikkar bhr shaesho ka aek battkhra uttaya ja raha haai, aur aek sree haai jo aepa ke beech men baaittee haai.

8 aur doot ne kaha, isaka arth dushtta haai. aur us ne us sree ko aepa ke beech men daba diya, aur shaesho ke us battkhre ko lekar us se aepa ka munh ddhanp diya.

9 tab maain ne ankhen uttai, to kya dekha ki do striayen chalee jatee haain jin ke pankh pavan men faaile huae haai, aur unake pankh lagalag ke se haai, aur ve aepa ko akash aur prathvee ke beech men udaae liae ja rahee haain.

10 tab maain ne us doot se jo mujh se baten karata tha, poochha, ki ve aepa ko kahan liae jatee haain?

11 us ne kaha, shainar desh men liae jatee haain ki vahan usake liye ek bhvan banaen aur jab vah taaiyar kiya jaa, tab vah epa vahan apane hee paae par khda kiya jaega..

Jakaryah 6

1 maain ne fir ankhen uttai, aur kya dekha ki do pahadon ke beech se char rath chale ate haain aur ve pahad peetal ke haain.

2 paahile rath men lal ghaede aur doore rath men kale,

3 teesare rath men shvet aur chauthe rath men chitakabare aur badamee ghaede haain.

4 tab maain ne us doot se jo mujh se baten karata tha, poochha, he mere prabhu, ye kya haain?

5 doot ne mujh se kaha, ye akash ke charon vayu haain jo saree prathvee ke prabhu ke pas upaasthiat rahate haai, parantu ab nikal aae haain.

6 jis rath men kale ghaede haai, vah uttr desh kee or jata haai, aur shvet ghaede unake peechhe peechhe chale jate haai, aur chitakabare ghaede daakkhian desh kee or jate haain.

7 aur badamee ghaedon ne nikalakar chaha ki jakar prathvee par faera karen. so doot ne kaha, jakar prathvee par faera karo. tab ve prathvee par faera karane lage.

8 tab us ne mujh se pukarakar kaha, dek, ve jo uttr ke desh kee or jate haai, unhon ne vahan mere praan ko ttnda kiya haain..

9 fir yahova ka yah vachan mere pas pahuncha :

10 bandhauai ke logon men se, heldaai, tobiyyah aur yadayah se kuchh le aur usee din too sapanyah ke putra yoshaiyah ke ghar men ja jis se ve babul se akar utare haain.

11 unake hath se sona chandee le, aur mukutt banakar unhen yahosadak ke putra yahoshoo mahayajak ke sir par rakh

12 aur us se yah kah, senaon ka yahova yon kahata haai, us puroosh ko dekh jis ka nam shaakh haai, vah apane hee sthan se ugakar yahova ke maandair ko banaaega.

13 vahee yahova ke mandair ko banaaega, aur mahima paaega, aur apane sinhasan par virajaman hokar prabhuta karega. aur usake sinhasan ke pas aek yajak bhee rahega, aur donon ke beech mel kee sammaati hogee.

14 aur ve mukutt helem, tobiyyah, yadayah, aur sapanyah ke putra hen ko mile, aur ve yahova ke mandair men smaran ke liye bane rahen..

15 fir door door ke log a akar yahova ke maandair banane men sahayata karenge, aur tum janoge ki senaon ke yahova ne mujhe tumhare pas bheja haai. aur yadi tum man lagakar apane parameshvar yahova kee agyaaon ka palan karo to yah bat pooree hogee..

Jakaryah 7

1 fir dara raja ke chauthe varsha men kisalev nam nauven maheene ke chauthe din ko, yahova ka vachan jakaryah ke pas pahuncha.

2 betelavasiyon ne shareser aur regemmelek ko isaliye bheja tha ki yahova se binatee kare,

3 aur senaon ke yahova ke bhvan ke yajakon se aur bhvishyadvktaon se bhee yah poochhe, kya hamen upavas karake rona chaahiye jaaise ki kitane vasharen se ham panchaven maheene men karate aae haain?

4 tab senaon ke yahova ka yah vachan mere pas pahuncha

5 sab sadhaaran logon se aur yajakon se kah, ki jab tum in sattr vasharen ke beech panchaven aur sataven maheenon men upavas aur vilap karate the, tab kya tum sachamuch mere hee liye upavas karate the?

6 aur jab tum khate-peete ho, to kya tum apane hee liye naheen khate, aur kya tum apane hee liye naheen peete ho?

7 kya yah vahee vachan naheen haai, jo yahova agale bhvishyadvktaon ke dara us samay pukarakar kahata raha jab yarooshalem apane charon or ke nagaron samet chaain se basa hua tha, aur dakkhian desh aur neeche ka desh bhee basa hua tha?

8 fir yahova ka yah vachan jakaryah ke pas pahuncha, senaon ke yahova ne yon kaha haai,

9 khrai se nyay chukana, aur aek doosare ke sath krupa aur daya se kam karana,

10 n to vidhava par andhor karata, n anathon par, n paradeshaee par, aur n deen jan para aur n apane apane man men aek doosare kee haani kee kalpana karana.

11 parantu unhon ne chitt lagana n chaha, aur hatt kiya, aur apane kanon ko moond liya taaki sun n saken.

12 varan unhon ne apane day ko isaliye bajra sa bana liya, ki ve us vyavastha aur us vachanon ko n man saken jinhen senaon ke yahova ne apane atma ke dara agale bhavishyadvktaon se kahala bheja tha. is karan senaon ke yahova kee or se un par bada krodha bhdka.

13 aur senaon ke yahova ka yah vachan hua, ki jaaise mere pukarane par unhon ne naheen suna, vaaise hee usake pukarane par maain bhee n sunoonga

14 varan maain unhen un sab jaatiyon ke beech jinhen ve naheen janate, andhaee ke dara titara-abitar kar doonga, aur unaka desh unake peechhe aeesa ujad pada rahega ki us men kisee ka ana jana n hoga isee praakar se unhon ne manohar desh ko ujad kar diya..

Jakaryah 8

1 fir senaon ke yahova ka yah vachan mere pas pahuncha,

2 senaon ka yahova yon kahata haai: siyyon ke liye mujhe badee jalan hui varan bahut hee jalajalahatt mujh men utpann hui haai.

3 yahova yon kahata haai, maain siyyon men lautt aya hoo, aur yaroosholam ke beech men vas kiae rahoonga, aur yarooshalem kee sachchai ka nagar kahalaaega, aur senaon ke yahova ka parvat, pavitra parvat kahalaaega.

4 senaon ka yahova yon kahata haai, yarooshalem ke chaukon men fir booddhe aur booddhiyan bahut ayu kee hone ke kara, apane apane hath men lattee liae huae baaita kareengee.

5 aur nagar men chauk khelanevale ladkon aur ladkiyon se bhre rahenge.

6 senaon ka yahova yon kahata haai, chahe un dinon men yah bat in bache huon kee draashti men anokhee tthare, parantu kya meree draashti men bhee yah anokhee ttharegee, senaon ke yahova kee yahee vanee haai?

7 senaon ka yahova yon kahata haai, dekho, maain apanee praja ka uddhar karake use poorab se aur paachchim se le aunga

8 aur maain unhen le akar yarooshalem ke beech men basaunga aur ve meree praja ttharenge aur maain unaka parameshvar ttharoonga, yah to sachchai aur dharma ke sath hoga..

9 senaon ka yahova yon kahata haai, tum in dinon men ye vachan un bhvishyadvktaon ke mukh se sunate ho jo senaon ke yahova ke bhvan kee nev dalane ke samay arthata mandair ke banane ke samay men the.

10 un dinon ke paahile, n to manushy kee majadooree milatee thee aur n pashu ka bhada, varan satanevalon ke karan n to anevale ko chaain milata tha aur n janevale ko kyonki maain sab manushyon se ek doosare par chaddhai karata tha.

11 parantu ab maain is praja ke bache huon se aeesa bartav n karoonga jaaisa ki agale dinon men karata tha, senaon ke yahova kee yahee vanee haai.

12 kyonaki ab shaaantai ke samay kee upaj arthata dakhlata fala kareengee, prathvee apanee upaj upajaya karegee, aur akash se os gira karegee kyonaki maain apanee is praja ke bache huon ko in sab ka adhaikaree kar doonga.

13 aur he yahooda ke gharane, aur israael ke gharane, jis prakar tum anyajatiyon ke beech shaap ke karan the usee prakar maain tumhara uddhar karoonga, aur

tum ashaeesh ke karan hoge. isaaliye tum mat dro, aur n tumhare hath ddheele padne paaen..

¹⁴ kyonaki senaon ka yahova yon kahata haai, jis prakhar jab tumhare purakha mujhe ris dilate the, tab maain ne unakee haani karane ke liye ttan liya tha aur fir n pachhtaya,

¹⁵ usee prakhar maain ne in dinon men yarooshalem kee aur yahooda ke gharane kee bhilai karane ko ttana haai isaliye tum mat dro.

¹⁶ jo jo kam tumhen karana chaahiye, ve ye haain: aek doosare ke sath saty bola karana, apanee kachahariyon men sachchai ka aur melaamilap kee neeti ka nyay karana,

¹⁷ aur apane apane man men aek doosare kee hani kee kalpana n karana, aur joottee shapath se praeti n rakhna, kyonaki in sab kamon se maain dharana karata hoo, yahova kee yahee vanee haai..

¹⁸ fir senaon ke yahova ka yah vachan mere pas pahuncha,

¹⁹ senaon ka yahova yon kahata haai: chauthe, panchave, sataven aur dasaven maheene men jo jo upavas ke din hote haai, ve yahooda ke gharane ke liye harsha aur anand aur utsav ke parvon ke din ho jaaegen isaaliye ab tum sachchai aur melaamilap se praeti rakho..

²⁰ senaon ka yahova yon kahata haai, aeesa samay ane vala haai ki desh desh ke log aur bahut nagaron ke rahanevale aaenge.

²¹ aur aek nagar ke rahanevale doosare nagar ke rahanevalon ke pas jakar kahenge, yahova se binatee karane aur senaon ke yahova ko ddoonddhne ke liye chalo maain bhee chaloonga.

²² bahut se deshaen ke varan samarthee jaatyon ke log yarooshalem men senaon ke yahova ko ddoonddhne aur yahova se binatee karane ke liye aaenge.

²³ senaon ka yahova yon kahata haai: us dinon men bhanti bhanati kee bhasha bolanevalee sab jaatyon men se das manushy, aek yahoodaee puroosh ke vasr kee chhor ko yah kahakar pakad lenge, ki, ham tumhare sang chalenge, kyonaki ham ne suna haai ki parameshvar tumhare sath haai..

Jakaryah 9

¹ hadraak desh ke vishay men yahova ka kaha hua bharee vachan jo daamishk par bhee padega. kyonki yahova kee drashti manushy jati kee, aur israael ke sab gotraen kee or lagee haai

² hamat kee or jo damishk ke nikatt haai, aur sor aur seedon kee or, ye to bahut hee buaddhmaiana haain.

³ sor ne apane liye aek gaddh banaya, aur dhooli ke kinakon kee nain chandee, aur sadkon kee keech ke saman chokha sona battor rakha haai.

⁴ dekho, parameshvar usako auron ke aadhaikar men kar dega, aur usake ghamand ko todkar samudra men dal dega aur vah nagar ag ka kaur ho jaaega..

⁵ yah dekhkar ashakalon drega ajja ko dukh hoga, aur aekron bhee drega, kyonki usakee asha toottegee aur ajja men fir raja n rahega aur ashkalon fir basee n rahegee.

⁶ aur ashdod men anajane log basenge isee prakar maain palishtaiyon ke garva ko tooonga.

⁷ maain usake munh men se aher ka lohoo aur ghainaunee vastuen nikal doonga, tab un men se jo bacha rahega, vah hamare parameshvar ka jan hoga, aur yahooda men aadhaipaati sa hoga aur aekron ke log yaboosiyon ke saman banenge.

⁸ tab maain us sena ke karan jo pas se hokar jaaegee aur fir lauttt aaegee, apane bhvan ke as pas chhavanee kiae rahoonga, aur koi satanevala fir unake pas se hokar n jaaega, kyonaki maain ye baten ab bhee dekhta hoon..

⁹ he siyyon bahut hee magan ho. he yarooshalem jayajayakar kara! kyonki tera raja tere pas aaega vah dharmee aur uddhar paya hua haai, vah deen haai, aur gadahe par varan gadahee ke bachche par chaddha hua aaega.

¹⁰ maain aepraaim ke rath aur yarooshalem ke ghaede nash karoonga aur yuddh ke dhanush tod dale jaaenge, aur vah anyajaatiyon se shaantai kee baten kahega vah samudra se samudra tak aur mahanad se prathvee ke door door ke deshaen tak prabhuta karega..

¹¹ aur too bhee sun, kyonki meree vacha ke lohoo ke kara, maain ne tere bandaiyon ko bina jal ke gadhe men se ubar liya haai.

¹² he asha dhare huae bandaiyon! gaddh kee or firo maain aj hee batata hoon ki maain tum ko badale men doona sukh doonga.

¹³ kyonaki maain ne dhanush kee nain yahooda ko chaddhakar us par teer kee nain aepraaim ko lagaya haai. maain siyyon ke nivaasiyon ko yoonan ke nivaasiyon ke virooddh ubharoonga, aur unhen veer kee talavar sa kar doonga.

¹⁴ tab yahova unake upar dikhai dega, aur usaka teer bijalee kee nain choottega aur parameshvar yahova naraasinga foonkakar dakkhian desh kee see andhaee men hoke chalega.

¹⁵ senaon ka yahova ddhal se unhen bachaaega, aur ve apane shatrauon ka nash karenge, aur unake gofan ke patthron par panv dharenge aur ve peekar aeesa kolahal karenge jaaisa log dakhmadha peekar karate haain aur ve kattore kee nain va vedee ke kone kee nain bhre jaaegen ..

¹⁶ us samay unaka parameshvar yahova unako apanee prajaroopee bhed-bakaariyan janakar unaka uddhar karega aur ve mukuttmaanai ttharake, usakee boomi se bahut unche par chamakate rahenge.

¹⁷ usaka kya hee kushal, aur kya hee shaebha usakee hogee! usake javan log ann khakar, aur kumariyan naya dakhmadha peekar shttpushtt ho jaengee..

Jakaryah 10

¹ barasat ke ant men yahova se vashara mango, yahova se jo bijalee chamakata haai, aur vah unako vashara dega aur har aek ke khet men haariyalee upajaaega.

² kyonaki grahadevata anarth bat kahate aur bhavvee kahanevale jootta darshan dekhte aur jootte svapan sunate, aur vyarth shaaantai dete haain. is karan log bhed-bakaariyon kee nain bhthk gae aur charavahe n hone ke karan durdasha men pade haain..

³ mera krodha charavahon par bhdka haai, aur maain un bakaron ko dand doonga kyonaki senaon ka yahova apane jhund arthata yahooda ke gharane ka hal dekhne ka aaega, aur ladai men unako apana shttpushtt ghaeda sa banaaega.

⁴ usee men se kone ka patthr, usee men se koonttee, usee men se yuddh ka dhanusha, usee men se sab pradhaan pragatt honge.

⁵ aur ve aeese veeron ke saman honge jo ladai men apane baairiyon ko sadkon ke keech kee nain raundate hon ve ladenge, kyonki yahova unake sang rahega, is karan ve veerata se ladenge aur savaron kee asha toottegee..

⁶ maain yahooda ke gharane ko parakramee karoonga, aur yoosufa ke gharane ka uddhar karoonga. aur mujhe un par daya ai haai, is karan maain unhen lautta lakar unheen ke desh men basaunga, aur ve aeese honge, manon maain ne unako man se naheen utara maain unaka parameshvar yahova hoo, isaaliye unakee sun loonga.

⁷ aepraamee log veer ke saman honge, aur unaka man aeese anaandait hoga jaise dakhmadha se hota haai. yah dekhkar unake ladkebalen anand karenge aur unaka man yahova ke karan magan hoga..

⁸ maain seenttee bajakar unako ikattha karoonga, kyonaki maain unaka chhudanevala hoo, aur ve aeese baddhenge jaise pahale baddhe the.

⁹ yadhypi maain unhen jaati-jati ke logon ke beech chhtairaunga taubhee ve door door deshaen men mujhe smaran karenge, aur apane balakon samet jeevit lautt aaenge.

¹⁰ maain unahen misr desh se lautta launga, aur ashshoor se ikattha karoonga, aur gilad aur labanon ke deshaen men le akar itana baddhaunga ki vahan unakee samai n hogee.

11 vah us kashttdai samudra men se hokar usakee laharen dabata hua jaaega aur neel nadee ka sab gaahira jal sookh jaaega. aur ashshoor ka ghamand toda jaaega aur misr ka rajadand jata rahega.

12 maain unhen yahova dara parakramee karoonga, aur ve usake nam se chalen firenge, yahova kee yahee vanee haai..

Jakaryah 11

1 he labanon, ag ko rasta de ki vah akar tere devadaron ko bhsm kare!

2 he sanaubaro, hay, hay, karo! kyonaki devadar gir gaya haai aur bade se bade vraksha nash ho gaae haain! he basha ke banj vrakshae, hay, hay, karo! kyonaki agamy van katta gaya haai!

3 charavahon ke hahakar ka shabd ho raha haai, kyonaki unaka vibhv nash ho gaya haai! javan sinhon ka garajana sunai deta haai, kyonaki yaradan ke teer ka ghana van nash kiya gaya haai!

4 mere parameshvar yahova ne yah agyaa dee: ghaat hanevalee bhed-bakaariyon ka charavaha ho ja.

5 unake mol lenevale unhen ghaat karane par bhee apane ko doshaee naheen janate, aur unake bechanevale kahate haai, yahova dhany haai, ham dhanee ho gaae haain aur unake charavahe un par kuchh daya naheen karate.

6 yahova kee yah vanee haai, maain is desh ke rahanevalon par fir daya n karoonga. dekho, maain manushyon ko aek doosare ke hath me, aur unake raja ke hath men pakadva doonga aur ve is desh ko nash karenge, aur maain usake rahanevalon ko unake vash se n chhudaunga..

7 so maain ghaat honevalee bhed-bakaariyon ko aur vishosh karake un men se jo deen theen unako charane laga. aur maain ne do lattyaian leen aek ka nam maain ne anugrah rakha, aur doosaree ka nam aekata. inako liye huae maain un bhed-bakaariyon ko charane laga.

8 aur maain ne unake teenon charavahon ko aek maheene men nash kar diya, parantu maain unake karan adhaeer tha, aur ve mujhe se gharana karatee theen.

9 tab maain ne un se kaha, maain tum ko n charaunga. tum men se jo mare vah mare, aur jo nash ho vah nash ho, aur jo bachee rahen ve aek doosare ka mans khaen.

10 aur maain ne apanee vah lattee tod dalee, jisaka nam anugrah tha, ki jo vacha maain ne sab anyajaatiyon ke sath bandhaee thee use toon.

11 vah usee din todee gai, aur is se deen bhed-bakaariyan jo mujhe takatee thee, unhon ne jan liya ki yah yahova ka vachan haai.

¹² tab maain ne un se kaha, yaadi tum ko achchha lage to meree majadooree do, aur naheen to mat do. tab unhon ne meree majadooree men chandee ke tees ttukade taul diae.

¹³ tab yahova ne mujh se kaha, inhen kumhar ke age faenk de, yah kya hee bharee dam haai jo unhon ne mera ttharaya haai? tab maain ne chandee ke un tees ttukadon ko lekar yahova ke ghar men kumhar ke age faenk diya.

¹⁴ tab maain ne apanee doosaree lattee jis ka nam aekata tha, isaaliye tod dalee ki maain us bhaichare ke nate ko tod daloon jo yahooda aur israael ke beech men haai..

¹⁵ tab yahova ne mujh se kaha, ab too mooddh charavahe ke haathaiyar le le.

¹⁶ kyonaki maain is desh men aek aeesa charavaha ttharaunga, jo khoi hui ko n ddoonddhega, n titara-abitar ko ikatthee karenga, n ghaayalon ko changa karega, n jo bhlee changee haain unaka palana-poshan karega, varan mottyaaien ka mans khaaega aur unake khuron ko faad dalega.

¹⁷ hay us nikamme charavahe par jo bhed-bakaariyon ko chhod jata haai! usakee banh, aur dahinee ankh donon par talavar lagegee, tab usakee banh sookh jaaegee aur usakee dahinee ankh foott jaaegee..

Jakaryah 12

¹ israael ke vishay men yahova ka kaha hua bharee vachana: yahova ko akash ka tananevala, prathvee ke nev dalanevala aur manushy kee atma ka rachanevala haai, usakee yah vane haai,

² dekho, maain yarooshalem ko charon or kee sab jaatiyon ke liye ladkhda dene ke mad ka kattora tthara doonga aur jab yarooshalem ghor liya jaaega tab yahooda kee dasa bhee aeese hee hogee.

³ aur us samay prathvee kee saree jaatyan yarooshalem ke virooddh ikatthee hongee, tab maain usako itana bharee patthr banaunga, ki jo usako uttaaenge ve bahut hee ghaayal hongee.

⁴ yahova kee yah vane haai, us samay maain har aek ghaede ka ghabara doonga, aur usakee savar ko dhaayal karoonga. parantu maain yahooda ke gharane par krapadrashti rakoonga, jab maain anyajatiyon ke sab ghaedon ko andha kar daloonga.

⁵ tab yahooda ke adhaipaati sochenge ki yarooshalem ke nivasee apane parameshvar, senaon ke yahova kee sahayata se mere sahayak banenge..

⁶ us samay maain yahooda ke adhaipaatiyon ko aeese kar doonga, jaisee lakadee ke ddher men ag bhree angettee va poole men jalatee hui mashaal hotee haai, arthata ve daahine banae charon or ke sab logon ko bhsm kar dalenge aur yarooshalem jahan ab basee haai, vaheen basee rahegee, yarooshalem men..

⁷ aur he yahova paahile yahooda ke tambuon ka uddhar karega, kaheen aesa n ho ki daud ka gharana aur yarooshalem ke nivasee apane apane vibhv ke karan yahooda ke virooddh baddhai maren.

⁸ us samay yahova yarooshalem ke nivaasiyon ko mano ddhal se bacha lega, aur us sakay un men se jo ttokar khanevala ho vah daud ke saman hoga aur daud ka gharana parameshvar ke saman hoga, arthata yahova ke us doot ke saman jo unake age age chalata tha.

⁹ aur us samay maain un sab jaatiyon ko nash karane ka yatn karoonga jo yarooshalem par chaddhai karengee..

¹⁰ aur maain daud ke gharane aur yarooshalem ke nivaasiyon par apana anugrah karanevalee aur praarthna sikhanevalee atma undeloonga, tab ve mujhe takenge arthata jise unhon ne bedha haai, aur usake liye aeese roaenge jaise aekalaute putra ke liye rote-peettte haai, aur aesa bharee shaek karenge, jaisa pahilautte ke liye karate haain.

¹¹ us samay yarooshalem men itana rona-peettna hoga jaisa maagion kee tarai men hadadirmmon men hua tha.

¹² sare desh men vilap hoga, har aek parivar men alag alaga arthata daud ke gharane ka paarivar alag, aur unakee striayan alaga natan ke gharane ka paarivar alag, aur unakee striayan alaga

¹³ levee ke gharane ka parivar alag aur unakee striayan alaga shaimiyon ka paarivar alaga aur unakee striayan alaga

¹⁴ aur jitane parivar rah gaae hon har aek paarivar alag aur unakee striayan bhee alag alaga

Jakaryah 13

¹ usee samay daud ke gharane aur yarooshalem ke nivaasiyon ke liye pap aur maalinata dhaene ke nimitt ek bahata hua sota hoga..

² aur senaon ke yahova kee yah vanee haai, ki us samay maain is desh me se moorto ke nam mitta daloonga, aur ve fir smaran men n rahengee aur maain bhavishyadvktaon aur ashuuddh atma ko is desh men se nikal doonga.

³ aur yaadi koi fir bhvishyadaanee kare, to usake mata-pita, jin se vah utpann hua, us se kahenge, too jeevit n bachega, kyonaki too ne yahova ke nam se joott kaha haai so jab vah bhavishyadane kare, tab usake mata-apita jin se vah utpann hua usako bedha dalenge.

⁴ us samay har ek bhvishyadvkta bhavishyavane karate huae apane apane darshan se lajjait honge, aur dhaekha dene ke liye kambal ka vasr n paahinenge,

⁵ varantu vah kahega, maain bhavishyadvkta nahee, kisan hoon kyonaki ladkapan hee se maain auron ka das hoon.

⁶ tab us se yah poochha jaaega, teree chhatee par ye ghaav kaaise hua, tab vah kahega, ye ve hee haain jo mere praemiyon ke ghar men mujhe lage haain..

⁷ senaon ke yahova kee yah vanee haai, he talavar, mere ttharaae huae charavahe ke virooddh arthata jo puroosh mera svajati haai, usake virooddh chala. too us charavahe ko kat, tab bhed-bakaariyan titara-abitar ho jaaengee aur bachchon par maain apane hath baddhaunga.

⁸ yahova kee yah bhee vanee haai, ki is desh ke sare nivaasiyon kee do tihai mar dalee jaaegae aur bachee hui tihai us men banee rahegee.

⁹ us tihai ko maain ag men dalakar aeesa nirmal karoonga, jaaisa roopa nirmal kiya jata haai, aur aesa jachoonga jaaisa sona jancha jata haai. ve mujh se praarthna kiya karenge, aur maain unakee sunoonga. maain unake vishay men kahoonga, ye merree praja haai, aur ve mere vishay men kahenge, yahova hamara parameshvar haai..

Jakaryah 14

¹ suno, yahova ka aek aesa din aneval haai jis men tera dhan lootkar tere beech men bantti liya jaaega.

² kyonaki maain sab jaatiyon ko yarooshalem se ladne ke liye ikattha karoonga, aur vah nagar le liya nagara. aur ghar lootte jaaenge aur striayan bhrashtt kee jaaengee nagar ke adho log bandhauvai men jaaenge, parantu praja ke shosh log nagar hee men rahane paaenge.

³ tab yahova nikalakar un jaatiyon se aesa ladega jaaisa vah sangraam ke din men lada tha.

⁴ aur us समय vah jalapai ke parvat par panv dharega, jo poorab or yarooshalem ke samhane haai tab jalapai ka parvat poorab se lekar paachchhim tak beechobeech se fattkar bahut bada khdd ho jaaega tab adha parvat uttr kee or aur adha dakkhian kee or hatt jaaega.

⁵ tab tum mere banaae huae us khdd asel tak pahunchega, varan tum aese bhagoge jaaise us bhuidaule ke dr se bhage the jo yahooda ke raja ujjaiyah ke dinon men hua tha. tab mera parameshvar yahova aaega, aur sab paavitra log usake sath honge..

⁶ us समय kuchh ujijala n rahega, kyonaki jyotigan simatt jaenge.

⁷ aur lagatar aek hee din hoga jise yahova hee janata haai, n to din hoga, aur n rat hogee, parantu sanjh ke समय ujijala hoga..

8 us samay yarooshalem se bahata hua jal foott nikalega usakee ek shaakha poorab ke tal aur doosaree pachchhim ke samudra kee or bahegee, aur dhoop ke dinon men aur jade ke dinon men bhee barabar bahatee rahengee..

9 tab yahova saree prathvee ka raja hoga aur us samay aek hee yahova aur usaka nam bhee aek hee mana jaaega..

10 geba se lekar yarooshalem kee dakkhian or ke rimmon tak sab boomi araba ke saman ho jaaegee. parantu vah unchee hokar binyameen ke faattk se lekar paahile faattk ke sthan tak, aur konevale faattk tak, aur hananel ke gummatt se lekar raja ke dakhrasakundon tak apane sthan men basegee.

11 aur log us men basenge kyonki fir satyanash ka shaap n hoga aur yarooshalem bekhttk basee rahegee.

12 aur jitane jatiyon ne yarooshalem se yuddh kiya haai un sabhon ko yahova aeese mar se marega, ki khde khde unaka mans sad jaaega, aur unakee ankhen apane golakon men sad jaaengee, aur unakee jeebh unake munh men sad jaaegee.

13 aur us samay yahova kee or se un men badee ghabarahatt paaittegee, aur ve aek doosare par apane apane hath uttaaenge.

14 yahooda bhee yarooshalem men ladega, aur sona, chandee, vasr adi charon or kee sab jaatiyon kee dhan sampatti us men battoree jaaegee.

15 aur ghaede, khchchar, untt aur gadahe varan jitane pashu unakee chhavaniyon men honge ve bhee aeese hee beemaree se mare jaaenge..

16 tab jine log yarooshalem par chaddhnevalee sab jaatiyon men se bache rahenge, ve praati varsha raja ko arthata senaon ke yahova ko dandvata karane, aur jhopaadiyon ka parva manane ke liye yarooshalem ko jaya karenge.

17 aur prathvee ke kulon men se jo log yarooshalem men raja, arthata senaon ke yahova ko dandvat karane ke liye n jaaenge, unake yahan vashara n hogee.

18 aur yaadi misr ka kul vahan n aa, to kya un par vah maree n padegee jis se yahova un jatiyon ko marega jo jhopadiyon ka parva manane ke liye n jaaenge?

19 yah misr ka aur un sab jatiyon ka pap ttharega, jo jhopaadiyon ka parva manane ke liye n jaaenge.

20 us samay ghaedon kee ghanthyaian par bhee yah likha rahega, yahova ke liye paavitra. aur yahova ke bhvan ki hanadiyan un kattoron ke tuly pavitra tthareenge, jo vedee ke samhane rahate haain.

21 varan yarooshalem men aur yahooda desh men sab handiyan senaon ke yahova ke liye paavitra tthareenge, aur sab melabaali karanevale a akar un

handyaien men mans sijhaya kareng. aur sab senaon ke yahova ke bhvan men fir koi vyoparee n paya jaaega..

Malakee 2

¹ aur ab he yajako, yah agyaa tumhare liye haai.

² yaadi tum ise n suno, aur man lagakar mere nam ka adar n karo, to senaon ka yahova yon kahata haai ki maain tum ko shaap doonga, aur jo vastuaen meree ashaeesh se tumhen mileen haai, un par mera shaap padega, varan tum jo man naheen lagate ho is karan mera shaap un par pad chuka haai.

³ dekho, maain tumhare karan beej ko jhdikoonga, aur tumhare pavorn ke yagyapashuon ka mal faailaunga, aur usake sang tum bhee uttakar faenk diae jaoge.

⁴ tak tum janoge ki maain ne tum ko yah agyaa isaaliye dilai haai ki levee ke sath meree bandhaee hui vacha banee rahe senaon ke yahova ka yahee vachan haai.

⁵ meree jo vacha usake sath bandhaee thee vah jeevan aur shaaantai kee thee, or maain ne yah isaliye usako diya ki vah bhy manata rahe aur us ne mera bhy man bhee liya aur mere nam se atyant bhy khata tha.

⁶ usako meree sachchee vyavastha kantt thee, aur usake munh se kuttalai bat n nikalatee thee. vah shaantai aur seedhaai se mere sang sang chalata tha, aur bahuton ko adharma se lautta le aya tha.

⁷ kyonaki yajak ko chaahiye ki vah apane antton se gyaan kee raksha kare, aur log usake munh se vyavastha poochhe, kyonki vah senaon ke yahova ka doot haai.

⁸ parantu tum log dharma ke marga se hee hatt gae tum bahuton ke liye vyavastha ke vishay men ttokar ka karan huae tum ne levee kee vacha ko tod diya haai, senaon ke yahova k yahee vachan haai.

⁹ isaliye maain ne bhee tum ko sab logon ke samhane tuchchh aur neecha kar diya haai, kyonki tum mere magor par naheen chalate, varan vyavastha dene men munh dekha vichar karate hau..

¹⁰ kya ham sabhon ka aek hee pita naheen? kya aek hee parameshvar ne ham ko utpann naheen kiya? ham kyon aek doosare ka vishvasaghaat karake apen poorvajon kee vacha ko tod dete haain?

¹¹ yahooda ne vishvasaghaat kiya haai, aur israael men aur yarooshalem men gharaanait kam kiya gaya haai kyonaki yahooda ne birane devata kee kanya se vivah karake yahova ke paavitra sthan ko jo usaka piry haai, apaavitra kiya haai.

¹² jo puroosh aeesa kam kare, usake tambuon men se yakoob ka parameshvar usake ghar ke rakshak aur senaon ke yahova kee bhentt chaddhanevale ko yahooda se katt dalega!

¹³ fir tum ne yah doosara kam kiya haai ki tum ne yahova kee vedee ko ronevalon aur ahen bhranevalon ke ansuon se bhaigo diya haai, yahan tak ki vah tumharee bhentt kee or drashtti tak naheen karata, aur n prasann hokar usako tumhare hath se grahan karata haai. tum poochhte ho, aeesa kyon?

¹⁴ isaliye, kyonaki yahova tere aur teree us javanee kee sanaginee aur byahee hui sree ke beech sakshae hua tha jis ka too ne vishvasaghaat kiya haai.

¹⁵ kya us ne aek hee ko naheen banaya jab ki aur atmaen usake pas theen? or aek hee ko kyon banaya? isaaliye ki vah parameshvar ke yogy santan chahata haai. isaaliye tum apanee atma ke vishay men chaukas raho, aur tum men se koi apanee javanee kee sree se vishvasaghaat n kare.

¹⁶ kyonaki israael ka parameshvar yahova yah kahata haai, ki maain sree-tyag se gharana karata hoo, aur us se bhee jo apane vasr ko upadrav se ddhanpata haai. isaliye tum apanee atma ke vishay men chaukas raho aur vishvasaghaat mat karo, senaon ke yahova ka yahee vachan haai..

Malakee 3

¹ dekho, maain apane doot ko bhejata hoo, aur vah marga ko mere age sudhaarega, aur prabhu, jise tum ddoonddhte ho, vah achanak apane maandair

² parantu usake ane ke din kee kaun sah sakega? aur jab vah dikhai de, tab kaun khda rah sakega? kyonki vah sonar kee ag aur dhaebee ke sabun ke saman haai.

³ vah roope ka tanevala aur shuuddh karanevala banega, aur leviyon ko shuuddh karega aur unako sone roope kee nain nirmal karega, tab ve yahova kee bhentt dharna se chaddhaenge.

⁴ tab yahooda aur yarooshalem kee bhentt yahova ko aesee bhaaegee, jaisee paahile dinon men aur praacheenakal men bhavatee thee..

⁵ tab maain nyay karane ko tumhare nikatt aunga aur ttonho, aur vyaabhaichaariyo, aur joottee kiriya khanevalon ke viroodd, aur jo majadoor kee majadooree ko dabate, aur vidhava aur anathon par andhor karate, aur paradeshae ka nyay bigadte, aur mera bhy naheen manate, un sabhon ke virooddh maain turant sakshae doonga, senaon ke yahova ka yahee vachan haai..

⁶ kyonaki maain yahova badalata naheen isee kara, he yakoob kee santan tum nash naheen hue.

⁷ apane purakhaon ke dinon se tum log meree vidhaiyon se hattte aae ho, or unaka palan naheen karate. tum meree or firo, tab maain bhee tumharee or firoonga, senaon ke yahova ka yahee vachan haai parantu tum poochhte ho, ham kis bat men firen?

⁸ kya manushy parameshvar ko dhaekha de sakata haai? dekho, tum mujh ko dhaekha dete ho, aur taubhee poochhte ho ki ham ne kis bat men tujhe lootta haai? dashamansh aur uttane kee bhentton men.

⁹ tum par bharee shaap pada haai, kyonki tum mujhe loottte ho varan saree jati aesa karatee haai.

¹⁰ sare dashamansh bhndar men le ao ki mere bhvan men bhojanavastu rahe aur senaon ka yahova yah kahata haai, ki aesa karake mujhe parakho ki maain akash ke jhrokhe tumhare liye kholakar tumhare upar aparampar ashaeesh kee vashara karata hoon ki naheen.

¹¹ maain tumhare liye nash karanevale ko aesa ghaudkoonga ki vah tumharee boomi kee upaj nash n karega, aur tumharee dakhlaon ke fal kachche n girenge, senaon ke yahova ka yahee vachan haai..

¹² tab saree jatiyan tum ko dhany kahengee, kyonaki tumhara desh manohar desh hoga, senaon ke yahova ka yahee vachan haai..

¹³ yahova yah kahata haai, tum ne mere virooddh ddhttai kee baten kahee haain. parantu tum poochhte ho, ham ne tere virooddh men kya kaha haai?

14 tum ne kaha haai ki parameshvar kee seva karanee vyarth haai. ham ne jo usake bataae huae kamon ko poora kiya aur senaon ke yahova ke dr ke mare shaek ka paahirava pahine huae chale haai, is se kya labh hua?

15 ab se ham aabhaimanee logon ko dhany kahate haain kyonki duracharee to safal ban gaae haai, varan ve parameshvar kee pareeksha karane par bhee bach gaae haain..

16 tab yahova ka bhy mananevalon ne apas men baten kee, aur yahova dhyan dhar kar unakee sunata tha aur jo yahova ka bhy manate aur usake nam ka samman karate the, unake smaran ke nimitt usake samhane aek pustak likhee jatee thee.

17 senaon ka yahova yah kahata haai, ki jo din maain ne ttharaya haai, us din ve log mere varan mere nij bhag tthareng, aur maai un se aeesee komalata karoonga jaaisee koi apane seva karanevale putra se kare.

18 tab tum firakar dharmee aur dushtt ka bhed, arthata jo parameshvar kee seva karata haai, aur jo usakee seva naheen karata, un donon ko bhed pahichan sakoge..

Malakee 4

1 kyonaki dekho, vah dhadhakate bhutte ka sa din ata haai, jab sab abhaimanee aur sab duracharee log anaj kee koonttee ban jaaenge aur us anevale din men ve aeese bhsm ho jaaenge ki unaka pata tak n rahega, senaon ke yahova ka yahee vachan haai.

2 parantu tumhare liye jo mere nam ka bhy manate ho, dharm ka soorya uday hoga, aur usakee kiranon ke dara tum change ho jaoge aur tum nikalakar pale huae bachhdon kee nai koodoge aur faandoge.

3 tab tum dushtton ko latad daloge, arthatamere us ttharaae huae din men ve tumhare panvon ke neeche kee rakh ban jaaenge, senaon ke yahova ka yahee vachan haai..

4 mere das moosa kee vyavastha arthata jo jo vidhai aur niyam maain ne sare israaeliyon ke liye usako horeb men diae the, unako smaran rakho..

5 dekho, yahova ke us bade aur bhyanak din ke ane se paahile, maain tumhare pas aeliyyah nabee ko bhejoonga.

6 aur vah mata pita ke man ko unake putraen kee or, aur putraen ke man ko unake mata-pita kee or faerega aeese n ho ki maain akar prathvee ko satyanash karoon..

2 ki yahoodiyon ka raja jis ka janm hua haai, kahan haai? kyonaki ham ne poorva men usaka tara dekha haai aur us ko pranam karane aae haain.

3 yah sunakar herodes raja aur usake sath sara yarooshalem ghabara gaya.

4 aur us ne logon ke sab mahayajakon aur shaaastriayon ko ikatthe karake un se poochha, ki maseeh ka janm kaha hona chahiae?

- 21 jo mujh se, he prabhu, he prabhu kahata haai, un men se har aek svarga ke rajy men pravesh karega, parantu vahee jo mere svargeey pita kee ichchha par chalata haai.
- 22 us din bahutere mujh se kahenge he prabhu, he prabhu, kya ham ne tere nam se bhvishyadane naheen kee, aur tere nam se dushttatmaon ko naheen nikala, aur tere nam se bahut achambhe ke kam naheen kie?
- 23 tab maain un se khulakar kah doonga ki maain ne tum ko kabhee naheen jana, he kukarma karanevalo, mere pas se chale jao.
- 24 isaliye jo koi meree ye baten sunakar unhen manata haai vah us budiman manushy kee nai ttharega jis ne apana ghar chattan par banaya.
- 25 aur menh barasa aur baddhen ai, aur andhiayan chalee, aur us ghar par ttkkaren lagee, parantu vah naheen gira, kyonaki us kee nev chattan par dalee gai thee.
- 26 parantu jo koi meree ye baten sunata haai aur un par naheen chalata vah us nirbuaddh imanushy kee nain ttharega jis ne apana ghar baloo par banaya.
- 27 aur menh barasa, aur baddhen ai, aur andhiayan chalee, aur us ghar par ttkkaren lageen aur vah girakar satyanash ho gaya..

²⁸ jab yeeshu ye baten kah chuka, to aesa hua ki bheed usake upadesh se chakit hui.

²⁹ kyonaki vah un ke shaaastriayon ke saman naheen parantu aadhaikaree kee nai unhen upadesh deta tha..

Mattee 8

¹ jab vah us pahad se utara, to aek badee bheed usake peechhe ho lee.

² aur dekho, aek koddhee ne pas akar use pranam kiya aur kaha ki he prabhu yaadi too chahe, to mujhe shuuddh kar sakata haai.

³ yeeshu ne hath baddhakar use chooa, aur kaha, maain chahata hoo, too shuuddh ho ja aur vah turant koddh se shuuddh ho gaya.

⁴ yeeshu ne us se kaha dek, kisee se n kahana parantu jakar apane ap ko yajak ko dikhla aur jo chaddhava moosa ne ttharaya haai use chaddha, taaki un ke liye gavahee ho.

⁵ aur jab vah kafaranahoom men aya to aek soobedar ne usake pas akar us se binatee kee.

⁶ ki he prabhu, mera sevak ghar men jhole ka mara bahut dukhee pada haai.

⁷ us ne us se kaha maain akar use changa karoonga.

⁸ soobedar ne uttr diya ki he prabhu maain is yogy nahee, ki too meree chht ke tale aa, par keval mukh se kah de to mera sevak changa ho jaaega.

⁹ kyonaki maain bhee paradhaeen manushy hoo, aur sipahee mere hath men haai, aur jab aek se kahata hoo, ja, to vah jata haai aur doosare ko ki a, to vah ata haai aur apane das se kahata hoo, ki yah kar, to vah karata haai.

¹⁰ yah sunakar yeeshu ne achambha kiya, aur jo usake peechhe a rahe the un se kaha maain tum se sach kahata hoo, ki maain ne israael men bhee aesa vishvas naheen paya.

¹¹ aur maain tum se kahata hoo, ki bahutere poorva aur paashchaim se akar ibraaheem aur isahak aur yakoob ke sath svarga ke rajy men baaitenge.

¹² parantu rajy ke santan bahar andhiyare men dal diae jaaenge: vahan rona aur danton ka peesana hoga.

¹³ aur yeeshu ne soobedar se kaha, jo jaisa tera vishvas haai, vaaisa hee tere liye ho: aur usaka sevak usee ghadee changa ho gaya..

¹⁴ aur yeeshu ne pataras ke ghar men akar us kee sans ko jvar men padee dekha.

¹⁵ us ne usaka hath chooa aur usaka jvar utar gaya aur vah utkar us kee seva karane lagee.

16 jab sandhya hui tab ve usake pas bahut se logon ko laae jin men dushttatmaeen theen aur us ne un atmaon ko apane vachan se nikal diya, aur sab beemaron ko changa kiya.

17 taaki jo vachan yashaayah bhvishyadvkta ke dara ka gaya tha vah poora ho, ki us ne ap hamaree durbalataon ko le liya aur hamaree beemariyon ko utta liya..

18 yeeshu ne apanee charon or aek badee bheed dekhkar us par jane kee agyaa dee.

19 aur aek shaasree ne pas akar us se kaha, he guro, jahan kaheen too jaaega, maain tere peechhe peechhe ho loonga.

20 yeeshu ne us se kaha, lomadiyon ke bhitt aur akash ke paakshiyon ke basere hote haain parantu manushy ke putra ke liye sir dharane kee bhee jagah naheen haai.

21 aek aur chele ne us se kaha, he prabhu, mujhe paahile jane de, ki apane pita ko gaddh doon.

22 yeeshu ne us se kaha, too mere peechhe ho le aur muradon ko apane murade gadne de..

23 jab vah nav par chaddha, to usake chele usake peechhe ho liae.

24 aur dekho, jheel men aek aesa bada toofaan utta ki nav laharon se ddnpane lagee aur vah so raha tha.

25 tab unhon ne pas akar use jagaya, aur kaha, he prabhu, hamen bacha, ham nash huae jate haain.

26 us ne un se kaha he alpavishvasiyo, kyon drate ho? tab us ne uttkar andhaee aur panee ko dantta, aur sab shaant ho gaya.

27 aur log achambha karake kahane lage ki yah kaaisa manushy haai, ki andhaee aur panee bhee us kee agyaa manate haain.

28 jab vah us par gadareaniyon ke desh men pahuncha, to do manushy jin men dushttatmaeen theen kabraen se nikalate huae use mile, jo itane prachand the, ki koi us marga se ja naheen sakata tha.

29 aur dekho, unhon ne chillakar kaha he parameshvar ke putra, hamara tujh se kya kaha? kya too samay se paahile hamen du:kh dene yahan aya haai?

30 un se kuchh door bahut se soaron ka jhund char raha tha.

31 dushttatmaon ne us se yah kahakar binatee kee, ki yadi too hamen nikalata haai, to soaron ke jhund men bhej de.

³² us ne un se kaha, jao, ve nikalakar sooaron men paaitt gae aur dekho, sara jhund kadade par se jhpattkar panee men ja pada aur oob mara.

³³ aur charavahe bhage, aur nagar men jakar ye sab baten aur jin men dushttatmaen bheen un ka sara hal kah sunaya.

³⁴ aur dekho, sare nagar ke loge yeeshu se bhentt karane ko nikal aae aur use dekhkar binatee kee, ki hamare sivanon se bahar nikal ja..

Mattee 9

¹ fir vah nav par chaddhkar par gaya aur apane nagar men aya.

² aur dekho, kai log aek jhole ke mare huae ko khatt par rakhkar usake pas laae yeeshu ne un ka vishvas dekhkar, us jhole ke mare huae se kaha he putra, ddhaddhs bandha tere pap kshama hue.

³ aur dekho, kai shaastriayon ne socha, ki yah to parameshvar kee ninda karata haai.

⁴ yeeshu ne un ke man kee baten maloom karake kaha, ki tum log apane apane man men bura vichar kyon kar rahe ho?

⁵ sahaj kya haai, yah kahana, ki tere pap kshama hue ya yah kahana ki utt aur chal fira.

⁶ parantu isaaliye ki tum jan lo ki manushy ke putra ko prathvee par pap kshama karane ka adhaikar haai us ne jhole ke mare huae se kaha utt: apanee khatt utta, aur apane ghar chala ja.

⁷ vah uttkar apane ghar chala gaya.

⁸ log yah dekhkar dr gae aur parameshvar kee maahima karane lage jis ne manushyon ko aesa adhaikar diya haai..

⁹ vahan se age baddhkar yeeshu ne mattee nam aek manushy ko mahasool kee chaukee par baaitte dekha, aur us se kaha, mere peechhe ho le. vah uttkar usake peechhe ho liya..

¹⁰ aur jab vah ghar men bhojan karane ke liye baaitta to bahutere mahasool lenevalon aur papee akar yeeshu aur usake chelon ke sath khane baaitte.

¹¹ yah dekhkar fareesiyon ne usake chelon se kaha tumhara guroo mahasool lenevalon aur papiyon ke sath kyon khata haai?

¹² us ne yah sunakar un se kaha, vaaidh bhle changon ko naheen parantu beemaron ko avashy haai.

13 so tum jakar is ka arth seekh lo, ki maain baalidan naheen parantu daya chahata hoon kyonki maain dhaarmiyon ko naheen parantu paapiyon ko bulane aya hoon..

14 tab yoohanna ke chelon ne usake pas akar kaha kya karan haai ki ham aur fareesee itana upavas karate haai, par tere chele upavas naheen karate?

15 yeeshu ne un se kaha kya baratee, jab tak dulha un ke sath haai shaek kar sakate haain? par ve din aaenge ki doolha un se alag kiya jaaega, us samay ve upavas karenge.

16 kore kapade ka paaiband purane pahiravan par koi naheen lagata, kyonki vah paaiband paahiravan se aur kuchh kheench leta haai, aur vah aadhaik fatt jata haai.

17 aur naya dakhras puranee mashakon men naheen bhrate haain kyonki aeesa karane se mashken fatt jatee haai, aur dakhras bah jata haai aur mashaken nash ho jatee haai, parantu naya dakhras nai mashkon men bhrate haain aur vah donon bachee rahatee haain.

18 vah un se ye baten kah hee raha tha, ki dekho, aek saradar ne akar use pranam kiya aur kaha meree putraee abhee maree haai parantu chalakar apana hath us par rak, to vah jeeavit ho jaaegee.

19 yeeshu uttkar apane chelon samet usake peechhe ho liya.

20 aur dekho, aek sree ne jis ke barah varsha se lohoo bahata tha, usake peechhe se akar usake vasr ke anchal ko choo liya.

21 kyonki vah apane man men kahatee thee ki yadi maain usake vasr hee ko choo loonbee to changee ho jaungee.

22 yeeshu ne firakar use dekha, aur kaha putraee ddhaddhs bandha tere vishvas ne tujhe changa kiya haai so vah sree usee ghadee changee ho gai.

23 jab yeeshu us saradar ke ghar men pahuncha aur bansalee bajanevalon aur bheed ko hullad machate dekha tab kaha.

24 hatt jao, ladkee maree nahee, par sotee haai is par ve us kee hansee karane lage.

25 parantu jab bheed nikal dee gai, to us ne bheetar jakar ladkee ka hath pakada, aur vah jee uttee.

26 aur is bat kee charcha us sare desh men faail gai.

27 jab yeeshu vahan se age baddha, to do andho usake peechhe yah pukarate huae chale, ki he daud kee santan, ham par daya kara.

28 jab vah ghar men pahuncha, to ve andho us ke pas aae aur yeeshu ne un se kaha kya tumhen vishvas haai, ki maain yah kar sakata hoon? unhon ne us se kaha han prabhu.

29 tab us ne un kee ankhe chookar kaha, tumhare vishvas ke anusar tumhare liye ho.

30 aur un kee ankhe khul gai aur yeeshu ne unhen chitakar kaha savadhaan, koi is bat ko n jane.

31 par unhon ne nikalakar sare desh men usaka yash faaila diya..

32 jab ve bahar ja rahe the, to dekho, log aek goonge ko jis men dushttatma thee us ke pas laae.

33 aur jab dushttatma nikal dee gai, to goonga bolane laga aur bheed ne achambha karake kaha ki israael men aesa kabhee naheen dekha gaya.

34 parantu fareeasiyon ne kaha, yah to dushttatmaon ke saradar kee sahayata se dushttatmaon ko nikalata haai..

35 aur yeeshu sab nagaron aur ganvon men firata raha aur un kee sabhaon men upadesh karata, aur rajy ka susamachar prachar karata, aur har prakar kee beemaree aur durbalata ko door karata raha.

36 jab us ne bheed ko dekha to us ko logon par taras aya, kyonki ve un bhedon kee nai jinaka koi rakhvala n ho, vyakul aur bhittke huae se the.

37 tab us ne apane chelon se kaha, pakke khet to bahut haain par majadoor thode haain.

38 isaliye khet ke svamee se binatee karo ki vah apane khet kattne ke liye majadoor bhej de..

Mattee 10

1 fir us ne apane barah chelon ko pas bulakar, unhen ashuddh atmaon par adhaikar diya, ki unhen nikalen aur sab prakar kee beemariyon aur sab prakar kee durbalataon ko door karen..

2 aur barah praeariton ke nam ye haain: paahila shamaun, jo pataras kahalata haai, aur usaka bhai andairyasa jabdee ka putra yakoob, aur usaka bhai yoohanna

3 firaalippus aur bara-tulmaai thoma aur mahasool lenevala mattee, halafaai ka putra yakoob aur taai.

4 shamaun kananee, aur yahooda iskaariyotee, jis ne use pakadva bhee diya..

- ⁵ in barahon ko yeeshu ne yah agyaa dekar bheja ki anyajaatiyon kee or n jana, aur samariyon ke kisee nagar men pravesh n karana.
- ⁶ parantu israael ke gharane hee kee khoi hui bhedon ke pas jana.
- ⁷ aur chalate chalate prachar kar kaho ki svarga ka rajy nikatt a gaya haai.
- ⁸ beemaron ko changa karo: mare huon ko jilao: koddhiyon ko shuuddh karo: dushttatmaon ko nikalo: tum ne sentament paya haai, sentament do.
- ⁹ apane pattukon men n to sona, aur n roopa, aur n tanba rakhna.
- ¹⁰ marga ke liye n jholee rakho, n do kurate, n joote aur n lattee lo, kyonki majadoor ko usaka bhojan milana chahiae.
- ¹¹ jis kisee nagar ya ganv men jao to pata lagao ki vahan kaun yogy haai? aur jab tak vahan se n nikalo, usee ke vahan raho.
- ¹² aur ghar men pravesh karate huae us ko ashaeesh dena.
- ¹³ yaadi us ghar ke log yogy honge to tumhara kalyan un par pahunchega parantu yaadi ve yogay n hon to tumhara kalyan tumhare pas lauttt aaega.
- ¹⁴ aur jo koi tumhen grahan n kare, aur tumharee baten n sune, us ghar ya us nagar se nikalate huae apane panvon kee dhool jhad dalo.
- ¹⁵ maain tum se sach kahata hoo, ki nyay ke din us nagar kee dasha se sadom aur amora ke desh kee dasha aadhaik sahane yogy hogee..
- ¹⁶ dekho, maain tumhen bhedon kee nai bhediyan ke beech men bhejata hoon so sanpon kee nai buaddhmaian aur kabootaron kee nai bhole bano.
- ¹⁷ parantu logon se savadhaan raho, kyonaki ve tumhen mahasabhaon men saupenge, aur apanee panchayat men tumhen kode mareenge.
- ¹⁸ tum mere liye haakimon or rajaon ke samhane un par, aur anyajatiyon par gavah hone ke liye pahunchaae jaoge.
- ¹⁹ jab ve tumhen pakadvaaenge to yah chinta n karata, ki ham kis reeti se ya kya kahenge: kyonki jo kuchh tum ko kahana hoga, vah usee ghadee tumhen bata diya jaaega.
- ²⁰ kyonaki bolanevale tum naheen ho parantu tumhare pita ka atma tum men bolata haai.
- ²¹ bhai, bhai ko aur pita putra ko, ghaat ke liye saupenge, aur ladkebale mata-apita ke virodha men uttkar unhen marava dalenge.
- ²² mere nam ke karan sab log tum se baair karenge, par jo ant tak dhaeraj dhare rahega usee ka uddhar hoga.

- 23 jab ve tumhen aek nagar men sataae, to doosare ko bhag jana. maain tum se sach kahata hoo, tum israael ke sab nagaron men n fir chukoge ki manushy ka putra a jaaega..
- 24 chela apane guroo se bada naheen aur n das apane svamee se.
- 25 chele ka guroo ke, aur das ka svamee ke barabar hona hee bahut haai jab unhon ne ghar ke svamee ko shautan kaha to usake gharavalon ko kyon n kahenge?
- 26 so un se mat drana, kyonaki kuchh ddhpa nahee, jo khola n jaaega aur n kuchh chhpai haai, jo jana n jaaega.
- 27 jo maain tum se andhiayare me kahata hoo, use ujjyale men kaho aur jo kanon kan sunate ho, use kotton par se prachar karo.
- 28 jo shareer ko ghaat karate haai, par atma ko ghaat naheen kar sakate, un se mat drana par usee se dro, jo atma aur shareer donon ko narak men nash kar sakata haai.
- 29 kya paaise me do gauraiye naheen bikatee? taubhee tumhare pita kee ichchha ke bina un men se aek bhee boomi par naheen gir sakatee.
- 30 tumhare sir ke bal bhee sab gine huae haain.
- 31 isaliye, dro naheen tum bahut gauraiyon se baddhkar ho.
- 32 jo koi manushyon ke samhane mujhe man lega, use maain bhee svargeey pita ke samhane man loonga.
- 33 par jo koi manushyon ke samhane mera inkar karega us se maain bhee apane svargeey pita ke samhane inkar karoonga.
- 34 yah n samajho, ki maain prathvee par milap karane ko aya hoon maain milap karane ko nahee, par talavar chalavane aya hoon.
- 35 maain to aya hoo, ki manushy ko usak pita se, aur bettee ko us kee man se, aur bahoo ko us kee sas se alag kar doon.
- 36 manushy ke baairae usak ghar hee ke log hongee.
- 37 jo mata ya pita ko mujh se aadhaik piry janata haai, vah mere yogy naheen aur jo betta ya bettee ko mujh se aadhaik piry janata haai, vah mere yogy naheen.
- 38 aur jo apana kroos lekar mere peechhe n chale vah mere yogy naheen.
- 39 jo apane praan bachata haai, vah use khoega aur jo mere karan apana praan khota haai, vah use paaega.
- 40 jo tumhen grahan karata haai, vah mujhe grahan karata haai aur jo mujhe grahan karata haai, vah mere bhejanevale ko grahan karata haai.

⁴¹ jo bhavishyadvkta ko bhavishyadvkta janakar grahan kare, vah bhavishyadvkta ka badala paaega aur jo dharmee janakar dharmee ko grahan kare, vah dharmee ka badala paaega.

⁴² jo koi in chhotton men se aek ko chela janakar keval aek kattora ttnda panee pilaa, maain tum se sach kahata hoo, vah kisee reeati se apana pratifal n khoega..

Mattee 11

¹ jab yeeshu apane barah chelon ko agyaa de chuka, to vah un ke nagaron men upadesh aur prachar karane ko vahan se chala gaya..

² yoohanna ne bandeegrah men maseeh ke kamon ka samachar sunakar apane chelon ko us se yah poochhne bheja.

³ ki kya anevala too hee haai: ya ham doosare kee batt johen?

⁴ yeeshu ne uttr diya, ki jo kuchh tum sunate ho aur dekhte ho, vah sab jakar yoohanna se kah do.

⁵ ki andho dekhte haain aur langade chalate firate haain koddhee shuuddh kiae jate haain aur bahire sunate haai, murde jilaae jate haain aur kangalon ko susamachar sunaya jata haai.

⁶ aur dhany haai vah, jo mere karan ttokar n khaae.

⁷ jab ve vahan se chal dia, to yeeshu yoohanna ke vishay men logon se kahane laga tum jangal men kya dekhte gaae the? kya hava se hilate huae sarakande ko?

⁸ fir tum kya dekhne gaae the? dekho, jo komal vasr pahinate haai, ve rajabhvanon men rahate haain.

⁹ to fir kyon gaae the? kya kisee bhavishyadvkta ko dekhne ko? han maain tum se kahata hoo, baran bhavishyadvkta se bhee bade ko.

¹⁰ yah vahee haai, jis ke vishay men likha haai, ki dekh maain apane doot ko tere age bhejata hoo, jo tere age tera marga taaiyar karega.

¹¹ maain tum se sach kahata hoo, ki jo striayon se janme haai, un men se yoohanna bapatisma denevalon se koi bada naheen hua par jo svarga ke rajy men chhotte se chhotta haai vah us se bada haai.

¹² yoohanna bapaatisma denevale ke dinon se ab tak svarga ke rajy par jor hota raha haai, aur balaval use chheen lete haain.

¹³ yoohanna tak sare bhavishyadvkta aur vyavastha bhavishyadvvanee karate rahe.

- 14 aur chaho to mano, aeliyyah jo anevala tha, vah yahee haai.
- 15 jis ke sunane ke kan ho, vah sun le.
- 16 maain is samay ke logon kee upama kis se doon? ve un balakon ke saman haai, jo bajaran men baaitte huae aek doosare se pukarakar kahate haain.
- 17 ki ham ne tumhare liye bansalee bajai, aur tum n nache ham ne vilap kiya, aur tum ne chhatee naheen peettee.
- 18 kyonaki yoohanna n khata aya aur n peeta, aur ve kahate haain ki us men dushttatma haai.
- 19 manushy ka putra khata-peeta aya, aur ve kahate haain ki dekho, petoo aur piyakkad manushy, mahasool lenevalon aur paapiyon ka mitra par gyaan apane kamon men sachcha ttharaya gaya haai.
- 20 tab vah un nagaron ko ulahana dene laga, jin men us ne bahutere samarth ke kam kiae the kyonki unhon ne apana man naheen firaya tha.
- 21 hay, khurajeena hay, baaitasaaida jo samarth ke kam tum men kiae gaa, yaadi ve soor aur saaida men kiae jate, to ttatt oddhkar, aur rakh men baaittkar, ve kab se man fira lete.
- 22 parantu maain tum se kahata hoon ki nyay ke din tumharee dasa se soor aur saaida kee dasa adhaik sahane yogy hogee.
- 23 aur he kafaranahoom, kya too svarga tak uncha kiya jaaega? too to adhaelok tak neeche jaaega jo samarth ke kam tujh men kiae gae haai, yaadi sadom men kiae jate, to vah aj tak bana rahata.
- 24 par maain tum se kahata hoo, ki nyay ke din teree dasa se sadom ke desh kee dasa aadhaik sahane yogy hogee.
- 25 usee samay yeeshu ne kaha, he pita, svarga aur prathvee ke prabhu maain tera dhanyavad karata hoo, ki too ne in baton ko gyaaaniyon aur samajhdaron se chhpai dakha, aur balakon par pragatt kiya haai.
- 26 ha, he pita, kyonaki tujhe yahee achchha laga.
- 27 mere pita ne mujhe sab kuchh saunpa haai, aur koi putra ko naheen janata, keval pita aur koi pita ko naheen janata, keval putra aur vah jis par putra use pragatt karana chahe.
- 28 he sab paarishram karanevalon aur bojh se dabe logo, mere pas ao maain tumhen vishraam doonga.
- 29 mera jooa apane upar utta lo aur mujh se seekho kyonaki maain namra aur man men dee hoon: aur tum apane man men vishraam paoge.
- 30 kyonaki mera jooa sahaj aur mera bojh halka haai..

Mattee 12

¹ us samay yeeshu sabt ke din kheton men se hokar ja raha tha, aur usake chelon ko bookh lagee, so ve balen tod todkar khane lage.

² fareesiyon ne yah dekhkar us se kaha, dekh tere chele vah kam kar rahe haai, jo sabt ke din karana uchit naheen.

³ us ne un se kaha kya tum ne naheen paddha, ki daud ne, jab vah aur usake sathee bookhe huae to kya kiya?

⁴ vah kyonkar parameshvar ke ghar men gaya, aur bhentt kee rottiyaian khai, jinhen khana n to use aur usake saathaiyon ko, par keval yajakon ko uchit tha?

⁵ ya tum ne vyavastha men naheen paddha, ki yajak sabt ke din mandair men sabt ke din ke vidhai ko todne par bhee nirdosh ttharate haain.

⁶ par maain tum se kahata hoo, ki yahan vah haai, jo mandair se bhee bada haai.

⁷ yaadi tum is ka arth janate ki maain daya se prasann hoo, balidan se nahee, to tum nirdosh ko doshaee n ttharate.

⁸ manushy ka putra to sabt ke din ka bhee prabhu haai..

⁹ vahan se chalakar vah un kee sabha ke ghar men aya.

¹⁰ aur dekho, aek manushy tha, jis ka hath sookha hua tha aur unhon ne us par dosh lagane ke liey us se poochha, ki kya sabt ke din changa karana uchit haai?

¹¹ us ne un se kaha tum men aeese kaun haai, jis kee ek bhed ho, aur vah sabt ke din gadhe men gir jaa, to vah use pakadkar n nikale?

¹² bhla, manushy ka mooly bhed se kitana baddh kar haai isaaliye sabt ke din bhilai karana uchit haai: tab us ne us manushy se kaha, apana hath baddha.

¹³ us ne baddhaya, aur vah fir doosare hath kee nai achchha ho gaya.

¹⁴ tab fareesiyon ne bahar jakar usake virodha men sammati kee, ki use kis prakar nash karen?

¹⁵ yah janakar yeeshu vahan se chala gaya aur bahut lage usake peechhe ho liye aur us ne sab ko changa kiya.

¹⁶ aur unhen chitaya, ki mujhe pragatt n karana.

¹⁷ ki jo vachan yashaayah bhvishyadvkta ke dara kaha gaya tha, vah poora ho.

¹⁸ ki dekho, yah mera sevak haai, jise maain ne chuna haai mera piry, jis se mera man prasann haai: maain apana atma us par daloonga aur vah anyajaatiyon ko nyay ka samachar dega.

- 19 vah n jhgada karega, aur n dhoom machaaega aur n bajaron men koi usaka shabd sunega.
- 20 vah kuchale huae sarakande ko n todega aur dhooan detee hui battee ko n bujhaaega, jab tak nyay ko prabal n karaae.
- 21 aur anyajatiyan usake nam par asha rakhengee.
- 22 tab log aek andho-goonge ko jis men dushttatma thee, usake pas laae aur us ne use achchha kiya aur vah goonga bolane aur dekhne laga.
- 23 is par sab log chaakit hokar kahane lage, yah kya daud kee santan ka haai?
- 24 parantu fareeasiyon ne yah sunakar kaha, yah to dushttatmaon ke saradar shautan kee sahayata ke bina dushttatmaon ko naheen nikalata.
- 25 us ne un ke man kee bat janakar un se kaha jis kisee rajy men foott hotee haai, vah ujad jata haai, aur koi nagar ya gharana jis men foott hotee haai, bana n rahega.
- 26 aur yaadi shautan hee shautan ko nikale, to vah apana hee virodhaee ho gaya haai fir usaka rajy kyonkar bana rahega?
- 27 bhla, yadi maain shautan kee sahayata se dushttatmaon ko nikalata hoo, to tumhare vansh kis kee sahayata se nikalate haain? isaliye ve hee tumhara nyay chukaaenge.
- 28 par yaadi maain parameshvar ke atma kee sahayata se dushttatmaon ko nikalata hoo, to parameshvar ka rajy tumhare pas a pahuncha haai.
- 29 ya kyonkar koi manushy kisee balavant ke ghar men ghausakar usaka mal loott sakata haai jab tak ki pahile us balavant ko n bandha le? aur tab vah usaka ghar loott lega.
- 30 jo mere sath nahee, vah mere virodha men haai aur jo mere sath naheen battorata, vah bithrata haai.
- 31 isaliye maain tum se kahata hoo, ki manushy ka sab prakar ka pap aur ninda kshama kee jaaegee, par atma kee ninda kshama n kee jaaegee.
- 32 jo koi manushy ke putra ke virodha men koi bat kahega, usaka yah aparadha kshama kiya jaaega, parantu jo koi pavitraatma ke virodha men kuchh kahega, usaka aparadha n to is lok men aur n paralok men kshama kiya jaaega.
- 33 yaadi ped ko achchha kaho, to usake fal ko bhee achchha kaho ya ped ko nikamma kaho kyonki ped fal hee se pahachana jata haai.
- 34 he sanp ke bachcho, tum bure hokar kyonkar achchhee baten kah sakate ho? kyonki jo man men bhra haai, vahee munh par ata haai.

- 35 bhla, manushy man ke bhle bhndar se bhlee baten nikalata haai aur bura manushy bure bhndar se buree baten nikalata haai.
- 36 aur maai tum se kahata hoo, ki jo jo nikammee baten manushy kahenge, nyay ke din har aek bat ka lekha denge.
- 37 kyonaki too apanee baton ke karan nirdosh aur apanee baton hee ke karan doshae ttharaya jaaega..
- 38 is par kitane shaaastriayon aur fareeasiyon ne us se kaha, he guro, ham tujh se aek chinh dekhna chahate haain.
- 39 us ne unhen uttr diya, ki is yug ke bure aur vyabhaicharee log chinh ddoonddhte haain parantu yoonus bhvishyadvkta ke chinh ko chhod koi aur chinh un ko n diya jaega.
- 40 yoonus teen raj din jal jantu ke pett men raha, vaaise hee manushy ka putra teen rat din prathvee ke bheetar rahega.
- 41 neenave ke log nyay ke din is yug ke logon ke sath uttkar unhen doshae ttharaaenge, kyonki unhon ne yoonus ka prachar sunakar, man firaya aur dekho, yahan vah haai jo yoonus se bada haai.
- 42 daakkhian kee ranee nyay ke din is yug ke logon ke sath uttkar unhen doshae ttharaaenge, kyonaki vah sulaaiman ka gyaan sunane ke liye prathvee kee chhor se ai, aur dekho, yahan vah haai jo sulaaiman se bhee bada haai.
- 43 jab ashuddh atma manushy men se nikal jatee haai, to sookhee jagahon men vishraam ddoonddhatee firatee haai, aur patee naheen.
- 44 tab kahatee haai, ki maain apane usee ghar men jahan se nikalee thee, lautt jaungee, aur akar use soona, jhada-buhara aur saja sajaya patee haai.
- 45 tab vah jakar apane se aur buree sat atmaon ko apane sath le atee haai, aur ve us men paaittkar vahan vas karatee haai, aur us manushy kee pichhlee dasa paahile se bhee buree ho jatee haai is yug ke bure logon kee dasa bhee aeesee hee hogee.
- 46 jab vah bheed se baten kar hee raha tha, to dekho, us kee mata aur bhai bahar khde the, aur us se baten karana chahate the.
- 47 kisee ne us se kaha dekh teree mata aur tere bhai bahar khde haai, aur tujh se baten karana chahate haain.
- 48 yah sun us ne kahanevale ko uttr diya kaun haai merree mata?
- 49 aur kaun haai mere bhai? aur apane chelon kee or apana hath baddha kar kaha dekho, merree mata aur mere bhai ye haain.

⁵⁰ kyonaki jo koi mere svargeey pita kee ichchha par chale, vahee mera bhai aur baahin aur mata haai..

Mattee 13

¹ usee din yeeshu ghar se nikalakar jheel ke kinare ja baaitta.

² aur usake pas aeesee badee bheed ikatthee hui ki vah nav par chaddh gaya, aur saree bheed kinare par khdee rahee.

³ aur us ne un se drashttanton men bahut see baten kahee, ki dekho, aek bonevala beej bone nikala.

⁴ bote samay kuchh beej marga ke kinare gire aur paakshiyon ne akar unhen chug liya.

⁵ kuchh patthreelee boomi par gire, jahan unhen bahut mittee n milee aur gaharee mittee n milane ke karan ve jald ug aae.

⁶ par sooraj nikalane par ve jal gaa, aur jad n pakadne se sookh gaae.

⁷ kuchh jhaadiyon men gire, aur jhaadiyon ne baddhkar unhen daba dala.

⁸ par kuchh achchhee boomi par gire, aur fal laa, koi sau guna, koi satt guna, koi tees guna.

⁹ jis ke kan hon vah sun le..

¹⁰ aur chelon ne pas akar us se kaha, too un se drashttanton men kyon baten karata haai?

¹¹ us ne uttr diya, ki tum ko svarga ke rajy ke bhedon kee samajh dee gai haai, par un ko naheen.

¹² kyonaki jis ke pas haai, use diya jaaega aur usake pas bahut ho jaaega par jis ke pas kuchh naheen haai, us se jo kuchh usake pas haai, vah bhee le liya jaaega.

¹³ maain un se drashttanton men isaaliye baten karata hoo, ki ve dekhte huae naheen dekhte aur sunate huae naheen sunate aur naheen samajhte.

¹⁴ aur un ke vishay men yashaayah kee yah bhvishyadvvanee pooree hotee haai, ki tum kanon se to sunoge, par samajhoge naheen aur ankhone se to dekhoge, par tumhen n soojhega.

¹⁵ kyonaki in logon ka man motta ho gaya haai, aur ve kanon se uncha sunate haain aur unhon ne apanee ankhen moond leen haain kaheen aeese n ho ki ve ankhone se dekhe, aur kanon se sunen aur man se samajhe, aur fir jaae, aur maain unhen changa karoon.

¹⁶ par dhany haai tumharee ankhe, ki ve dekhte haain aur tumhare kan, ki ve sunate haain.

17 kyonaki maain tum se sach kahata hoo, ki bahut se bhavishyadvktaon ne aur dharmiyon ne chaha ki jo baten tum dekhte ho, dekhen par n dekheen aur jo baten tum sunate ho, sune, par n suneen.

18 so tum banevale ka drashttant suno.

19 jo koi rajy ka vachan sunakar naheen samajhta, usake man men jo kuchh boya gaya tha, use vah dushtt akar chheen le jata haai yah vahee haai, jo marga ke kinare boya gaya tha.

20 aur jo patthreelee boomi par boya gaya, yah vah haai, jo vachan sunakar turant anand ke sath man leta haai.

21 par apane men jad n rakhne ke karan vah thode hee din ka haai, aur jab vachan ke karan klesh ya upadrav hota haai, to turant ttokar khata haai.

22 jo jhaadiyon men boya gaya, yah vah haai, jo vachan ko sunata haai, par is sansar kee chinta aur dhan ka dhaekha vachan ko dabata haai, aur vah fal naheen lata.

23 jo achchhee boomi men boya gaya, yah vah haai, jo vachan ko sunakar samajhta haai, aur fal lata haai koi sau guna, koi satt guna, koi tees guna.

24 us ne unhen ek aur drashttant diya ki svarga ka rajy us manushy ke saman haai jis ne apane khet men achchha beej boya.

25 par jab log so rahe the to usaka baairae akar gehoon ke beech jangalee beej bokar chala gaya.

26 jab ankur nikale aur balen lagee, to jangalee dane bhee dikhai diae.

27 is par grahasth ke dason ne akar us se kaha, he svamee, kya too ne apane khet men achchha beej n boya tha? fir jangatee dane ke paudho us men kahan se aae?

28 us ne un se kaha, yah kisee baairae ka kam haai. dason ne us se kaha kya teree ichchha haai, ki ham jakar un ko battor len?

29 us ne kaha, aeesa nahee, n ho ki jangatee dane ke paudho battorate huae un ke sath gehoon bhee ukhad lo.

30 kattnee tak donon ko aek sath baddhne do, aur kattnee ke samay maain kattnevalon se kahoonga paahile jangalee dane ke paudho battorakar jalane ke liye un ke gathee bandha lo, aur gehoon ko mere khtte men ikattha karo..

31 us ne unhen ek aur drashttant diya ki svarga ka rajy rai ke ek dane ke saman haai, jise kisee manushy ne lekar apane khet men bo diya.

32 vah sab beejon se chhotta to haai par jab baddh jata haai tab sab sag pat se bada hota haai aur aeesa ped ho jata haai, ki akash ke pakshae akar us kee daliyon par basera karate haain..

33 us ne ek aur drashttant unhen sunaya ki svarga ka rajy khmeer ke saman haai jis ko kisee sree ne lekar teen paseree atte men mila diya aur hote hote vah sab khmeer ho gaya..

34 ye sab baten yeeshu ne drashttanton men logon se kahee, aur bina drashttant vah un se kuchh n kahata tha.

35 ki jo vachan bhavishyadvkta ke dara kaha gaya tha, vah poora ho ki maain drashttant kahane ko apana munh kholoonga: maain un baton ko jo jagat kee utpati se gupt rahee haain pragatt karoonga..

36 tab vah bheed ko chhodkar ghar men aya, aur usake chelon ne usake pas akar kaha, khet ke jangalee dane ka drashttant hamen samajha de.

37 us ne un ko uttr diya, ki achchhe beej ka bonevala manushy ka putra haai.

38 khet sansar haai, achchha beej rajy ke santan, aur jangalee beej dushtt ke santan haain.

39 jis baairi ne un ko boya vah shautan haai kattnee jagat ka ant haai: aur kattnevale svargadoot haain.

40 so jaaise jangalee dane battore jate aur jalaae jate haain vaaisa hee jagat ke ant men hoga.

41 manushy ka putra apane svargadooton ko bhejega, aur ve usake rajy men se sab ttokar ke karanon ko aur kukarma karanevalon ko ikattha karenge.

42 aur unhen ag ke kund men dalenge, vahan rona aur dant peesana hoga.

43 us samay dharmee apane pita ke rajy men soorya kee nai chamakenge jis ke kan hon vah sun le..

44 svarga ka rajy khet men chhpai huae dhan ke saman haai, jise kisee manushy ne pakar chhpai diya, aur mare anand ke jakar aur apana sab kuchh bechakar us khet ko mol liya..

45 fir svarga ka rajy aek vyoparee ke saman haai jo achchhe motiyon kee khoj men tha.

46 jab use aek bahumooly motee mila to us ne jakar apana sab kuchh bech dala aur use mol le liya..

47 fir svarga ka rajy us bade jal ke saman haai, jo samudra men dala gaya, aur har prakar kee machhaliyon ko samett laya.

48 aur jab bhr gaya, to us ko kinare par kheench laa, aur baaittkar achchhee achchhee to baratanon men ikattha kiya aur nikammee, nikammen faenk dee.

49 jagat ke ant men aesa hee hoga: svargadoot akar dushtton ko dharmiyon se alag karenge, aur unhen ag ke kund men dalenge.

50 vahan rona aur dant peesana hoga.

51 kya tum ne ye sab baten samajheen?

52 unhon ne us se kaha, han us ne un se kaha, isaaliye har ek shaasree jo svarga ke rajy ka chela bana haai, us grahasth ke saman haai jo apane bhndar se nai aur puranee vastuen nikalata haai..

53 jab yeeshu ne sab drashttant kah chuka, to vahan se chala gaya.

54 aur apane desh men akar un kee sabha men unhen aeesa upadesh dene laga ki ve chakit hokar kahane lage ki is ko yah gyaan aur samarth ke kam kahan se mile?

55 kya yah baddhi ka betta naheen? aur kya is kee mata ka nam mariyam aur is ke bhaiyon ke nam yakoob aur yoosufa aur shamaun aur yahooda naheen?

56 aur kya is kee sab bahinen hamare beech men naheen rahatee? fir is ko yah sab kahan se mila?

57 so unhon ne usake karan ttokar khai, par yeeshu ne un se kaha, bhvishyadvkta apane desh aur apane ghar ko chhod aur kaheen niradar naheen hota.

58 aur us ne vahan un ke avishvas ke karan bahut samarth ke kam naheen kiae..

Mattee 14

1 us samay chauthai desh ke raja herodes ne yeeshu kee charcha sunee.

2 aur apane sevakon se kaha, yah yoohanna bapatisma denevala haai: vah mare huon men se jee utta haai, isee liye us se samarth ke kam pragatt hote haain.

3 kyonaki herodes ne apane bhai filippus kee patnee herodiyas ke kara, yoohanna ko pakadkar bandha, aur jelakhane men dal diya tha.

4 kyonaki yoohanna ne us se kaha tha, ki is ko rakhna tujhe uchit naheen haai.

5 aur vah use mar dalana chahata tha, par logon se drata tha, kyonaki ve use bhavishyadvkta janate the.

6 par jab herodes ka janm din aya, to herodiyas kee bettee ne utsav men nach dikhakar herodes ko khush kiya.

7 isaliye us ne shapath khakar vachan diya, ki jo kuchh too mangegee, maain tujhe doonga.

8 vah apanee mata kee uskai hui bolee, yoohanna bapaatisma denevale ka sir thal men yaheen mujhe mangava de.

- ⁹ raja dukhait hua, par apanee shapath ke, aur sath baaittnevalon ke kara, agyaa dee, ki de diya jaae.
- ¹⁰ aur jelakhane men logon ko bhejkar yoohanna ka sir kattva diya.
- ¹¹ aur usaka sir thal men laya gaya, aur ladkee ko diya gaya aur vah us ko apanee man ke pas le gai.
- ¹² aur usake chelon ne akar aur us kee loth ko le jakar gaddh diya aur jakar yeeshu ko samachar diya..
- ¹³ jab yeeshu ne yah suna, to nav par chaddhkar vahan se kisee sunasan jagah aekant men chala gaya aur log yah sunakar nagar nagar se paaidal usake peechhe ho liae.
- ¹⁴ us ne nikalakar badee bheed dekhee aur un par taras khaya aur us ne un ke beemaron ko changa kiya.
- ¹⁵ jab sanjh hui, to usake chelon ne usake pas akar kaha yah to sunasan jagah haai aur der ho rahee haai, logon ko vida kiya jaae ki ve bastaiyon men jakar apane liye bhojan mol len.
- ¹⁶ yeeshu ne un se kaha un ka jana avashyak naheen! tum hee inhen khane ko do.
- ¹⁷ unhon ne us se kaha yahan hamare pas panch rottee aur do machhliyon ko chhod aur kuchh naheen haai.
- ¹⁸ us ne kaha, un ko yahan mere pas le ao.
- ¹⁹ tab us ne logon ko ghaas par baaittne ko kaha, aur un panch rottyaien aur do machhliyon ko liya aur svarga kee or dekhkar dhanyavad kiya aur rottyaian tod todkar chelon ko dee, aur chelon ne logon ko.
- ²⁰ aur sab khakar trapt ho gaa, aur unhon ne bache huae ttukadon se bhree hui barah ttokaariyan uttai.
- ²¹ aur khanevale striayon aur balakon ko chhodkar panch hajar purooshaen ke attkal the..
- ²² aur us ne turant apane chelon ko barabas nav par chaddhaya, ki ve us se pahile par chale jaae, jab tak ki vah logon ko vida kare.
- ²³ vah logon ko vida karake, praarthna karane ko alag pahad par chaddh gaya aur sanjh ko vahan akela tha.
- ²⁴ us samay nav jheel ke beech laharon se dgamaga rahee thee, kyonki hava samhane kee thee.
- ²⁵ aur vah rat ke chauthe pahar jheel par chalate huae un ke pas aya.

- ²⁶ chele us ko jheel par chalate huae dekhkar ghabara gaae! aur kahane lage, vah boot haai aur dar ke mare chilla utte.
- ²⁷ yeeshu ne turant un se baten kee, aur kaha ddhaddhs bandhae maain hoon dro mata.
- ²⁸ pataras ne us ko uttr diya, he prabhu, yadi too hee haai, to mujhe apane pas panee par chalakkar ane kee agyaa de.
- ²⁹ us ne kaha, a: tab pataras nav par se utarakar yeeshu ke pas jane ko panee par chalane laga.
- ³⁰ par hava ko dekhkar dr gaya, aur jab oobane laga, to chillakar kaha he prabhu, mujhe bacha.
- ³¹ yeeshu ne turant hath baddhakar use tham liya, aur us se kaha, he alpa-avishvasee, too ne kyon sandeh kiya?
- ³² jab ve nav par chaddh gaa, to hava thm gai.
- ³³ is par jo nav par the, unhon ne use dandvat karake kaha sachamuch too parameshvar ka putra haai..
- ³⁴ ve par utarakar gannesarat desh men pahunche.
- ³⁵ aur vahan ke logon ne use pahachanakar as pas ke sare desh men kahala bheja, aur sab beemaron ko usake pas laae.
- ³⁶ aur us se binatee karane lage, ki vah unhen apane vasr ke anchal hee ko choone de: aur jitanaen ne use chooa, ve change ho gaae..

Mattee 15

- ¹ tab yarooshalem se kitane fareesee aur shaasree yeeshu ke pas akar kahane lage.
- ² tere chele puraniyon kee reeton ko kyon ttalate haai, ki bina hath dhaeae rottee khate haain?
- ³ us ne un ko uttr diya, ki tum bhee apanee reeton ke karan kyon parameshvar kee agyaa ttalate ho?
- ⁴ kyonaki parameshvar ne kaha tha, ki apane pita aur apanee mata ka adar karana: aur jo koi pita ya mata ko bura kahe, vah mar dala jaae.
- ⁵ par tum kahate ho, ki yadi koi apane pita ya mata se kahe, ki jo kuchh tujhe mujh se labh pahunch sakata tha, vah parameshvar ko bhentt chaddhai ja chukee.
- ⁶ to vah apane pita ka adar n kare, so tum ne apanee reeton ke karan parameshvar ka vachan ttal diya.

- 7 he kapattyaie, yashaayah ne tumhare vishay men yah bhavishyadane tteek kee.
- 8 ki ye log hotton se to mera adar karate haai, par un ka man mujh se door rahata haai.
- 9 aur ye vyarth merree upasana karate haai, kyonki manushy kee vidhaiyon ko dhamorpadesh karake sikhate haain.
- 10 aur us ne logon ko apane pas bulakar un se kaha, suno aur samajho.
- 11 jo munh men jata haai, vah manushy ko ashuddh naheen karata, par jo munh se nikalata haai, vahee manushy ko ashuddh karata haai.
- 12 tab chelon ne akar us se kaha, kya too janata haai ki fareeasiyon ne yah vachan sunakar ttokar khai?
- 13 us ne uttr diya, har paudha jo mere svargeey pita ne naheen lagaya, ukhada jaega.
- 14 un ko jane do ve andho marga dikhanevale haain: aur andha yadi andho ko marga dikhaa, to donon gadhe men gir padenge.
- 15 yah sunakar, pataras ne us se kaha, yah drashttant hamen samajha de.
- 16 us ne kaha, kya tum bhee ab tak na samajh ho?
- 17 kya naheen samajhte, ki jo kuchh munh men jata, vah pett men padta haai, aur sandas men nikal jata haai?
- 18 par jo kuchh munh se nikalata haai, vah man se nikalata haai, aur vahee manushy ko ashuddh karata haai.
- 19 kyonaki kuchinta, hatya, parasreegaman, vyaabhaichar, choree, joottee gavahee aur ninda man hee se nikalatee haai.
- 20 yahee haain jo manushy ko ashuddh karatee haai, parantu hath bina dhaeae bhojan karana manushy ko ashuddh naheen karata..
- 21 yeeshu vahan se nikalakar, soor aur saaida ke deshaen kee or chala gaya.
- 22 aur dekho, us desh se aek kananee sree nikalee, aur chillakar kahane lagee he prabhu daud ke santan, mujh par daya kar, merree bettee ko dushttatma bahut sata raha haai.
- 23 par us ne use kuchh uttr n diya, aur usake chelon ne akar us se binatee kar kaha ise vida kara kyonki vah hamare peechhe chillatee atee haai.
- 24 us ne uttr diya, ki israel ke gharane kee khoi hui bhedon ko chhod maain kisee ke pas naheen bheja gaya.

25 par vah ai, aur use pranam karake kahane lagee he prabhu, merree sahayata kara.

26 us ne uttr diya, ki ladkon kee rottee lekar kuton ke age dalana achchha naheen.

27 us ne kaha, saty haai prabhu par kutte bhee vah choorachar khate haai, jo un ke svaamiyon kee mej se girate haain.

28 is par yeeshu ne us ko uttr dekar kaha, ki he sre, tera vishvas bada haai: jaaisa too chahatee haai, tere liye vaaisa hee ho aur us kee bettee usee ghaadee changee ho gai..

29 yeeshu vahan se chalakar, galeel kee jheel ke pas aya, aur pahad par chaddhkar vahan baaitt gaya.

30 aur bheed par bheed langado, andhae, goongo, ttundo, aur bahut auron ko lekar usake pas aae aur unhen usake panvon par dal diya, aur us ne unhen changa kiya.

31 so jab logon ne dekha, ki goonge bolate aur ttunde change hote aur langade chalate aur andho dekhte haai, to achambha karake israael ke parameshvar kee badai kee..

32 yeeshu ne apane chelon ko bulakar kaha, mujhe is bheed par taras ata haai kyonaki ve teen din se mere sath haain aur un ke pas kuchh khane ko naheenn aur maain unhen bookha vida karana naheen chahata kaheen aeesa n ho ki marga men thkakar rah jaaen.

33 chelon ne us se kaha, hamen jangal men kahan se itanee rottee milegee ki ham itanee badee bheed ko trapt karen?

34 yeeshu ne un se poochha, tumhare pas kitanee rottiyaian haain? unhon ne kaha sat aur thodee see chhottee machhliyan.

35 tab us ne logon ko boomi par baaittne kee agyaa dee.

36 aur un sat rottiyaian aur machhliyon ko le dhanyavad karake toda aur apane chelon ko deta gaya aur chele logon ko.

37 so sab khakar trapt ho gaae aur bache huae ttukadon se bhre huae sat ttokare uttaae.

38 aur khanevale striayon aur balakon ko chhod char hajar puroosh the.

39 tab vah bheed ko vida karake nav par chaddh gaya, aur magadan desh ke sivanon men aya..

Mattee 16

- ¹ aur fareesiyon aur sadookeyon ne pas akar use parakhne ke liye us se kaha, ki hamen akash ka koi chihni dikha.
- ² us ne un ko uttr diya, ki sanjh ko tum kahate ho ki khula rahega kyonaki akash lal haai.
- ³ aur bhor ko kahate ho, ki aj andhaee aegee kyonaki akash lal aur dhaumala haai tum akash ka lakshan dekhkar bhed bata sakate ho par samayon ke chihnon ko bhed naheen bata sakate?
- ⁴ is yug ke bure aur vyaabhaicharee log chihni ddoondhte haain par yonus ke chihni ko chhod koi aur chihni unhen n diya jaege, aur vah unhen chhodkar chala gaya..
- ⁵ aur chele par jate samay rottee lena bool gae the.
- ⁶ yeeshu ne un se kaha, dekho fareesiyon aur sadookeyon ke khmeer se chaukas rahana.
- ⁷ ve apas men vichar karane lage, ki ham to rottee naheen laae.
- ⁸ yah janakar, yeeshu ne un se kaha, he alpavishvasiyo, tum apas men kyon vichar karate ho ki hamare pas rottee naheen?
- ⁹ kya tum ab tak naheen samajhe? aur un panch hajar ke panch rottee smaran naheen karate, aur n yah ki kitane ttokaariyan uttain theen?
- ¹⁰ aur n un char hajar ke sat rottee aur n yah ki kitane ttokare uttaae gae the?
- ¹¹ tum kyon naheen samajhte ki maain ne tum se rottiyein ke vishay men naheen kaha? fareesiyon aur sadookeyon ke khmeer se chaukas rahana.
- ¹² tab un ko samajh men aya, ki us ne rottee ke khmeer se nahee, par fareesiyon aur sadookeyon ke shaiksha se chaukas rahane ko kaha tha.
- ¹³ yeeshu kaaisariya filippee ke desh men akar apane chelon se poochhne laga, ki log manushy ke putra ko kya kahate haain?
- ¹⁴ unhon ne kaha, kitane to yoohanna bapatisma denevala kahate haain aur kitane eliyah, aur kitane yirmayah ya bhvishyadvaktaon men se koi ek kahate haain.
- ¹⁵ us ne un se kaha parantu tum mujhe kya kahate ho?
- ¹⁶ shamaun pataras ne uttr diya, ki too jeevate parameshvar ka putra maseeh haai.
- ¹⁷ yeeshu ne us ko uttr diya, ki he shamaun yona ke putra, too dhany haai kyonaki mans aur lohoo ne nahee, parantu mere pita ne jo svarga men haai, yah bat tujh par pragatt kee haai.

18 aur maain bhee tujh se kahata hoo, ki too pataras haai aur maain is patthr par apanee kaleesiya banaunga: aur adhaelok ke faattk us par prabal n honge.

19 maain tujhe svarga ke rajy kee kunajiyan doonga: aur jo kuchh too prathvee par bandhoga, vah svarga men bandhoga aur jo kuchh too prathvee par kholega, vah svarga men khulega.

20 tab us ne chelon ko chitaya, ki kisee se n kahana! ki maain maseeh hoon.

21 us samay se yeeshu apane chelon ko batane laga, ki mujhe avashy haai, ki yarooshalem ko jau, aur puraaniyon aur mahayajakon aur shaastriyon ke hath se bahut dukh uttaun aur mar dala jaun aur teesare din jee utoon.

22 is par pataras use alag le jakar jhdikane laga ki he prabhu, parameshvar n kare tujh par aeese kabhee n hoga.

23 us ne firakar pataras se kaha, he shautan, mere samhane se door ho: too mere liye ttokar ka karan haai kyonki too parameshvar kee baten nahee, par manushyon kee baton par man lagata haai.

24 tab yeeshu ne apane chelon se kaha yadi koi mere peechhe ana chahe, to apane ap ka inkar kare aur apana kroos uttaa, aur mere peechhe ho le.

25 kyonaki jo koi apana praan bachana chahe, vah use khoega aur jo koi mere liye apana praan khoega, vah use paaega.

26 yaadi manushy sare jagat ko praapt kare, aur apane praan kee hati uttaa, to use kya labh hoga? ya manushy apane praan ke badale men kya dega?

27 manushy ka putra apane svargadooton ke sath apane pita kee maahima men aaega, aur us samay vah har aek ko usake kamon ke anusar praatifaal dega.

28 maain tum se sach kahata hoo, ki jo yahan khde haai, un men se kitane aeese haain ki jab tak manushy ke putra ko usake rajy men ate huae n dekh lenge, tab tak mratyu ka svad kabhee n chakhenge.

Mattee 17

1 chh: din ke bad yeeshu ne pataras aur yakoob aur usake bhai yoohanna ko sath liya, aur unhen aekant men kisee unche pahad par le gaya.

2 aur unake samhane usaka roopantar hua aur usaka munh soorya kee nai chamaka aur usaka vasr jyoti kee nain ujala ho gaya.

3 aur dekho, moosa aur aeliyyah usake sath baten karate huae unhen dikhai diae.

⁴ is par pataras ne yeeshu se kaha, he prabhu, hamara yahan rahana achchha haai ichchha ho to yahan teen mandp banaun aek tere liye, aek moosa ke liye, aur aek aeliyyah ke liye.

⁵ vah bol hee raha tha, ki dekho, aek ujale badal ne unhen chha liya, aur dekho us badal men se yah shabd nikala, ki yah mera piry putra haai, jis se maain prasann hoon: is kee suno.

⁶ chele yah sunakar munh ke bal gir gaae aur atyant dr gaae.

⁷ yeeshu ne pas akar unhen chooa, aur kaha, utto dro mata.

⁸ tab unhon ne apanee ankhe uttakar yeeshu ko chhod aur kisee ko n dekha.

⁹ jab ve pahad se utar rahe the tab yeeshu ne unhen yah agyaa dee ki jab tak manushy ka putra mare huon men se n jee utte tab tak jo kuchh tum ne dekha haai kisee se n kahana.

¹⁰ aur usake chelon ne us se poochha, fir shaasree kyon kahate haai, ki aeliyyah ka pahale ana avashy haai?

¹¹ us ne uttr diya, ki eliyyah to aega: aur sab kuchh sudhaarega.

¹² parantu maain tum se kahata hoo, ki aeliyyah a chuka aur unhon ne use naheen pahachana parantu jaaisa chaha vaaisa hee usake sath kiya: isee reeti se manushy ka putra bhee un ke hath se dukh uttaaega.

¹³ tab chelon ne samajha ki us ne ham se yoohanna bapatisma denevale ke vishay men kaha haai.

¹⁴ jab ve bheed ke pas pahunche, to aek manushy usake pas aya, aur ghauttne ttekakar kahane laga.

¹⁵ he prabhu, mere putra par daya kara kyonki us ko mirgee atee haai: aur vah bahut dukh uttata haai aur bar bar ag men aur bar bar panee men gir padta haai.

¹⁶ aur maain us ko tere chelon ke pas laya tha, par ve use achchha naheen kar sake.

¹⁷ yeeshu ne uttr diya, ki he avishvasee aur hatteele logon maain kab tak tumhare sath rahoonga? kab tak tumharee sahoonga? use yahan mere pas lao.

¹⁸ tab yeeshu ne use ghaudka, aur dushttatma us men se nikala aur ladka usee ghadee achchha ho gaya.

¹⁹ tab chelon ne aekant men yeeshu ke pas akar kaha ham ise kyon naheen nikal sake?

²⁰ us ne un se kaha, apane vishvas kee ghattee ke karan: kyonaki maain tum se sach kahata hoo, yadi tumhara vishvas rai ke dane ke barabar bhee ho, to is

pahad se kah sakoge, ki yahan se sarakakar vahan chala ja, to vah chala jaega aur koi bat tumhare liye anhonee n hogee.

²¹ jab ve galeel men the, to yeeshu ne un se kaha manushy ka putra manushyon ke hath men pakadvaya jaaega.

²² aur ve use mar dalenge, aur vah teesare din jee uttega.

²³ is par ve bahut udas huae..

²⁴ jab ve kafaranahoom men pahunche, to maandair ke liye kar lenevalon ne pataras ke pas akar poochha, ki kya tumhara guroo mandair ka kar naheen deta? us ne kaha, han deta to haai.

²⁵ jab vah ghar men aya, to yeeshu ne usake poochhne se pahile us se kaha, he shamaun too kya samajhta haai? prathvee ke raja mahasool ya kar kin se lete haain? apane putraen se ya parayon se? pataras ne un se kaha, parayon se.

²⁶ yeeshu n us se kaha, to putra bach gaae.

²⁷ taubhee isaaliye ki ham unhen ttokar n khailaae, too jheel ke kinare jakar bansee dal, aur jo machhlee pahile nikale, use le to tujhe usaka munh kholane par aek sikka milega, usee ko lekar mere aur apane badale unhen de dena..

Mattee 18

¹ usee ghadee chele yeeshu ke pas akar poochhne lage, ki svarga ke rajy men bada kaun haai?

² is par us ne aek balak ko pas bulakar un ke beech men khda kiya.

³ aur kaha, maain tum se sach kahata hoo, yadi tum n firo aur balakon ke saman n bano, to svarga ke rajy men pravesh karane naheen paoge.

⁴ jo koi apane ap ko is balak ke saman chhotta karega, vah svarga ke rajy men bada hoga.

⁵ aur jo koi mere nam se aek aeese balak ko grahan karata haai vah mujhe grahan karata haai.

⁶ par jo koi in chhotton men se jo mujh par vishvas karate haain aek ko ttokar khailaa, usake liye bhla hota, ki badee chakkee ka patt usake gale men lattkaya jata, aur vah gaahire samudra men dubaya jata.

⁷ ttokaron ke karan sansar par haya! ttokaron ka lagana avashy haai par hay us manushy par jis ke dara ttokar lagatee haai.

⁸ yaadi tera hath ya tera panv tujhe ttokar khailaa, to kattkar faenk de ttunda ya langada hokar jeevan men pravesh karana tere liye is se bhla haai, ki do hath ya do panv rahate huae too anant ag men dala jaae.

- ⁹ aur yaadi teree ankh tujhe ttokar khailaa, to use nikalakar faenk de.
- ¹⁰ kana hokar jeevan men pravesh karana tere liye is se bhla haai, ki do ankh rahate huae too narak kee ag men dala jaae.
- ¹¹ dekho, tum in chhotton men se kisee ko tuchchh n janana kyonaki maain tum se kahata hoo, ki svarga men un ke doot mere svargeey pita ka munh sada dekhte haain.
- ¹² tum kya samajhte ho? yaadi kisee manushy kee sau bheden ho, aur un men se aek bhttk jaa, to kya ninnanave ko chhodkar, aur pahadon par jakar, us bhttkee hui ko n ddoonddhega?
- ¹³ aur yaadi aeesa ho ki use paa, to maain tum se sach kahata hoo, ki vah un ninnanave bheden ke liye jo bhttkee naheen theen itana anand naheen karega, jitana ki is bhed ke liye karega.
- ¹⁴ aeesa hee tumhare pita kee jo svarga men haai yah ichchha nahee, ki in chhotton men se aek bhee nash ho.
- ¹⁵ yaadi tera bhai tera aparadha kare, to ja aur akele men batacheet karake use samajha yadi vah teree sune to too ne apane bhai ko pa liya.
- ¹⁶ aur yaadi vah n sune, to aur aek do jan ko apane sath le ja, ki har aek bat do ya teen gavahon ke munh se ttharai jaae.
- ¹⁷ yaadi vah un kee bhee n mane, to kaleeasiya se kah de, parantu yadi vah kaleeasiya kee bhee n mane, to too use anyajaati aur mahasool lenevale ke aeesa jana.
- ¹⁸ maain tum se sach kahata hoo, jo kuchh tum prathvee par bandhaege, vah svarga par bandhoga aur jo kuchh tum prathvee par khologe, vah svarga par khulega.
- ¹⁹ fir maain tum se kahata hoo, yadi tum men se do jan prathvee par kisee bat ke liye jise ve mange, aek man ke ho, to vah mere pita kee or se svarga men haai un ke liye ho jaaege.
- ²⁰ kyonaki jahan do ya teen mere nam par ikatthe hote haain vahan maain un ke beech men hota hoon..
- ²¹ tab pataras ne pas akar, us se kaha, he prabhu, yaadi mera bhai aparadha karata rahe, to maain kitanee bar use kshama karoo, kya sat bar taka?
- ²² yeeshu ne us se kaha, maain tujh se yah naheen kahata, ki sat bar, baran sat bar ke satr gunne taka.
- ²³ isaliye svarga ka rajy us raja ke saman haai, jis ne apane dason se lekha lena chaha.

²⁴ jab vah lekha lene laga, to aek jan usake samhane laya gaya jo das hajar tode dhaarata tha.

²⁵ jab ki chukane ko usake pas kuchh n tha, to usake svamee ne kaha, ki yah aur is kee patnee aur ladkebale aur jo kuchh is ka haai sab becha jaa, aur vah karja chuka diya jaae.

²⁶ is par us das ne girakar use pranam kiya, aur kaha he svamee, dhaeeraj dhar, maain sab kuchh bhr doonga.

²⁷ tab us das ke svamee ne taras khakar use chhod diya, aur usaka dhaar kshama kiya.

²⁸ parantu jab vah das bahar nikala, to usake sangee dason men se aek us ko mila, jo usake sau deenar dhaarata tha us ne use pakadkar usaka gala ghaentta, aur kaha jo kuchh too dhaarata haai bhr de.

²⁹ is par usaka sangee das girakar, us se binatee karane laga ki dhaeeraj dhar maain sab bhr doonga.

³⁰ us ne n mana, parantu jakar use bandeegrah men dal diya ki jab tak karja ko bhr n de, tab tak vaheen rahe.

³¹ usake sangee das yah jo hua tha dekhkar bahut udas hua, aur jakar apane svamee ko poora hal bata diya.

³² tab usake svamee ne us ko bulakar us se kaha, he dushtt das, too ne jo mujh se binatee kee, to maain ne to tera vah poora karja kshama kiya.

³³ so jaaisa maain ne tujh par daya kee, vaaise hee kya tujhe bhee apane sangee das par daya karana naheen chaahiae tha?

³⁴ aur usake svamee ne krodha men akar use dand denevalon ke hath men saunp diya, ki jab tak vah sab karja bhr n de, tab tak un ke hath men rahe.

³⁵ isee prakar yaadi tum men se har aek apane bhai ko man se kshama n karega, to mera pita jo svarga men haai, tum se bhee vaaisa hee karega..

Mattee 19

¹ jab yeeshu ye baten kah chuka, to galeel se chala gaya aur yahoodiya ke desh men yaradan ke par aya.

² aur badee bheed usake peechhe ho lee, aur us ne unhen vahan changa kiya..

³ tab fareesee us kee pareeksha karane ke liye pas akar kahane lage, kya har aek karan se apanee patnee ko tyagana uchit haai?

⁴ us ne uttr diya, kya tum ne naheen paddha, ki jis ne unhen banaya, us ne arambh se nar aur naree banakar kaha.

- ⁵ ki is karan manushy apne mata pita se alag hokar apnee patnee ke sath rahega aur ve donon aek tan honge?
- ⁶ so v ab do nahee, parantu aek tan haain: isaliye jise parameshvar ne joda haai, use manushy alag n kare.
- ⁷ unhon ne us se kaha, fir moosa ne kyon yah ttharaya, ki tyagapatra dekar use chhod de?
- ⁸ us ne un se kaha, moosa ne tumhare man kee kattorata ke karan tumhen apnee patnee ko chhod dene kee agyaa dee, parantu arambh men aesa naheen tha.
- ⁹ aur maain tum se kahata hoo, ki jo koi vyabhaichar ko chhod aur kisee karan se apnee patnee ko tyagakar, doosaree se byah kare, vah vyabhaichar karata haai: aur jo chhodee hui ko byah kare, vah bhee vyabhaichar karata haai.
- ¹⁰ chelon ne us se kaha, yaadi puroosh ka sree ke sath aesa sambandha haai, to byah karana achchha naheen.
- ¹¹ us ne un se kaha, sab yah vachan grahan naheen kar sakate, keval ve jin ko yah dan diya gaya haai.
- ¹² kyonaki kuchh napunsak aeese haain jo mata ke garbh hee se aeese janmen aur kuchh nanpusak aeese haai, jinhen manushy ne napunsak banaya: aur kuchh napunsak aeese haai, jinhon ne svarga ke rajy ke liye apne ap ko napunsak banaya haai, jo is ko grahan kar sakata haai, vah grahan kare.
- ¹³ tab log balakon ko usake pas laa, ki vah un par hath rakhe aur praarthna kare par chelon ne unhen dantta.
- ¹⁴ yeeshu ne kaha, balakon ko mere pas ane do: aur unhen mana n karo, kyonki svarga ka rajy aeeseon hee ka haai.
- ¹⁵ aur vah un par hath rakhkar, vahan se chala gaya.
- ¹⁶ aur dekho, aek manushy ne pas akar us se kaha, he guroo maain kaun sa bhla kam karoo, ki anant jeevan paun?
- ¹⁷ us ne us se kaha, too mujh se bhilai ke vishay men kyon poochhta haai? bhla to ek hee haai par yadi too jeevan men pravesh karana chahata haai, to agyaaon ko mana kara.
- ¹⁸ us ne us se kaha, kaun see agyaaen? yeeshu ne kaha, yah ki hatya n karana, vyabhaichar n karana, choree n karana, joottee gavahee n dena.
- ¹⁹ apne pita aur apnee mata ka adar karana, aur apne padosee se apne saman praem rakhna.
- ²⁰ us javan ne us se kaha, in sab ko to maain ne mana haai ab mujh men kis bat kee ghattee haai?

²¹ yeeshu ne us se kaha, yaadi too siddh hona chahata haai to ja, apana mal bechakar kangalon ko de aur tujhe svarga men dhan milega aur akar mere peechhe ho le.

²² parantu vah javan yah bat sun udas hokar chala gaya, kyonaki vah बहुत धाने था..

²³ tab yeeshu ne apane chelon se kaha, maain tum se sach kahata hoo, ki dhanavan ka svarga ke rajy men pravesh karana kaattnai haai.

²⁴ fir tum se kahata hoo, ki parameshvar ke rajy men dhanavan ke pravesh karane se untt ka sooi ke nake men se nikal jana sahaj haai.

²⁵ yah sunakar, chelon ne बहुत चकित हकर कaha, fir kis ka uddhar ho sakata haai?

²⁶ yeeshu ne un kee or dekhkar kaha, manushyon se to yah naheen ho sakata, parantu parameshvar se sab kuchh ho sakata haai.

²⁷ is par pataras ne us se kaha, ki dek, ham to sab kuchh chhod ke tere peechhe ho liye haain: to hamen kya milega?

²⁸ yeeshu ne un se kaha, maain tum se sach kahata hoo, ki nai utpaati se jab manushy ka putra apanee maahima ke sihansan par baaittega, to tum bhee jo mere peechhe ho liye ho, barah sinhasanon par baaittkar israael ke barah gotraen ka nyay karoge.

²⁹ aur jis kisee ne gharon ya bhaiyon ya bahinon ya pita ya mata ya ladkebalon ya kheton ko mere nam ke liye chhod diya haai, us ko sau guna milega: aur vah anant jeevan ka aadhaikaree hoga.

³⁰ parantu bahutere jo paahile haai, pichhle honge aur jo pichhle haai, pahile honge..

Mattee 20

¹ svarga ka rajy kisee grahasth ke saman haai, jo sabere nikala, ki apane dakh kee baree men majadooron ko lagaae.

² aur us ne majadooron se aek deenar raj par ttharakar, unhen apane dakh kee baree men bheja.

³ fir pahar aek din chaddhe, nikalakar, aur auron ko bajar men bekar khde dekhkar,

⁴ un se kaha, tum bhee dakh kee baree men jao, aur jo kuchh tteek haai, tumhen doonga so ve bhee gae.

⁵ fir us ne doosare aur teesare pahar ke nikatt nikalakar vaaisa hee kiya.

6 aur aek ghannta din rahe fir nikalakar auron ko khde paya, aur un se kaha tu kyon yahan din bhr bekar khde rahe? unhon ne us se kaha, isaliye, ki kisee ne hamen majadooree par naheen lagaya.

7 us ne un se kaha, tum bhee da,a kee baree men jao.

8 sanjh ko dakh baree ke svamee ne apane bhndaree se kaha, majadooron ko bulakar pichhlon se lekar paahilon tak unhen majadooree de de.

9 so jab ve aa, jo ghannta bhr din rahe lagaae gaae the, to unhen aek aek deenar mila.

10 jo paahile aa, unhon ne yah samajha, ki hamen aadhaik milega parantu unhen bhee aek hee aek deenar mila.

11 jab mila, to vah grahasth par kudkuda ke kahane lage.

12 ki in pichhlon ne aek hee ghannta kam kiya, aur too ne unhen hamare barabar kar diya, jinhon ne din bhr ka bhar uttaya aur ghaam saha?

13 us ne un men se ek ko uttr diya, ki he mitra, maain tujh se kuchh anyay naheen karata kya too ne mujh se ek deenar n ttharaya?

14 jo tera haai, utta le, aur chala ja meree ichchha yah haai ki jitana tujhe, utana hee is pichhle ko bhee doon.

15 kya uchit naheen ki man apane mal se jo chahoon so karoon? kya too mere bhle hone ke karan buree drashti se dekhta haai?

16 isee reeti se jo pichhle haai, vah pahile honge, aur jo paahile haai, ve pichhle honge..

17 yeeshu yarooshalem ko jate huae barah chelon ko aekant men le gaya, aur marga men un se kahane laga.

18 ki dekho, ham yarooshalem ko jate haain aur manushy ka putra mahayajakon aur shaaastriayon ke hath pakadvaya jaaega aur ve us ko ghaat ke yogy ttharaaenge.

19 aur us ko anyajatiyon ke hath sonpenge, ki ve use ttthon men udaae, aur kode mare, aur kroos par chaddhaae, aur vah teesare din jilaya jaaega..

20 jab jabdee ke putraen kee mata ne apane putraen ke sath usake pas akar pranam kiya, aur us se kuchh mangane lagee.

21 us ne us se kaha, too kya chahatee haai? vah us se bolee, yah kah, ki mere ye do putra tere rajy men ek tere daahine aur ek tere baen baaitten.

22 yeeshu ne uttr diya, tum naheen janate ki kya mangate ho? jo kattora maain peene par hoo, kya tum pee sakate ho? unhon ne us se kaha, pee sakate haain.

23 us ne un se kaha, tum mera kattora to peeoge par apane daahine baen kisee ko bittana mera kam nahee, par jin ke liye mere pita kee or se taaiyar kiya gaya, unhen ke liye haai.

24 yah sunakar, dason chele un donon bhaiyon par krudhd huae.

25 yeeshu ne unhen pas bulakar kaha, tum janate ho, ki any jaatyon ke haakim un par prabhuta karate haain aur jo bade haai, ve un par adhaikar jatate haain.

26 parantu tum men aeesa n hoga parantu jo koi tum men bada hona chahe, vah tumhara sevak bane.

27 aur jo tum men pradhaan hona chahe vah tumhara das bane.

28 jaaise ki manushy ka putra, vah isaliye naheen aya ki us kee seva tthal kii jaa, parantu isaaliye aya ki ap seva tthal kare aur bahuton kee chhudaatee ke liye apane praan de..

29 jab ve yareeho se nikal rahe the, to aek badee bheed usake peechhe ho lee.

30 aur dekho, do andho, jo sadkar ke kinare baaitte the, yah sunakar ki yeeshu ja raha haai, pukarakar kahane lage ki he prabhu, daud kee santan, ham par daya kara.

31 logon ne unhen dantta, ki chup rahe, par ve aur bhee chillakar bole, he prabhu, daud kee santan, ham par daya kara.

32 tab yeeshu ne khde hokar, unhen bulaya, aur kaha

33 tum kya chahate ho ki maain tumhare liye karoon? unhon ne us se kaha, he prabhu yah ki hamaree ankhe khul jaaen.

34 yeeshu ne taras khakar un kee ankhe chooi, aur ve turant dekhne lage aur usake peechhe ho liae..

Mattee 21

1 jab ve yarooshalem ke nikatt pahunche aur jaaitoon pahad par baaitafage ke pas aa, to yeeshu ne do chelon ko yah kahakar bheja.

2 ki apane samhane ke ganv men jao, vahan panhuchate hee aek gadahee bandhaee hui, aur usake sath bachcha tumhen milega unhen kholakar, mere pas le ao.

3 yaadi tum men se koi kuchh kahe, to kaho, ki prabhu ko in ka prayojan haai: tab vah turant unhen bhej dega.

4 yah isaliye hua, ki jo vachan bhavishyadvkta ke dara kaha gaya tha, vah poora ho

- 5 ki siyyon kee bettee se kaho, dek, tera raja tere pas ata haai vah namra haai aur gadahe par baaitta haai baran ladoo ke bachche para.
- 6 chelon ne jakar, jaaisa yeeshu ne un se kaha tha, vaaisa hee kiya.
- 7 aur gadahee aur bachche ko lakar, un par apane kapade dale, aur vah un par baaitt gaya.
- 8 aur bahutere logon ne apane kapade marga men bichhaa, aur aur logon ne pedon se daaliyan kattkar marga men bichhai.
- 9 aur jo bheed age age jatee aur peechhe peechhe chalee atee thee, pukar pukar kar kahatee thee, ki daud kee santan ko hoshaana dhany haai vah jo prabhu ke nam se ata haai, akash men hoshaana.
- 10 jab us ne yarooshalem men pravesh kiya, to sare nagar men halachal mach gai aur log kahane lage, yah kaun haai?
- 11 logon ne kaha, yah galeel ke nasarat ka bhvishyadvkta yeeshu haai..
- 12 yeeshu ne parameshvar ke mandair men jakar, un sab ko, jo mandair men len den kar rahe the, nikal diya aur sarrafaon ke peeddhe aur kabootaron ke bechanevalon kee chauakiyan ulatt deen.
- 13 aur un se kaha, likha haai, ki mera ghar praarthna ka ghar kahalaaega parantu tum use dakuon kee khoh banate ho.
- 14 aur andho aur langade, maandair men usake pas laa, aur us ne unhen changa kiya.
- 15 parantu jab mahayajakon aur shaaastriayon ne in adabhut kamon ko, jo us ne kia, aur ladkon ko maandair men daud kee santan ko hoshaana pukarate huae dekha, to krodhait hokar us se kahane lage, kya too sunata haai ki ye kya kahate haain?
- 16 yeeshu ne un se kaha, han kya tum ne yah kabhee naheen paddha, ki balakon aur doodha peete bachchon ke munh se tu ne stuati siddh karai?
- 17 tab vah unhen chhodkar nagar ke bahar baaitaniyyah ko gaya, or vahana rat bitai..
- 18 bhor ko jab vah nagar ko lautt raha tha, to use bookh lagee.
- 19 aur anjeer ke ped sadk ke kinare dekhkar vah usake pas gaya, aur paton ko chhod us men aur kuchh n pakar us se kaha, ab se tujh men fir kabhee fal n lage aur anjeer ka ped turant sukh gaya.
- 20 yah dekhkar chelon ne achambha kiya, aur kaha, yah anjeer ka ped kyonkar turant sookh gaya?

21 yeeshu ne un ko uttr diya, ki maain tum se sach kahata hoon yaadi tum vishvas rakho, aur sandeh n karo to n keval yah karoge, jo is anjeer ke ped se kiya gaya haai parantu yadi is pahad se bhee kahoge, ki ukhd jo aur samudra men ja pad, to yah ho jaaega.

22 aur jo kuchh tum praarthna men vishvas se mangoge vah sab tum ko milega..

23 vah maandair men jakar upadesh kar raha tha, ki mahayajakon aur logon ke puraniyon ne usake pas akar poochha, too ye kam kis ke adhaikar se karata haai? aur tujhe yah aadhaikar kis ne diya haai?

24 yeeshu ne un ko uttr diya, ki maain bhee tum se aek bat poochhta hoon yadi vah mujhe bataoge, to maain bhee tumhen bataunga ki ye kam kis adhaikar se karata hoon.

25 yoohanna ka bapaatisma kahan se tha? svarga kee or se ya manushyon kee or se tha? tab ve apas men vivad karane lage, ki yadi ham kahen svarga kee or se, to vah hame se kahega, fir tum ne us kee prateeti kyon n kee?

26 aur yaadi kahen manushyon kee or se to hamen bheed ka dr haai kyonaki ve sab yuhanna ko bhvishyadvkta janate haain.

27 so unhon ne yeeshu ko uttr diya, ki ham naheen janate us ne bhee un se kaha, to maain bhee tumhen naheen batata, ki ye kam kis adhaikar se karata hoon.

28 tum kya samajhte ho? kisee manushy ke do putra the us ne pahile ke pas jakar kaha he putra aj dakh kee baree men kam kara.

29 us ne uttr diya, maain naheen jaunga, parantu peechhe pachhta kar gaya.

30 fir doosare ke pas jakar aesa hee kaha, us ne uttr diya, jee han jata hoo, parantu naheen gaya.

31 in donon men se kis ne pita kee ichchha pooree kee? unhon ne kaha, pahile ne: yeeshu ne un se kaha, maain tum se sach kahata hoo, ki mahasool lenevale aur veshya tum se pahile parameshvar ke rajy men pravesh karate haain.

32 kyonaki yoohanna dharma ke marga se tumhare pas aya, aur tum ne us kee prateeti n kee: par mahasool lenevalon aur veshyaon ne us kee prateeti kee: aur tum yah dekhkar peechhe bhee n pachhtaae ki us kee prateeti kar lete..

33 aek aur drashttant suno: aek grahasth tha, jis ne dakh kee baree lagai aur usake charon or bada bandhaa aur us me ras ka kund khoda aur gummatt banaya aur kisanon ko usaka tteeka dekar paradesh chala gaya.

34 jab fal ka samay nikatt aya, to us ne apane dason ko usaka fal lene ke liye kisanon ke pas bheja.

35 par kisanon ne usake dason ko pakad ke, kisee ko peetta, aur kisee ko mar dala aur kisee ko patthravah kiya.

36 fir us ne aur dason ko bheja, jo pahilon se aadhaik the aur unhon ne un se bhee vaaisa hee kiya.

37 ant men us ne apane putra ko un ke pas yah kahakar bheja, ki ve mere putra ka adar karenge.

38 parantu kisanon ne putra ko dekhkar apas men kaha, yah to vaaris haai, ao, use mar dalen: aur us kee meeras le len.

39 aur unhon ne use pakada aur dakh kee baree se bahar nikalakar mar dala.

40 isaliye jab dakh kee baree ka svamee aaega, to un kisanon ke sath kya karega?

41 unhone us se kaha, vah un bure logon ko buree reeati se nash karega aur dakh kee baree ka tteeka aur kisanon ko dega, jo samay par use fal diya karenge.

42 yeeshu ne un se kaha, kya tum ne kabhee paavitra shaasr men yah naheen paddha, ki jis patthr ko rajaamistriayon ne nikamma ttharaya tha, vahee kone ke sire ka patthr ho gaya?

43 yah prabhu kee or se hua, aur hamare dekhte men adabhut haai, isaaliye maain tum se kahata hoo, ki parameshvar ka rajy tum se le liya jaaega aur aeesee jaati ko jo usaka fal laa, diya jaaega.

44 jo is patthr par girega, vah chakanachoor ho jaaega: aur jis par vah girega, us ko pees dalega.

45 mahayajak aur fareesee usake drashttanton ko sunakar samajh gaa, ki vah hamare vishay men kahata haai.

46 aur unhon ne use pakadna chaha, parantu logon se dr gaae kyonki ve use bhavishyadvkta janate the..

Mattee 22

1 is par yeeshu fir un se drashttanton men kahane laga.

2 svarga ka rajy us raja ke saman haai, jis ne apane putra ka byah kiya.

3 aur us ne apane dason ko bheja, ki nevatahaariyon ko byah ke bhoj men bulaaen parantu unhon ne ana n chaha.

4 fir us ne aur dason ko yah kahakar bheja, ki nevatahaariyon se kaho, dekho maain bhoj taaiyar kar chuka hoo, aur mere baail aur pale huae pashu mare gaae haain: aur sab kuchh taaiyar haai byah ke bhoj men ao.

5 parantu ve beparavai karake chal diae: koi apane khet ko, koi apane byopar ko.

6 auron ne jo bach rahe the usake dason ko pakadkar un ka anadar kiya aur mar dala.

- ⁷ raja ne krodha kiya, aur apanee sena bhejkar un hatyaron ko nash kiya, aur un ke nagar foonk diya.
- ⁸ tab us ne apane dason se kaha, byah ka bhoj to taaiyar haai, parantu nevataharee yogy n tthare.
- ⁹ isaliye chaurahon men jao, aur jitane log tumhen mile, sab ko byah ke bhoj men bula lao.
- ¹⁰ so un dason ne sadkon par jakar kya bure, kya bhle, jitane mile, sab ko ikatthe kiya aur byah ka ghar jevanaharon se bhr gaya.
- ¹¹ jab raja jevanaharon ke dekhne ko bheetar aya to us ne vahan aek manushy ko dekha, jo byah ka vasr naheen paahine tha.
- ¹² us ne usase poochha he mitra too byah ka vasr paahine bina yahan kyon a gaya? usaka munh band ho gaya.
- ¹³ tab raja ne sevakon se kaha, is ke hath panv bandhakar use bahar aandhiyare men dal do, vahan rona, aur dant peesana hoga.
- ¹⁴ kyonaki bulaae huae to bahut parantu chune huae thode haain..
- ¹⁵ tab fareesiyon ne jakar apas men vichar kiya, ki us ko kis prakar baton men fansaaen.
- ¹⁶ so unhon ne apane chelon ko herodiyon ke sath usake pas yah kahane ko bheja, ki he guroo ham janate haai, ki too sachcha haai aur parameshvar ka marga sachchai se sikhata haai aur kisee kee parava naheen karata, kyonki too manushyon ka munh dekhkar baten nahee karata.
- ¹⁷ is liye hamen bata too kya samajhta haai? kaaisar ko kar dena uchit haai, ki naheen.
- ¹⁸ yeeshu ne un kee dushtta janakar kaha, he kapaattyaien mujhe kyon parakhte ho?
- ¹⁹ kar ka sikka mujhe dikhao: tab ve usake pas aek deenar le aae.
- ²⁰ us ne, un se poochha, yah mootira aur nam kis ka haai?
- ²¹ unhon ne us se kaha, kaaisar ka tab us ne, un se kaha jo kaaisar ka haai, vah kaaisar ko aur jo parameshvar ka haai, vah parameshvar ko do.
- ²² yah sunakar unhon ne achambha kiya, aur use chhodkar chale gaae..
- ²³ usee din sadookey jo kahate haain ki mare huon ka punarootthan haai hee naheen usake pas aa, aur us se poochha.
- ²⁴ ki he guroo moosa ne kaha tha, ki yadi koi bina santan mar jaa, to usaka bhai us kee patnee ko byah karake apane bhai ke liye vansh utpann kare.

- 25 ab hamare yahan sat bhai the paahila byah karake mar gaya aur santan n hone ke karan apanee patnee ko apane bhai ke liye chhod gaya.
- 26 isee prakar doosare aur teesare ne bhee kiya, aur saton tak yahee hua.
- 27 sab ke bad vah sree bhee mar gai.
- 28 so jee uttne par, vah un saton men se kis kee patnee hogee? kyonaki vah sab kee patnee ho chukee thee.
- 29 yeeshu ne unhen uttr diya, ki tum pavitra shaasr aur parameshvar kee samarth naheen janate is karan bool men pad gaae ho.
- 30 kyonaki jee uttne par byah shaadee n hogee parantu ve svarga men parameshvar ke dooton kee nai honge.
- 31 parantu mare huon ke jee uttne ke vishay men kya tum ne yah vachan naheen paddha jo parameshvar ne tum se kaha.
- 32 ki maain ibraaheem ka parameshvar, aur isahak ka parameshvar, aur yakoob ka parameshvar hoon? vah to mare huon ka nahee, parantu jeevaton ka parameshvar haai.
- 33 yah sunakar log usake upadesh se chakit hue.
- 34 jab fareesiyon ne suna, ki us ne sadookiyon ka munh band kar diya to ve ikatthe huae.
- 35 aur un men se aek vyavasthapak ne parakhne ke liye, us se poochha.
- 36 he guroo vyavastha men kaun see agyaa badee haai?
- 37 us ne us se kaha, too parameshvar apane prabhu se apane sare man aur apane sare praan aur apanee saree buaddh ike sath praem rakh.
- 38 badee aur mukhy agyaa to yahee haai.
- 39 aur usee ke saman yah doosaree bhee haai, ki too apane padosee se apane saman praem rakh.
- 40 ye hee do agyaaen saree vyavastha aur bhvishyadvktaon ka adhaar haai..
- 41 jab fareesee ikatthe the, to yeeshu ne un se poochha.
- 42 ki maseeh ke vishay men tum kya samajhte ho? vah kis ka santan haai? unhon ne us se kaha, daud ka.
- 43 us ne un se poochha, to daud atma men hokar use prabhu kyon kahata haai?
- 44 ki prabhu ne, mere prabhu se kaha mere daahine baait, jab tak ki maain tere baaiariyon ko tere panvon ke neeche n kar doon.
- 45 bhla, jab daud use prabhu kahata haai, to vah usaka putra kyonkar ttihara?

⁴⁶ usake uttr men koi bhee ek bat n kah saka parantu us din se kisee ko fir us se kuchh poochhne ka hiyav n hua..

Mattee 23

¹ tab yeeshu ne bheed se aur apane chelon se kaha.

² shaasree aur fareesee moosa kee gae par baaitte haain.

³ isaliye ve tum se jo kuchh kahen vah karana, aur manana parantu un ke se kam mat karana kyonaki ve kahate to haain par karate naheen.

⁴ ve aek aeese bharee bojh ko jin ko uttana kattnai haai, bandhakar unhen manushyon ke kandhaen par rakhte haain parantu ap unhen apanee ungal se bhee sarakana naheen chahate .

⁵ ve apane sab kam logon ko dikhane ke liye karate haain: ve apane taveejon ko chande karate, aur apane vasren kee koren baddhate haain.

⁶ jevanaron men mukhy mukhy jagahe, aur sabha men mukhy mukhy asana.

⁷ aur bajaron men namaskar aur manushy men rabbee kahalana unhen bhata haai.

⁸ parantu, tum rabbee n kahalana kayonki tumhara aek hee guroo haai: aur tum sab bhai ho.

⁹ aur prathvee par kisee ko apana pita n kahana, kayonki tumhara aek hee pita haai, jo svarga men haai.

¹⁰ aur svamee bhee n kahalana, kyonaki tumhara aek hee svamee haai, arthata maseeha.

¹¹ jo tum men bada ho, vah tumhara sevak bane.

¹² jo koi apane ap ko bada banaaega, vah chhotta kiya jaaega: aur jo koi apane ap ko chhotta banaaega, vah bada kiya jaaega..

¹³ he kapattee shaastriayon aur fareeasiyon tum par haya! tum manushyon ke virodha men svarga ke rajy ka dar band karate ho, n to ap hee us men pravesh karate ho aur n us men pravesh karanevalon ko pravesh karane dete ho..

¹⁴

¹⁵ he kapattee shaastriayon aur fareeasiyon tum par haya! tum aek jan ko apane mat men lane ke liye sare jal aur thl men firate ho, aur jab vah mat men a jata haai, to use apane se doona narakeey bana dete ho..

¹⁶ he andho aguvo, tum par hay, jo kahate ho ki yadi koi maandair kee shapath khaae to kuchh nahee, parantu yaadi koi maandair ke sone kee saugandha khaae to us se bandha jaaega.

- 17 he moorkho, , aur andhae, kaun bada haai, sona ya vah mandair jis se sona paavitra hota haai?
- 18 fir kahate ho ki yadi koi vedee kee shapath khaae to kuchh nahee, parantu jo bhentt us par haai, yaadi koi us kee shapath khaae to bandha jaaega.
- 19 he andhae, kaun bada haai, bhentt ya vedee: jis se bhentt paavitra hota haai?
- 20 isaliye jo vedee kee shapath khata haai, vah us kee, aur jo kuchh us par haai, us kee bhee shapath khata haai.
- 21 aur jo maandair kee shapath khata haai, vah us kee aur us men rahanevalon kee bhee shapath khata haai.
- 22 aur jo svarga kee shapath khata haai, vah parameshvar ke sihansan kee aur us par baaitnevale kee bhee shapath khata haai..
- 23 he kapattee shaastriayo, aur fareeasiyo, tum par haya tum podeene aur saunfa aur jeere ka dasavan ansh dete ho, parantu tum ne vyavastha kee gambheer baton ko chhod diya haai chahiye tha ki inhen bhee karate rahate, aur unhen bhee n chhodte.
- 24 he andho aguvo, tum machchhd ko to chhan dalate ho, parantu untt ko nigal jate ho.
- 25 he kapattee shaastriayo, aur fareeasiyo, tum par hay, tum kattore aur thalee ko upar upar se to manjate ho parantu ve bheetar andhor asanyam se bhre huae haain.
- 26 he andho fareesee, paahile kattore aur thalee ko bheetar se manj ki ve bahar se bhee svachchh hon..
- 27 he kapattee shaastriayo, aur fareeasiyo, tum par haya tum choona firee hui kabraen ke saman ho jo upar se to sundar dikhai detee haai, parantu bheetar murdon kee haddiyon aur sab prakar kee malinata se bhree haain.
- 28 isee reeti se tum bhee upar se manushyon ko dharmee dikhai dete ho, parantu bheetar kapatt aur adharm se bhre huae ho..
- 29 he kapattee shaastriayo, aur fareeasiyo, tum par haya tum bhavishyadvktaon kee kabraen sanvarate aur dharmiyon kee kabraen banate ho.
- 30 aur kahate ho, ki yadi ham apane bapadadon ke dinon men hote to bhvishyadvktaon kee hatya men un ke sajhee n hote.
- 31 is se to tum apane par ap hee gavahee dete ho, ki tum bhvishyadvktaon ke ghaatakon kee santan ho.
- 32 so tum apane bapadadon ke pap ka ghada bhr do.
- 33 he sanpo, he karaaiton ke bachcho, tum narak ke dand se kyonkar bachoge?

34 isaliye dekho, maain tumhare pas bhvishyadvktaon aur buddhmaianon aur shaaastriayon ko bhejata hoon aur tum un men se kitanon ko mar daloge, aur kroos par chaddhaoge aur kitanon ko apanee sabhaon men kode maroge, aur aek nagar se doosare nagar men khdedte firoge.

35 jis se dharmee haabil se lekar birikyah ke putra jakarayah tak, jise tum ne maandair aur vedee ke beech men mar dala tha, jitane dharmiyon ka lohoo prathvee par bahaya gaya haai, vah sab tumhare sir par padega.

36 maain tum se sach kahata hoo, ye sab baten is samay ke logon par a padengee..

37 he yarooshalem, he yarooshalema too jo bhavishyadvktaon ko mar dalata haai, aur jo tere pas bheje gaa, unhen patthravah karata haai, kitanee hee bar maain ne chaha ki jaaise murgee apane bachchon ko apane pankhon ke neeche ikatthe karatee haai, vaaise hee maain bhee tere balakon ko ikatthe kar loo, parantu tum ne n chaha.

38 dekho, tumhara ghar tumhare liye ujad chhoda jata haai.

39 kyonaki maain tum se kahata hoo, ki ab se jab tak tum n kahoge, ki dhany haai vah, jo prabhu ke nam se ata haai, tab tak tum mujhe fir kabhee n dekhoge..

Mattee 24

1 jab yeeshu mandair se nikalakar ja raha tha, to usake chele us ko maandair kee rachana dikhane ke liye us ke pas aae.

2 us ne un se kaha, kya tum yah sab naheen dekhte? maain tum se sach kahata hoo, yahan patthr par patthr bhee n choottega, jo ddhaya n jaega.

3 aur jab vah jaaitoon pahad par baaita tha, to chelon ne alag usake pas akar kaha, ham se kah ki ye baten kab hongee? aur tere ane ka, aur jagat ke ant ka kya chinh hoga?

4 yeeshu ne un ko uttr diya, savadhaan raho! koi tumhen n bhramane paae.

5 kyonaki bahut se aeese hongee jo mere nam se akar kahenge, ki maain maseeh hoon: aur bahuton ko bhramaaenge.

6 tum ladaiyon aur ladaiyon kee charcha sunoge dekho ghabara n jana kyonaki in ka hona avashy haai, parantu us samay ant n hoga.

7 kyonaki jati par jati, aur rajy par rajy chaddhai karega, aur jagah jagah akal padenge, aur bhuidol hongee.

8 ye sab baten peedaon ka arambh hongee.

- ⁹ tab ve klesh dilane ke liye tumhen pakadvaenge, aur tumhen mar dalenge aur mere nam ke karan sab jatiyon ke log tum se baair rakhenge.
- ¹⁰ tab bahutere ttokar khaaenge, aur aek doosare se baair rakhenge.
- ¹¹ aur bahut se jootte bhvishyadvkta utt khde honge, aur bahuton ko bhramaaenge.
- ¹² aur adharma ke baddhne se bahuton ka praem ttnda ho jaaega.
- ¹³ parantu jo ant tak dhaeraj dhare rahega, usee ka uddhar hoga.
- ¹⁴ aur raji ka yah susamachar sare jagat men prachar kiya jaaega, ki sab jatiyon par gavahee ho, tab ant a jaaega..
- ¹⁵ so jab tum us ujadnevalee gharanait vastu ko jis kee charcha daaniyyel bhvishyadvkta ke dara hui thee, paavitra sthan men khdee hui dekho, jo paddhe, vah samajhe .
- ¹⁶ tab jo yahoodiya men hon ve pahadon par bhag jaaen.
- ¹⁷ jo kotte par ho, vah apane ghar men se saman lene ko n utare.
- ¹⁸ aur jo khet men ho, vah apana kapada lene ko peechhe n lautte.
- ¹⁹ un dinon men jo garbhvatee aur doodha pilatee hongee, un ke liye hay, haya.
- ²⁰ aur praarthna karo ki tumhen jade men ya sabt ke din bhagana n pade.
- ²¹ kyonaki us samay aeesa bharee klesh hoga, jaaisa jagat ke arambh se n ab tak hua, aur n kabhee hoga.
- ²² aur yaadi ve din ghattaee n jate, to koi praanee n bachata parantu chune huon ke karan ve din ghattaee jaaenge.
- ²³ us samay yadi koi tum se kahe, ki dekho, maseeh yahan haain! ya vahan haai to prateeati n karana.
- ²⁴ kyonaki jootte maseeh aur jootte bhavishyadvkta utt khde honge, aur bade chihh aur adabhut kam dikhaaenge, ki yadi ho sake to chune huon ko bhee bhrama den.
- ²⁵ dekho, maain ne paahile se tum se yah sab kuchh kah diya haai.
- ²⁶ isaliye yaadi ve tum se kahe, dekho, vah jangal men haai, to bahar n nikal jana dekho, vah kottriyon men haai, to prateeati n karana.
- ²⁷ kyonaki jaaise bijalee poorva se nikalakar paashchaim tak chamakatee jatee haai, vaaisa hee manushy ke putra ka bhee ana hoga.
- ²⁸ jahan loth ho, vaheen giddh ikatthe honge..

- 29 un dinon ke klesh ke bad turant soorya aandhiayara ho jaega, aur chand ka prakash jata rahega, aur tare akash se gir padenge aur akash kee shaktaiyan hilai jaengee.
- 30 tab manushy ke putra ka chihh akash men dikhai dega, aur tab prathvee ke sab kulon ke log chhatee peetenge aur manushy ke putra ko badee samarth aur aeeshvarya ke sath akash ke badalon par ate dekhenge.
- 31 aur vah turahee ke bade shabd ke sat, apane dooton ko bhejega, aur ve akash ke is chhor se us chhor tak, charon disha se usake chune huon ko ikatthe karenge.
- 32 anjeer ke ped se yah drashttant seekho: jab us kee dalee komal ho jatee aur patte nikalane lagate haai, to tum jan lete ho, ki graeeshm kal nikatt haai.
- 33 isee reeti se jab tum in sab baton ko dekho, to jan lo, ki vah nikatt haai, baran dar par haai.
- 34 maain tum se sach kahata hoo, ki jabatab ye sab baten pooree n ho le, tab tak yah peeddhee jatee n rahegee.
- 35 akash aur prathvee ttl jaaenge, parantu meree baten kabhee n ttlengee.
- 36 us din aur us ghadee ke vishay men koi naheen janata, n svarga ke doot, aur n putra, parantu keval pita.
- 37 jaaise nooh ke din the, vaaisa hee manushy ke putra ka ana bhee hoga.
- 38 kyonaki jaaise jala-pralay se pahile ke dinon me, jis din tak ki nooh jahaj par n chaddha, us din tak log khate-peete the, aur un men byah shaadee hotee thee.
- 39 aur jab tak jala-pralay akar un sab ko baha n le gaya, tab tak un ko kuchh bhee maloom n pada vaaise hee manushy ke putra ka ana bhee hoga.
- 40 us samay do jan khet men hongee, ek le liya jaega aur doosara chhod diya jaega.
- 41 do striayan chakkee peesatee rahengee, aek le lee jaaengee, aur doosaree chhod dee jaaengee.
- 42 isaliye jagate raho, kyonki tum naheen janate ki tumhara prabhu kis din aaega.
- 43 parantu yah jan lo ki yadi ghar ka svamee janata hota ki chor kis pahar aaega, to jagata rahata aur apane ghar men sengha lagane n deta.
- 44 isaliye tum bhee taaiyar raho, kyonki jis ghadee ke vishay men tum sochate bhee naheen ho, usee ghadee manushy ka putra a jaaega.
- 45 so vah vishvasayogy aur buaddhmaian das kaun haai, jise svamee ne apane naukar chakaron par saradar ttharaya, ki samay par unhen bhojan de?

- 46 dhany haai, vah das, jise usaka svamee akar aeesa kee karate paae.
- 47 maain tum se sach kahata hoon vah use apanee saree sanpati par saradar ttharaaega.
- 48 parantu yadi vah dushtt das sochane lage, ki mere svamee ke ane men der haai.
- 49 aur apane sathee dason ko peettne lage, aur piyakkadon ke sath khaae peeae.
- 50 to us das ka svamee aeese din aaega, jab vah us kee batt n johata ho.
- 51 aur aeesee ghadee ki vah n janata ho, aur use bharee tadna dekar, usaka bhag kapattyaaien ke sath ttharaaega: vahan rona aur dant peesana hoga..

Mattee 25

- 1 tab svarga ka rajy un das kunvariyan ke saman hoga jo apanee mashaalen lekar doolhe se bhentt karane ko nikaleen.
- 2 un men panch moorkh aur panch samajhdar theen.
- 3 moorkhon ne apanee mashaalen to lee, parantu apane sath tel naheen liya.
- 4 parantu samajhdaron ne apanee mashaalon ke sath apanee kuappaiyon men tel bhee bhr liya.
- 5 jab dulhe ke ane men der hui, to ve sab unghane lagee, aur so gai.
- 6 adhaee rat ko dhoom machae, ki dekho, doolha a raha haai, us se bhentt karane ke liye chalo.
- 7 tab ve sab kunvaariyan uttkar apanee apanee mashalen tteek karane lageen.
- 8 aur moorkhon ne samajhdaron se kaha, apane tel men se kuchh hamen bhee do, kyonki hamaree mashaalen bujhee jatee haain.
- 9 parantu samajhdaron ne uttr diya ki kadaachit hamare aur tumhare liye poora n ho bhla to yah haai, ki tum bechanevalon ke pas jakar apane liye mol le lo.
- 10 jab ve mol lene ko ja rahee thee, to doolha a pahuncha, aur jo taaiyar thee, ve usake sath byah ke ghar men chaleen gai aur dar band kiya gaya.
- 11 isake bad ve doosaree kunvariyan bhee akar kahane lagee, he svamee, he svamee, hamare liye dar khol de.
- 12 us ne uttr diya, ki maain tum se sach kahata hoo, maain tumhen naheen janata.
- 13 isaliye jagate raho, kyonki tum n us din ko janate ho, n us ghadee ko..

- 14 kyonaki yah us manushy kee see dasha haai jis ne paradesh ko jate samay apane dason ko bulakar, apanee sanpaati un ko saunp dee.
- 15 us ne ek ko panch tod, doosare ko do, aur teesare ko eka arthata har ek ko us kee samarth ke anusar diya, aur tab paradesh chala gaya.
- 16 tab jis ko panch tode mile the, us ne turant jakar un se len den kiya, aur panch tode aur kamaae.
- 17 isee reeti se jis ko do mile the, us ne bhee do aur kamaae.
- 18 parantu jis ko aek mila tha, us ne jakar mittee khodee, aur apane svamee ke roopaye chhpai diae.
- 19 bahut dinon ke bad un dason ka svamee akar un se lekha lene laga.
- 20 jis ko panch tode mile the, us ne panch tode aur lakar kaha he svamee, too ne mujhe panch tode saunpe the, dekh maain ne panch tode aur kamaae haain.
- 21 usake svamee ne usase kaha, dhany haai achchhe aur vishvasayogy das, too thode men vishvasayogy raha maain tujhe bahut vastuon ka adhaikaree banaunga apane svamee ke anand men sambhagee ho.
- 22 aur jis ko do tode mile the, us ne bhee akar kaha he svamee too ne mujhe do tode saunpen the, dek, maain ne do tode aur kamaaen.
- 23 usake svamee ne us se kaha, dhany he achchhe aur vishvasayogy das, too thode men vishvasayogy raha, maain tujhe bahut vastuon ka adhaikaree banaunga apane svamee ke anand men sambhagee ho.
- 24 tab jis ko aek toda mila tha, us ne akar kaha he svamee, maain tujhe janata tha, ki too kattor manushy haai, aur jahan naheen chheetta vahan se battorata haai.
- 25 so maain dr gaya aur jakar tera toda mittee men chhpai diya dek, jo tera haai, vah yah haai.
- 26 usake svamee ne use uttr diya, ki he dushtt aur alasee dasa jab yah too janata tha, ki jahan maain ne naheen boya vahan se kattta hoon aur jahan maain ne naheen chheetta vahan se battorata hoon.
- 27 to tujhe chahiae tha, ki mera roopaya sarrafaon ko de deta, tab maain akar apana dhan byaj samet le leta.
- 28 isaliye vah toda us se le lo, aur jis ke pas das tode haai, us ko de do.
- 29 kyonaki jis kisee ke pas haai, use aur diya jaaega aushra usake pas bahut ho jaaega: parantu jis ke pas naheen haai, us se vah bhee jo usake pas haai, le liya jaaega.

- 30 aur is nikamme das ko bahar ke andhore men dal do, jahan rona aushra dant peesana hoga.
- 31 jab manushy ka putra apanee mahima men aaega, aur sab svarga doot usake sath aaenge to vah apanee mahima ke sihansan par virajaman hoga.
- 32 aur sab jaatiyan usake samhane ikatthee kee jaaengee aur jaaisa charavaha bhedon ko bakariyon se alag kar deta haai, vaaisa hee vah unhen aek doosare se alag karega.
- 33 aur vah bhedon ko apanee daahinee or aur bakariyon ko bai aur khdee karega.
- 34 tab raja apanee dahinee or valon se kahega, he mere pita ke dhany logo, ao, us rajy ke adhaikaree ho jao, jo jagat ke adi se tumhare liye taaiyar kiya hua haai.
- 35 kayonaki maai. bookha tha, aur tum ne mujhe khane ko diya maain piyasa tha, aur tum ne mujhe panee pilaya, maain paradeshaee tha, tum ne mujhe apane ghar men ttharaya.
- 36 maain nanga tha, tum ne mujhe kapade pahinaae maain beemar tha, tum ne meree sudhai lee, maain bandeegrah men tha, tum mujh se milane aae.
- 37 tab dharmee us ko uttr denge ki he prabhu, ham ne kab tujhe bookha dekha aur sikhaya? ya piyasa dekha, aur pilaya?
- 38 ham ne kab tujhe paradeshaee dekha aur apane ghar men ttharaya ya nanga dekha, aur kapade paahinaae?
- 39 ham ne kab tujhe beemar ya bandeegrah men dekha aur tujh se milane aae?
- 40 tab raja unhen uttr dega maain tum se sach kahata hoo, ki tum ne jo mere in chhotte se chhotte bhaiyon men se kisee aek ke sath kiya, vah mere hee sath kiya.
- 41 tab vah bain or valon se kahega, he sraapit logo, mere samhane se us anant ag men chale jao, jo shautan aur usake dooton ke liye taaiyar kee gai haai.
- 42 kyonaki maain bookha tha, aur tum ne mujhe khane ko naheen diya, maain piyasa tha, aur tum ne mujhe panee naheen pilaya.
- 43 maain paradeshaee tha, aur tum ne mujhe apane ghar men naheen ttharaya maain nanga tha, aur tum ne mujhe kapade naheen pahinaae beemar aur bandeegrah men tha, aur tum ne meree sudhai n lee.
- 44 tab ve uttr denge, ki he prabhu, ham ne tujhe kab bookha, ya piyasa, ya paradeshae, ya nanga, ya beemar, ya bandeegrah men dekha, aur teree seva tthal n kee?

⁴⁵ tab vah unhen uttr dega, maain tum se sach kahata hoon ki tum ne jo in chhotte se chhotton men se kisee aek ke sath naheen kiya, vah mere sath bhee naheen kiya.

⁴⁶ aur yah anant dand bhogenge parantu dharmee anant jeevan men pravesh karenge.

Mattee 26

¹ jab yeeshu ye sab baten kah chuka, to apane chelon se kahane laga.

² tum janate ho, ki do din ke bad fasah ka pavrva hoga aur manushy ka putra kroos par chaddhaae jane ke liye pakadvaya jaaega.

³ tab mahayajak aur praja ke puraniae kaifaa nam mahayajak ke angan men ikatthe huae.

⁴ aur apas men vichar karane lage ki yeeshu ko chht se pakadkar mar dalen.

⁵ parantu ve kahate the, ki pavrva ke समय naheen kaheen aeesa n ho ki logon men balava mach jaae.

⁶ jab yeeshu baaitaniyyah men shamaun koddhee ke ghar men tha.

⁷ to aek sree sangamaramar ke patra men bahumol itra lekar usake pas ai, aur jab vah bhojan karane baaita tha, to usake sir par undel diya.

⁸ yah dekhkar, usake chele risayaae aur kahane lage, is ka kyon satyanash kiya gaya?

⁹ yah to achchhe dam par bikakar kangalon ko bantta ja sakata tha.

¹⁰ yah janakar yeeshu ne un se kaha, sree ko kyon satate ho? us ne mere sath bhlai kee haai.

¹¹ kangal tumhare sath sada rahate haai, parantu maain tumhare sath sadaaiv n rahoonga.

¹² us ne meree deh par jo yah itra undela haai, vah mere gaddhe jane ke liye kiya haai

¹³ maain tum se sach kahata hoo, ki sare jagat men jahan kaheen yah susamachar prachar kiya jaaega, vahan usake is kam ka varnn bhee usake smaran men kiya jaaega.

¹⁴ tab yahooda iskariyotee nam barah chelon men se aek ne mahayajakon ke pas jakar kaha.

¹⁵ yaadi maain use tumhare hath pakadva doo, to mujhe kya doge? unhon ne use tees chandee ke sikke taulakar de diae.

- 16 aur vah usee samay se use pakadvane ka avasar ddoonddhne laga..
- 17 akhmeeree rottee ke pavrva ke paahile din, chele yeeshu ke pas akar poochhne lage too kahan chahata haai ki ham tere liye fasah khane kee taaiyaree karen?
- 18 us ne kaha, nagar men faulane ke pas jakar us se kaho, ki guroo kahata haai, ki mera samay nikatt haai, maain apane chelon ke sath tere yahan pavrva manaunga.
- 19 so chelon ne yeeshu kee agyaa manee, aur fasah taaiyar kiya.
- 20 jab sanjh hui, to vah barahon ke sath bhojan karane ke liye baaitta.
- 21 jab ve kha rahe the, to us ne kaha, maain tum se sach kahata hoo, ki tum men se aek mujhe pakadvaaega.
- 22 is par ve bahut udas hua, aur har aek us se poochhne laga, he guro, kya vah maain hoon?
- 23 us ne uttr diya, ki jis ne mere sath thalee men hath dala haai, vahee mujhe pakadvaaega.
- 24 manushy ka putra to jaaisa usake vishay men likha haai, jata hee haai parantu us manushy ke liye shaek haai jis ke dara manushy ka putra pakadvaya jata haai: yadi us manushy ka janm n hota, to usake liye bhla hota.
- 25 tab usake pakadvanevale yahooda ne kaha ki he rabbee, kya vah maain hoon?
- 26 us ne us se kaha, too kah chuka: jab ve kha rahe the, to yeeshu ne rottee lee, aur ashaeesh mangakar todee, aur chelon ko dekar kaha, lo, khao yah meree deh haai.
- 27 fir us ne kattora lekar, dhanyavad kiya, aur unhen dekar kaha, tum sab is men se peeo.
- 28 kyonaki yah vacha ka mera vah lohoo haai, jo bahuton ke liye papon kee kshama ke nimitt bahaya jata haai.
- 29 maain tum se kahata hoo, ki dakh ka yah ras us din tak kabhee n peeunga, jab tak tumhare sath apane pita ke rajy men naya n peeun..
- 30 fir ve bhjan gakar jaaitoon pahad par gaae..
- 31 tab yeeshu ne un se kaha tum sab aj hee rat ko mere vishay men ttokar khaoge kyonki likha haai, ki maain charavahe ko maroonga aur jhund kee bheden tittr bittr ho jaaengee.
- 32 parantu maain apane jee uttne ke bad tum se pahale galeel ko jaunga.
- 33 is par pataras ne us se kaha, yadi sab tere vishay men ttokar khaaen to khaae, parantu maain kabhee bhee ttokar n khaunga.

34 yeeshu ne us se kaha, maain tum se sach kahata hoo, ki aj hee raj ko murga ke bang dene se paahile, too teen bar mujh se mukar jaaega.

35 pataras ne us se kaha, yadi mujhe tere sath marana bhee ho, taubhee, maain tujh se kabhee n mukaroonga: aur aeesa hee sab chelon ne bhee kaha..

36 tab yeeshu ne apane chelon ke sath gatasamanee nam aek sthan men aya aur apane chelon se kahane laga ki yaheen baaitte rahana, jab tak ki maain vahan jakar praarthna karoon.

37 aur vah pataras aur jabdee ke donon putraen ko sath le gaya, aur udas aur vyakul hone laga.

38 tab us ne un se kaha mera jee बहुत उदास हाई, यहाँ तक कि मेरे प्राण निकाला चाहते: तुम याहेन त्तारो, और मेरे सथ जागते राहो.

39 fir vah thoda aur age baddhkar munh ke bal gira, aur yah praarthna karane laga, ki he mere pita, yaadi ho sake, to yah kattora mujh se ttl jaae taubhee jaaisa maain chahata hoon vaaisa nahee, parantu jaaisa too chahata haai vaaisa hee ho.

40 fir chelon ke pas akar unhen sote paya, aur pataras se kaha kya tum mere sath aek ghadee bhee n jag sake?

41 jagate raho, aur praarthna karate raho, ki tum pareeksha men n pado: atma to taaiyar haai, parantu shareer durbal haai.

42 fir us ne doosaree bar jakar yah praarthna kee ki he mere pita, yaadi yah mere peeeae bina naheen hatt sakata to teree ichchha pooree ho.

43 tab us ne akar unhen fir sote paya, kyonki un kee ankhen neend se bhree theen.

44 aur unhen chhodkar fir chala gaya, aur vahee bat fir kahakar, teesaree bar praarthna kee.

45 tab us ne chelon ke pas akar un se kaha ab sote raho, aur vishraam karo: dekho, ghadee a pahunchee haai, aur manushy ka putra papiyon ke hath pakadvaya jata haai.

46 utto, chalen dekho, mera pakadvanevala nikatt a pahuncha haai..

47 vah yah kah hee raha tha, ki dekho yahooda jo barahon men se aek tha, aya, aur usake sath mahayajakon aur logon ke puraaniyon kee or se badee bheed, talavaren aur laattyaian liae huae ai.

48 usake pakadvanevale ne unhen yah pata diya tha ki jis ko maain choom loon vahee haai use pakad lena.

49 aur turant yeeshu ke pas akar kaha he rabbee namaskara aur us ko बहुत चूमा.

- 50 yeeshu ne us se kaha he mitra, jis kam ke liye too aya haai, use kar le. tab unhon ne pas akar yeeshu par hath dale, aur use pakad liya.
- 51 aur dekho, yeeshu ke saathaiyon men se aek ne hath baddhakar apanee talavar kheench lee aur mahayajak ke das par chalakkar us ka kan uda diya.
- 52 tab yeeshu ne us se kaha apanee talavar katee men rakh le kyonki jo talavar chalate haai, ve sab talavar se nash kiae jaaenge.
- 53 kya too naheen samajhta, ki maain apane pita se binatee kar sakata hoo, aur vah svargadooton kee barah palatn se adhaik mere pas abhee upaasthiat kar dega?
- 54 parantu pavitra shaasr kee baten ki aesa hee hona avashy haai, kyonkar pooree hongee?
- 55 usee ghadee yeeshu ne bheed se kaha kya tum talavaren aur laattyaian lekar mujhe dakoo ke saman pakadne ke liye nikale ho? maain har din mandair men baaittkar upadesh diya karata tha, aur tum ne mujhe naheen pakada.
- 56 parantu yah sab isaaliye hua haai, ki bhvishyadvktaon ke vachan ke poore hon: tab sab chelen use chhodkar bhag gaae..
- 57 aur yeeshu ke pakadnevale us ko kaifaa nam mahayajak ke pas le gaa, jahan shaasree aur puraaniae ikatthe huae the.
- 58 aur pataras door se usake peechhe peechhe mahayajak ke angan tak gaya, aur bheetar jakar ant dekhne ko pyadon ke sath baaitt gaya.
- 59 mahayajak aur saree mahasabha yeeshu ko mar dalane ke liye usake virodha men joottee gavahee kee khoj men the.
- 60 parantu bahut se jootte gavahon ke ane par bhee n pai.
- 61 ant men do janon ne akar kaha, ki us ne kaha haai ki maain parameshvar ke maandair ko ddha sakata hoon aur use teen din men bana sakata hoon.
- 62 tab mahayajak ne khde hokar us se kaha, kya too koi uttr naheen deta? ye log tere virodha men kya gavahee dete haain? parantu yeeshu chup raha: mahayajak ne us se kaha.
- 63 maain tujhe jeevate parameshvar kee shapath deta hoo, ki yadi too parameshvar ka putra maseeh haai, to ham se kah de.
- 64 yeeshu ne us se kaha too ne ap hee kah diya: baran maain tum se yah bhee kahata hoo, ki ab se tum manushy ke putra ko sarvashaaktiman kee daahinee or baaitte, aur akash ke badalon par ate dekhoge.
- 65 tab mahayajak ne apane vasr faadkar kaha, is ne parameshvar kee ninda kee haai, ab hamen gavahon ka kya prayojana?

⁶⁶ dekho, tum ne abhee yah ninda sunee haai! tum kya samajhte ho? unhon ne uttr diya, yah vadha hone ke yogy haai.

⁶⁷ tab unhon ne us se munh par tooka, aur use ghoonse mare, auron ne thppad mar ke kaha.

⁶⁸ he maseeh, ham se bhavishyadvaneee karake kaha: ki kis ne tujhe mara?

⁶⁹ aur pataras bahar angan men baaitta hua tha: ki aek laundee ne usake pas akar kaha too bhee yeeshu galeelee ke sath tha.

⁷⁰ us ne sab ke samhane yah kah kar inkar kiya aur kaha, maain naheen janata too kya kah rahee haai.

⁷¹ jab vah bahar devaddhee men chala gaya, to doosaree ne use dekhkar un se jo vahan the kaha yah bhee to yeeshu nasaree ke sath tha.

⁷² us ne shapath khakar fir inkar kiya ki maain us manushy ko naheen janata.

⁷³ thodee der ke bad, jo vahan khde the, unhon ne pataras ke pas akar us se kaha, sachamuch too bhee un men se aek haai kyonki teree bolee tera bhed khol detee haai.

⁷⁴ tab vah dhaikkar dene aur shapath khane laga, ki maain us manushy ko naheen janata aur turant murga ne bang dee.

⁷⁵ tab pataras ko yeeshu kee kahee hui bat smaran ai kee murga ke bang dene se pahile too teen bar mera inkar karega aur vah bahar jakar foott foott kar rone laga..

Mattee 27

¹ jab bhor hui, to sab mahayajakon aur logon ke puraniyon ne yeeshu ke mar dalane kee sammati kee.

² aur unhon ne use bandha aur le jakar peelatus haakim ke hath men saunp diya..

³ jab usake pakadvanevale yahooda ne dekha ki vah doshaee ttharaya gaya haai to vah pachhtaya aur ve tees chandee ke sikke mahayajakon aur puraaniyon ke pas faer laya.

⁴ aur kaha, maain ne nirdoshaee ko ghaat ke liye pakadvakar pap kiya haai? unhon ne kaha, hamen kya? too hee jana.

⁵ tab vah un sikkon ko mandair men faenkakar chala gaya, aur jakar apane ap ko faansee dee.

⁶ mahayajakon ne un sikkon ko lekar kaha, inhen bhndar men rakhna uchit nahee, kyonki yah lohoo ka dam haai.

7 so unhon ne sammaati karake un sikkon se paradeshaiyon ke gadne ke liye kumhar ka khet mol le liya.

8 is karan vah khet aj tak lohoo ka khet kahalata haai.

9 tab jo vachan yirmayah bhvishyadvkta ke dara kaha gaya tha vah poora hua ki unhon ne ve tees sikke arthata us ttharaae huae mooly ko jise israael kee santan men se kitanon ne ttharaya tha le liae.

10 aur jaaise prabhu ne mujhe agyaa dee thee vaaise hee unhen kumhar ke khet ke mooly men de diya..

11 jab yeeshu hakim ke samhane khda tha, to haakim ne us se poochha ki kya too yahoodiyon ka raja haai? yeeshu ne us se kaha, too ap hee kah raha haai.

12 jab mahayajak aur puraaniae us par dosh laga rahe the, to us ne kuchh uttr naheen diya.

13 is par peelatus ne us se kaha: kya too naheen sunata, ki ye tere virodha men kitanee gavaahiyan de rahe haain?

14 parantu us ne us ko aek bat ka bhee uttr naheen diya, yahan tak ki hakim ko bada ashcharya hua.

15 aur haakim kee yah reeti thee, ki us pavrva men logon ke liye kisee aek bandhauae ko jise ve chahate the, chhod deta tha.

16 us samay baraabba nam unheen men ka ek namee bandhaua tha.

17 so jab ve ikatthe hua, to peelatus ne un se kaha tum kis ko chahate ho, ki maain tumhare liye chhod doon? baraabba ko, ya yeeshu ko jo maseeh kahalata haai?

18 kyonaki vah janata tha ki unhon ne use dah se pakadvaya haai.

19 jab vah nyay kee gae par baaitta hua tha to us kee patnee ne use kahala bheja, ki too us dharmee ke mamale men hath n dalana kyonki maain ne aj svapn men usake karan bahut dukh uttaya haai.

20 mahayajakon aur puraniyon ne logon ko ubhara, ki ve baraabba ko mang le, aur yeeshu ko nash karaaen.

21 haakim ne un se poochha, ki in donon men se kis ko chahate ho, ki tumhare liye chhod doon? unhon ne kaha baraabba ko.

22 peelatus ne un se poochha fir yeeshu ko jo maseeh kahalata haai, kya karoon? sab ne us se kaha, vah kroos par chaddhaya jaae.

23 haakim ne kaha kyon us ne kya burai kee haai? parantu ve aur bhee chilla, chillakar kahane lage, vah kroos par chaddhaya jaae.

- 24 jab peelatus ne dekha, ki kuchh ban naheen padta parantu is ke vipareet hullad hota jata haai, to us ne panee lekar bheed ke samhane apane hath dhaea, aur kaha maain is dharmee ke lohoo se nirdosh hoon tum hee jano.
- 25 sab logon ne uttr diya, ki is ka lohoo ham par aur hamaree santan par ho.
- 26 is par us ne baraabba ko un ke liye chhod diya, aur yeeshu ko kode lagavakar saunp diya, ki kroos par chaddhaya jaae..
- 27 tab haakim ke sipaahiyon ne yeeshu ko kile men le jakar saree palattn usake chahun or ikatthee kee.
- 28 aur usake kapade utarakar use kiraamijee бага pahinaya.
- 29 aur katton ko mukutt goonthkar usake sir par rakha aur usake daahine hath men sarakanda diya aur usake age ghauttne ttekakar use tttthe men udane lage, ki he yahoodiyon ke raja namaskara.
- 30 aur us par tooka aur vahee sarakanda lekar usake sir par marane lage.
- 31 jab ve usaka ttttha kar chuke, to vah бага us par se utarakar fir usee ke kapade use paahinaa, aur kroos par chaddhane ke liye le chale..
- 32 bahar jate huae unhen shamaun nam aek kurenee manushy mila, unhone use begar men pakada ki usaka kroos utta le chale.
- 33 aur us sthan par jo gulaguta nam kee jagah arthata khopadee ka sthan kahalata haai pahunchakara.
- 34 unhon ne pitt milaya hua dakhras use peene ko diya, parantu us ne chakhkar peena n chaha.
- 35 tab unhon ne use kroos par chaddhaya aur chitthiyon dalakar usake kapade bantt liae.
- 36 aur vahan baaittkar usaka pahara dene lage.
- 37 aur usaka doshapatra, usake sir ke upar lagaya, ki yah yahoodiyon ka raja yeeshu haai.
- 38 tab usake sath do dakoo aek dahine aur aek baaen krooson par chaddhaae gae.
- 39 aur ane jane vale sir hila hilakar us kee ninda karate the.
- 40 aur yah kahate the, ki he mandair ke ddhanevale aur teen din men bananevale, apane ap ko to bacha yaadi too parameshvar ka putra haai, to kroos par se utar a.
- 41 isee reeti se mahayajak bhee shaastriayon aur puraaniyon samet ttttha kar karake kahate the, is ne auron ko bachaya, aur apne ko naheen bacha sakata.

- 42 yah to israael ka raja haai. ab kroos par se utar aa, to ham us par vishvas karen.
- 43 us ne parameshvar ka bhrosa rakha haai, yaadi vah is ko chahata haai, to ab ise chhuda le, kyonki is ne kaha tha, ki maain parameshvar ka putra hoon.
- 44 isee prakar dakoo bhee jo usake sath krooson par chaddhaae gae the us kee ninda karate the..
- 45 dopahar se lekar teesare pahar tak us sare desh men andhora chhaya raha.
- 46 teesare pahar ke nikatt yeeshu ne bade shabd se pukarakar kaha, aelee, aelee, lama shabaktanee? arthata he mere parameshvar, he mere parameshvar, too ne mujhe kyon chhod diya?
- 47 jo vahan khde the, un men se kitanon ne yah sunakar kaha, vah to aeliyyah ko pukarata haai.
- 48 un men se ek turant dauda, aur spanj lekar sirake men duboya, aur sarakande par rakhkar use chusaya.
- 49 auron ne kaha, rah jao, dekhe, aeliyyah use bachane ata haai ki naheen.
- 50 tab yeeshu ne fir bade shabd se chillakar praan chhod diae.
- 51 aur dekho mandair ka parada upar se neeche tak fatt kar do ttukade ho gaya: aur dharatee dol gai aur chattanen tadkar gain.
- 52 aur kabraen khul gain aur soae huae pavitra logon kee bahut lothen jee utteen.
- 53 aur usake jee uttne ke bad ve kabraen men se nikalakar paavitra nagar men gaa, aur bahuton ko dikhai diae.
- 54 tab soobedar aur jo usake sath yeeshu ka pahara de rahe the, bhuidol aur jo kuchh hua tha, dekhkar atyant dr gaa, aur kaha, sachamuch yah parameshvar ka putra tha.
- 55 vahan bahut see striayan jo galeel se yeeshu kee seva karatee huin usake sath ain thee, door se dekh rahee theen.
- 56 un men maariyam magadaleelee aur yakoob aur yoses kee mata maariyam aur jabdee ke putraen kee mata theen.
- 57 jab sanjh hui to yoosufa nam aarimaatiyah ka aek dhanee manushy jo ap hee yeeshu ka chela tha aya: us ne peelatus ke pas jakar yeeshu kee loth mangee.
- 58 is par peelatus ne de dene kee agyaa dee.
- 59 yoosufa ne loth ko lekar use ujjaaval chadar men lapetta.

⁶⁰ aur use apanee nai kabra men rakha, jo us ne chattan men khudavai thee, aur kabra ke dar par bada patthr luddhkakar chala gaya.

⁶¹ aur maariyam magadaleenee aur doosaree mariyam vahan kabra ke samhane baaittee theen..

⁶² doosare din jo taaiyaree ke din ke bad ka din tha, mahayajakon aur fareeasiyon ne peelatus ke pas ikatthe hokar kaha.

⁶³ he maharaj, hamen smaran haai, ki us bhramanevale ne apane jeete jee kaha tha, ki maain teen din ke bad jee utoonga.

⁶⁴ so agyaa de ki teesare din tak kabra kee rakhvalee kee jaa, aeesa n ho ki usake chele akar use chura le jaae, aur logon se kahanen lage, ki vah mare huon men se jee utta haai: tab pichhla dhaekha pahile se bhee bura hoga.

⁶⁵ peelatus ne un se kaha, tumhare pas paharooae to haain jao, apanee samajh ke anusar rakhvalee karo.

⁶⁶ so ve paharoon ko sath le kar gaa, aur patthr par muhar lagakar kabra kee rakhvalee kee..

Mattee 28

¹ sabt ke din ke bad saptaah ke paahile din pah fattte hee mariyam magadaleenee aur doosaree mariyam kabra ko dekhne ai.

² aur dekho aek bada bhuindol hua, kyonki prabhu ka aek doot svarga se utara, aur pas akar usane patthr ko luddhka diya, aur us par baaitt gaya.

³ usaka roop bijalee ka sa aur usaka vasr pale kee nai ujval tha.

⁴ usake bhy se paharooae kanp utte, aur mratak saman ho gae.

⁵ svargadoot ne striyon se kaha, ki tum mat dro : maai janata hoo ki tum yeeshu ko jo kraus par chaddhaya gaya tha ddoonddhatee ho.

⁶ vah yaha naheen haai, parantu apane vachan ke anusar jee utta haai ao, yah sthan dekho, jaha prabhu pada tha.

⁷ aur shaeegha jakar usake chelon se kaho, ki vah mratakon men se jee utta haai aur dekho vah tum se paahile galeel ko jata haai, vaha usaka darshan paoge, dekho, maain ne tum se kah diya.

⁸ aur ve bhy aur bade anand ke sath kabra se shaeegha lauttkar usake chelon ko samachar dene ke liye daud gai.

⁹ aur dekho, yeeshu unhen mila aur kaha 'salaman aur unhon ne pas akar aur usake pav pakadkar usako dandvat kiya.

- 10 tab yeeshu ne un se kaha, mat dro mere bhaiyon se jakar kaho, ki galeel ko chalen jaaen vaha mujhe dekhenge..
- 11 ve ja hee rahee thee, ki dekho, paharoon men se kitanon ne nagar men akar poora hal mahayajakon se kah sunaya.
- 12 tab unhon ne puraniyon ke sath ikatthe hokar sammati kee, aur sipaahiyon ko bahut chandee dekar kaha.
- 13 ki yah kahana, ki rat ko jab ham so rahe the, to usake chele akar use chura le gaae.
- 14 aur yaadi yah bat hakim ke kan tak pahunchege, to ham use samajha lenge aur tumhen jokhaim se bacha lenge.
- 15 so unhon ne roopaae lekar jaaisa sikhaae gaae the, vaaisa hee kiya aur yah bat aj tak yahoodiyon men prachalit haai..
- 16 aur gyarah chele galeel men us pahad par gaa, jise yeeshu ne unhen bataya tha.
- 17 aur unhon ne usake darshan pakar use pranam kiya, par kisee kisee ko sandeh hua.
- 18 yeeshu ne un ke pas akar kaha, ki svarga aur prathvee ka sara aadhaikar mujhe diya gaya haai.
- 19 isaliye tum jakar sab jatiyon ke logon ko chela banao aur unhen pita aur putra aur pavitraatma ke nam se bapaatisma do.
- 20 aur unhen sab baten jo maain ne tumhen agyaa dee haai, manana sikhao: aur dekho, maain jagat ke ant tak sadaaiv tumhare sang hoon..

- 14** yoohanna ke pakadvaae jane ke bad yeeshu ne galeel men akar parameshvar ke rajy ka susamachar prachar kiya.
- 15** aur kaha, samay poora hua haai, aur parameshvar ka rajy nikatt a gaya haai man firao aur susamachar par vishvas karo..
- 16** galeel kee jheel ke kinare kinare jate hua, us ne shamaun aur usake bhai aandairyas ko jheel men jal dalate dekha kyonaki ve machhuve the.

- 17 aur yeeshu ne un se kaha mere peechhe chale ao maain tum ko manushyon ke machhuve banaunga.
- 18 ve turant jalon ko chhodkar usake peechhe ho liae.
- 19 aur kuchh age baddhkar, us ne jabadee ke putra yakoob, aur usake bhai yahoonna ko, nav par jalon ko sudhaarate dekha.
- 20 us ne turant unhen bulaya aur ve apane pita jabadee ko majadooree ke sath nav par chhodkar, usake peechhe chale..
- 21 aur ve kafaranahoom men aa, aur vah turant sabt ke din sabha ke ghar men jakar upadesh karane laga.
- 22 aur log usake upadesh se chakit hue kyonki vah unhen shaaastriayon kee nain nahee, parantu aadhaikaree kee nai upadesh deta tha.
- 23 aur usee समय, un kee sabha ke ghar men aek manushy tha, jis men aek ashuddh atma thee.
- 24 us ne chillakar kaha, he yeeshu nasaree, hamen tujh se kya kama? kya too hamen nash karane aya haai? maain tujhe janata hoo, too kaun haai? parameshvar ka paavitra jana!
- 25 yeeshu ne use danttkar kaha, chup raha aur us men se nikal ja.
- 26 tab ashuddh atma us ko marodkar, aur bade shabd se chillakar us men se nikal gai.
- 27 is par sab log ashcharya karate huae apas men vada-vivad karane lage ki yah kya bat haai? yah to koi naya upadesh haai! vah adhaikar ke sath ashuddh atmaon ko bhee agyaa deta haai, aur ve us kee agyaa manatee haain.
- 28 so usaka nam turant galeel ke as pas ke sare desh men har jagah faail gaya..
- 29 aur vah turant aradhanalay men se nikalakar, yakoob aur yoohanna ke sath shamaun aur andairyas ke ghar aya.
- 30 aur shamaun kee sas jvar se peedit thee, aur unhon ne turant usake vishay men us se kaha.
- 31 tab us ne pas jakar usaka hath pakad ke use uttaya aur usaka jvar us par se utar gaya, aur vah un kee seva-tthal karane lagee..
- 32 sandhya ke समय jab soorya oob gaya to log sab beemaron ko aur unhen jin men dushttatma bheen usake pas laae.
- 33 aur sara nagar dar par ikattha hua.
- 34 aur us ne bahuton ko jo nana prakar kee beemariyon se dukhee the, changa kiya aur bahut se dushttatmaon ko nikala aur dushttatmaon ko bolane n diya, kyonaki ve use pahachanatee theen..

³⁵ aur bhor ko din nikalane se bahut pahile, vah uttkar nikala, aur aek jangalee sthan men gaya aur vahan praarthna karane laga.

³⁶ tab shamaun aur usake sathee us kee khoj men gaae.

³⁷ jab vah mila, to us se kaha ki sab log tujhe ddoonddh rahe haain.

³⁸ us n un se kaha, ao ham or kaheen as pas kee baastaiyon men jae, ki maain vahan bhee prachar karoo, kyonki maai. isee liye nikala hoon.

³⁹ so vah sare galeel men un kee sabhaon men ja jakar prachar karata aur dushttmaon ko nikalata raha..

⁴⁰ aur aek koddhee ne usake pas akar, us se binatee kee, aur usake samhane ghauttne ttekakar, us se kaha yadi too chahe to mujhe shuuddh kar sakata haai.

⁴¹ us ne us par taras khakar hath baddhaya, aur use chookar kaha maain chahata hoon too shuuddh ho ja.

⁴² aur turant usaka koddh jata raha, aur vah shuuddh ho gaya.

⁴³ tab us ne use chitakar turant vida kiya.

⁴⁴ aur us se kaha, dek, kisee se kuchh mat kahana, parantu jakar apne ap ko yajak ko dikha, aur apne shuuddh hone ke vishay men jo kuchh moosa ne ttharaya haai use bhentt chaddha, ki un par gavahee ho.

⁴⁵ parantu vah bahar jakar is bat ko bahut prachar karane aur vahan tak faailane laga, ki yeeshu fir khullamakhulla nagar men n ja saka, parantu bahar jangalee sthanon men raha aushra chahunor se lage usake pas ate rahe..

Marakus 2

¹ kai din ke bad vah fir kafaranahoom men aya aur suna gaya, ki vah ghar men haai.

² fir itane log ikatthe hua, ki dar ke pas bhee jagah naheen milee aur vah unhen vachan suna raha tha.

³ aur log aek jhole ke mare huae ko char manushyon se uttvakar usake pas le aae.

⁴ parantu jab ve bheed ke karan usake nikatt n panhuch sake, to unhon ne us chht ko jis ke neeche vah tha, khol diya aur jab use udhod chuke, to us khatt ko jis par jhole ka mara hua pada tha, lattka diya.

⁵ yeeshu n, un ka vishvas dekhkar, us jhole ke mare huae se kaha he putra, tere pap kshama hue.

⁶ tab kai aek shaasree jo vahan baaitte the, apne apne man men vichar karane lage.

- 7 ki yah manushy kyon aeesa kahata haai? yah to parameshvar kee ninda karata haai, parameshvar ko chhod aur kon pap kshama kar sakata haai?
- 8 yeeshu ne turant apanee atma men jan liya, ki ve apane apane man men aeesa vichar kar rahe haai, aur un se kaha, tum apane apane man men yah vichar kyon kar rahe ho?
- 9 sahaj kya haai? kya jhole ke mare se yah kahata ki tere pap kshama hua, ya yah kahana, ki utt apanee khatt utta kar chal fira?
- 10 parantu jis se tum jan lo ki manushy ke putra ko prathvee par pap kshama karane ka bhee adhaikar haai us ne us jhole ke mare huae se kaha.
- 11 maain tujh se kahata hoon ut, apanee khatt uttakar apane ghar chala ja.
- 12 aur vah utta, aur turant khatt uttakar aur sab ke samhane se nikalakar chala gaya, is par sab chaakit hua, aur parameshvar kee badai karake kahane lage, ki ham ne aeesa kabhee naheen dekha..
- 13 vah fir nikalakar jheel ke kinare gaya, aur saree bheed usake pas ai, aur vah unhen upadesh dene laga.
- 14 jate huae us ne halafai ke putra levee ko chungee kee chaukee par baaitte dekha, aur us se kaha mere peechhe ho le.
- 15 aur vah uttkar, usake peechhe ho liya: aur vah usake ghar men bhojan karane baaitte kyonki ve bahut se the, aur usake peechhe ho liye the.
- 16 aur shaastriayon aur fareeasiyon ne yah dekhkar, ki vah to papiyon aur chungee lenevalon ke sath bhojan kar raha haai, usak chelon se kaha vah to chungee lenevalon aur paapiyon ke sath khata pita haai!!
- 17 yeeshu ne yah sunakar, un se kaha, bhle changon ko vaaidh kee avashyakata nahee, parantu beemaron ko haai: maain dhaarmiyon ko nahee, parantu paapiyon ko bulane aya hoon..
- 18 yoohanna ke chele, aur fareese upavas karate the so unhon ne akar us se yah kaha ki yoohanna ke chele aur fareeasiyon ke chele kyon upavas rakhte haain? parantu tere chele upavas naheen rakhte.
- 19 yeeshu ne un se kaha, jab tak dulha baratiyon ke sath dahata haai kya ve upavas kar sakate haain? so jab tak doolha un ke sath haai, tab tak ve upavas naheen kar sakate.
- 20 parantu ve din aaenge, ki doolha un se alag kiya jaaega us samay ve upavas karenge.
- 21 kore kapade ka paaiband purane pahiravan par koi naheen lagata naheen to vah paaiband us men se kuchh kheench lega, arthata naya, purane se, aur vah aur fatt jaaega.

²² naye dakhras ko puranee mashakon men koi naheen rakhta, naheen to dakhras mashkon ko faad dega, aur dakhras aur mashken donon nasht ho jaaengee parantu dakh ka naya ras nai mashkon men bhra jata haai..

²³ aur aeesa hua ki vah sabbt ke din kheton men se hokar ja raha tha aur usake chele chalte huae balen todne lage.

²⁴ tab fareesiyon ne us se kaha, dekh ye sabbt ke din vah kam kyon karate haain jo uchit naheen?

²⁵ us ne un se kaha, kya tum ne kabhee naheen paddha, ki jab daud ko avashyakata hui aur jab vah aur usake sathee bookhe hua, tab us ne kya kiya tha?

²⁶ us ne kyonkar abiyatar mahayajak ke samay, parameshvar ke bhvan men jakar, bhentt kee rottiyaian khai, jisaka khana yajakon ko chhod aur kisee ko bhee uchit nahee, aur apane sathaiyon ko bhee deen?

²⁷ aur us ne un se kaha sabbt ka din manushy ke liye banaya gaya haai, n ki manushy sabbt ke din ke liye.

²⁸ isaliye manushy ka putra sabbt ke din ka bhee svamee haai..

Marakus 3

¹ aur vah aradhanalay men fir gaya aur vahan aek manushy tha, jas ka hath sookh gaya tha.

² aur ve us par dosh lagane ke liye us kee ghaat men lage huae the, ki dekhe, vah sabbt ke din men use changa karata haai ki naheen.

³ us ne sookhe hathvale manushy se kaha beech men khda ho.

⁴ aur un se kaha kya sabbt ke din bhla karana uchit haai ya bura karata, praan ko bachana ya marana? par ve chup rahe.

⁵ aur us ne un ke man kee kattorata se udas hokar, un ko krodha se charon or dekha, aur us manushy se kaha, apana hath baddha us ne baddhaya, aur usaka hath achchha ho gaya.

⁶ tab fareesee bahar jakar turant herodiyon ke sath usake virodha men sammati karane lage, ki use kis prakar nash karen..

⁷ aur yeeshu apane chelon ke sath jheel kee or chala gaya: aur galeel se aek badee bheed usake peechhe ho lee.

⁸ aur yahoodiya, aur yarooshalem aur idoomiya se, aur yaradan ke par, aur soor aur saaida ke asapas se aek badee bheed yah sunakar, ki vah kaaise achambhe ke kam karata haai, usake pas ai.

- ⁹ aur us ne apane chelon se kaha, bheed ke karan aek chhottee nav mere liye taaiyar rahe taki ve mujhe daba n saken.
- ¹⁰ kyonaki us ne bahuton ko changa kiya tha isaliye jitane loge rog se graasit the, use choone ke liye us par gire padte the.
- ¹¹ aur ashuddh atmanae bhee, jab use dekhtee thee, to usake age gir padtee thee, aur chillakar kahatee theen ki too parameshvar ka putra haai.
- ¹² aur us ne unhen bahut chitaya, ki mujhe pragatt n karana..
- ¹³ fir vah pahad par chaddh gaya, aur jinhen vah chahata tha unhen apane pas bulaya aur ve usake pas chale aae.
- ¹⁴ tab us ne barah purooshaen ko niyukt kiya, ki ve usake sath sath rahe, aur vah unhen bheje, ki prachar karen.
- ¹⁵ aur dushttatmaon ke nikalane ka aadhaikar rakhen.
- ¹⁶ aur ve ye haain: shamaun jis ka nam us ne pataras rakha.
- ¹⁷ aur jabadee ka putra yakoob, aur yakoob ka bhai yoohanna, jinaka nam us ne boonaragis, arthata garjan ke putra rakha.
- ¹⁸ aur aandairyas, aur filippus, aur baratulmaai, aur mattee, aur thoma, aur halafai ka putra yakooba aur tae, aur shamaun kananee.
- ¹⁹ aur yahooda iskariyotee, jis ne use pakadva bhee diya..
- ²⁰ aur vah ghar men aya: aur aeese bheed ikatthee ho gai, ki ve rottee bhee n kha sake.
- ²¹ jab usake kuttumbaiyon ne yah suna, to use pakadne ke liye nikale kyonki kahate the, ki usaka chitt tkaiane naheen haai.
- ²² aur shaasree jo yarooshalem se aae the, yah kahate the, ki us men shautan haai, aur yah bhee, ki vah dushttatmaon ke saradar kee sahayata se dushttatmaon ko nikalata haai.
- ²³ aur vah unhen pas bulakar, un se dushttanton men kahane laga shautan kyonkar shautan ko nikal sakata haai?
- ²⁴ aur yaadi kisee rajy men foott pade, to vah rajy kyonkar sthiar rah sakata haai?
- ²⁵ aur yaadi kisee ghar men foott pade, to vah ghar kyonkar sthiar rah sakega?
- ²⁶ aur yaadi shautan apana hee virodhaee hokar apane men foott dale, to vah kyonkar bana rah sakata haai? usaka to ant hee ho jata haai.

²⁷ kintu koi manushy kisee balavant ke ghar men ghausakar usaka mal loott naheen sakata, jab tak ki vah pahile us balavant ko n bandha le aur tab usake ghar ko loott lega.

²⁸ maain tum se sach kahata hoo, ki manushyon kee santan ke sab pap aur ninda jo ve karate haai, kshama kee jaaegee.

²⁹ parantu jo koi paavitraatma ke virooddh ninda kare, vah kabhee bhee kshama n kiya jaaega: varan vah anant pap ka aparadhaee ttharata haai.

³⁰ kyonaki ve yah kahate the, ki us men ashuuddh atma haai..

³¹ aur us kee mata aur usake bhai aa, aur bahar khde hokar use bulava bheja.

³² aur bheed usake asapas baaittee thee, aur unhon ne us se kaha dek, teree mata aur tere bhai bahar tujhe ddoonddhte haain.

³³ us ne unhen uttr diya, ki meree mata aur mere bhai kaun haain?

³⁴ aur un par jo usake as pas baaitte the, draashtti karake kaha, dekho, meree mata aur mere bhai yah haain.

³⁵ kyonaki jo koi parameshvar kee ichchha par chale, vahee mere bhai, aur baahin aur mata haai..

Marakus 4

¹ vah fir jheel ke kinare upadesh dene laga: aur aeesee badee bheed usake pas ikatthee ho gai, ki vah jheel men aek nav par chaddhkar baaitt gaya aur saree bheed boomi par jheel ke kinare khdee rahee.

² aur vah unhen drashttanton men bahut see baten sikhane lage, aur apane upadesh men un se kaha.

³ suno: dekho, aek bonevala, beej bane ke liye nikala!

⁴ aur bote samay kuchh to marga ke kinare gira aur paakshiyon ne akar use chug liya.

⁵ aur kuchh patthreelee boomi par gira jahan us kee bahut mittee n milee, aur gaharee mittee n milane ke karan jald ug aya.

⁶ aur jab soorya nikala, to jal gaya, aur jad n pakadne ke karan sookh gaya.

⁷ aur kuchh to jhaadiyon men gira, aur jhaadiyon ne baddhkar use daba liya, aur vah fal n laya.

⁸ parantu kuchh achchhee boomi par gira aur vah uga, aur baddhkar falavant hua aur koi tees guna, koi satt guna aur koi sau guna fal laya.

⁹ aur us ne kaha jis ke pas sunane ke liye kan hon vah sun le..

- 10 jab vah akela rah gaya, to usake sathaiyon ne un barah samet us se in drashttanton ke vishay men poochha.
- 11 us ne un se kaha, tum ko to parameshvar ke rajy ke bhed kee samajh dee gai haai, parantu baharavalon ke liye sab baten drashttanton men hotee haain.
- 12 isaliye ki ve dekhte huae dekhen aur unhen sujhai n pade aur sunate huae sunen bhee aur n samajhen aesa n ho ki ve fire, aur kshama kiae jaaen.
- 13 fir us ne un se kaha kya tum yah drashttant naheen samajhte? to fir aur sab drashttanton ko kyonkar samajhoge?
- 14 banevala vachan bota haai.
- 15 jo marga ke kinare ke haain jahan vachan boya jata haai, ye ve haai, ki jab unhon ne suna, to shautan turant akar vachan ko jo un men boya gaya tha, utta le jata haai.
- 16 aur vaaise hee jo patthreelee boomi par boae jate haai, ye ve haai, ki jo vachan ko sunakar turant anand se grahan kar lete haain.
- 17 parantu apane bheetar jad n rakhte ke karan ve thode bhee dinon ke liye rahate haain is ke bad jab vachan ke karan un par klesh ya upadrav hota haai, to ve turant ttokar khate haain.
- 18 aur jo jhaadyaien men boae gae ye ve haain jinhon ne vachan suna.
- 19 aur sansar kee chinta, aur dhan ka dhaekha, aur aur vastuon ka lobh un men samakar vachan ko daba deta haai. aur vah nishfal rah jata haai.
- 20 aur jo achchhee boomi men boae gaa, ye ve haai, jo vachan sunakar grahan karate aur fal late haai, koi tees guna, koi satt guna, aur koi sau guna..
- 21 aur us ne un se kaha kya diye ko isaliye late haain ki paaimeane ya khatt ke niche rakha jaae? kya isaliye nahee, ki deevatt par rakha jaae?
- 22 kyonaki koi vastu chhpaiee nahee, parantu isaliye ki pragatt ho jaae
- 23 aur n kuchh gupt haai par isaliye ki pragatt ho jaae. yaadi kisee ke sunane ke kan ho, to sun le.
- 24 fir us ne un se kaha chaukas raho, ki kya sunate ho? jis nap se tum napate ho usee se tumhare liye bhee napa jaaega, aur tum ko aadhaik diy jaaega.
- 25 kyonaki jis ke pas haai, us ko diya jaaega parantu jis ke pas naheen haai us se vah bhee jo usake pas haai le liya jaaega..
- 26 fir us ne kaha parameshvar ka rajay aesa haai, jaaise koi manushy boomi par beej chheentte.
- 27 aur rat ko soa, aur din ko jage aur vah beech aeese uge aur baddhe ki vah n jane.

28 prathvee ap se ap fal latee haai pali ankur, tab bal, aur tab balon men taaiyar dana.

29 parantu jab dana pak jata haai, tab vah turant hansiya lagata haai, kyonki kattnee a pahunchee haai..

30 fir us ne kaha, ham parameshvar ke rajy kee upama kis se de, aur kis drashttant se usaka varnn karen?

31 vah rai ke dane ke saman haain ki jab boomi men boya jata haai to boomi ke sab beejon se chhotta hota haai.

32 parantu jab boya gaya, to ugakar sab sag pat se bada ho jata haai, aur usakee aeesee badee daaliyan nikalatee haai, ki akash ke pakshaee usakee chhaya men basera kar sakate haain..

33 aur vah unhen is prakar ke bahut se drashttant de dekar un kee samajh ke anusar vachan sunata tha.

34 aur bina drashttant kahe un se kuchh bhee naheen kahata tha parantu aekant men vah apane nij chelon ko sab baton ka arth batata tha..

35 usee din jab sanjh hui, to us ne un se kaha ao, ham par chale..

36 aur ve bheed ko chhodkar jaaisa vah tha, vaaisa kee use nav par sath le chale aur usake sat, aur bhee naven theen.

37 tab badee andhaee ai, aur laharen nav par yahan tak lagee, ki vah ab panee se bhree jatee thee.

38 aur vah ap pichhle bhag men gae par so raha tha tab unhon ne use jagakar us se kaha he guro, kya tujhe chinta nahee, ki ham nash huae jate haain?

39 tab us ne uttkar andhaee ko dantta, aur panee se kaha shaant rah, thm ja : aur andhaee thm gai aur bada chaain ho gaya.

40 aur un se kaha tum kyon drate ho? kya tumhen ab tak vishvas naheen?

41 aur ve bahut hee dr gae aur apas men bole yah kaun haai, ki andhaee aur panee bhee us kee agyaa manate haain?

Marakus 5

1 aur ve jheel ke par giraseniyon ke desh men pahunche.

2 aur jab vah nav par se utara to turant aek manushy jis men ashuddh atma thee kabraen se nikalakar use mila.

3 vah kabraen men raha karata tha. aur koi use sankalon se bhee n bandha sakata tha.

- ⁴kyonaki vah bar bar bediyon aur sankalon se bandha gaya tha, par us ne sakalon ko tod diya, aur beadiyon ke ttukade ttukade kar diae the, aur koi use vash men naheen kar sakata tha.
- ⁵vah lagatar rata-adin kabraen aur pahado men chillata, aur apane ko patthron se ghaayal karata tha.
- ⁶vah yeeshu ko door hee se dekhkar dauda, aur use pranam kiya.
- ⁷aur unche shabd se chillakar kaha he yeeshu, paramapradhaan parameshvar ke putra, mujhe tujh se kya kama? maain tune parameshvar kee shapath deta hoo, ki mujhe peeda n de.
- ⁸kyonaki us ne us se kaha tha, he ashuddh atma, is manushy men se nikal a.
- ⁹us ne us se poochha tera kaya nam haai? us ne us se kaha mera nam sena haai kyonki ham bahut haain.
- ¹⁰aur us ne us se bahut binatee kee, hamen is desh se bahar n bheja.
- ¹¹vahan pahad par soaron ka aek bada jhund char raha tha.
- ¹²aur unhon ne us se binatee karake kaha, ki hamen un soaron men bhej de, ki ham un ke bheetar jaaen.

- ¹⁸aur jab vah nav par chaddhne laga, to vah jis men pahile dushtatmaaen thee, us se binatee karane laga, ki mujhe apane sath rahane de.
- ¹⁹parantu us ne use agyaa n dee, aur us se kaha, apane ghar jakar apane logon ko bata, ki tujh par daya karake prabhu ne tere liye kaaise bade kam kiae haain.
- ²⁰vah jakar dikapulis men is bat ka prachar karane laga, ki yeeshu ne mere liye kaaise bade kam kiae aur sab achambha karate the..
- ²¹jab yeeshu fir nav se par gaya, to aek badee bheed usake pas ikatthee ho gai aur vah jheel ke kinare tha.

- 22 aur yair nam aradhanalay ke saradaron men se aek aya, aur use dekhkar, usake panvon par gira.
- 23 aur us ne yah kahakar bahut binatee kee, ki meree chhottee bettee marane par haai: too akar us par hath rak, ki vah changee hokar jeeavit rahe.
- 24 tab vah usake sath chala aur badee bheed usake peede ho lee, yahan tak ki log us par gire padte the..
- 25 aur aek sre, jis ko barah varsha se lohoo bahane ka rog tha.
- 26 aur jis ne bahut vaaidhon se bada dukh uttaya aur apana sab mal vyay karane par bhee kuchh labh n uttaya tha, parantu aur bhee rogee ho gai thee.
- 27 yeeshu kee charcha sunakar, bheed men usake peechhe se ai, aur usake vasr ko choo liya.
- 28 kyonaki vah kahatee thee, yadi maain usake vasr hee ko choo loongee, to changee ho jaungaha.
- 29 aur turant usaka lohoo bahana band ho gaya aur us ne apanee deh men jan liya, ki maain us beemaree se achchhee ho gai.
- 30 yeeshu ne turant apane men jan liya, ki mujh se samarth nikalee haai, aur bheed men peechhe firakar poochha mera vasr kis ne chooa?
- 31 usake chelon ne us se kaha too dekhta haai, ki bheed tujh par giree padtee haai, aur too kahata haai ki kis ne mujhe chhua?
- 32 tab us ne use dekhne ke liye jis ne yah kam kiya tha, charon or drashti kee.
- 33 tab vah sree yah janakar, ki meree kaaisee bhlai hui haai, dratee aur kanpatee hui ai, aur usake panvon par girakar, us se sab hal sach sach kah diya.
- 34 us ne us se kaha putraee tere vishvas ne tujhe changa kiya haai: kushal se ja, aur apanee is beemaree se bachee raha..
- 35 vah yah kah hee raha tha, ki aradhanalay ke saradar ke ghar se logon ne akar kaha, ki teree bettee to mar gai ab guroo ko kyon dukh deta haai?
- 36 jo bat ve kah rahe the, us ko yeeshu ne anasunee karake, aradhanalay ke saradar se kaha mat dra keval vishvas rakh.
- 37 aur us ne pataras aur yakoob aur yakoob ke bhai yoohanna ko chhod, aur kisee ko apane sath ane n diya.
- 38 aur aradhanalay ke saradar ke ghar men pahunchakar, us ne logon ko bahut rote aur chillate dekha.
- 39 tab us ne bheetar jakar us se kaha, tum kyon halla machate aur rote ho? ladkee maree nahee, parantu so rahee haai.

⁴⁰ ve us kee hansee karane lage, parantu us ne sab ko nikalakar ladkee ke matapita aur apane saathaiyon ko lekar, bheetar janha ladkee padee thee, gaya.

⁴¹ aur ladkee ka hath pakadkar us se kaha, 'taleeta koomeen jis ka arth yah haai ki 'he ladkee, maain tujh se kahata hoo, uttn.

⁴² aur ladkee turant uttkar chalane firane lagee kyonaki vah barah varsha kee thee. aur is par log bahut chaakit ho gaae.

⁴³ fir us ne unhen chitakar agyaa dee ki yah bat koi janane n paae aur kaha ki use kuchh khane ko diya jaae..

Marakus 6

¹ vahan se nikalakar vah apane desh men aya, aur usake chele usake peechhe ho liae.

² sabt ke din vah aradhanalay men upadesh karane laga aur bahut log sunakar chaakit huae aur kahane lage, is ko ye baten kahan se a gai? aur yah kaun sa gyaan haai jo us ko diya gaya haai? aur kaaise samarth ke kam isake hathon se pragatt hote haain?

³ kya yah vahee baddhi nahee, jo mariyam ka putra, aur yakoob aur yoses aur yahooda aur shamaun ka bhai haai? aur kya us kee bahinen vahan hamare beech men naheen rahateen? isaaliye unhon ne usake vishay meen ttokar khai.

⁴ yeeshu ne un se kaha, ki bhvishyadvkta apane desh aur apane kuttumb aur apane ghar ko chhod aur kaheen bhee niradar naheen hota.

⁵ aur vah vahan koi samarth ka kam n kar saka, keval thode beemaron par hath rakhkar unhen changa kiya..

⁹ parantu jootiyan paahino aur do do kurate n pahino.

¹⁰ aur us ne un se kaha jahan kaheen tum kisee ghar men utaro to jab tak vahan se vida n ho, tab tak usee men tthare raho.

¹¹ jis sthan ke log tumhen grahan n kare, aur tumharee n sune, vahan se chalate hee apane talavon kee dhool jhad dalo, ki un par gavahee ho.

- 16 herodes ne yah sun kar kaha, jis yoohanna ka sir maain ne kattvaya tha, vahee jee utta haai.
- 17 kyonaki herodes ne ap apane bhai filippus kee patnee herodiyas ke kara, jis se us ne byah kiya tha, logon ko bhejekar yoohanna ko pakadvakar bandeegrah men dal diya tha.
- 18 kyonaki yoohanna ne herodes se kaha tha, ki apane bhai kee patnee ko rakhna tujhe uचित naheen.
- 19 isaliye herodiyas us se baair rakhtee thee aur yah chahatee thee, ki use marava dale, parantu aeesa n ho saka.

- 46 aur unhen vida karake pahad par praarthna karane ko gaya.

⁴⁷ aur jab sanjh hui, to nav jheel ke beech men thee, aur vah akela boomi par tha.

⁴⁸ aur jab us ne dekha, ki ve khete khete ghabara gaae haai, kyonki hava un ke virooddh thee, to rat ke chauthe pahar ke nikatt vah jheel par chalate huae un ke pas aya aur un se age nikal jana chahata tha.

⁴⁹ parantu unhon ne use jheel par chalate dekhkar samajha, ki boot haai, aur chilla utte, kyonaki sab use dekhkar ghabara gaae the.

⁵⁰ par us ne turant un se baten keen aur kaha ddhaddhs bandhaen : maain hoon dro mata.

⁵¹ tab vah un ke pas nav par aya, aur hava thm gai: ve bahut hee ashcharya karane lage.

⁵² kyonaki ve un rottiyaen ke vishay men ne samajhe the parantu un ke man kattor ho gaae the..

⁵³ aur ve par utarakar gannesarat men pahunche, aur nav ghaa par lagai.

⁵⁴ aur jab ve nav par se utare, to log turant us ko pahachan kara.

⁵⁵ asapas ke sare desh men dode, aur beemaron ko khantton par dalakar, jahan jahan samachar paya ki vah haai, vahan vahan liae fire.

⁵⁶ aur jahan kaheen vah ganvo, nagaro, ya bastaiyon men jata tha, to log beemaron ko bajaron men rakhkar us se binatee karate the, ki vah unhen apane vasr ke anchal hee ho choo lene de: aur jitane use choote the, sab change ho jate the..

¹ tab fareesee aur kai aek shaasree jo yarooshalem se aae the, usake pas ikatthe huae.

² aur unhon ne usake kai chelon ko ashuddh arthata bina hath dhaeae rottee khate dekha.

³ kyonaki fareesee aur sab yahoodde, puraniyon kee reeati par chalate haain aur jab tak bhlee bhanati hath naheen dhae lete tab tak naheen khate.

⁴ aur bajar se akar, jab tak snan naheen kar lete, tab tak naheen khate aur bahut see aur baten haai, jo un ke pas manane ke liye pahunchai gai haai, jaaise kattoro, aur lotto, aur tanbe ke baratanon ko dhaena-manajana.

⁵ isaliye un fareesiyon aur shaastriayon ne us se poochha, ki tere chele kyon puraniyon kee reeton par naheen chalate, aur bina hath dhaeae rottee khate haain?

- 6** us ne un se kaha ki yashaayah ne tum kapattyaien ke vishay men bahut tteek bhvishyadvvanee kee jaaisa likha haai ki ye log hotton se to mera adar karate haai, par un ka man mujh se door rahata haai.
- 7** aur ye vyarth meree upasana karate haai, kyonki manushyon kee agyaaon ko dhamornpadesh karake sikhate haain.
- 8** kyonaki tum parameshvar kee agyaa ko ttalakar manushyon kee reetiyon ko manate ho.
- 9** aur us ne un se kaha tum apanee reetiyon ko manane ke liye parameshvar agyaa kaaisee achchhee tarah ttal dete ho!
- 10** kyonaki moosa ne kaha haai ki apane pita aur apanee mata ka adar kara or jo koi pita va mata ko bura kahe, vah avashy mar dala jaae.
- 11** parantu tum kahate ho ki yadi koi apane pita va mata se kahe, ki jo kuchh tujhe mujh se labh pahunch sakata tha, vah kuraban arthata sankalp ho chuka.
- 12** to tum us ko usake pita va us kee mata kee kuchh seva karane naheen dete.
- 13** is prakar tum apanee reetiyon se, jinhen tum ne ttharaya haai, parameshvar ka vachan ttal dete ho aur aeese aeese bahut se kam karate ho.
- 14** aur us ne logon ko apane pas bulakar un se kaha, tum sab meree suno, aur samajho.
- 15** aeese to koi vastu naheen jo manushy ko bahar se samakar ashuddh kare parantu jo vastuaen manushy ke bheetar se nikalatee haai, ve hee use ashuddh karatee haain.
- 16** yaadi kisee ke sunane ke kan hon to sun le.
- 17** jab vah bheed ke pas se ghar men gaya, to usake chelon ne is drashttant ke vishay men us se poochha.
- 18** us ne un se kaha kya tum bhee aeese na samajh ho? kya tum naheen samajhte, ki jo vastu bahar se manushy ke bheetar jatee haai, vah use ashuddh naheen kar sakatee?
- 19** kyonaki vah usake man men nahee, parantu pett men jatee haai, aur sandas men nikal jatee haai? yah kahakar us ne sab bhojan vastuon ko shuddh ttharaya.
- 20** fir us ne kaha jo manushy men se nikalata haai, vahee manushy ko ashuddh karata haai.
- 21** kyonki bheetar se arthata manushy me man se, buree buree chinta vyaabhaichara.

22 choree, hatya, parasreegaman, lob, dushttta, chhl, luchapan, kudraashtti, ninda, abhaiman, aur moorkhta nikalatee haain.

23 ye sab buree baten bheetar hee se nikalatee haain aur manushy ko ashuuddh karatee haain..

24 fir vah vahan se uttkar soor aur saaida ke deshaen men aya aur aek ghar men gaya, aur chahata tha, ki koi n jane parantu vah chhpai n saka.

25 aur turant aek sree jis kee chhottee bettee men ashuuddh atma thee, us kee charcha sun kar ai, aur usake panvon par giree.

26 yah yoonanee aur sooroofineekee jati kee thee aur us ne us se binatee kee, ki meree bettee men se dushttatma nikal de.

27 us ne us se kaha, pahile ladkon ko trapt hone de, kyonaki ladkon ko rottee lekar kuton ke age dalana uchit naheen haai.

28 us ne us ko uttr diya ki sach haai prabhu taubhee kutte bhee to mej ke neeche balakon kee rottee ka choor char kha lete haain.

29 us ne us sake kaha is bat ke karan chalee ja dushttatma teree bettee men se nikal gai haai.

30 aur us ne apane ghar akar dekha ki ladkee khatt par padee haai, aur dushttatma nikal gai haai..

31 fir vah soor aur saaida ke deshaen se nikalakar dikapulis desh se hota hua galeel kee jheel par pahuncha.

32 aur logon ne aek bahire ko jo hakala bhee tha, usake pas lakar us se binatee kee, ki apana hath us par rakhe.

33 tab vah us ko bheed se alag le gaya, aur apanee ungaliyan usake kanon men dalee, aur took kar us kee jeebh ko chooa.

34 aur svarga kee or dekhkar ah bhree, aur us se kaha ipfatth, arthata khul ja.

35 aur usake kan khul gaa, aur us kee jeebh kee gantt bhee khul gai, aur vah safa safa bolane laga.

36 tab us ne unhen chitaya ki kisee se n kahana parantu jitana us ne unhen chitaya utana hee ve aur prachar karane lage.

37 aur ve bahut hee ashcharya men hokar kahane lage, us ne jo kuchh kiya sab achchha kiya haai vah bahiron ko sunane, kee, aur goongon ko bolane kee shaktai deta haai..

Marakus 8

- 1 un dinon me, jab fir badee bheed ikatthee hui, aur un ke pas kuchh khane ko n tha, to us ne apane chelon ko pas bulakar un se kaha.
- 2 mujhe is bheed par taras ata haai, kyonki yah teen din se barabar mere sath haai, aur un ke pas kuchh bhee khane ko naheen.
- 3 yaadi maain unhen bookha ghar bhej doo, to marga men thk kar rah jaaenge kyoki in men se koi koi door se aae haain.
- 4 usake chelon ne us ko uttr diya, ki yahan jangal men itanee rottee koi kahan se laae ki ye trapt hon?
- 5 us ne un se poochha tumhare pas kitanee rotyaian haain? unhon ne kaha, sata.
- 6 tab us ne logon ko boomi par baaitne kee agyaa dee, aur ve sat rotyaian lee, aur dhanyavad karake todee, aur apane chelon ko deta gaya ki un ke age rakhe, aur unhon ne logon ke age paros diya
- 7 un ke pas thodee see chhottee machhaliyon bhee theen aur usane dhanyavad karake unhen bhee logon ke age rakhne kee agyaa dee.
- 8 so ve khakar trapt ho gae aur shosh ttrakadon ke sat ttokare bhrakar uttaae.
- 9 aur log char hajar ke lagabhg the aur us ne un ko vida kiya.
- 10 aur vah turant apane chelon ke sath nav par chaddhkar dalamanoota desh ko chala gaya..
- 11 fir fareesee nikalakar us se vada-avivad karane lage, aur use janchane ke liye us se koi svargeey chinh manga.
- 12 us ne apanee atma men ah mar kar kaha, is samay ke log kyon chinh ddoonddhte haain? maain tum se sach kahata hoo, ki is samay ke logon ko koi chinh naheen diya jaega.
- 13 aur vah unhen chhodkar fir nav par chaddh gaya aur par chala gaya..
- 14 aur ve rottee lena bool gae the, aur nav men un ke pas aek hee rottee thee.
- 15 aur us ne unhen chitaya, ki dekho, fareesiyon ke khmeer aur herodes ke khmeer se chaukas raho.
- 16 ve apas men vichar karake kahane lage, ki hamare pas to rottee naheen haai.
- 17 yah janakar yeeshu ne un se kaha tum kyon apas men vichar kar rahe ho ki hamare pas rottee naheen? kya ab tak naheen janate aur naheen samajhte?
- 18 kya tumhara man kattor ho gaya haai? kya ankhe rakhte huae bhee naheen dekhte, aur kan rakhte huae bhee naheen sunate? aur tumhen smaran naheen.

19 ki jab maain ne panch hajar ke liye panch rottee todee theen to tum ne ttukadon kee kitanee ttokaariyan bhrakar uttain? unhon ne us se kaha, sat ttokare.

20 us ne un se kaha, sat ttokare.

21 us ne un se kaha, kya tum ab tak naheen samajhte?

22 aur ve baaitasaaida men aae aur log aek andho ko usake pas le aae aur us se binatee kee, ki us ko chooe.

23 vah us andho ka hath pakadkar use ganv ke bahar le gaya, aur us kee ankhon men tookakar us par hath rakhe, aur us se poochha kya too kuchh dekhta haai?

24 us ne ankh utta kar kaha maain manushyon ko dekhta hoon kyonki ve mujhe chalate huae dikhai dete haai, jaaise ped.

25 tab us ne fir dobara us kee ankhon par hath rakhe, aur us ne dhyan se dekha, aur changa ho gaya, aur sab kuchh safa safa dekhne laga.

26 aur us ne us se yah kahakar ghar bheja, ki is ganv ke bheetar panv bhee n rakhna..

27 yeeshu aur usake chele kaaisaariya filippe ke gavon men chale gaae: aur marga men us ne apne chelon se poochha ki log mujhe kya kahate haain?

28 unhon ne uttr diya, ki yoohanna bapatisma denevala par koi koi ealiyyaha aur koi koi bhavishyadvktaon men se ek bhee kahate haain.

29 us ne un se poochha parantu tum mujhe kya kahate ho? pataras ne us ko uttr diya too maseeh haai.

30 tab us ne unhen chitakar kaha, ki mere vishay men yah kisee se n kahana.

31 aur vah unhen sikhane laga, ki manushy ke putra ke liye avashy haai, ki vah bahut dukh uttaa, aur puraniae aur mahayajak aur shaasree use tuchchh samajhkar mar dalen aur vah teen din ke bad jee utte.

32 us ne yah bat un se safa safa kah dee: is par pataras use alag le jakar jhdikane laga.

33 parantu us ne firakar, aur apne chelon kee or dekhkar pataras ko jhdikar kar kaha ki he shautan, mere samhane se door ho kyonki too parameshvar kee baton par nahee, parantu manushy kee baton par man lagata haai.

34 us ne bheed ko apne chelon samet pas bulakar un se kaha, jo koi mere peechhe ana chahe, vah apne ape se inkar kare aur apana kroos uttakar, mere peechhe ho le.

35 kyonki jo koi apana praan bachana chahe vah use khoaega, par jo koi mere aur susamachar ke liye apana praan khoaega, vah use bachaega.

36 yaadi manushy sare jagat ko praapt kare aur apane praan kee hani uttaa, to use kya labh hoga?

37 aur manushy apane praan ke badale kya dega?

38 jo koi is vyaabhaicharee aur papee jaati ke beech mujh se aur meree baton se lajaaega, manushy ka putra bhee jab vah paavitra dooton ke sath apane pita kee maahima saahit aaega, tab us se bhee lajaaega.

Marakus 9

1 aur us ne un se kaha maain tum se sach kahata hoo, ki jo yahan khde haai, un men se koi aeese haai, ki jab tak parameshvar ke rajy ko samarth saahit ata hua n dekh le, tab tak mratyu ka svad kadapi n chakhenge..

2 chh: din ke bad yeeshu ne pataras aur yakoob aur yoohanna ko sath liya, aur aekant men kisee unche pahad par le gaya aur un ke samhane usaka roop badal gaya.

3 aur usaka vasr aeese chamakane laga aur yahan tak ati ujjaaval hua, ki prathvee par koi dhaebee bhee vaaisa ujjaaval naheen kar sakata.

4 aur unhen moosa ke sath aeliyyah dikhai diya aur ve yeeshu ke sath baten karate the.

5 is par pataras ne yeeshu se kaha he rabbee, hamara yahan rahana achchha haai: isaliye ham teen mandp banaaen aek tere liye, aek moosa ke liye, aur aek aeliyyah ke liye.

6 kyonaki vah n janata tha, ki kya uttr de isaaliye ki ve bahut dr gaae the.

7 tab aek badal ne unhen chha liya, aur us badal men se yah shabd nikala, ki yah mera piry putra haai us kee suno.

8 tab unhon ne aekaaek charon aur draashti kee, aur yeeshu ko chhod apane sath aur kisee ko n dekha..

9 pahad se utarate hua, us ne unhen agyaa dee, ki jab tak manushy ka putra mare huon men se jee n utte, tab tak jo kuchh tum ne dekha haai vah kisee se n kahana.

10 unhon ne is bat ko smaran rakha aur apas men vada-avivad karane lage, ki mare huon men se jee uttne ka kya arth haai?

11 aur unhon ne us se poochha, shaasree kyon kahate haai, ki aeliyyah ka pahile ana avashy haai?

12 us ne unhen uttr diya ki eliyah sachamuch pahile akar sab kuchh sudhaarega, parantu manushy ke putra ke vishay men yah kyon likha haai, ki vah bahut dukh uttaega, aur tuchchh gina jaega?

13 parantu maain tum se kahata hoo, ki aeliyyah to a chuka, aur jaaisa usake vishay men likha haai, unhon ne jo kuchh chaha usake sath kiya..

14 aur jab vah chelon ke pas aya, to dekha ki un ke charon aur badee bheed lagee haai aur shaasree un ke sath vivad kar rahen haain.

15 aur use dekhte hee sab bahut hee ashcharya karane lage, aur us kee or daudkar use namaskar kiya.

16 us ne un se poochha tum in se kya vivad kar rahe ho?

17 bheed men se aek ne use uttr diya, ki he guro, maain apane putra ko, jis men goongee atma samai haai, tere pas laya tha.

18 jahan kaheen vah use pakadtee haai, vaheen pattkar detee haai: aur vah munh men faen bhr lata, aur dant peesata, aur sookhta jata haai: aur maain ne chelon se kaha i ki ve use nikal den parantu vah nikal n sake.

19 yah sunakar us ne un se uttr deke kaha: ki he avishvasee logo, maain kab tak tumhare sath rahoonga? aur kab tak tumharee sahoonga? use mere pas lao.

20 tab ve use usake pas le aae: aur jab us ne use dekha, to us atma ne turant use maroda aur vah boomi par gira, aur munh se faen bahate huae lottne laga.

21 us ne usake pita se poochha is kee yah dasa kab se haai?

22 us ne kaha, bachapan se : us ne ise nash karane ke liye kabhee ag aur kabhee panee men giraya parantu yaadi too kuchh kar sake, to ham par taras khakar hamara upakar kara.

23 yeeshu ne us se kaha yaadi too kar sakata haai yah kya bata haai? vishvas karanevale ke liye sab kuchh ho sakata haai.

24 balak ke pita ne turant gidgidakar kaha he prabhu, maain vishvas karata hoo, mere aavishvas ka upay kara.

25 jab yeeshu ne dekha, ki log daudkar bheed laga rahe haai, to us ne ashuuddh atm ko yah kahakar dantta, ki he goongee aur baahiree atma, maain tujhe agyaa deta hoo, us men se nikal a, aur us men fir kabhee praves n kara.

26 tab vah chillakar, aur use bahut marod kar, nikal ai aur balak mara hua sa ho gaya, yahan tak ki bahut lage kahane lage, ki vah mar gaya.

27 parantu yeeshu ne usaka hath pakad ke use uttaya, aur vah khda ho gaya.

28 jab vah ghar men aya, to usake chelon ne aekant men us se poochha, ham use kya n nikal sake?

29 us ne un se kaha, ki yah jati bina praarthna kisee aur upay se nikal naheen sakatee..

30 fir ve vahan se chale, aur galeel men hokar ja rahe the, aur vah apane chelon ko upadesh deta aur un se kahata tha, ki manushy ka putra manushyon ke hath men pakadvaya jaaega, aur ve use mar dalenge, aur vah marane ke teen din bad jee uttega.

31 par yah bat un kee samajh men naheen ai, aur ve us se poochhne se drate the..

32 fir ve kafaranahoom men aae aur ghar men akar us ne un se poochha ki raste men tum kis bat par vivad karate the?

33 ve chup rahe, kyonki marga men unhon ne apas men yah vada-vivad kiya tha, ki ham men se bada kaun haai?

34 ve chup rahe, kyonki marga men unhon ne apas men yah vada-vivad kiya tha, ki ham men se bada kaun haai?

35 tab us ne baaitkar barahon ko bulaya, aur un se kaha, yaadi koi bada hona chahe, to sab se chhotta aur sab ka sevak bane.

36 aur us ne aek balak ko lekar un ke beech men khda kiya, aur usake god men lekar un se kaha.

37 jo koi meere nam se aeese balakon men se kisee aek ko bhee grahan karata haai, vah mujhe grahan karata haai aur jo koi mujhe grahan karata, vah mujhe nahee, baran mere bhejanevale ko grahan karata haai..

38 tab yoohanna ne us se kaha, he guroo ham ne aek manushy ko tere nam se dushttatmaon ko nikalate dekha aur ham use mana karane lage, kyonaki vah hamare peechhe naheen ho leta tha.

39 yeeshu ne kaha, us ko mat mana karo kyonaki aeese koi naheen jo mere nam se samarth ka kam kare, aur jaldee se mujhe bura kah sake.

40 kyonaki jo hamare virodha men nahee, vah hamaree or haai.

41 jo koi aek kattora panee tumhen isaliye pilaae ki tum maseeh ke ho to maain tum se sach kahata hoon ki vah apana pratifal kisee reeati se n khoaega.

42 par jo koi in chhotton men se jo mujh par vishvas karate haai, kisee ko ttokar khailaae to usake liye bhla yah he ki aek badee chakkee ka patt usake gale men lattkaya jaae aur vah samudra men dal diya jaae.

43 yaadi tera hath tujhe ttokar khailaae to use katt dal ttunda hokar jeevan men pravesh karana, tere liye is se bhla haai ki do hath rahate huae narak ke beech us ag men dala jaae jo kabhee bujhne kee naheen.

44

- ⁴⁵ aur yaadi tera panv tujhe ttokar khailaae to use katt dala.
- ⁴⁶ langada hokar jeevan men pravesh karana tere liye is se bhla haai, ki do panv rahate huae narak men dala jaae.
- ⁴⁷ aur yaadi teree ankh tujhe ttokar khailaae to use nikal dal, kana hokar parameshvar ke rajy men pravesh karana tere liye is se bhla haai, ki do ankh rahate huae too narak men dala jaae.
- ⁴⁸ jahan un ka keeda naheen marata aur ag naheen bujhtee.
- ⁴⁹ kyonaki har aek jan ag se namakeen kiya jaaega.
- ⁵⁰ namak achchha haai, par yaadi namak kee namakeenee jatee rahe, to use kis se svaadit karoge? apne men namak rakho, aur apas men mel milap se raho..

Marakus 10

- ¹ fir vah vahan se uttkar yahoodiya ke sivanon men aur yaradan ke par aya, aur bheed usake pas fir ikatthee ho gai, aur vah apanee reeti ke anusar unhen fir upadesh dene laga.
- ² tab fareesiyon ne usake pas akar us kee pareeksha karane ko us se poochha, kya yah uchit haai, ki puroosh apanee patnee ko tyage?
- ³ us ne un ko uttr diya, ki moosa ne tumhen kya agyaa dee haai?
- ⁴ unhon ne kaha, moosa ne tyag patra likhne aur tyagane kee agyaa dee haai.
- ⁵ yeeshu ne un se kaha, ki tumhare man kee kattorata ke karan us ne tumhare liye yah agyaa likhee.
- ⁶ par sraashti ke arambh se parameshvar ne nar aur naree karake un ko banaya haai.
- ⁷ is karan manushy apne mata-pita se alag hokar apanee patnee ke sath rahega, aur ve donon aek tan honge.
- ⁸ isaliye ve ab do naheen par aek tan haain.
- ⁹ isaliye jise parameshvar ne joda haai use manushy alag n kare.
- ¹⁰ aur ghar men chelon ne is ke vishay men us se fir poochha.
- ¹¹ us ne un se kaha, jo koi apanee patnee ko tyagakar doosaree se byah kare to vah us paahilee ke virodha men vyaabhaichar karata haai.
- ¹² aur yaadi patnee apne pati ko chhodkar doosare se byah kare, to vah vyaabhaichar karata haai.
- ¹³ fir log balakon ko usake pas lane lage, ki vah un par hath rakhe, par chelon ne unako dantta.

- 14 yeeshu ne yah dekh krudha hokar un se kaha, balakon ko mere pas ane do aur unhen mana n karo, kyonki parameshvar ka rajy aeelon hee ka haai.
- 15 maain tum se sach kahata hoo, ki jo koi parameshvar ke rajy ko balak kee nai grahan n kare, vah us men kabhee pravesh karane n paaega.
- 16 aur us ne unhen god men liya, aur un par hath rakhkar unhen ashaeesh dee..
- 17 aur jab vah nikalakar marga men jata tha, to aek manushy usake pas daudta hua aya, aur usake age ghauttne ttekakar us se poochha? he uttm guro, anant jeevan ka adhaikaree hone ke liye maain kyan karoon?
- 18 yeeshu ne us se kaha, too mujhe uttm kyon kahata haai? koi uttm nahee, keval aek arthata parameshvara.
- 19 too agyaaon ko to janata haai hatya n karana, vyabhaichar n karana, choree n karana, joottee gavahee n dena, chhl n karana, apane pita aur apanee mata ka adar karana.
- 20 us ne us se kaha, he guro, in sab ko maain ladkapan se manata aya hoon.
- 21 yeeshu ne us par drashti karake us se praem kiya, aur us se kaha, tujh men aek bat kee ghattee haai ja, jo kuchh tera haai, use bech kar kangalon ko de, aur tujhe svarga men dhan milega, aur akar mere peechhe ho le.
- 22 is bat se usake chihare par udasee chha gai, aur vah shaek karata hua chala gaya, kyonaki vah bahut dhanee tha.
- 23 yeeshu ne charon or dekhkar apane chelon se kaha, dhanavanon ko parameshvarake rajy men pravesh karana kaaisa kaattnai haai!
- 24 yeeshu ne charon aur dekhkar apane chelon se kaha, dhanavanon ko parameshvar ke rajy men pravesh karana kaaisa kaattnai haai!
- 25 chele us kee baton se achambhiat hua, is par yeeshu ne fir un ko uttr diya, he balako, jo dhan par bhrosa rakhte haai, un ke liye parameshvar ke rajy men pravesh karana kaaisa kattnai haai!
- 26 ve bahut hee chakit hokar apas men kahane lage to fir kis ka uddhar ho sakata haai.
- 27 yeeshu ne un kee or dekhkar kaha, manushyon se to yah naheen ho sakata, parantu parameshvar se ho sakata haai kyonaki parameshvar se sab kuchh ho sakata haai.
- 28 pataras us se kahane laga, ki dek, ham to sab kuchh chhodkar tere peechhe ho liye haain.
- 29 yeeshu ne kaha, maain tum se sach kahata hoo, ki aeesa koi nahee, jis ne mere aur susamachar ke liye ghar ya bhaiyon ya baahinon ya mata ya pita ya ladke-balon ya kheton ko chhod diya ho.

30 aur ab is samay sau guna n paa, gharon aur bhaiyon aur baahinon aur mataon aur ladke-balon aur kheton ko par upadrav ke sath aur paralok men anant jeevana.

31 par bahutere jo pahile haai, pichhle honge aur jo pichhle haai, ve pahile honge.

32 aur ve yarooshalem ko jate huae marga men the, aur yeeshu un ke age age ja raha tha: aur ve achambha karane lage aur jo usake peechhe peechhe chalate the drane lage, tab vah fir un barahon ko lekar un se ve baten kahane laga, jo us par anevalee theen.

33 ki dekho, ham yarooshalem ko jate haai, aur manushy ka putra mahayajakon aur shaastriayon ke hath pakadvaya jaaega, aur ve us ko ghaat ke yogy ttharaaenge, aur anyajatiyon ke hath men saunpenge.

34 aur ve us ko tttthon men udaaenge, aur us par tookenge, aur use kode mareenge, aur use ghaat karenge, aur teen din ke bad vah jee uttega..

35 tab jabadee ke putra yakoob aur yoohanna ne usake pas akar kaha, he guro, ham chahate haai, ki jo kuchh ham tujh se mange, vahee too hamare liye kare.

36 us ne un se kaha, tum kya chahate ho ki maain tumhare liye karoon?

37 unhon ne us se kaha, ki hamen yah de, ki teree maahima men ham men se ek tere dahine aur doosara tere banae baaitte.

38 yeeshu n un se kaha, tum naheen janate, ki kya mangate ho? jo kattora maain peene par hoo, kya pee sakate ho? aur jo bapatisma maain lene par hoo, kya le sakate ho?

39 unhon ne us se kaha, ham se ho sakata haai: yeeshu ne un se kaha: jo kattora maain peene par hoo, tum peeonge aur jo bapatisma maain lene par hoo, use loge.

40 par jin ke liye taaiyar kiya gaya haai, unhen chhod aur kisee ko apane daahine aur apane baaen bittana mera kam naheen.

41 yah sunakar dason yakoob aur yoohanna par risiyane lage.

42 aur yeeshu ne un ko pas bula kar un se kaha, tum janate ho, ki jo anyajaatiyon ke haakim samajhe jate haai, ve un par prabhuta karate haain aur un men jo baden haai, un par adhaikar jatate haain.

43 par tum men aeesa naheen haai, baran jo koi tum men bada hona chahe vah tumhara sevak bane.

44 aur jo koi tum men pradhaan hona chahe, vah sab ka das bane.

⁴⁵ kyonaki manushy ka putra isaliye naheen aya, ki us kee seva ahal kee jaa, par isaaliye aya, ki ap seva tthal kare, aur bahuton kee chhudautee ke liye apana praan de..

⁴⁶ aur ve yareeho men aa, aur jab vah aur usake chele, aur aek badee bheed yareeho se nikalatee thee, to timai ka putra baratimai aek andha bhaikharee sadk ke kinare baaitta tha.

⁴⁷ vah yah sunakar ki yeeshu nasaree haai, pukar pukar kar kahane laga ki he daud kee santan, yeeshu mujh par daya kara.

⁴⁸ bahuton ne use dantta ki chup rahe, par vah aur bhee pukarane laga, ki he daud kee santan, mujh par daya kara.

⁴⁹ tab yeeshu ne ttharakar kaha, use bulao aur logon ne us andho ko bulakar us se kaha, ddhaddhs bandha, ut, vah tujhe bulata haai.

⁵⁰ vah apana kapada faenkakar shaeegha utta, aur yeeshu ke pas aya.

⁵¹ is par yeeshu ne us se kaha too kya chahata haai ki maain tere liye karoon? andho ne us se kaha, he rabbee, yah ki maain dekhne lagoon.

⁵² yeeshu ne us se kaha chala ja, tere vishvas ne tujhe changa kar diya haai: aur vah turant dekhne laga, aur marga men usake peechhe ho liya..

Marakus 11

¹ jab ve yarooshalem ke nikatt jaaitoon pahad par baaitafage aur baaitaniyyah ke pas aa, to us ne apane chelon men se do ko yah kahakar bheja.

² ki apane samhane ke ganv men jao, aur us men panhuchate hee aek gadahee ka bachcha jis par kabhee koi naheen chaddha, bandhaahua tumhen milega, use khol lao.

³ yaadi tum se koi poochhe, yah kyon karate ho? to kahana, ki prabhu ko is ka prayojan haai aur vah shaeegha use yahan bhej dega.

⁴ unhon ne jakar us bachche ko bahar dar ke pas chauk men bandha hua paya, aur kholate lage.

⁵ aur un men se jo vahan khde the, koi koi kahane lage ki yah kya karate ho, gadahee ke bachche ko kyon khelate ho?

⁶ unhon ne jaaisa yeeshu ne kaha tha, vaaisa hee un se kah diya tab unhon ne unhen jane diya.

⁷ aur unhon ne bachche ko yeeshu ke pas lakar us par apane kapade dale aur vah us par baaitt gaya.

- 8 aur bahuton ne apane kapade marga men bichhaae aur auron ne kheton men se daaliyan katt katt kar faaila deen.
- 9 aur jo usake age age jate aur peechhe peechhe chale ate the, pukar pukar kar kahate jate the, ki hoshaana dhany haai vah jo prabhu ke nam se ata haai.
- 10 hamare pita daud ka rajy jo a raha haai dhany haai: akash men hoshaana..
- 11 aur vah yarooshalem pahunchakar mandair men aya, aur charon or sab vastuon ko dekhkar barahon ke sath baaitaniyyah gaya kyonki sanjh ho gai thee..
- 12 doosare din jab ve baaitaniyyah se nikale to us ko bookh lagee.
- 13 aur vah door se anjeer ka aek hara ped dekhkar nikatt gaya, ki kya jane us men kuchh paae: par paton ko chhod kuchh n paya kyonki fal ka samay n tha.
- 14 is par us ne us se kaha ab se koi tera fal kabhee n khaae. aur usake chele sun rahe the.
- 15 fir ve yarooshalem men aa, aur vah mandair men gaya aur vahan jo lena-den kar rahe the unhen bahar nikalane laga, aur sarrafaon ke peeddhe aur kabootar ke bechanevalon kee chauakiyan ulatt deen.
- 16 aur maandair men se hokar kisee ko baratan lekar ane jane n diya.
- 17 aur upadesh karake un se kaha, kya yah naheen likha haai, ki mera ghar sab jaatiyon ke liye praarthna ka ghar kahalaaega? par tum ne ise dakuon kee khoh bana dee haai.
- 18 yah sunakar mahayajak aur shaasree usake nash karane ka avasar ddoonddhne lage kyonki us se drate the, isaaliye ki sab log usake upadesh se chaakit hote the..
- 19 aur praati din sanjh hote hee vah nagar se bahar jaya karata tha.
- 20 fir bhor ko jab ve udhar se jate the to unhon ne us anjeer ke ped ko jad tak sookha hua dekha.
- 21 pataras ko vah bat smaran ai, aur us ne us se kaha, he rabbee, dek, yah anjeer ka ped jise too ne srap diya tha sookh gaya haai.
- 22 yeeshu ne us ko uttr diya, ki parameshvar par vishvas rakho.
- 23 maain tum se sach kahata hoon ki jo koi is pahad se kahe ki too ukhd ja, aur samudra men ja pad, aur apane man men sandeh n kare, varan prateeti kare, ki jo kahata hoon vah ho jaaega, to usake liye vahee hoga.
- 24 isaliye maain tum se kahata hoo, ki jo kuchh tum praarthna karake mangon to prateeti kar lo ki tumhen mil gaya, aur tumhare liye ho jaaega.

- 25** aur jab kabhee tum khde huae praarthna karate ho, to yadi tumhare man men kisee kee aur se kuchh virodha, ho to kshama karo: isaaliye ki tumhara svargeey pita bhee tumhare aparadha kshama kare..
- 26** aur yaadi tum kshama n karo to tumhara pita bhee jo svarga men haai, tumhara aparadha kshama n karega.
- 27** ve fir yarooshalem men aa, aur jab vah mandair men tthal raha tha to mahayajak aur shaasree aur puraniae usake pas akar poochhne lage.
- 28** ki too ye kam kis adhaikar se karata haai? aur yah adhaikar tujhe kis ne diya haai ki too ye kam kare?
- 29** yeeshu ne us se kaha: maain bhee tum se aek bat poochhta hoon mujhe uttr do: to maain tumhen bataunga ki ye kam kis adhaikar se karata hoon.
- 30** yoohanna ka bapaatisma kya svarga kee or se tha va manushyon kee or se tha? mujhe uttr do.
- 31** tab ve apas men vivad karane lage ki yadi ham kahe, svarga kee or se, to vah kahega fir tum ne us kee prateeeti kyon naheen kee?
- 32** aur yaadi ham kahe, manushyon kee or se to logon ka dr haai, kyonaki sab janate haain ki yoohanna sachamuch bhavishyadvkta haai.
- 33** so unhon ne yeeshu ko uttr diya, ki ham naheen janate : yeeshu ne un se kaha, maain bhee tum ko naheen batata, ki ye kam kis adhaikar se karata hoon..

Marakus 12

- 1** fir vah drashttant men un se baten karane laga: ki kisee manushy ne dakh kee baree lagai, aur usake charon or bada bandha, aur ras ka kund khoda, aur gummatt banaya aur kisanon ko usaka tteeka dekar paradesh chala gaya.
- 2** fir fal ke mausam men us ne kisanon ke pas aek das ko bheja ki kisan se dakh kee baree ke falon ka bhag le.
- 3** par unhon ne use pakadkar peetta aur choochhe hath lautta diya.
- 4** fir us ne aek aur das ko un ke pas bheja aur unhon ne usaka sir faod dala aur usaka apaman kiya.
- 5** fir us ne aek aur ko bheja, aur unhon ne use mar dala: tab us ne aur bahuton ko bheja: un men se unhon ne kitano ko peetta, aur kitanon ko mar dala.
- 6** ab aek hee rah gaya tha, jo usaka piry putra tha ant men us ne use bhee un ke pas yah sochakar bheja ki ve mere putra ka adar karenge.
- 7** par un kisanon ne apas men kaha yahee to vaaris haai ao, ham use mar dale, tab meeras hamaree ho jaaenge.

- 8 aur unhon ne use pakadkar mar dala, aur dakh kee baree ke bahar faenk diya.
- 9 isaliye dakh kee baree ka svamee kya karega? vah akar un kisanon ko nash karega, aur dakh kee baree auron ko de dega.
- 10 kya tum ne pavitra shaasr men yah vachan naheen paddha, ki jis patthr ko rajaamisryon ne nikamma ttharaya tha, vahee kone ka sira ho gaya?
- 11 yah prabhu kee or se hua, aur hamaree duashti me adabhut haai.
- 12 tab unhon ne use pakadna chaha kyonki samajh gae the, ki us ne hamare virodha men yah drashttant kaha haai: par ve logon se dre aur use chhod kar chale gae..
- 13 tab unhon ne use baton men fansane ke liye kai aek fareeasiyon aur herodiyon ko usake pas bheja.
- 14 aur unhon ne akar us se kaha he guro, ham janate haai, ki too sachcha haai, aur kisee kee parava naheen karata kyonki too manushyon ka munh dekh kar baten naheen karata, parantu parameshvar ka marga sachchaai se batata haai.
- 15 to kya kaaisa ko kar dena uchit haai, ki naheen? ham de, ya n den? us ne un ka kapatt janakar un se kaha mujhe kyon parakhte ho? aek deenar mere pas lao, ki maain dekoon.
- 16 ve le aa, aur us ne un se kaha yah moorti aur nam kis ka haai? unhon ne kaha, kaaisar ka.
- 17 yeeshu ne un se kaha jo kaaisar ka haai vah kaaisar ko, aur jo parameshvar ka haai parameshvar ko do: tab ve us par bahut achambha karane lage..
- 18 fir sadookiyon ne bhee, jo kahate haain ki mare huon ka jee uttna haai hee nahee, usake pas akar use poochha.
- 19 ki he guro, moosa ne hamare liye likha haai, ki yadi kisee ka bhai bina santan mar jaa, aur us kee patnee rah jaa, to usaka bhai us kee patnee ko byah le aur apane bhai ke liye vansh utpann kare : sat bhai the.
- 20 paahila bhai byah karake bina santan mar gaya.
- 21 tab doosare bhai ne us sree ko byah liya aur bina santan mar gaya aur vaaise hee teesare ne bhee.
- 22 aur saton se santan n hui: sab ke peechhe vah sree bhee mar gai.
- 23 so jee uttne par vah un men se kis kee patnee hogee? kyonaki vah saton kee patnee ho chukee thee.
- 24 yeeshu ne un se kaha kya tum is karan se bool men naheen pade ho, ki tum n to paavitra shaasr hee ko janate ho, aur n parameshvar kee samarth ko.

25 kyonaki jab ve mare huon men se jee uttenge, to un men byah shaadee n hogee par svarga men dooton kee nai honge.

26 mare huon ke jee uttne ke vishay men kya tum ne moosa kee pustak men jhadee kee katha men nahee paddha, ki parameshvar ne us se kaha, maain ibraaheem ka parameshvar, aur isahak ka parameshvar, aur yakoob ka parameshvar hoon?

27 parameshvar mare huon ka nahee, varan jeevaton ka parameshvar haai: so tum badee bool men pade ho..

28 aur shaastriayon men se aek ne akar unhen vivad karate suna, aur yah janakar ki us ne unhen achchhee reeti se uttr diya us se poochha, sab se mukhy agyaa kaun see haai?

29 yeeshu ne use uttr diya, sab agyaaon men se yah mukhy haai he israael suna prabhu hamara parameshvar aek hee prabhu haai.

30 aur too prabhu apane parameshvar se apane sare man se aur apane sare praan se, aur apanee saree buddh ise, aur apanee saree shaktai se praem rakhna.

31 aur doosaree yah haai, ki too apane padosee se apane saman praem rakhna: is se badee aur koi agyaa naheen.

32 shaasree ne us se kaha he guro, bahut tteeka! too ne sach kaha, ki vah aek hee haai, aur use chhod aur koi naheen.

33 aur us se sare man aur saree buaddh iddh aur sare praan aur saree shaktai ke sath praem rakhna aur padosee se apane saman praem rakhna, sare homon aur balidanon se baddhkar haai.

34 jab yeeshu ne dekha ki us ne samajh se uttr diya, to us se kaha too parameshvar ke rajy se door naheen: aur kisee ko fir us se kuchh poochhne ka sahas n hua..

35 fir yeeshu ne maandair men upadesh karate huae yah kaha, ki shaasree kyonkar kahate haai, ki maseeh daud ka putra haai?

36 daud ne apahee pavitra atma men hokar kaha haai, ki prabhu ne mere prabhu se kaha mere daahine baait, jab tak ki maain tere baaiariyon ko tere panvon kee peeddhee n kar doon.

37 daud to ap hee use prabhu kahata haai, fir vah usaka putra kahan se ttara? aur bheed ke log us kee anand se sunate the..

38 us ne apane upadesh men un se kaha, shaastriayon se chaukas raho, jo lambe vasr paahine huae firana.

³⁹ aur bajaron men namaskar, aur aradhanalayan men mukhy mukhy asan aur jevanaron men mukhy mukhy sthan bhee chahate haain.

⁴⁰ ve vidhavaon ke gharon ko kha jate haai, aur dikhane ke liye badee der tak praarthna karate rahate haai, ye adhaik dand paaenge..

⁴¹ aur vah maandair ke bhndar ke samhane baaittkar dekh raha tha, ki log maandair ke bhndar men kis prakar paaise dalate haai, aur bahut dhanavanon ne bahut kuchh dala.

⁴² itane men aek kangal vidhava ne akar do damadiya, jo aek adhole ke barabar hotee haai, dalee.

⁴³ tab us ne apane chelon ko pas bulakar un se kaha maain tum se sach kahata hoo, ki maandair ke bhndar men dalane valon men se is kangal vidhava ne sab se baddhkar dala haai.

⁴⁴ kyonaki sab ne apane dhan kee baddhtee men se dala haai, parantu is ne apanee ghattee men se jo kuchh usaka tha, arthata apanee saree jeevika dal dee haai.

Marakus 13

¹ jab vah maandair se nikal raha tha, to usake chalon men se aek ne us se kaha he guro, dek, kaaise kaaise patthr aur kaaise kaaise bhvan haain!

² yeeshu ne us se kaha kya tum ye bade bade bhvan dekhte ho: yahan patthr par patthr bhee bacha n rahega jo ddhaya n jaaega..

³ jab vah jaaitoon ke pahad par maandair ke samhane baaitta tha, to pataras aur yakoob aur yoohanna aur andairyas ne alag jakar us se poochha.

⁴ ki hamen bata ki ye baten kab hongee? aur jab ye sab baten pooree hone par hongee us samay ka kya chinh hoga?

⁵ yeeshu un se kahane laga chaukas raho ki koi tumhen n bhramaae.

⁶ bahutere mere nam se akar kahenge, ki maain vahee hoon aur bahuton ko bhramaaenge.

⁷ aur jab tum ladaiya, aur ladaiyon kee charcha suno to n ghabarana: kyonki in ka hona avashy haai parantu us samay ant n hoga.

⁸ kyonaki jati par jati, aur rajy par rajy chaddhai karega, aur har kaheen booindol hongee, aur akal padenge yah to peedaon ka arambh hee hoga..

⁹ parantu tum apane vishay men chaukas raho kyonki log tumhen mahasabhaon men saunpenge aur tum panchayatton men peette jaoge aur mere karan haakimon aur rajaon ke age khde kiae jaoge, taki un ke liye gavahee ho.

- 10 par avashy haai ki pahile susamachar sab jatiyon men prachar kiya jaae.
- 11 jab ve tumhen le jakar saunpenge, to pahile se chinta n karana, ki ham kya kahenge par jo kuchh tumhen usee ghadee bataya jaa, vahee kahana kyonki bolanevale tum naheen ho, parantu pavitra atma haai.
- 12 aur bhai ko bhai, aur pita ko putra ghaat ke liye saunpenge, aur ladkebale mata-apita ke virodha men uttkar unhen marava dalenge.
- 13 aur mere nam ke karan sab log tum se baair karenge par jo ant tak dhaeraj dhare rahega, usee ka uddhar hoga..
- 14 so jab tum us ujadnevalee gharanait vastu ko jahan uchit naheen vahan khdee dekho, paddhnevala samajh le tab jo yahoodiya men ho, ve pahadon par bhag jaaen.
- 15 so kotte par ho, vah apane ghar se kuchh lene ko neeche n utare aur n bheetar jaae.
- 16 aur jo khet men ho, vah apana kapada lene ke liye peechhe n lautte.
- 17 un dinon men jo garbhvatee aur doodha pilatee hongee, un ke liye hay haya!
- 18 aur praarthna kiya karo ki yah jade men n ho.
- 19 kyonaki ve din aeese klesh ke hongee, ki srashtti ke arambh se jo parameshvar ne srajee haai ab tak n to hua, aur n kabhee fir hongee.
- 20 aur yaadi prabhu un dinon ko n ghattata, to koi praanee bhee n bachata parantu un chune huon ke karan jin ko us ne chuna haai, un dinon ko ghattaya.
- 21 us samay yadi koi tum se kahe dekho, maseeh yahan haai, ya dekho, vahan haai, to prateeti n karana.
- 22 kyonaki jootte maseeh aur jootte bhavishyadvkta utt khde hongee, aur chinh aur adabhut kam dikhaaenge ki yadi ho sake to chune huon ko bhee bhrama den.
- 23 par tum chaukas raho: dekho, maain ne tumhen sab baten pahile hee se kah dee haain.
- 24 un dinon me, us klesh ke bad sooraj andhora ho jaega, aur chand prakash n dega.
- 25 aur akash se taragan girane lagenge: aur akash kee shaaktaiyan hilai jaaengeee.
- 26 tab log manushy ke putra ko badee samarth aur mahima ke sath badalon men ate dekhnege.
- 27 us samay vah apane dooton ko bhejekar, prathvee ke is chhor se akash kee us chhor tak charon disha se apane chune huae logon ko ikatthe karega.

- 28 anjeer ke ped se yah drashttant seekho: jab us kee dalee komal ho jatee aur patte nikalane lagate haain to tum jan lete ho, ki graeeshmakal nikatt haai.
- 29 isee reeti se jab tum in baton ko hote dekho, to jan lo, ki vah nikatt haai varan dar hee par haai.
- 30 maain tum se sach kahata hoo, ki jab tak ye sab baten n ho lengee, tab tak yah log jate n rahenge.
- 31 akash aur prathvee al jaaenge, parantu meree baten kabhee n tlengee.
- 32 us din ya us ghadee ke vishay men koi naheen janata, n svarga ke doot aur n putra parantu keval pita.
- 33 dekho, jagate aur praarthna karate raho kyonki tum naheen janate ki vah samay kab aaega.
- 34 yah us manushy kee see dasa haai, jo paradesh jate samay apana ghar chhod jaa, aur apane dason ko adhaikar de: aur har aek ko usaka kam jata de, aur darapal ko jagate rahane kee agyaa de.
- 35 isaliye jagate raho kyonki tum naheen janate ki ghar ka svamee kab aaega, sanjh ko ya adhaee rat ko, ya murga ke bang dene ke samay ya bhor ko.
- 36 aeesa n ho ki vah achanak akar tumhen sote paae.
- 37 aur jo maain tum se kahata hoo, vahee sab se kahata hoo, jagate raho..

Marakus 14

- 1 do din ke bad fasah aur akhmeeree rottee ka pavrva honevala tha: aur mahayajak aur shaasree is bat kee khoj men the ki use kyonkar chhl se pakad kar mar dalen.
- 2 parantu kahate the, ki pavrva ke din nahee, kaheen aeesa n ho ki logon me balava mache..
- 3 jab vah baaitaniyyah men shamaun koddhee ke ghar bhojan karane baaita hua tha jab aek sree sangamaramar ke patra men jattamansee ka bahumooly shuuddh itra lekar ai aur patra tod kar itra ko usake sir par undela.
- 4 parantu koi koi apane man men risiyakar kahane lage, is itra ko kyon satyanash kiya gaya?
- 5 kyoki yah itra to tee sau deenar se adhaik mooly men bechakar kangalon ko bantta ja sakata tha, or ve us ko jhdikane lage.
- 6 yeeshu ne kaha use chhod do use kyon satate ho? us ne to mere sath bhalai kee haai.

- ⁷ kangal tumhare sath sada rahate haain: aur tum jab chaho tab un se bhilai kar sakate ho par maain tumhare sath sada n rahoonga.
- ⁸ jo kuchh vah kar sakee, us ne kiya us ne mere gade jane kee taaiyaree men pahile se merree deh par itra mala haai.
- ⁹ maain tum se sach kahata hoo, ki sare jagat men jahan kaheen susamachar prachar kiya jaaega, vahan usake is kam kee charcha bhee usake smaran men kee jaaegee..
- ¹⁰ tab yahooda isakariyotee jo barah men se aek tha, mahayajakon ke pas gaya, ki use un ke hath pakadva de.
- ¹¹ ve yah sunakar anandait hua, aur us ko roopaye dena sveekar kiya, aur yah avasar ddoonddhne laga ki use kisee prakar pakadva de..
- ¹² akhmeeree rottee ke pavrva ke paahile din, jis men se fasah ka baalidan karate the, usake chelon ne us se poochha, too kahan chahata haai, ki ham jakar tere liye fasah khane kee taaiyaree kare?
- ¹³ us ne apane chelon men se do ko yah kahakar bheja, ki nagar men jao, aur ek manushy jal ka ghada uttaa, huae tumhen milega, usake peechhe ho lena.
- ¹⁴ aur vah jis ghar men jaae us ghar ke svamee se kahana guroo kahata haai, ki merree pahunashaala jis men maain apane chelon ke sath fasah khaun kahan haai?
- ¹⁵ vah tumhen aek sajee sajai, aur taaiyar kee hui badee attaree dikha dega, vahan hamare liye taaiyaree karo.
- ¹⁶ so chele nikalakar nagar men aye aur jaaisa us ne un se kaha tha, vaaisa kee paya, aur fasah taaiyar kiya..
- ¹⁷ jab sanjh hui, to vah barahon ke sath aya.
- ¹⁸ aur jab ve baaitte bhojan kar rahe the, to yeeshu ne kaha maain tum se sach kahata hoo, ki tum men se aek, jo mere sath bhojan kar raha haai, mujhe pakadvaaega.
- ¹⁹ un par udasee chha gai aur ve ek ek karake us se kahane lage kya vah maain hoon?
- ²⁰ us ne un se kaha, vah barahon men se ek haai, jo mere sath thalee men hath dalata haai.
- ²¹ kyonaki manushy ka putra to, jaaisa usake vishay men likha haai, jata hee haai parantu us manushy par hay jis ke dara manushy ka putra pakadvaya jata haai! yadi us manushy ka janm hee n hotakh to usake liye bhla hota..
- ²² aur jab ve kha hee rahe the to us ne rottee lee, aur ashaeesh mangakar todee, aur unahen dee, aur kaha, lo, yah merree deh haai.

- 23 fir us ne kattora lekar dhanyavad kiya, aur unhen diya aur un sab ne us men se peeya.
- 24 aur us ne un se kaha, yah vacha ka mera vah lohoo haai, jo bahuton ke liye bahaya jata haai.
- 25 maain tum se sach kahata hoo, ki dakh ka ras us din tak fir kabhee n peeunga, jab tak parameshvar ke rajy men naya n peeun..
- 26 fir ve bhjan gakar bahar jaaitoon ke pahad par gaae..
- 27 tab yeeshu ne un se kaha tum sab ttokar khaoge, kyonki likha haai, ki maain rakhvale ko maroonga, aur bhed tittr bittr ho jaaengee.
- 28 parantu maain apane jee uttne ke bad tum se paahile galeel ko jaunga.
- 29 pataras ne us se kaha yadi aek ttokar khaaen to khana, par maain ttokar naheen khaunga.
- 30 yeeshu ne us se kaha maain tujh se sach kahata hoo, ki aj hee isee rat ko murge ke do bar bang dene se pahile, too teen bar mujh se mukar jaaega.
- 31 par us ne aur bhee jor dekar kaha, yaadi mujhe tere sath marana bhee pade taubhee tera inkar kabhee n karoonga: isee prakar aur sab ne bhee kaha..
- 32 fir ve gatasamane nam aek jagah men aa, aur us ne apane chelon se kaha, yahan baaitte raho, jab tak maain praarthna karoon.
- 33 aur vah pataras aur yakoob aur yoohanna ko apane sath le gaya: aur bahut hee adhaer, aur vyakul hone laga.
- 34 aur un se kaha mera man bahut udas haai, yahan tak ki maain marane par hoon: tum yahan ttharo, aur jagate raho.
- 35 aur vah thoda age baddha, aur boomi par girakar praarthna karane laga, ki yadi ho sake to yah ghadee mujh par se ttl jaae.
- 36 aur kaha, he abba, he pita, tujh se sab kuchh ho sakata haai is kattore ko mere pas se hatta le: taubhee jaaisa maain chahata hoon vaaisa nahee, par jo too chahata haai vahee ho.
- 37 fir vah aya, aur unhen sote pakar pataras se kaha he shamaun too so raha haai? kya too aek ghadee bhee n jag saka?
- 38 jagate aur praarthna karate raho ki tum pareeksha men n pado: atma to taaiyar haai, par shareer durbal haai.
- 39 aur vah fir chala gaya, aur vahee bat kahakar praarthna kee.
- 40 aur fir akar unhen sote paya, kyonaki un kee ankhe neend se bhree theen aur naheen janate the ki use kya uttr den.

- 41 fir teesaree bar akar un se kaha ab sote raho aur vishraam karo, bas, ghadee a pahunchee dekho manushy ka putra papiyon ke hath pakadvaya jata haai.
- 42 utto, chalen: dekho, mera pakadvanevala nikatt a pahuncha haai..
- 43 vah yah kah hee raha tha, ki yahooda jo barahon men se tha, apne sath mahayajakon aur shaastriayon aur puraaniyon kee or se aek badee bheed talavaren aur laattyaian liae huae turant a pahunchee.
- 44 aur usake pakadnevale ne unhen yah pata diya tha, ki jis ko maain choomoon vahee haai, use pakadkar yatan se le jana.
- 45 aur vah aya, aur turant usake pas jakar kaha he rabbee aur us ko bahut chooma.
- 46 tab unhon ne us par hath dalakar use pakad liya.
- 47 un men se jo pas khde the, ek ne talavar kheench kar mahayajak ke das par chalai, aur usaka kan uda diya.
- 48 yeeshu ne un se kaha kya tum dakoo janakar mere pakadne ke liye talavaren aur lattyaian lekar nikale ho?
- 49 maain to har din mandair men tumhare sath rahakar upadesh diya karata tha, aur tab tum ne mujhe n pakada: parantu yah isaliye hua haai ki pavitra shaasr kee baten pooree hon.
- 50 is par sab chele use chhodkar bhag gae..
- 51 aur aek javan apanee nangee deh par chadar oddhe huae usake peede ho liya aur logon ne use pakada.
- 52 par vah chadar chhodkar nanga bhag gaya..
- 53 fir ve yeeshu ko mahayajak ke pas le gae aur sab mahayajak aur puraaniae aur shaasree usake yahan ikatthe ho gae.
- 54 pataras door hee door se usake peechhe peechhe mahayajak ke angan ke bheetar tak gaya, aur pyadon ke sath baaitt kar ag tapane laga.
- 55 mahayajak aur saree mahasabha yeeshu ke mar dalane ke liye usake virodha men gavahee kee khoj men the, par n milee.
- 56 kyonaki bahutere usake virodha men joottee gavahee de rahe the, par un kee gavahee aek see n thee.
- 57 tab kitanon ne uttkar us par yah joottee gavahee dee.
- 58 ki ham ne ise yah kahate suna haai ki maain is hath ke banaae huae mandair ko ddha doonga, aur teen din men doosara banaunga, jo hath se n bana ho.

- 33 aur usaka pita aur us kee mata in baton se jo usake vishay men kahee jatee thee, ashcharya karate the.
- 34 tab shamaun ne un ko ashaeesh dekar, us kee mata mariyam se kaha dek, vah to israael men bahuton ke girane, aur uttne ke liye, aur aek aeese chih hone ke liye ttharaya gaya haai, jis ke virodha men baten kee jaaegeen --
- 35 varan tera praan bhee talavar se var par chhdai jaaega-- is se bahut dayon ke vichar pragatt honge.
- 36 aur ashor ke gotra men se hannah nam fanooael kee bettee aek bhavishyadvaktain thee: vah bahut booddhee thee, aur byah hone ke bad sat varsha apane paati ke sath rah pai thee.
- 37 vah chaurasee varsha se vidhava thee: aur mandair ko naheen chhodtee thee par upavas aur praarthna kar karake rata-din upasana kiya karatee thee.
- 38 aur vah us ghadee vahan akar prabhu ka dhanyavad karane lagee, aur un sabhon se, jo yarooshalem ke chhuttikare kee batt johate the, usake vishay men baten karane lagee.
- 39 aur jab ve prabhu kee vyavastha ke anusar sab kuchh nipatta chuke to galeel men apane nagar nasarat ko fir chale gae..
- 40 aur balak baddhta, aur balavant hota, aur buaddh ise paaripoorn hota gaya aur parameshvar ka anugrah us par tha.
- 41 usake mata-apita praati varsha fasah ke pabrba men yarooshalem ko jaya karate the.
- 42 jab vah barah varsha ka hua, to ve pabrba kee reeti ke anusar yarooshalem ko gae.
- 43 aur jab ve un dinon ko poora karake lautne lage, to vah ladka yeeshu yarooshalem men rah gaya aur yah usake mata-pita naheen janate the.

44 ve yah samajhkar, ki vah aur yatraiyon ke sath hoga, aek din ka padav nikal gaae: aur use apane kuttumbaiyon aur janapahachanon men ddoonddhne lage.

45 par jab naheen mila, to ddoonddhte-ddoonddhte yarooshalem ko fir lautt gaae.

46 aur teen din ke bad unhon ne use maandair men upadeshakon ke beech men baaitte, un kee sunate aur un se prashn karate huae paya.

47 aur jitane us kee sun rahe the, ve sab us kee samajh aur usake uttron se chakit the.

48 tab ve use dekhkar chakit huae aur us kee mata ne us se kaha he putra, too ne ham se kyon aesa vyavahar kiya? dek, tera pita aur maain kuddhte huae tujhe ddoonddhte the.

49 us ne un se kaha tum mujhe kyon ddoonddhte the? kya naheen janate the, ki mujhe apane pita ke bhvan men hona avashy haai?

50 parantu jo bat us ne un se kahee, unhon ne use naheen samajha.

51 tab vah un ke sath gaya, aur nasarat men aya, aur un ke vash men raha aur us kee mata ne ye sab baten apane man men rakheen..

52 aur yeeshu buddh iddh aur deela-daul men aur parameshvar aur manushyon ke anugrah men baddhta gaya..

1 tibiriyus kaaisar ke rajy ke pandrahaven varsha men jab puantaiyus peelatus yahoodiya ka haakim tha, aur galeel men herodes nam chauthai ka itooraiya, aur trakhoneetis me, usaka bhai filippus, aur aabilene men lisaaniyas chauthai ke raja the.

2 aur jab hanna aur kaaifaa mahayajak the, us samay parameshvar ka vachan jangal men jakarayah ke putra yoohanna ke pas pahuncha.

3 aur vah yaradan ke as pas ke sare desh men akar, papon kee kshama ke liye man firav ke bapatisma ka prachar karane laga.

4 jaise yashaayah bhvishyadvkta ke kahe huae vachanon kee pustak men likha haai, ki jangal men aek pukaranevale ka shabd ho raha he ki prabhu ka marga taaiyar karo, us kee sadken seedhaee banao.

5 har aek ghaattee bhr dee jaaege, aur har aek pahad aur tteela neecha kiya jaaega aur jo tteddha haai seedha, aur jo uncha neecha haai vah chauras marga banega.

6 aur har praanee parameshvar ke uddhar ko dekhega..

⁷ jo bheed kee bheed us se bapatisma lene ko nikal kar atee thee, un se vah kahata tha he sanp ke bachcho, tumhen kis ne jata diya, ki anevale krodha se bhago.

⁸ so man firav ke yogy fal lao: aur apane apane man men yah n socho, ki hamara pita ibraaheem haai kyonaki maain tum se kahata hoo, ki parameshvar in patthron se ibraaheem ke liye santan utpann kar sakata haai.

⁹ aur ab hee kulhada pedon kee jad par dhara haai, isaaliye jo jo ped achchha fal naheen lata, vah katta aur ag men jhonka jata haai.

¹⁰ aur logon ne us se poochha, to ham kya karen?

¹¹ us ne unahen utar diya, ki jis ke pas do kurate hon? vah usake sath jis ke pas naheen haain bant de aur jis ke pas bhojan ho, vah bhee aesa hee kare.

¹² aur mahasool lenevale bhee bapatisma lene aa, aur us se poochha, ki he guro, ham kya karen?

¹³ us ne un se kaha, jo tumhare liye ttharaya gaya haai, us se adhaik n lena.

¹⁴ aur sipaahiyon ne bhee us se yah poochha, ham kya karen? us ne un se kaha, kisee par upadrav n karana, aur n joota dosh lagana, aur apanee majadooree par santosh karana..

¹⁵ jab log as lagaae huae the, aur sab apane apane man men yoohanna ke vishay men vichar kar rahe the, ki kya yahee maseeh to naheen haai.

¹⁶ to yoohanna ne un sab ke uttr men kaha: ki maain to tumhen panee se bapaatisma deta hoo, parantu vah anevala haai, jo mujh se shaaktaiman haai maain to is yogy bhee nahee, ki usake jooton ka bandha khol sakoo, vah tumhen pavitra atma aur ag se bapatisma dega.

¹⁷ usaka soop, usake hath men haai aur vah apana khlihan achchhee tarah se safa karega aur gehoon ko apane khte men ikattha karega, parantu boosee ko us ag men jo bujhne kee naheen jala dega..

¹⁸ so vah bahut see shaiksha de dekar logon ko susamachar sunata raha.

¹⁹ parantu us ne chauthai desh ke raja herodes ko usake bhai filippus kee patnee herodiyas ke vishay, aur sab kukamorn ke vishay men jo us ne kiae the, ulahana diya.

²⁰ isaliye herodes ne un sab se baddhkar yah kukarma bhee kiya, ki yoohanna ko bandeegrah men dal diya..

²¹ jab sab logon ne bapaatisma liya, aur yeeshu bhee bapaatisma lekar praarthna kar raha tha, to akash khul gaya.

²² aur paavitra atma shaareerik roop men kabootar kee nai us par utara, aur yah akashavane hui, ki too mera piry putra haai, maain tujh se prasann hoon..

- ⁴ yeeshu ne use uttr diya ki likha haai, manushy keval rottee se jeevit n rahega.
- ⁵ tab shautan use le gaya aur us ko pal bhr men jagat ke sare rajy dikhaae.
- ⁶ aur us se kaha maain yah sab aadhaikar, aur in ka vibhv tujhe doonga, kyonaki vah mujhe saunpa gaya haai: aur jise chahata hoo, usee ko de deta hoon.

- ⁸ yeeshu ne use uttr diya likha haai ki too prabhu apane parameshvar ko pranam kara aur keval usee kee upasana kara.

- ¹³ jab shautan sab pareeksha kar chuka, tab kuchh समय ke liye usake pas se chala gaya..
- ¹⁴ fir yeeshu atma kee samarth se bhra hua galeel ko lautta, aur us kee charcha as pas ke sare desh men faail gai.
- ¹⁵ aur vah un hee aradhanalayon men upadesh karata raha, aur sab us kee badai karate the..
- ¹⁶ aur vah nasarat men aya jahan pala posa gaya tha aur apanee reeti ke anusar sabt ke din aradhanalay men ja kar paddhne ke liye khda hua.
- ¹⁷ yashaayah bhvishyadvkta kee pustak use dee gai, aur us ne pustak kholakar, vah jagah nikalee jahan yah likha tha.
- ¹⁸ ki prabhu ka atma mujh par haai, isaaliye ki us ne kangalon ko susamachar sunane ke liye mera abhaishok kiya haai, aur mujhe isaliye bheja haai, ki

bandhauon ko chhuttkaare ka aur andhaen ko drashtti pane ka susamachar prachar karoon aur kuchale huon ko chhudaun.

19 aur prabhu ke prasann rahane ke varsha ka prachar karoon.

20 tab us ne pustak band karake sevak ke hath men de dee, aur baaitt gaya: aur aradhanalay ke sab logon kee ankh us par lagee thee.

21 tab vah un se kahane laga, ki aj hee yah lekh tumhare samhane poora hua haai.

22 aur sab ne use saraha, aur jo anugrah kee baten usake munh se nikalatee theee, un se achambha kiya aur kahane lage kya yah yoosufa ka putra naheen?

23 us ne us se kaha tum mujh par yah kahavat avashy kahoge, ki he vaaidh, apane ap ko achchha kara! jo kuchh ham ne suna haai ki kafaranahoom men kiya gaya haai use yahan apane desh men bhee kara.

24 aur us ne kaha maain tum se sach kahata hoo, koi bhavishyadvkta apane desh men mana-samman naheen pata.

25 aur maain tum se sach kahata hoo, ki aeliyyah ke dinon men jab saddhe teen varsha tak akash band raha, yahan tak ki sare desh men bada akal pada, to israael men bahut see vidhavaaen theen.

26 par aeliyyah un men se kisee ke pas naheen bheja gaya, keval saaida ke sarafat men aek vidhava ke pasa.

27 aur ileesha bhavishyadvkta ke samay israael men bahut se koddhee the, par naman soorayanee ko chhod un men se kai shuuddh naheen kiya gaya.

28 ye baten sunate hee jitane aradhanalay men the, sab krodha se bhr gaae.

29 aur uttkar use nagar se bahar nikala, aur jis pahad par un ka nagar basa hua tha, us kee chottee par le chale, ki use vahan se neeche gira den.

30 par vah un ke beech men se nikalakar chala gaya..

31 fir vah galeel ke kafaranahoom nagar men gaya, aur sabt ke din logon ko upadesh de raha tha.

32 ve us ke upadesh se chakit ho gaae kyonki usaka vachan aadhaikar saahit tha.

33 aradhanalay men aek manushy tha, jis men ashuuddh atma thee.

34 vah unche shabd se chilla utta, he yeeshu nasaree, hamen tujh se kya kama? kya too hamen nash karane aya haai? maain tujhe janata hoon too kaun haai? too parameshvar ka pavitra jan haai.

35 yeeshu ne use danttkar kaha, chup raha: aur us men se nikal ja: tab dushttatma use beech men pattkakar bina haani pahunchaae us men se nikal gai.

³⁶ is par sab ko achambha hua, aur ve apas men baten karake kahane lage, yah kaaaisa vachan haai? ki vah adhaikar aur samarth ke sath ashuddh atmaan ko agyaa deta haai, aur ve nikal jatee haain.

³⁷ so charon or har jagah us kee dhoom mach gai..

³⁸ vah aradhanalay men se uttkar shamaun ke ghar men gaya aur shamaun kee sas ko jvar chaddha hua tha, aur unhon ne usake liye us se binatee kee.

³⁹ us ne usake nikatt khde hokar jvar ko dantta aur vah us par se utar gaya aur vah turant uttkar un kee seva tthal karane lagee..

⁴⁰ sooraj oobate samay jin jin ke yahan log nana prakar kee beemariyon men pade huae the, ve sab unhen usake pas le aae, aur us ne aek aek par hath rakhkar unhen changa kiya.

⁴² jab din hua to vah nikalakar aek jangalee jagah men gaya, aur bheed kee bheed use ddoonddhte hui usake pas ai, aur use rokane lagee, ki hamare pas se n ja.

⁴³ parantu us ne un se kaha mujhe aur aur nagaron men bhee parameshvar ke rajy ka susamachar sunana avashy haai, kyonaki maain isee liye bheja gaya hoon..

³ un navon men se ek par jo shamaun kee thee, chaddhkar, us ne us se binatee kee, ki kinare se thoda hatta le chale, tab vah baaittkar logon ko nav par se upadesh dene laga.

⁴ jab ve baten kar chuka, to shamaun se kaha, gaahire men le chal, aur machhaliyan pakadne ke liye apane jal dalo.

⁵ shamaun ne usako uttr diya, ki he svamee, ham ne saree rat mihanat kee aur kuchh n pakada taubhee tere kahane se jal daloonga.

- 6 jab unhon ne aesa kiya, to bahut machhaliyan ghor laa, aur un ke jal fattne lage.
- 7 is par unhon ne apane saathaiyon ko jo doosaree nav par the, sanket kiya, ki akar hamaree sahayata karo: aur unhon ne akar, dono nav yahan tak bhr leen ki ve oobane lageen.
- 8 yah dekhkar shamaun pataras yeeshu ke panvon par gira, aur kaha he prabhu, mere pas se ja, kyonki maain papee manushy hoon.

- 10 aur vaaise hee jabadee ke putra yakoob aur yoohanna ko bhee, jo shamaun ke sahabhagee the, achambha hua: tab yeeshu ne shamaun se kaha, mat dra: ab se too manushyon ko jeevata pakada karega.
- 11 aur v navon ko kinare par le aae aur sab kuchh chhodkar usake peechhe ho liae..

- 13 us ne hath baddhakar use chooa aur kaha maain chahata hoon too shuuddh ho ja: aur usaka koddh turant jata raha.

- 15 parantu us kee charcha aur bhee faailatee gai, aur bheed kee bheed us kee sunane ke liye aur apanee bimaariyon se change hone ke liye ikatthee hui.
- 16 parantu vah jangalon men alag jakar praarthna kiya karata tha..
- 17 aur aek din hua ki vah upadesh de raha tha, aur fareesee aur vyavasthapak vahan baaitte huae the, jo galeel aur yahoodiya ke har aek ganv se, aur yarooshalem se aae the aur changa karane ke liye prabhu kee samarth usake sath thee.
- 18 aur dekho kai log aek manushy ko jo jhole ka mara hua tha, khatt par laa, aur ve use bheetar le jane aur yeeshu ke samhane rakhne ka upay ddoonddh rahe the.

- 21 tab shaasree aur fareesee vivad karane lage, ki yah kaun haai, jo parameshvar kee ninda karata haai? parameshvar ka chhod kaun papon kee kshama kar sakata haai?
- 22 yeeshu ne un ke man kee baten janakar, un se kaha ki tum apane manon men kya vivad kar rahe ho?
- 23 sahaj kya haai? kya yah kahana, ki tere pap kshama hua, ya yah kahana ki ut, aur chal fira?
- 24 parantu isaaliye ki tum jano ki manushy ke putra ko prathvee par pap kshama karane ka bhee adhaikar haai us ne us jhole ke mare huae se kaha, maain tujh se kahata hoo, utt aur apanee khatt uttakar apane ghar chala ja.
- 25 vah turant un ke samhane utta, aur jis par vah pada tha use uttakar, parameshvar kee badai karata hua apane ghar chala gaya.
- 26 tab sab chaakit huae aur parameshvar kee badai karane lage, aur bahut drakar kahane lage, ki aj ham ne anokhee baten dekhee haain..
- 27 aur isake bad vah bahar gaya, aur levee nam aek chungee lenevale ko chungee kee chaukee par baaitte dekha, aur us se kaha, mere peechhe ho le.

- 31 yeeshu ne un ko uttr diya ki vaaidh bhle changon ke liye nahee, parantu beemaron ke liye avashy haai.
- 32 maain dharmiyon ko nahee, parantu paapiyon ko man firane ke liye bulane aya hoon.
- 33 aur unhon ne us se kaha, yoohanna ke chele to barabar upavas rakhte aur praarthna kiya karate haai, aur vaaise hee fareeasiyon ke bhee, parantu tere chele to khate peete haain!
- 34 yeeshu ne un se kaha kya tum baraatiyon se jab tak doolha un ke sath rahe, upavas karenge.
- 35 parantu ve din aaenge, jin men doolha un se alag kiya jaaega, tab ve un dinon men upavas karenge.
- 36 us ne ek aur drashttant bhee un se kaha ki koi manushy naye pahiravan men se faadkar purane paahiravan men paaiband naheen lagata, naheen to naya fatt jaega aur vah paaiband purane men mel bhee naheen khaega.

³⁷ aur koi naya dakhras puranee mashakon men nahee bhrata, naheen to naya dakhras mashakon ko faadkar bah jaaega, aur mashaken bhee nash ho jaaengee.

- 35 baran apane shatrauon se praem rakho, aur bhilai karo: aur fir pane kee as n rakhkar udhaar do aur tumhare liye bada fal hoga aur tum paramapradhaan ke santan ttharoge, kyonki vah un par jo dhanyavad naheen karate aur buron par bhee krapalu haai.
- 36 jaaisa tumhara pita dayavant haai, vaaise hee tum bhee dayavant bano.
- 37 dosh mat lagao to tum par bhee dosh naheen lagaya jaaega: doshaee n ttharao, to tum bhee doshaee naheen ttharaae jaoge: kshama karo, to tumharee bhee kshama kee jaaege.
- 38 diya karo, to tumhen bhee diya jaaega: log poora nam daba dabakar aur hila hilakar aur ubhrata hua tumharee god men dalenge, kyonki jis nam se tum napate ho, usee se tumhare liye bhee napa jaaega..
- 39 fir us ne un se aek drashttant kaha kya andha, andho ko marga bata sakata haai? kya dono gadhe men naheen girenge?
- 40 chela apane guroo se bada nahee, parantu jo koi siddh hoga, vah apane guroo ke saman hoga.
- 41 too apane bhai kee ankh ke tinake ko kyon dekhta haai, aur apanee hee ankh ka lattha tujhe naheen soojhta?
- 42 aur jab too apanee hee ankh ka lattha naheen dekhta, to apane bhai se kyonkar kah sakata haai, he bhai, tthar ja teree ankh se tinake ko nikal doon? he kapattee, paahile apanee ankh se lattha nikal, tab jo tinaka tere bhai kee ankh men haai, bhlee bhanti dekhkar nikal sakega.
- 43 koi achchha ped nahee, jo nikamma fal laa, aur n to koi nikamma ped haai, jo achchha fal laae.
- 44 har aek ped apane fal se pahachana jata haai kyonki log jhadiyon se anjeer naheen todte, aur n jhdberee se angoora.

⁴⁵ bhla manushy apane man ke bhle bhndar se bhlee baten nikalata haai aur bura manushy apane man ke bure bhndar se buree baten nikalata haai kyonki jo man men bhra haai vahee usake munh par ata haai..

⁴⁶ jab tum mera kahana naheen manate, to kyon mujhe he prabhu, he prabhu, kahate ho?

⁴⁷ jo koi mere pas ata haai, aur meree baten sunakar unhen manata haai, maain tumhen batata hoon ki vah kis ke saman haai?

⁴⁸ vah us manushy ke saman haai, jis ne ghar banate samay boomi gaharee khodakar chattan kee nev dalee, aur jab baddh ai to dhaara us ghar par lagee, parantu use hila n sakee kyonaki vah pakka bana tha.

⁴⁹ parantu jo sunakar naheen manata, vah us manushy ke saman haai, jis ne mittee par bina nev ka ghar banaya. jab us par dhaara lagee, to vah turant gir pada, aur vah girakar satyanash ho gaya..

¹ jab vah logon ko apanee saree baten suna chuka, to kafaranahoom men aya.

² aur kisee soobedar ka aek das jo usaka piry tha, beemaree se marane par tha.

³ us ne yeeshu kee charcha sunakar yahoodiyon ke kai puraaniyon ko us se yah binatee karane ko usake pas bheja, ki akar mere das ko changa kara.

⁴ ve yeeshu ke pas akar us se badee binatee karake kahane lage, ki vah is yogy haai, ki too usake liye yah kare.

⁵ kyonaki vah hamaree jati se praem rakhta haai, aur usee ne hamare aradhanalay ko banaya haai.

⁶ yeeshu un ke sath sath chala, par jab vah ghar se door n tha, to soobedar ne sake pas kai mitraen ke dara kahala bheja, ki he prabhu dukh n utta, kyonaki maain is yogy nahee, ki too meree chht ke tale aae.

⁷ isee karan maain ne apane ap ko is yogy bhee n samajha, ki tere pas au, par vachan hee kah de to mera sevak changa ho jaaega.

⁸ maain bhee paradhaeen manushy hoon aur sipahee mere hath men haai, aur jab aek ko kahata hoo, ja, to vah jata haai, aur doosare se kahata hoon ki a, to ata haai aur apane kisee das ko ki yah kar, to vah use karata haai.

⁹ yah sunakar yeeshu ne achambha kiya, aur us ne munh faerakar us bheed se jo usake peechhe a rahee thee kaha, maain tum se kahatah hoo, ki maain ne israael men bhee aeesa vishvas naheen paya.

¹⁰ aur bheje huae logon ne ghar lauttkar, us das ko changa paya..

- 11 thode din ke bad vah nain nam ke aek nagar ko gaya, aur usake chele, aur badee bheed usake sath ja rahee thee.
- 12 jab vah nagar ke faattk ke pas pahuncha, to dekho, log aek murade ko bahar liae ja rahe the jo apanee man ka aekalauta putra tha, aur vah vidhava thee: aur nagar ke bahut se log usake sath the.
- 13 use dekh kar prabhu ko taras aya, aur us ne kaha mat ro.
- 14 tab us ne pas akar, arthee ko chhua aur uttanevale tthar gaa, tab us ne kaha he javan, maain tujh se kahata hoo, utt.
- 15 tab vah murada utt baaitta, aur bolane laga: aur us ne use us kee man ko saup diya.
- 16 is se sab par bhy chha gaya aur ve parameshvar kee badai karake kahane lage ki hamare beech men aek bada bhvishyadvkta utta haai, aur parameshvar ne apane logon par krapa draashti kee haai.
- 17 aur usake vishay men yah bat sare yahoodiya aur as pas ke sare desh men faail gai..
- 18 aur yoohanna ko usake chelon ne in sab baton ka samachar diya.
- 19 tab yoohanna ne apane chelon men se do ko bulakar prabhu ke pas yah poochhne ke liye bheja ki kya anevara too hee haai, ya ham kisee aur doosare kee batt dekhen?
- 20 unhon ne usake pas akar kaha, yoohanna bapatisma denevale ne hamen tere pas yah poochhne ko bheja haai, ki kya anevara too hee haai, ya ham doosare kee batt johon?
- 21 usee ghadee us ne bahuton ko beemaariyon aur peedao, aur dushttatmaon se chhudaya aur bahut se andhaen ko ankhe dee.
- 22 aur us ne un se kaha jo kuchh tum ne dekha aur suna haai, jakar yoohanna se kah do ki andho dekhte haai, langade chalate firate haai, koddhee shuuddh kiae jate haain aur kangalon ko susamachar sunaya jata haai.
- 23 aur dhany haai vah, jo mere karan ttokar n khaae..
- 24 jab yoohanna ke bheje huae log chal dia, to yeeshu yoohanna ke vishay men logon se kahane laga, tum jangal men kya dekhne gaae the? kya hava se hilate huae sarakande ko?
- 25 to tum fir kya dekhne gaae the? kya komal vasr pahine huae manushy ko? dekho, jo bhdkeela vasr paahinate, aur sukh vilas se rahate haai, ve rajabhvanon men rahate haain.
- 26 to fir kya dekhne gaae the? kya kisee bhavishyadvkta ko? ha, maain tum se kahata hoo, varan bhavishyadvkta se bhee bade ko.

- 27 yah vahee haai, jis ke vishay men likha haai, ki dek, maain apane doot ko tere age age bhejata hoo, jo tere age marga seedha karega.
- 28 maain tum se kahata hoo, ki jo striayon se janmen haai, un men se yoohanna se bada koi naheen: par jo parameshvar ke rajy men chhotte se chhotta haai, vah us se bhee bada haai.
- 29 aur sab sadhaaran logon ne sunakar aur chungee lenevalon ne bhee yoohanna ka bapaatisma lekar parameshvar ko sachcha man liya.
- 30 par fareesiyon aur vyavasthapakon ne us se bapatisma n lekar parameshvar kee manasa ko apane vishay men ttal diya.
- 31 so maain is yug ke logon kee upama kis se doon ki ve kis ke saman haain?
- 32 ve un balakon ke saman haain jo bajar men baaitte huae aek doosare se pukarakar kahate haai, ki ham ne tumhare liye bansalee bajai, aur tum n nache, ham ne vilap kiya, aur tum n roae.
- 33 kyonaki yoohanna bapaatisma denevala ne rottee khata aya, n dakhras peeta aya, aur tum kahate ho, us men dushttatma haai.
- 34 manushy ka putra khata-peeta aya haai aur tum kahate ho, dekho, petoo aur piyakkad manushy, chungee lenevalon ka aur papiyon ka mitra.
- 35 par gyaan apanee sab santanon se sachcha ttharaya gaya haai..
- 36 fir kisee fareesee ne us se binatee kee, ki mere sath bhojan kara so vah us fareesee ke ghar men jakar bhojan karane baaitta.
- 37 aur dekho, us nagar kee aek paapinee sree yah janakar ki vah fareesee ke ghar men bhojan karane baaitta haai, sangamaramar ke patra men itra lai.
- 38 aur usake panvon ke pas, peechhe khdee hokar, rote hui, usake panvon ko ansuon se bhaigane aur apane sir ke balon se ponchhne lagee aur usake panv barabar choomakar un par itra mala.
- 39 yah dekhkar, vah fareesee jis ne use bulaya tha, apane man men sochane laga, yadi yah bhvishyadvkta hota to jan leta, ki yah jo use choo rahee haai, vah kaun aur kaaisee sree haai? kyashonaki vah to papinee haai.
- 40 yah sun yeeshu ne usake uttr men kaha ki he shamaun mujhe tujh se kuchh kahana haai vah bola, he guroo kaha.
- 41 kisee mahajan ke do denadar the, aek panch sau, aur doosara pachas deenar dhaarata tha.
- 42 jab ki un ke pas pattane ko kuchh n raha, to us ne dono ko kshama kar diya: so un men se kaun us se aadhaik praem rakhega.

⁴³ shamaun ne uttr diya, meree samajh men vah, jis ka us ne adhaik chhod diya: us ne us se kaha, too ne tteek vichar kiya haai.

⁴⁴ aur us sree kee or firakar us ne shamaun se kaha kya too is sree ko dekhta haai? maain tere ghar men aya parantu too ne mere panv dhaane ke liye panee n diya, par is ne mere panv ansuon se bhaigaa, aur apane balon se ponchha!

⁴⁵ too ne mujhe chooma n diya, par jab se maain aya hoon tab se is ne mere panvon ka choomana n chhoda.

⁴⁶ too ne mere sir par tel naheen mala par is ne mere panvon par itra mala haai.

⁴⁷ isaliye maain tujh se kahata hoon ki is ke pap jo bahut the, kshama hua, kyonki is ne bahut praem kiya par jis ka thoda kshama hua haai, vah thoda praem karata haai.

⁴⁸ aur us ne sree se kaha, tere pap kshama hue.

⁴⁹ tab jo log usake sath bhojan karane baaitte the, ve apane apane man men sochane lage, yah kaun haai jo papon ko bhee kshama karata haai?

⁵⁰ par us ne sree se kaha, tere vishvas ne tujhe bacha liya haai, kushal se chalee ja..

Looka 8

¹ is ke bad vah nagar nagar aur ganv ganv prachar karata hua, aur parameshvar ke rajy ka susamachar sunata hua, firane laga.

² aur ve bahar usake sath the: aur kitanee striayan bhee jo dushttatmaon se aur beemariyon se chhudai gai thee, aur ve yah haai, mariyam jo magadaleenee kahalatee thee, jis men se sat dushttatmaen nikalee theen.

³ aur herodes ke bhndaree khoja kee patnee yoanna aur soosannah aur bahut see aur striayan: ye to apanee sampatti se us kee seva karatee theen..

⁴ jab badee bheed ikatthee hui, aur nagar nagar ke log usake pas chale ate the, to us ne drashttant men kaha.

⁵ ki aek bone vala beej bone nikala: bote huae kuchh marga ke kinare gira, aur raunda gaya, aur akash ke pakshiayon ne use chug liya.

⁶ aur kuchh chattan par gira, aur upaja, parantu taree n milane se sookh gaya.

⁷ kuchh jhaadiyon ke beech men gira, aur jhaadiyon ne sath sath baddhkar use daba liya.

⁸ aur kuchh achchhee boomi par gira, aur ugakar sau guna fal laya: yah kahakar us ne unche shabd se kaha jis ke sunane ke kan hon vah sun len..

⁹ usake chelon ne us se poochha, ki yah drashttant kya haai? us ne kaha

- 10 tum ko parameshvar ke rajy ke bhedon kee samajh dee gai haai, par auron ko drashttanton men sunaya jata haai, isaliye ki ve dekhte huae bhee n dekhe, aur sunate huae bhee n samajhen.
- 11 drashttant yah haai beej to parameshvar ka vachan haai.
- 12 marga ke kinare ke ve haai, jinhon ne suna tab shautan akar un ke man men se vachan utta le jata haai, ki kaheen aeesa n ho ki ve vishvas karake uddhar paaen.
- 13 chattan par ke ve haai, ki jab sunate haai, to anand se vachan ko grahan to karate haai, parantu jad n pakadte se ve thodee der tak vishvas rakhte haai, aur pareeksha ke samay bahak jate haain.
- 14 jo jhaadiyon men gira, so ve haai, jo sunate haai, par hote hote chinta aur dhan aur jeevan ke sukh vilas men fans jate haai, aur un ka fal naheen pakata.
- 15 par achchhee boomi men ke ve haai, jo vachan sunakar bhle aur uttm man men sambhale rahate haai, aur dhaeraj se fal late haain..
- 16 koi deeya bar ke baratan se naheen chhpaiaata, aur n khatt ke neeche rakhta haai, parantu deevatt par rakhta haai, ki bheetar anevale prakash panae.
- 17 kuchh chhpai nahee, jo pragatt n ho aur n kuchh gupt haai, jo jana n jaa, aur pragatt n ho.
- 18 isaliye chaukas raho, ki tum kis reeti se sunate ho? kyonki jis ke pas haai, use diya jaaega aur jis ke pas naheen haai, us ve vah bhee le liya jaaega, jise vah apana samajhta haai..
- 19 us kee mata aur bhai usake pas aa, par bheed ke karan us se bhentt n kar sake.
- 20 aur us se kaha gaya, ki teree mata aur tere bhai bahar khde huae tujh se milana chahate haain.
- 21 us ne usake uttr men un se kaha ki merree mata aur mere bhai ye hee haai, jo parameshvar ka vachan sunate aur manate haain..
- 22 fir aek din vah aur usake chele nav par chaddhe, aur us ne un se kaha ki ao, jheel ke par chalen: so unhon ne nav khol dee.
- 23 par jab nav chal rahee thee, to vah so gaya: aur jheel par andhaee ai, aur nav panee se bhrane lagee aur ve jokhaim men the.
- 24 tab unhon ne pas akar use jagaya, aur kaha he svamee! svamee! ham nash huae jate haain: tab us ne uttkar andhaee ko aur panee kee laharon ko dantta aur ve thm gaa, aur chaain ho gaya.

25 aur us ne un se kaha tumhara vishvas kahan tha? par ve dr gaa, aur achaambhiat hokar apas men kahane lage, yah kaun haai? jo andhaee aur panee ko bhee agyaa deta haai, aur ve us kee manate haain..

26 fir ve giraseniyon ke desh men pahunche, jo us par galeel ke samhane haai.

27 jab vah kinare par utara, to us nagar ka aek manushy use mila, jis men dushttatmaen theen aur bahut dinon se n kapade paahinata tha aur n ghar men rahata tha varan kabraen men raha karata tha.

28 vah yeeshu ko dekhkar chillaya, aur usake samhane girakar unche shabd se kaha he param pradhaan parameshvar ke putra yeeshu, mujhe tujh se kya kama! maain teree binatee karata hoo, mujhe peeda n de!

29 kyonaki vah us ashuddh atma ko us manushy men se nikalane kee agyaa de raha tha, isaliye ki vah us par bar bar prabal hotee thee aur yadhyapi log use sankalon aur bediyon se bandhate the, taubhee vah bandhanon ko tod dalata tha, aur dushttatma us men paaitt gai thee.

30 aur unhon ne us se binatee kee, ki hamen athah gadhe men jane kee agyaa n de.

31 vahan pahad par soaron ka aek bada jhund char raha tha, so unhon ne us se binatee kee, ki hamen un men paaittne de, so us ne unhen jane diya.

32 vahan pahad par soaron ka aek bada jhund char raha tha, so unhon ne us se binatee kee, ki hamen un men paaittne de, so us ne unhen jane diya.

33 tab dushttatmaen us manushy se nikalakar soaron men gai aur vah jhund kadade par se jhpattkar jheel men ja gira aur oob mara.

34 charavahe yah jo hua tha dekhkar bhage, aur nagar me, aur ganvon men jakar usaka samachar kaha.

35 aur log yah jo hua tha usake dekhne ko nikale, aur yeeshu ke pas akar jis manushy se dushttatmaen nikalee thee, use yeeshu ke panvon ke pas kapade paahine aur sachet baaitte huae pakar dr gaae.

36 aur dekhnevalon ne un ko bataya, ki vah dushttatma ka sataya hua manushy kis prakar achchha hua.

37 tab giraseniyon ke as pas ke sab logon ne yeeshu se binatee kee, ki hamare yahan se chala ja kyonki un par bada bhy chha gaya tha: so vah nav par chaddhkar lautt gaya.

38 jis manushy se dushttatmaeen nikalee theen vah us se binatee karane laga, ki mujhe apane sath rahane de, parantu yeeshu ne use vida karake kaha.

39 apane ghar men lautt ja aur logon se kah de, ki parameshvar ne tere liye kaaise bade kam kiae haain: vah jakar sare nagar men prachar karane laga, ki yeeshu ne mere liye kaaise bade kam kiae..

40 jab yeeshu lautt raha tha, to log us se anand ke sath mile kyonaki ve sab us kee batt joh rahe the.

41 aur dekho, yair nam aek manushy jo aradhanalay ka saradar tha, aya, aur yeeshu ke panvon par gir ke us se binatee karane laga, ki mere ghar chala.

42 kyonaki usake barah varsha kee aekalautee bettee thee, aur vah marane par thee: jab vah ja raha tha, tab log us par gire padte the..

43 aur aek sree ne jis ko barah varsha se lohoo bahane ka rog tha, aur jo apanee saree jivika vaaidhon ke peechhe vyay kar chukee thee aur taubhee kisee ke hath se changee n ho sakee thee.

44 peechhe se akar usake vasr ke anchal ko chooa, aur turant usaka lohoo bahana thm gaya.

45 is par yeeshu ne kaha, mujhe kis ne chooa? jab sab mukarane lage, to pataras aur usake sathaiyon ne kaha he svamee, tujhe to bheed daba rahee haai aur tujh par giree padtee haai.

46 parantu yeeshu ne kaha: kisee ne mujhe chooa haai kyonki maain ne jan liya haai ki mujh men se samarth nikalee haai.

47 jab sree ne dekha, ki maain chhpai naheen sakatee, tab kanpatee hui ai, aur usake panvon par girakar sab logon ke samhane bataya, ki maain ne kis karan se tujhe chooa, aur kyonkar turant changee ho gai.

48 us ne us se kaha, bettee tere vishvas ne tujhe changa kiya haai, kushal se chalee ja.

49 vah yah kah hee raha tha, ki kisee ne aradhanalay ke saradar ke yahan se akar kaha, teree bettee mar gai: guru ko du:kh n de.

50 yeeshu ne sunakar use uttr diya, mat dra keval vishvas rakh to vah bach jaaegee.

51 ghar men akar us ne pataras aura yoohanna aur yakoob aur ladkee ke mata-apita ko chhod aur kisee ko apane sath bheetar ane n diya.

52 aur sab usake liye ro peett rahe the, parantu us ne kaha roo mata vah maree naheen parantu so rahee haai.

53 ve yah janakar, ki mar gai haai, us kee hansee karane lage.

54 parantu us ne usaka hath pakada, aur pukarakar kaha, he lakadee utt!

55 tab usake praan fir aae aur vah turant uttee fir us ne agyaa dee, ki use kuchh khane ko diya jaae.

56 usake mata-apita chaakit hua, parantu us ne unhen chitaya, ki yah jo hua haai, kisee se n kahana..

Looka 9

1 fir us ne barahon ko bulakar unhen sab dushttatmaon aur bimaariyon ko door karane kee samarth aur adhaikar diya.

2 aur unhen parameshvar ke rajy ka prachar karane, aur bimaron ko achchha karane ke liye bheja.

3 aur us ne usase kaha, marga ke liye kuchh n lena: n to lattee, n jholee, n rottee, n roopaye aur n do do kurate.

4 aur jis kisee ghar men tum utaro, vaheen raho aur vaheen se vida ho.

5 jo koi tumhen grahan n karega us nagar se nikalate huae apane panvon kee dhool jhad dalo, ki un par gavahee ho.

6 so ve nikalakar ganv ganv susamachar sunate, aur har kaheen logon ko changa karate huae firate rahe..

7 aur desh kee chauthai ka raja herodes yah sab sunakar ghabara gaya, kyonki kitanon ne kaha, ki yoohanna mare huon men se jee utta haai.

8 aur kitanon ne yah, ki aeliyyah dikhai diya haai: auron ne yah, ki purane bhvishyadvktaon men se koi jee utta haai.

9 parantu herodes ne kaha, yuhanna ka to maain ne sir kattvaya ab yah kaun haai, jis ke vishay men aeesee baten sunata hoon? aur us ne use dekhne kee ichchha kee..

10 fir praeeariton ne lauttkar jo kuchh unhon ne kiya tha, us ko bata diya, aur vah unhen alag karake baaitasaaida nam aek nagar ko le gaya.

11 yah janakar bheed usake peechhe ho lee: aur vah anand ke sath un se mila, aur un se parameshvar ke rajy kee baten karane laga: aur jo change hona chahate the, unhen changa kiya.

12 jab din ddhlane laga, to barahon ne akar usase kaha, bheed ko vida kar, ki charon or ke gavon aur bastaiyon men jakar tkaie, aur bhojan ka upay kare, kyonki ham yahan sunasan jagah men haain.

13 us ne un se kaha, tum hee unhen khane ko do: unhon ne kaha, hamare pas panch rottiyaian aur do machhlee ko chhod aur kuchh naheen: parantu ha, yadi

ham jakar in sab logon ke liye bhojan mol le, to ho sakata haai: ve log to panch hajar purooshaen ke lagabhg the.

14 jab us ne apane chelon se kaha, unhen pachas pachas karake panti men baaitta do.

15 unhon ne aeesa hee kiya, aur sab ko baaitta diya.

16 tab us ne ve panch rotyaiaan aur do machhlee lee, aur svarga kee aur dekhkar dhanyavad kiya, aur tod todkar chelon ko deta gaya, ki logon ko parosen.

17 so sab khakar trapt hua, aur bache huae ttukadon se barah ttokaree bhrakar uttai..

18 jab vah aekant men praarthna kar raha tha, aur chele usake sath the, to us ne un se poochha, ki log mujhe kya kahate haain?

19 unhon ne uttr diya, yuhanna bapaatisma denevala, aur koi koi ealiyyah, aur koi yah ki purane bhvishyadvktaon men se koi jee utta haai.

20 us ne un se poochha, parantu tum mujhe kya kahate ho? pataras ne uttr diya, parameshvar ka maseeha.

21 tab us ne unhen chitakar kaha, ki yah kisee se n kahana.

22 aur us ne kaha, manushy ke putra ke liye avashy haai, ki vah bahut dukh uttaa, aur puraniae aur mahayajak aur shaasree use tuchchh samajhkar mar dale, aur vah teesare din jee utte.

23 us ne sab se kaha, yadi koi mere peechhe ana chahe, to apane ap se inkar kare aur prati din apana kroos uttaae huae mere peechhe ho le.

24 kyonaki jo koi apana praan bachana chahega vah use khoaega, parantu jo koi mere liy apana praan khoaega vahee use bachaega.

25 yaadi manushy sare jagat ko praapt kare, aur apana praan kho de, ya us kee hani uttaa, to use kya labh hoga?

26 jo koi mujh se aur meree baton se lajaaega manushy ka putra bhee jab apanee, aur apane pita kee, aur paavitra svarga dooton kee, maahima saahit aega, to us se lajaaega.

27 maain tum se sach kahata hoo, ki jo yahan khde haai, un men se koi koi aese haain ki jab tak parameshvar ka rajy n dekh le, tab tak mratyuu ka svad n chakhenge.

28 in baton ke koi att din bad vah pataras aur yoohanna aur yakoob ko sath lekar praarthna karane ke liye pahad par gaya.

29 jab vah praarthna kar hee raha tha, to usake chehare ka roop badal gaya: aur usaka vasr shvet hokar chamakane laga.

- 30 aur dekho, moosa aur aeliyyah, ye do puroosh usake sath baten kar rahe the.
- 31 ye maahima saahit dikhai diae aur usake marane kee charcha kar rahe the, jo yarooshalem men honavala tha.
- 32 pataras aur usake sathee neend se bhre the, aur jab achchhee tarah sachet hua, to us kee mahima aur un do purooshaen ko, jo usake sath khde the, dekha.
- 33 jab ve usake pas se jane lage, to pataras ne yeeshu se kaha he svamee, hamara yahan rahana bhla haai: so ham teen mandp banaae, aek tere liye, aek moosa ke liye, aur aek aeliyyah ke liye. vah janata n tha, ki kya kah raha haai.
- 34 vah yah kah hee raha tha, ki aek badal ne akar unhen chha liya, aur jab ve us badal se ghairane lage, to dr gaae.
- 35 aur us badal men se yah shabd nikala, ki yah mera putra aur mera chuna hua haai, is kee suno.
- 36 yah shabd hote hee yeeshu akela paya gaya: aur ve chup rahe, aur kuchh dekha tha, us kee koi bat un dinon men kisee se n kahee..
- 37 aur doosare din jab ve pahad se utare, to aek badee bheed us se a milee.
- 38 aur dekho, bheed men se aek manushy ne chilla kar kaha, he guro, maain tujh se binatee karata hoo, ki mere putra par krapadrashti kara kyonaki vah mera aekalauta haai.
- 39 aur dek, aek dushttatma use pakadta haai, aur vah aeakaek chilla utta haai aur vah use aeesa marodta haai, ki vah munh men faen bhr lata haai aur use kuchalakar kaattnaiai se chhodta haai.
- 40 aur maai ne tere chelon se binatee kee, ki use nikalen parantu ve n nikal sake.
- 41 yeeshu n uttr diya, he aavishvasee aur haattlai logo, maain kab tak tumhare sath rahoonga, aur tumharee sahoonga? apane putra ko yahan le a.
- 42 vah a hee raha tha ki dushttatma ne use pattkakar maroda, parantu yeeshu ne ashuddh atma ko dantta aur lakade ko achchha karake usake pita ko saunp diya.
- 43 tab sab log parameshvar ke mahasamarth se chaakit hue..
- 44 parantu jab sab log un sab kamon se jo vah karata tha, achambha kar rahe the, to us ne apane chelon se kaha ye baten tumhare kanon men padee rahe, kyonki manushy ka putra manushyon ke hath men pakadvaya jane ko haai.
- 45 parantu ve is bat ko n samajhte the, aur yah un se chhpaiee rahee ki ve use janane n paae, aur ve is bat ke vishay men us se poochhne se drate the..
- 46 fir un men yah vivad hone laga, ki ham men se bada kaun haai?

- 47 par yeeshu ne un ke man ka vichar jan liya : aur aek balak ko lekar apane pas khda kiya.
- 48 aur un se kaha jo koi mere nam se is balak ko grahan karata haai, vah mujhe grahan karata haai, vah mere bhejanevale ko grahan karata haai kyonki jo tum men sab se chhotte se chhotta haai, vahee bada haai.
- 49 tab yuhanna ne kaha, he svamee, ham ne aek manushy ko tere nam se dushttatmaon ko nikalate dekha, aur ham ne use mana kiya, kayonaki vah hamare sath hokar tere peechhe naheen ho leta.
- 50 yeeshu ne us se kaha, use mana mat karo kyonki jo tumhare virodha men nahee, vah tumharee or haai..
- 51 jab usake upar uttaae jane ke din poore hone par the, jo us ne yarooshalem ko jane ka vichar draddh kiya.
- 52 aur us ne apane age doot bheje: ve samaariyon ke aek ganv men gaa, ki usake liye jagah taaiyar karen.
- 53 parantu un logon ne use utarane n diya, kyonaki vah yarooshalem ko ja raha tha.
- 54 yah dekhkar usake chele yakoob aur yoohanna ne kaha he prabhu kya too chahata haai, ki ham agyaa de, ki akash se ag girakar unhen bhsm kar de.
- 55 parantu us ne firakar unhen dantta aur kaha, tum naheen janate ki tum kaaisee atma ke ho.
- 56 kyonaki manushy ka putra logon ke praanon ko nash karane naheen baran bachane ke liye aya haai: aur ve kisee aur ganv men chale gaae..
- 57 jab ve marga men chale jate the, to kisee n us se kaha, jahan jahan too jaaega, maain tere peechhe ho loonga.
- 58 yeeshu ne us se kaha, lomadiyon ke bhnt aur akash ke paakshiyon ke basere hote haai, par manushy ke putra ko sir dharane kee bhee jagah naheen.
- 59 us ne doosare se kaha, mere peechhe ho le us ne kaha he prabhu, mujhe pahile jane de ki apane pita ko gad doon.
- 60 us ne us se kaha, mare huon ko apane murade gadne de, par too jakar parameshvar ke rajy kee katha suna.
- 61 aek aur ne bhee kaha he prabhu, maain tere peechhe ho loonga par paahile mujhe jane de ki apane ghar ke logon se vida ho aun.
- 62 yeeshu ne us se kaha jo koi apana hath har par rakhkar peechhe dekhta haai, vah parameshvar ke rajy ke yogy naheen..

- 1 aur in baton ke bad prabhu ne sattr aur manushy niyukt kiae aur jis jis nagar aur jagah ko vah ap jane par tha, vahan unhen do do karake apane age bheja.
- 2 aur us ne un se kaha pakke khet bahut haain parantu majadoor thode haain: isaliye khet ke svamee se binatee karo, ki vah apane khet kattne ko majadoor bhej de.
- 3 jao dekhon maain tumhen bhedon kee nain bheadyaien ke beech men bhejata hoon.

- 9 vahan ke beemaron ko changa karo: aur un se kaho, ki parameshvar ka rajy tumhare nikatt a pahuncha haai.
- 10 parantu jis nagar men jao, aur vahan ke log tumhen grahan n kare, to usake bajaron men jakar kaho.
- 11 ki tumhare nagar kee dhool bhee, jo hamare panvon men lagee haai, ham tumhare samhane jhad dete haai, taubhee yah jan lo, ki parameshvar ka rajy tumhare nikatt a pahuncha haai.
- 12 maain tum se kahata hoo, ki us din us nagar kee dascha se sadom kee dascha sahane yogy hogee.
- 13 hay khurajeen ! hay baaitasaaida ! jo samarth ke kam tum men kiae gaa, yaadi ve soor aur saaida men kiae jate, to ttatt oddhkar aur rakh men baaittkar ve kab ke man firate.
- 14 parantu nyay ke din tumharee dascha se soor aur saaida kee dascha sahane yogy hogee.
- 15 aur he kafaranahoom, kya too svarga tak uncha kiya jaaega? too to adhaelok tak neeche jaaega.
- 16 jo tumharee sunata haai, vah meree sunata haai, aur jo tumhen tuchchh janata haai, vah mujhe tuchchh janata haai aur jo mujhe tuchchh janata haai, vah mere bhejanevale ko tuchchh janata haai.

- 17 ve sattr anand se fir akar kahane lage, he prabhu, tere nam se dushttatma bhee hamare vash men haai.
- 18 us ne un se kaha maain shautan ko bijalee kee nai svarga se gira hua dekh raha tha.
- 19 dekho, maaine tumhe sanpon aur bichchhuon ko raundane ka, aur shatra kee saree samarth par adhaikar diya haai aur kisee vastu se tumhen kuchh haani n hogee.
- 20 taubhee is se anaandait mat ho, ki atma tumhare vash men haai, parantu is se anandait ho ki tumhare nam svarga par likhe haain..
- 21 usee ghadee vah pavitra atma men hokar anand se bhr gaya, aur kaha he pita, svarga aur prathvee ke prabhu, maain tera dhanyavad karata hoo, ki too ne in baton ko gyaaaniyon aur samajhdaron se chhpai rakha, aur balakon par pragatt kiya: ha, he pit, kyonaki tujhe yahee achchha laga.
- 22 mere pita ne mujhe sab kuchh saunp diya haai aur koi naheen janata ki putra kaun haai keval pita aur pita kaun haai yah bhee koi naheen janata, keval putra ke aur vah jis par putra use prakatt karana chahe.
- 23 aur chelon kee or firakar nirale men kaha, dhany haain ve ankhe, jo ye bate jo tum dekhte ho dekhte haain.
- 24 kyonaki maain tum se kahata hoo, ki bahut se bhavishyadvktaon aur rajaon ne chaha, ki jo baten tum dekhte ho dekhen par n dekheen aur jo baten tum sunate ho sune, par n suneen..
- 25 aur dekho, aek vyavasthapak utta aur yah kahakar, us kee pareeksha karane laga ki he guro, anant jeevan ka varis hone ke liye maain kya karoon?
- 26 us ne us se kaha ki vyavastha men kya likha haai? too kaaise paddhta haai?
- 27 us ne uttr diya, ki too prabhu apane parameshvar se apane sare man aur apane sare praan aur apanee saree shaaktai aur apanee saree buaddh ike sath praem rakh aur apane padosee se apane saman praem rakh.
- 28 us ne us se kaha, too ne tteek uttr diya haai, yahee kara: to too jeevit rahega.
- 29 parantu us ne apanee tain dharmee ttharane kee ichchha se yeeshu se poochha, to mera padosee kaun haai?
- 30 yeeshu ne uttr diya ki aek manushy yarooshalem se yareeho ko ja raha tha, ki dakuon ne ghorakar usake kapade utar lia, aur marapeettkar use adhamooa chhodkar chale gae.
- 31 aur aeesa hua ki usee marga se aek yajak ja raha tha: parantu use dekh ke katarakar chala gaya.

³² isee reeti se aek levee us jagah par aya, vah bhee use dekh ke katarakar chala gaya.

³³ parantu aek samaree yatraee vahan a nikala, aur use dekhkar taras khaya.

³⁴ aur usake pas akar aur usake ghaavon par tel aur dakhras dalakar pattiyan bandhae, aur apanee savaree par chaddhakar saray men le gaya, aur us kee seva tthal kee.

³⁵ doosare din us ne do dinar nikalakar bhattyaiare ko dia, aur kaha is kee seva tthal karana, aur jo kuchh tera aur lagega, vah maain lautne par tujhe bhr doonga.

³⁶ ab meree samajh men jo dakuon men ghair gaya tha, in teenon men se usaka padosee kaun tthara?

³⁷ us ne kaha, vahee jis ne us par taras khaya: yeeshu ne us se kaha, ja, too bhee aeesa hee kara..

³⁸ fir jab ve ja rahe the, to vah aee ganv men gaya, aur martha nam aek sree ne use apane ghar men utara.

³⁹ aur maariyam nam us kee aek baahin thee vah prabhu ke panvon ke pas baaitkar usaka vachan sunatee thee.

⁴⁰ par martha seva karate karate ghabara gai aur usake pas akar kahane lagee he prabhu, kya tujhe kuchh bhee soch naheen ki meree baahin ne mujhe seva karane ke liye akelee hee chhod diya haai? so us se kah, ki meree sahayata kare.

⁴¹ prabhu ne use uttr diya, martha, he martha too bahut baton ke liye chinta karatee aur ghabaratee haai.

⁴² parantu aek bat avashy haai, aur us uttm bhag ko mariyam ne chun liya haai: jo us se chheena n jaaega..

¹ fir vah kisee jagah praarthna kar raha tha: aur jab vah praarthna kar chuka, to usake chelon men se aek ne us se kaha he prabhu, jaise yoohanna ne apane chelon ko praarthna karana sikhlaya vaaise hee hamen bhee too sikha de.

² us ne un se kaha jab tum praarthna karo, to kaho he pita, tera nam pavitra mana jaa, tera rajy ae.

³ hamaree din bhr kee rottee har din hamen diya kara.

⁴ aur hamare papon ko kshama kar, kyonki ham bhee apane har aek aparadhae ko kshama karate haai, aur hamen pareeksha men n la..

- ⁵ aur us ne un se kaha, tum men se kaun haai ki usaka aek mitra ho, aur vah adhaee rat ko usake pas akar us se kahe, ki he mitra mujhe teen rotyaian de.
- ⁶ kyonaki aek yatraee mitra mere pas aya haai, aur usake age rakhne ke liye mere pas kuchh naheen haai.
- ⁷ aur vah bheetar se uttr de, ki mujhe dukh n de ab to dar band haai, aur mere balak mere pas bichhaune par haai, isaaliye maain uttkar tujhe de naheen sakata?
- ⁸ maain tum se kahata hoo, yadi usaka mitra hone par bhee use uttkar n de, taubhee usake lajja chhodkar mangane ke karan use jitane avashyakata ho utanee uttkar dega.
- ⁹ aur maain tum se kahata hoon ki mango, to tumhen diya jaaega ddoonddhon to tum paoge khttkhttao, to tumhare liye khola jaaega.

- ¹⁴ fir us ne aek goongee dushttatma ko nikala: jab dushttatma nikal gai, to goonga bolane laga aur logon ne achambha kiya.
- ¹⁵ parantu un men se kitanon ne kaha, yah to shautan nam dushttatmaon ke pradhaan kee sahayata se dushttatmaon ko nikalata haai.
- ¹⁶ auron ne us kee pareeksha karane ke liye us se akash ka aek chinh manga.
- ¹⁷ parantu us ne, un ke man kee baten janakar, un se kaha jis jis rajy men foott hotee haai, vah rajy ujad jata haai: aur jis ghar men foott hotee haai, vah nash ho jata haai.
- ¹⁸ aur yaadi shautan apana hee virodhaee ho jaa, to usaka rajy kyonkar bana rahega? kyonaki tum mere vishay men to kahate ho, ki yah shautan kee sahayata se dushttatma nikalata haai.
- ¹⁹ bhla yadi maain shautan kee sahayata se dushttatmaon ko nikalata hoo, to tumharee santan kis kee sahayata se nikalate haain? isaliye ve hee tumhara nyay chukaaenge.

- 23 jo mere sath naheen battorata vah bithrata haai.
- 24 jab ashruddh atma manushy men se nikal jatee haai to sookhee jagahon men vishraam ddoondhte firatee haai aur jab naheen patee to kahatee haai ki maain apane usee ghar men jahan se nikalee thee lautt jaungee.
- 25 aushra akar use jhada-buhara aur saja-sajaya patee haai.
- 26 tab vah akar apane se aur buree sat atmaon ko apane sath le atee haai, aur ve us men paaitkar vas karatee haai, aur us manushy kee pichhlee dasha paahile se bhee buree ho jatee haai..
- 27 jab vah ye baten kah hee raha tha to bheed men se kisee sree ne unche shabd se kaha, dhany vah garbh jis men too raha aur ve stan, jo too ne choose.

- 31 daakkhian kee ranee nyay ke din is samay ke manushyon ke sath uttkar, unhen doshaee ttharaaegee, kyonaki vah sulaaiman ka gyaan sunane ko prathvee kee chhor se ai, aur dekho yahan vah haai jo sulaaiman se bhee bada haai.
- 32 neenave ke log nyay ke din is samay ke logon ke sath khde hokar, unhen doshaee ttharaaenge kyonaki unhon ne yoonus ka prachar sunakar man firaya aur dekho, yahan vah haai, jo yoonus se bhee bada haai..
- 33 koi manushy deeya bar ke talaghare me, ya paaimane ke neeche naheen rakhta, parantu deevatt par rakhta haai ki bheetar anevale ujjiyala paaen.
- 34 tere shareer ka deeya teree ankh haai, isaliye jab teree ankh nirmal haai, to tera sara shareer bhee ujjiyala haai parantu jab vah buree haai, to tera shareer bhee andhora haai.
- 35 isaliye chaukas rahana, ki jo ujjiyala tujh men haai vah andhora n ho jaae.

36 isaliye yaadi tera sara shareer ujjala ho, or usaka koi bhag andhora n rahe, to sab ka sab aeesa uliyala hoga, jaaisa us samay hota haai, jab deeya apanee chamak se tujhe ujala deta haai..

37 jab vah baten kar raha tha, to kisee fareese ne us se binatee kee, ki mere yahan bhejan kara aur vah bheetar jakar bhojan karane baaita.

38 fareese ne yah dekhkar achambha diya ki us ne bhojan karane se paahile snan naheen kiya.

39 prabhu ne us se kaha, he fareesiyo, tum kattore aur thalee ko upar upar to manjate ho, parantu tumhare bheetar andhor aur dushtta bhree haai.

40 he nirbuaddhyaie, jis ne bahar ka bhag banaya, kya us ne bheetar ka bhag naheen banaya?

41 parantu ha, bheetaravalee vastuon ko dan kar do, to dekho, sab kuchh tumhare liye shuuddh ho jaaega..

42 par he fareesiyo, tum par hay ! tum podeene aur sudab ka, aur sab bhanati ke saga-pat ka dasavan ansh dete ho, parantu nyay ko aur parameshvar ke praem ko ttal dete ho: chahiae to tha ki inhen bhee karate rahate aur unhen bhee n chhodte.

43 he fareesiyo, tum par hay ! tum aradhanalayon men mukhy mukhy asan aur bajaron men namaskar chahate ho.

44 hay tum par ! kyonki tum un chhpaiee kabraen ke saman ho, jin par log chalute haai, parantu naheen janate..

45 tab aek vyavasthapak ne us ko uttr diya, ki he guro, in baton ke kahane se too hamaree ninda karata haai.

46 us ne kaha he vyavasthapako, tum par bhee hay ! tum aeese bojh jin ko uttana kattnai haai, manushyon par ladate ho parantu tum ap un bojhon ko apanee ek ungalie se bhee naheen choote.

47 hay tum par ! tum un bhvishyadvktaon kee kabraen banate ho, jinhen tumhare bapa-dadon ne mar dala tha.

48 so tum gavah ho, aur apane bapa-dadon ke kamon men sammat ho kyonaki unhon ne to unhen mar dala aur tum un kee kabraen banate ho.

49 isaliye parameshvar kee buaddh ine bhee kaha haai, ki maain un ke pas bhavishyadvktaon aur praeariton ko bhejoongee: aur ve un men se kitanon ko mar dalenge, aur kitanon ko sataaenge.

50 taaki jitane bhvishyadvktaon ka lohoo jagat kee utpati se bahaya gaya haai, sab ka lekha, is yug ke logon se liya jaae.

⁵¹ habeel kee hatya se lekar jakarayah kee hatya tak jo vedee aur maandair ke beech men ghaat kiya gaya: maain tum se sach kahata hoon usaka lekha isee samay ke logon se liya jaaega.

⁵² hay tum vyavasthapakon par ! ki tum ne gyaan kee kunjee le to lee, parantu tum ne apahee pravesh naheen kiya, aur pravesh karanevalon ko bhee rok diya.

⁵³ jab vah vahan se nikala, to shaasree aur fareesee bahut peechhe pad gae aur chhedne lage, ki vah bahut see baton kee charcha kare.

⁵⁴ aur us kee ghaat men lage rahe, ki usake munh kee koi bat pakaden..

- 13 fir bheed men se aek ne us se kaha, he guro, mere bhai se kah, ki pita kee sanpaati mujhe banttt de.
- 14 us ne us se kaha he manushy, kis ne mujhe tumhara nyayee ya bantttnevala niyukt kiya haai?

- 16 us ne un se ek drashttant kaha, ki kisee dhanavan kee boomi men badee upaj hui.
- 17 tab vah apne man men vichar karane laga, ki maain kya karoo, kyonki mere yahan jagah nahee, jahan apanee upaj ityadi rakoon.
- 18 aur us ne kaha maain yah karoonga: maain apanee bakhariyan tod kar un se badee banaunga
- 19 aur vahan apana sab ann aur sanpaati rakoonga: aur apane praan se kahoonga, ki praa, tere pas bahut vasharen ke liye bahut sanpati rakhee haai chaain kar, kha, pee, sukh se raha.
- 20 parantu parameshvar ne us se kaha he moorkh, isee rat tera praan tujh se le liya jaaega: tab jo kuchh too ne ikattha kiya haai, vah kis ka hoga?
- 21 aeesa hee vah manushy bhee haai jo apane liye dhan battorata haai, parantu parameshvar kee drashti men dhanee naheen..
- 22 fir us ne apne chelon se kaha isaaliye maain tum se kahata hoo, apane praan kee chinta n karo, ki ham kya khaaenge n apane shareer kee ki kya paahinenge.
- 23 kyonaki bhojan se praa, aur vasr se shareer baddhkar haai.

- 34 kyonaki jahan tumhara dhan haai, vahan tumhara man bhee laga rahega..
- 35 tumharee kamaren bandhaee rahe, aur tumhare deeye jalate rahen.
- 36 aur tum un manushyon ke saman bano, jo apane svamee kee batt dekh rahe ho, ki vah byah se kab lauttega ki jab vah akar dar khttkhttaa, ate turant usake khol den.

- 48 parantu jo naheen janakar mar khane ke yogy kam kare vah thodee mar khaaega, isaaliye jise bahut diya gaya haai, us se bahut manga jaaega, aur jise bahut saunpa gaya haai, us se bahut mangengen..
- 49 maain prathvee par ag lagane aya hoon aur kya chahata hoon keval yah ki abhee sulag jatee !
- 50 mujhe to aek bapaatisma leta haai aur jab tak vah n ho le tab tak maain kaaisee saketee men rahoonga?
- 51 kya tum samajhte ho ki maain prathvee par milap karane aya hoon? maain kahata hoon nahee, baran alag karane aya hoon.

- ¹ fir us ne is ke vishay men ki nity praarthna karana aur hiyav n chhodna chaahiae un se yah drashttant kaha.
- ² ki kisee nagar men aek nyayee rahata tha jo n parameshvar se drata th aur n kisee manushy kee paravah karata tha.
- ³ aur usee nagar men aek vidhava bhee rahatee thee: jo usake pas a akar kaha karatee thee, ki mera nyay chukakar mujhe mui se bacha.
- ⁴ us ne kitane samay tak to n mana parantu ant men man men vicharakar kaha, yadhyapi maain n parameshvar se drata, aur n manushyon kee kuchh paravah karata hoon.
- ⁵ taubhee yah vidhava mujhe satatee rahatee haai, isaaliye maain usaka nyay chukaunga kaheen aeesa n ho ki ghadee ghadee akar ant ko mera nak men dam kare.
- ⁶ prabhu ne kaha, suno, ki yah adharmee nyayee kya kahata haai?

- 7 so kya parameshr apane chune huon ka nyay n chukaaega, jo rata-adin us ke duhai dete rahate aur kya vah un ke vishay men den karega?
- 8 maain tum se kahata hoon vah turant un ka nyay chukaaega taubhee manushy ka putra jab aaega, to kya vah prathvee par vishvas paaega?
- 9 aur us ne kitano se jo apane upar bhrosa rakhte the, ki ham dharmee haai, aur auron ko tuchchh janate the, yah drashttant kaha.
- 10 ki do manushy mandair men praarthna karane ke liye gaae aek fareesee tha aur doosara chungee lenevala.
- 11 fareesee khda hokar apane man men yon praarthna karane laga, ki he parameshvar, maain tera dhanyavad karata hoo, ki maain aur manushyon ke nai andhor karanevala, anyayee aur vyaabhaicharee nahee, aur n is chungee lenevale ke saman hoon.
- 12 maain saptah men do bar upavas karata hoon maain apanee sab kamai ka dasavan ansh bhee deta hoon.
- 13 parantu chungee lenevale ne door khde hokar, svarga kee or ankh uttana bhee n chaha, baran apanee chhatee peett-peettkar kaha he parameshvar mujh papee par daya kara.
- 14 maain tum se kahata hoo, ki vah doosara naheen parantu yahee manushy dharmee ttharaya jakar apane ghar gaya kyonaki jo koi apane ap ko bada banaaega, vah chhotta kiya jaaega aur jo apane ap ko chhotta banaaega, vah bada kiya jaaega..
- 15 fir log apane bachchon ko bhee usake pas lane lage, ki vah un par hath rakhe aur chelon ne dekhkar unhen dantta.
- 16 yeeshu n bachchon ko pas bulakar kaha, balakon ko mere pas ane do, aur unhen mana n karo: kyonaki parameshvar ka rajy aeeson kee ka haai.
- 17 maain tum se sach kahata hoo, ki jo koi paramashevar ke rajy ko balak kee nai grahan n karega vah us men kabhee pravesch karane n paaega..
- 18 kisee saradar ne us se poochha, he uttm guro, anantajeevan ka adhaikaree hone ke liye maain kya karoon?
- 19 yeeshu ne us se kaha too mujhe uttm kyon kahata haai? koi uttm nahee, keval aek, arthata parameshvara.
- 20 too agyaaon ko to janata haai, ki vyaabhaichar n karana, joottee gavahee n dena, apane pita aur apanee mata ka adar karana.
- 21 us ne kaha, maain to in sab ko ladkapan hee se manata aya hoon.

- 22 yah sun, yeeshu ne us se kaha, tujh men ab bhee aek bat kee ghattee haai, apana sab kuchh bechakar kangalon ko bant de aur tujhe svarga men dhan milega, aur akar mere peechhe ho le.
- 23 vah yah sunakar bahut udas hua, kyonki vah bada dhanee tha.
- 24 yeeshu ne use dekhkar kaha dhanavanon ka parameshvar ke rajy men pravesh karana kaaisa kattnai haai?
- 25 parameshvar ke rajy men dhanavan ke pravesh karane se untt ka sooi ke nake men se nikal jana sahaj haai.
- 26 aur sunanevalon ne kaha, to fir kis ka uddhar ho sakata haai?
- 27 us ne kaha jo manushy se naheen ho sakata, vah parameshvar se ho sakata haai.
- 28 pataras ne kaha dek, ham to ghar bar chhodkar tere peechhe ho liye haain.
- 29 us ne un se kaha maain tum se sach kahata hoo, ki aeesa koi naheen jis ne parameshvar ke rajy ke liye ghar ya patnee ya bhaiyon ya mata pita ya ladke-balon ko chhod diya ho.
- 30 aur is samay kai guna adhaik n paae aur paralok men anant jeevana..
- 31 fir us ne barahon ko sath lekar un se kaha dekho, ham yarooshalem ko jate haai, aur jitane baten manushy ke putra ke liye bhavishyadvktaon ke dara likhee gai haain ve sab pooree hongee.
- 32 kyonaki vah anyajaatiyon ke hath men saunpa jaaega, aur ve use tttthon men udaaenge aur usaka apaman karenge, aur us par tookenge.
- 33 aur use kode mareenge, aur ghaat karenge, aur vah teesare din jee uttega.
- 34 aur unhon ne in baton men se koi bat n samajhee: aur yah bat un men chhpaiee rahee, aur jo kaha gaya tha vah un kee samajh men n aya..
- 35 jab vah yareeho ke nikatt pahuncha, to aek andha sadk ke kinare baaitta hua bheekh mang raha tha.
- 36 aur vah bheed ke chalane kee ahatt sunakar poochhne laga, yah kya ho raha haai?
- 37 unhon ne us ko bataya, ki yeeshu nasaree ja raha haai.
- 38 tab us ne pukar ke kaha, he yeeshu daud kee santan, mujh par daya kara.
- 39 jo age jate the, ve use danttne lage ki chup rahe: parantu vah aur bhee chillane laga, ki he daud kee santan, mujh par daya kara.
- 40 tab yeeshu ne khde hokar agyaa dee ki use mere pas lao, aur jab vah nikatt aya, to us ne us se yah poochha.

⁴¹ too kya chahata haai, ki maain tere liye karoon? us ne kaha he prabhu yah ki maain dekhne lagoon.

⁴² yeeshu ne kaha dekhne lag, tere vishvas ne tujhe achchha kar diya haai.

⁴³ aur vah turant dekhne laga aur parameshvar kee badai karata hua usake peechhe ho liya, aur sab logon ne dekhkar parameshvar kee stuati kee..

Looka 19

¹ vah yareeho men pravesh karake ja raha tha.

² aur dekho, jakkai nam aek manushy tha jo chungee lenevalon ka saradar aur dhaneer tha.

³ vah yeeshu ko dekhna chahata tha ki vah kon sa haai? parantu bheed ke karan dekh n sakata tha. kyonaki vah natta tha.

⁴ tab us ko dekhne ke liye vah age daudkar aek goolar k ped par chaddh gaya, kyonaki vah usee marga se jane vala tha.

⁵ jab yeeshu us jagah pahuncha, to upar draashtti kar ke us se kaha he jakkai jhttt utar a kyonaki aj mujhe tere ghar men rahana avashy haai.

⁶ vah turant utarakar anand se usee apane ghar ko le gaya.

⁷ yah dekhkar sab loge kudkudakar kahane lage, vah to aek papee manushy ke yahan ja utara haai.

⁸ jakkai ne khde hokar prabhu se kaha he prabhu, dekh maain apanee adhaee sampati kangalon ko deta hoo, aur yadi kisee ka kuchh bhee anyay karake le liya haai to usee chauguna faer deta hoon.

⁹ tab yeeshu ne us se kaha aj is ghar men uddhar aya haai, isaaliye ki yah bhee ibraaheem ka aek putra haai.

¹⁰ kyonaki manushy ka putra khoae huon ko ddoonddhne aur un ka uddhar karane aya haai..

¹¹ jab ve ye baten sun rahe the, to us ne aek drashttant kaha, isaliye ki vah yarooshalem ke nikatt tha, aur ve samajhte the, ki parameshvar ka rajy abhee pragatt hua chahata haai.

¹² so us ne kaha, aek dhaneer manushy door desh ko chala taki rajapad pakar fir aae.

¹³ aushra us ne apane dason men se das ko bulakar unhen das muharen dee, aur un se kaha, mere lauttt ane tak lena-den karana.

¹⁴ parantu usake nagar ke rahanevale us se baair rakhte the, aur usake peechhe dooton ke dara kahala bheja, ki ham naheen chahate, ki yah ham par rajy kare.

15 jab vah rajapad pakar laut aya, to aesa hua ki us ne apne dason ko jinhen rokad dee the, apne pas bulavaya taaki maloom kare ki unhon ne lena-den se kya kya kamaya.

16 tab paahile ne akar kaha, he svamee tere mohar se das aur moharen kamai haain.

17 us ne us se kaha dhany he uttm das, tujhe dhany haai, too bahut hee thode men vishvasee nikala ab das nagaron ka adhaikar rakh.

18 doosare ne akar kaha he svamee tere mohar se panch aur moharen kamai haain.

19 us ne kaha, ki too bhee panch nagaron par haakim ho ja.

20 teesare ne akar kaha he svamee dek, tere mohar yah haai, jise maain ne angochhe men bandha rakhee.

21 kyonaki maain tujh se drata tha, isaliye ki too kattor manushy haai: jo too ne naheen rakha use utta leta haai, aur jo too ne naheen boya, use kattta haai.

22 us ne us se kaha he dushtt das, maain tere hee munh se tujhe doshaee ttharata hoon: too mujhe janata tha ki kattor manushy hoo, jo maain ne naheen rakha use utta leta, aur jo maain ne naheen boya, use kattta hoon.

23 to too ne mere roopaye kotte men kyon naheen rakh dia, ki maain akar byaj samet le leta?

24 aur jo log nikatt khde the, us ne un se kaha, vah mohar us se le lo, aur jis ke pas das moharen haain use de do.

25 unhon ne us se kaha he svamee, usake pas das moharen to haain.

26 maain tum se kahata hoo, ki jis ke pas haai, use diya jaaega aur jis ke pas nahee, us se vah bhee jo usake pas haai le liya jaaega.

27 parantu mere un baairiyon ko jo naheen chahate the ki maain un par rajy karoo, un ko yahan lakar mere samane ghaat karo..

28 ye baten kahakar vah yarooshalem ke or un ke age age chala..

29 aur jab vah jaaitoon nam pahad par baaitafage aur baaitaniyah ke pas pahuncha, to us ne apne chelon men se do ko yah kahake bheja.

30 ki samhane ke ganv men jao, aur us men pahunchate hee aek gadahee ka bachcha jis par kabhee koi savar naheen hua, bandha hua tumhen milega, use kholakar lao.

31 aur yaadi koi tum se poochhe, ki kyon kholate ho, to yah kah dena, ki prabhu ko is ka prayojan haai.

32 jo bheje gae the unhon ne jakar jaaisa us ne un se kaha tha, vaaisa hee paya.

33 jab ve gadahe ke bachche ko khol rahe the, to usake malikon ne un se poochha is bachche ko kyon kholate ho?

34 unhon ne kaha, prabhu ko is ka prayojan haai.

35 ve us ko yeeshu ke pas le aae aur apane kapade us bachche par dalakar yeeshu ko us par savar kiya.

36 jab vah ja raha tha, to ve apane kapade marga men bichhate jate the.

37 aur nikatt ate huae jab vah jaaitoon pahad ke ddhlan par pahuncha, to chelon ke saree mandlee un sab samarth ke kamon ke karan jo unhon ne dekhe the, anaandait hokar bade shabd se parameshvar kee stuati karane lagee.

38 ki dhany haai vah raja, jo prabhu ke nam se ata haai svarga men shaantai aur akash mandl men mahima ho.

39 tab bheed men se kitane fareesee us se kahane lage, he guroo apane chelon ko dant.

40 us ne uttr diya, ki tum men se kahata hoo, yadi ye chup rahe, to patthr chilla uttenge..

41 jab vah nikatt aya to nagar ko dekhkar us par roya.

42 aur kaha, kya hee bhla hota, ki too ha, too hee, isee din men kushal kee baten janata, parantu ab ve teree ankhon se chhpaai gai haain.

43 kyonaki ve din tujh par aaenge ki tere baairree morcha bandhakar tujhe ghor lenge, aur charon or se tujhe dabaaenge.

44 aur tujhe aur tere balakon ko jo tujh men haai, mittee men milaaenge, aur tujh men patthr par patthr bhee n chhodenge kyonki too ne vah avasar jab tujh par krapa draashti kee gai n pahichana..

45 tab vah maandair men jakar bechanevalon ko bahar nikalane laga.

46 aur un se kaha, likha haai ki mera ghar praarthna ka ghar hoga: parantu tum ne use dakuon kee khoh bana diya haai..

47 aur vah praati din mandair men upadesh karata tha: aur mahayajak aur shaasree aur loagon ke rais use nash karane ka avasar ddoonddhte the.

48 parantu koi upay n nikal sake ki yah kis prakar karen kyonki sab log badee chah se us kee sunate the.

- ¹ aek din aeesa hua ki jab vah mandair men logon ko upadesh deta aur susamachar suna raha tha, to mahayajak aur shaasre, puraaniyon ke sath pas akar khde hue.
- ² aur kahane lage, ki hamen bata, too in kamon ko kis adhaikar se karata haai, aur vah kaun haai, jis ne tujhe yah aadhaikar diya haai?
- ³ us ne un ko uttr diya, ki maain bhee tum men se ek bat poochhta hoon mujhe batao.
- ⁴ yoohanna ka bapatisma svarga kee or se tha ya manushyon kee or se tha?
- ⁵ tab ve apas men kahane lage, ki yadi ham kahen svarga kee or se, to vah kahega fir tum ne us kee prateeati kyon n kee?
- ⁶ aur yaadi ham kahe, manushyon kee or se, to sab log hamen patthravah karenge, kyonaki ve sachamuch janate haai, ki yoohanna bhvishyadvkata tha.
- ⁷ so unhon ne uttr diya, ham naheen janate, ki vah kis kee or se tha.
- ⁸ yeeshu ne un se kaha, to maain bhee tum ko naheen batata, ki maain ye kam kis adhaikar se karata hoon.
- ⁹ tab vah logon se yah drashttant kahane laga, ki kisee manushy ne dakh kee baree lagai, aur kisanon ko usaka tteka de diya aur bahut dinon ke liye paredash chala gaya.
- ¹⁰ samay par us ne kisanon ke pas aek das ko bheja, ki ve dakh kee baree ke kuchh falon ka bhag use de, par kisanon ne use peettkar choochhe hath lautta diya.
- ¹¹ fir us ne aek aur das ko bheja, or unhon ne use bhee peettkar aur usaka apaman karake choochhe hath lautta diya.
- ¹² fir us ne teesara bheja, aur unhon ne use bhee ghaayal karake nikal diya.
- ¹³ tab dakh kee baree ke svamee ne kaha, maain kya karoon? maain apane piry putra ko bhejoonga kya jane ve usaka adar karen.
- ¹⁴ jab kisanon ne use dekha to apas men vichar karane lage, ki yah to varis haai ao, ham use mar dale, ki miras hamaree ho jaae.
- ¹⁵ aur unhon ne use dakh kee baree se bahar nikalakar mar dala: isaaliye dakh kee baree ka svamee un ke sath kya karega?
- ¹⁶ vah akar un kisanon ko nash karega, aur dakh kee baree auron ko saunpega : yah sunakar unhon ne kaha, parameshvar aeesa n kare.
- ¹⁷ us ne un kee or dekhkar kaha fir yah kya, likha haai, ki jis patthr ko rajaamistriayon ne nikamma ttharaya tha, vahee kone ka sira ho gaya.

- 18 jo koi us patthr par girega vah chakanachoor ho jaaega, aur jis par vah girega, use vah pees dalega..
- 19 usee ghadee shaaastriayon aur mahayajakon ne use pakadna chaha, kyonki samajh gaa, ki us ne ham par yah drashttant kaha, parantu ve logon se dre.
- 20 aur ve us kee tak men lage aur bhediye bheje, ki dharma ka bhesh dharakar us kee koi n koi bat pakade, ki use haakim ke hath aur adhaikar men saunp den.
- 21 unhon ne us se yah poochha, ki he guro, ham janate haain ki too tteek kahata, aur sikhata bhee haai, aur kisee ka pakshapat naheen karata baran parameshvar ka marga sachchai se batata haai.
- 22 kya hamen kaaisar ko kar dena uchit haai, ki naheen.
- 23 us ne un kee chaturai ko tadkar un se kaha ek deenar mujhe dikhao.
- 24 is par kis kee mootira aur nam haai? unhon ne kaha, kaaisar ka.
- 25 us ne un se kaha to jo kaaisar ka haai, vah kaaisar ko do aur jo parameshvar ka haai, vah parameshvar ko do.
- 26 ve logoen ke samhane us bat ko pakad n sake, baran usake uttr se achaambhiat hokar chup rah gae.
- 27 fir sadookee jo kahate haai, ki mare huon ka jee uttna haai hee nahee, un men se kitanon ne usake pas akar poochha.
- 28 ki he guro, moosa ne hamare liye yah likha haai, ki yadi kisee ka bhai apanee patnee ke rahate huae bina santan mar jaa, to usaka bhai us kee patnee ko byah le, aur apane bhai ke liye vansh utpann kare.
- 29 so sat bhai the, pahila bhai byah karake bina santan mar gaya.
- 30 fir doosare aur teesare ne bhee us sree ko byah liya.
- 31 isee reeti se saton bina santan mar gae.
- 32 sab ke peechhe vah sree bhee mar gai.
- 33 so jee uttne par vah un men se kis kee patnee hogee, kyonaki vah saton kee patnee ho chukee thee.
- 34 yeeshu ne un se kaha ki is yug ke santanon men to byah shaadee hotee haai.
- 35 par jo log is yogy tthareng, ki us yug ko aur mare huon men se jee uttna praapt kare, un men byah shaadee n hogee.
- 36 ve fir marane ke bhee naheen kyonki ve svargadooton ke saman honge, aur jee uttne ke santan hone se parameshvar ke bhee santan honge.

³⁷ parantu is bat ko ki mare huae jee uttte haai, moosa n bhee jhadee kee katha men pragatt kee haai, ki vah prabhu ko ibraaheem ka parameshvar, aur isahak ka parameshvar, aur yakoob ka paramashevar kahata haai.

³⁸ parameshvar to muradon ka naheen parantu jeevaton ka parameshvar haai: kyonki usake nikatt sab jeeavit haain.

³⁹ tab yah sunakar shaastriyon men se kitanon ne kaha, ki he guro, too ne achchha kaha.

⁴⁰ aur unhen fir us se kuchh aur poochhne ka hiyav n hua..

⁴¹ fir us ne un se poochha, maseeh ko daud ka santan kyonkar kahate haain.

⁴² daud ap bhjanasanhita kee pustak men kahata haai, ki prabhu ne mere prabhu se kaha.

⁴³ mere dahine baait, jab tak ki maain teere baairiyon ko tere panvon ke tale n kar doon.

⁴⁴ daud to use prabhu kahata haai to fir vah us kee santan kyonkar tthara?

⁴⁵ jab sab log sun rahe the, to us ne apane chelon se kaha.

⁴⁶ shaastriyon se chaukas raho, jin ko lambe lambe vasr paahine huae firana bhla haai, aur jinhen bajaron men namaskar, aur sabhaon men mukhy asan aur jevanaron men mukhy sthan piry lagate haain.

⁴⁷ ve vidhavaon ke ghar kha jate haai, aur dikhane ke liye badee der tak praarthna karate rahate haain: ye bahut hee dand paaenge..

Looka 21

¹ fir us ne ankh uttakar dhanavanon ko apana apana dan bhndar men dalate dekha.

² aur us ne aek kangal vidhava ko bhee us men do damaadiyan dalate dekha.

³ tab us ne kaha maain tum se sach kahata hoon ki is kangal vidhava ne sab se baddhkar dala haai.

⁴ kyonaki un sab ne apanee baddhtee men se dan men kuchh dala haai, parantu is ne apanee ghattee men se apanee saree jeevika dal dee haai..

⁵ jab kitane log mandair ke vishay men kah rahe the, ki vah kaaise sundar patthron aur bhentt kee vastuon se sanvara gaya haai to us ne kaha.

⁶ ve din aaenge, jin men yah sab jo tum dekhte ho, un men se yahan kisee patthr par patthr bhee n choottega, jo ddhaya n jaaega.

- ⁷ unhon ne us se poochha, he guro, yah sab kab hoga? aur ye baten jab pooree hone par hongee, to us samay ka kya chinh hoga?
- ⁸ us ne kaha chaukas raho, ki bhramaae n jao, kyonaki bahutere mere nam se akar kahenge, ki maain vahee hoon aur yah bhee ki samay nikatt a pahuncha haai: tum un ke peechhe n chale jana.
- ⁹ aur jab tum ladaiyon aur balavon kee charcha suno, to ghabara n jana kyonaki in ka pahile hona avashy haai parantu us samay turant ant n hoga.
- ¹⁰ tab us ne un se kaha, ki jati par jati aur rajy par rajy chaddhai karega.
- ¹¹ aur baden baden booidol hongee, aur jagah jagah akal aur maariyan padengee, aur akash men bhyankar baten aur bade bade chinh pragatt hongee.
- ¹² parantu in sab baton se paahile ve mere nam ke karan tumhen pakadenge, aur sataaenge, aur panchayaton men saupenge, aur bandeegrah me dlavaaenge, aur rajaon aur haakimon ke samhane le jaaenge.
- ¹³ par yah tumhare liye gavahee dene ka avasar ho jaaega.
- ¹⁴ isaliye apane apane man men ttan rakho ki ham pahile se uttr dene kee chinta n karenge.
- ¹⁵ kyonaki maain tumhen aesa bol aur buddh idoonga, ki tumhare sab virodhaee samhana ya khndn n kar sakenge.
- ¹⁶ aur tumhare mata pita aur bhai aur kuttumb, aur mitra bhee tumhen pakadvaaenge yahan tak ki tum men se kitanon ko marava dalenge.
- ¹⁷ aur mere nam ke karan sab log tum se baair karenge.
- ¹⁸ parantu tumhare sir ka aek bal bhee banka n hoga.
- ¹⁹ apane dhaeeraj se tum apane praanon ko bachaae rakhoge..
- ²⁰ jab tum yarooshalem ko senaon se ghaira hua dekho, to jan lena ki usaka ujad jana nikatt haai.
- ²¹ tab jo yahoodiya men hon vah pahadon par bhag jaae, aur jo yarooshalem ke bheetar hon ve bahar nikal jaaen aur jo gavon men ho ve us men n janae.
- ²² kyonaki yah palatta lene ke aeese din hongee, jin men likhee hui sab baten pooree ho jaaengee.
- ²³ un dinon men jo garbhvatee aur doodha pilatee hongee, un ke liye hay, hay, kyonaki desh men bada klesh aur in logon par badee apaati hogee.
- ²⁴ ve talavar ke kaur ho jaaenge, aur sab deshaen ke logon men bandhauae hokar pahunchaae jaaenge, aur jab tak any jaatiyon ka samay poora n ho, tab tak yarooshalem any jaatiyon se raunda jaaega.

²⁵ aur sooraj aur chand aur taron men chinch dikhai denge, aur prathvee par, desh desh ke logon ko sankatt hoga kyonaki ve samudra ke garajane aur laharon ke kolahal se ghabara jaaenge.

²⁶ aur bhy ke karan aur sansar par anevalee ghattnaon kee bantt dekhte dekhte logon ke jee men jee n rahega kyonaki akash kee shaktaiyon hilai jaaengee.

²⁷ tab ve manushy ke putra ko samarth aur badee mahima ke sath badal par ate dekhenge.

²⁸ jab ye baten hone lage, to seedho hokar apane sir upar uttana kyonaki tumhara chhuttakara nikatt hoga..

²⁹ us ne un se ek drashttant bhee kaha ki anjeer ke ped aur sab pedon ko dekho.

³⁰ jyonahi un kee konpalen nikalatee haai, to tum dekhkar ap hee jan lete ho, ki graeeshmakal nikatt haai.

³¹ isee reeti se jab tum ye baten hote dekho, tab jan lo ki parameshvar ka rajy nikatt haai.

³² maain tum se sach kahata hoo, ki jab tak ye sab baten n ho le, tab tak is peeddhee ka kadaapi ant n hoga.

³³ akash aur prathvee ttl jaaenge, parantu meree baten kabhee n ttengee..

³⁴ isaliye savadhaan raho, aeesa n ho ki tumhare man khumar aur matavalepan, aur is jeevan kee chintaon se sust ho jaae, aur vah din tum par fande kee nai achanak a pade.

³⁵ kyonaki vah saree prathvee ke sab rahanevalon par isee prakar a padega.

³⁶ isaliye jagate raho aur har samay praarthna karate raho ki tum in sab anevalee ghattnaon se bachane, aur manushy ke putra ke samhane khde hone ke yogy bano..

³⁷ aur vah din ko mandair men upadesh karata tha aur rat ko bahar jakar jaaitoon nam pahad par raha karata tha.

³⁸ aur bhor ko tadke sab log us kee sunane ke liye maandair men usake pas aya karate the.

Looka 22

¹ akhmeeree rottee ka pavrva jo fasah kahalata haai, nikatt tha.

² aur mahayajak aur shaasree is bat kee khoj men the ki us ko kyonkar mar dale, par ve logon se drate the..

³ aur shautan yahooda men samaya, jo iskaariyotee kahalata aur barah chelon men gina jata tha.

- ⁴ us ne jakar mahayajakon aur paharoon ke saradaron ke sath batacheet kee, ki us ko kis prakar un ke hath pakadvae.
- ⁵ ve anandait hua, aur use roopaye dene ka vachan diya.
- ⁶ us ne man liya, aur avasar ddoonddhne laga, ki bina upadrav ke use un ke hath pakadva de..
- ⁷ tab akhmeeree rottee ke pavrva ka din aya, jis men fasah ka memna balee karana avashy tha.
- ⁸ aur yeeshu ne pataras aur yoohanna ko yah kahakar bheja, ki jakar hamare khane ke liye fasah taaiyar karo.
- ⁹ unhon ne us se poochha, too kahan chahata haai, ki ham taaiyar karen?
- ¹⁰ us ne un se kaha dekho, nagar men pravesh karate hee ek manushy jal ka ghada uttaae huae tumhen milega, jis ghar men vah jae tum usake peechhe chale jana.
- ¹¹ aur us ghar ke svamee se kaho, ki guroo tujh se kahata haai ki vah pahunashaala kahan haai jis men maain apane chelon ke sath fasah khaun?
- ¹² vah tumhen aek sajee sajai badee attaree dikha dega vahan taaiyaree karana.
- ¹³ unhon ne jakar, jaaisa us ne un se kaha tha, vaaisa hee paya, aur fasah taaiyar kiya..
- ¹⁴ jab ghadee pahunchee, to vah praearitoen ke sath bhojan karane baaitta.
- ¹⁵ aur us ne un se kaha mujhe badee lalasa thee, ki dukh-bhogane se paahile yah fasah tumhare sath khaun.
- ¹⁶ kyonaki maain tum se kahata hoo, ki jab tak vah parameshvar ke rajy men poora n ho tab tak maain use kabhee n khaunga.
- ¹⁷ tab us ne kattora lekar dhanyavad kiya, aur kaha, is ko lo aur apas men bant lo.
- ¹⁸ kyonaki maain tum se kahata hoo, ki jab tak parameshvar ka rajy n aae tab tak maain dakh ras ab se kabhee n peeunga.
- ¹⁹ fir us ne rottee lee, aur dhanyavad karake todee, aur un ko yah kahate huae dee, ki yah merree deh haai, jo tumhare liye dee jatee haai: mere smaran ke liye yahee kiya karo.
- ²⁰ isee reeti se us ne biyaree ke bad kattora mere us lohoo men jo tumhare liye bahaya jata haai nai vacha haai.
- ²¹ par dekho, mere pakadvanevale ka hath mere sath mej par haai.

- 22 kyonaki manushy ka putra to jaaisa usake liye ttharaya gaya jata hee haai, par hay us manushy par, jis ke dara vah pakadvaya jata haai!
- 23 tab ve apas men poochh pachh karane lage, ki ham men se kaun haai, jo yah kam karega?
- 24 un men yah vada-avivad bhee hua ki ham men se kaun bada samajha jata haai?
- 25 us ne un se kaha, anyajaatyon ke raja un par prabhuta karate haain aur jo un par adhaikar rakhte haai, ve upakarak kahalate haain.
- 26 parantu tum aeese n hona varan jo tum men bada haai, vah chhotte kee nai aur jo pradhaan haai, vah sevak kee nai bane.
- 27 kyonaki bada kaun haai vah jo bhojan par baaitta ya vah jo seva karata haai? kya vah naheen jo bhojan par baaitta haai? par maain tumhare beech men sevak kee nain hoon.
- 28 parantu tum vah ho, jo meree pareekshaaon men lagatar mere sath rahe.
- 29 aur jaaise mere pita ne mere liye aek rajy ttharaya haai,
- 30 vaaise hee maain bhee tumhare liye ttharata hoo, taki tum mere rajy men meree mej par khao-apio baran sinhasanon par baaittkar israael ke barah gotraen ka nyay karo.
- 31 shamaun, he shamaun, dek, shautan ne tum logon ko mang liya haai ki genhoon kee nai fattke.
- 32 parantu maain ne tere liye binatee kee, ki tera vishvas jata n rahe: aur jab too fire, to apane bhaiyon ko sthiar karana.
- 33 us ne us se kaha he prabhu, maain tere sath bandeegrah jane, varan marane ko bhee taaiyar hoon.
- 34 us ne kaha he pataras maain tujh se kahata hoo, ki aj murga bang dega jab tak too teen bar mera inkar n kar lega ki maain use naheen janata..
- 35 aur us ne un se kaha, ki jab maain ne tumhen battua, aur jholee, aur joote bina bheja tha, to kya tum ko kisee vastu kee ghattee hui thee? unhon ne kaha kisee vastu kee naheen.
- 36 us ne un se kaha, parantu ab jis ke pas battua ho vah use le, aur vaaise hee jholee thee, aur jis ke pas talavar n ho vah apane kapade bechakar ek mol le.
- 37 kyonaki maain tum se kahata hoo, ki yah jo likha haai, ki vah aparadhaiyon ke sath gina gaya, usaka mujh men poora hona avashy haai kyonki mere vishay kee baten pooree hon par haain.

- 38 unhon ne kaha he prabhu, dek, yahan do talavaren haain: us ne un se kaha bahut haain..
- 39 tab vah bahar nikalakar apanee reeati ke anusar jaaitoon ke pahad par gaya, aur chele usake peechhe ho liae.
- 40 us jagah pahunchakar us ne un se kaha praarthna karo, ki tum pareeksha men n pado.
- 41 aur vah ap un se alag aek ddhela faenkane ke ttppe bhr gaya, aur ghauttne ttekakar praarthna karane laga.
- 42 ki he pita yaadi too chahe to is kattore ko mere pas se hatta le, taubhee meree naheen parantu teree hee ichchha pooree ho.
- 43 tab svarga se aek doot us ko dikhai diya jo use samarth deta tha.
- 44 aur vah atyant sankatt men vyakul hokar aur bhee day vedana se praarthna karane laga aur usaka paseena mano lohoo kee badee badee boondon kee nai boomi par gir raha tha.
- 45 tab vah praarthna se utta aur apane chelon ke pas akar unhen udasee ke mare sota paya aur un se kaha, kyon sote ho?
- 46 utto, praarthna karo, ki pareeksha men n pado..
- 47 vah yah kah hee raha tha, ki dekho aek bheed ai, aur un barahon men se aek jis ka nam yahooda tha unake age age a raha tha, vah yeeshu ke pas aya, ki usaka chooma le.
- 48 yeeshu ne us se kaha, he yahooda, kya too chooma lekar manushy ke putra ko pakadvata haai?
- 49 usake saathaiyon ne jab dekha ki kya honevala haai, to kha he prabhu, kya ham talavar chalaen?
- 50 aur un men se aek ne mahayajak ke das par chalakar usaka dahina kan uda diya.
- 51 is par yeeshu ne kaha ab bas karo : aur usaka kan chookar use achchha kiya.
- 52 tab yeeshu ne mahayajakon aur maandair ke paharoon ke saradaron aur puraaniyon se, jo us par chaddh aae the, kaha kya tum mujhe dakoo janakar talavaren aur lattyaian liae huae nikale ho?
- 53 jab maain mandair men har din tumhare sath tha, to tum ne mujh par hath n dala par yah tumharee ghadee haai, aur andhakar ka adhaikar haai..
- 54 fir ve use pakadkar le chale, aur mahayajak ke ghar men laae aur pataras door hee door usake peechhe peechhe chalata tha.

- 55 aur jab ve angan men ag sulagakar ikatthe baaitte, to pataras bhee un ke beech men baaitt gaya.
- 56 aur aek laundee use ag ke ujjiale men baaitte dekhkar aur us kee or takakar kahane lagee, yah bhee to usake sath tha.
- 57 paranatu us ne yah kahakar inkar kiya, ki he naree, maain use naheen janata.
- 58 thodee der bad kisee aur ne use dekhkar kaha, too bhee to unheen men se haai: pataras ne kaha he manushy maain naheen hoon.
- 59 koi ghannte bhr ke bad aek aur manushy draddhta se kahane laga, nishchay yah bhee to usake sath tha kyonki yah galeelee haai.
- 60 pataras ne kaha, he manushy, maain naheen janata ki too kya kahata haai? vah kah hee raha tha ki turant murga ne bang dee.
- 61 tab prabhu ne ghoomakar pataras kee or dekha, aur pataras ko prabhu kee vah bat yad ai jo us ne kahee thee, ki aj murga ke bang dene se paahile, too teen bar mera inkar karega.
- 62 aur vah bahar nikalakar foott foott kar rone laga..
- 63 jo manushy yeeshu ko pakade huae the, ve use tttthon men udakar peettne lage.
- 64 aur us kee ankhe ddhanpakar us se poochha, ki bhvishyadane karake bata ki tujhe kisane mara.
- 65 aur unhon ne bahut see aur bhee ninda kee baten usake virodha men kaheen..
- 66 jab din hua to logon ke puraaniae aur mahayajak aur shaasree ikatthe hua, aur use apanee mahasatha men lakar poochha,
- 67 yaadi too maseeh haai, to ham se kah de! us ne un se kaha, yaadi maain tum se kahoon to prateeti n karoge.
- 68 aur yaadi poonchoo, to uttr n doge.
- 69 paranatu ab se manushy ka putra sarvashaaktaiman parameshvar kee daahinee aur baaitta rahega.
- 70 is par sab ne kaha, to kya too parameshvar ka putra haai? us ne un se kaha tum ap hee kahate ho, kyonki maain hoon.
- 71 tab unhon ne kaha ab hamen gavahee ka kya prayojan haai kyonaki ham ne ap hee usake munh se sun liya haai..

Looka 23

- 1 tab saree sabha uttkar use peelatus ke pas le gai.

² aur ve yah kahakar us par dosh lagane lage, ki ham ne ise logon ko bahakate aur kaaisar ko kar dene se mana karate, aur apane ap ko maseeh raja kahate huae suna haai.

³ peelatus ne us se poochha, kya too yahoodiyon ka raja haai? us ne use uttr diya, ki too ap hee kah raha haai.

⁴ tab peelatus ne mahayajakon aur logon se kaha, maain is manushy men kuchh dosh naheen pata.

⁵ par ve aur bhee draddhta se kahane lage, yah galeel se lekar yahan tak sare yahoodiya men upadesh de de kar logon ko usakata haai.

⁶ yah sunakar peelatus ne poochha, kya yah manushy galeelee haai?

⁷ aur yah janakar ki vah herodes kee riyasat ka haai, use herodes ke pas bhej diya, kyonaki un dinon men vah bhee yarooshalem men tha..

⁸ herodes yeeshu ko dekhkar bahut hee prasann hua, kyonaki vah bahut dinon se us ko dekhna chahata tha: isaliye ki usake vishay men suna tha, aur usaka kuchh chinh dekhne kee asha rakhta tha.

⁹ vah us ne bahuteree baten poochhta raha, par us ne us ko kuchh bhee uttr n diya.

¹⁰ aur mahayajak aur shaasree khde huae tan man se us par dosh lagate rahe.

¹¹ tab herodes ne apane sipaahiyon ke sath usaka apaman karake tttthon men udaya, aur bhdkeela vasr paahinakar use peelatus ke pas lautta diya.

¹² usee din peelatus aur herodes mitra ho gae. isake pahile ve ek doosare ke baairee the..

¹³ peelatus ne mahayajakon aur saradaron aur logon ko bulakar un se kaha.

¹⁴ tum is manushy ko logon ka bahakanevala ttharakar mere pas laae ho, aur dekho, maain ne tumhare samhane us kee janch kee, par jin baton ka tum us par dosh lagate ho, un baton ke vishay men maain ne us men kuchh bhee dosh naheen paya haai.

¹⁵ n herodes ne, kyonki us ne use hamare pas lautta diya haai: aur dekho, us se aeesa kuchh naheen hua ki vah mratyu ke dand ke yogy ttharaya jae.

¹⁶ isaliye maain use pittvakar chhod deta hoon.

¹⁷

¹⁸ tab sab milakar chilla utte, ki is ka kam tamam kar, aur hamare liye baraabba ko chhod de.

¹⁹ yahee kisee balave ke karan jo nagar men hua tha, aur hatya ke karan bandeegrah men dala gaya tha.

- 20 par peelatus ne yeeshu ko chhodne kee ichchha se logon ko fir samajhaya.
- 21 parantu unhon ne chillakar kaha: ki use kroos par chaddha, kroos para.
- 22 us ne teesaree bar un se kaha kyon us ne kaun see burai kee haai? maain ne us men mratyu dand ke yogy kortt bat naheen pai! isaaliye maain use pittvakar chhod deta hoon.
- 23 parantu ve chilla-achillakar peechhe pad gaa, ki vah kroos par chaddhaya jaa, aur un ka chillana prabal hua.
- 24 so peelatus ne agyaa dee, ki un kee binanee ke anusar kiya jaae.
- 25 aur us ne us manushy ko jo balave aur hatya ke karan bandeegrah men dala gaya tha, aur jise ve mangate the, chhod diya aur yeeshu ko un kee ichchha ke anusar saunp diya..
- 26 jab ve use liae jate i, to unhon ne shamaaain nam aek kurenee ko jo ganv se a raha tha, pakadkar us par kroos ko lad diya ki use yeeshu ke peechhe peechhe le chale..
- 27 aur logon kee badee bheed usake peechhe ho lee: aur bahut see striayan bhee, jo usake liye chhatee-peetttee aur vilap karatee theen.
- 28 yeeshu ne un kee or firakar kaha he yarooshalem kee putraiyo, mere liye mat roo parantu apane aur apane balakon ke liye roo.
- 29 kyonaki dekho, ve din ate haai, jin men kahenge, dhany haain ve jo banjh haai, aur ve garbh jo n jane aur ve stan jinhon ne doodha n pilaya.
- 30 us samay ve pahadon se kahane lagenge, ki ham par giro, aur tteelon se ki hamen ddhap lo.
- 31 kyonaki jab ve hare ped ke sath aesa karate haai, to sookhe ke sath kya kuchh n kiya jaaega?
- 32 ve aur do manushyon ko bhgyaee jo kukarmee the usake sath ghaat karane ko le chale..
- 33 jab ve us jagah jise khopadee kahate haain pahunche, to unhon ne vahan use aur un kukaarmiyon ko bhee aek ko daahinee aur aur doosare ko bain aur krooson par chaddhaya.
- 34 tab yeeshu ne kaha he pita, inhen kshama kar, kyonaki ye janate naheen ki kya kar rahen haain? aur unhon ne chitthiyan dalakar usake kapade bantt liae.
- 35 log khde khde dekh rahe the, aur saradar bhee ttttha kar karake kahate the, ki is ne auron ko bachaya, yaadi yah parameshvar ka maseeh haai, aur usaka chuna hua haai, to apane ap ko bacha le.
- 36 sipahee bhee pas akar aur siraka dekar usaka ttttha karake kahate the.

- 37 yaadi too yahoodiyon ka raja haai, to apane ap ko bacha.
- 38 aur usake upar aek patra bhee laga tha, ki yah yahoodiyon ka raja haai.
- 39 jo kukarmee lattkaae gaae the, un men se aek ne us kee ninda karake kaha kya too maseeh naheen? to fir apane ap ko aur hamen bacha.
- 40 is par doosare ne use danttkar kaha, kya too parameshvar se bhee naheen drata? too bhee to vahee dand pa raha haai.
- 41 aur ham to nyayanusar dand pa rahe haai, kyonki ham apane kamon ka tteek fal pa rahe haain par is ne koi anuchit kam naheen kiya.
- 42 tab us ne kaha he yeeshu, jab too apane rajy men aa, to meree suadhai lena.
- 43 us ne us se kaha, maain tujh se sach kahata hoon ki aj hee too mere sath svargalok men hoga..
- 44 aur lagabhg do pahar se teesare pahar tak sare desh men aandhiyara chhaya raha.
- 45 aur soorya ka ujjyala jata raha, aur mandair ka parada beech men fatt gaya.
- 46 aur yeeshu ne bade shabd se pukar kar kaha he pita, maain apanee atma tere hathon men saunpata hoon: aur yah kahakar praan chhod diae.
- 47 soobedar ne, jo kuchh hua tha dekhkar, parameshvar kee badai kee, aur kaha nishchay yah manushy dharmee tha.
- 48 aur bheed jo yah dekhne ko ikatthee hui bhee, is ghattna ko, dekhkar chhatee-peetttee hui laut gai.
- 49 aur usake sab jan pahachan, aur jo striayan galeel se usake pas ai thee, door khdee hui yah sab dekh rahee theen..
- 50 aur dekho yoosufa nam aek mantraee jo sajjan aur dharmee puroosh tha.
- 51 aur un ke vichar aur un ke is kam se prasann n tha aur vaa yaihoodiyon ke nagar arimateeya ka rahanevala aur parameshvar ke rajy kee batt johanevala tha.
- 52 us ne peelatus ke pas jakar yeeshu kee loth mang lee.
- 53 aur use utarakar chadar men lapetta, aur aek kabra men rakha, jo chattan men khodee hui thee aur us men koi kabhee n rakha gaya tha.
- 54 vah taaiyaree ka din tha, aur sabt ka din arambh hone par tha.
- 55 aur un striayon ne jo usake sath galeel se ai thee, peechhe peechhe jakar us kabra ko dekha, aur yah bhee ki us kee loth kis reeti se rakhee gai haai.

⁵⁶ aur lauttkar sugandhiat vastuaen aur itra taaiyar kiya: aur sabt ke din to unhon ne agyaa ke anusar vishraam kiya..

Looka 24

¹ parantu saptah ke pahile din bade bhor ko ve un sugaandhiat vastuon ko jo unhon ne taaiyar kee thee, le kar kabra par ain.

² aur unhon ne patthr ko kabra par se luddhka hua paya.

³ aur bheetar jakar prabhu yeeshu kee loth n pai.

⁴ jab ve is bat se bhauchakkee ho rahee theen to dekho, do puroosh jhlakate vasr pahine huae un ke pas a khde hue.

⁵ jab ve dr gai, aur dharatee kee or munh jhukaae raheen to unhon ne us ne kaha tum jeevate ko mare huon men kyon ddoonddhte ho?

⁶ vah yahan nahee, parantu jee utta haai smaran karo ki us ne galeel men rahate huae tum se kaha tha.

⁷ ki avashy haai, ki manushy ka putra paapiyon ke hath men pakadvaya jaa, aur kroos par chaddhaya jaae aur teesare din jee utte.

⁸ tab us kee baten un ko smaran ain.

⁹ aur kabra se lauttkar unhon ne un gyarahon ko, aur, aur sab ko, ye baten kah sunai.

¹⁰ jinhon ne praeariton se ye baten kahee, ve mariyam magadaleenee aur yoanna aur yakoob kee mata mariyam aur un ke sath kee aur striayan bhee theen.

¹¹ parantu un kee baten unahen kahane see samajh padee, aur unhon ne un kee prateeati n kee.

¹² tab pataras uttkar kabra par daud gaya, aur jhukakar keval kapade pade dekhe, aur jo hua tha, us se achambha karata hua, apane ghar chala gaya..

¹³ dekho, usee din un men se do jan immaus nam aek ganv ko ja rahe the, jo yarooshalem se koi sat meel kee dooree par tha.

¹⁴ aur ve in sab baton par jo huin thee, apas men batacheet karate ja rahe the.

¹⁵ aur jab ve apas men batacheet aur poochhtachh kar rahe the, to yeeshu ap pas akar un ke sath ho liya.

¹⁶ paranatu un kee ankhe aeese band kar dee gain thee, ki use paahichan n sake.

- 17 us ne un se poochha ye kya baten haai, jo tum chalute chalute apas men karate ho? ve udas se khde rah gae.
- 18 yah sunakar, unamen se klaiyupas nam aek vyaaktai ne kaha kya too yarooshalem men akela paradeshaee haai jo naheen janata, ki in dinon men us men kya hua haai?
- 19 us ne un se poochha kaun see baten? unhon ne us se kaha yeeshu nasaree ke vishay men jo parameshvar aur sab logon ke nikatt kam aur vachan men samarthee bhvishyadvkta tha.
- 20 aur mahayajakon aur hamare saradaron ne use pakadva diya, ki us par mratyu kee agyaa dee jaae aur use kroos par chaddhvaya.
- 21 parantu hamen asha thee, ki yahee israel ko chhuttakra dega, aur in sab baton ke sivay is ghattna ko huae teesara din haai.
- 22 aur ham men se kai striayon ne bhee hamen ashcharya men dal diya haai, jo bhor ko kabra par gai theen.
- 23 aur jab us kee loth n pai, to yah kahatee hui ai, ki ham ne svargadooton ka darshan paya, jinhon ne kaha ki vah jeevit haai.
- 24 tab hamare saathaiyon men se kai aek kabra par gaa, aur jaaisa striayon ne kaha tha, vaaisa hee paya parantu us ko n dekha.
- 25 tab us ne un se kaha he nirbuaddhyaie, aur bhvishyadvktaon kee sab baton par vishvas karane men mandamaatiyon!
- 26 kya avashy n tha, ki maseeh ye dukh uttakar apanee maahima men pravesh kare?
- 27 tab us ne moosa se aur sab bhavishyadvktaon se arambh karake saree paavitra shaasren men se, apane vishay men kee baton ka arth, unhen samajha diya.
- 28 itane men ve us ganv ke pas pahunche, jahan ve ja rahe the, aur usake ddhng se aeese jan pada, ki vah age bada chahata haai.
- 29 parantu unhon ne yah kahakar use roka, ki hamare sath raha kyonaki sandhya ho chalee haai aur din ab bahut ddhl gaya haai. tab vah un ke sath rahane ke liye bheetar gaya.
- 30 jab vah un ke sath bhojan karane baaita, to us ne rottee lekar dhanyavad kiya, aur use todkar un ko dene laga.
- 31 tab un kee ankhe khul gain aur unhon ne use pahachan liya, aur vah un kee ankhon se chhpai gaya.

32 unhon ne apas men kaha jab vah marga men ham se baten karata tha, aur paavitra shasr ka arth hamen samajhata tha, to kya hamare man men uttejana n utpann hui?

33 ve usee ghadee uttkar yarooshalem ko laut gaa, aur un gyarahon aur un ke saathaiyon ko ikatthe paya.

34 ve kahate the, prabhu sachamuch jee utta haai, aur shamaun ko dikhai diya haai.

35 tab unhon ne marga kee baten unhen bata deen aur yah bhee ki unhon ne use rottee todte samay kyonkar pahachana..

36 ve ye baten kah hee rahe the, ki vah ap hee un ke beech men a khda hua aur un se kaha, tumhen shantai mile.

37 parantu ve ghabara gaa, aur dr gaa, aur samajhe, ki ham kisee boot ko dekhte haain.

38 us ne un se kaha kyon ghabarate ho? aur tumhare man men kyon sandeh utte haain?

39 mere hath aur mere panv ko dekho, ki maain vaheen hoon mujhe chookar dekho kyonki atma ke haddee mans naheen hota jaaisa mujh men dekhte ho.

40 yah kahakar us ne unahen apane hath panv dikhaae.

41 jab anand ke mare un ko prateeati n hui, aur ashcharya karate the, to us ne un se poochha kya yahan tumhare pas kuchh bhojan haai?

42 unhon ne use boonee machhlee ka ttukada diya.

43 us ne lekar un ke samhane khaya.

44 fir us ne un se kaha, ye meree ve baten haai, jo maain ne tumhare sath rahate hua, tum se kahee thee, ki avashy haai, ki jitane baten moosa kee vyavastha aur bhavishyadvktaon aur bhjanon kee pustakon me, mere vishay men likhee haai, sab pooree hon.

45 tab us ne paavitra shaasr boojhne ke liye un kee samajh khol dee.

46 aur un se kaha, yon likha haai ki maseeh du:kh uttaaega, aur teesare din mare huon men se jee uttega.

47 aur yarooshalem se lekar sab jaatiyon men man firav ka aur papon kee kshama ka prachar, usee ke nam se kiya jaaega.

48 tum in sab baten ke gavah ho.

49 aur dekho, jis kee pratigyaa mere pita ne kee haai, maain us ko tum par utaroonga aur jab tak svarga men samarth n pao, tab tak tum isee nagar men tthare raho..

50 tab vah unhen baaitaniyyah tak bahar le gaya, aur apane hath uttakar unhen ashaeesh dee.

51 aur unhen ashaeesh dete huae vah un se alag ho gaya aur svarga se utta liya gaya.

52 aur ve us ko dandvata karake bade anand se yarooshalem ko lautt gae.

53 aur lagatar maandair men upaasthiat hokar parameshvar kee stuati kiya karate the..

- 34 aur maain ne dekha, aur gavahee dee haai, ki yahee parameshvar ka putra haai..

- 35 doosare din fir yoohanna aur usake chelon men se do jan khde huae the.
- 36 aur us ne yeeshu par jo ja raha tha draashti karake kaha, dekho, yah parameshvar ka memna haai.
- 37 tab ve donon chele us kee sunakar yeeshu ke peechhe ho liae.
- 38 yeeshu ne firakar aur un ko peechhe ate dekhkar un se kaha, tum kis kee khoj men ho? unhon ne us se kaha, he rabbee, arthata he guroo too kahan rahata haai? us ne un se kaha, chalo, to dekh loge.
- 39 tab unhon ne akar usake rahane ka sthan dekha, aur us din usee ke sath rahe aur yah dasaven ghannte ke lagabhg tha.
- 40 un donon men se jo yoohanna kee bat sunakar yeeshu ke peechhe ho liae the, ek to shamaun pataras ka bhai andairyas tha.
- 41 us ne paahile apane sage bhain shamaun se milakar us se kaha, ki ham ko khaistas arthata maseeh mil gaya.
- 42 vah use yeeshu ke pas laya: yeeshu ne us par draashti karake kaha, ki too yoohanna ka putra shamaun haai, too kefaa, arthata pataras kahalaaega..
- 43 oodoosare din yeeshu ne galeel ko jana chaha aur filippus se milakar kaha, mere peechhe ho le.
- 44 filippus to andairyas aur pataras ke nagar baaitasaaida ka nivasee tha.
- 45 filippus ne natanaael se milakar us se kaha, ki jis ka varnn moosa ne vyavastha men aur bhavishyadvktaon ne kiya haai, vah ham ko mil gaya vah yoosufa ka putra, yeeshu nasaree haai.
- 46 natanaael ne us se kaha, kya koi achchhee vastu bhee nasarat se nikal sakatee haai? filippus ne us se kaha, chalakar dekh le.
- 47 yeeshu ne natanaael ko apanee or ate dekhkar usake vishay men kaha, dekho, yah sachamuch israaelee haai: is men kapatt naheen.
- 48 natanaael ne us se kaha, too mujhe kahan se janata haai? yeeshu ne us ko uttr diya us se paahile ki filippus ne tujhe bulaya, jab too anjeer ke ped ke tale tha, tab maain ne tujhe dekha tha.
- 49 natanaael ne us se kaha, too mujhe kahan se janata haai? yeeshu ne us ko uttr diya us se paahile ki filippus ne tujhe bulaya, jab too anjeer ke ped ke tale tha, tab maain ne tujhe dekha tha.
- 50 natanaael ne us ko uttr diya, ki he rabbee, too parameshvar ka putra haai too israael ka maharaja haai.

⁵¹ yeeshu ne us ko uttr diya maain ne jo tujh se kaha, ki men ne tujhe anjeer ke ped ke tale dekha, kya too isee liye vishvas karata haai? too is se bade bade kam dekhega.

Yuhanna 2

¹ fir us se kaha, maain tum se sach sach kahata hoon ki tum svarga ko khula hua, aur parameshvar ke svargadooton ko upar jate aur manushy ke putra ke upar utarate dekhoge..

² fir teesare din galeel ke kana men kisee ka byah tha, aur yeeshu kee mata bhee vahan thee.

³ aur yeeshu aur usake chele bhee us byah men nevate gaae the.

⁴ jab dakhtras ghatt gaya, to yeeshu kee mata ne us se kaha, ki un ke pas dakhtras naheen raha.

⁵ yeeshu ne us se kaha, he maahila mujhe tujh se kya kama? abhee mera samay naheen aya.

⁶ us kee mata ne sevakon se kaha, jo kud vah tum se kahe, vahee karana.

⁷ vahan yahoodiyon ke shuuddh karane kee reeti ke anusar patthr ke chh: mattke dhare the, ji men do do, teen teen man samata tha.

⁸ yeeshu ne un se kaha, ab nikalakar bhoj ke pradhaan ke pas le jao.

⁹ ve le gaa, jab bhoj ke pradhaan ne vah panee chakha, jo dakhtras ban gaya tha, aur naheen janata tha, ki vah kahan se aya he, parantu jin sevakon ne panee nikala tha, ve janate the to bhoj ke pradhaan ne doolhe ko bulakar, us se kaha.

¹⁰ har aek manushy paahile achchha dakhtras deta haai aur jab log peekar chhk jate haai, tab madhyam deta haai parantu too ne achchha dakhtras ab tak rakh chhoda haai.

¹¹ yeeshu ne galeel ke kana men apana yah pahila chinh dikhakar apanee mahima pragatt kee aur usake chelon ne us par vishvas kiya..

¹² is ke bad vah aur us kee mata aur usake bhai aur usake chele kafaranahoom ko gaae aur vahan kuchh din rahe..

¹³ yahoodiyon ka fasah ka pabrba nikatt tha aur yeeshu yarooshalem ko gaya.

¹⁴ aur us ne maandair men baail aur bhed aur kabootar ke bechanevalon or sarrafaon ko baaitte huae paya.

¹⁵ aur raassaiyon ka koda banakar, sab bhedon aur baailon ko mandair se nikal diya, aur sarrafaon ke paaise bithra dia, aur peeddhon ko ulatt diya.

- 16** aur kabootar bechanevalon se kaha inhen yahan se le jao: mere pita ke bhvan ko vyopar ka ghar mat banao.
- 17** tab usake chelon ko smaran aya ki likha haai, 'tere ghar kee dhaun mujhe kha jaaegeen.
- 18** is par yahoodiyon ne us se kaha, too jo yah karata haai to hamen kaun sa chinh dikhata he?
- 19** yeeshu ne un ko uttr diya ki is mandair ko ddha do, aur maain use teen din men khda kar doonga.
- 20** yahoodiyon ne kaha is mandair ke banane men chhyaialees varsha lage he, aur kya too use teen din men khda kar dega?
- 21** parantu us ne apanee deh ke mandair ke vishay men kaha tha.
- 22** so jab vah mudorn men se jee utta to usake chelon ko smaran aya, ki us ne yah kaha tha aur unhon ne paavitra shaasr aur us vachan kee jo yeeshu ne kaha tha, prateeti kee..
- 23** jab vah yarooshalem men fasah ke samay pabrba men tha, to bahuton ne un chinhon ko jo vah dikhata tha dekhkar usake nam par vishvas kiya.
- 24** parantu yeeshu ne apne ap ko un ke bhrose par naheen chhoda, kyonki vah sab ko janata tha.
- 25** aur use prayojan n tha, ki manushy ke vishay men koi gavahee de, kyonki vah ap janata tha, ki manushy ke man men kya haai?

Yuhanna 3

- 1** fareesiyon men se neekudemus nam aek manushy tha, jo yahoodiyon ka saradar tha.
- 2** us ne rat ko yeeshu ke pas akar us se kaha, he rabbee, ham janate haai, ki too parameshvar kee are se guroo ho kar aya haai kyonaki koi in chinhon ko jo too dikhata haai, yaadi parameshvar usake sath n ho, to naheen dikha sakata.
- 3** yeeshu ne us ko uttr diya ki maain tujh se sach sach kahata hoo, yadi koi naye sire se n janmen to parameshvar ka rajy dekh naheen sakata.
- 4** neekudemus ne us se kaha, manushy jab booddha ho gaya, to kyonkar janm le sakata haai?
- 5** yeeshu ne uttr diya, ki maain tujh se sach sach kahata hoon jab tak koi manushy jal aur atma se n janme to vah parameshvar ke rajy men pravesh naheen kar sakata.

- ⁶ kyonaki jo shareer se janma haai, vah shareer haai aur jo atma se janma haai, vah atma haai.
- ⁷ achambha n kar, ki maain ne tujh se kaha ki tumhen naye sire se janm lena avashy haai.
- ⁸ hava jidhar chahatee haai udhar chalatee haai, aur too usaka shabd sunata haai, parantu naheen janata, ki vah kahan se atee aur kidhar ko jatee haai? jo koi atma se janma haai vah aeesa hee haai.
- ⁹ neekudemus ne us ko uttr diya ki ye baten kyonkar ho sakatee haain?
- ¹⁰ yah sunakar yeeshu ne us se kaha too israaeliyon ka guroo ho kar bhee kya in baton ko naheen samajhta.
- ¹¹ maain tujh se sach sach kahata hoon ki ham jo janate haai, vah kahate haai, aur jise ham ne dekha haai us kee gavahee dete haai, aur tum hamaree gavahee grahan naheen karate.
- ¹² jab maain ne tum se prathvee kee baten kahee, aur tum prateeeti naheen karate, to yaadi maain tum se svarga kee baten kahoo, to fir kyonkar prateeeti karoge?
- ¹³ aur koi svarga par naheen chaddha, keval vaheen jo svarga se utara, arthata manushy ka putra jo svarga men haai.
- ¹⁴ aur jis reeti se moosa ne jangal men sanp ko unche par chaddhaya, usee reeti se avashy haai ki manushy ka putra bhee unche par chaddhaya jaae.
- ¹⁵ taaki jo koi vishvas kare us men anant jeevan paae..
- ¹⁶ kyonaki parameshvar ne jagat se aeesa praem rakha ki us ne apana aekalauta putra de diya, taaki jo koi us par vishvas kare, vah nash n ho, parantu anant jeevan paae.
- ¹⁷ parameshvar ne apane putra ko jagat men isaliye naheen bheja, ki jagat par dand kee agyaa de parantu isaaliye ki jagat usake dara uddhar paae.
- ¹⁸ jo us par vishvas karata haai, us par dand kee agyaa naheen hotee, parantu jo us par vishvas naheen karata, vah doshaee tthara chuka isaliye ki us ne parameshvar ke aekalaute putra ke nam par vishvas naheen kiya.
- ¹⁹ aur dand kee agyaa ka karan yah haai ki jyoti jagat men ai haai, aur manushyon ne andhakar ko jyoti se adhaik piry jana kyonki un ke kam bure the.
- ²⁰ kyonaki jo koi burai karata haai, vah jyoti se baair rakhta haai, aur jyoti ke nikatt naheen ata, aeesa n ho ki usake kamon par dosh lagaya jaae.
- ²¹ parantu jo sachchai par chalata haaikh vah jyoti ke nikatt ata haai, taaki usake kam pragatt ho, ki vah parameshvar kee or se kiae gaae haain.

22 is ke bad yeeshu aur usake chele yahoodiya desh men aae aur vah vahan un ke sath rahakar bapaatisma dene laga.

23 aur yoohanna bhee shaalema ke nikatt aeenon men bapaatisma deta tha. kyonaki vahan bahut jal tha aur log akar bapatisma lete the.

24 kyonaki yoohanna us samay tak jelakhane men naheen dala gaya tha.

25 vahan yoohanna ke chelon ka kisee yahoodee ke sath shuuddh ike vishay men vada-avivad hua.

26 aur unhon ne yoohanna ke pas akar us se kaha, he rabbee, jo vyaktai yaradan ke par tere sath tha, aur jis kee too ne gavahee dee haai dek, vah bapatisma deta haai, aur sab usake pas ate haain.

27 yoohanna ne uttr diya, jab tak manushy ko svarga se n diya jaae tab tak vah kuchh naheen pa sakata.

28 tum to ap hee mere gavah ho, ki maain ne kaha, maain maseeh nahee, parantu usake age bheja gaya hoon.

29 jis kee dulaahin haai, vahee doolha haai: parantu doolhe ka mitra jo khda hua us kee sunata haai, doolhe ke shabd se bahut hashairt hota haai ab mera yah harsha poora hua haai.

30 avashy haai ki vah baddhe aur maain ghatoon..

31 jo upar se ata haai, vah sarvotm haai, jo prathvee se ata haai vah prathvee ka haai aur prathvee kee hee baten kahata haai: jo svarga se ata haai, vah sab ke upar haai.

32 jo kuchh us ne dekha, aur suna haai, usee kee gavahee deta haai aur koi us kee gavahee grahan naheen karata.

33 jis ne us kee gavahee grahan kar lee us ne is bat par chhap de dee ki parameshvar sachcha haai.

34 kyonaki jise parameshvar ne bheja haai, vah parameshvar kee baten kahata haai: kyonaki vah atma nap napakar naheen deta.

35 pita putra se praem rakhta haai, aur us ne sab vastuen usake hath men de dee haain.

36 jo putra par vishvas karata haai, anant jeevan usaka haai parantu jo putra kee naheen manata, vah jeevan ko naheen dekhega, parantu parameshvar ka krodha us par rahata haai..

Yuhanna 4

- ¹ fir jab prabhu ko maloom hua, ki fareeasiyon ne suna haai, ki yeeshu yoohanna se aadhaik chele banata, aur unhen bapatisma deta haai.
- ² yadhypi yeeshu ap naheen baran usake chele bapaatisma dete the.
- ³ tab yahoodiya ko chhodkar fir galeel ko chala gaya.
- ⁴ aur us ko samariya se hokar jana avashy tha.
- ⁵ so vah sookhar nam samariya ke aek nagar tak aya, jo us boomi ke pas haai, jis yakoob ne apane putra yoosufa ko diya tha.
- ⁶ aur yakoob ka kooan bhee vaheen tha so yeeshu marga ka thka hua us kooaen par yonhee baaitt gaya, aur yah bat chhte ghannte ke lagabhg hui.
- ⁷ itane men aek samaree sree jal bhrane ko ai: yeeshu ne us se kaha, mujhe panee pila.
- ⁸ kyonaki usake chele to nagar men bhojan mol lene ko gae the.
- ⁹ us samaree sree ne us se kaha, too yahoodiee hokar mujh samaree sree se panee kyon mangata haai? kyonaki yahoodiee samariyon ke sath kisee prakar ka vyavahar naheen rakhte.
- ¹⁰ yeeshu ne uttr diya, yaadi too parameshvar ke baradan ko janatee, aur yah bhee janatee ki vah kaun haai jo tujh se kahata haai mujhe panee pila to too us se mangatee, aur vah tujhe jeevan ka jal deta.
- ¹¹ sree ne us se kaha, he prabhu, tere pas jal bhrane ko to kuchh haai bhee nahee, aur kooan gahira haai: to fir vah jeevan ka jal tere pas kaha se aya?
- ¹² kya too hamare pita yakoob se bada haai, jis ne hamen yah kooan diya aur apahee apane santan, aur apane ddharon samet us men se peeya?
- ¹³ yeeshu ne us ko uttr diya, ki jo koi yah jal peeaega vah fir piyasa hoga.
- ¹⁴ parantu jo koi us jal men se peeaega jo maain use doonga, vah fir anantakal tak piyasa n hoga: baran jo jal maain use doonga, vah us men aek sota ban jaaega jo anant jeevan ke liye umadta rahega.
- ¹⁵ saee ne us se kaha, he prabhu, vah jal mujhe de taaki maain pyasee n houn aur n jal bhrane ko itanee door aun.
- ¹⁶ yeeshu ne us se kaha, ja, apane paati ko yahan bula la.
- ¹⁷ sree ne uttr diya, ki maain bina paati kee hoon: yeeshu ne us se kaha, too tteek kahatee haai ki maain bina paati kee hoon.
- ¹⁸ kyonaki too panch paati kar chukee haai, aur jis ke pas too ab haai vah bhee tera paati naheen yah too ne sach kaha haai.

- 19 sree ne us se kaha, he prabhu, mujhe gyaat hota haai ki too bhvishyadvkta haai.
- 20 hamare bapadadon ne usee pahad par bhjan kiya: aur tum kahate ho ki vah jagah jahan bhjan karana chaahiae yarooshalem men haai.
- 21 yeeshu ne us se kaha, he naree, meree bat kee prateeti kar ki vah samay ata haai ki tum n to is pahad par pita ka bhjan karoge n yarooshalem men.
- 22 tum jise naheen janate, usaka bhjan karate ho aur ham jise janate haain usaka bhjan karate haain kyonaki uddhar yahoodiyon men se haai.
- 23 parantu vah samay ata haai, baran ab bhee haai jis men sachche bhkt pita ka bhjan atma aur sachchai se karenge, kyonki pita apane liye aeese hee bhjan karanevalon ko ddoonddhta haai.
- 24 parameshvar atma haai, aur avashy haai ki usake bhjan karanevale atma aur sachchaai se bhjan karen.
- 25 sree ne us se kaha, maain janatee hoon ki maseeh jo kheestus kahalata haai, anevala haai jab vah aaega, to hamen sab baten bata dega.
- 26 yeeshu ne us se kaha, maain jo tujh se bol raha hoo, vahee hoon..
- 27 itane men usake chele a gaa, aur achambha karane lage, ki vah sree se baten kar raha haai taubhee kisee ne n kaha, ki too kya chahata haai? ya kis liye us se baten karata haai.
- 28 tab sree apana ghada chhodkar nagar men chalee gai, aur logon se kahane lagee.
- 29 ao, aek manushy ko dekho, jis ne sab kuchh jo maain ne kiya mujhe bata diya: kaheen yah to maseeh naheen haai?
- 30 so ve nagar se nikalakar usake pas ane lage.
- 31 itane men usake chele yeeshu se yah binatee karane lage, ki he rabbee, kuchh kha le.
- 32 parantu us ne un se kaha, mere pas khane ke liye aeesea bhojan haai jise tum naheen janate.
- 33 tab chelon ne apas men kaha, kya koi usake liye kuchh khane ko laya haai?
- 34 yeeshu ne un se kaha, mera bhojan yah haai, ki apane bhejanevale kee ichchha ke anusar chaloon aur usaka kam poora karoon.
- 35 kya tum naheen kahate, ki kattnee hone men ab bhee char maheene pade haain? dekho, maain tum se kahata hoo, apanee ankhe uttakar kheton par draashtti dalo, ki ve kattnee ke liye pak chuke haain.

36 aur kattnevala majadooree pata, aur anant jeevan ke liye fal battorata haai taaki bonevala aur kattnevala donon milakar anand karen.

37 kyonaki is par yah kahavat tteek baaittee haai ki banevala aur haai aur kattnevala aura.

38 maain ne tumhen vah khet kattne ke liye bheja, jis men tum ne parishram naheen kiya: auron ne parishram kiya aur tum un ke paarishram ke fal men bhagee hue..

39 aur us nagar ke bahut samariyon ne us sree ke kahane se, jis ne yah gavahee dee thee, ki us ne sab kuchh jo maain ne kiya haai, mujhe bata diya, vishvas kiya.

40 tab jab ye samaree usake pas aa, to us se binatee karane lage, ki hamare yahan raha: so vah vahan do din tak raha.

41 aur usake vachan ke karan aur bhee bahuteron ne vishvas kiya.

42 aur us sree se kaha, ab ham tere kahane kee se vishvas naheen karate kyonaki ham ne ap hee sun liya, aur janate haain ki yahee sachamuch men jagat ka uddharakarta haai..

43 fir un do dinon ke bad vah vahan se kooch karake galeel ko gaya.

44 kyonaki yeeshu ne ap hee sakshae dee, ki bhvishyadvkta apane desh men adar naheen pata.

45 jab vah galeel men aya, to galeelee anand ke sath us se mile kyonaki jitane kam us ne yarooshalem men pabrba ke samay kiae the, unhon ne un sab ko dekha tha, kyonaki ve bhee pabrba men gaae the..

46 tab vah fir galeel ke kana men aya, jahan us ne panee ko dakh ras banaya tha: aur raja ka karmacharee tha jis ka putra kafaranahoom men beemar tha.

47 vah yah sunakar ki yeeshu yahoodiya se galeel men a gaya haai, usake pas gaya aur us se binatee karane laga ki chalakar mere putra ko changa kar de: kyonki vah marane par tha.

48 yeeshu ne us se kaha, jab tak tum chinh aur adabhut kam n dekhoge tab tak kadaapi vishvas n karoge.

49 raja ke karmacharee ne us se kaha he prabhu, mere balak kee mratyu hone ke pahile chala.

50 yeeshu ne us se kaha, ja, tera putra jeeavit haai: us manushy ne yeeshu kee kahee hui bat kee prateeti kee, aur chala gaya.

51 vah marga men ja raha tha, ki usake das us se a mile aur kahane lage ki tera ladka jeeavit haai.

⁵² us n un se poochha ki kis ghadee vah achda hone laga? unhon ne us se kaha, kal sataven ghantte men usaka jvar utar gaya.

⁵³ tab pita jan gaya, ki yah usee ghadee hua jis ghadee yeeshu ne us se kaha, tera putra jeevit haai, aur us ne aur usake sare gharane ne vishvas kiya.

⁵⁴ yah doosara ashcharyakarma tha, jo yeeshu ne yahoodiya se galeel men akar dikhaya..

Yuhanna 5

¹ in baton ke peechhe yahoodiyon ka aek pabrba hua aur yeeshu yarooshalem ko gaya..

² yarooshalem men bhed-faatk ke pas aek kund haai jo ibraanee bhasha men betahasada kahalata haai, aur usake panch osare haainn.

³ in men bahut se beemar, andho, langade aur sookhe angavale panee ke hilane kee asha men pade rahate the.

⁴ kyonaki niyuaktai samay par parameshvar ke svargadoot kund men utarakar panee ko hilaya karate the: panee hilate hee jo koi paahile utarata vah changa ho jata tha chahe usakee koi beemaree kyon n ho.

⁵ vahan aek manushy tha, jo adtees varsha se beemaree men pada tha.

⁶ yeeshu ne use pada hua dekhkar aur janakar ki vah bahut dinon se is dasa men pada haai, us se poochha, kya too changa hona chahata haai?

⁷ us beemar ne us ko uttr diya, ki he prabhu, mere pas koi manushy nahee, ki jab panee hilaya jaa, to mujhe kund men utare parantu mere pahunchate pahunchate doosara mujh se paahile utar padta haai.

⁸ yeeshu ne us se kaha, ut, apanee khatt uttakar chal fira.

⁹ vah manushy turant changa ho gaya, aur apanee khatt uttakar chalane firane laga.

¹⁰ vah sabt ka din tha. isaaliye yahoodee us se, jo changa hua tha, kahane lage, ki aj to sabt ka din haai, tujhe khatt uttanee uchitt naheen.

¹¹ us ne unhen uttr diya, ki jis ne mujhe changa kiya, usee ne mujh se kaha, apanee khatt uttakar chal fira.

¹² unhon ne us se poochha vah kaun manushy haai jis ne tujh se kaha, khatt uttakar chal fira?

¹³ parantu jo changa ho gaya tha, vah naheen janata tha vah kaun haai kyonaki us jagah men bheed hone ke karan yeeshu vahan se hatt gaya tha.

14 in baton ke bad vah yeeshu ko maandair men mila, tab us n us se kaha, dek, too to changa ho gaya haai fir se pap mat karana, aeesa n ho ki is se koi bharee vipaati tujh par a pade.

15 us manushy ne jakar yahoodiyon se kah diya, ki jis ne mujhe changa kiya, vah yeeshu haai.

16 is karan yahoodee yeeshu ko satane lage, kyonaki vah aeese aeese kam sabt ke din karata tha.

17 is par yeeshu ne un se kaha, ki mera pita ab tak kam karata haai, aur maain bhee kam karata hoon.

18 is karan yahoodee aur bhee aadhaik usake mar dalane ka prayatn karane lage, ki vah n keval sabt ke din kee vidhai ko todta, parantu parameshvar ko apana pita kah kar, apne ap ko parameshvar ke tuly ttharata tha..

19 is par yeeshu ne un se kaha, maain tum se sach sach kahata hoo, putra ap se kuchh naheen kar sakata, keval vah jo pita ko karate dekhta haai, kyonki jin jin kamon ko vah karata haai unhen putra bhee usee reeati se karata haai.

20 kyonaki pita putra se praeeti rakhta haai aur jo jo kam vah ap karata haai, vah sab use dikhata haai aur vah in se bhee bade kam use dikhaaega, taaki tum achambha karo.

21 kyoki jaaisa pita mare huon ko uttata aur jilata haai, vaaisa hee putra bhee jinhen chahata haai unhen jilata haai.

22 aur pita kisee ka nyay bhee naheen karata, parantu nyay karane ka sab kam putra ko saunp diya haai.

23 isaliye ki sab log jaaise pita ka adar karate haain vaaise hee putra ka bhee adar karen: jo putra ka adar naheen karata, vah pita ka jis ne use bheja haai, adar naheen karata.

24 maain tum se sach sach kahata hoo, jo mera vachan sunakar mere bhejanevale kee prateeti karata haai, anant jeevan usaka haai, aur us par dand kee agyaa naheen hotee parantu vah mratyu se par hokar jeevan men pravesh kar chuka haai.

25 maain tum se sach sach kahata hoo, vah समय ata haai, aur ab haai, jis men mratak parameshvar ke putra ka shabd sunenge, aur jo sunenge ve jeeenge.

26 kyonaki jis reeti se pita apne ap men jeevan rakhta haai, usee reeti se us ne putra ko bhee yah aadhaikar diya haai ki apne ap men jeevan rakhe.

27 baran use nyay karane ka bhee adhaikar diya haai, isaaliye ki vah manushy ka putra haai.

- 28 is se achambha mat karo, kyonaki vah samay ata haai, ki jitane kabraen men haai, usaka shabd sunakar nikalenge.
- 29 jinhon ne bhilai kee haai ve jeevan ke punarootthan ke liye jee uttenge aur jinhon ne burai kee haai ve dand ke punarootthan ke liye jee uttenge.
- 30 maain apane ap se kuchh naheen kar sakata jaaisa sunata hoo, vaaisa nyay karata hoo, aur mera nyay sachcha haai kyonaki maain apanee ichchha nahee, parantu apane bhejanevale kee ichchha chahata hoon.
- 31 yaadi maain ap hee apanee gavahee doon to meree gavahee sachchee naheen.
- 32 aek aur haai jo meree gavahee deta haai vah sachchee haai.
- 33 tum ne yoohanna se puchhvaya aur us ne sachchai kee gavahee dee haai.
- 34 parantu maain apane vishay men manushy kee gavahee naheen chahata taubhee maain ye baten isaliye kahata hoo, ki tumhen uddhar mile.
- 35 vah jo jalata aur chamakata hua deepak tha aur tumhen kuchh der tak us kee jyoti me, magan hona achchha laga.
- 36 parantu mere pas jo gavahee haai vah yoohanna kee gavahee se badee haai: kyonki jo kam pita ne mujhe poora karane ko saunpa haai arthata yahee kam jo maain karata hoo, ve mere gavah haai, ki pita ne mujhe bheja haai.
- 37 aur pita jis ne mujhe bheja haai, usee ne meree gavahee dee haai: tum ne n kabhee usaka shabd suna, aur n usaka roop dekha haai.
- 38 aur usake vachan ko man men sthiar naheen rakhte kyonki jise us ne bheja us kee prateeti naheen karate.
- 39 tum paavitra shaasr men ddoondhte ho, kyonaki samajhte ho ki us men anant jeevan tumhen milata haai, aur yah vahee haai, jo meree gavahee deta haai.
- 40 fir bhee tum jeevan pane ke liye mere pas ana naheen chahate.
- 41 maain manushyon se adar naheen chahata.
- 42 parantu maain tumhen janata hoo, ki tum men parameshvar ka praem naheen.
- 43 maain apane pita ke nam se aya hoo, aur tum mujhe grahan naheen karate yaadi koi aur apane hee nam se aa, to use grahan kar loge.
- 44 tum jo aek doosare se adar chahate ho aur vah adar jo advait parameshvar kee or se haai, naheen chahate, kisee prakar vishvas kar sakate ho?
- 45 yah n samajho, ki maain pita ke samhane tum par dosh lagaunga: tum par dosh laganevala to haai, arthata moosa jis par tum ne bhrosa rakha haai.

⁴⁶ kyonaki yadi tum moosa ke prateeti karate, to meree bhee prateeti karate, isaaliye ki us ne mere vishay men likha haai.

⁴⁷ parantu yadi tum us kee likhee hui baton kee prateeti naheen karate, to meree baton kee kyonkar prateeti karoge..

Yuhanna 6

¹ in baton ke bad yeeshu galeel kee jheel arthata tibiriyas kee jheel ke pas gaya.

² aur aek badee bheed usake peechhe ho lee kayonaki jo ashcharya karma vah beemaron par dikhata tha ve un ko dekhte the.

³ tab yeeshu pahad par chaddhkar apane chelon ke sath vahan baaitta.

⁴ aur yahoodiyon ke fasah ke pabrba nikatt tha.

⁵ tab yeeshu ne apanee ankhe uttakar aek badee bheed ko apane pas ate dekha, aur filippus se kaha, ki ham in ke bhojan ke liye kahan se rottee mol laaen?

⁶ parantu us ne yah bat use parakhne ke liye kahee kyonki vah ap janata tha ki maain kya karoonga.

⁷ filippus ne us ko uttr diya, ki do sau deenar kee rottee un ke liye pooree bhee n hongee ki un men se har aek ko thodee thodee mil jaae.

⁸ usake chelon men se shamaun pataras ke bhai andairyas ne us se kaha.

⁹ yahan aek ladka haai jis ke pas jav kee panch rottee aur do machhaliyan haain parantu itane logon ke liye ve kya haain.

¹⁰ yeeshu ne kaha, ki logon ko baaitta do. us jagah bahut ghaas thee: tab ve log jo ginatee men lagabhg panch hajar ke the, baaitt gaae:

¹¹ tab yeeshu ne rotyaian lee, aur dhanyavad karake baaittnevalon ko bantt dee: aur vaaise hee machhliyon men se jitane ve chahate the bantt diya.

¹² jab ve khakar trapt ho gaae to us ne apane chelon se kaha, ki bache huae ttukade battor lo, ki kuchh faenka n jaae.

¹³ so unhon ne battora, aur jav kee panch rotyaian ke ttukade jo khanevalon se bach rahe the un kee barah ttokariyan bhreen.

¹⁴ tab jo ashcharya karma us ne kar dikhaya use ve log dekhkar kahane lage ki vah bhvishyadvkta jo jagat men ane vala tha nishchay yahee haai.

¹⁵ yeeshu yah janakar ki ve mujhe raja banane ke liye akar pakadna chahate haai, fir pahad par akela chala gaya.

¹⁶ fir jab sandhya hui, to usake chele jheel ke kinare gaae.

- 17 aur nav par chaddhkar jheel ke par kafaranahoom ko jane lage: us samay andhora ho gaya tha, aur yeeshu abhee tak un ke pas naheen aya tha.
- 18 aur andhaee ke karan jheel men lahare uttne lageen.
- 19 so jab ve khete khete teen char meel ke lagabhg nikal gaa, to unhon ne yeeshu ko jheel par chalate, aur nav ke nikatt ate dekha, aur dr gaae.
- 20 parantu us ne un se kaha, ki maain hoon dro mata.
- 21 so ve use nav par chaddha lene ke liye taaiyar huae aur turant vah nav ke sthan par ja pahunchee jahan vah jate the.
- 22 doosare din us bheed ne, jo jheel ke par khdee thee, yah dekha, ki yahan aek ko chhodkar aur koi chhottee nav n thee, aur yeeshu apane chelon ke sath us nav par n chaddha, parantu keval usake chele chale gaae the.
- 23 taubhee aur chhottee naven tibiriyas se us jagah ke nikatt ai, jahan unhon ne prabhu ke dhanyavad karane ke bad rottee khai thee.
- 24 so jab bheed ne dekha, ki yahan n yeeshu haai, aur n usake chele, to ve bhee chhottee chhottee navon par chaddh ke yeeshu ko ddoonddhte huae kafaranahoom ko pahunche.
- 25 aur jheel ke par us se milakar kaha, he rabbee, too yahan kab aya?
- 26 yeeshu ne unhen uttr diya, ki maain tum se sach sach kahata hoo, tum mujhe isaliye naheen ddoonddhte ho ki tum ne achaambhiat kam dekhe, parantu isaliye ki tum rotyaian khakar trapt huae.
- 27 nashaman bhojan ke liye paarishram n karo, parantu us bhojan ke liye jo anant jeevan tak ttharata haai, jise manushy ka putra tumhen dega, kyonaki pita, arthata parameshvar ne usee par chhap kar dee haai.
- 28 unhon ne us se kaha, parameshvar ke kayrya karane ke liye ham kya karen?
- 29 yeeshu ne unhen uttr diya parameshvar ka kayrya yah haai, ki tum us par, jise us ne bheja haai, vishvas karo.
- 30 tab unhon ne us se kaha, fir too kaun ka chinh dikhata haai ki ham use dekhkar teree prateeti kare, too kaun sa kam dikhata haai?
- 31 hamare bapadadon ne jangal men manna khaya jaaisa likha haai ki us ne unhen khane ke liye svarga se rottee dee.
- 32 yeeshu ne un se kaha, maain tum se sach sach kahata hoon ki moosa ne tumhen vah rottee svarga se n dee, parantu mera pita tumhen sachchee rottee svarga se deta haai.
- 33 kyoki parameshvar kee rottee vahee haai, jo svarga se utarakar jagat ko jeevan detee haai.

- 34 tab unhon ne us se kaha, he prabhu, yah rottee hamen sarvada diya kara.
- 35 yeeshu ne un se kaha, jeevan kee rottee maain hoon: jo mere pas aaega vah kabhee bookha n hoga aur jo mujh par vishvas karega, vah kabhee piyasa n hoga.
- 36 parantu maain ne tum se kaha, ki tum ne mujhe dekh bhee liya haai, tobhee vishvas naheen karate.
- 37 jo kuchh pita mujhe deta haai vah sab mere pas aaega, use maain kabhee n nikaloonga.
- 38 kyonaki maain apanee ichchha nahee, baran apane bhejanevale kee ichchha pooree karane ke liye svarga se utara hoon.
- 39 aur mere bhejanevale kee ichchha yah haai ki jo kuchh us ne mujhe diya haai, us men se maain kuchh n khoun parantu use antim din fir jila uttaun.
- 40 kyonaki mere pita kee ichchha yah haai, ki jo koi putra ko dekhe, aur us par vishvas kare, vah anant jeevan paae aur maain use anatim din fir jila uttaunga.
- 41 so yahooder us par kudkudane lage, isaliye ki us ne kaha tha ki jo rottee svarga se utaree, vah maain hoon.
- 42 aur unhon ne kaha kya yah yoosufa ka putra yeeshu nahee, jis ke mata pita ko ham janate haain? to vah kyonkar kahata haai ki maain svarga se utara hoon.
- 43 yeeshu ne un ko uttr diya, ki apas men mat kudkudao.
- 44 koi mere pas naheen a sakata, jab tak pita, jis ne mujhe bheja haai, use kheench n le aur maain us ko antim din fir jila uttaunga.
- 45 bhavishyadvktaon ke lekhon men yah likha haai, ki ve sab parameshvar kee or se sikhaae huae hongee. jis kisee ne pita se suna aur seekha haai, vah mere pas ata haai.
- 46 yah nahee, ki kisee ne pita ko dekha parantu jo parameshvar kee or se haai, keval usee ne pita ko dekha haai.
- 47 maain tum se sach sach kahata hoo, ki jo koi vishvas karata haai, anant jeevan usee ka haai.
- 48 jeevan kee rottee maain hoon.
- 49 tumhare bapadadon ne jangal men manna khaya aur mar gaae.
- 50 yah vah rottee haai jo svarga se utaratee haai taaki manushy us men se khaae aur n mare.
- 51 jeevan kee rottee jo svarga se utaree maain hoon. yadi koi is rottee men se khaa, to sarvada jeevit rahega aur jo rottee maain jagat ke jeevan ke liye doonga, vah mera mans haai.

52 is par yahoodee yah kahakar apas men jh gadne lage, ki yah manushy kyonkar hamen apana mans khane ko de sakata haai?

53 yeeshu ne un se kaha maain tum se sach sach kahata hoon jab tak manushy ke putra ka mans n khao, aur usaka lohoo n peeo, tum men jeevan naheen.

54 jo mera mans khata, aur mera lohoo peeta he, anant jeevan usee ka haai, aur maain antim din fir use jila uttaunga.

55 kyonaki mera mans vastav men khane kee vastu haai aur mera lohoo vastav men peen kee vastu haai.

56 jo mera mans khata aur mera lohoo peeta haai, vah mujh men sthiar bana rahata haai, aur maain us men.

57 jaaisa jeevate pita ne mujhe bheja aur maain pita ke karan jeevit hoon vaaisa hee vah bhee jo mujhe khaaega mere karan jeevit rahega.

58 jo rottee svarga se utaree yahee haai, bapadadon ke saman naheen ki khaya, aur mar gaae: jo koi yah rottee khaaega, vah sarvada jeevit rahega.

59 ye baten us ne kafaranahoom ke aek aradhanalay men upadesh dete samay kaheen.

60 isaliye usake chelon men se bahuton ne yah sunakar kaha, ki yah bat nagavar haai ise kaun sun sakata haai?

61 yeeshu ne apane man men yah jan kar ki mere chele apas men is bat par kudkudate haai, un se poochha, kya is bat se tumhen tto kar lagatee haai?

62 aur yaadi tum manushy ke putra ko jahan vah pahile tha, vahan upar jate dekhoge, to kya hoga?

63 atma to jeevanadayak haai, shareer se kuchh labh naheen: jo baten maain ne tum se kaheen haain ve atma haai, aur jeevan bhee haain.

64 parantu tum men se kitane aeese haain jo vishvas naheen karate: kyonaki yeeshu to paahile hee se janata tha ki jo vishvas naheen karate, ve kaun haain? aur kaun mujhe pakadvaaega.

65 aur us ne kaha, izee liye maain ne tum se kaha tha ki jab tak kisee ko pita kee or yah baradan n diya jaae tak tak vah mere pas naheen a sakata.

66 is par usake chelon men se bahutere ultte fir gaae aur usake bad usake sath n chale.

67 tab yeeshu ne un barahon se kaha, kya tum bhee chale jana chahate ho?

68 shamaun pataras ne us ko uttr diya, ki he prabhu ham kis ke pas jaaen? anant jeevan kee baten to tere hee pas haain.

⁶⁹ aur ham ne vishvas kiya, aur jan gae haai, ki parameshvar ka pavitra jan too hee haai.

⁷⁰ yeeshu ne unhen uttr diya, kya maain ne tum barahon ko naheen chun liya? taubhee tum men se aek vyaaktai shautan haai.

⁷¹ yah us ne shamaun iskariyotee ke putra yahoodah ke vishay men kaha, kyoenaki yahee jo un barahon men se tha, use pakadvane ko tha..

Yuhanna 7

¹ in baton ke bad yeeshu galeel men firata raha, kyonaki yahoodae use mar dalane ka yatn kar rahe the, isaaliye vah yahoodiya men firana n chahata tha.

² aur yahoodiyon ka mandpon ka pabrba nikatt tha.

³ isaliye usake bhaiyon ne us se kaha, yahan se kooch karake yahoodiya men chala ja, ki jo kam too karata haai, unhen tere chele bhee dekhien.

⁴ kyonankai aeesa koi n hoga jo prasiddh hona chahe, aur chhpaikar kam kare: yadi too yah kam karata haai, to apne tai jagat par pragatt kara.

⁵ kyonaki usake bhai bhee us par vishvas naheen karate the.

⁶ tab yeeshu ne un se kaha, mera समय abhee naheen aya parantu tumhare liye sab समय haai.

⁷ jagat tum se baair naheen kar sakata, parantu vah mujh se baair karata haai, kyonaki maain usake virodha men yah gavahee deta hoo, ki usake kam bure haain.

⁸ tum pabrba men jao: maain abhee is pabrba men naheen jata kyonki abhee tak mera समय पूरा naheen hua.

⁹ vah un se ye baten kahakar galeel hee men rah gaya..

¹⁰ parantu jab usake bhai pabrba men chale gaa, to vah ap hee pragatt men nahee, parantu manon gupt hokar gaya.

¹¹ to yahoodae pabrba men use yah kahakar ddoonddhne lage ki vah kahan haai?

¹² aur logon men usake vishay chupake chupake bahut see baten huin: kitane kahate the vah bhla manushy haai: aur kitane kahate the nahee, vah logon ko bhramata haai.

¹³ taubhee yahoodiyon ke bhy ke mare koi vyaktai usake vishay men khulakar naheen bolata tha.

¹⁴ aur jab pabrba ke adho din beet gae to yeeshu mandair men jakar upadesh karane laga.

- 15 tab yahoodiyon ne achambha karake kaha, ki ise bin paddhe vidha kaaise a gai?
- 16 yeeshu ne unhen uttr diya, ki mera upadesh mera nahee, parantu mere bhejanevale ka haai.
- 17 yaadi koi us kee ichchha par chalana chahe, to vah is upadesh ke vishay men jan jaaega ki vah parameshvar kee or se haai, ya maain apanee or se kahata hoon.
- 18 jo apanee or se kuchh kahata haai, vah apanee hee baddhai chahata haai parantu jo apne bhejanevale kee badai chahata haai vahee sachcha haai, aur us men adharma naheen.
- 19 kya moosa ne tumhen vyavastha naheen dee? taubhee tum men se kai vyavastha par naheen chalata. tum kyon mujhe mar dalana chahate ho?
- 20 logon ne uttr diya ki tujh men dushttatma haai kaun tujhe mar dalana chahata haai?
- 21 yeeshu ne un ko uttr diya, ki maain ne aek kam kiya, aur tum sab achambha karate ho.
- 22 isee karan moosa ne tumhen khtane kee agyaa dee haai yah naheen ki vah moosa kee or se haai parantu bapa-dadon se chalee ai haai, aur tum sabt ke din ko manushy ka khtana karate ho.
- 23 jab sabt ke din manushy ka khtana kiya jata haai taki moosa kee vyavastha kee agyaa tll n jaa, to tum mujh par kyon isaliye krodha karate ho, ki maain ne sabt ke din aek manushy ko pooree reeti se changa kiya.
- 24 munh dekhkar nyay n chukao, parantu tteek tteek nyay chukao..
- 25 tab kitane yarooshalemee kahane lage kya yah vah nahee, jis ke mar dalane ka prayatn kiya ja raha haai.
- 26 parantu dekho, vah to khullamakhulla baten karata haai aur koi us se kuchh naheen kahata kya sambhv haai ki saradaron ne sach sach jan liya haai ki yahee maseeh haai.
- 27 is ko to ham janate haai, ki yah kahan ka haai parantu maseeh jab aaega, to koi n janega ki vah kahan ka haai.
- 28 tab yeeshu ne mandair men upadesh dete huae pukar ke kaha, tum mujhe janate ho aur yah bhee janate ho ki maain kahan ka hoon: maain to ap se naheen aya parantu mera bhejanevala sachcha haai, us ko tum naheen janate.
- 29 maain use janata hoon kyonaki maain us kee or se hoon aur usee ne mujhe bheja haai.

- 30 is par unhon ne use pakadna chaha taubhee kisee ne us par hath n dala, kyonaki usaka samay ab tak n aya tha.
- 31 aur bheed men se bahuteron ne us par vishvas kiya, aur kahane lage, ki maseeh jab aaega, to kya is se adhaik ashcharyakarma dikhaaega jo is ne dikhaae?
- 32 fareesiyon ne logon ko usake vishay men ye baten chupake chupake karate suna aur mahayajakon aur fareesiyon ne usake pakadne ko sipahee bheje.
- 33 is par yeeshu ne kaha, maain thodee der tak aur tumhare sath hoon tab apane bhejanevale ke pas chala jaunga.
- 34 tum mujhe ddoonddhoge, parantu naheen paoge aur jahan maain hoo, vahan tum naheen a sakate.
- 35 yahoodiyon ne apas men kaha, yah kahan jaaega, ki ham ise n paaenge: kya vah un ke pas jaaega, jo yoonaniyon men tittr bittr hokar rahate haai, aur yoonaniyon ko bhee upadesh dega?
- 36 yah kya bat haai jo us ne kahee, ki tum mujhe ddoonddhoge, parantu n paoge: aur jahan maain hoo, vahan tum naheen a sakate?
- 37 fir pabrba ke anatum din, jo mukhy din haai, yeeshu khda hua aur pukar kar kaha, yaadi koi piyasa ho to mere pas akar peae.
- 38 jo mujh par vishvas karega, jaaisa pavitra shaasr men aya haai usake day men se jeevan ke jal kee nadiyan bah nikalegee.
- 39 us ne yah vachan us atma ke vishay men kaha, jise us par vishvas karanevale pane par the kyonaki atma ab tak n utara tha kyonaki yeeshu ab tak apanee maahima ko n pahuncha tha.
- 40 tab bheed men se kisee kisee ne ye baten sun kar kaha, sachamuch yahee vah bhvishyadvkta haai.
- 41 auron ne kaha yah maseeh haai, parantu kisee ne kaha kyon? kya maseeh galeel se aaega?
- 42 kya pavitra shaasr men naheen aya, ki maseeh daud ke vansh se aur baaitalaham ganv se aaega jahan daud rahata tha?
- 43 so usake karan logon men foott padee.
- 44 un men se kitane use pakadna chahate the, parantu kisee ne us par hath n dala..
- 45 tab sipahee mahayajakon aur fareesiyon ke pas aa, aur unhon ne un se kaha, tum use kyon naheen laae?
- 46 sipaahiyan ne uttr diya, ki kisee manushy ne kabhee aeesee baten n kee.

- 47 fareesiyon ne un ko uttr diya, kya tum bhee bhramaae gaae ho?
- 48 kya saradaron ya fareesiyon men se kisee ne bhee us par vishvas kiya haai?
- 49 parantu ye log jo vyavastha naheen janate, srapit haain.
- 50 neekudemus ne, jo paahile usake pas aya tha aur un men se aek tha, un se kaha.
- 51 kya hamaree vyavastha kisee vyaktai ko jab tak pahile us kee sunakar jan n le, ki vah kya karata haai doshaee ttharatee haai?
- 52 unhon ne use uttr diya kya too bhee galeel ka haai ddoonddh aur dek, ki galeel se koi bhvishyadvkta pragatt naheen hone ka.
- 53 tab sab koi apane apane ghar ko gaae..

Yuhanna 8

- 1 parantu yeeshu jaaitoon ke pahad par gaya.
- 2 aur bhor ko fir mandair men aya, aur sab log usake pas aae aur vah baaittkar unhen upadesh dene laga.
- 3 tab shaasree aur fareesee aek sree ko laa, jo vyabhaichar men pakadee gai thee, aur us ko beech men khdee karake yeeshu se kaha.
- 4 he guro, yah sree vyaabhaichar karate hee pakadee gai haai.
- 5 vyavastha men moosa ne hamen agyaa dee haai ki aeesee striayon kon patthravah karen: so too is sree ke vishay men kya kahata haai?
- 6 unhon ne us ko parakhne ke liye yah bat kahee taki us par dosh lagane ke liye koi bat pae, parantu yeeshu jhukakar ungalee se boomi par likhne laga.
- 7 jab ve us se poochhte rahe, to us ne seedho hokar un se kaha, ki tooum men jo nishpap ho, vahee paahile usako patthr mare.
- 8 aur fir jhukakar boomi par ungalee se likhne laga.
- 9 parantu ve yah sunakar badon se lekar chhotton tak aek aek karake nikal gaa, aur yeeshu akela rah gaya, aur sree vaheen beech men khdee rah gai.
- 10 yeeshu ne seedho hokar us se kaha, he naree, ve kahan gaae? kya kisee ne tujh par dand kee agyaa n dee.
- 11 usa ne kaha, he prabhu, kisee ne naheen: yeeshu ne kaha, maain bhee tujh par dand kee agyaa naheen deta ja, aur fir pap n karana..
- 12 tab yeeshu ne fir logon se kaha, jagat kee jyoti maain hoon jo mere peechhe ho lega, vah andhakar men n chalega, parantu jeevan kee jyoti paaega.

- 13 fareesiyon ne us se kaha too apanee gavahee ap deta haai teree gavahee tteek naheen.
- 14 yeeshu ne un ko uttr diya ki yadi maain apanee gavahee ap deta hoo, taubhee meree gavahee tteek haai, kyonaki maain janata hoo, ki maain kahan se aya hoon aur kahan ko jata hoon? parantu tum naheen janate ki maain kahan se ata hoon ya kahan ko jata hoon.
- 15 tum shareer ke anusar nyay karate ho maain kisee ka nyay naheen karata.
- 16 aur yaadi maain nyay karoon bhee, to mera nyay sachcha haai kyonki maain akela nahee, parantu maain hoo, aur pita haai jis ne mujhe bheja.
- 17 aur tumharee vyavastha men bhee likha haai ki do janon kee gavahee milakar tteek hotee haai.
- 18 aek to maain ap apanee gavahee deta hoo, aur doosara pita meree gavahee deta haai jis ne mujhe bheja.
- 19 unhon ne us se kaha, tera pita kahan haai? yeeshu ne uttr diya, ki n tum mujhe janate, to mere pita ko bhee janate.
- 20 ye baten us ne mandair men upadesh dete huae bhndar ghar men kahee, aur kisee ne use n pakada kyonki usaka samay ab tak naheen aya tha..
- 21 us ne fir un se kaha, maain jata hoon aur tum mujhe ddoonddhoge aur apane ap men maroge: jahan maain jata hoo, vahan tum naheen a sakate.
- 22 is par yahoodiyon ne kaha, kya vah apane ap ko mar dalega, jo kahata haai ki jahan maain jata hoon vahan tum naheen a sakate?
- 23 us ne un se kaha, tum neeche ke ho, maain upar ka hoon tum sansar ke ho, maain sansar ka naheen.
- 24 isaliye maain ne tum se kaha, ki tum apane papon men maroge kyonaki yadi tum vishvas n karoge ki maain vaheen hoo, to apane papon men maroge.
- 25 unhon ne us se kaha, too kaun haai? yeeshu ne un se kaha, vahee hoon jo praarambh se tum se kahata aya hoon.
- 26 tumhare vishay men mujhe bahut kuchh kahana aur nirny karana haai parantu mera bhejanevala sachcha haai aur jo maain ne us se suna he, vahee jagat se kahaha hoon.
- 27 ve n samajhe ki ham se pita ke vishay men kahata haai.
- 28 tab yeeshu ne kaha, ki jab tum manushy ke putra ko unche par chaddhaoge, to janoge ki maain vahee hoo, aur apane ap se kuchh naheen karata, parantu jaaise pita ne mujhe sikhaya, vaaise hee ye baten kahata hoon.

- 29 aur mera bhejanevala mere sath haai us ne mujhe akela naheen chhoda kyonki maain sarvada vahee kam karata hoo, jis se vah prasann hota haai.
- 30 vah ye baten kah hee raha tha, ki bahuteron ne us par vishvas kiya..
- 31 tab yeeshu ne un yahoodiyon se jinhon ne un kee prateeti kee thee, kaha, yaadi tum mere vachan men bane rahoge, to sachamuch mere chele ttharoge.
- 32 aur saty ko janoge, aur saty tumhen svatantra karega.
- 33 unhon ne us ko uttr diya ki ham to ibraaheem ke vansh se haain aur kabhee kisee ke das naheen hue fir too kyonkar kahata haai, ki tum svatantra ho jaoge?
- 34 yeeshu ne un ko uttr diya maain tum se sach sach kahata hoon ki jo koi pap karata haai, vah pap ka das haai.
- 35 aur das sada ghar men naheen rahata putra sada rahata haai.
- 36 so yaadi putra tumhen svatantra karega, to sachamuch tum svatantra ho jaoge.
- 37 maain janata hoon ki tum ibraaheem ke vansh se ho taubhee mera vachan tumhare day men jagah naheen pata, isaaliye tum mujhe mar dalana chahate ho.
- 38 maain vahee kahata hoo, jo apane pita ke yahan dekha haai aur tum vahee karate rahate ho jo tumane apane pita se suna haai.
- 39 unhon ne un ko uttr diya, ki hamara pita to ibraaheem haai: yeeshu ne un se kaha yaadi tum ibraaheem ke santan hote, to ibraaheem ke saman kam karate.
- 40 parantu ab tum mujh aeese manushy ko mar dalana chahate ho, jis ne tumhen vah saty vachan bataya jo parameshvar se suna, yah to ibraaheem ne naheen kiya tha.
- 41 tum apane pita ke saman kam karate ho: unhon ne us se kaha, ham vyabhaichar se naheen janme hamara aek pita haai arthata parameshvara.
- 42 yeeshu ne un se kaha yaadi parameshvar tumhara pita hota, to tum mujh se praem rakhte kyonaki maain parameshvar men se nikal kar aya hoon maain ap se naheen aya, parantu usee ne mujhe bheja.
- 43 tum merree bat kyon naheen samajhte? isaliye ki mera vachan sun naheen sakate.
- 44 tum apane pita shautan se ho, aur apane pita kee lalasaon ko poora karana chahate ho. vah to arambh se hatyara haai, aur saty par sthiar n raha, kyonaki saty us men haai hee naheen: jab vah joott bolata, to apane svabhav hee se bolata haai kyonaki vah jootta haai, baran joott ka pita haai.

- 45 parantu maain jo sach bolata hoo, iseealiye tum meree prateeti naheen karate.
- 46 tum men se kaun mujhe papee ttharata haai? aur yaadi maain sach bolata hoo, to tum meree prateeti kyon naheen karate?
- 47 jo parameshvar se hota he, vah parameshvar kee baten sunata haai aur tum isaaliye naheen sunate ki parameshvar kee or se naheen ho.
- 48 yah sun yahoodiyon ne us se kaha kya ham tteek naheen kahate, ki too samaree haai, aur tujh men dushttatma haai?
- 49 yeeshu ne uttr diya, ki mujh men dushttatma naheen parantu maain apane pita ka adar karata hoo, aur tum mera niradar karate ho.
- 50 parantu maain apanee praatishtta naheen chahata, ha, aek to haai jo chahata haai, aur nyay karata haai.
- 51 maain tum se sach sach kahata hoo, ki yadi koi vyaktai mere vachan par chalega, to vah anant kal tak mratyu ko n dekhega.
- 52 yahoodiyon ne us se kaha, ki ab ham ne jan liya ki tujh men dushttatma haai: ibraaheem mar gaya, aur bhavishyadvkta bhee mar gae haain aur too kahata haai, ki yadi koi mere vachan par chalega to vah anant kal tak mratyu ka svad n chakhega.
- 53 hamara pita ibraaheem to mar gaya, kya too us se bada haai? aur bhavishyadvkta bhee mar gaa, too apane ap ko kya ttharata haai.
- 54 yeeshu ne uttr diya yaadi maain ap apanee maahima karoo, to meree maahima kuchh nahee, parantu meree mahima karanevala mera pita haai, jise tum kahate ho, ki vah hamara parameshvar haai.
- 55 aur tum ne to use naheen jana: parantu maain use janata hoon aur yaadi kahoon ki maain use naheen janata, to maain tumharee nain joota ttharoonga: parantu maain use janata, aur usake vachan par chalata hoon.
- 56 tumhara pita ibraaheem mera din dekhne kee asha se bahut magan tha aur us ne dekha, aur anand kiya.
- 57 yahoodiyon ne us se kaha, ab tak too pachas varsha ka naheen fir bhee too ne ibraaheem ko dekha haai?
- 58 yeeshu ne un se kaha maain tum se sach sach kahata hoon ki pahile isake ki ibraaheem utpann hua maain hoon.
- 59 tab unhon ne use marane ke liye patthr uttaa, parantu yeeshu chhpaikar maandair se nikal gaya..

Yuhanna 9

- 1 fir jate huae us ne aek manushy ko dekha, jo janm ka andha tha.
- 2 aur usake chelon ne us se poochha, he rabbee, kis ne pap kiya tha ki yah andha janma, is manushy ne, ya usake mata pita ne?
- 3 yeeshu ne uttr diya, ki n to is ne pap kiya tha, n is ke mata pita ne: parantu yah isaaliye hua, ki parameshvar ke kam us men pragatt hon.
- 4 jis ne mujhe bheja haai hamen usake kam din hee din men karana avashy haai: vah rat anevalee haai jis men koi kam naheen kar sakata.
- 5 jab tak maain jangal men hoo, tab tak jagat kee jyoti hoon.
- 6 yah kahakar us ne boomi par tooka aur us took se mittee sanee, aur vah mittee us andho kee ankhon par lagakara.
- 7 us se kaha ja shaeeloh ke kund men dhae le, jis ka arth bheja hua haai so us ne jakar dhaeya, aur dekhta hua laut aya.
- 8 tab padosee aur jinhon ne pihale use bheekh mangate dekha tha, kahane lage kya yah vahee nahee, jo baaitta bheekh manga karata tha?
- 9 kitanon ne kaha, yah vahee haai: auron ne kaha, naheen parantu usake saman haai: us ne kaha, maain vahee hoon.
- 10 tab ve us se poochhne lage, teree ankhen kyonkar khul gai?
- 11 us ne uttr diya, ki yeeshu nam ek vyaktai ne mittee sanee, aur meree ankhon par lagakar mujh se kaha, ki shaeeloh men jakar dhae le so maain gaya, aur dhaekar dekhne laga.
- 12 unhon ne us se poochha vah kahan haai? us ne kaha maain naheen janata..
- 13 log use jo pahile andha tha fareesiyon ke pas le gaae.
- 14 jis din yeeshu ne mittee sanakar us kee ankhe kholee thee vah sabt ka din tha.
- 15 fir fareesiyon ne bhee us se poochha teree ankhen kis reeti se khul gai? us ne eun se kaha us ne meree ankho par mittee lagai, fir maain ne dhae liya, aur ab dekhta hoon.
- 16 is par kai fareesee kahane lage yah manushy parameshvar kee or se nahee, kyonki vah sabt ka din naheen manata. auron ne kaha, papee manushy kyonkar aeese chinh dikha sakata haai? so un men foott padee.
- 17 unhon ne us andho se fir kaha, us ne jo teree ankhe kholee, too usake vishay men kya kahata haai? us ne kaha, yah bhvishyadvkta haai.

- 18 parantu yahoodiyon ko vishvas n hua ki yah andha tha aur ab dekhta haai jab tak unhon ne usake mata-pita ko jis kee ankhe khul gai thee, bulakara.
- 19 un se n poochha, ki kya yah tumhara putra haai, jise tum kahate ho ki andha janma tha? fir ab kyonkar dekhta haai?
- 20 usake mata-apita ne uttr diya ham to janate haain ki yah hamara putra haai, aur andha janma tha.
- 21 parantu ham yah naheen janate haain ki ab kyonkar dekhta haai aur n yah janate haai, ki kis ne us kee ankhe kholeen vah sayana haai usee se poochh lo vah apane vishay men ap kah dega.
- 22 ye baten usake mata-pita ne isaliye kaheen kyonki ve yahoodiyon se drate the kyoki yahoodiee aeka kar chuke the, ki yadi koi kahe ki vah maseeh haai, to aradhanalay se nikala jaae.
- 23 isee karan usake mata-apita ne kaha, ki vah sayana haai usee se poochh lo.
- 24 tab unhon ne us manushy ko jo andha tha doosaree bar bulakar us se kaha, parameshvar kee stuti kara ham to janate haain ki vah manushy papee haai.
- 25 us ne uttr diya: maain naheen janata ki vah papee haai ya naheen: maain ek bat janata hoon ki maain andha tha aur ab dekhta hoon.
- 26 unhon ne us se fir kaha, ki us ne tere sath kya kiya? aur kis तरह teree ankhen kholee?
- 27 us ne un se kaha maain to tum se kah chuka, aur tum ne ne suna ab doosaree bar kyon sunana chahate ho? kya tum bhee usake chele hona chahate ho?
- 28 tab ve use bura-bhla kahakar bole, too hee usaka chela haai ham to moosa ke chele haain.
- 29 ham janate haain ki parameshvar ne moosa se baten keen parantu is manushy ko naheen janate kee kahan ka haai.
- 30 us ne un ko uttr diya yah to achambhe kee bat haai ki tum naheen janate kee kahan ka haai taubhee us ne meree ankhen khol deen.
- 31 ham janate haain ki parameshvar papiyon kee naheen sunata parantu yaadi koi parameshvar ka bhkt ho, aur us kee ichchha par chalata haai, to vah us kee sunata haai.
- 32 jagat ke arambh se yah kabhee sunane men naheen aya, ki kisee ne bhee janm ke andho kee ankhe kholee hon.
- 33 yaadi yah vyaaktai parameshvar kee or se n hota, to kuchh bhee naheen kar sakata.

- 34 unhon ne us ko uttr diya, ki too to bilakul papon men janma haai, too hamen kya sikhata haai? aur unhon ne use bahar nikal diya..
- 35 yeeshu ne suna, ki unhon ne use bahar nikal diya haai aur jab use bhentt hui to kaha, ki kya too parameshvar ke putra par vishvas karata haai?
- 36 us ne uttr diya, ki he prabhu vah kaun haai ki maain us par vishvas karoon?
- 37 yeeshu ne us se kaha, too ne use dekha bhee haai aur jo tere sath baten kar raha haai vahee haai.
- 38 us ne kaha, he prabhu, maain vishvas karata hoon: aur use dandvat kiya.
- 39 tab yeeshu ne kaha, maain is jagat men nyay ke liye aya hoo, taki jo naheen dekhte ve dekhe, aur jo dekhte haain ve andho ho jaaen.
- 40 jo fareesee usake sath the, unhon ne ye baten sun kar us se kaha, kya ham bhee andho haain?
- 41 yeeshu ne un se kaha, yaadi tum andho hote to papee n ttharate parantu ab kahate ho, ki ham dekhte haai, isaaliye tumhara pap bana rahata haai..

Yuhanna 10

- 1 maain tum se sach sach kahata hoo, ki jo koi dar se bhedshaala men pravesh naheen karata, parantu aur kisee or se chaddh jata haai, vah chor aur dakoo haai.
- 2 parantu jo dar se bheetar pravesh karata haai vah bhedon ka charavaha haai.
- 3 usake liye darapal dar khol deta haai, aur bhenden usaka shabd sunatee haai, aur vah apanee bhedon ko nam le lekar bulata haai aur bahar le jata haai.
- 4 aur jab vah apanee sab bhedon ko bahar nikal chukata haai, to un ke age age chalata haai, aur bheden usake peechhe peechhe ho lettee haain kyonki ve usak shabd pahachanatee haain.
- 5 parantu ve paraye ke peechhe naheen jaaengee, parantu us se bhagengee, kyonki ve parayon ka shabd naheen pahachanatee.
- 6 yeeshu ne un se yah drashttant kaha, parantu ve n samajhe ki ye kya baten haain jo vah ham se kahata haai..
- 7 tab yeeshu ne un se fir kaha, maain tum se sach sach kahata hoo, ki bhedon ka dar maain hoon.
- 8 jitane mujh se pahile aae ve sab chor aur dakoo haain parantu bhedon ne un kee n sunee.
- 9 dar maain hoon: yadi koi mere dara bheetar pravesh kare to uddhar paaega aushra bheetar bahar aya jaya karega aur chara paaega.

- 10 chor kisee aur kam ke liye naheen parantu keval choree karane aur ghaat karane aur nashtt karane ko ata haai. maain isaaliye aya ki ve jeevan paae, aur bahutayat se paaen.
- 11 achchha charavaha maain hoon achchha charavaha bhedon ke liye apana praan deta haai.
- 12 majadoor jo n charavaha haai, aur n bhedon ka malik haai, bheadiae ko ate huae dek, bhedon ko chhodkar bhag jata haai, aur bheadiya unhen pakadta aur tittr bittr kar deta haai.
- 13 vah isaliye bhag jata haai ki vah majadoor haai, aur us ko bhedon kee chinta naheen.
- 14 achchha charavaha maain hoon jis tarah pita mujhe janata haai, aur maain pita ko janata hoon.
- 15 isee tarah maain apee bhedon ko janata hoo, aur meree bheden mujhe janatee haai, aur maain bhedon ke liye apana praan deta hoon.
- 16 aur meree aur bhee bheden haai, jo is bhedshaala kee naheen mujhe un ka bhee lana avashy haai, ve mera shabd sunengee tab aek hee jhund aur aek hee charavaha hoga.
- 17 pita isaliye mujh se praem rakhta haai, ki maain apana praan deta hoo, ki use fir le loon.
- 18 koi use mujh se chheenata nahee, baran maain use ap hee deta hoon: mujhe usake dene ka adhaikar haai, aur use fir lene ka bhee aadhaikar haai: yah agyaa mere pita se mujhe milee haai..
- 19 in baton ke karan yahoodiyon men fir foott padee.
- 20 un men se bahutere kahane lage, ki us men dushttatma haai, aur vah pagal haai us kee kyon sunate ho?
- 21 auron ne kaha, ye bat aeese manushy kee naheen jis men dushttatma ho: kya dushttatma andhaen kee ankhe khol sakatee haai?
- 22 yarooshalem men sthapan pabrba hua, aur jade kee retu thee.
- 23 aur yeeshu mandair men sulaaiman ke osare men tthal raha tha.
- 24 tab yahoodiyon ne use a ghora aur poochha, too hamare man ko kab tak duavidha men rakhega? yaadi too maseeh haai, to ham se safa kah de.
- 25 yeeshu ne unhen uttr diya, ki maain ne tum se kah diya, aur tum prateeti karate hee nahee, jo kam maain apne pita ke nam se karata hoon ve hee mere gavah haain.

- 26 parantu tum isaaliye prateeti naheen karate, ki merree bhedon men se naheen ho.
- 27 merree bheden mera shabd sunatee haai, aur maain unhen janata hoo, aur ve mere peechhe peechhe chalatee haain.
- 28 aur maain unhen anant jeevan deta hoo, aur ve kabhee nash naheen hongee, aur koi unhen mere hath se chheen n lega.
- 29 mera pita, jis ne unhen mujh ko diya haai, sab se bada haai, aur koi unhen pita ke hath se chheen naheen sakata.
- 30 maain aur pita aek haain.
- 31 yahoodiyon ne use patthravah karate ko fir patthr uttaaee.
- 32 is par yeeshu ne un se kaha, ki maain ne tumhen apane pita kee or se bahut se bhle kam dikhaae haai, un men se kis kam ke liye tum mujhe patthravah karate ho?
- 33 yahoodiyon ne us ko uttr diya, ki bhle kam ke liye ham tujhe patthravah naheen karate, parantu parameshvar kee ninda ke karan aur isaliye ki too manushy hokar apane ap ko parameshvar banata haai.
- 34 yeeshu ne unhen uttr diya, kya tumharee vyavastha men naheen likha haai ki maain ne kaha, tum ishvar ho?
- 35 yaadi us ne unhen ishvar kaha jin ke pas parameshvar ka vachan pahuncha aur paavitra shaasr kee bat lop naheen ho sakatee.
- 36 to jise pita ne paavitra ttharakar jagat men bheja haai, tum us se kahate ho ki too ninda karata haai, isaliye ki maain ne kaha, maain parameshvar ka putra hoon.
- 37 yaadi maain apane pita ke kam naheen karata, to merree prateeti n karo.
- 38 parantu yadi maain karata hoo, to chahe merree prateeti n bhee karo, parantu un kamon kee to prateeti karo, taaki tum jano, aur samajho, ki pita mujh men haai, aur maain pita men hoon.
- 39 tab unhon ne fir use pakadne ka prayatn kiya parantu vah un ke hath se nikal gaya..
- 40 fir vah yaradan ke par us sthan par chala gaya, jahan yoohanna pahile bapatisma diya karata tha, aur vaheen raha.
- 41 aur bahutere usake pas akar kahate the, ki yuhanna ne to koi chinh naheen dikhaya, parantu jo kuchh yoohanna ne is ke vishay men kaha tha vah sab sach tha.
- 42 aur vahan bahuteron ne us par vishvas kiya..

Yuhanna 11

- ¹ maariyam aur us kee baahin maratha ke ganv baaitaniyyah ka lajar nam aek manushy beemar tha.
- ² yah vahee mariyam thee jis ne prabhu par itra dalakar usake panvon ko apane balon se ponchha tha, isee ka bhai lajar beemar tha.
- ³ so us kee baahinon ne use kahala bheja, ki he prabhu, dek, jis se too praeeti rakhta haai, vah beemar haai.
- ⁴ yah sunakar yeeshu ne kaha, yah beemaree mratyu kee nahee, parantu parameshvar kee maahima ke liye haai, ki usake dara parameshvar ke putra kee mahima ho.
- ⁵ aur yeeshu maratha aur us kee bahan aur lajar se praem rakhta tha.
- ⁶ so jab us ne suna, ki vah beemar haai, to jis sthan par vah tha, vahan do din aur tthar gaya.
- ⁷ fir is ke bad us ne chelon se kaha, ki ao, ham fir yahoodiya ko chalen.
- ⁸ chelon ne us se kaha, he rabbee, abhee to yahoodiee tujhe patthravah karana chahate the, aur kya too fir bhee vaheen jata haai?
- ⁹ yeeshu ne uttr diya, kya din ke barah ghantte naheen hote? yaadi koi din ko chale, to ttoakar naheen khata haai, kyonaki is jagat ka ujala dekhta haai.
- ¹⁰ parantu yadi koi rat ko chale, to ttoakar khata haai, kyonaki us men prakash naheen.
- ¹¹ us ne ye baten kahee, aur is ke bad un se kahane laga, ki hamara mitra lajar so gaya haai, parantu maain use jagane jata hoon.
- ¹² tab chelon ne us se kaha, he prabhu, yadi vah so gaya haai, to bach jaaega.
- ¹³ yeeshu ne to us kee mratyu ke vishay men kaha tha: parantu ve samajhe ki us ne neend se so jane ke vishay men kaha.
- ¹⁴ tab yeeshu ne un se safa kah diya, ki lajar mar gaya haai.
- ¹⁵ aur maain tumhare karan anaandait hoon ki maain vahan n tha jis se tum vishvas karo, parantu ab ao, ham usake pas chalen.
- ¹⁶ tab thoma ne jo didumus kahalata haai, apane sath ke chelon se kaha, ao, ham bhee usake sath marane ko chalen.
- ¹⁷ so yeeshu ko akar yah maloom hua ki use kabra men rakhe char din ho chuke haain.
- ¹⁸ baaitaniyyah yarooshalem ke sameep koi do meel kee dooree par tha.

- 19 aur bahut se yahooder maratha aur maariyam ke pas un ke bhai ke vishay men shaantai dene ke liye aae the.
- 20 so maratha yeeshu ke ane ka samachar sunakar us se bhentt karane ko gai, parantu mariyam ghar men baaittee rahee.
- 21 maratha ne yeeshu se kaha, he prabhu, yadi too yahan hota, to mera bhai kadaapi n marata.
- 22 aur ab bhee maain janatee hoo, ki jo kuchh too parameshvar se mangega, parameshvar tujhe dega.
- 23 yeeshu ne us se kaha, tera bhai jee uttega.
- 24 maratha ne us se kaha, maain janatee hoo, ki antaim din men punarootthan ke samay vah jee uttega.
- 25 yeeshu ne us se kaha, punarootthan aur jeevan maain hee hoo, ja koi mujh par vishvas karata haai vah yadi mar bhee jaa, taubhee jeeaege.
- 26 aur jo koi jeevata haai, aur mujh par vishvas karata haai, vah anantakal tak n marega, kya too is bat par vishvas karatee haai?
- 27 us ne us se kaha, han he prabhu, maain vishvas kar chukee hoo, ki parameshvar ka putra maseeh jo jagat men ane vala tha, vah too hee haai.
- 28 yah kahakar vah chalee gai, aur apanee baahin mariyam ko chupake se bulakar kaha, guroo yaheen haai, aur tujhe bulata haai.
- 29 vah sunate hee turant uttkar usake pas ai.
- 30 yeeshu abhee ganv men naheen pahuncha tha, parantu usee sthan men tha jahan maratha ne us se bhentt kee thee.
- 31 tab jo yahooder usake sath ghar men the, aur use shaantai de rahe the, yah dekhkar ki mariyam turant uttke bahar gai haai aur yah samajhkar ki vah kabra par rone ko jatee haai, usake peechhe ho liye.
- 32 jab maariyam vahan pahunchee jahan yeeshu tha, to use dekhte hee usake panvon par gir ke kaha, he prabhu, yadi too yahan hota to mera bhai n marata.
- 33 jab yeeshu n us ko aur un yahoodiyon ko jo usake sath aae the rote huae dekha, to atma men bahut hee udas hua, aur ghabara kar kaha, tum ne use kahan rakha haai?
- 34 unhon ne us se kaha, he prabhu, chalakar dekh le.
- 35 yeeshu ke ansoo bahane lage.
- 36 tab yahooder kahane lage, dekho, vah us se kaaisee praeeti rakhta tha.

- 37 parantu un men se kitanon ne kaha, kya yah jis ne andho kee ankhen kholee, yah bhee n kar saka ki yah manushy n marata?
- 38 yeeshu man men fir bahut hee udas hokar kabra par aya, vah aek gufaa thee, aur aek patthr us par dhara tha.
- 39 yeeshu ne kaha patthr ko uttao: us mare huae kee baahin maratha us se kahane lagee, he prabhu, us men se ab to durgandha atee haai kyonki use mare char din ho gaae.
- 40 yeeshu ne us se kaha, kya maain ne tujh se n kaha i ki yadi too vishvas karegee, to parameshvar kee mahima ko dekhegee.
- 41 tab unhon ne us patthr ko hattaya, fir yeeshu ne ankhen uttakar kaha, he pita, maain tera dhanyavad karata hoon ki too ne meree sun lee haai.
- 42 aur maai janata tha, ki too sada meree sunata haai, parantu jo bheed as pas khdee haai, un ke karan maain ne yah kaha, jis se ki ve vishvas kare, ki too ne mujhe bheja haai.
- 43 yah kahakar us ne bade shabd se pukara, ki he lajar, nikal a.
- 44 jo mar gaya tha, vah kafan se hath panv bandho huae nikal aya aur usaka munh angochhe se lipatta hua tharoo yeeshu ne un se kaha, use kholakar jane do..
- 45 tab jo yahooder mariyam ke pas aae the, aur usaka yah kam dekha tha, un men se bahuton ne us par vishvas kiya.
- 46 parantu un men se kitanon ne fareesiyon ke pas jakar yeeshu ke kamon ka samachar diya..
- 47 is par mahayajakon aur fareesiyon ne mukhy sabha ke logon ko ikattha karake kaha, ham karate kya haain? yah manushy to bahut chinh dikhata haai.
- 48 yaadi ham use yonhee chhod de, to sab us par vishvas le aaenge aur romee akar hamaree jagah aur jaati donon par aadhaikar kar lenge.
- 49 tab un men se kaifaa nam aek vyaktai ne jo us varsha ka mahayajak tha, un se kaha, tum kuchh naheen janate.
- 50 aur n yah sochate ho, ki tumhare liye yah bhla haai, ki hamare logon ke liye aek manushy mare, aur n yah, ki saree jaati nash ho.
- 51 yah bat us ne apanee or se n kahee, parantu us varsha ka mahayajak hokar bhavishyadvnee kee, ki yeeshu us jaati ke liye marega.
- 52 aur n keval us jaati ke liye, baran isaaliye bhee, ki parameshvar kee tittr bittr santanon ko aek kar de.
- 53 so usee din se ve usake mar dalane kee sammati karane lagee..

⁵⁴ isaliye yeeshu us samay se yahoodiyon men pragatt hokar n fira parantu vahan se jangal ke nikatt ke dekh men iaim nam, aek nagar ko chala gaya aur apane chelon ke sath vaheen rahane laga.

⁵⁵ aur yahoodiyon ka fasah nikatt tha, aur bahutere log fasah se paahile dihat se yarooshalem ko gaae ki apane ap ko shuuddh karen.

⁵⁶ so ve yeeshu ko ddoonddhne aur maandair men khde hokar apas men kahane lage, tum kya samajhte ho?

⁵⁷ kya vah pabrba men naheen aaega? aur mahayajakon aur fareesiyon ne bhee agyaa de rakhee thee, ki yadi koi yah jane ki yeeshu kahan haai to bataa, ki use pakad len..

Yuhanna 12

¹ fir yeeshu fatah se chh: din pahile baaitaaniyyah men aya, janha lajar tha: jise yeeshu ne mare huon men se jilaya tha.

² vahan unhon ne usake liye bhojan taaiyar kiya, aur maratha seva kar rahee thee, aur lajar un men se aek tha, jo usake sath bhojan karane ke liye baaitte the.

³ tab maariyam ne jattamasee ka adha ser bahumol itra lekar yeeshu ke pavon par dala, aur apane balon se usake panv ponchhe, aur itra kee sugandha se ghar sugaandhiat ho gaya.

⁴ parantu usake chelon men se yahooda iskariyotee nam aek chela jo use pakadvane par tha, kahane laga.

⁵ yah itra teen sau deenar men bechakar kangalon ko kayon n diya gaya?

⁶ us ne yah bat isaliye n kahee, ki use kangalon kee chinta thee, parantu isaliye ki vah chor tha aur usake pas un kee thailee rahatee thee, aur us men jo kuchh dala jata tha, vah nikal leta tha.

⁷ yeeshu ne kaha, use mere gade jane ke din ke liye rahane de.

⁸ kyonaki kangal to tumhare sath sada rahate haai, parantu maain tumhare sath sada n rahoonga..

⁹ yahoodiyon men se sadhaaran log jan gaa, ki vah vahan haai, aur ve n keval yeeshu ke karan aae parantu isaaliye bhee ki lajar ko denkhe, jise us ne mare huon men se jilaya tha.

¹⁰ tab mahayajakon ne lajar ko bhee mar dalane kee sammati kee.

¹¹ kyonaki usake karan bahut se yahoodae chale gaa, aur yeeshu par vishvas kiya..

- 12 doosare din bahut se logon ne jo pabrba men aae the, yah sunakar, ki yeeshu yarooshalem men ata haai.
- 13 khjoor kee, daaliyan leee, aur us se bhentt karane ko nikale, aur pukarane lage, ki hoshaana, dhany israael ka raja, jo prabhu ke nam se ata haai.
- 14 jab yeeshu ko aek gadahe ka bachcha mila, to us par baaitta.
- 15 jaaisa likha haai, ki he siyyon kee bettee, mat dr, dek, tera raja gadahe ke bachche par chaddha hua chala ata haai.
- 16 usake chele, ye baten paahile n samajhe the parantu jab yeeshu kee mahima pragatt hui, to un ko smaran aya, ki ye baten usake vishay men likhee hui theen aur logon ne us se is prakar ka vyavahar kiya tha.
- 17 tab bheed ke logon ne jo us samay usake sath the yah gavahee dee ki us ne lajar ko kabra men se bulakar, mare huon men se jilaya tha.
- 18 isee karan log us se bhentt karane ko aae the kyonaki unhon ne suna tha, ki us ne yah ashcharyakarma dikhaya haai.
- 19 tab fareesiyon ne apas men kaha, socho to sahee ki tum se kuchh naheen ban padta: dekho, sansar usake peechhe ho chala haai..
- 20 jo log us pabrba men bhjan karane aae the un men se kai yoonanee the.
- 21 unhon ne galeel ke baaitasaaida ke rahanevale filippus ke pas akar us se binatee kee, ki shraeemana ham yeeshu se bhentt karana chahate haain.
- 22 filippus ne akar aadiryas se kaha tab aandairyas aur filippus ne yeeshu se kaha.
- 23 is par yeeshu ne un se kaha, vah samay a gaya haai, ki manushy ke putra ki mahima ho.
- 24 maain tum se sach sach kahata hoo, ki jab tak gehoon ka dana boomi men padkar mar naheen jata, vah akela rahata haai parantu jab mar jata haai, to bahut fal lata haai.
- 25 jo apane praan ko piry janata haai, vah use kho deta haai aur jo is jagat men apane praan ko aapiry janata he, vah use kho deta haai aur jo is jagat men apane praan ko apiry janata haai vah anant jeevan ke liye us kee raksha karata karega.
- 26 yaadi koi merree seva kare, to mere peechhe ho le aur jahan maain hoon vahan mera sevak bhee hoga yaadi koi merree seva kare, to pita usaka adar karega.
- 27 jab mera jee vyakul ho raha haai. isaaliye ab maain kya kahoon? he pita, mujhe is ghadee se bacha? parantu maain isee karan is ghadee ko pahuncha hoon.

- 28 he pita apane nam kee maahima kara: tab yah akashavaneer hui, ki maain ne us kee maahima kee haai, aur fir bhee karoonga.
- 29 tab jo log khde huae sun rahe the, unhon ne kaha ki badal garaja, auron ne kaha, koi svargadoot us se bola.
- 30 is par yeeshu ne kaha, yah shabd mere liye naheen parantu tumhare liye aya haai.
- 31 ab is jagat ka nyay hota haai, ab is jagat ka saradar nikal diya jaaega.
- 32 aur maain yadi prathvee par se unche par chaddhaya jaunga, to sab ko apane pas kheechaoga.
- 33 aeesa kahakar us ne yah pragatt kar diya, ki vah kaaisee mratyuu se marega.
- 34 is par logon ne us se kaha, ki ham ne vyavastha kee yah bat sunee haai, ki maseeh sarvada rahega, fir too kyon kahata haai, ki manushy kee putra ko unche par chaddhaya jana avashy haai?
- 35 yah manushy ka putra kaun haai? yeeshu ne un se kaha, jyoti ab thodee den tak tumhare beech men haai, jab tak jyoti tumhare sath haai tab tak chale chalo aeesa n ho ki andhakar tumhen a ghore jo andhakar men chalata haai vah naheen janata ki kidhar jata haai.
- 36 jab tak jyoti tumhare sath haai, jyoti par vishvas karo ki tum jyoti kee santan hoo.. ye baten kahakar yeeshu chala gaya aur un se chhpai raha.
- 37 aur us ne un kee samhane itane chinch dikhaa, taubhee unhon ne us par vishvas n kiya.
- 38 taaki yashaayah bhavishyadvakta ka vachan poora ho jo us ne kaha ki hee prabhu hamare samachar kee kis ne prateeti kee haai? aur prabhu ka bhujabal kis par pragatt hua?
- 39 is karan ve vishvas n kar sake, kyonki yashaayah ne fir bhee kaha.
- 40 ki us ne un kee ankhen andhae, aur un ka man kattor kiya haai kaheen aeesa n ho, ki ankhen se dekhe, aur man se samajhe, aur fire, aur maain unhen changa karoon.
- 41 yashaayah ne ye baten isaliye kahee, ki us ne us kee mahima dekhee aur us ne usake vishay men baten kee.
- 42 taubhee saradaron men se bhee bahuton ne us par vishvas kiya, parantu fareeasiyon kee karan pragatt men naheen manate the, aeesa n ho ki aradhanalay men se nikale jaaen.
- 43 kyonaki manushyon kee prashansa un ko parameshvar kee prashansa se aadhaik pury lagatee thee..

⁴⁴ yeeshu ne pukarakar kaha, jo mujh par vishvas karata haai, vah mujh par nahee, baran mere bhejanevale par vishvas karata haai.

⁴⁵ aur jo mujhe dekhta haai, vah mere bhejanevale ko dekhta haai.

⁴⁶ maain jagat men jyoti hokar aya hoon taaki jo koi mujh par vishvas kare, vah andhakar men ne rahe.

⁴⁷ yaadi koi merree baten sunakar n mane, to maain use doshaee naheen ttharata, kyonki maain jagat ko doshaee ttharane ke liye nahee, parantu jagat ka uddhar karane ke liye aya hoon.

⁴⁸ jo mujhe tuchchh janata haai aur merree baten grahan naheen karata haai us ko doshaee ttharanevala to aek haai: arthata jo vachan maain ne kaha haai, vah pichhle din men use doshaee ttharaaega.

⁴⁹ kyonaki maain ne apanee or se baten naheen kee, parantu pita jis ne mujhe bheja haai usee ne mujhe agyaa dee haai, ki kya kya kahoon? aur kya kya boloon?

⁵⁰ aur maain janata hoo, ki us kee agyaa anant jeevan haai isaaliye maain jo bolata hoo, vah jaaisa pita ne mujh se kaha haai vaaisa hee bolata hoon..

Yuhanna 13

¹ fasah ke pabrba se pahile jab yeeshu ne jan liya, ki merree vah ghadee a pahunchee haai ki jagat chhodkar pita ke pas jau, to apane logon se, jo jagat men the, jaaisa praem vah rakhta tha, ant tak vaaisa hee praem rakhta raha.

² aur jab shautan shamaun ke putra yahooda iskaariyotee ke man men yah dal chuka tha, ki use pakadvaa, to bhojan ke samaya.

³ yeeshu ne yah janakar ki pita ne sab kuchh mere hath men kar diya haai aur maain parameshvar ke pas se aya hoo, aur parameshvar ke pas jata hoon.

⁴ bhojan par se uttkar apane kapade utar dia, aur angochha lekar apanee kamar bandhaee.

⁵ tab baratan men panee bhrakar chelon ke panv dhaene aur jis angochhe se us kee kamar bandhaee thee usee se ponchhne laga.

⁶ jab vah shamaun pataras ke pas aya: tab us ne us se kaha, he prabhu,

⁷ kya too mere panv dhaeta haai? yeeshu ne us ko uttr diya, ki jo maain karata hoo, too ab naheen janata, parantu is ke bad samajhega.

⁸ pataras ne us se kaha, too mere panv kabhee n dhaene paaega: yah sunakar yeeshu ne us se kaha, yaadi maain tujhe n dhaeu, to mere sath tera kuchh bhee sajha naheen.

- 9** shamaun pataras ne us se kaha, he prabhu, to mere panv hee nahee, baran hath aur sir bhee dhae de.
- 10** yeeshu ne us se kaha, jo naha chuka haai, use panv ke siva aur kuchh dhaene ka prayojan naheen parantu vah bilakul shuuddh haai: aur tum shuuddh ho parantu sab ke sab naheen.
- 11** vah to apane pakadvanevale ko janata tha isee liye us ne kaha, tum sab ke sab shuuddh naheen..
- 12** jab vah un ke panv dhae chuka aur apane kapade paahinakar fir baaitt gaya to un se kahane laga, kya tum samajhe ki maain ne tumhare sath kya kiya?
- 13** tum mujhe guro, aur prabhu, kahate ho, aur bhla kahate ho, kyonaki maain vaheen hoon.
- 14** yaadi maain ne prabhu aur guroo hokar tumhare panv dhaeae to tumhen bhee aek dusare ke panv dhaena chaahiae.
- 15** kyonaki maain ne tumhen namoona dikha diya haai, ki jaaisa maain ne tumhare sath kiya haai, tum bhee vaaisa hee kiya karo.
- 16** maain tum se sach sach kahata hoo, das apane svamee se bada naheen aur n bheja hua apane bhejanevale se.
- 17** tum to ye baten janate ho, aur yadi un par chalo, to dhany ho.
- 18** maain tum sab ke vishay men naheen kahata: jinhen maain ne chun liya haai, unhen maain janata hoon: parantu yah isaaliye haai, ki pavitra shaasr ka yah vachan poora ho, ki jo meree rottee khata haai, us ne mujh par lat uttai.
- 19** ab maain usake hone se paahile tumhen jataae deta hoon ki jab ho jaae to tum vishvas karo ki maain vaheen hoon.
- 20** maain tum se sach sach kahata hoo, ki jo mere bheje huae ko grahan karata haai, vah mujhe grahan karata haai, aur jo mujhe grahan karata haai, vah mere bhejanevale ko grahan karata haai..
- 21** ye baten kahakar yeeshu atma men vyakul hua aur yah gavahee dee, ki maain tum se sach sach kahata hoo, ki tum men se aek mujhe pakadvaaega.
- 22** chele yah sandeh karate hua, ki vah kis ke vishay men kahata haai, aek doosare kee or dekhne lage.
- 23** usake chelon men se ek jis se yeeshu praem rakhta tha, yeeshu kee chhatee kee or jhuka hua baaitta tha.
- 24** tab shamaun pataras ne us kee or saain karake poochha, ki bata to, vah kis ke vishay men kahata haai?

25 tab us ne usee tarah yeeshu kee chhatee kee or jhuk kar poochha, he prabhu, vah kaun haai? yeeshu ne uttr diya, jise maain yah rottee ka ttukada dubokar doonga, vahee haai.

26 aur us ne ttukada dubokar shamaun ke putra yahooda iskaariyotee ko diya.

27 aur ttukada lete hee shautan us men sama gaya: tab yeeshu ne us se kaha, jo too karata haai, turant kara.

28 parantu baaitnevalon men se kisee ne n jana ki us ne yah bat us se kis liye kahee.

29 yahooda ke pas thailee rahatee thee, isaaliye kisee kisee ne samajha, ki yeeshu us se kahata haai, ki jo kuchh hamen pabrba ke liye chaahiae vah mol le, ya yah ki kangalon ko kuchh de.

30 tab vah ttukada lekar turant bahar chala gaya, aur ratrai ka samay tha..

31 jab vah bahar chala gaya to yeeshu ne kaha ab manushy putra kee maahima hui, aur parameshvar kee mahima us men hui.

32 aur parameshvar bhee apane men us kee maahima karega, baran turant karega.

33 he balako, maain aur thodee den tumhare pas hoon: fir tum mujhe ddoonddhoge, aur jaaisa maain ne yahoodiyon se kaha, ki jahan maain jata hoo, vahan tum naheen a sakate vaaisa hee maain ab tum se bhee kahata hoon.

34 maain tumhen aek nai agyaa deta hoo, ki aek doosare se praem rakho: jaaisa maain ne tum se praem rakha haai, vaaisa hee tum bhee aek dusare se praem rakho.

35 yaadi apas men praem rakhoge to isee se sab janenge, ki tum mere chele ho..

36 shamaun pataras ne us se kaha, he prabhu, too kahan jata haai? yeeshu ne uttr diya, ki jahan maain jata hoo, vahan too ab mere peechhe a naheen sakata! parantu is ke bad mere peechhe aega.

37 pataras ne us se kaha, he prabhu, abhee maain tere peechhe kyon naheen a sakata? maain to tere liye apana praan doonga.

38 yeeshu ne uttr diya, kya too mere liye apana praan dega? maain tujh se sach sach kahata hoon ki murga bang n dega jab tak too teen bar mera inkar n kar lega.

Yuhanna 14

1 tumhara man vyakul n ho, tum parameshvar par vishvas rakhte ho mujh par bhee vishvas rakho.

- 2 mere pita ke ghar men bahut se rahane ke sthan haai, yadi n hote, to maain tum se kah deta kyonki maain tumhare liye jagah taaiyar karane jata hoon.
- 3 aur yaadi maain jakar tumhare liye jagah taaiyar karoo, to fir akar tumhen apane yahana le jaunga, ki jahan maain rahoon vahan tum bhee raho.
- 4 aur jahan maain jata hoon tum vahan ka marga janate ho.
- 5 thoma ne us se kaha, he prabhu, ham naheen janate ki too han jata haai? to marga kaaise janen?
- 6 yeeshu ne us se kaha, marga aur sachchai aur jeevan maain hee hoon bina mere dara koi pita ke pas naheen pahunch sakata.
- 7 yaadi tum ne mujhe jana hota, to mere pita ko bhee janate, aur ab use janate ho, aur use dekha bhee haai.
- 8 filippus ne us se kaha, he prabhu, pita ko hamen dikha de: yahee hamare liye bahut haai.
- 9 yeeshu ne us se kaha he filippus, maain itane din se tumhare sath hoo, aur kya too mujhe naheen janata? jis ne mujhe dekha haai us ne pita ko dekha haai: too kyon kahata haai ki pita ko hamen dikha.
- 10 kya too prateeati naheen karata, ki maain pita men hoo, aur pita mujh men haain? ye baten jo maain tum se kahata hoo, apanee or se naheen kahata, parantu pita mujh men rahakar apane kam karata haai.
- 11 merree hee prateeati karo, ki maain pita men hoon aur pita mujh men haai naheen to kamon hee ke karan merree prateeati karo.
- 12 maain tum se sach sach kahata hoo, ki jo mujh par vishvas rakhta haai, ye kam jo maain karata hoon vahee bhee karega, baran in se bhee bade kam karega, kyonaki maain pita ke pas jata hoon.
- 13 aur jo kuchh tum mere nam se mangoge, vahee maain karoonga ki putra ke dara pita kee maahima ho.
- 14 yaadi tum mujh se mere nam se kuchh mangoge, to maain use karoonga.
- 15 yaadi tum mujh se praem rakhte ho, to merree agyaaon ko manoge.
- 16 aur maain pita se binatee karoonga, aur vah tumhen aek aur sahayak dega, ki vah sarvada tumhare sath rahe.
- 17 arthata saty ka atma, jise sansar grahan naheen kar sakata, kyonaki vah n use dekhta haai aur n use janata haai: tum use janate ho, kyonki vah tumhare sath rahata haai, aur vah tum men hoga.
- 18 maain tumhen anath n chhooonga, maain tumhare pas ata hoon.

19 aur thodee der rah gai haai ki sansar mujhe n dekhega, parantu tum mujhe dekhoge, isaaliye ki maain jeeavit hoo, tum bhee jeevit rahoge.

20 us din tum janoge, ki maain apane pita men hoo, aur tum mujh me, aur maain tum men.

21 jis ke pas merree agyaa haai, aur vah unhen manata haai, vahee mujh se praem rakhta haai, aur jo mujh se praem rakhta haai, us se mera pita praem rakhega, aur maain us se praem rakoonga, aur apane ap ko us par pragatt karoonga.

22 us yahooda ne jo iskariyotee n tha, us se kaha, he prabhu, kya hua kee too apane ap ko ham par pragatt kiya chahata haai, aur sansar par naheen.

23 yeeshu ne us ko uttr diya, yaadi koi mujh se praem rakhe, to vah mere vachan ko manega, aur mera pita us se praem rakhega, aur ham usake pas aaenge, aur usake sath vas karenge.

24 jo mujh se praem naheen rakhta, vah mere vachan naheen manata, aur jo vachan tum sunate ho, vah mera naheen varan pita ka haai, jis ne mujhe bheja..

25 ye baten maain ne tumhare sath rahate huae tum se kahee.

26 parantu sahayak arthata pavitra atma jise pita mere nam se bhejega, vah tumhen sab baten sikhaaega, aur jo kuchh maain ne tum se kaha haai, vah sab tumhen smaran karaaega.

27 maain tumhen shaaantai diae jata hoo, apanee shaaantai tumhen deta hoon jaaise sansar deta haai, maain tumhen naheen deta: tumhara man n ghabaraae aur n dre.

28 tum ne suna, ki maain ne tum se kaha, ki maain jata hoo, aur tumhare pas fir ata hoon: yaadi tum mujh se praem rakhte, to is bat se anandait hote, ki maain pita ke pas jata hoon kyonaki pita mujh se bada haai.

29 aur maain ne ab is ke hone ke paahile tum se kah diya haai, ki jab vah ho jaa, to tum prateeati karo.

30 maain ab se tumhare sath aur bahut baten n karoonga, kyonaki is sansar ka saradar ata haai, aur mujh men usaka kuchh naheen.

31 parantu yah isaaliye hota haai ki sansar jane ki maain pita se praem rakhta hoo, aur jis tarah pita ne mujhe agyaa dee, maain vaaise hee karata hoon: utto, yahan se chalen..

Yuhanna 15

1 sachchee dakhilata maain hoon aur mera pita kisan haai.

- ² jo dalee mujh men haai, aur naheen falatee, use vah katt dalata haai, aur jo falatee haai, use vah chhantta haai taaki aur fale.
- ³ tum to us vachan ke karan jo maain ne tum se kaha haai, shuuddh ho.
- ⁴ tum mujh men bane raho, aur maain tum men: jaaise dalee yadi dakhata men bane n rahe, to apane ap se naheen fal sakatee, vaaise hee tum bhee yaadi mujh men bane n raho to naheen fal sakate.
- ⁵ men dakhata hoon: tum daliyan ho jo mujh men bana rahata haai, aur maain us me, vah bahut fal falata haai, kyonki mujh se alag hokar tum kuchh bhee naheen kar sakate.
- ⁶ yaadi koi mujh men bana n rahe, to vah dalee kee nai faenk diya jata, aur sookh jata haai aur log unhen battorakar ag men jhonk dete haai, aur ve jal jatee haain.
- ⁷ yaadi tum mujh men bane raho, aur meree baten tum men bane rahen to jo chaho mango aur vah tumhare liye ho jaaega.
- ⁸ mere pita kee maahima isee se hotee haai, ki tum bahut sa fal lao, tab hee tum mere chele ttharoge.
- ⁹ jaaisa pita ne mujh se praem rakha, mere praem men bane raho.
- ¹⁰ yaadi tum meree agyaaon ko manoge, to mere praem men bane rahoge: jaaisa ki maain ne apane pita kee agyaaon ko mana haai, aur usake praem men bana rahata hoon.
- ¹¹ maain ne ye baten tum se isaliye kahee haai, ki mera anand tum men bana rahe, aur tumhara anand poora ho jaae.
- ¹² meree agyaa yah haai, ki jaaisa maain ne tum se praem rakha, vaaisa hee tum bhee aek doosare se praem rakho.
- ¹³ is se bada praem kisee ka nahee, ki koi apane mitraen ke liye apana praan de.
- ¹⁴ jo kuchh maain tumhen agyaa deta hoo, yadi use karo, to tum mere mitra ho.
- ¹⁵ ab se maain tumhen das n kahoonga, kyonaki das naheen janata, ki usaka svamee kya karata haai: parantu maain ne tumhen mitra kaha haai, kyonaki maain ne jo baten apane pita se sunee, ve sab tumhen bata deen.
- ¹⁶ tum ne mujhe naheen chuna parantu maain ne tumhen chuna haai aur tumhen ttharaya taki tum jakar fal lao aur tumhara fal bana rahe, ki tum mere nam se jo kuchh pita se mango, vah tumhen de.
- ¹⁷ in baten kee agyaa maain tumhen isaaliye deta hoo, ki tum aek doosare se praem rakho.
- ¹⁸ yaadi sansar tum se baair rakhta haai, to tum janate ho, ki us ne tum se pahile mujh se bhee baair rakha.

¹⁹ yaadi tum sansar ke hote, to sansar apanon se praetee rakhta, parantu is karan ki tum sansar men se chun liya haai isee liye sansar tum se baair rakhta haai.

²⁰ jo bat maai. ne tum se kahee thee, ki das apane svamee se bada naheen hota, usako yad rakho: yaadi unhon ne mujhe sataya, to tumhen bhee sataaenge yadi unhon ne meree bat manee, to tumharee bhee manenge.

²¹ parantu yah sab kuchh ve mere nam ke karan tumhare sath karenge kyonki ve mere bhejanevale ko naheen janate.

²² yaadi maain n ata aur un se baten n karata, to ve papee n ttharate parantu ab unhen un ke pap ke liye koi bahana naheen.

²³ jo mujh se baair rakhta haai, vah mere pita se bhee baair rakhta haai.

²⁴ yaadi maain un men ve kam n karata, jo aur kisee ne naheen kiae to ve papee naheen ttharate, parantu ab to unhon ne mujhe aur mere pita donon ko dekha, aur donon se baair kiya.

²⁵ aur yah isaliye hua, ki vahi vachan poora ho, jo un kee vyavastha men likha haai, ki unhon ne mujh se vyarth baair kiya.

²⁶ parantu jab vah sahayak aaega, jise maain tumhare pas bhejoonga, arthata saty ka atma jo pita kee or se nikalata haai, to vah meree gavahee dega.

²⁷ aur tum bhee gavah ho kyonki tum arambh se mere sath rahe ho..

Yuhanna 16

¹ ye baten maain ne tum se isaliye kaheen ki tum ttokar n khao.

² ve tumhen aradhanalayon men se nikal denge, varan vah samay ata haai, ki jo koi tumhen mar dalega yah samajhega ki maain parameshvar kee seva karata hoon.

³ aur yah ve isaliye karenge ki unhon ne n pita ko jana haai aur n mujhe janate haain.

⁴ parantu ye baten maain ne isaaliye tum se kahee, ki jab un ka samay aae to tumhen smaran a jaa, ki maain ne tum se paahile hee kah diya tha: aur maain ne arambh men tum se ye baten isaliye naheen kaheen kyonki maain tumhare sath tha.

⁵ ab maain apane bhejanevale ke pas jata hoon aur tum men se koi mujh se naheen poochhta, ki too kahan jata haain?

⁶ parantu maain ne jo ye baten tum se kahee haai, isaaliye tumhara man shaek se bhr gaya.

- ⁷ taubhee maain tum se sach kahata hoo, ki mera jana tumhare liye achchha haai, kyonki yadi maain n jau, to vah sahayak tumhare pas n aaega, parantu yadi maain jaunga, to use tumhare pas bhej doonga.
- ⁸ aur vah akar sansar ko pap aur dhaarmikata aur nyay ke vishay men niroottr karega.
- ⁹ pap ke vishay men isaliye ki ve mujh par vishvas naheen karate.
- ¹⁰ aur dhaarmikata ke vishay men isaliye ki maain pita ke pas jata hoo,
- ¹¹ aur tum mujhe fir n dekhoge: nyay ke vishay men isaliye ki sansar ka saradar doshae ttharaya gaya haai.
- ¹² mujhe tum se aur bhee bahut see baten kahanee haai, parantu abhee tum unhen sah naheen sakate.
- ¹³ parantu jab vah arthata saty ka atma aaega, to tumhen sab saty ka marga bataaega, kyonaki vah apanee or se n kahega, parantu jo kuchh sunega, vahee kahega, aur anevalee baten tumhen bataaega.
- ¹⁴ vah meree mahima karega, kyonaki vah meree baton men se lekar tumhen bataaega.
- ¹⁵ jo kuchh pita ka haai, vah sab mera haai isaaliye maain ne kaha, ki vah meree baton men se lekar tumhen bataaega.
- ¹⁶ thodee der tum mujhe n dekhoge, aur fir thodee der men mujhe dekhoge.
- ¹⁷ tab usake kitane chelon ne apas men kaha, yah kya haai, jo vah ham se kahata haai, ki thodee der men tum mujhe n dekhoge, aur fir thodee der men mujhe dekhoge? aur yah isaliye ki maain ki maain pita ke mas jata hoon?
- ¹⁸ tab unhon ne kaha, yah thodee der jo vah kahata haai, kya bat haai? ham naheen janate, ki kya kahata haai.
- ¹⁹ yeeshu ne yah janakar, ki ve mujh se poochhna chahate haai, un se kaha, kya tum apas men meree is bate ke vishay men poochh pachh karate ho, ki thodee der men tum mujhe n dekhoge, aur fir thodee der men mujhe dekhoge.
- ²⁰ maain tum se sach sach kahata hoon ki tum rooge aur vilap karoge, parantu sansar anand karega: tumhen shaek hoga, parantu tumhara shaek anand ban jaaega.
- ²¹ jab sree janane lagatee haai to us ko shaek hota haai, kyonki us kee du:kh kee ghadee a pahunchee, parantu jab vah balak janm chukee to is anand se ki jagat men aek manushy utpann hua, us sankatt ko fir smaran naheen karatee.
- ²² aur tumhen bhee ab to shaek haai, parantu maain tum se fir miloonga aur tumhare man men anand hoga aur tumhara anand koi tum se chheen n lega.

23 us din tum mujh se kuchh n poochhoge: maain tum se sach sach kahata hoo, yadi pita se kuchh mangoge, to vah mere nam se tumhen dega.

24 ab tak tum ne mere nam se kuchh naheen manga mango to paoge taaki tumhara anand poora ho jaae..

25 maain ne ye baten tum se drashttanton men kahee haai, parantu vah samay ata haai, ki maain tum se drashttanton men aur fir naheen kahoonga parantu kholakar tumhen pita ke vishay men bataunga.

26 us din tum mere nam se mangoge, aur maain tum se yah naheen kahata, ki maain tumhare liye pita se binatee karoonga.

27 kyonaki pita to ap hee tum se praeeti rakhta haai, isaliye ki tum ne mujh se praeeti rakhee haai, aur yah bhee prateeti kee haai, ki maain pita ki or se nikal aya.

28 maain pita se nikalakar jagat men aya hoo, fir jagat ko chhodkar pita ke pas jata hoon.

29 usake chelon ne kaha, dek, ab to too kholakar kahata haai, aur koi drashttant naheen kahata.

30 ab ham jan gaa, ki too sab kuchh janata haai, aur tujhe prayojan nahee, ki koi tujh se poochhe, is se ham prateeti karate haai, ki too parameshvar se nikala haai.

31 yah sun yeeshu ne un se kaha, kya tum ab prateeti karate ho?

32 dekho, vah ghadee atee haai varan a pahunchee ki tum sab tittr bittr hokar apana apana marga loge, aur mujhe akela chhod doge, taubhee maain akela naheen kyonki pita mere sath haai.

33 maain ne ye baten tum se isaliye kahee haai, ki tumhen mujh men shaaantai mile sansar men tumhen klesh hota haai, parantu ddhaddhs bandhae, maain ne sansar ko jeen liya haai..

Yuhanna 17

1 yeeshu ne ye baten kaheen aur apanee ankhe akash kee or uttakar kaha, he pita, vah ghadee a pahunchee, apane putra kee maahima kar, ki putra bhee teree mahima kare.

2 kyonaki too ne us ka sab praanaiyon par aadhaikar diya, ki jinhen too ne us ko diya haai, un sab ko vah anant jeevan de.

3 aur anant jeevan yah haai, ki ve tujh advait sachche parameshvar ko aur yeeshu maseeh ko, jise too ne bheja haai, jane.

- ⁴ jo kam too ne mujhe karane ko diya tha, use poora karake maain ne prathvee par teree mahima kee haai.
- ⁵ aur ab, he pita, too apane sath meree mahima us maahima se kar jo jagat ke hone se paahile, meree tere sath thee.
- ⁶ maain ne tera nam un manushyon par pragatt kiya jinhen too ne jagat men se mujhe diya: ve tere the aur too ne unhen mujhe diya aur unhon ne tere vachan ko man liya haai.
- ⁷ ab ve jan gaae haai, ki jo kuchh too ne mujhe diya haai, sab teree or se haai.
- ⁸ kyonaki jo baten too ne mujhe pahuncha dee, maain ne unhen unako pahuncha diya aur unhon ne un ko grahan kiya: aur sach sach jan liya haai, ki maain teree or se nikala hoo, aur prateeati kar lee haai ki too hee ne mujhe bheja.
- ⁹ maain un ke liye binatee karata hoo, sansar ke liye binatee naheen karata hoon parantu unheen ke liye jinhen too ne mujhe diya haai, kyonki ve tere haain.
- ¹⁰ aur jo kuchh mera haai vah sab tera haai aur jo tera haai vah mera haai vah sab tera haai aur jo tera haai, vah mera haai aur in se meree maahima pragatt hui haai.
- ¹¹ maain age ko jagat men n rahoonga, parantu ye jagat men rahenge, aur maain tere pas ata hoon he paavitra pita, apane us nam se jo too ne mujhe diya haai, un kee raksha kar, ki ve hamaree nai aek hon.
- ¹² jab maai. un ke sath tha, to maain ne tere us nam se, jo too ne mujhe diya haai, un kee raksha kee, maain ne un kee chaukasee kee aur vinash ke putra ko chhod un men se kai nash n hua, isaaliye ki pavitra shaasr kee bat pooree ho.
- ¹³ parantu ab maain tere pas ata hoo, aur ye baten jagat men kahata hoo, ki ve mera anand apane men poora paaen.
- ¹⁴ maain ne tera vachan unhen pahuncha diya haai, aur sansar ne un se baair kiya, kyonaki jaaisa maain sansar ka nahee, vaaise hee ve bhee sansar ke naheen.
- ¹⁵ maain yah binatee naheen karata, ki too unhen jagat se utta le, parantu yah ki too unhen us dushtt se bachaae rakh.
- ¹⁶ jaaise maain sansar ka nahee, vaaise hee ve bhee sansar ke naheen.
- ¹⁷ saty ke dara unhen paavitra kara: tera vachan saty haai.
- ¹⁸ jaaise too ne jagat men mujhe bheja, vaaise hee maain ne bhee unhen jagat men bheja.

¹⁹ aur un ke liye maain apne ap ko pavitra karata hoon taki ve bhee saty ke dara pavitra kiae jaaen.

²⁰ maain keval inheen ke liye binatee naheen karata, parantu un ke liye bhee jo in ke vachan ke dara mujh par vishvas karenge, ki ve sab aek hon.

²¹ jaaisa too he pita mujh men haai, aur maain tujh men hoo, vaaise hee ve bhee ham men ho, isaaliye ki jagat prateeti kare, ki too hee ne mujhe bheja.

²² aur vah maahima jo too ne mujhe dee, maain ne unhen dee haai ki ve vaaise hee aek hon jaaise kee ham aek haain.

²³ maain un men aur too mujh men ki ve siddh hokar aek ho jaae, aur jagat jane ki too hee ne mujhe bheja, aur jaaisa too ne mujh se praem rakha, vaaisa hee un se praem rakha.

²⁴ he pita, maai. chahata hoon ki jinhen too ne mujhe diya haai, jahan maain hoo, vahan ve bhee mere sath hon ki ve meree us maahima ko dekhen jo too ne mujhe dee haai, kyonki too ne jagat kee utpaati se pahile mujh se praem rakha.

²⁵ he dhaarmik pita, sansar ne mujhe naheen jana, parantu maain ne tujhe jana aur inhon ne bhee jana ki too hee ne mujhe bheja.

²⁶ aur maain ne tera nam un ko bataya aur batata rahoonga ki jo praem tujh ko mujh se tha, vah un men rahe aur maain un men rahoon..

Yuhanna 18

¹ yeeshu ye baten kahakar apne chelon ke sath kidraen ke nale ke par gaya, vahan aek baree thee, jis men vah aur usake chele gae.

² aur usake pakadvanevala yahooda bhee vah jagah janata tha, kyonki yeeshu apne chelon ke sath vahan jaya karata tha.

³ tab yahooda palatn ko aur mahayajakon aur fareeasiyon kee or se pyadon ko lekar deepakon aur mashaalon aur haathaiaron ko liae huae vahan aya.

⁴ tab yeeshu un sab baton ko jo us par anevalee thee, janakar nikala, aur un se kahane laga, kise ddoonddhte ho?

⁵ unhon ne usake uttr diya, yeeshu nasaree ko: yeeshu ne un se kaha, maain hee hoon: aur usake pakadvanevala yahooda bhee un ke sath khda tha.

⁶ usake yah kahate hee, ki maain hoo, ve peechhe hattkar boomi par gir pade.

⁷ tab us ne fir un se poochha, tum kis ko ddoonddhte ho.

⁸ ve bole, yeeshu nasaree ko. yeeshu ne uttr diya, maain to tum se kah chuka hoon ki maain hee hoo, yadi mujhe ddoonddhte ho to inhen jane do.

- ⁹ yai isaliye hua, ki vah vachan poora ho, jo us ne kaha tha ki jinhen too ne mujhe diya, un men se maain ne aek ko bhee n khoya.
- ¹⁰ shamaun pataras ne talavar, jo usake pas thee, kheenchee aur mahayajak ke das par chalakar, usaka daahina kan uda diya, us das ka nam malakhus tha.
- ¹¹ tab yeeshu ne pataras se kaha, apanee talavar kattee men rakh: jo kattora pita ne mujhe diya haai kya maain use n peeun?
- ¹² tab sipaahiyon aur un ke soobedar aur yahoodiyon ke pyadon ne yeeshu ko pakadkar bandha liya.
- ¹³ aur paahile use hanna ke pas le gaae kyonki vah us varsha ke mahayajak kaifaa ka sasur tha.
- ¹⁴ yah vahee kaifaa tha, jis ne yahoodiyon ko salah dee thee ki hamare logon ke liye aek puroosh ka marana achchha haai.
- ¹⁵ shamaun pataras aur aek aur chela bhee yeeshu ke peechhe ho liae: yah chela mahayajak ka jana pahachana tha aur yeeshu ke sath mahayajak ke angat men gaya.
- ¹⁶ parantu pataras dar par khda raha, tab vah doosara chela jo mahayajak ka jana pahachana tha, bahar nikala, aur darapalin se kahakar, pataras ko bheetar le aya.
- ¹⁷ us dasee ne jo darapalin thee, pataras se kaha, kya too bhee is manushy ke chelon men se haai? us ne kaha, maain naheen hoon.
- ¹⁸ das aur pyade jade ke karan koaele dhadhakakar khde tap rahe the aur pataras bhee un ke sath khda tap raha tha..
- ¹⁹ tak mahayajak ne yeeshu se usake chelon ke vishay men aur usake upadesh ke vishay men poochha.
- ²⁰ yeeshu ne us ko uttr diya, ki maain ne jagat se kholakar baten kee maain ne sabhaon aur aradhanalay men jahan sab yahoodee ikatthe hua karate haain sada upadesh kiya aur gupt men kuchh bhee naheen kaha.
- ²¹ too mujh se kyon poochhta haai? sunanevalon se poochh: ki maain ne un se kya kaha? dekh ve janate haain ki maain ne kya kya kaha?
- ²² tab us ne yah kaha, to pyadon men se aek ne jo pas khda tha, yeeshu ko thppad marakar kaha, kya too mahayajak ko is prakar uttr deta haai.
- ²³ yeeshu ne use uttr diya, yaadi maain ne bura kaha, to us burai par gavahee de parantu yadi bhla kaha, to mujhe kyon marata haai?
- ²⁴ hanna ne use bandho huae kaifaa mahayajak ke pas bhej diya..

- 25 shamaun pataras khda hua tap raha tha. tab unhon ne us se kaha kya too bhee usake chelon men se haai? us n inkar karake kaha, maain naheen hoon.
- 26 mahayajak ke dason men se aek jo usake kuttumb men se tha, jisaka kan pataras ne katt dala tha, bola, kya maain ne tujhe usake sath baree men n dekha tha?
- 27 pataras fir inkar kar gaya aur turant murga ne bang dee..
- 28 aur ve yeeshu ko kaifaa ke pas se kile ko le gae aur bhor ka samay tha, parantu ve ap kile ke bheetar n gae taaki ashuuddh n hon parantu fasah kha saken.
- 29 tab peelatus un ke pas bahar nikal aya aur kaha, tum is manushy par kis bat kee naliya karate ho?
- 30 unhon ne us ko uttr diya, ki yadi vah kukarmee n hota to ham use tere hath n saunpate.
- 31 peelatus ne un se kaha, tum hee ise le jakar apanee vyavastha ke anusar usaka nyay karo: yahoodayon ne us se kaha, hamen adhaikar naheen ki kisee ka praan len.
- 32 yah isaliye hua, ki yeeshu kee vah bat pooree ho jo us ne yah pata dete huae kahee thee, ki usaka marana kaaisa hoga..
- 33 tab peelatus fir kile ke bheetar gaya aur yeeshu ko bulakar, us se poochha, kya too yahoodiyon ka raja haai?
- 34 yeeshu ne uttr diya, kya too yah bat apanee or se kahata haai ya auron ne mere vishay men tujh se kahee?
- 35 peelatus ne uttr diya, kya maain yahoodee hoon? teree hee jaati aur mahayajakon ne tujhe mere hath saunpa, too ne kya kiya haai?
- 36 yeeshu ne uttr diya, ki mera rajy is jagat ka nahee, yadi mera rajy is jagat ka hota, to mere sevak ladte, ki maain yahoodiyon ke hath saunpa n jata: parantu ab mera rajy yahan ka naheen.
- 37 peelatus ne us se kaha, ki too kahata haai, kyonaki maain raja hoon maain ne isaliye janm liya, aur isaliye jagat men aya hoon ki saty par gavahee doon jo koi saty ka haai, vah mera shabd sunata haai.
- 38 peelatus ne us se kaha, saty kya haai? aur yah kahakar vah fir yahoodiyon ke pas nikal gaya aur un se kaha, maain to us men kuchh dosh naheen pata.
- 39 par tumharee yah reeti haai ki maain fasah men tumhare liye aek vyaktai ko chhod doon so kya tum chahate ho, ki maain tumhare liye yahoodiyon ke raja ko chhod doon?

⁴⁰ tab unhon ne fir chillakar kaha, ise naheen parantu hamare liye baraabba ko chhod de aur baraabba dakoo tha..

Yuhanna 19

¹ is par peelatus ne yeeshu ko lekar kode lagavaae.

² aur sipaahiyan ne kantton ka mukutt goonthkar usake sir par rakha, aur use baainjaneer vasr paahinaya.

³ aur usake pas a akar kahane lage, he yahoodiyon ke raja, pranama! aur use thppad mare.

⁴ tak peelatus ne fir bahar nikalakar logon se kaha, dekho, maain use tumhare pas fir bahar lata hoon taki tum jano ki maain kuchh bhee dosh naheen pata.

⁵ tak yeeshu kantton ka mukutt aur baainjaneer vasr pahine huae bahar nikala aur peelatus ne un se kaha, dekho, yah puroosha.

⁶ jab mahayajakon aur pyadon ne use dekha, to chillakar kaha, ki use kroos par chaddha, kroos par : peelatus ne un se kaha, tum hee use lekar kroos par chaddhao kyonaki maain us men dosh naheen pata.

⁷ yahoodiyon ne us ko uttr diya, ki hamaree bhee vyavastha haai aur us vyavastha ke anusar vah mare jane ke yogy haai kyonaki us ne apne ap ko parameshvar ka putra banaya.

⁸ jab peelatus ne yah bat sunee to aur bhee dr gaya.

⁹ aur fir kile ke bheetar gaya aur yeeshu se kaha, too kahan ka haai? parantu yeeshu ne use kuchh bhee uttr n diya.

¹⁰ peelatus ne us se kaha, mujh se kyon naheen bolata? kya too naheen janata ki tujhe chhod dene ka aadhaikar mujhe haai aur tujhe kroos par chaddhane ka bhee mujhe adhaikar haai.

¹¹ yeeshu ne uttr diya, ki yadi tujhe upar se n diya jata, to tera mujh par kuchh aadhaikar n hota isaliye jis ne mujhe tere hadha pakadvaya haai, usaka pap aadhaik haai.

¹² is se peelatus ne use chhod dena chaha, parantu yahoodayon ne chilla chillakar kaha, yadi too is ko chhod dega to teree bhaktai kaaisar kee or naheen jo koi apne ap ko raja banata haai vah kaaisar ka samhana karata haai.

¹³ ye baten sunakar peelatus yeeshu ko bahar laya aur us jagah aek chabootara tha jo ibraanee men gabbata kahalata haai, aur nyay asan par baaita.

¹⁴ yah fasah kee taaiyaree ka din tha aur chhte ghanthe ke lagabhg tha: tab us ne yahoodiyon se kaha, dekho, yahee haai, tumhara raja!

- 15 parantu ve chillaae ki le ja! le ja! use kroos par chaddha: peelatus ne un se kaha, kya maain tumhare raja ko kroos par chaddhaun? mahayajakon ne uttr diya, ki kaaisar ko chhod hamara aur koi raja naheen.
- 16 tab us ne use un ke hath saunp diya taaki vah kroos par chaddhaya jaae..
- 17 tab ve yeeshu ko le gaae. aur vah apana kroos uttaaе huae us sthan tak bahar gaya, jo khopadee ka sthan kahalata haai aur ibraanee men gulaguta.
- 18 vahan unhon ne use aur usake sath aur do manushyon ko kroos par chaddhaya, aek ko idhar aur aek ko udhar, aur beech men yeeshu ko.
- 19 aur peelatus ne aek dosha-patra likhkar kroos par laga diya aur us men yah likha hua tha, yeeshu nasaree yahoodiyon ka raja.
- 20 yah dosha-patra bahut yahoodiyon ne paddha kyonaki vah sthan jahan yeeshu kroos par chaddhaya gaya tha nagar ke pas tha aur patra ibraanee aur lateenee aur yoonanee men likha hua tha.
- 21 tab yahoodiyon ke mahayajakon ne peelatus se kaha, yahoodiyon ka raja mat likh parantu yah ki us ne kaha, maain yahoodiyon ka raja hoon.
- 22 peelatus ne uttr diya, ki maain ne jo likh diya, vah likh diya..
- 23 jab sipahee yeeshu ko kroos par chaddha chuke, to usake kapade lekar char bhag kia, har sipahee ke liye aek bhag aur kurata bhee liya, parantu kurata bin seen upar se neeche tak buna hua tha: isaliye unhon ne apas men kaha, ham is ko n faade, parantu is par chitthee dalen ki vah kis ka hoga.
- 24 yah isaliye hua, ki pavitra shaasr kee bat pooree ho ki unhon ne mere kapade apas men bantt liye aur mere vasr par chitthee dalee: so sipaahiyan ne aesa hee kiya.
- 25 parantu yeeshu ke kroos ke pas us kee mata aur us kee mata kee bahin mariyam, klopas kee patnee aur mariyam magadaleenee khdee thee.
- 26 yeeshu ne apanee mata se kaha he naree, dek, yah tera putra haai.
- 27 tab us chele se kaha, yah teree mata haai, aur usee samay se vah chela, use apane ghar le gaya..
- 28 is ke bad yeeshu ne yah janakar ki ab sab kuchh ho chuka isaliye ki pavitra shaasr kee bat pooree ho kaha, maain pyasa hoon.
- 29 vahan aek sirake se bhra hua bartan dhara tha, so unhon ne sirake ke bhaigoae huae ispanj ko joofae par rakhkar usake munh se lagaya.
- 30 jab yeeshu ne vah siraka liya, to kaha poora hua aur sir jhukakar praan tyag diae..

31 aur isaliye ki vah taaiyaree ka din tha, yahoodiyon ne peelatus se binatee kee ki un kee ttange tod dee jaaen aur ve utare jaaen taaki sabt ke din ve krooson par n rahe, kyonki vah sabt ka din bada din tha.

32 so sipaahiyon ne akar pahile kee ttangen todeen tab doosare kee bhee, jo usake sath krooson par chaddhaae gaae the.

33 parantu jab yeeshu ke pas akar dekha ki vah mar chuka haai, to us kee ttangen n todeen.

34 parantu sipaahiyon men se aek ne barachhe se usaka panjar bedha aur us men se turant lohoo aur panee nikala.

35 jis ne yah dekha, usee ne gavahee dee haai, aur us kee gavahee sachchee haai aur vah janata haai, ki sach kahata haai ki tum bhee vishvas karo.

36 ye baten isaaliye huin ki pavitra shaasr kee yah bat pooree ho ki us kee koi haddee todee n jaaege.

37 fir aek aur sthan par yah likha haai, ki jise unhon ne bedha haai, us par draashtti karenge..

38 in baton ke bad aramatiyah ke yoosufa ne, jo yeeshu ka chela tha, parantu yahoodiyon ke dr se is bat ko chhpaiaae rakhta tha, peelatus se binatee kee, ki maain yeeshu kee loth ko le jau, aur peelatus ne us kee binatee sunee, aur vah akar us kee loth le gaya.

39 nikudemus bhee jo paahile yeeshu ke pas rat ko gaya tha pachas ser ke lagabhg mila hua gandharas aur aelava le aya.

40 tab unhon ne yeeshu kee loth ko liya aur yahoodiyon ke gadne kee reeati ke anusar use sugandha dravy ke sath kafan men lapetta.

41 us sthan par jahan yeeshu kroos par chaddhaya gaya tha, ek baree thee aur us baree men ek nai kabra thee jis men kabhee koi n rakha gaya tha.

42 so yahoodiyon ke taaiyaree ke din ke kara, unhon ne yeeshu ko usee men rakha, kyonaki vah kabra nikatt thee..

Yuhanna 20

1 saptah ke paahile din mariyam magadaleenee bhor ko andhora rahate hee kabra par ai, aur patthr ko kabra se hatta hua dekha.

2 tab vah daudee aur shamaun pataras aur us doosare chele ke pas jis se yeeshu praem rakhta tha akar kaha, ve prabhu ko kabra men se nikal le gaae haain aur ham naheen janatee, ki use kahan rakh diya haai.

3 tab pataras aur vah doosara chela nikalakar kabra kee or chale.

⁴ aur donon sath sath daud rahe the, parantu doosara chela pataras se age baddhkar kabra par pahile pahuncha.

⁵ aur jhukakar kapade pade dekhe: taubhee vah bheetar n gaya.

⁶ tab shamaun pataras usake peechhe peechhe pahuncha aur kabra ke bheetar gaya aur kapade pade dekhe.

⁷ aur vah angochha jo usake sir se bandha hua tha, kapadon ke sath pada hua naheen parantu alag aek jagah lapetta hua dekha.

⁸ tab doosara chela bhee jo kabra par pahile pahuncha tha, bheetar gaya aur dekhkar vishvas kiya.

⁹ ve to ab tak paavitra shaasr kee vah bat n samajhte the, ki use mare huon men se jee uttna hoga.

¹⁰ tab ye chele apane ghar lautt gae.

¹¹ parantu mariyam rotee hui kabra ke pas hee bahar khdee rahee aur rote rote kabra kee or jhukakar,

¹² do svargadooton ko ujjavat kapade pahine huae aek ko sirahane aur doosare ko paaitane baaitte dekha, jahan yeeshu kee loth padee thee.

¹³ unhon ne us se kaha, he naree, too kyon rotee haai? us ne un se kaha, ve mare prabhu ko utta le gae aur maain naheen janatee ki use kahan rakha haai.

¹⁴ yah kahakar vah peechhe firee aur yeeshu ko khde dekha aur n pahachana ki yah yeeshu haai.

¹⁵ yeeshu ne us se kaha, he naree too kyon rotee haai? jis ko ddoonddhtee haai? us ne malee samajhkar us se kaha, he maharaj, yadi too ne use utta liya haai to mujh se kah ki use kahan rakha haai aur maain use le jaungee.

¹⁶ yeeshu ne us se kaha, maariyama! us ne peechhe firakar us se ibraanee men kaha, rabboonee arthata he guroo.

¹⁷ yeeshu ne us se kaha, mujhe mat choo kyonki maain ab tak pita ke pas upar naheen gaya, parantu mere bhaiyon ke pas jakar un se kah de, ki maain apane pita, aur tumhare parameshvar ke pas upar jata hoon.

¹⁸ maariyam magadaleenee ne jakar chelon ko bataya, ki maain ne prabhu ko dekha aur us ne mujh se baten kaheen..

¹⁹ usee din jo saptah ka pahila din tha, sandhya ke samay jab vahan ke dar jahan chele the, yahoodiyon ke dr ke mare band the, tab yeeshu aya aur beech men khda hokar un se kaha, tumhen shaantai mile.

²⁰ aur yah kahakar us ne apana hath aur apana panjar un ko dikhaae: tab chele prabhu ko dekhkar anaandait hue.

²¹ yeeshu ne fir un se kaha, tumhen shaantai mile jaaise pita ne mujhe bheja haai, vaaise hee maain bhee tumhen bhejata hoon.

²² yah kahakar us ne un par foonka aur un se kaha, paavitra atma lo.

²³ jin ke pap tum kshama karo ve un ke liye kshama kiae gae haain jin ke tum rakho, ve rakhe gae haain..

²⁴ parantu barahon men se aek vyaaktai arthata thoma jo didumus kahalata haai, jab yeeshu aya to un ke sath n tha.

²⁵ jab aur chele us se kahane lage ki ham ne prabhu ko dekha haai: tab us ne un se kaha, jab tak maain us ke hathon men keelon ke chhed n dekh loo, aur keelon ke chhedon men apanee ungalee n dal loo, tab tak maain prateeti naheen karoonga..

²⁶ att din ke bad us ke chele fir ghar ke bheetar the, aur thoma un ke sath tha, aur dar band the, tab yeeshu ne akar aur beech men khda hokar kaha, tumhen shaantai mile.

²⁷ tab us ne thoma se kaha, apanee ungalee yahan lakar mere panjar men dal aur aavishvasee naheen parantu vishvasee ho.

²⁸ yah sun thoma ne uttr diya, he mere prabhu, he mere parameshvara!

²⁹ yeeshu ne us se kaha, too ne to mujhe dekhkar vishvas kiya haai, dhany haain ve jinhon ne bina dekhe vishvas kiya..

³⁰ yeeshu ne aur bhee bahut chinh chelon ke samhane dikhaa, jo is pustak men likhe naheen gae.

³¹ parantu ye isaaliye likhe gae haai, ki tum vishvas karo, ki yeeshu hee parameshvar ka putra maseeh haai: aur vishvas karake usake nam se jeevan pao..

Yuhanna 21

¹ in baton ke bad yeeshu ne apne ap ko tibiriyas jheel ke kinare chelon par pragatt kiya aur is reeati se pragatt kiya.

² shamaun pataras aur thoma jo didumus kahalata haai, aur galeel ke kana nagar ka natanaael aur jabadee ke putra, aur usake chelon men se do aur jan ikatthe the.

³ shamaun pataras ne un se kaha, maain machhlee pakadne jata hoon: unhon ne us se kaha, ham bhee tere sath chalate haain: so ve nikalakar nav par chaddhe, parantu us rat kuchh n pakada.

- ⁴ bhor hote hee yeeshu kinare par khda hua taubhee chelon ne n pahachana ki yah yeeshu haai.
- ⁵ tab yeeshu ne un se kaha, he balako, kya tumhare pas kuchh khane ko haai? unhon ne uttr diya ki naheen.
- ⁶ us ne un se kaha, nav kee dahinee or jal dalo, to paoge, tab unhon ne jal dala, aur ab machhliyon kee bahutayat ke karan use kheench n sake.
- ⁷ isaliye us chele ne jis se yeeshu praem rakhta tha pataras se kaha, yah to prabhu haai: shamaun pataras ne yah sunakar ki prabhu haai, kamar men angarakha kas liya, kyonaki vah nanga tha, aur jheel men kood pada.
- ⁸ parantu aur chele dongee par machhliyon se bhra hua jal kheenchate huae aa, kyonki ve kinare se adhaik door nahee, koi do sau hath par the.
- ⁹ jab kinare par utare, to unhon ne koaele kee ag, aur us r machhlee rakhee hui, aur rottee dekhee.
- ¹⁰ yeeshu ne un se kaha, jo machhliyan tum ne abhee pakadee haai, un men se kuchh lao.
- ¹¹ shamaun pataras ne dongee par chaddhkar aek sau tirman badee machhliyon se bhra hua jal kinare par kheencha, aur itanee machhaliyan hone par bhee jan n fatta.
- ¹² yeeshu ne un se kaha, ki ao, bhojan karo aur chelon men se kisee ko hiyav n hua, ki us se poochhe, ki too kaun haai?
- ¹³ yeeshu aya, aur rottee lekar unhen dee, aur vaaise hee machhlee bhee.
- ¹⁴ yah teesaree bar haai, ki yeeshu ne mare huon men se jee uttne ke bad chelon ko darshan diae..
- ¹⁵ bhojan karane ke bad yeeshu ne shamaun pataras se kaha, he shamaun, yoohanna ke putra, kya too in se baddhkar mujh se praem rakhta haai? us ne us se kaha, han prabhu too to janata haai, ki maain tujh se praeeti rakhta hoon: us ne us se kaha, mere memanon ko chara.
- ¹⁶ us ne fir doosaree bar us se kaha, he shamaun yoohanna ke putra, kya too mujh se praem rakhta haai? us ne un se kaha, ha, prabhu too janata haai, ki maain tujh se praeeti rakhta hoon: us ne us se kaha, meree bhedon kee rakhvaley kara.
- ¹⁷ us ne teesaree bar us se kaha, he shamaun, yoohanna ke putra, kya too mujh se praeeti rakhta haai? pataras udas hua, ki us ne use teesaree bar aeese kaha ki kya too mujh se praeeti rakhta haai? aur us se kaha, he prabhu, too to sab kuchh janata haai: too yah janata haai ki maain tujh se praeeti rakhta hoon: yeeshu ne us se kaha, meree bhedon ko chara.

18 maain tujh se sach sach kahata hoo, jab too javan tha, to apanee kamar bandhakar jahan chahata tha, vahan firata tha parantu jab too booddha hoga, to apane hath lambe karega, aur doosara teree kamar bandhakar jahan too n chahega vahan tujhe le jaaega.

19 us ne in baton se pata diya ki pataras kaaisee mratyu se parameshvar kee mahima karega aur yah kahakar, us se kaha, mere peechhe ho le.

20 pataras ne firakar us chele ko peechhe ate dekha, jis se yeeshu praem rakhta tha, aur jis ne bhojan ke समय us kee chhatee kee aur jhukakar poochha he prabhu, tera pakadvanevala kaun haai?

21 use dekhkar pataras ne yeeshu se kaha, he prabhu, is ka kya hal hoga?

22 yeeshu ne us se kaha, yaadi maain chahoon ki vah mere ane tak tthara rahe, to tujhe kya? too mere peechhe ho le.

23 isaliye bhaiyon men yah bat faail gai, ki vah chela n marega taubhee yeeshu ne us se yah naheen kaha, ki yah n marega, parantu yah ki yadi maain chahoon ki yah mere ane tak tthara rahe, to tujhe is se kya?

24 yah vahee chela haai, jo in baton kee gavahee deta haai aur jis ne in baton ko likha haai aur ham janate haai, ki us kee gavahee sachchee haai.

25 aur bhee bahut se kam haai, jo yeeshu ne kiae yaadi ve aek aek karake likhe jate, to maain samajhta hoo, ki pustaken jo likhee jateen ve jagat men bhee n samateen..

Praeriton Ke Kam

Praeriton Ke Kam 1

- 1** he thaiyuafilus, maain ne paahilee puastaika un sab baton ke vishay men likhee, jo yeeshu ne arambh men kiya aur karata aur sikhata raha.
- 2** us din tak jab vah un prariton ko jinhen us ne chuna tha, paavitra atma ke dara agyaa dekar upar uttaya n gaya.
- 3** aur us ne du:kh uttane ke bad bahut se pakke pramanon se apane ap ko unhen jeeavit dikhaya, aur chalees din tak vah unhen dikhai deta raha: aur parameshvar ke rajy kee baten karata raha.
- 4** or un se milakar unhen agyaa dee, ki yarooshalem ko n chhodo, parantu pita kee us praatigyaa ke poore hone kee batt jahate raho, jis kee charcha tum mujh se sun chuke ho.
- 5** kyonaki yoohanna ne to panee men bapatisma diya haai parantu thode dinon ke bad tum paavitraatma se bapaatisma paoge.
- 6** so unheen ne ikatthe hokar us se poochha, ki he prabhu, kya too isee samay israael ko rajy faer dega?
- 7** us ne un se kaha un samayon ya kalon ko janana, jin ko pita ne apane hee aadhaikar men rakha haai, tumhara kam naheen.
- 8** parantu jab pavitra atma tum par aaega tab tum samarth paoge aur yarooshalem aur sare yahoodiya aur samariya me, aur prathvee kee chhor tak mere gavah hoge.
- 9** yah kahakar vah un ke dekhte dekhte upar utta liya gaya aur badal ne use un kee ankhon se chhpai liya.
- 10** aur usake jate samay jab ve akash kee or tak rahe the, to dekho, do puroosh shvet vasr paahine huae un ke pas a khde hue.
- 11** aur kahane lage he galeelee purooshae, tum kyon khde svarga kee or dekh rahe ho? yahee yeeshu, jo tumhare pas se svarga par utta liya gaya haai, jis reeti se tum ne use svarga ko jate dekha haai usee reeti se vah fir aaega..
- 12** tab ve jaaitoon nam ke pahad se jo yarooshalem ke nikatt aek sabt ke din kee dooree par haai, yarooshalem ko lautte.
- 13** aur jab vahan pahunche to ve us attaree par gaa, jahan pataras aur yoohanna aur yakoob aur aandairyas aur filippus aur thoma aur baratulamai aur mattee aur halafai ka putra yakoob aur shamaun jelotes aur yakoob ka putra yahooda rahate the.

14 ye sab kai striayon aur yeeshu kee mata mariyam aur usake bhaiyon ke sath aek chitt hokar praarthna men lage rahe..

15 aur unheen dinon men pataras bhaiyon ke beech men jo aek sau bees vyaktai ke lagabhg ikatthe the, khda hokar kahane laga.

16 he bhaiyo, avashy tha ki pavitra shaasr ka vah lekh poora ho, jo paavitra atma ne daud ke mukh se yahooda ke vishay men jo yeeshu ke pakadnevalon ka aguva tha, paahile se kahee thee.

17 kyonaki vah to ham men gina gaya, aur is sevakai men sahabhagee hua.

18 us ne adharma kee kamai se ek khet mol liya aur sir ke bal gira, aur usaka pett fatt gaya, aur us kee sab antadiyan nikal padee.

19 aur is bat ko yarooshalem ke sab rahanevale jan gaa, yahan tak ki us khet ka nam un kee bhasha men hakaladama arthata lohoo ka khet pad gaya.

20 kyonaki bhjan saahinta men likha haai, ki usaka ghar ujad jaa, aur us men koi n base aur usaka pad koi doosara le le.

21 isaliye jitane din tak prabhu yeeshu hamare sath ata jata raha, arthata yoohanna ke bapatisma se lekar usake hamare pas se uttaae jane tak, jo log barabar hamare sath rahe.

22 uchit haai ki un men se ek vyaaktai hamare sath usake jee uttne ka gavah ho jae.

23 tak unhon ne do ko khda kiya, aek yusufa ko, jo bara-saba kahalata haai, jis ka upanam yoosatus haai, doosara maatiyyah ko.

24 aur yah kahakar praarthna kee ki he prabhu, too jo sab ke man janata haai, yah pragatt kar ki in danon men se too ne kis ko chuna haai.

25 ki vah is sevakai aur praaritai ka pad le jise yahooda chhod kar apane sthan ko gaya.

26 tab unhon ne un ke bare men chitthiyan dalee, aur chitthee maatiyyah ke nam par nikalee, so vah un gyarah praeariton ke sath gina gaya..

Praeriton Ke Kam 2

1 jab pintekus ka din aya, to ve sab aek jagah ikatthe the.

2 aur aekaaek akash se badee andhaee kee see sanasanahatt ka shabd hua, aur us se sara ghar jahan ve baaitte the, goonj gaya.

3 aur unhen ag kee see jeebhen fatttee hui dikhai deen aur un men se har aek par a tthareen.

- ⁴ aur ve sab paavitra atma se bhr gaa, aur jis prakar atma ne unhen bolane kee samarth dee, ve any any bhasha bolane lage..
- ⁵ aur akash ke neeche kee har aek jati men se bhkt yahoodde yarooshalem men rahate the.
- ⁶ jab vah shabd hua to bheed lag gai aur log ghabara gaa, kyonki har aek ko yahee sunai deta tha, ki ye meree hee bhasha men bol rahe haain.
- ⁷ aur ve sab chaakit aur achaambhiat hokar kahane lage dekho, ye jo bol rahe haain kya sab galeelee naheen?
- ⁸ to fir kyon ham men se har aek apanee apanee janm boomi kee bhasha sunata haai?
- ⁹ ham jo parathee aur medee aur aelamee log aur misuputaamiya aur yahoodiya aur kappadookiya aur puntus aur aasiya.
- ¹⁰ aur oogiya aur pamafooliya aur misar aur libooa desh jo kurene ke as pas haai, in sab deshaen ke rahanevale aur romee pravasee, kya yahoodde kya yahoodde mat dhaaran karanevale, kretee aur arabee bhee haain.
- ¹¹ parantu apanee apanee bhasha men un se parameshvar ke bade bade kamon kee charcha sunate haain.
- ¹² aur ve sab chaakit hua, aur ghabarakar aek doosare se kahane lage ki yah kya hua chahata haai?
- ¹³ parantu auron ne ttttha karake kaha, ki ve to nai maadira ke nasho men haain..
- ¹⁴ pataras un gyarah ke sath khda hua aur unche shabd se kahane laga, ki he yahoodiyo, aur he yarooshalem ke sab rahanevalo, yah jan lo aur kan lagakar meree baten suno.
- ¹⁵ jaaisa tum samajh rahe ho, ye nashon men nahee, kyonki abhee to pahar hee din chaddha haai.
- ¹⁶ parantu yah vah bat haai, jo yoael bhvishyadvkta ke dara kahee gai haai.
- ¹⁷ ki parameshvar kahata haai, ki ant ki dinon men aeesa hoga, ki maain apana atma sab manushyon par undeloonga aur tumhare bette aur tumharee beattyaian bhavishyadane kareenge aur tumhare javan darshan dekhenge, aur tumhare puraaniae svapt dekhenge.
- ¹⁸ baran maain apane dason aur apanee dasiyon par bhee un dinon men apane atma men se undeloonga, aur ve bhavishyadane karenge.
- ¹⁹ aur maain upar akash men adabhut kam, aur neeche dharatee par chinh, arthata loho, aur ag aur dhooaen ka badal dikhaunga.

20 prabhu ke mahan aur praasiddh din ke ane se paahile soorya andhora aur chand lohoo ho jaaega.

21 aur jo koi prabhu ka nam lega, vahee uddhar paaega.

22 he israaeliyo, ye baten suno: ki yeeshu nasaree aek manushy tha jis ka parameshvar kee or se hone ka praman un samarth ke kamon aur ashcharya ke kamon aur chinhon se pragatt haai, jo parameshvar ne tumhare beech usake dara kar dikhlaae jise tum ap hee janate ho.

23 usee ko, jab vah parameshvar kee ttharai hui manasa aur honahar ke gyaan ke anusar pakadvaya gaya, to tum ne adharmiyon ke hath se use kroos par chaddhvakar mar dala.

24 parantu usee ko parameshvar ne mratyu ke bandhanon se chhudakar jilaya: kyonki yah anahona tha ki vah usake vash men rahata.

25 kyonaki daud usake vishay men kahata haai, ki maain prabhu ko sarvada apane samhane dekhta raha kyonki vah merree daahinee or haai, taki maain dgai n jaun.

26 isee karan mera man anand hua, aur merree jeebh magan hui baran mera shreer bhee asha men basa rahega.

27 kyonaki too mere praanon ko adhaelok men n chhodega aur n apane paavitra jan ko sadne hee dega!

28 too ne mujhe jeevan ka marga bataya he too mujhe apane darshan ke dara anand se bhr dega.

29 he bhaiyo, maain us kulapati daud ke vishay men tum se sahas ke sath kah sakata hoon ki vah to mar gaya aur gada bhee gaya aur us kee kabra aj tak hamare yahan vartaman haai.

30 so bhavishyadvkta hokar aur yah janakar ki parameshvar ne mujh se shapath khai haai, ki parameshvar ne mujh se shapath khai haai, ki maain tere vansh men se aek vyaaktai ko tere sinhasan par baaittaunga.

31 us ne honahar ko paahile hee se dekhkar maseeh ke jee uttne ke vishay men bhavishyadane kee ki n to usaka praan adhaelok men chhoda gaya, aur n us kee deh sadne pai.

32 isee yeeshu ko parameshvar ne jilaya, jis ke ham sab gavah haain.

33 is prakar parameshvar ke dahine hath se savorchch pad pakar, aur pita se vah paavitra atma praapt karake jis kee pratigyaa kee gai thee, us ne yah undel diya haai jo tum dekhte aur sanate ho.

34 kyonaki daud to svarga par naheen chaddha parantu vah ap kahata haai, ki prabhu ne mere prabhu se kaha

35 mere dahine baait, jab tak ki maain tere baaiariyon ko tere panvon tale kee chaukee n kar doon.

36 so ab israael ka sara gharana nishchay jan le ki parameshvar ne usee yeeshu ko jise tum ne kroos par chaddhaya, prabhu bhee ttharaya aur maseeh bhee..

37 tab sunanevalon ke day chhdai gaa, aur ve pataras aur shosh praeariton se poochhne lage, ki he bhaiyo, ham kya karen?

38 pataras ne un se kaha, man firao, aur tum men se har aek apane apone papon kee kshama ke liye yeeshu maseeh ke nam se bapatisma le to tum pavitra atma ka dan paoge.

39 kyonaki yah pratigyaa tum, aur tumharee santano, aur un sab door door ke logon ke liye bhee haai jinako prabhu hamara parameshvar apone pas bulaaega.

40 us ne bahut or baton men bhee gavahee de dekar samajhaya ki apone ap ko is tteddhee jati se bachao.

41 so jinhon ne usaka vachan grahan kiya unhon ne bapatisma liya aur usee din teen hajar manushyon ke lagabhg un men mil gaae.

42 aur ve praeriton se shaiksha pane, aur sangati rakhne men aur rottee todne men aur praarthna karane men lauleen rahe..

43 aur sab logon par bhy chha gaya, aur bahut se adabhut kam aur chinh praeriton ke dara pragatt hote the.

44 aur ve sab vishvas karanevale ikatthe rahate the, aur un kee sab vastuen sajhe kee thee.

45 aur ve apone apone sampatti aur saman bech bechakar jaaisee jis kee avashyakata hotee thee bantti diya karate the.

46 aur ve praati din aek man hokar maandair men ikatthe hote the, aur ghar ghar rottee todte huae anand aur man kee seedhaai se bhojan kiya karate the.

47 aur parameshvar kee stuti karate the, aur sab log un se prasann the: aur jo uddhar pate the, unako prabhu praati din un men mila deta tha..

Praeriton Ke Kam 3

1 pataras aur yoohanna teesare pahar praarthna ke samay maandair men ja rahe the.

2 aur log aek janm ke langade ko la rahe the, jis ko ve prati din maandair ke us dar par jo sundar kahalata haai, baaitta dete the, ki vah maandair men janevalon se bheekh mange.

- 3 jab us ne pataras aur yoohanna ko maandair men jate dekha, to un se bheekh mangee.
- 4 pataras ne yoohanna ke sath us kee or dhyan se dekhkar kaha, hamaree or dekh.
- 5 so vah un se kuchh pane kee asha rakhte huae un kee or takane laga.
- 6 tab pataras ne kaha, chandee aur sona to mere pas haai naheen parantu jo mere pas haai, vah tujhe deta hoon: yeeshu maseeh nasaree ke nam se chal firaa.
- 7 aur us ne usaka daahina hath pakad ke use uttaya: aur turant usake pavon aur ttkhnon men bal a gaya.
- 8 aur vah uchhlakar khda ho gaya, aur chalane firane laga aur chalata aur koodata, aur parameshvar kee stuati karata hua un ke sath maandair men gaya.
- 9 sab logon ne use chalate firate aur parameshvar kee stuati karate dekhkara.
- 10 us ko pahachan liya ki yah vahee haai, jo mandair ke sundar faattk par baait kar bheekh manga karata tha aur us ghattna se jo usake sath hui thee ve bahut achaambhiat aur chaakit hue..
- 11 jab vah pataras aur yoohanna ko pakade huae tha, to sab log bahut achambha karate huae us osare men jo sulaaيمان ka kahalata haai, un ke pas daude aae.
- 12 yah dekhkar pataras ne logon se kaha he israaeliyo, tum is manushy par kyon achambha karate ho, aur hamaree or kyon is prakar dekh rahe ho, ki mano ham hee ne apanee samarth ya bhaktai se ise chalana-firata kar diya.
- 13 ibraaheem aur isahak aur yakoob ke parameshvar, hamare bapadadon ke parameshvar ne apane sevak yeeshu kee mahima kee, jise tum ne pakadva diya, aur jab peelatus ne use chhod dene ka vichar kiya, tab tum ne usake samhane usaka inkar kiya.
- 14 tum ne us paavitra aur dharmee ka inkar kiya, aur binatee kee, ki aek hatyare ko tumhare liye chhod diya jaae.
- 15 aur tum ne jeevan ke kartta ko mar dala, jise parameshvar ne mare huon men se jilaya aur is bat ke ham gavah haain.
- 16 aur usee ke nam ne, us vishvas ke dara jo usake nam par haai, is manushy ko jise tum dekhte ho aur janate bhee ho samarth dee haai aur nishchay usee vishvas ne jo usake dara haai, is ko tum sab ke samhane bilakul bhla changa kar diya haai.
- 17 aur ab he bhaiyo, maain janata hoon ki yah kam tum ne agyaanata se kiya, aur vaaisa hee tumhare saradaron ne bhee kiya.

¹⁸ parantu jin baton ko parameshvar ne sab bhavishyadvktaon ke mukh se pahile hee bataya tha, ki usaka maseeh du:kh uttaaega unhen us ne is reeti se pooree kiya.

¹⁹ isaliye, man firao aur lauttt ao ki tumhare pap mittaae jaae, jis se prabhu ke sammukh se vishraaantai ke din aaen.

²⁰ aur vah us maseeh yeeshu ko bheje jo tumhare liye paahile hee se ttharaya gaya haai.

²¹ avashy haai ki vah svarga men us samay tak rahe jab tak ki vah sab baton ka sudhaar n kar le jis kee charcha parameshvar ne apane paavitra bhavishyadvktaon ke mukh se kee haai, jo jagat kee utpati se hote aae haain.

²² jaaisa ki moosa ne kaha, prabhu parameshvar tumhare bhaiyon men se tumhare liye mujh sa aek bhavishyadvkta uttaaega, jo kuchh vah tum se kahe, us kee sunana.

²³ parantu pratyek manushy jo us bhvishyadvkta kee n sune, logon men se nash kiya jaaega.

²⁴ aur samuel se lekar ukase bad balon tak jitane bhvishyadvktaon ne bat keehan un sab ne in dinon ka sandesh diya haai.

²⁵ tum bhavishyadvktaon kee santan aur us vacha ke bhagee ho, jo parameshvar ne tumhare bapadadon se bandhae, jab us ne ibraaheem se kaha, ki tere vansh ke dara prathvee ke sare gharane ashaeesh paaenge.

²⁶ parameshvar ne apane sevak ko uttakar pahil tumhare pas bheja, ki tum men se har aek kee us kee buraiyon se faerakar ashaeesh de..

Praeriton Ke Kam 4

¹ jab ve logon se yah kah rahe the, to yajak aur mandair ke saradar aur sadookee un par chaddh aaen.

² kyonaki ve bahut krodhait huae ki ve logon ko sikhate the aur yeeshu ka udaharan de dekar mare huon ke jee uttne ka prachar karate the.

³ aur unhon ne unhen pakadkar doosare din tak havalat men rakha kyonaki sandhaya ho gai thee.

⁴ parantu vachan ke sunanevalon men se bahuton ne vishvas kiya, aur un kee ginatee panch hajar purooshaen ke lagabhg ho gai..

⁵ doosare din aesa hua ki un ke saradar aur puraaniye aur shaasree.

⁶ aur mahayajak hanna aur kaaifaa aur yoohanna aur sikandar aur jitane mahayajak ke gharane ke the, sab yarooshalem men ikatthe hue.

7 aur unhen beech men khda karake poochhne lage, ki tum ne yah kam kis samarth se aur kis nam se kiya haai?

8 tab pataras ne paavitra atma se paaripoorn hokar un se kaha.

9 he logon ke saradaron aur puraniyo, is durbal manushy ke sath jo bhilai kee gai haai, yaadi aj ham se usake vishay men poochh pachh kee jatee haai, ki vah kyonkar achchha hua.

10 to tum sab aur sare israaelee log jan len ki yeeshu maseeh nasaree ke nam se jise tum ne kroos par chaddhaya, aur parameshvar ne mare huon men se jilaya, yah manushy tumhare samhane bhla changa khda haai.

11 yah vahee patthr haai jise tum rajamisriyon ne tuchchh jata aur vah kone ke sire ka patthr ho gaya.

12 aur kisee doosare ke dara uddhar naheen kyonki svarga ke neeche manushyon men aur koi doosara nam naheen diya gaya, jis ke dara ham uddhar pa saken..

13 jab unhon ne pataras aur yoohanna ka hiyav dekha, or yah jana ki ye anapaddh aur sadhaaran manushy haai, to achambha kiya fir un ko pahachana, ki ye yeeshu ke sath rahe haain.

14 aur us manushy ko jo achchha hua tha, un ke sath khde dekhkar, ve virodha men kuchh n kah sake.

15 parantu unhen sabha ke bahar jane kee agyaa dekar, ve apas men vichar karane lage,

16 ki ham in manushyon ke sath kya karen? kyonki yarooshalem ke sab rahanevalon par pragatt haai, ki in ke dara aek praasiddh ching dikhaya gaya haai aur ham usaka inkar nahanee kar sakate.

17 parantu isaaliye ki yah bat logon men aur aadhaik faail n jaa, ham unhen dhamakaae, ki ve is nam se fir kisee manushy se baten n karen.

18 tab unhen bulaya aur chitaunee dekar yah kaha, ki yeeshu ke nam se kuchh bhee n bolana aur n sikhlana.

19 parantu pataras aur yoohanna ne un ko uttr diya, ki tum hee nyay karo, ki kya yah parameshvar ke nikatt bhla haai, ki ham parameshvar kee bat se baddhkar tumharee bat manen.

20 kyonaki yah to ham men ho naheen sakata, ki jo ham ne dekha aur suna haai, vah n kahen.

21 tab unhon ne un ko aur dhamakakar chhod diya, kyonaki logon ke karan unhen dand dene ka koi danv naheen mila, isaliye ki jo ghattna hui thee usake karan sab log parameshvar kee badai karate the.

- 22 kyonaki vah manushy, jis par yah changa karane ka chinh dikhaya gaya tha, chalees varsha se aadhaik ayu ka tha.
- 23 ve chootkar apane sathaiyon ke pas aa, aur jo kuchh mahayajakon aur puraaniyon ne un se kaha tha, unako suna diya.
- 24 yah sunakar, unhon ne aek chitt hokar unche shabd se parameshvar se kaha, he svamee, too vahee haai jis ne savarga aur prathvee aur samudra aur jo kuchh un men haai banaya.
- 25 too ne paavitra atma ke dara apane sevak hamare pita daud ke mukh se kaha, ki any jaatiyon ne hullad kyon machaya? aur desh ke logon ne kyon vyarth baten sochee?
- 26 prabhu aur usake maseeh ke virodha men prathvee ke raja khde hua, aur haakim aek sath ikatthe ho gae.
- 27 kyonaki sachamuch tere sevak yeeshu ke virodha me, jis too ne abhaishok kiya, herodes aur puantaiyus peelatus bhee any jatiyon aur israaeliyon ke sath is nagar men ikatthe hue.
- 28 ki jo kuchh pahile se teree samarth aur mati se ttara tha vahee karen.
- 29 ab, he prabhu, un kee dhamakiyon ko dekh aur apane dason ko yah baradan de, ki tera vachan bade hiyav se sunaen.
- 30 aur changa karane ke liye too apana hath baddha ki chinh aur adabhut kam tere pavitra sevak yeeshu ke nam se kiae jaaen.
- 31 jab ve praarthna kar chuke, to vah sthan jahan ve ikatthe the hil gaya, aur ve sab paavitra atma se paaripoorn ho gaa, aur parameshvar ka vachan hiyav se sunate rahe..
- 32 aur vishvas karanevalon kee mandlee aek chitt aur aek man ke the yahan tak ki koi bhee apanee sampaati apanee naheen kahata tha, parantu sab kuchh sajhe ka tha.
- 33 aur praarit badee samarth se prabhu yeeshu ke jee uttne kee gavahee dete rahe aur un sab par bada anugrah tha.
- 34 aur un men koi bhee daridra n tha, kyonki jin ke pas boomi ya ghar the, ve un ko bech bechakar, bikee hui vastuon ka dam late, aur use praariton ke panvon par rakhte the.
- 35 aur jaaisee jise avashyakata hotee thee, usake anusar har aek ko bant diya karate the.
- 36 aur yoosufa nam, krupraus ka aek levee tha jisaka nam praeariton ne baranaba arthata shaantai ka putra rakha tha.

37 us kee kuchh boomi thee, jise us ne becha, aur dam ke roopaye lakar praeriton ke panvon par rakh die..

Praeriton Ke Kam 5

¹ aur hananyah nam aek manushy, aur us kee patnee safaeera ne kuchh boomi bechee.

² aur usake dam men se kuchh rakh chhoda aur yah bat us kee patnee bhee janatee thee, aur usaka aek bhag lakar prariton ke pavon ke age rakh diya.

³ uparantu pataras ne kaha he hananyaha! shautan ne tere man men yah bat kyon dalee haai ki too pavitra atma se joott bole, aur boomi ke dam men se kuchh rakh chhode?

⁴ jab tak vah tere pas rahee, kya teree n thee? aur jab bik gai to kya tere vash men n thee? too ne yah bat apane man men kyon vicharee? too manushyon se nahee, parantu parameshvar se joott bola.

⁵ ye baten sunate hee hananyah gir pada, aur praan chhod diae aur sab sunanevalon par bada bhy chha gaya.

⁶ fir javanon ne uttkar usakee arthee banai aur bahar le jakar gaddh diya..

⁷ lagabhg teen ghantte ke bad us kee patnee, jo kuchh hua tha n janakar, bheetar ai.

⁸ tab pataras ne us se kaha mujhe bata kya tum ne vah boomi itane hee men bechee thee? us ne kaha ha, itane hee men.

⁹ pataras ne us se kaha yah kya bat haai, ki tum donon ne prabhu kee atma kee pareeksha ke liye aeka kiya haai? dek, tere pati ke gadnevale dar hee par khde haai, aur tujhe bhee bahar le jaaenge.

¹⁰ tab vah turant usake panvon par gir padee, aur praan chhod diae: aur javanon ne bheetar akar use mara paya, aur bahar le jakar usake pati ke pas gad diya.

¹¹ aur saree kaleesiya par aur in baton ke sab sunanevalon par, bada bhy chha gaya..

¹² aur praeriton ke hathon se bahut chinh aur adabhut kam logon ke beech men dikhaae jate the, aur ve sab aek chitt hokar sulaaيمان ke osare men ikatthe hua karate the.

¹³ parantu auron men se kisee ko yah hiyav n hota tha, un men ja milen taubhee log un kee badai. karate the.

¹⁴ aur vishvas karanevale bahutere puroosh aur striayan prabhu kee kaleesiya men aur bhee aadhaik akar milate rahe.

¹⁵ yahan tak ki log beemaron ko sadkon par la lakar, khatton aur khattolon par litta dete the, ki jab pataras aa, to us kee chhaya hee un men se kisee par pad jaae.

¹⁶ aur yarooshalem ke as pas ke nagaron se bhee bahut log beemaron aur ashuuddh atmaon ke sataae huon ka la lakar, ikatthe hote the, aur sab achchhe kar diae jate the..

¹⁷ tab mahayajak aur usake sab sathee jo sadookiyon ke panth ke the, dah se bhr kar utte.

¹⁸ aur praariton ko pakadkar bandeegrah men band kar diya.

¹⁹ parantu rat ko prabhu ke aek svargadoot ne bandeegrah ke dar kholakar unhen bahar lakar kaha.

²⁰ ki jao, maandair men khde hokar, is jeevan kee sab baten logon ko sunao.

²¹ ve yah sunakar bhor hote hee mandair men jakar upadesh dene lage: parantu mahayajak aur usake sathaiyon ne akar mahasabha ko aur israaeliyon ke sab puraniyon ko ikatthe kiya, aur bandeegrah men kahala bheja ki unhen laaen.

²² parantu pyadon ne vahan pahunchakar unhen bandeegrah men n paya, aur lauttkar sandesh diya.

²³ ki ham ne bandeegrah ko badee chaukasee se band kiya hua, aur paharevalon ko bahar daron par khde huae paya paranatu jab khola, to bheetar koi n mila.

²⁴ jab maandair ke saradar aur mahayajakon ne ye baten sanee, to un ke vishay men bharee chinta men pad gaae ki yah kya hua chahata haai?

²⁵ itane men kisee ne akar unhen bataya, ki dekho, jinhen tum ne bandeegrah men band rakha tha, ve manushy maandair men khde huae logon ko upadesh de rahe haain.

²⁶ tak saradar, pyadon ke sath jakar, unhen le aya, parantu barabas nahee, kyonki ve logon se drate the, ki hamen patthravah n karen.

²⁷ unhon ne unhen fir lakar mahasabha ke samhane khda kar disha: aur mahayajak ne un se poochha.

²⁸ kya ham ne tumhen chitakar agyaa n dee thee, ki tum is nam se upadesh n karana? taubhee dekho, tum ne sare yarooshalem ko apane upadesh se bhr diya haai aur us vyaktai ka lohoo hamaree gardan par lana chahate ho.

²⁹ tak pataras aur, aur praeariton ne uttr diya, ki manushyon kee agyaa se baddhkar parameshvar kee agyaa ka palan karana hee kartavy karma haai.

³⁰ hamare bapadadon ke parameshvar ne yeeshu ko jilaya, jise tum ne kroos par lattkakar mar dala tha.

³¹ usee ko parameshvar ne prabhu aur uddharak ttharakar, apane daahine hath se savorchch kar diya, ki vah israealiyon ko man firav kee shaaktai aur papon kee kshama pradan kare.

³² aur ham in baton ke gavah haai, aur pavitra atma bhee, jise parameshvar ne unhen diya haai, jo us kee agyaa manate haain..

³³ yah sunakar ve jal gaa, aur unhen mar dalana chaha.

³⁴ parantu gamaleeael nam aek fareesee ne jo vyavasthapak aur sab logon men mananeey tha, nyayalay men khde hokar praeriton ko thodee der ke liye bahar kar dene kee agyaa dee.

³⁵ tak us ne kaha, he israaeliyo, jo kuchh in manushyon se kiya chahate ho, soch samajh ke karana.

³⁶ kyonaki in dinon se pahale thaiyoodas yah kahata hua utta, ki maain bhee kuchh hoon aur koi char sau manushy usake sath ho liye, parantu vah mara gaya aur jitane log use manate the, sab tittr bittr huae aur mitt gaae.

³⁷ usake bad nam likhai ke dinon men yahooda galeelee utta, aur kuchh log apanee or kar liye: vah bhee nash ho gaya, aur jitane lage use manate the, sab tittr bittr ho gae.

³⁸ isaliye ab maain tum se kahata hoo, in manushyon se door hee raho aur un se kuchh kam n rakho kyonaki yadi yah dharma ya kam manushyon kee or se ho tab to mitt jaaega.

³⁹ parantu yadi parameshvar kee or se haai, to tum unhen kadapi mitta n sakoge kaheen aeesa n ho, ki tum parameshvar se bhee ladnevale ttharo.

⁴⁰ tab unhon ne us kee bat man lee aur praeriton ko bulakar pittvaya aur yah agyaa dekar chhod diya, ki yeeshu ke nam se fir baten n karana.

⁴¹ ve is bat se anandait hokar mahasabha ke samhane se chale gaa, ki ham usake nam ke liye niradar hone ke yogy ho tthare.

⁴² aur praati din mandair men aur ghar ghar men upadesh karane, aur is bat ka susamachar sunane se, ki yeeshu hee maseeh haai n rooke..

Praeriton Ke Kam 6

¹ un dinon men jab chele bahut hone jate the, to yoonanee bhasha bolanevale ibraaaniyon par kudkudane lage, ki prati din kee sevakai men hamaree vidhavaon kee suadhai naheen lee jatee.

² tab un barahon ne chelon kee mandlee ko apane pas bulakar kaha, yah tteek naheen ki ham parameshvar ka vachan chhodkar khailanepilane kee seva men rahen.

³ isaliye he bhaiyo, apane men se sat sunam purooshaen ko jo paavitra atma aur buaddh ise paaripoorn ho, chun lo, ki ham unhen is kam par ttara den.

⁴ parantu ham to praarthna men aur vachan kee seva men lage rahenge.

⁵ yah bat saree mandlee ko achchhee lagee, aur unhon ne staufanus nam aek puroosh ko jo vishvas aur pavitra atma se paaripoorn tha, aur filippus aur prakhuroos aur neekanor aur teemon aur paraminas aur antakeevala neekulaus ko jo yahoodee mat men a gaya tha, chun liya.

⁶ aur inhen praeriton ke samhane khda kiya aur unhon ne praarthna karake un par hath rakhe.

⁷ aur parameshvar ka vachan faailata gaya aur yarooshalem men chelon kee ginatee bahut baddhtee gai aur yajakon ka aek bada samaj is mat ke adhaen ho gaya.

⁸ staifaanus anugrah aur samarth men paripoorn hokar logon men bade bade adabhut kam aur chinh dikhaya karata tha.

⁹ tab us aradhanalay men se jo libarateenon kee kahalatee thee, aur kurenee aur sikandaariya aur kilaakiya aur aeshaeeya ke logon men se kai aek utkar staifanus se vada-vivad karane lage.

¹⁰ parantu us gyaan aur un atma ka jis se vah baten karata tha, ve samhana n kar sake.

¹¹ is par unho ne kai logon ko ubhara jo kahane lage, ki ham ne is moosa aur parameshvar ke virodha men ninda kee baten kahate suna haai.

¹² aur logon aur praacheenon aur shaastriayon ko bhdkakar chaddh aae aur use pakadkar mahasabha men le aae.

¹³ aur jootte gavah khde kia, jinhon ne kaha ki yah manushy is pavitra sthan aur vyavastha ke virodha men bolana naheen chhodta.

¹⁴ kyonaki ham ne use yah kahate suna haai, ki yahee yeeshu nasaree is jagah ko ddha dega, aur un reeton ko badal dalega jo moosa ne hamen saunpee haain.

¹⁵ tab sab logon ne jo sabha men baaitte the, us kee or takakar usaka mukhda svargadoot ka sa dekha..

Praeriton Ke Kam 7

¹ tab mahayajak ne kaha, kya ye baten yon hee haai?

² us ne kaha he bhaiyo, aur pitaro suno, hamara pita ibraaheem haran men basane se paahile jab misuputaamiya men tha to tejomay parameshvar ne use darshan diya.

- ³ aur us se kaha ki too apane desh aur apane kuttumb se nikalakar us desh me chala ja, jise maain tujhe dikhaunga.
- ⁴ tab vah kasadiyon ke desh se nikalakar haran men ja basa aur usake pita kee mratyu ke bad parameshvar ne usako vahan se is desh men lakar basaya jis men ab tum basate ho.
- ⁵ aur usako kuchh meeras baran paair rakhne bhr kee bhee us men jagah n dee, parantu praatigyaa kee ki maain yah desha, tere aur tere bad tere vansh ke hath kar doonga yadhyapi us samay usake koi putra bhee n tha.
- ⁶ aur parameshvar ne yon kaha ki teree santan ke log paraye desh men paradshaee honge, aur ve unhen das banaaenge, aur char sau varsha tak dukh denge.
- ⁷ fir parameshvar ne kaha jis jati ke ve das honge, us ko maain dand doonga aur is ke bad ve nikalakar isee jagah meree seva karenge.
- ⁸ aur us ne us se khtane kee vacha bandhaee aur isee dasa men isahak us se utpann hua aur attven din usaka khtana kiya gaya aur isahak se yakoob aur yakoob se barah kulapaati utpann huae.
- ⁹ aur kulapaatiyon ne yoosufa se dah karake use misar desh janevalon ke hath becha parantu parameshvar usake sath tha.
- ¹⁰ aur use usake sab kleshaen se chhudakar misar ke raja firaun ke age anugrah aur buddh idee, aur us ne use misar par aur apane sare ghar par hakim ttharaya.
- ¹¹ tab misar aur kanan ke sare desh men akal pada jis se bharee klesh hua, aur hamare bapadadon ko ann naheen milata tha.
- ¹² parantu yakoob ne yah sunakar, ki misar men anaj haai, hamare bapadadon ko pahilee bar bheja.
- ¹³ aur doosaree bar yoosufa apane bhaiyon par pragatt ko gaya, aur yoosuufa kee jaati firaun ko maloom ho gai.
- ¹⁴ tab yoosufa ne apane pita yakoob aur apane sare kuttumb ko, jo pachhtr vyaaktai the, bula bheja.
- ¹⁵ tab yakoob misar men gaya aur vahan vah aur hamare bapadade mar gaae.
- ¹⁶ aur ve shaikim men pahunchaae jakar us kabra men rakhe gaa, jise ibraaheem n chandee dekar shaikim men hamor kee santan se mol liya tha.
- ¹⁷ parantu jab us pratigyaa ke poore hone ka samay nikatt aya, to parameshvar ne ibraaheem se kee thee, to misar men ve log baddh gaae aur bahut ho gaae.
- ¹⁸ jab tak ki misar men doosara raja n hua jo yoosufa ko naheen janata tha.

- 19 us ne hamaree jaati se chaturai karake hamare bapadadon ke sath yahan tak kuvyohar kiya, ki unhen apane balakon ko faenk dena pada ki ve jeevit n rahen.
- 20 us samay moosa utpann hua jo bahut hee sundar tha aur vah teen maheene tak apane pita ke ghar men pala gaya.
- 21 parantu jab faenk diya gaya to firauun kee bettee ne use utta liya, aur apana putra karake pala.
- 22 aur moosa ko misaariyon kee saree vidha paddhai gai, aur vah baton aur kamon men samarthee tha.
- 23 jab vah chalees varsha ka hua, to usake man men aya ki maain apane israaelee bhaiyon se bhentt karoon.
- 24 aur us ne aek vyaktai par anyay hone dekhkar, use bachaya, aur misaree ko marakar sataae huae ka palatta liya.
- 25 us ne socha, ki mere bhai samajhenge ki parameshvar mere hathon se un ka uddhar karega, parantu unhon ne n samajha.
- 26 doosare din jab ve apas men lad rahe the, to vah vahan a nikala aur yah kahake unhen mel karane ke liye samajhaya, ki he purooshae, tum to bhai bhai ho, aek doosare par kyon anyay karate ho?
- 27 parantu jo apane padosee par anyay kar raha tha, us ne use yah kahakar hatta diya, ki tujhe kis ne ham par hakim aur nyayee ttharaya haai?
- 28 kya jis reeti se too ne kal misaree ko mar dala mujhe bhee mar dalana chahata haai?
- 29 yah bat sunakar, moosa bhaga aur midhan desh men paradeshae hokar rahane laga: aur vahan usake do putra utpann hue.
- 30 jab poore chalees varsha beet gaa, to aek svarga doot ne seenaai pahad ke jangal men use jalatee hui jhadee kee jvala men darshan diya.
- 31 moosa ne us darshan ko dekhkar achambha kiya, aur jab dekhne ke liye pas gaya, to prabhu ka yah shabd hua.
- 32 ki maain tere bapadado, ibraaheem, isahak aur yakoob ka parameshvar hoon: tab to moosa kanp utta, yahan tak ki use dekhne ka hiyav n raha.
- 33 tab prabhu ne us se kaha apane pavon se jootee utar le, kyonaki jis jagah too khda haai, vah pavitra boomi haai.
- 34 maain ne sachamuch apane logon kee durdasha ko jo misar men haai, dekhee haai aur un kee ah aur un ka rona sun liya haai isaaliye unhen chhudane ke liye utara hoon. ab a, maain tujhe misar men bhenjoonga.

- 35 jis moosa ko unhon ne yah kahakar nakara tha ki tujhe kis ne ham par hakim aur nyayee ttharaya haai usee ko parameshvar ne haakim aur chhudanevala ttharakar, us svarga doot ke dara jis ne use jhadee men darshan diya tha, bheja.
- 36 yahee vyaaktai misar aur lal samudra aur jangal men chalees varsha tak adabhut kam aur chinh dikha dikhakar unhen nikal laya.
- 37 yah vahee moosa haai, jis ne israaeliyon se kaha ki parameshvar tumhare bhaiyon men se tumhare liye mujh sa aek bhavishyadvkta uttaaega.
- 38 yah vahee haai, jis ne jangal men kaleeasiya ke beech us svargadoot ke sath seenaai pahad par us se baten kee, aur hamare bapadadon ke sath tha: usee ko jeeavit vachan mile, ki ham tak pahunchaae.
- 39 parantu hamare bapadadon ne us kee manana n chaha baran use hattakar apane man misar kee or faere.
- 40 aur haroon se kaha hamare liye aeesa devata bana, jo hamare age age chalen kyonaki yah moosa ja hamen misar desh se nikal laya, ham naheen janate use kya hua?
- 41 un dinon men unhon ne ek bachhda banakar, us kee moorat ke age bali chaddhaya aur apane hathon ke kamon men magan hone lage.
- 42 so parameshvar ne munh modkar unhen chhod diya, ki akashagan poojen jaaisa bhvishyadvktaon kee pustak men likha haai ki he israael ke gharane, kya tum jangal men chalees varsha tak pashuubaali aur annabaali mujh hee ko chaddhate rahe?
- 43 aur tum molek ke tamboo aur rifaan devata ke tare ko liae firate the arthata un akaron ko jinhen tum ne dandvat karane ke liye banaya tha: so maain tumhen babur ke pare le jakar basaunga.
- 44 sakshae ka tamboo jangal men hamare bapadadon ke beech men tha jaaisa us ne ttharaya, jis ne moosa se kaha ki jo akar too ne dekha haai, usake anusar ise bana.
- 45 usee tamboo ko hamare bapadade poorvakal se pakar yahoshoo ke sath yahan le ae jis samay ki unhon ne un anyajaatiyon ka aadhaikar paya, jinhen parameshvar ne hamare bapadadon ke samhane se nikal diya aur vah daud ke samay tak raha.
- 46 us par parameshvar ne anugrah kiya, so us ne binatee kee, ki maain yakoob ke parameshvar ke liye nivas stha ttharaun.
- 47 parantu sulaaيمان ne usake liye ghar banaya.
- 48 parantu param pradhaan hath ke banaae gharon men naheen rahata, jaaisa ki bhvishyadvkta ne kaha.

⁴⁹ ki prabhu kahata haai, svarga mera sihansan aur prathvee mere panvon tale kee peeddhee haai, mere liye tum kis prakar ka ghar banaoge? aur mere vishraam ka kaun sa sthan hoga?

⁵⁰ kya ye sab vastuen mere hath kee banai naheen? he hatteele, aur man aur kan ke khtanaraahit logo, tum sada pavitra atma ka samhana karate ho.

⁵¹ jaaisa tumhare bapadade karate the, vaaise hee tum bhee karate ho.

⁵² bhavishyadvktaon men se kis ko tumhare bapadadon ne naheen sataya, aur unhon ne us dharmee ke agaman ka poorvakal se sandesh denevalon ko mar dala, aur ab tum bhee usake pakadvanevale aur mar dalanevale hue.

⁵³ tum ne svargadooton ke dara ttharai hui vyavastha to pai, parantu usaka palan naheen kiya..

⁵⁴ ye baten sunakar ve jal gaae aur us par dant peesane lage.

⁵⁵ parantu us ne pavitra atma se paaripoorn hokar svarga kee or dekha aur parameshvar kee maahima ko aur yeeshu ko parameshvar kee dahinee or khda dekhkara.

⁵⁶ kaha dekho, maain svarga ko khula hua, aur manushy ke putra ko parameshvar ke dahinee or khda hua dekhta hoon.

⁵⁷ tab unhon ne bade shabd se chillakar kan band kar lia, aur aek chitt hokar us par jhpatte.

⁵⁸ aur use nagar ke bahar nikalakar patthravah karane lage, aur gavahon ne apane kapade utar rakhe.

⁵⁹ aur ve staiufanus ko patthravah karate rahe, aur vah yah kahakar praarthna karata raha ki he prabhu yeeshu, meree atma ko grahan kara.

⁶⁰ fir ghauttne ttekakar unche shabd se pukara, he prabhu, yah pap un par mat laga, aur yah kahakar so gaya: aur shaaul usake badha meen sahamat tha..

Praeriton Ke Kam 8

¹ usee din yarooshalem kee kaleesiya par bada upadrav hone laga aur praeriton ko chhod sab ke sab yahoodiya aur samariya deshaen men tittr bittr ho gae.

² aur bhkton ne staifanus ko kabra men rakha aur usake liye bada vilap kiya.

³ shaaul kaleesiya ko ujad raha tha aur ghar ghar ghausakar purooshaen aur striayon ko ghaseett ghaseettkar bandeegrah men dalata tha..

⁴ jo tittr bittr huae the, ve susamachar sunate huae fire.

⁵ aur filippus samaariya nagar men jakar logon men maseeh ka prachar karane laga.

6 aur jo baten filippus ne kaheen unhen logon ne sunakar aur jo chinh vah dikhata tha unhen dekh dekhkar, aek chitt hokar man lagaya.

7 kyonaki bahuton men se ashuddh atmaen bade shabd se chillatee hui nikal gai, aur bahut se jhole ke mare huae aur langade bhee achche kiae gae.

8 aur us nagar men bada anand hua..

9 is se paahile us nagar men shamaun nam aek manushy tha, jo ttona karake samaariya ke logon ko chakit karata aur apne ap ko koi bada puroosh banata than

10 aur sab chhotte se bade tak use man kar kahate the, ki yah manushy paramashevar kee vah shaktai haai, jo mahan kahalatee haai.

11 us ne bahut dinon se unhen apne ttone ke kamon se chaakit kar rakha tha, isee liye ve us ko bahut manate the.

12 parantu jab unhon ne filippus kee prateeati kee jo parameshvar ke rajy aur yeeshu ke nam ka susamachar sunata tha to log, kya puroosha, kya sree bapaatisma lene lage.

13 tab shamaun ne ap bhee prateeati kee aur bapaatisma lekar filippus ke sath rahane laga aur chinh aur bade bade samarth ke kam hote dekhkar chakit hota tha.

14 jab praariton ne jo yarooshalem men the suna ki samaariyon ne parameshvar ka vachan man liya haai to pataras aur yoohanna ko un ke pas bheja.

15 aur unhon ne jakar un ke liye praarthna kee ki pavitra atma paaen.

16 kyonaki vah ab tak un men se kisee par n utara tha, unhon ne to keval prabhu yeeshu men nam men bapatisma liya tha.

17 tab unhon ne un par hath rakhe aur unhon ne pavitra atma paya.

18 jab shamaun ne dekha ki prariton ke hath rakhne se paavitra atma diya jata haai, to un ke pas roopaye lekar kaha.

19 ki yah adhaikar mujhe bhee do, ki jis kisee par hath rakoo, vah pavitra atma paae.

20 pataras ne us se kaha tere roopaye tere sath nash ho, kyonki too ne parameshvar ka dan roopayon se mol lene ka vichar kiya.

21 is bat men n tera hissa haai, n bantta kyonki tera man parameshvar ke age seedha naheen.

22 isaliye apane is burai se man firakar prabhu se praarthna kar, sambhv haai tere man ka vichar kshama kiya jaae.

- 23 kyonaki maain dekhta hoo, ki too pitt kee see kadvahatt aur adharma ke bandhan men pada haai.
- 24 shamaun ne uttr diya, ki tum mere liye prabhu se praarthna karo ki jo baten tum ne kahee, un men se koi mujh par n a pade..
- 25 so ve gavahee dekar aur prabhu ka vachan sunakar, yarooshalem ko laut gaa, aur samariyon ke bahut gavon men susamachar sunate gaae..
- 26 fir prabhu ke aek svargadoot ne filippus se kaha uttkar daakkhian kee or us marga par ja, jo yarooshalem se ajjah ko jata haai, aur jangal men haai.
- 27 vah uttkar chal diya, aur dekho, koosh desh ka aek manushy a raha tha jo khoja aur kooshaiyon kee ranee kandake ka mantraee aur khjanchee tha, aur bhjan karane ko yarooshalem aya tha.
- 28 aur vah apane rath par baaita hua tha, aur yashaayah bhavishyadvkta kee pustak paddhta hua lautta ja raha tha.
- 29 tab atma ne filippus se kaha, nikatt jakar is rath ke sath ho le.
- 30 filippus ne us or daudkar use yashaayah bhavishyadvkta kee pustak paddhte huae suna, aur poochha, ki too jo paddh raha haai kya use samajhta bhee haai?
- 31 us ne kaha, jab tak koi mujhe n samajhaae to maain kyanekar samajoon? aur us ne filippus se binatee kee, ki chaddhkar mere pas baaitt.
- 32 paavitra shaasr ka jo adhyay vah paddh raha tha, vah yah tha ki vah bhed kee nain vadha hone ko pahunchaya gaya, aur jaaisa memna apane un kataranevalon ke samhane chupachap rahata haai, vaaise hee us ne bhee apana munh n khola.
- 33 us kee deenata men usaka nyay hone naheen paya, aur usake samay ke logon ka varnn kaun karega, kyonki prathvee se usaka praan uttaya jata haai.
- 34 is par khoje ne filippus se poochha maain tujh se binatee karata hoo, yah bata ki bhvishyadvkta yah kis vishay men kahata haai, apane ya kisee doosare ke vishay men.
- 35 tab filippus ne apana munh khola, aur isee shaasr se arambh karake use yeeshu ka susamachar sunaya.
- 36 marga men chalate chalate ve kisee jal kee jagah pahunche, tab khoje ne kaha, dekh yahan jal haai, ab mujhe bapaatisma lene men kya rok haai.
- 37 filippus ne kaha, yaadi too sare man se vishvas karata haai to ho sakata haai: us ne uttr diya maain vishvas karata hoon ki yeeshu maseeh parameshvar ka putra haai.
- 38 tab us ne rath khda karane kee agyaa dee, aur filippus aur khoja donon jal men utar pade, aur us ne use bapaatisma diya.

³⁹ jab ve jal men se nikalakar upar aa, to prabhu ka atma filippus ko utta le gaya, so khoje ne use fir n dekha, aur vah anand karata hua apane marga chala gaya.

⁴⁰ aur filippus ashadod men a nikala, aur jab tak kaaisariya men n pahuncha, tab tak nagar nagar susamachar sunata gaya..

Praeriton Ke Kam 9

¹ aur shaul jo ab tak prabhu ke chelon ko dhamakane aur ghaat karane kee dhaun men tha, mahayajak ke pas gaya.

² aur us se daamishk ke aradhanalayon ke nam par is abhaipraay kee chitthiyan mangee, ki kya puroosha, kya sre, jinhen vah is panth par paae unhen bandhakar yarooshalem men le aae.

³ parantu chalate chalate jab vah damishk ke nikatt pahuncha, to aekaaek akash se usake charon or jyoti chamaakee.

⁴ aur vah boomi par gir pada, aur yah shabd suna, ki he shaul, he shaul, too mujhe kyon satata haai?

⁵ us ne poochha he prabhu, too kaun haai? us ne kaha maain yeeshu hoon jise too satata haai.

⁶ parantu ab uttkar nagar men ja, aur jo kuchh karana haai, vah tujh se kaha jaaega.

⁷ jo manushy usake sath the, ve chupachap rah gaae kyonki shabd to sunate the, parantu kisee ko dakhte n the.

⁸ tab shaul boomi par se utta, parantu jab ankhe kholeen to use kuchh dikhai n diya aur ve usaka hath pakadke daamishk men le gaae.

⁹ aur vah teen din tak n dekh saka, aur n khaya aur n peeya.

¹⁰ daamishk men hananyah nam aek chela tha, us se prabhu ne darshan men kaha, he hananyaha! us ne kaha han prabhu.

¹¹ tab prabhu ne us se kaha, uttkar us galee men ja jo seedhaee kahalatee haai, aur yahooda ke ghar men shaul nam aek tarasee ko poochh le kyonaki dek, vah praarthna kar raha haai.

¹² aur us ne hananyah nam aek puroosh ko bheetar ate, aur apane upar ate dekha haai taki fir se drashti paae.

¹³ hananyah ne uttr diya, ki he prabhu, maain ne is manushy ke vishay men bahuton se suna haai, ki is ne yarooshalem men tere pavitra logon ke sath badee badee buraiyan kee haain.

- 14 aur yahan bhee is ko mahayajakon kee or se adhaikar mila haai, ki jo log tera nam lete haai, un sab ko bandha le.
- 15 parantu prabhu ne us se kaha, ki too chala ja kyonaki yah, to anyajatiyon aur rajao, aur israaeliyon ke samhane mera nam pragatt karane ke liye mera chuna hua patra haai.
- 16 aur maain use bataunga, ki mere nam ke liye use kaaisa kaaisa dukh uttana padega.
- 17 tab hananyah uttkar us ghar men gaya, aur us par apana hath rakhkar kaha, he bhai shaaul, prabhu, arthata yeeshu, jo us raste me, jis se too aya tujhe dikhai diya tha, usee ne mujhe bheja haai, ki too fir drashti paae aur paavitra atma se paaripoorn ho jaae.
- 18 aur turant us kee ankhon se chhlaike se gire, aur vah dekhne laga aur uttkar bapaatisma liya fir bhojan karake bal paya..
- 19 aur vah kai din un chelon ke sath raha jo damishk men the.
- 20 aur vah turant aradhanalayon men yeeshu ka prachar karane laga, ki vah parameshvar ka putra haai.
- 21 aur sab sunanevale chaakit hokar kahane lage kya yah vahee vyaaktai naheen haai jo yarooshalem men unhen jo is nam ko lete the nash karata tha, aur yahan bhee isee liye aya tha, ki unhon bandhakar mahayajakon ke pas le aae?
- 22 parantu shaaul aur bhee samarthee hota gaya, aur is bat ka praman de dekar ki maseeh yahee haai, daamishk ke rahanevale yahoodiyon ka munh band karata raha..
- 23 jab bahut din beet gaa, to yahoodiyon ne milakar usake mar dalane kee yuktai nikalee.
- 24 parantu un kee yuktai shaaul ko maloom ko gai: ve to usake mar dalane ke liye rat din faattkon par lage rahe the.
- 25 parantu rat ko usake chelon ne use lekar ttokare men baaitaya, aur shaharapanah par aee lattkakar utar diya..
- 26 yarooshalem men pahunchakar us ne chelon ke sath mil jane ka upay kiya: parantu sab us se drate the, kyonki un ko prateeati n hota tha, ki vah bhee chela haai.
- 27 parantu baranaba use apane sath praeariton ke pas le jakar un se kaha, ki is ne kis reeti se marga men prabhu ko dekha, aur is ne is se baten keen fir damishk men is ne kaaise hiyav se yeeshu ke nam ka prachar kiya.
- 28 vah un ke sath yarooshalem men ata jata raha.

29 aur nidhadk hokar prabhu ke nam se prachar karata tha: aur yoonanee bhasha bolanevale yahoodiyon ke sath batacheet aur vada-avivad karata tha parant uve usake mar dalane ka yatn karane lage.

30 yah janakar bhai use kaaisaariya men le aa, aur tarasus ko bhej diya..

31 so sare yahoodiya, aur galeel, aur samariya men kaleesiya ko chaain mila, aur usakee unnaati hotee gai aur vah prabhu ke bhy aur paavitra atma kee shaantai men chalatee aur baddhtee jatee thee..

32 aur aeesa hua ki pataras har jagah firata hua, un paavitra logon ke pas bhee pahuncha, jo lua men rahate the.

33 vahan use aeenyas nam jhole ka mara hua aek manushy mila, jo att varsha se khatt par pada tha.

34 pataras ne us se kaha he aeenyasa! yeeshu maseeh tujhe changa karata haai ut, apana bichhauna bichha tab vah turant utt khd hua.

35 aur lua aur shaaron ke sab rahanevale use dekhkar prabhu kee or fire..

36 yafaa men tabeeta arthata dorakas nam aek vishvasinee rahatee thee, vah bahutere bhle bhle kam aur dan kiya karatee thee.

37 unheen dinon men vah beemar hokar mar gai aur unhon ne use nahalakar attaree par rakh diya.

38 aur isaliye ki lua yafaa ke nikatt tha, chelon ne yah sunakar ki pataras vahan haai do manushy bhejkar us ne binatee kee ki hamare pas ane men der n kara.

39 tab pataras uttkar un ke sath ho liya, aur jab pahunch gaya, to ve use us attaree par le gaae aur sab vidhavaaen rote hui usake pas a khdee hui: aur jo kurate aur kapade dorakas ne un ke sath rahate huae banaae the, dikhane lageen.

40 tab pataras ne sab ko bahar kar diya, aur ghauttne ttekakar praarthna kee aur loth kee or dekhkar kaha he tabeeta utt: tab us ne apanee ankhe khol dee aur pataras ko dekhkar utt baaittee.

41 us ne hath dekar use uttaya aur paavitra logon aur vidhavaon ko bulakar use jeevit aur jagrat dikha diya.

42 yah bat sare yafaa me faail gai: aur bahuteron ne prabhu par vishvas kiya.

43 aur pataras yafaa men shamaun nam kisee chamade ke dhandha karanevale ke yahan bahut din tak raha..

Praeriton Ke Kam 10

- ¹ kaaisaariya men kuranealiyus nam aek manushy tha, jo italiyanee nam palattn ka soobedar tha.
- ² vah bhkt tha, aur apane sare gharane samet parameshvar se drata tha, aur yahooder lagon ko bahut dan deta, aur barabar parameshvar se praarthna karata tha.
- ³ us ne din ke teesare pahar ke nikatt darshan men spashtt roop se dekha, ki parameshvar ka ek svargadoot mere pas bheetar akar kahata haai ki he kuraneliyusa.
- ⁴ us ne use dhyan se dekha aur drakar kaha he prabhu kya haai? us ne us se kaha, teree praarthnaen aur tere dan smaran ke liye parameshvar ke samhane pahunchhe haain.
- ⁵ aur ab yafaa men manushy bhejekar shamaun ko, jo pataras kahalata haai, bulava le.
- ⁶ vah shamaun chamade ke dhandha karanevale ke yahan pahun haai, jis ka ghar samudra ke kinare haain.
- ⁷ jab vah svargadoot jis ne us se baten kee theen chala gaya, to us ne do sevak, aur jo usake pas upasthiat raha karate the un men se aek bhkt sipahee ko bulaya.
- ⁸ aur unhen sab baten batakar yafaa ko bheja..
- ⁹ doosare din, jab ve chalate chalate nagar ke pas pahunchhe, to do pahar ke nikatt pataras kotte par praarthna karane chaddha.
- ¹⁰ aur use bookh lagee, aur kuchh khana chahata tha parantu jab ve taaiyar kar rahe the, to vah besudha ho gaya.
- ¹¹ aur us ne dekha, ki akash khul gaya aur aek patra badee chadar ke saman charon konon se lattkata hua, pathvee kee or utar raha haai.
- ¹² jis men prathvee ke sab prakar ke chaupaae aur renganevale jantu aur akash ke pakshaee the.
- ¹³ aur use aek aeesa shabd sunai diya, ki he pataras ut, mar ke kha.
- ¹⁴ parantu pataras ne kaha, naheen prabhu, kadapi naheen kyonki maain ne kabhee koi apavitra ya ashuddh vastu naheen khai haai.
- ¹⁵ fir doosare bar use shabd sunai diya, ki jo kuchh parameshvar ne shuddh ttharaya haai, use too ashuddh mat kaha.
- ¹⁶ teen bar aeesa hee hua tab turant vah patra akash par utta liya gaya..

- 17 jab pataras apane man men dubadha kar raha tha, ki yah darshan jo maain ne dekha kya haai, to dekho, ve manushy jinhen kuraneliyus ne bheja tha, shamaun ke ghar ka pata lagakar devaddhee par a khde huae.
- 18 aur pukarakar poochhne lage, kya shamaun jo pataras kahalata haai, yaheen pahun haai?
- 19 pataras jo us darshan par soch hee raha tha, ki atma ne us se kaha, dek, teen manushy teree khoj men haain.
- 20 so uttkar neeche ja, aur bekhttke un ke sath ho le kyonaki maain hee ne unhen bheja haai.
- 21 tab pataras ne utarakar un manushyon se kaha dekho, jisakee khoj tum kar rahe ho, vah maain hee hoon tumhare ane ka kya karan haai?
- 22 unhon ne kaha kuraneliyus soobedar jo dharmee aur parameshvar se dranevala aur saree yahoodee jaati men sunamee manushy haai, us ne ek paavitra svargadoot se yah chitavane pai haai, ki tujhe apane ghar bulakar tujh se vachan sune.
- 23 tab us ne unhen bheetar bulakar un kee pahunai kee.. aur doosare din, vah unake sath gaya aur yafaa ke bhaiyon men se kai usake sath ho liae.
- 24 doosare din ve kaaisariya men pahunche, aur kuraneliyus apane kuttumbaiyon aur piry mitraen ko ikatthe karake un kee batt joh raha tha.
- 25 jab pataras bheetar a raha tha, to kuranealiyus ne us se bhentt kee, aur panvon padke pranam kiya.
- 26 parantu pataras ne use uttakar kaha, khda ho, maain bhee to manushy hoon.
- 27 aur usake sath batacheet karata hua bheetar gaya, aur bahut se logon ko ikatthe dekhkara.
- 28 un se kaha, tum janate ho, ki anyajaati kee sangati karata ya usake yahan jana yahoodee ke liye adharma haai, parantu parameshvar ne mujhe bataya haai, ki kisee manushy ko apavitra ya ashuuddh n kahoon.
- 29 isee liye maain jab bulaya gaya to bina kuchh kahe chala aya: ab maain poochhta hoon ki mujhe kis kam ke liye bulaya gaya haai?
- 30 kuranealiyus ne kaha ki is ghadee poore char din hua, ki maain apane ghar men teesare pahar ko praarthna kar raha tha ki dekho, aek puroosh chamakeela vasr paahine hua, mere samhane a khda hua.
- 31 aur kahane laga, he kuraneliyus, teree praarthna sun lee gai, aur tere dan parameshvar ke samhane smaran kiae gae haain.

32 is liye kisee ko yafaa bhejkar shamaun ko jo pataras kahalata haai, bula vah samudra ke kinare shamaun chamade ke dhandha karanevale ke ghar men pahun haai.

33 tab maain ne turant tere pas log bheje, aur too ne bhla kiya, jo a gaya: ab ham sab yahan parameshvar ke samhane haai, taki jo kuchh parameshvar ne tujh se kaha haai use sunen.

34 tab pataras ne munh kholakar kaha

35 ab mujhe nishchay hua, ki parameshvar kisee ka paksha naheen karata, baran har jati men jo us se drata aur dharma ke kam karata haai, vah use bhata haai.

36 jo vachan us ne israaeliyon ke pas bheja, jab ki us ne yeeshu maseeh ke dara jo sab ka prabhu haai shaantai ka susamachar sunaya.

37 vah bat tum janate ho jo yoohanna ke bapatisma ke prachar ke bad galeel se arambh karake sare yahoodiya men faail gai.

38 ki parameshvar ne kis reeti se yeeshu nasaree ko paavitra atma aur samarth se aabhaishok kiya: vah bhilai karata, aur sab ko jo shautan ke sataae huae the, achchha karata fira kyonaki parameshvar usake sath tha.

39 aur ham un sab kamon ke gavah haain jo us ne yahoodiya ke desh aur yarooshalem men bhee kia, aur unhon ne use katt par lattkakar mar dala.

40 us ko parameshvar ne teesare din jilaya, aur pragatt bhee kar diya haai.

41 sab logon ko naheen baran un gavahon ko jinhen parameshvar ne pahile se chun liya tha, arthata hamako jinhon ne usake mare huon men se jee uttne ke bad usake sath khaya peeya.

42 aur us ne hamen agyaa dee, ki logon men prachar karo aur gavahee do, ki yah vahee haai jise parameshvar ne jeevaton aur mare huon ka nyayee ttharaya haai.

43 us kee sab bhavishyadvkta gavahee dete he, ki jo koi us par vishvas karega, us ko usake nam ke dara papon kee kshama milegee..

44 pataras ye baten kah hee raha tha, ki pavitra atma vachan ke sab sunanevalon par utar aya.

45 aur jitane khtana kiae huae vishvasee pataras ke sath aae the, ve sab chaakit huae ki anyajaatiyon par bhee paavitra atma ka dan undela gaya haai.

46 kyonaki unhon ne unhen bhanati bhanati kee bhasha bolate aur parameshvar kee badai karate suna.

47 is par pataras ne kaha kya koi jal kee rok kar sakata haai, ki ye bapaatisma n paae, jinhon ne hamaree nai paavitra atma paya haai?

⁴⁸ aur us ne agyaa dee ki unhen yeeshu maseeh ne nam men bapaatisma diya jaae: tab unhon ne us se binatee kee ki kuchh din hamare sath raha..

Praeriton Ke Kam 11

¹ aur praeriton aur bhaiyon ne jo yahoodiya men the suna, ki anyajaatiyon ne bhee parameshvar ka vachan man liya haai.

² aur jab pataras yarooshalem men aya, to khtana kiae huae log us se vada-avivad karane lage.

³ ki too ne khtanaraahit logon ke yahan jakar un se sath khaya.

⁴ tab pataras ne unhen arambh se kramanusar kah sunaya

⁵ ki maain yafaa nagar men praarthna kar raha tha, aur besudha hokar aek darshan dekha, ki aek patra, badee chadar ke saman charon konon se lattkaya hua, akash se utarakar mere pas aya.

⁶ jab maain ne us par dhyan kiya, to prathvee ke chaupaae aur banapashu aur renganevale jantu aur akash ke pakshae dekhe.

⁷ aur yah shabd bhee suna ki he pataras utt mar aur kha.

⁸ maain ne kaha, naheen prabhu, nahee, kyonki koi apavitra ya ashuddh vastu mere munh men kabhee naheen gai.

⁹ is ke uttr men akash se doosaree bar shabd hua, ki jo kuchh parameshvar ne shuddh ttharaya haai, use ashuddh mat kaha.

¹⁰ teen bar aeesea hee hua tab sab kuchh fir akash par kheench liya gaya.

¹¹ aur dekho, turant teen manushy jo kaaisariya se mere pas bheje gae the, us ghar par jis men ham the, a khde hue.

¹² tab atma ne mujh se un ke sath bekhttke ho lene ko kaha, aur ye chh: bhai bhee mere sath ho liae aur ham us manushy ke ghar men gae.

¹³ aur us ne bataya, ki maain ne aek svargadoot ko apane ghar men khda dekha, jis ne mujh se kaha, ki yafaa men manushy bhejekar shamaun ko jo pataras kahalata haai, bulava le.

¹⁴ vah tum se aeesee baten kahega, jin ke dara too aur tera sara gharana udar paaega.

¹⁵ jab maain baten karane laga, to pavitra atma un par usee reeti se utara, jis reeti se arambh men ham par utara tha.

¹⁶ tab mujhe prabhu ka vah vachan smaran aya jo us ne kaha ki yoohanna ne to panee se bapatisma diya, parantu tum pavitra atma se bapatisma paoge.

17 so jab ki parameshvar ne unhen bhee vahee dan diya, jo hamen prabhu yeeshu maseeh par vishvas karane se mila tha to maain kaun tha jo parameshvar ko rok sakata?

18 yah sunakar, ve chup rahe, aur parameshvar kee badai karake kahane lage, tak to parameshvar ne anyajatiyon ko bhee jeevan ke liye man firav ka dan diya haai..

19 so jo log us klesh ke mare jo staifanus ke karan pada tha, tittr bittr ho gaae the, ve firate firate faeeneeke aur kupraus aur antakiya men pahunche parantu yahoodiyon ko chhod kisee aur ko vachan n sunate the.

20 parantu un men se kitane kuprausee aur kurenee the, jo antaakiya men akar yunaaniyon ko bhee prabhu yeeshu ka susamachar kee baten sunane lage.

21 aur prabhu ka hath un par tha, aur bahut log vishvas karake prabhu kee or fire.

22 tab un kee charcha yarooshalem kee kaleesiya ke sunane men ai, aur unhon ne baranabas ko antaakiya bheja.

23 vah vahan pahunchakar, aur parameshvar ke anugrah ko dekhkar anandait hua aur sab ko upadesh diya ki tan man lagakar prabhu se lipatte raho.

24 kyonaki vah aek bhla manushy tha aur paavitra atma se paaripoorn tha: aur aur bahut se log prabhu men a mile.

25 tab vah shaaul ko ddoonddhne ke liye tarasus ko chala gaya.

26 aur jab un se mila to use antakiya men laya, aur aesa hua ki ve aek varsha tak kaleesiya ke sath milate aur bahut logon ko upadesh dete rahe, aur chele sab se pahile antaakiya hee men maseehee kahalaae..

27 unheen dinon men kai bhvishyadvkta yarooshalem se antakiya men ae.

28 un men se agabus nam ek ne khde hokar atma kee praerana se yah bataya, ki sare jagat men bada akal padega, aur vah akal klaudiyus ke समय men pada.

29 tab chelon ne ttharaya, ki har aek apanee apanee poonjee ke anusar yahoodiya men rahanevale bhaiyon kee seva ke liye kuchh bheje.

30 aur unhon ne aesa hee kiya aur baranabas aur shaaul ke hath praacheenon ke pas kuchh bhej diya..

Praeriton Ke Kam 12

1 us समय herodes raja ne kaleesiya ke kai ek vyaaktaiyon ko dukh dene ke liye un par hath dale.

2 us ne yoohanna ke bhai yakoob ko talavar se marava dala.

- ³ aur jab us ne dekha, ki yahooder log is se anandait hote haai, to us ne pataras ko bhee pakad liya: ve din akhmeeree rottee ke din the.
- ⁴ aur us ne use pakad ke bandeegrah men dala, aur rakhvaley ke liye, char char sipaahiyon ke char paharon men rakha: is manasa se ki fasah ke bad use logon ke samhane laae.
- ⁵ so bandeegrah men pataras kee rakhvaley ho rahee thee parantu kaleesiya usake liye lau lagakar parameshvar se praarthna kar rahee thee.
- ⁶ aur jab herodes use un ke samhane lane ko tha, to usee rat pataras do janjeeron se bandha hua, do sipaahiyon ke beech men so raha tha: aur paharooae dar par bandeegrah kee rakhvaley kar rahe the.
- ⁷ to dekho, prabhu ka aek svargadoot a khda hua: aur us kottree men jyoti chamaakee: aur us ne pataras kee pasalee par hath mar ke use jagaya, aur kaha ut, fauratee kar, aur usake hath se janjeeren khulakar gir padeen.
- ⁸ tab svargadoot ne us se kaha kamar bandha, aur apane joote paahin le: us ne vaaisa hee kiya, fir us ne us se kaha apana vasr pahinakar mere peechhe ho le.
- ⁹ vah nikalakar usake peechhe ho liya parantu yah n janata tha, ki jo kuchh svargadoot kar raha haai, vah sachamuch haai, baran yah samajha, ki maain darshan dekh raha hoon.
- ¹⁰ tab ve paahil aur doosare pahare se nikalakar us lohe ke faattk par pahunche, jo nagar kee or haai vah un ke liye ap se ap khul gaya: aur ve nikalakar aek hee galee hokar gaa, itane men svargadoot use chhodkar chala gaya.
- ¹¹ tab pataras ne sachet hokar kaha ab maain ne sach jan liya ki prabhu ne apana svargadoot bhejkar mujhe herodes ke hath se chhuda liya, aur yahoodiyon kee saree asha tod dee.
- ¹² aur yah sochakar, vah us yoohanna kee mata maariyam ke ghar aya, jo marakus kahalata haai vahan bahut log ikatthe hokar praarthna kar rahe the.
- ¹³ jab us ne faattk kee khaidkee khttkhttai to roode nam aek dasee sunane ko ai.
- ¹⁴ aur pataras ka shabd pahachanakar, us ne anand ke mare faattk n khola parantu daudkar bheetar gai, aur bataya ki pataras dar par khda haai.
- ¹⁵ unhon ne us se kaha too pagal haai, parantu vah draddhta se bolee, ki aeesa hee haai: tab unhon ne kaha, usaka svargadoot hoga.
- ¹⁶ parantu pataras khttkhttata hee raha: so unhon ne khaidkee kholee, aur use dekhkar chaakit ho gae.

¹⁷ tab us ne unhen hath se saain kiya, ki chup rahen aur un ko bataya, ki prabhu kis reeti se mujhe bandeegrah se nikal laya haai: fir kaha, ki yakoob aur bhaiyon ko yah bat kah dena tab nikalakar doosaree jagah chala gaya.

¹⁸ bhor ko sipaahiyon men badee halachal hone lagee, ki pataras kya hua.

¹⁹ jab herodes ne us kee khoj kee, aur n paya to paharoon kee janch karake agyaa dee ki ve mar dale jaaen aur vah yahoodiya ko chhodkar kaaisaariya men ja raha.

²⁰ aur vah soor aur saaida ke logon se bahut aprasann tha so ve aek chitt hokar usake pas aae aur balastus ko, jo raja ka aek karmacharee tha, manakar mel karata chaha kyonaki raja ke desh se un ke desh ka palan poshan hota tha.

²¹ aur ttharaae huae din herodes rajavasr paahinakar sinhasan par baaitta aur un ko vyakhyan dene laga.

²² aur log pukar utte, ki yah to manushy ka naheen parameshvar ka shabd haai.

²³ usee kshan prabhu ke ek svargadoot ne turant use mara, kyonaki us ne paramashevar kee mahima nahee kee aur vah keede padke mar gaya..

²⁴ parantu parameshvar ka vachan baddhta aur faailata gaya..

²⁵ jab baranabas aur shaaul apanee seva pooree kar chuke, to yoohanna ko jo marakus kahalata haai sath lekar yarooshalem se lautte..

Praeriton Ke Kam 13

¹ antaakiya kee kaleesiya men kitane bhvishyadvkta aur upadeshak the arthata baranabas aur shamaun jo neegar kahalata haai aur lookiyus kurenee, aur desh kee chauthai ke raja herodes ka doodhabhai manahem aur shaaula.

² jab ve upavas saahit prabhu kee upasana kar rahe tha, to paavitra atma ne kaha mere nimitt baranabas aur shaaul ko us kam ke liye alag karo jis ke liye maain ne unhen bulaya haai.

³ tab unhon ne upavas aur praarthna karake aur un par hath rakhkar unhen vida kiya..

⁴ so ve paavitra atma ke bheje huae silookiya ko gae aur vahan se jahaj par chaddhkar kupraus ko chale.

⁵ aur salamees men pahunchakar, parameshvar ka vachan yahoodiyon kee aradhanalayon men sunaya aur yoohanna un ka sevak tha.

⁶ aur us sare ttapoo men hote hua, pafaus tak pahunche: vahan unhen bara-yeeshu nam aek yahoodiee ttonha aur jootta bhvishyadvkta mila.

- ⁷ vah siraagiyus paulus soobe ke sath tha, jo buddhmaian puroosh tha: us ne baranabas aur shaaul ko apane pas bulakar parameshvar ka vachan sunana chaha.
- ⁸ parantu ileemas ttonhe ne, kyonki yahee usake nam ka arth haai un ka samhana karake, soobe ko vishvas karane se rokata chaha.
- ⁹ tab shaaul ne jis ka nam paulus bhee haai, pavitra atma se paaripoorn ho us kee or ttkattkee lagakar kaha.
- ¹⁰ he sare kapatt aur sab chaturai se bhre huae shautan kee santan, sakal dharma ke baairee, kya too prabhu ke seedho magorn ko tteddha karana n chhodega?
- ¹¹ ab dek, prabhu ka hath tujh par laga haai aur too kuchh samay tak andha rahega aur soorya ko n dekhega: tab turant dhaundhalai aur andhora us par chha gaya, aur vah idhar udhar ttttolane laga, taki koi usaka hath pakadke le chale.
- ¹² tab soobe ne jo kuchh hua tha, dekhkar aur prabhu ke upadesh se chakit hokar vishvas kiya..
- ¹³ paulus aur usake sathee pafaus se jahaj kholakar panfooliya ke piraga men aae: aur yoohanna unhen chhodkar yarooshalem ko lautt gaya.
- ¹⁴ aur piraga se age baddhkar ke pisidiya ke antaakiya men pahunche aur sabbt ke din aradhanalay men jakar baaitt gae.
- ¹⁵ aur vyavastha aur bhavishyadvktaon kee pustak ke paddhne ke bad sabha ke saradaron ne un ke pas kahala bheja, ki he bhaiyo, yadi logon ke upadesh ke liye tumhare man men koi bat ho to kaho.
- ¹⁶ tab paulus ne khde hokar aur hath se saain karake kaha he israaeliyo, aur parameshvar se dranevalo, suno.
- ¹⁷ in israaelee logon ke parameshvar ne hamare bapadadon ko chun liya, aur jab ye misar desh men paradeshae hokar rahate the, to un kee unnati kee aur balavant bhuja se nikal laya.
- ¹⁸ aur vah koi chalees varsha tak jangal men un kee sahata raha.
- ¹⁹ aur kanan desh men sat jaatiyon ka nash karake un ka desh koi saddhe char sau varsha men in kee meeras men kar diya.
- ²⁰ is ke bad us ne samuel bhvishyadvkta tak un men nyayee ttharaae.
- ²¹ usake bad unhon ne ek raja manga: tab parameshvar ne chalees vashau ke liye binyameen ke gotra men se ek manushy arthata keesh ke putra shaaul ko un par raja ttharaya.

22 fir use alag karake daud ko un ka raja banaya jis ke vishay men us ne gavahee dee, ki mujhe aek manushy yishau ka putra daud, mere man ke anusar mil gaya haai. vahee mere saree ichchha pooree karega.

23 isee ke vansh men se parameshvar ne apane pratigyaa ke anusar israael ke pas aek uddharakarta, arthata yeeshu ko bheja.

24 jis ke ane se paahile yoohanna ne sab israaeliyon ko man firav ke bapatisma ka prachar kiya.

25 aur jab yoohanna apana daur poora karane par tha, to us ne kaha, tum mujhe kya samajhte ho? maain vah naheen! baran dekho, mere bad aek ane vala haai, jis ke panvon kee jootee maain kholane ke yogy naheen.

26 he bhaiyo, tum jo ibraaheem kee santan ho aur tum jo parameshvar se drate ho, tumhare pas is uddhar ka vachan bheja gaya haai.

27 kyonaki yarooshalem ke rahanevalon aur unake saradaron ne, n use pahachana, aur n bhvishyadvktaon kee baten samajhee jo har sabbt ke din paddhee jatee haai, isaaliye use doshaee ttharakar un ko poora kiya.

28 unhon ne mar dalane ke yogy koi dosh us men ne paya, taubhee peelatus se binatee kee, ki vah mar dala jae.

29 aur jab unhon ne usake vishay men likhee hui sab baten pooree kee, to use kroos par se utar kar kabra men rakha.

30 parantu parameshvar ne use mare huon men se jilaya.

31 aur vah unhen jo usake sath galeel se yarooshalem aae the, bahut dinon tak dikhai deta raha logon ke samhane ab ve bhee usake gavah haain.

32 aur ham tumhen us praatigyaa ke vishay me, jo bapadadon se kee gai thee, yah susamachar sunate haain.

33 ki parameshvar ne yeeshu ko jilakar, vahee pratigyaa hamaree santan ke liye pooree kee, jaaisa doosare bhjan men bhee likha haai, ki too mera putra haai aj maain hee ne tujhe janmaya haai.

34 aur usake is reeati se mare huon men se jilane ke vishay men bhee, ki vah kabhee n sade, us ne yon kaha haai ki maain daud par kee pavitra aur achal krupa tum par karoonga.

35 isaliye us ne aek aur bhjan men bhee kaha haai ki too apane pavitra jan ko sadne n dega.

36 kyonaki daud to parameshvar kee ichchha ke anusar apane samay men seva karake so gaya aur apane bapadadon men ja mila aur sad bhee gaya.

37 parantu jis ko parameshvar ne jilaya, vah sadne naheen paya.

- 38 isaliye, he bhaiyo tum jan lo ki isee ke dara papon kee kshama ka samachar tumhen diya jata haai.
- 39 aur jin baton se tum moosa kee vyavastha ke dara nirdosh naheen tthar sakate the, unheen sab se har aek vishvas karanevala usake dara nirdosh ttharata haai.
- 40 isaliye chaukas raho, aesa n ho, ki jo bhvishyadvktaon kee pustak men aya haai,
- 41 tum pr bhee a pade ki he ninda karanevalo, dekho, aur chaakit ho, aur mitt jao kyonaki maain tumhare dinon men aek kam karata hoon aesa kam, ki yadi koi tum se usakee charcha kare, to tum kabhee prateeti n karoge..
- 42 un ke bahar nikalate samay log un se binatee karane lage, ki agale sabt ke din hamen ye baten fir sunai jaen.
- 43 aur jab sabha utt gai to yahoodiyon aur yahoodie mat men aae huae bhkton men se bahutere paulus aur baranabas ke peechhe ho liae aur unhon ne un se baten karake samajhaya, ki parameshvar ke anugrah men bane raho..
- 44 agale sabt ke din nagar ke praaya: sab log parameshvar ka vachan sunane ko ikatthe ho gae.
- 45 parantu yahoodie bheed ko dekhkar dah se bhr gaa, aur ninda karate huae paulus kee baton ke virodha men bolane lage.
- 46 tab polus aur baranabas ne nidr hokar kaha, avashy tha, ki parameshvar ka vachan paahile tumhen sunaya jata: parantu jab ki tum use door karate ho, aur apane ko anant jeevan ke yogy naheen ttharate, to dekho, ham anyajatiyon kee or firate haain.
- 47 kyonkai prabhu ne hamen yah agyaa dee haai ki maai. ne tujhe anyajaatiyon ke liye jyoti ttharaya haai taki too prathvee kee chhor tak uddhar ka dar ho.
- 48 yah sunakar anyajati anaandait hua, aur parameshvar ke vachan kee badai karane lage: aur jitane anant jeevan ke liye ttharaae gae the, unhon ne vishvas kiya.
- 49 tab prabhu ka vachan us sare desh men faailane laga.
- 50 parantu yahoodiyon ne bhkt aur kuleen striayon ko aur nagar ke bade logon ko usakaya, aur paulus aur baranabas par upadrav karavakar unhen apane sivanon se nikal diya.
- 51 tab ve un ke samhane apane panvon kee dhool jhadkar ikuniyum ko gae.
- 52 aur chele anand se aur pavitra atma se paaripoorn hote rahe..

Praeriton Ke Kam 14

¹ ikuniyum men aeesa hua ki ve yahoodiyon kee aradhanalay men sath sath gaa, aur aeesee baten kee, ki yahoodiyon aur yoonaniyon donon men se bahaton ne vishvas kiya.

² parantu n mananevale yahoodiyon ne anyajatiyon ke man bhaiyon ke virodha men usakaa, aur bigad kar diae.

³ aur ve bahut din tak vahan rahe, aur prabhu ke bhrose par hiyav se baten karate the: aur vah un ke hathon se chinh aur adabhut kam karavakar apane anugrah ke vachan par gavahee deta tha.

⁴ parantu nagar ke logon men foott pad gai thee is se kitane to yahoodiyon kee or, aur kitane praeariton kee or ho gaae.

⁵ parantu jab anyajaati aur yahoodee un ka apaman aur unhen patthravah karane ke liye apane saradaron samat un par dode.

⁶ to ve is bat ko jan ga, aur lukauniya ke lusur aur dirabe nagaron me, aur asapas ke desh men bhag gaae.

⁷ aur vahan susamachar sunane lage..

⁸ lusur men aek manushy baaita tha, jo panvon ka nirbal tha: vah janm hee se langada tha, aur kabhee n chala tha.

⁹ vah paulus ko baten karate sun raha tha aur is ne us kee or tatkattke lagakar dekha ki is ko changa ho jane ka vishvas haai.

¹⁰ aur unche shabd se kaha, apane panvon ke bal seedha khda ho: tab vah uchhlakar chalane firane laga.

¹¹ logon ne paulus ka yah kam dekhkar lukauniya bhasha men unche shabd se kaha devata hamare pas utar aae haain.

¹² aur unhon ne baranabas ko jyoos, aur paulus ko hirates kaha, kyonaki yah baten karane men mukhy tha.

¹³ aur jyoos ke us maandair ka pujaree jo us ke nagar ke samhane tha, baail aur foolon ke har faattkon par lakar logon ke sath baalidan karana chahata tha.

¹⁴ parantu baranabas aur paulus praeariton ne jab suna, to apane kapade faade, aur bheed men lapak gaa, aur pukarakar kahane lage he logo tum kya karate ho?

¹⁵ ham bhee to tumhare saman du:kh-sukh bhogee manushy haai, aur tumhen susamachar sunate haai, ki tum in vyarth vastuon se alag hokar jeevate parameshvar kee or firo, jis ne svarga aur prathvee aur samudra aur jo kuchh un men haai banaya.

16 us ne beete samayon men sab jatiyon ko apane apane magorn men chalane diya.

17 taubhee us ne apane ap ko be-gavah n chhoda kintu vah bhilai karata raha, aur akash se vashara aur falavant retu dekar, tumhare man ko bhojan aur anand se bhrata raha.

18 yah kahakar bhee unhon ne logon ko kattnaita se roka ki un ke liye baalidan n karen..

19 parantu kitane yahoodiyon ne antaakiya aur ikuniyam se akar logon ko apanee or kar liya, aur paulus ko patthravah kiya, aur mara samajhkar use nagar ke bahar ghaseett le gaae.

20 par jab chele us kee charon or a khde hua, to vah uttkar nagar men gaya aur doosare din baranabas ke sath dirabe ko chala gaya.

21 aur ve us nagar ke logon ko susamachar sunakar, aur bahut se chele banakar, lusr aur ikuniyam aur antaakiya ko laut aae.

22 aur chelon ke man ko sthiar karate rahe aur yah upadesh dete the, ki hamen bade klesh uttkar parameshvar ke rajy men pravesh karana hoga.

23 aur unhon ne har aek kaleesiya men un ke liye praacheen ttharaa, aur upavas saahit praarthna karake, unhen prabhu ke hath saunpa jis par unhon ne vishvas kiya tha.

24 aur pisidiya se hote huae ve panfooliya men pahunche

25 aur piraga men vachan sunakar attliya men aae.

26 aur vahan se jahaj se antaakiya men aa, jahan se ve us kam ke liye jo unhon ne poora kiya tha parameshvar ke anugrah par saunpe gaae the.

27 vahan pahunchakar, unhon ne kaleesiya ikatthee kee aur bataya, ki parameshvar ne hamare sath hokar kaaise bade bade kam kiae! aur anyajatiyon ke liye vishvas ka dar khol diya.

28 aur ve chelon ke sath bahut din tak rahe..

Praeriton Ke Kam 15

1 fir kitane log yahoodiya se akar bhaiyon ko sikhane lage ki yadi moosa kee reeti par tumhara khtana n ho to tum uddhar naheen pa sakate.

2 jab paulus aur baranabas ka un se bahut jhgada aur vada-avivad hua to yah ttharaya gaya, ki paulus aur baranabas, aur ham men se kitane aur vyaaktai is bat ke vishay men yarooshalem ko praeariton aur praacheenon ke pas janae.

- ³ so mandlee ne unhen kuchh door tak pahunchaya aur ve faeeneeke or samariya se hote huae anyajatiyon ke man faerane ka samachar sunate gaa, aur sab bhaiyon ko bahut anandait kiya.
- ⁴ jab yarooshalem men pahunche, to kaleesiya aur praerit aur praacheen un se anand k esath mile, aur unhon ne bataya ki parameshvar ne un ke sath hokar kaaise kaaise kam kiae the.
- ⁵ parantu fareeasiyon ke panth men se jinhon ne vishvas kiya tha, un men se kitanon ne uttkar kaha, ki unhen khtana karana aur moosa kee vyavastha ko manane kee agyaa dena chahiae.
- ⁶ tab praerit aur praacheen is bat ke vishay men vichar karane ke liye ikatthe huae.
- ⁷ tab pataras ne bahut vada-vivad ke bad khde hokar un se kaha.. he bhaiyo, tum janate ho, ki bahut din hua, ki parameshvar ne tum men se mujhe chun liya, ki mere munh se anyajaati susamachar ka vachan sunakar vishvas karen.
- ⁸ aur man ke janchanevale parameshvar ne un ko bhee hamaree nai paavitra atma dekar un kee gavahee dee.
- ⁹ aur vishvas ke dara un ke man shuuddh karake ham men aur un men kuchh bhed n rakha.
- ¹⁰ to ab tum kyon parameshvar kee pareeksha karate ho? ki chelon kee garadan par aeesa jooa rakho, jise n hamare bapadade utta sake the aur n ham utta sakate.
- ¹¹ ha, hamara yah to nishchay haai, ki jis reeti se ve prabhu yeeshu ke anugrah se uddhar paaenge usee reeti se ham bhee paaenge..
- ¹² tab saree sabha chupachap hokar baranabas aur paulus kee sunane lagee, ki parameshvar ne un ke dara anyajatiyon men kaaise kaaise chinh, aur adabhut kam dikhaae.
- ¹³ jab ve chup hua, to yakoob kahane laga, ki ..
- ¹⁴ he bhaiyo, meree suno: shamaun ne bataya, ki parameshvar ne pahile paahil anyajaatiyon par kaaisee krapadraashtti kee, ki un men se apane nam ke liye aek log bana le.
- ¹⁵ aur is se bhavishyadvktaon kee baten milatee haai, jaaisa likha haai, ki.
- ¹⁶ is ke bad maain fir akar daud ka gira hua dera uttaunga, aur usake khndharon ko fir banaunga, aur use khda karoonga.
- ¹⁷ isaliye ki shosh manushy, arthata sab anyajaati jo mere nam ke kahalate haai, prabhu ko ddoonddhen.

- 18 yah vahee prabhu kahata haai jo jagat kee utpati se in baton ka samachar deta aya haai.
- 19 isaliye mera vichar yah haai, ki anyajaatiyon men se jo log parameshvar kee or firate haai, ham unhen du:kh n den.
- 20 parantu unhen likh bhenje, ki ve mooraton kee ashuddhtaon aur vyaabhaichar aur gala ghaente huon ke mans se aur lohoo se pare rahen.
- 21 kyonaki purane samay se nagar nagar moosa kee vyavastha ke prachar karanevale hote chale aae haai, aur vah har sabt ke din aradhanalay men paddhee jatee haai.
- 22 tab saree kaleesiya saahit praeaiton aur praacheenon ko achchha laga, ki apane men se kai manushyon ko chune, arthata yahooda, jo barasabba kahalata haai, aur seelas ko jo bhaiyon men mukhaiya the aur unhen paulus aur baranabas ke sath antaakiya ko bhejen.
- 23 aur un ke hath yah likh bheja, ki antakiya aur sooriya aur kilikiya ke rahanevale bhaiyon ko jo anyajatiyon men se haai, praeaiton aur praacheen bhaiyon ka namaskara!
- 24 ham ne suna haai, ki ham men se kitanon ne vahan jakar, tumhen apanee baton se ghabara diya aur tumhare man ulatt diae haain parantu ham ne un ko agyaa naheen dee thee.
- 25 isaliye ham ne aek chitt hokar tteek samajha, ki chune huaee manushyon ko apane pyare baranabas aur paulus ke sath tumhare pas bhejen.
- 26 ye to aeese manushy haai, jinhon ne apane praan hamare prabhu yeeshu maseeh ke nam ke liye jokhaim men dale haain.
- 27 aur ham ne yahooda aur seelas ko bheja haai, jo apane munh se bhee ye baten kah denge.
- 28 paavitra atma ko, aur ham ko tteek jan pada, ki in avashyak baton ko chhod tum par aur bojh n dalen
- 29 ki tum mooraton ke baali kiae huon se, aur lohoo se, aur gala ghaente huon ke mans se, aur vyaabhaichar se, pare raho. in se pare raho to tumhara bhla hoga age shuubh..
- 30 fir ve vida hokar antakiya men pahunche, aur sabha ko ikatthee karake vah unhen patraee de dee.
- 31 aur ve paddhkar us upadesh kee bat se ati anaandait hue.
- 32 aur yahooda aur seelas ne jo ap bhee bhavishyadvkta the, bahut baton se bhaiyon ko upadesh dekar sthiar kiya.

33 ve kuchh din rahakar bhaiyon se shaaantai ke sath vida hua, ki apane bhejanevalon ke pas jaaen.

34 parantu seelas ko vahan rahana achchha laga.

35 aur paulus aur baranabas antaakiya men rah gae: aur bahut aur logon ke sath prabhu ke vachan ka upadesh karate aur susamachar sunate rahe..

36 kuchh din bad paulus ne baranabas se kaha ki jin jin nagaron men ham ne prabhu ka vachan sunaya tha, ao, fir un men chalakar apane bhaiyon ko dekhen ki kaaise haain.

37 tab baranabas ne yoohanna ko jo marakus kahalata haai, sath lene ka vichar kiya.

38 parantu paulus ne use jo panfooliya men un se alag ho gaya tha, aur kam par un ke sath n gaya, sath le jana achchha n samajha.

39 so aeesa ttntta hua, ki ve aek doosare se alag ho gae: aur baranabas, marakus ko lekar jahaj par kupraus ko chala gaya.

40 parantu paulus ne seelas ko chun liya, aur bhaiyon se parameshvar ke anugrah par saunpa jakar vahan se chala gaya.

41 aur kaleesiyaon ko sthiar karata hua, sooriya aur kilikiya se hote hua nikala..

Praeriton Ke Kam 16

1 fir vah dirabe aur lusr men bhee gaya, aur dekho, vahan teemuathaiyus nam aek chela tha, jo kisee vishvasee yahoodinee ka putra tha, parantu usaka pita yoonanee tha.

2 vah lusr aur ikuanium ke bhaiyon men sunam tha.

3 paulus ne chaha, ki yah mere sath chale aur jo yahoodee log un jagahon men the un ke karan use lekar usaka khtana kiya kyonaki ve sab janate tha, ki usaka pita yoonanee tha.

4 aur nagar nagar jate huae ve un vidhaiyon ko jo yarooshalem ke praeariton aur praacheenon ne ttharai thee, manane ke liye unhen pahunchate jate the.

5 is prakar kaleesiya vishvas men sthiar hotee gai aur ginatee men prati din baddhtee gai.

6 aur ve oogiya aur galatiya deshaen men se hokar gaa, aur paavitra atma ne unhen aeeashaiya men vachan sunane se mana kiya.

7 aur unhon ne moosiya ke nikatt pahunchakar, bitooniya men jana chaha parantu yeeshu ke atma ne unhen jane n diya.

8 so moosiya se hokar ve traeas men aae.

- ⁹ aur paulus ne rat ko aek darshan dekha ki aek makidunee puroosh khda hua, us se binatee karake kahata haai, ki par utarakar maakiduniya men a aur hamaree sahayata kara.
- ¹⁰ usake yah darshan dekhte hee ham ne turant makiduniya jana chaha, yah samajhkar, ki parameshvar ne hamen unhen susamachar sunane ke liye bulaya haai..
- ¹¹ so traees se jahaj kholakar ham seedho sumatraake aur doosare din niyapulis men aae.
- ¹² vahan se ham filippee men pahunche, jo maakiduniya praant ka mukhy nagar, aur romiyon kee bastee haai aur ham us nagar men kuchh din tak rahe.
- ¹³ sabt ke din ham nagar ke faattk ke bahar nadee ke kinare yah samajhkar gaa, ki vahan praarthna karane ka sthan hoga aur baaittkar un striayon se jo ikatthee hui thee, baten karane lage.
- ¹⁴ aur luadiya nam thuatheera nagar kee baainjaneer kapade bechanevalee aek bhkt sree sunatee thee, aur prabhu ne usaka man khola, taaki paulus kee baton par chitt lagaae.
- ¹⁵ aur jab us ne apane gharane samet bapaatisma liya, to us ne binatee kee, ki yadi tum mujhe prabhu kee vishvasinee samajhte ho, to chalakar mere ghar men raho aur vah hamen manakar le gai..
- ¹⁶ jab ham praarthna karane kee jagah ja rahe the, to hamen aek dasee milee jis men bhaveree kahanevalee atma thee aur bhaveree kahane se apane svaamiyon ke liye bahut kuchh kama latee thee.
- ¹⁷ vah paulus ke aur hamare peechhe akar chillane lagee ki ye manushy param pradhaan parameshvar kee das haai, jo hamen uddhar kee marga kee katha sunate haain.
- ¹⁸ vah bahut din tak aeese hee karatee rahee, parantu paulus du:akhait hua, aur munh faerakar us atma se kaha, maain tujhe yeeshu maseeh kee nam se agyaa deta hoo, ki us men se nikal ja aur vah usee ghadee nikal gai..
- ¹⁹ jab usake svamiyon ne dekha, ki hamaree kamai kee asha jatee rahee, to paulus aur seelas ko pakad kar chauk men praadhaanon kee pas kheench le gaae.
- ²⁰ aur unhen faaujadaree kee hakimon kee pas le jakar kaha ye log jo yahooder haai, hamare nagar men badee halachal macha rahe haain.
- ²¹ aur aeese vyavahar bata rahe haai, jinhen grahan karana ya manana ham romiyon ke liye tteek naheen.
- ²² tab bheed kee lage un ke virodha men ikatthee hokar chaddh aa, aur hakimon ne un ke kapade faadkar utar dale, aur unhen bet marane kee agyaa dee.

- 23 aur bahut bet lagavakar unhen bandeegrah men dala aur daroga ko agyaa dee, ki unhen chaukasee se rakhe.
- 24 us ne aeesee agyaa pakar unhen bheetar kee kottree men rakha aur un ke panv katt men ttonk die.
- 25 adhaee rat ke lagabhg paulus aur seelas praarthna karate huae parameshvar ke bhjan ga rahe the, aur bandhauae un kee sun rahe the.
- 26 ki itane men aeakaek bada bhuidol hua, yahan tak ki bandeegrah kee nev hil gai, aur turant sab dar khul gaae aur sab ke bandhan khul pade.
- 27 aur daroga jag utta, aur bandeegrah ke dar khule dekhkar samajha ki bandhauae bhag gaa, so us ne talavar kheenchakar apne ap ko mar dalana chaha.
- 28 parantu paulus ne unche shabd se pukarakar kaha apne ap ko kuchh hani n pahuncha, kyonki ham sab yahan haain.
- 29 tab vah deeya mangavakar bheetar lapak gaya, aur kanpata hua paulus aur seelas ke age gira.
- 30 aur unhen bahar lakar kaha, he sahibo, uddhar pane ke liye maain kya karoon?
- 31 unhon ne kaha, prabhu yeeshu maseeh par vishvas kar, to too aur tera gharana uddhar paega.
- 32 aur unhon ne us ko, aur usake sare ghar ke logon ko prabhu ka vachan sunaya.
- 33 aur rat ko usee ghadee us ne unhen le jakar un ke ghaav dhaea, aur us ne apne sab logon samet turant bapaatisma liya.
- 34 aur us ne unhen apne ghar men le jakar, un ke age bhojan rakha aur sare gharane samet parameshvar par vishvas karake anand kiya..
- 35 jab din hua tak haakimon ne pyadon ke hath kahala bheja ki un manushyon ko chhod do.
- 36 daroga ne ye baten paulus se kah sunai, ki hakimon ne tumhare chhod dene kee agyaa bhej dee haai, so ab nikalakar kushal se chale jao.
- 37 parantu paulus ne us se kaha, unhon ne hamen jo rome manushy haai, doshaee ttharaae bina, logon ke samhane mara, aur bandeegrah men dala, aur ab kya chupake se nikal dete haain? aeese nahee, parantu ve ap akar hamen bahar le jaaen.
- 38 pyadon ne ye baten hakimon se kah dee, aur ve yah sunakar ki rome haai, dr gaae.

³⁹ aur akar unhen manaya, aur bahar le jakar binatee kee ki nagar se chale jaaen.

⁴⁰ ve bandeeagrah se nikal kar luadiya ke yahan gaa, aur bhaiyon se bhentt karake unhen shaaantai dee, aur chale gaae..

Praeriton Ke Kam 17

¹ fir ve amfaipualis aur apulloniya hokar thaissaluneeke men aa, jahan yahoodiyon ka aek aradhanalay tha.

² aur paulus apanee reeti ke anusar un ke pas gaya, aur teen sabt ke din pavitra shaasren se un ke sath vivad kiya.

³ aur un ka arth khol kholakar samajhata tha, ki maseeh ka dukh uttana, aur mare huon men se jee uttna, avashy tha aur yahee yeeshu jis kee maain tumhen katha sunata hoo, maseeh haai.

⁴ un men se kitanon ne, aur bhkt yoonaanion men se bahuteron ne aur bahut see kuleen sitrayon ne man liya, aur paulus aur seelas ke sath mil gae.

⁵ parantu yahoodiyon ne dah se bhrakar bajaroo logon men se kai dushtt manushyon ko apane sath men liya, aur bheed lagakar nagar men hullad machane lage, aur yason ke ghar par chaddhai karake unhen logon ke samhane lana chaha.

⁶ aur unhen n pakar, ve yah chillate huae yason aur kitane aur bhaiyon ko nagar ke haakimon ke samhane kheench laa, ki ye log jinhon ne jagal ko ulatta pulatta kar diya haai, yahan bhee aae haain.

⁷ aur yamon ne unhen apane yahan utara haai, aur ye sab ke sab yah kahate haain ki yeeshu raja haai, aur kaaisar kee agyaaon ka virodha karate haain.

⁸ unhon ne logon ko aur nagar ke haakimon ko yah sunakar ghabara diya.

⁹ aur unhon ne yason aur bakee logon se muchalaka lekar unhen chhod diya..

¹⁰ bhaiyon ne turant rat hee rat paulus aur seelas ko bireeya men bhej diya: aur ve vahan pahunchakar yahoodiyon ke aradhanalay men gaae.

¹¹ ye log to thaissaluneeke ke yahoodiyon se bhle the aur unhon ne badee lalasa se vachan grahan kiya, aur praati din pavitra shaasren men ddoonddhte rahe ki ye baten yoheen haai, ki naheen.

¹² so un men se bahuton ne, aur yoonanee kuleen striayon men se, aur purooshaen men se bahuteron ne vishvas kiya.

- 13 kintu jab thaissaluneeke ke yahoodee jan gaa, ki paulus bireeya men bhee parameshvar ka vachan sunata haai, to vahan bhee akar logon ko usakane aur halachal machane lage.
- 14 tab bhaiyon ne turant paulus ko vida kiya, ki samudra ke kinare chala jaae parantu seelas aur teemuthaiyus vaheen rah gaae.
- 15 paulus ke pahunchanevale use athene tak le gaa, aur seelas aur teemuthaiyus ke liye yah agyaa lekar vida hua, ki mere pas bahut shaeegha ao..
- 16 jab paulus athene men un kee batt joh raha tha, to nagar ko mooraton se bhra hua dekhkar usaka jee jal gaya.
- 17 so vah aradhanalay men yahoodiyon aur bhkton se aur chauk men jo log milate the, un se har din vada-vivad kiya karata tha.
- 18 tab iapikooree aur stoikee panditon men se kitane us se tarka karane lage, aur kitanon ne kaha, yah bakavadee kya kahana chahata haai? parantu auron ne kaha vah any devataon ka pracharak maloom padta haai, kyonki vah yeeshu ka, aur punarootthan ka susamachar sunata tha.
- 19 tab ve use apane sath ariyupagus par le gaae aur poochha, kya ham jan sakate haai, ki yah naya mat jo too sunata haai, kya haai?
- 20 kyonaki too anokhee baten hamen sunata haai, isaliye ham janana chahate haain ki in ka arth kya haai?
- 21 isaliye ki sab athenavee aur paradeshae jo vahan rahate the nai nai baten kahane aur sunane ke sivay aur kisee kam men samay naheen bitate the.
- 22 tab paulus ne ariyupagus ke beech men khda hokar kaha he athene ke logon maain dekhta hoo, ki tum har bat men devataon ke bade mananevale ho.
- 23 kyonaki maain firate huae tumharee poojane kee vastuon ko dekh raha tha, to aek aeesee vedee bhee pai, jis par likha tha, ki anajane ishvar ke liye. so jise tum bina jane poojate ho, maain tumhen usaka samachar sunata hoon.
- 24 jis parameshvar ne prathvee aur us kee sab vastuon ko banaya, vah svarga aur prathvee ka svamee hokar hath ke banaae huae maandairon men naheen rahata.
- 25 n kisee vastu ka prayojan rakhkar manushyon ke hathon kee seva leta haai, kyonki vah to ap hee sab ko jeevan aur svas aur sab kuchh deta haai.
- 26 us ne ek hee mool se manushyon kee sab jaatiyan saree prathvee par rahane ke liye banai haain aur un ke ttharaae huae samay, aur nivas ke sivanon ko isaaliye bandha haai.
- 27 ki ve parameshvar ko ddoonddhe, kadaachit use ttttolakar pa jaaen taubhee vah ham men se kisee se door naheen!

²⁸ kyonaki ham usee men jeeavit rahate, aur chalute-afirate, aur sthiar rahate haain jaaise tumhare kitane kaviyon ne bhee kaha haai, ki ham to usee ke vansh bhee haain.

²⁹ so parameshvar ka vansh hokar hamen yah samajhta uchit nahee, ki ishvaratv, sone ya roope ya patthr ke saman haai, jo manushy kee kareegaree aur kalpata se gaddhe gaae hon.

³⁰ isaliye parameshvar agyaanata ke समयon men anakaneee karake, ab har jagah sab manushyon ko man firane kee agyaa deta haai.

³¹ kyonaki us ne aek din ttharaya haai, jis men vah us manushy ke dara dharma se jagat ka nyay karega, jise us ne ttharaya haai aur use mare huon men se jilakar, yah bat sab par praamaanait kar dee haai..

³² mare huon ke punarootthan kee bat sunakar kitane to ttttha karane lage, aur kitanon ne kaha, yah bat ham tujh se fir kabhee sunenge.

³³ is par paulus un ke beech men se nikal gaya.

³⁴ parantu kai aek manushy usake sath mil gaa, aur vishvas kiya, jin men diyunusiyus aariyupagee tha, aur damaris nam aek sree thee, aur un ke sath aur bhee kitane log the..

Praeriton Ke Kam 18

¹ is ke bad paulus athene ko chhodkar kuarinthus men aya.

² aur vahan akvaila nam aek yahoodiee mila, jis ka janm puntus ka tha aur apanee patnee pirsakilla samet italiya se naya aya tha, kyonaki klauadiyus ne sab yahoodiyon ko rom se nikal jane kee agyaa dee thee, so vah un ke yahan gaya.

³ aur usaka aur un ka aek hee udhym tha isaaliye vah un ke sath raha, aur ve kam karane lage, aur un ka udhym tamboo banane ka tha.

⁴ aur vah har aek sapt ke din aradhanalay men vada-vivad karake yahoodiyon aur yoonaniyon ko bhee samajhata tha..

⁵ jab seelas aur teemuathaiyus maakiduaniya se aa, to paulus vachan sunane kee dhaun men lagakar yahoodiyon ko gavahee deta tha ki yeeshu hee maseeh haai.

⁶ parantu jab ve virodha aur ninda karane lage, to us ne apane kapade jhadkar un se kaha tumhara lohoo tumharee gardan par rahe: maain nidaush hoon: ab aee maain anyajatiyon ke pas jaunga.

⁷ aur vahan se chalakar vah titus yustus nam parameshvar ke aek bhkt ke ghar men aya, jis ka ghar aradhanalay se laga hua tha.

8 tab aradhanalay ke saradar krispus ne apane sare gharane samet prabhu par vishvas kiya aur bahut se kurinthee sunakar vishvas laae aur bapatisma liya.

9 aur prabhu ne rat ko darshan ke dara paulus se kaha, mat dr, baran kahe ja, aur chup mat raha.

10 kyonaki maain tere sath hoon: aur koi tujh par chaddhai karake teree haati n karega kyonaki is nagar men mere bahut se log haain.

11 so vah un men parameshvar ka vachan sikhate huae deddh varsha tak raha..

12 jab gaallaiyo akhaya desh ka hakim tha to yahoodee log aeka karake paulus par chaddh aa, aur use nyay asan ke samhane lakar, kahane lage.

13 ki yah logon ko samajhata haai, ki parameshvar kee upasana aeesee reeti se kare, jo vyavastha ke vipareet haai.

14 jab paulus bolane par tha, to gallaiyo ne yahoodiyon se kaha he yahoodiyo, yaadi yah kuchh anyay ya dushtta kee bat hotee to uchit tha ki maain tumharee sunata.

15 parantu yadi yah vada-vivad shabdo, aur namo, aur tumhare yahan kee vyavastha ke vishay men haai, to tum hee jano kyonaki maain in baton ka nyayee banana naheen chahata.

16 aur us ne unhen nyay asan ke samhane se nikalava diya.

17 tab sab loagen ne aradhanalay ke saradar sosthianes ko pakad ke nyay asan ke samhane mara: parantu gaallaiyo ne in baton kee kuchh bhee chinta n kee..

18 so paulus bahut din tak vahan raha, fir bhaiyon se vida hokar kinakhaiya men isaliye sir mundaya kyonaki us ne mannat manee thee aur jahaj par sooriya ko chal diya aur usake sath pirsakilla aur akvaila the.

19 aur us ne iafisus men pahunchakar un ko vahan chhoda, aur ap hee aradhanalay men jakar yahoodiyon se vivad karane laga.

20 jab unhon ne us se binatee kee, ki hamare sath aur kuchh din rah, to us ne sveekar n kiya.

21 parantu yah kahakar un se vida hua, ki yadi parameshvar chahe to maain tumhare pas fir aunga.

22 tab iafisus se jahaj kholakar chal diya, aur kaaisaariya men utar kar yarooshalem ko gaya aur kaleesiya ko namaskar karake antakiya men aya.

23 fir kuchh din rahakar vahan se chala gaya, aur aek or se galatiya aur oogiya men sab chelon ko sthiar karata fira..

24 apullos nam aek yahoodee jis ka janm sikandaariya men hua tha, jo vidan puroosh tha aur paavitra shaasr ko achchhee tarah se janata tha ifisus men aya.

²⁵ us ne prabhu ke marga kee shaiksha pai thee, aur man lagakar yeeshu ke vishay men tteek tteek sunata, aur sikhata tha, parantu vah keval yoohanna ke bapaatisma kee bat janata tha.

²⁶ vah aradhanalay men nidr hokar bolane laga, par piraskailla aur akvaila us kee baten sunakar, use apane yahan le gae aur parameshvar ka marga us ko aur bhee tteek tteek bataya.

²⁷ aur jab us ne nishchay kiya ki par utarakar akhaya ko jaae to bhaiyon ne use ddhaddhs dekar chelon ko likha ki ve us se achchhee tarah mile, aur us ne pahunchakar vahan un logon kee badee sahayata kee jinhon ne anugrah ke karan vishvas kiya tha.

²⁸ kyonaki vah pavitra shaasr se praman de dekar, ki yeeshu hee maseeh haai badee prabalata se yahoodiyon ko sab ke samhane niroottr karata raha..

Praeriton Ke Kam 19

¹ aur jab apullos kurinthus men tha, to paulus upar se sare desh se hokar iafisus men aya, aur kai chelon ko dekhkara.

² un se kaha kya tum ne vishvas karate samay paavitra atma paya? unhon ne us se kaha, ham ne to paavitra atma kee charcha bhee naheen sunee.

³ us ne un se kaha to fir tum ne kis ka bapaatisma liya? unhon ne kaha yoohanna ka bapaatisma.

⁴ paulus ne kaha yoohanna ne yah kahakar man firav ka bapatisma diya, ki jo mere bad anevala haai, us par arthata yeeshu par vishvas karana.

⁵ yah sunakar unhon ne prabhu yeeshu ke nam ka bapatisma liya.

⁶ aur jab paulus ne un par hath rakhe, to un par paavitra atma utara, aur ve bhainn bhasha bolane aur bhvishyadvvanee karane lage.

⁷ ye sab lagabhg barah puroosh the..

⁸ aur vah aradhanalay men jakar teen maheene tak nidr hokar bolata raha, aur parameshvar ke rajy ke vishay men vivad karata aur samajhata raha.

⁹ parantu jab kitanon ne kattor hokar us kee naheen manee baran logon ke samhane is marga ko bura kahane lage, to us ne un ko chhodkar chelon ko alag kar liya, aur praati din turannus kee pattshaala men vivad kiya karata tha.

¹⁰ do varsha tak yahee hota raha, yahan tak ki asiya ke rahanevale kya yahoodee, kya yoonanee sab ne prabhu ka vachan sun liya.

¹¹ aur parameshvar paulus ke hathon se samarth ke anokhe kam dikhata tha.

12 yahan tak ki roomal aur angochhe us kee deh se chhulavakar beemaron par dalate the, aur un kee beemariyan jatee rahatee thee aur dushttatmaen un men se nikal jaya karatee theen.

13 parantu kitane yahooder jo jhada foonkee karate firate the, yah karane lage, ki jin men dushttatma hon un par prabhu yeeshu ka nam yah kahakar foonke ki jis yeeshu ka prachar paulus karata haai, maain tumhen usee kee shapath deta hoon.

14 aur skikava nam ke aek yahooder mahayajak ke sat putra the, jo aesa hee karate the.

15 par dushttatma ne uttr diya, ki yeeshu ko maain janatee hoo, aur paulus ko bhee pahachanatee hoon parantu tum kaun ho?

16 aur us manushy ne jis men dushttatma thee un par lapakakar, aur unhen vash men lakar, un par aesa upadrav kiya, ki ve nange aur ghaayal hokar us ghar se nikal bhage.

17 aur yah bat iaafisus ke rahanevale yahooder aur yoonanee bhee sab jan gaa, aur un sab par bhy chha gaya aur prabhu yeeshu ke nam kee badai hui.

18 aur jinhon ne vishvas kiya tha, un men se bahuteron ne akar apane apane kamon ko man liya aur pragatt kiya.

19 aur jadoo karanevalon men se bahuton ne apanee apanee pothaiyan ikatthee karake sab ke samhane jala deen aur jab un ka dam joda gaya, jo pachas hajar roopaye kee nikaleen.

20 yon prabhu ka vachan bal poorvak faailata gaya aur prabal hota gaya..

21 jab ye baten ho chukee, to paulus ne atma men ttana ki makiduaneya aur akhaya se hokar yarooshalem ko jau, aur kaha, ki vahan jane ke bad mujhe roma ko bhee dekhna avashy haai.

22 so apanee seva karanevalon men se teemuathaiyus aur irastus ko makiduaneya men bhejkar ap kuchh din asiya men rah gaya.

23 us samay men panth ke vishay men bada hullad hua.

24 kyonaki demetriyus nam ka aee sunar araatimis ke chandee ke mandair banavakar kareegaron ko bahut kam dilaya karata tha.

25 us ne un ko, aur, aur aeese vastuon ke kareegaron ko ikatthe karake kaha he manushyo, tum janate ho, ki is kam men hamen kitana dhan milata haai.

26 aur tum dekhte aur sunate ho, ki keval iaafisus hee men nahee, baran praaya: sare asiya men yah kah kahakar is paulus ne bahut logon ko samajhaya aur bhramaya bhee haai, ki jo hath kee kareegaree haai, ve ishvar naheen.

- 27 aur ab keval isee aek bat ka hee dr nahee, ki hamare is dhandho kee pratishtta jatee rahegee baran yah ki mahan devee araatis ka mandair tuchchh samajha jaaega aur jis sara aasiya aur jagat poojata haai usaka mahatv bhee jata rahega.
- 28 ve yah sunakar krodha se bhr gaa, aur chilla chillakar kahane lage, iaafisiyon kee aratis mahan haai!
- 29 aur sare nagar men bada kolahal mach gaya aur logon ne gayus aur aristarakhus makiduanion ko jo paulus ke sangee yatraee the, pakad liya, aur aekachitt hokar rangashaala men daud gaae.
- 30 jab paulus ne logon ke pas bheetar jana chaha to chelon ne use jane n diya.
- 31 aasiya ke haakimon men se bhee usake kai mitraen ne usake pas kahala bheja, aur binatee kee, ki rangashaala men jakar jokhaim n uttana.
- 32 so koi kuchh chillaya, aur koi kuchh kyonaki sabha men badee gadbadee ho rahee thee, aur bahut se log to yah janate bhee naheen the ki ham kis liye ikatthe huae haain.
- 33 tab unhon ne sikandar ko, jis yahoodiyon ne khda kiya tha, bheed men se age baddhaya, aur sikandar hath se saain karake logon ke samhane uttr diya chahata tha.
- 34 parantu jab unhon ne jan liya ki vah yahoodee haai, to sab ke sab aek shabd se koi do ghannte tak chillate rahe, ki ifaasiyon kee aratis mahan haai.
- 35 tab nagar ke mantraee ne logon ko shaant karake kaha he ifisiyo, kaun naheen janata, ki ifisiyon ka nagar badee devee aratis ke mandair, aur jyoos kee or se giree hui moorat ka tthalu haai.
- 36 so jab ki in baton ka khndn hee naheen ho sakata, to uchitt haai, ki tum chupake raho aur bina soche vichare kuchh n karo.
- 37 kyonaki tum in manushyon ko laae ho, jo n maandair ke loottnevale haai, aur n hamaree devee ke nindak haain.
- 38 yaadi demeatraiys aur usake sathee kareegaron ko kisee se vivad ho to kachaharee khulee haai, aur hakim bhee haain ve aek doosare par naalish karen.
- 39 parantu yadi tum kisee aur bat ke vishay men kuchh poochhna chahate ho, to niyat sabha men faaisala kiya jaaega.
- 40 kyonaki aj ke balave ke karan ham par dosh lagaae jane ka dr haai, isaaliye ki is ka koi karan nahee, so ham is bheed ke ikattha hone ka koi uttr n de sakenge.
- 41 aur yah kah ke us ne sabha ko vida kiya..

- 18** doosare din paulus hamen lekar yakoob ke pas gaya, jahan sab praacheen ikatthe the.
- 19** tab us ne unhen namaskar karake, jo jo kam parameshvar ne us kee sevakai ke dara anyajaatiyon men kiae the, aek aek karake sab bataya.
- 20** unhon ne yah sunakar parameshvar kee maahima kee, fir us se kaha he bhai, too dekhta haai, ki yahoodiyon men se kai hajar ne vishvas kiya haai aur sab vyavastha ke liye dhaun lagaae haain.
- 21** aushra un ko tere vishay men sikhaya gaya haai, ki too anyajaatiyon men rahanevale yahoodiyon ko moosa se fir jane ko sikhaya haai, aur kahata haai, ki n apane bachchon ka khtana karao or n reetiyon par chalo: so kya kiya jaae?
- 22** log avashy sunenge, ki too aya haai.
- 23** isaliye jo ham tujh se kahate haai, vah kara: hamare yahan char manushy haai, jinhon ne mannat manee haai.
- 24** unhen lekar us ke sath apane ap ko shuuddh kara aur un ke liye khrcha de, ki ve sir mudaen: tab sab jan lege, ki jo baten unhen tere vishay men sikhai gai, un kee kuchh jad naheen haai parantu too ap bhee vyavastha ko manakar usake anusar chalata haai.
- 25** parantu un anyajaatiyon ke vishay men jinhon ne vishvas kiya haai, ham ne yah nirny karake likh bheja haai ki ve maraton ke samhane baali kiae huae mans se, aur lohoo se, aur gala ghaentte huon ke mans se, aur vyabhaichar se, bache rahen.

26 tab paulus un manushyon ko lekar, aur doosare din un ke sath shuuddh hokar mandair men gaya, aur bata diya, ki shuuddh hone ke din, arthata un men se har aek ke liye chaddhava chaddhaae jane tak ke din kab poore honge..

27 jab ve sat din poore hone par the, to aasiya ke yahoodiyon ne paulus ko mandair men dekhkar sab logon ko usakaya, aur yon chillaakar us ko pakad liya.

28 ki he israaeliyo, sahayata karo yah vahee manushy haai, jo logon ke, aur vyavastha ke, aur is sthan ke virodha men har jagah sab logon ko sikhata haai, yahan tak ki yunaaniyon ko bhee maandair men lakar us ne is paavitra sthan ko apaavitra kiya haai.

29 unhon ne to is se paahile traufimus iafisee ko usake sath nagar men dekha tha, aur samajhte the, ki paulus use mandair men le aya haai.

30 tab sare nagar men kolahal mach gaya, aur log daudkar ikatthe hua, aur paulus ko pakadkar maandair ke bahar ghaseett laa, aur turant dar band kiae gae.

31 jab ve usake mar dalata chahate the, to palattn ke saradar ko sandesh pahuncha ki sare yarooshalem men kolahal mach raha haai.

33 tab palattn ke saradar ne pas akar use pakad liya aur do janjeeron se bandhane kee agyaa dekar poochhne laga, yah kaun haai, aur is ne kya kiya haai?

34 parantu bheed men se koi kuchh aur koi kuchh chillate rahe aur jab hullad ke mare tteek sachchai n jan saka, to use gaddh men le jane kee agyaa dee.

35 jab vah seeddhee par pahuncha, to aeesa hua, ki bheed ke dabav ke mare sipaahiye ko use uttakar le jana pada.

36 kyonaki logon kee bheed yah chillatee hui usake peechhe padee, ki usaka ant kar do..

37 jab ve paulus ko gaddh men le jane par the, to us ne palattn ke saradar se kaha kya mujhe agyaa haai ki maain tujh se kuchh kahoon? us ne kaha kya too yoonanee janata haai?

38 kya too vah misaree nahee, jo in dinon se paahile balavai banakar char hajar kattaraband logon ko jangal men le gaya?

39 paulus ne kaha, maain to tarasus ka yahoodee manushy hoon! kilikiya ke praasiddh nagar ka nivasee hoon: aur maain tujh se binatee karata hoo, ki mujhe logon se baten karane de.

¹¹ jab us jyoti ke tej ke mare mujhe kuchh dikhai n diya, to maain apane sathaiyon ke hath pakade huae daamishk men aya.

¹² aur hananyah nam ka vyavastha ke anusar aek bhkt manushy, jo vahan ke rahanevale sab yahoodiyon men sunam tha, mere pas aya.

¹³ aur khda hokar mujh se kaha he bhai shaaul fir dekhne laga: usee ghadee mere netra khul gae aur maain ne use dekha.

14 tab us ne kaha hamare bapadadon ke parameshvar ne tujhe isaaliye ttharaya haai, ki too us kee ichchha ko jane, aur us dharmee ko dekhe, aur usake munh se baten sune.

15 kyonaki too us kee or se sab manushyon ke samhane un baton ka gavah hoga, jo too ne dekhee aur sunee haain.

16 ab kyon der karata haai? ut, bapaatisma le, aur usaka nam lekar apane papon ko dhae dala.

17 jab maain fir yarooshalem men akar mandair men praarthna kar raha tha, to besudha ho gaya.

18 aur us ne dekha ki mujh se kahata haai jaldee karake yarooshalem se jhtt nikal ja: kyonaki ve mere vishay men teree gavahee n manenge.

19 maain ne kaha he prabhu ve to ap janate haai, ki maain tujh par vishvas karanevalon ko bandeegrah men dalata aur jagah jagah aradhanalay men pittvata tha.

20 aur jab tere gavah staifanus ka lohoo bahaya ja raha tha tab maain bhee vahan khda tha, aur is bat men sahamat tha, aur usake ghaatakon ke kapadon kee rakhvalee karata tha.

21 aur us ne mujh se kaha, chala ja: kyonaki maain tujhe anyajaatiyon ke pas door door bhejoonga..

22 ve is bat tak us kee sunate rahe tab unche shabd se chillaa, ki aeese manushy ka ant karo usaka jeeavit rahata uchit naheen.

23 jab ve chillate aur kapade faenkate aur akash men dhool udate the

24 to palattn ke soobedar ne kaha ki ise gaddh men le jao aur kode marakar jancho, ki maain janoon ki log kis karan usake virodha men aeese chilla rahe haain.

25 jab unhon ne use tasamon se bandha to paulus ne us soobedar se jo pas khda tha kaha, kya yah uchit haai, ki tum aek rome manushy ko, aur vah bhee bina doshae ttharaae huae kode maro?

26 soobedar ne yah sunakar palattn ke saradar ke pas jakar kaha too yah kya karata haai? yah to ramee haai.

27 tab palattn ke saradar ne usake pas akar kaha mujhe bata, kya too rome haai? us ne kaha, han.

28 yah sunakar palattn ke saradar ne kaha ki maain ne rome hone ka pad bahut roopaye dekar paya haai: paulus ne kaha, maain to janm se rome hoon.

²⁹ tab jo log use janchane par the, ve turant usake pas se hatt gaae aur palattn ka saradar bhee yah janakar ki yah romeo haai, aur maain ne use bandha haai, dr gaya..

³⁰ doosare din vah tteek tteek janane kee ichchha se ki yahoodoo us par kyon dosh lagate haai, usake bandhan khol diae aur mahayajakon aur saree mahasabha ko ikatthe hone kee agyaa dee, aur paulus ko neeche le jakar un ke samhane khda kar diya..

⁴ jo pas khde the, unhon ne kaha, kya too parameshvar ke mahayajak ko bura kahata haai?

⁵ paulus ne kaha he bhaiyo, maain naheen janata tha, ki yah mahayajak haai kyonki likha haai, ki apane logon ke pradhaan ko bura n kaha.

⁶ tab paulus ne yah janakar, ki kitane sadookey aur kitane fareese haai, sabha men pukarakar kaha, he bhaiyo, maain fareese aur fareesiyon ke vansh ka hoo, mare huon hee asha aur punarootthan ke vishay men mera mukama ho raha haai.

15 isaliye ab mahasabha samet palattn ke saradar ko samajhao, ki use tumhare pas le aa, mano ki tum usake vishay men aur bhee tteek janch karana chahate ho, aur ham usake pahunchane se pahile hee use mar dalane ke liye taaiyar rahenge.

16 aur paulus ke bhanje n suna, ki ve us kee ghaat men haai, to gaddh men jakar paulus ko sandesh diya.

17 paulus ne soobedaron men se aek ko apane pas bulakar kaha is javan ko palattn ke saradar ke pas le jao, yah us se kuchh kahana chahata haai.

²¹ is aek bat ko chhod jo maain ne un ke beech men khde hokar pukarakar kaha tha, ki mare huon ke jee uttne ke vishay men aj mera tumhare samhane mukama ho raha haai..

²² faeliks ne jo is panth kee baten tteek tteek janata tha, unhen yah kahakar ttal diya, ki jab palattn ka saradar loosiyas aaega, to tumharee bat ka nirny karoonga.

²³ aur soobedar ko agyaa dee, ki paulus ko sukh se rakhkar rakhvaley karana, aur usake mitraen men se kisee ko bhee us kee seva karane se n rokana..

²⁴ kitane dinon ke bad faeliks apanee patnee drausilla ko, jo yahoodinee thee, sath lekar aya aur paulus ko bulavakar us vishvas ke vishay men je maseeh yeeshu par haai, us se suna.

²⁵ aur jab vah dharma aur sanyam aur anevale nyay kee charcha karata tha, to faeliks ne bhyaman hokar uttr diya, ki abhee to ja: avasar pakar maain tujhe fir bulaunga.

²⁶ use paulus se kuchh roopaye milane kee bhee as thee isaaliye aur bhee bula bulakar us se baten kiya karata tha.

²⁷ parantu jab do varsha beet gaa, to puraakiyus faestus faeliks kee jagah par aya, aur faeliks yahoodiyon ko khush karane kee ichchha se paulus ko bandhaua chhod gaya..

Praeriton Ke Kam 25

¹ faestus un praant men pahunchakar teen din ke bar kaaisariya se yarooshalem ko gaya.

² tab mahayajakon ne, aur yahoodiyon ke bade logon ne, usake samhane paulus kee nalish kee.

³ aur use se binatee karake usake virodha men yah bar chaha, ki vah use yarooshalem men bulavaa, kyonki ve use raste hee men mar dalane kee ghaat lagaae huae the.

⁴ faestus ne uttr diya, ki paulus kaaisariya men pahare men haai, aur maain ap jald vahan aunga.

⁵ fir kaha, tum se jo aadhaikar rakhte haai, ve sath chale, aur yadi is manushy ne kuchh anuachit kam kiya haai, to us par dosh lagaaen..

⁶ aur un ke beech koi att das din rahakar vah kaaisariya gaya: aur doosare din nyay asan par baaitkar paulus ke lane kee agyaa dee.

⁷ jab vah aya, to jo yahoodiee yarooshalem se aae the, unhon ne as pas khde hokar us par bahutere bharee dosh lagaa, jin ka praman ve naheen de sakate the.

⁸ parantu paulus ne uttr diya, ki maain ne n to yahoodiyon kee vyavastha ka aur n mandair ka, aur n kaaisar ka kuchh aparadha kiya haai.

⁹ tab faestus ne yahoodiyon ko khush karane kee ichchha se paulus ko uttr diya, kya too chahata haai ki yarooshalem ko jaae aur vahan mere samhane tera yah mukama tay kiya jaae?

10 paulus ne kaha maain kaaisar ke nyay asan ke samhane khda hoon: mere mukamen ka yaheen faaisala hona chahiae: jaaisa too achchhee tarah janata haai, yahoodiyon ka maain ne kuchh aparadha naheen kiya.

11 yaadi aparadhaee hoon aur mar dale jane yogy koi kam kiya haai to marane se naheen mukarata parantu jin baton ka ye mujh par dosh lagate haai, yadi un men se koi bat sach n tthare, to koi mujhe un ke hath naheen saunp sakata: maain kaaisar kee dohai deta hoon.

12 tab faestus ne maantriayon kee sabha ke sath baten karake uttr diya, too ne kaaisar kee dohai dee haai, too kaaisar ke pas jaaega..

13 aur kuchh din beetane ke bad agirppa raja aur biraneeke ne kaaisaariya men akar faestus se bhentt kee.

14 aur un ke bahut din vahan rahane ke bad faestus ne paulus kee katha raja ko batai ki aek manushy haai, jise faeliks bandhaua chhod gaya haai.

15 jab maain yarooshalem men tha, to mahayajak aur yahoodiyon ke puraniyon ne us kee naalish kee aur chaha, ki us par dand kee agyaa dee jaae.

16 parantu maain ne un ko uttr diya, ki romiyon kee yah reeati nahee, ki kisee manushy ko dand ke liye saunp de, jab tak muaalaih ko apane muiyon ke amane samane khde hokar dosh ke uttr dene ka avasar n mile.

17 so jab ve yahan ikatthe hua, to maain ne kuchh der n kee, parantu doosare hee din nyay asan par baaitkar, us manushy ko lane kee agyaa dee.

18 jab usake mui khde hua, to unhon ne aeesee buree baton ka dosh naheen lagaya, jaaisa maain samajhta tha.

19 parantu apane mat ke, aur yeeshu nam kisee manushy ke vishay men jo mar gaya tha, aur paulus us ko jeeavit batata tha, vivad karate the.

20 aur maain ulajhn men tha, ki in baton ka pata kaaise lagaun? isaliye maain ne us se poochha, kya too yarooshalem jaaega, ki vahan in baton ka faaisala ho?

21 parantu jab paulus ne dohai dee, ki mere mukamen ka faaisala maharajaadhairaj ke yahan ho to maain ne agyaa dee, ki jab tak use kaaisar ke pas n bhejoo, us kee rakhvalee kee jaae.

22 tab agirppa ne faestus se kaha, maain bhee us manushy kee sunana chahata hoon: us ne kaha, too kal sun lega..

23 so doosare din, jab agirppa aur biraneeke badee dhoomadhaam se akar palatn ke saradaron aur nagar ke bade logon ke sath darabar men pahunche, to faestus ne agyaa dee, ki ve paulus ko le aen.

24 faestus ne kaha he maharaja agirppa, aur he sab manushyon jo yahan hamare sath ho, tum is manushy ko dekhte ho, jis ke vishay men sare

yahoodiyon ne yarooshalem men aur yahan bhee chilla chillakar mujh se binatee kee, ki is ka jeevit rahana uchit naheen.

²⁵ parantu maain ne jan liya, ki us ne aeesa kuchh naheen kiya ki mar dala jaae aur jab ki us ne ap hee maharajaadhairaj kee dohai dee, to maain ne use bhejane ka upay nikala.

²⁶ parantu maain ne usake vishay men koi tteek bat naheen pai ki apane svamee ke pas likoo, isaaliye maain use tumhare samhane aur vishosh karake he maharaja aagirppa tere samhane laya hoo, ki janchane ke bad mujhe kuchh likhne ko mile.

²⁷ kyonaki bandhauae ko bhejana aur jo dosh us par lagaae gaa, unhen n batana, mujhe vyarth samajh padta haai..

Praeriton Ke Kam 26

¹ aagirppa ne paulus se kaha tujhe apane vishay men bolane kee agyaa haai: tab paulus hath baddhakar uttr dene laga, ki,

² he raja agirppa, jitanee baton ka yahoodee mujh par dosh lagate haai, aj tere samhane un ka uttr dene men maain apane ko dhany samajhta hoon.

³ vishosh karake isaaliye ki too yahoodiyon ke sab vyavaharon aur vivadon ko janata haai, so maain binatee karata hoo, dhaeraj se meree sun le.

⁴ jaaisa mera chal chalan arambh se apanee jaati ke beech aur yarooshalem men tha, yah sab yahoodee janate haain.

⁵ ve yaadi gavahee dena chahate haai, to arambh se mujhe paahichanate haai, ki maain fareesee hokar apane dharma ke sab se khre panth ke anusar chala.

⁶ aur ab us praatigyaa kee asha ke karan jo parameshvar ne hamare bapadadon se kee thee, mujh par mukama chal raha haai.

⁷ usee pratigyaa ke poore hone kee asha lagaae hua, hamare barahon gotra apane sare man se rat din parameshvar kee seva karate aae haain: he raja, izee asha ke vishay men yahoodee mujh par dosh lagate haain.

⁸ jab ki parameshvar mare huon ko jilata haai, to tumhare yahan yah bat kyon vishvas ke yogy naheen samajhee jatee?

⁹ maain ne bhee samajha tha ki yeeshu nasaree ke nam ke virodha men mujhe bahut kuchh karana chahiae.

¹⁰ aur maain ne yarooshalem men aeesa hee kiya aur mahayajakon se aadhaikar pakar bahut se paavitra logon ko bandeegrah men dal, aur jab ve mar dale jate the, to maain bhee un ke virodha men apanee sampati deta tha.

- 11 aur har aradhanalay men maain unhen tadna dila dilakar yeeshu kee ninda karavata tha, yahan tak ki krodha ke mare aeese pagal ho gaya, ki bahar ke nagaron men bhee jakar unhen satata tha.
- 12 isee dhaun men jab maain mahayajakon se adhaikar aur paravana lekar daamishk ko ja raha tha.
- 13 to he raja, marga men dopahar ke samay maain ne akash se soorya ke tej se bhee baddhkar aek jyoti apane aur apane sath chalnevalon ke charon or chamakatee hui dekhee.
- 14 aur jab ham sab boomi par gir pade, to maain ne ibraanee bhasha me, mujh se yah kahate huae yah shabd suna, ki he shaaul, he shaaul, too mujhe kyon satata haai? paaine par lat marana tere liye kaattnai haai.
- 15 maain ne kaha, he prabhu too kaun haai? prabhu ne kaha, maain yeeshu hoon: jise too satata haai.
- 16 parantu too ut, apane panvon par khda ho kyonaki maain ne tujhe isaaliye darshan diya haai, ki tujhe un baton par bhee sevak aur gavah ttharau, jo too ne dekhee haai, aur un ka bhee jin ke liye maain tujhe darshan doonga.
- 17 aur maain tujhe tere logon se aur anyajatiyon se bachata rahoonga, jin ke pas maain ab tujhe isaaliye bhejata hoon.
- 18 ki too un kee ankhe khole, ki ve andhakar se jyoti kee or, aur shautan ke adhaikar se parameshvar kee or firen ki papon kee kshama, aur un logon ke sath jo mujh par vishvas karane se pavitra kiae gaae haai, meeras paaen.
- 19 so he raja agirppa, maain ne us svargeey darshan kee bat n ttalee.
- 20 parantu pahile daamishk ke, fir yarooshalem ke rahanevalon ko, tab yahoodiya ke sare desh men aur anyajatiyon ko samajhata raha, ki man firao aur parameshvar kee or fir kar man firav ke yogy kam karo.
- 21 in baton ke karan yahoodee mujhe maandair men pakadke mar dalane ka yatan karate the.
- 22 so parameshvar kee sahayata se maain aj tak bana hoon aur chhotte bade sabhee ke samhane gavahee deta hoon aur un baton ko chhod kuchh naheen kahata, jo bhavishyadvktaon aur moosa ne bhee kaha ki honevalee haain.
- 23 ki maseeh ko dukh uttana hoga, aur vahee sab se paahile mare huon men se jee uttkar, hamare logon men aur anyajatiyon men jyoti ka prachar karega..
- 24 jab vah is reeti se uttr de raha tha, to faustus ne unche shabd se kaha he paulus, too pagal haai: bahut vidha ne tujhe pagal kar diya haai.
- 25 parantu us ne kaha he mahapratapee faustus, maain pagal nahee, parantu sachchai aur buddh ikee baten kahata hoon.

²⁶ raja bhee jis ke samhane maain nidr hokar bol raha hoo, ye baten janata haai, aur mujhe prateeti haai, ki in baton men se koi us se chhpaiee nahee, kyonki us ghattna to kone men naheen hui.

²⁷ he raja agirppa, kya too bhvishyadvktaon kee prateeti karata haai? ha, maain janata hoo, ki too prateeti karata haai.

²⁸ ab aagirppa ne paulus se kaha too thode hee samajhane se mujhe maseehee banana chahata haai?

²⁹ paulus ne kaha, parameshvar se meree praarthna yah haai ki kya thode me, kya bahut me, keval too hee nahee, parantu jitane log aj meree sunate haai, in bandhanon ko chhod ve mere saman ho jaaen..

³⁰ tab raja aur hakim aur biraneeke aur un ke sath baaitnevale utt khde hue.

³¹ aur alag jakar apas men kahane lage, yah manushy aeesa to kuchh naheen karata, jo mratyu ya bandhan ke योग्य ho.

³² aagirppa ne faestus se kaha yadi yah manushy kaaisar kee dohai n deta, to doott sakata tha..

Praeriton Ke Kam 27

¹ jab yah ttharaya gaya, ki ham jahaj par italiya ko jaae, to unhon ne paulus aur kitane aur bandhauon ko bhee yooliyus nam augustus kee palattn ke aek soobedar ke hath saunp diya.

² aur adramuatiayum ke aek jahaj par jo aasiya ke kinare kee jagahon men jane par tha, chaddhkar ham ne use khol diya, aur aaristarkhus nam thaissaluneeke ka aek maakidoonee hamare sath tha.

³ doosare din ham ne saaida men langar dala aur yooliyus ne paulus par krapa karake use mitraen ke yahan jane diya ki usaka satkar kiya jaae.

⁴ vahan se jahaj kholakar hava virooddh hone ke karan ham kupraus kee ad men hokar chale.

⁵ aur kilikiya aur panfooliya ke nikatt ke samudra men hokar loosiya ke moora men utare.

⁶ vahan soobedar ko sikandaariya ka aek jahaj itaaliya jata hua mila, aur us ne hamen us par chaddha diya.

- 12** aur vah bandar sthan jada kattne ke liye achchha n tha isaaliye bahuton ka vichar hua, ki vahan se jahaj kholakar yadi kisee reeati se ho sake, to faeeaniks men pahunchakar jada katten: yah to krete ka aek bandar sthan haai jo daakkhiana-pachchhim aur uttra-pachchhim kee or khulata haai.
- 13** jab kuchh kuchh daakkhianee hava bahane lagee, to yah samajhkar ki hamara matalab poora ho gaya, langar uttaya aur kinara dhare huae krete ke pas se jane lage.

- 15** jab yah jahaj par lagee, tab vah hava ke samhane tthar n saka, so ham ne use bahane diya, aur isee tarah bahate huae chale gaae.

- 22** parantu ab maain tumhen samajhata hoo, ki ddhaddhs bandhae kyonaki tum men se kisee ke praan kee hani n hogee, keval jahaj kee.

- 23 kyonaki parameshvar jis ka maain hoo, aur jis kee seva karata hoo, usake svargadoot ne aj rat mere pas akar kaha.
- 24 he paulus, mat dra tujhe kaaisar ke samhane khda hona avashy haai: aur dek, parameshvar ne sab ko jo tere sath yatra karate haai, tujhe diya haai.
- 25 isaliye, he sajjanon ddhaddhs bandhaen kyonki maain parameshvar kee prateeti karata hoo, ki jaaisa mujh se kaha gaya haai, vaaisa hee hoga.
- 26 parantu hamen kisee ttapoo par ja ttkaina hoga..
- 27 jab chaudahaveen rat hui, aur ham aadiryaa samudra men ttkarate firate the, to adhaee rat ke nikatt mallahon ne attkal se jana, ki ham kisee desh ke nikatt pahunch rahe haain.
- 28 aur thah lekar unhon ne bees purasa gahara paya aur thoda age baddhkar fir thah lee, to pandrah purasa paya.
- 29 tab patthreelee jagahon par padne ke dr se unhon ne jahaj kee pichhadee char langar dale, aur bhor ka hona manate rahe.
- 30 parantu jab mallah jahaj par se bhagana chahate the, aur galahee se langar dalane ke bahane dongee samudra men utar dee.
- 31 to paulus ne soobedar aur sipaahiyon se kaha yadi ye jahaj par n rahe, to tum naheen bach sakate.
- 32 tab sipaahiyon ne rasse kattkar dongee gira do.
- 33 jab bhor hone par tha, to paulus ne yah kahake, sab ko bhojan karane ko samajhaya, ki aj chaudah din huae ki tum as dekhte dekhte bookhe rahe, aur kuchh bhojan n kiya.
- 34 isaliye tumhen samajhata hoon ki kuchh kha lo, jis se tumhara bachav ho kyonki tum men se kisee ke sir par aek bal bhee n girega.
- 35 aur yah kahakar us ne rottee lekar sab ke samhane parameshvar ka dhanyavad kiya aur todkar khane laga.
- 36 tab ve sab bhee ddhaddhs bandhakar bhojan karane lage.
- 37 ham sab milakar jahaj par do sau chhhaittr jan the.
- 38 jab ve bhojan karake trapt hua, to genhoo ko samudra men faenk kar jahaj halka karane lage.
- 39 jab bihan hua, to unhon ne us desh ko naheen pahichana, parantu aek khadee dekhee jis ka chauras kinara tha, aur vichar kiya, ki yadi ho sake, to isee par jahaj ko ttkaiiaan.

⁴⁰ tab unhon ne langaron ko kholakar samudra men chhod diya aur usee samay patavaron ke bandhan khol dia, aur hava ke samhane agala pal chaddhakar kinare kee or chale.

⁴¹ parantu do samudra ke sangam kee jagah padkar unhon ne jahaj ko ttkaiaya, aur galahee to dhakka khakar gad gai, aur ttl n sakee parantu pichhadee laharon ke bal se tootne lagee.

⁴² tab sipaahiyon ko vichar hua, ki bandhauon ko mar dalen aeesa n ho, ki koi taairake nikal bhage.

⁴³ parantu soobedar ne paulus ko bachane ko ichchha se unhen is vichar se roka, aur yah kaha, ki jo taair sakate haai, pahile koodakar kinare par nikal jaaen.

³ jab paulus ne lakaadiyon ka gattha battorakar ag par rakha, to aek sanp anch pakar nikala aur usake hath se lipatt gaya.

⁴ jab un jangaaliyon ne sanp ko usake hath men lattke huae dekha, to apas men kaha sachamuch yah manushy hatyara haai, ki yadhyapi samudra se bach gaya, taubhee nyay ne jeeavit rahane n diya.

⁵ tab us ne sanp ko ag men jhttk diya, aur use kuchh hani n pahunchee.

⁶ parantu ve batt johate the, ki vah sooj jaaega, ya aeakaek girake mar jaaega, parantu jab ve bahut der tak dekhte rahe, aur dekha, ki usaka kuchh bhee naheen bigada, to aur hee vichar kar kaha yah to koi devata haai..

⁷ us jagah ke asapas pubaaliyus nam us ttapoo ke pradhaan kee boomi thee: us ne hamen apane ghar le jakar teen din mitrabhav se pahunai kee.

⁸ pubaliyus ka pita jvar aur anv lohoo se rogee pada tha: so paulus ne usake pas ghar men jakar praarthna kee, aur us par hath rakhkar use changa kiya.

⁹ jab aeesa hua, to us ttapoo ke bakee beemar aa, aur change kiae gaae.

¹⁰ aur unhon ne hamara bahut adar kiya, aur jab ham chalane lage, to jo kuchh hamen avashy tha, jahaj par rakh diya..

- 11 teen maheene ke bad ham sikandaariya ke aek jahaj par chal nikale, jo us ttapoo men jade bhr raha tha aur jis ka chinh diyusakooree tha.
- 12 surakoosa men langar dal karake ham teen din ttkai rahe.
- 13 vahan se ham ghoomakar regiyum men aae: aur aek din putiyulee men aae.
- 14 vahan ham ko bhai mile, aur un ke kahane se ham un ke yahan sat din tak rahe aur is reeati se rom ko chale.
- 15 vahan se bhai hamara samachar sunakar aappaiyus ke chauk aur teena-saraae tak hamaree bhentt karane ko nikal aae jinhen dekhkar paulus ne parameshvar ka dhanyavad kiya, aur ddhaddhs bandhaa..
- 16 jab ham rom men pahunche, to paulus ko aek sipahee ke sath jo us kee rakhvalee karata tha, akele rahane kee agyaa hui..
- 17 teen din ke bad us ne yahoodiyon ke bade logon ko bulaya, aur jab ve ikatthe huae to un se kaha he bhaiyo, maain ne apane logon ke ya bapadadon ke vyavaharon ke virodha men kuchh bhee naheen kiya, taubhee bandhaua hokar yarooshalem se romiyon ke hath saunpa gaya.
- 18 unhon ne mujhe janch kar chhod dena chaha, kyonki mujh men mratyu ke yogy koi dosh n tha.
- 19 parantu jab yahoodee is ke virodha men bolane lage, to mujhe kaaisar kee dohai denee padee: n yah ki mujhe apane lagon par koi dosh lagana tha.
- 20 isaliye maain ne tum ko bulaya haai, ki tum se miloon aur batacheet karoon kyonki israael kee asha ke liye maain is janjeer se jakada hua hoon.
- 21 unhon ne us se kaha n ham ne tere vishay men yahoodiyon se chitthiyan pai, aur n bhaiyon men se kisee ne akar tere vishay men kuchh bataya, aur n bura kaha.
- 22 parantu tera vichar kya haai? vahee ham tujh se sunana chahate haai, kyonki ham janate haai, ki har jagah is mat ke virodha men log baten kahate haain..
- 23 tab unhon ne usake liye aek din ttharaya, aur bahut log usake yahan ikatthe hua, aur vah parameshvar ke rajy kee gavahee deta hua, aur moosa kee vyavastha aur bhavishyadvktaon kee pustakon se yeeshu ke vishay men samajha samajhakar bhor se sanjh tak varnn karata raha.
- 24 tab kitanon ne un baton ko man liya, aur kitanon ne prateeti n kee.
- 25 jab apas men aek mat n hua, to paulus ke is aek bat ke kahane par chale gaa, ki pavitra atma ne yashaayah bhvishyadvkta ke dara tumhare bapadadon se achchha kaha, ki jakar in logon se kaha.
- 26 ki sunate to rahoge, parantu n samajhoge, aur dekhte to rahoge, parantu n bujhoge.

27 kyonaki in logon ka man motta, aur un ke kan bharee ho gaa, aur unhon ne apanee ankhen band kee haai, aeesa n ho ki ve kabhee ankhone se dekhe, aur kanon se sune, aur man se samajhen aur fire, aur maain unhen changa karoon.

28 so tum jano, ki parameshvar ke is uddhar kee katha anyajaatiyon ke pas bhejee gai haai, aur ve sunenge.

29 jab us ne yah kaha to yahooder apas men bahut vivad karane lage aur vahan se chale gae..

30 aur vah poore do varsha apane bhade ke ghar men raha.

31 aur jo usake pas ate the, un sab se milata raha aur bina rok tok bahut nidr hokar parameshvar ke rajy ka prachar karata aur prabhu yeesu maseeh kee baten sikhata raha..

- 19 isaliye ki paramashevar ke vishay men gyaan un ke manon men pragatt haai, kyonki parameshvar ne un par pragatt kiya haai.
- 20 kyonaki usake anadekhe gu, arthata us kee sanatan samarth, aur parameshvaratv jagat kee sraashti ke समय se usake kamon ke dara dekhne men ate haai, yahan tak ki ve niroottr haain.
- 21 is karan ki parameshvar ko janane par bhee unhon ne parameshvar ke yogy badai aur dhanyavad n kiya, parantu vyarth vichar karane lage, yahan tak ki un ka nirbuaddh iman andhora ho gaya.
- 22 ve apane ap ko buaddhmaian jatakar moorkh ban gae.
- 23 aur aavinashae parameshvar kee mahima ko nashaman manushy, aur pakshiayo, aur chaupayo, aur renganevale jantuon kee moorat kee samanata men badal dala..
- 24 is karan parameshvar ne unhen un ke man ke abhailashaen ke unasar ashuddhta ke liye chhod diya, ki ve apas men apane shareeron ka anadar karen.
- 25 kyonaki unhon ne parameshvar kee sachchai ko badalakar joott bana dala, aur sraashti kee upasana aur seva kee, n ki us srajanahar kee jo sada dhany haai. ameena..
- 26 isaliye paramashevar ne unhen neech kamanaon ke vash men chhod diya yahan tak ki un kee striayon ne bhee svabhavik vyavahar ko, us se jo svabhav ke virooddh haai, badal dala.
- 27 vaaise hee puroosh bhee striayon ke sath svaabhaavik vyavahar chhodkar apas men kamatur hokar jalane lage, aur purooshaen ne purooshaen ke sath nirlajj kam karake apane bhram ka tteek fal paya..
- 28 aur jab unhon ne parameshvar ko paahichanana n chaha, isaliye parameshvar ne bhee unhen un ke nikamme man par chhod diya ki ve anuachit kam karen.

²⁹ so ve sab prakar ke adharmā, aur dushtta, aur lob, aur baairabhav, se bhr gae aur dah, aur hatya, aur jhgade, aur chhl, aur ishara se bhrapoor ho gaa, aur chugalakhora.

³⁰ badanam karanevale, parameshvar ke dekhne men gharanait, auron ka anadar karanevale, abhaimanee, deengamar, buree buree baton ke bananevale, mata pita kee agyaa n mananevale.

³¹ nirbuaddh,i vishvasaghaatee, mayarahit aur nirday ho gae.

³² ve to parameshvar kee yah vidhai janate haai, ki aeese aeese kam karanevale mutyu ke dand ke yogy haai, taubhee n keval ap hee aeese kam karate haai, baran karanevalon se prasann bhee hote haain..

Romiyon 2

¹ so he dosh laganevale, too koi kyon n ho too niroottr haai! kyonaki jis bat men too doosare par dosh lagata haai, usee bat men apne ap ko bhee doshae ttharata haai, isaliye ki too jo dosh lagata haai, ap hee vahee kam karata haai.

² aur ham jatane haai, ki aeese aeese kam karanevalon par parameshvar kee or se tteek tteek dand kee agyaa hotee haai.

³ aur he manushy, too jo aeese aeese kam karanevalon par dosh lagata haai, aur ap ve hee kam karata haai kya yah samajhta haai, ki too parameshvar kee dand kee agyaa se bach jaaega?

⁴ kya too us kee krapa, aur sahanashaeelata, aur dhaerajaroopee dhan ko tuchchh janata haai? aur kaya yah naheen samajhta, ki parameshvar kee krapa tujhe man firav ko sikhatee haai?

⁵ par apnee kattorata aur hatteele man ke anusar usake krodha ke din ke liye, jis men parameshvar ka sachcha nyay pragatt hoga, apne nimitt krodha kama raha haai.

⁶ vah har aek ko usake kamon ke anusar badala dega.

⁷ jo sukarma men sthiar rahakar maahima, aur adar, aur amarata kee khoj men haai, unhen anant jeevan dega.

⁸ par jo vivadee haai, aur saty ko naheen manate, baran adharmā ko manate haai, un par krodha aur kop padega.

⁹ aur klesh aur sankatt har aek manushy ke praan par jo bura karata haai, pahile yahoodee par fir yoonanee para.

¹⁰ par maahima aur adar or kalyan har aek ko milega, jo bhla karata haai, pahile yahoodee ko fir yoonanee ko.

- 11 kyonaki parameshvar kisee ka paksha naheen karata.
- 12 isaliye ki jinhon ne bina vyavastha paae pap kiya, ve bina vyavastha ke nash bhee honge, aur jinhon ne vyavastha pakar pap kiya, un ka dand vyavastha ke anusar hoga.
- 13 kyonaki parameshvar ke yahan vyavastha ke sunanevale dharmee nahee, par vyavastha par chalaneevale dharmee ttharaae jaaenge.
- 14 fir jab anyajaati log jin ke pas vyavastha nahee, svabhav hee se vyavastha kee baton par chalate haai, to vyavastha un ke pas n hone par bhee ve apane liye ap hee vyavastha haain.
- 15 ve vyavastha kee baten apane dayon men likhee hui dikhne haain aur un ke vivek bhee gavahee dete haai, aur un kee chintaaen paraspar dosh lagatee, ya unhen nirdosh ttharatee haai.
- 16 jis din parameshvar mere susamachar ke anusar yeeshu maseeh ke dara manushyon kee gupt baton ka nyay karega..
- 17 yaadi too yahoodee kahalata haai, aur vyavastha par bhrosa rakhta haai, aur parameshvar ke vishay men ghamand karata haai.
- 18 aur us kee ichchha janata aur vyavastha kee shaiksha pakar uttm uttm baton ko piry janata haai.
- 19 aur apane par bhrosa rakhta haai, ki maain andhaen ka aguva, aur andhakar men pade huon kee jyoti.
- 20 aur buaddhhaieenon ka sikhanevala, aur balakon ka upadeshak hoo, aur gyaan, aur saty ka namoona, jo vyavastha men haai, mujhe mila haai.
- 21 so kya too jo auron ko sikhata haai, apane ap ko naheen sikhata? kya too choree n karane ka upadesh deta haai, ap hee choree karata haai?
- 22 too jo kahata haai, vyaabhaichar n karana, kya ap hee vyabhaichar karata haai? too jo mooraton se gharana karata haai, kya ap hee maandairon ko lootta haai.
- 23 too jo vyavastha ke vishay men ghamand karata haai, kya vyavastha n manakar, parameshvar ka anadar karata haai?
- 24 kyonaki tumhare karan anyajaatiyon men parameshvar ke nam kee ninda kee jatee haai jaisa likha bhee haai.
- 25 yaadi too vyavastha par chale, to khtane se laabh to haai, parantu yadi too vyavastha ko n mane, to tera khtana bin khtana kee dasa tthara.
- 26 so yaadi khtanaraahit manushy vyavastha kee vidhaiyon ko mana kare, to kya us kee bin khtana kee dasa khtane ke barabar n ginee jaaegee?

27 aur jo manushy jaati ke karan bin khtana raha yaadi vah vyavastha ko poora kare, to kya tujhe jo lekh pane aur khtana kiae jane par bhee vyavastha ko mana naheen karata haai, doshaee n ttharaaega?

28 kyonaki vah yahoodee nahee, par pragatt men haai, aur deh men haai.

29 par yahoodee vahee haai, jo man men haai aur khtana vahee haai, jo day ka aur atma men haai n ki lekh ka: aeese kee prashansa manushyon kee or se nahee, parantu parameshvar kee or se hotee haai..

Romiyon 3

1 so yahoodee kee kya badai, ya khtane ka kya labh?

2 har prakar se bahut kuchh. pahile to yah ki paramashevar ke vachan un ko saunpe gaae.

3 yaadi kitane vishvasaghaatee nikale bhee to kya hua. kya unake vishvasaghaatee hone se parameshvar kee sachchai vyarth ttharegee?

4 kadapi nahee, baran parameshvar sachcha aur har aek manushy jootta tthare, jaaisa likha haai, ki jis se too apanee baton men dharmee tthare aur nyay karate samay too jay paae.

5 so yaadi hamara adharma parameshvar kee dhaarmikata tthara deta haai, to ham kya kahen? kya yah ki parameshvar jo krodha karata haai anyayee haai? yah to maain manushy kee reeti par kahata hoon.

6 kadapi nahee, naheen to parameshvar kyonkar jagat ka nyay karega?

7 yaadi mere joott ke karan parameshvar kee sachchai us ko mahima ke liye aadhaik karake pragatt hui, to fir kyon papee kee nai maain dand ke yogy ttharaya jata hoon?

8 aur ham kyon burai n kare, ki bhlai nikale? jab ham par yahee dosh lagaya bhee jata haai, aur kitane kahate haain? ki in ka yahee kahana haai: parantu aeeson ka doshaee ttharana tteek haai..

9 to fir kya hua? kya ham un se achchhe haain? kabhee nahanee kyonki ham yahoodiyon aur yoonaniyon donon par yah dosh laga chuke haain ki ve sab ke sab pap ke vash men haain.

10 jaaisa likha haai, ki koi dharmee nahee, aek bhee naheen.

11 koi samajhdar nahee, koi parameshvar ka khojanevala naheen.

12 sab bhthk gaae haai, sab ke sab nikamme ban gaa, koi bhlai karanevala nahee, aek bhee naheen.

- 13 un ka gala khulee hui kabra haai: unheen ne apanee jeebhon se chhl kiya haai: un ke hotton men sapon ka vish haai.
- 14 aur un ka munh shraap aur kadvahatt se bhra haai.
- 15 un ke panv lohoo bahane ko faurteele haain.
- 16 un ke magorn men nash aur klesh haai.
- 17 unhon ne kushal ka marga naheen jana.
- 18 un kee ankhon ke samhane parameshvar ka bhy naheen.
- 19 ham janate haai, ki vyavastha jo kuchh kahatee haai unheen se kahatee haai, jo vyavastha ke adhaeen haain: isaliye ki har aek munh band kiya jaa, aur sara sansar parameshvar ke dand ke yogy tthare.
- 20 kyeanki vyavastha ke kamon se koi praanee usake samhane dharmee naheen ttharega, isaaliye ki vyavastha ke dara pap kee paahichan hottee haai.
- 21 par ab bina vyavastha parameshvar kee dhaarmikata pragatt hui haai, jis kee gavahee vyavastha aur bhvishyadvkta dete haain.
- 22 arthata parameshvar kee vah dhaarmikata, jo yeeshu maseeh par vishvas karane se sab vishvas karanevalon ke liye haai kyonki kuchh bhed naheen.
- 23 isaliye ki sab ne pap kiya haai aur parameshvar kee maahima se raahit haai.
- 24 parantu usake anugrah se us chhuttikare ke dara jo maseeh yeeshu men haai, sent ment dharmee ttharaae jate haain.
- 25 use parameshvar ne usake lohoo ke karan ek aeesa praayaashchaitt ttharaya, jo vishvas karane se karyakaree hota haai, ki jo pap pahile kiae gaa, aur jin kee parameshvar ne apanee sahanashaeelata se anakanee kee un ke vishay men vah apanee dhaarmikata pragatt kare.
- 26 baran isee samay us kee dhaarmikata pragatt ho ki jis se vah ap hee dharmee tthare, aur jo yeeshu par vishvas kare, usaka bhee dharmee ttharanevala ho.
- 27 to ghamand karana kahan raha? us kee to jagah hee naheen: kaun see vyavastha ke karan se? kya karmon kee vyavastha se? nahee, baran vishvas kee vyavastha ke karan.
- 28 isaliye ham is paarinam par pahunchate haai, ki manushy vyavastha ke kamon ke bina vishvas ke dara dharmee ttharata haai.
- 29 kya parameshvar keval yahoodiyon heen ka haai? kya anyajatiyon ka naheen? ha, anyajaatiyon ka bhee haai.
- 30 kyonaki aek hee parameshvar haai, jo khtanavalon ko vishvas se aur khtanaraahiton ko bhee vishvas ke dara dharmee ttharaaega.

³¹ te kya ham vyavastha ko vishvas ke dara vyarth ttharate haain? kadaapi naheen baran vyavastha ko sthiar karate haain..

Romiyon 4

¹ so ham kya kahe, ki hamare shaareerik pita ibraaheem ko kya praapt hua?

² kyonaki yadi ibraaheem kamon se dharmee ttharaya jata, to use ghamand karane kee jagah hotee, parantu parameshvar ke nikatt naheen.

³ paavitra shaasr kya kahata haai? yah ki ibraaheem ne parameshvar par vishvas kiya, aur yah usake liye dhaarmikata gina gaya.

⁴ kam karanevale kee majadooree dena dan nahee, parantu hakk samajha jata haai.

⁵ parantu jo kam naheen karata baran bhktaiheen ke dharmee ttharanevale par vishvas karata haai, usaka vishvas usake liye dhaarmikata gina jata haai.

⁶ jise parameshvar bina kamon ke dharmee ttharata haai, use daud bhee dhany kahata haai.

⁷ ki dhany ve haai, jin ke adharma kshama hua, aur jin ke pap ddhape gaae.

⁸ dhany haai vah manushy jise parameshvar papee n ttharaae.

⁹ te yah dhany kahana, kya khtanavalon hee ke liye haai, ya khtanaraahiton ke liye bhee? ham yah kahate haai, ki ibraaheem ke liye usaka vishvas dhaarmikata gina gaya.

¹⁰ to vah kyonkar gina gaya? khtane kee dasha men ya bina khtane kee dasha men? khtane kee dasha men naheen parantu bina khtane kee dasha men.

¹¹ aur us ne khtane ka chinh paya, ki us vishvas kee dhaarmikata par chhap ho jaa, jo us ne bina khtane kee dasha men rakha tha: jis se vah un sab ka pita tthare, jo bina khtane kee dasha men vishvas karate haai, aur ki ve bhee dharmee ttharen.

¹² aur un khtana kiae huon ka pita ho, jo n keval khtana kiae huae haai, parantu hamare pita ibraaheem ke us vishvas kee leek par bhee chalute haai, jo us ne bin khtane kee dasha men kiya tha.

¹³ kyonaki yah pratigyaa ki vah jagat ka vaaris hoga, n ibraaheem ko, n usake vansh ko vyavastha ke dara dee gai thee, parantu vishvas kee dhaarmikata ke dara milee.

¹⁴ kyonaki yadi vyavasthavale varis haai, to vishvas vyarth aur pratigyaa nishfal ttharee.

15 vyavastha to krodha upajatee haai aur jahan vyavastha naheen vahan usaka ttalana bhee naheen.

16 isee karan vah vishvas ke dara milatee haai, ki anugrah kee reeti par ho, ki pratigyaa sab vansh ke liye draddh ho, n ki keval usak liye jo vyavasthavala haai, baran un ke liye bhee jo ibraaheem ke saman vishvasavale haain: vahee to ham sab ka pita haai.

17 jaaisa likha haai, ki maain ne tujhe bahut see jaatiyon ka pita ttharaya haai us paramashevar ke samhane jis par us ne vishvas kiya aur jo mare huon ko jilata haai, aur jo baten haain hee nahee, un ka nam aeesa leta haai, ki mano ve haain.

18 us ne nirasha men bhee asha rakhkar vishvas kiya, isaliye ki us vachan ke anusar ki tera vansh aeesa hoga vah bahut see jatiyon ka pita ho.

19 aur vah jo aek sau varsha ka tha, apane mare huae se shareer aur sara ke garbh kee maree hui kee see dasha janakar bhee vishvas men nirbal n hua.

20 aur n avishvasee hokar parameshvar kee pratigyaa par sandeh kiya, par vishvas men draddh hokar parameshvar kee mahima kee.

21 aur nishchay jana, ki jis bat kee us ne pratigyaa kee haai, vah use pooree karane ko bhee samarthee haai.

22 is kara, yah usake liye dhaarmikata gina gaya.

23 aur yah vachan, ki vishvas usake liye dhaarmikata giya gaya, n keval usee ke liye likha gaya.

24 baran hamare liye bhee jin ke liye vishvas dhaarmikata gina jaaega, arthata hamare liye jo us par vishvas karate haai, jis ne hamare prabhu yeeshu ko mare huon men se jilaya.

25 vah hamare aparadhaen ke liye pakadvaya gaya, aur hamare dharmee ttharane ke liye jilaya bhee gaya..

Romiyon 5

1 se jab ham vishvas se dharmee tthare, to apane prabhu yeeshu maseeh ke dara parameshvar ke sath mel rakhen.

2 jis ke dara vishvas ke karan us anugrah tak, jis men ham bane haai, hamaree pahunch bhee hui, aur parameshvar kee maahima kee asha par ghamand karen.

3 keval yahee nahee, baran ham kleshaen men bhee ghamand kare, yahee janakar ki klesh se dhaeeraja.

4 or dhaeeraj se khra nikalana, aur khre nikalane se asha utpann hotee haai.

- ⁵ aur asha se lajja naheen hotee, kyonki pavitra atma jo hamen diya gaya haai usake dara parameshvar ka praem hamare man men dala gaya haai.
- ⁶ kyonaki jab ham nirbal hee the, to maseeh tteek samay par bhaktaiheenon ke liye mara.
- ⁷ kisee dharmee jan ke liye koi mare, yah to durlabh haai, parantu kya jane kisee bhle manushy ke liye koi marane ka bhee hiyav kare.
- ⁸ parantu parameshvar ham par apane praem kee bhilai is reeti se pragatt karata haai, ki jab ham papee hee the tabhee maseeh hamare liye mara.
- ⁹ so jab ki ham, ab usake lohoon ke karan dharmee tthare, to usake dara krodha se kyon n bachenge?
- ¹⁰ kyonaki baairae hone kee dasa men to usake putra kee mratyu ke dara hamara mel parameshvar ke sath hua fir mel ho jane par usake jeevan ke karan ham uddhar kyon n paaenge?
- ¹¹ aur keval yahee nahee, parantu ham apane prabhu yeeshu maseeh ke dara jis ke dara hamara mel hua haai, parameshvar ke vishay men ghamand bhee karate haain..
- ¹² isaliye jaaisa aek manushy ke dara pap jagat men aya, aur pap ke dara mratyu ai, aur is reeti se mratyu sab manushyon men faail gai, isaliye ki sab ne pap kiya.
- ¹³ kyonaki vyavastha ke diae jane tak pap jagat men to tha, parantu jahan vyavastha nahee, vahan pap gina naheen jata.
- ¹⁴ taubhee adam se lekar moosa tak mratyu ne un logon par bhee rajy kiya, jinhon ne us adam ke aparadha kee nain jo us anevale ka chinh haai, pap n kiya.
- ¹⁵ par jaaisa aparadha kee dasa haai, vaaisee anugrah ke baradan kee nahee, kyonki jab aek manushy ke aparadha se bahut log mare, to parameshvar ka anugrah aur usaka jo dan aek manushy ke, arthata yeeshu maseeh ke anugrah se hua bahutere lagon par avashy hee adhaikai se hua.
- ¹⁶ aur jaaisa aek manushy ke pap karane ka fal hua, vaaisa hee dan kee dasa nahee, kyonki aek hee ke karan dand kee agyaa ka faaisala hu, parantu bahutere aparadhaen se aeese baradan utpann hua, ki log dharmee tthare.
- ¹⁷ kyonaki jab aek manushy ke aparadha ke karan mratyu ne us aek hee ke dara rajy kiya, to jo log anugrah aur dharmaroomee baradan bahutayat se pate haain ve aek manushy ke, arthata yeeshu maseeh ke dara avashy hee anant jeevan men rajy karenge.
- ¹⁸ isaliye jaaisa aek aparadha sab manushyon ke liye dand kee agyaa ka karan hua, vesa hee aek dharma ka kam bhee sab manushyon ke liye jeevan ke nimitt dharmee ttharaae jane ka karan hua.

¹⁹ kyonaki jaaisa aek manushy ke agyaa n manane se bahut log papee tthare, vaaise hee aek manushy ke agyaa manane se bahut log dharmee ttharenge.

²⁰ aur vyavastha beech men a gai, ki aparadha bahut ho, parantu jahan pap bahut hua, vahan anugrah us se bhee kaheen adhaik hua.

²¹ ki jaaisa pap ne mratyu faailate huae rajy kiya, vaaisa hee hamare prabhu yeeshu maseeh ke dara anugrah bhee anant jeevan ke liye dharmee ttharate huae rajy kare..

Romiyon 6

¹ so ham kya kahen? kya ham pap karate rahe, ki anugrah bahut ho?

² kadapi nahee, ham jab pap ke liye mar gae to fir age ko us men kyonkar jeevan binaaen?

³ kya tum naheen janate, ki ham jitanon ne maseeh yeeshu ka bapaatisma liya to us kee mratyu ka bapatisma liya?

⁴ so us mratyu ka bapatisma pane se ham usake sath gade gaa, taki jaaise maseeh pita kee maahima ke dara mare huon men se jilaya gaya, vaaise hee ham bhee naae jeevan kee see chal chalen.

⁵ kyonaki yadi ham us kee mratyu kee samanata men usake sath jutt gae haai, to nishchay usake jee uttne kee samanata men bhee jutt jaaenge.

⁶ kyonaki ham janate haain ki hamara purana manushyatv usake sath kroos par chaddhaya gaya, taaki pap ka shareer vyarth ho jaa, taaki ham age ko pap ke dasatv men n rahen.

⁷ kyonaki jo mar gaya, vah pap se chootkar dharmee tthara.

⁸ so yaadi ham maseeh ke sath mar gaa, to hamara vishvas yah haai, ki usake sath jeevaenge bhee.

⁹ kyonaki yah janate haai, ki maseeh mare huon men se jee uttkar fir marane ka nahee, us par fir mratyu kee prabhuta naheen hone kee.

¹⁰ kyonaki vah jo mar gaya to pap ke liye aek hee bar mar gaya parantu jo jeeavit haai, to parameshvar ke liye jeeavit haai.

¹¹ aeese hee tum bhee apne ap ko pap ke liye to mara, parantu parameshvar ke liye maseeh yeeshu men jeeavit samajho.

¹² isaliye pap tumhare maranahar shareer men rajy n kare, ki tum us kee lalasaon ke adhaeen raho.

13 aur n apane ango ko adharma ke hathaiyar hone ke liye pap ko saunpo, par apane ap ko mare huon men se jee utta hua janakar paramashevar ko saunpo, aur apane ango ko dharma ke hathaiyar hone ke liye parameshvar ko saunpo.

14 aur tum par pap kee prabhuta n hogee, kyonaki tum vyavastha ke adhaeen naheen baran anugrah ke adhaeen ho..

15 to kya hua? kya ham isaaliye pap kare, ki ham vyavastha ke adhaeen naheen baran anugrah ke adhaeen haain? kadaapi naheen.

16 kya tum naheen janate, ki jis kee agyaa manane ke liye tum apane ap ko dason kee nain saunp dete ho, usee ke das ho: aur jis kee manate ho, chahe pap ke, jis ka ant mratyuu haai, chahe agyaa manane ke, jis ka ant dhaarmikata haai?

17 parantu paramashevar ka dhanyavad ho, ki tum jo pap ke das the taubhee man se us upadesh ke mananevale ho gaa, jis ke sanche men ddhale gaae the.

18 aur pap se chhudaae jakar dharma ke das ho gaae.

19 maain tumharee shaareearik durbalata ke karan manushyon kee reeati par kahata hoo, jaaise tum ne apane ango ko kukarma ke liye ashuddha aur kukarma ke das karake saunpa tha, vaaise hee ab apane angon ko paavitrata ke liye dharma ke das karake saunp do.

20 jab tum pap ke das the, to dharma kee or se svatantra the.

21 so jin baton se ab tum lajjait hote ho, un se us samay tum kya fal pate the?

22 kyonaki un ka ant to mratyuu haai parantu ab pap se svatantra hokar aur parameshvar ke das banakar tum ko fal mila jis se pavitrata praapt hotee haai, aur usaka ant anant jeevan haai.

23 kyonaki pap kee majadooree to mratyuu haai, parantu parameshvar ka baradan hamare prabhu yeeshu maseeh men anant jeevan haai..

Romiyon 7

1 he bhaiyo, kya tum naheen jatane maain vyavastha ke jananevalon se kahata hoon, ki jab tak manushy jeevit rahata haai, tak tak us par vyavastha kee praboota rahatee haai?

2 kyonaki vivaahita sree vyavastha ke anusar apane paati ke jeete jee us se bandhaee haai, parantu yaadi pati mar jaa, to vah pati kee vyavastha se choott gai.

3 so yaadi pati ke jeete jee vah kisee doosare puroosh kee ho jaa, to vyaabhaicharinee kahalaaegee, parantu yaadi pati mar jaa, to vah us vyavastha se choott gai, yahan tak ki yadi kisee doosare puroosh kee ho jaa, taubhee vyaabhaicharinee n ttharegee.

⁴ so he mere bhaiyo, tum bhee maseeh ke deh ke dara vyavastha ke liye mare huae ban gaa, ki us doosare ke ho jao, jo mare huon men se jee utta: taaki ham parameshvar ke liye fal laaen.

⁵ kyonaki jab ham shaareerik the, to papon kee aabhailashaayen jo vyavastha ke dara thee, mratyu ka fal utpann karane ke liye hamare angon men kam karatee theen.

⁶ parantu jis ke bandhan men ham the usake liye mar kar, ab vyavastha se aeese choott gaa, ki lekh kee puranee reeti par nahee, baran atma kee nai reeti par seva karate haain..

⁷ to ham kya kahen? kya vyavastha pap haai? kadaapi naheen! baran bina vyavastha ke maain pap ko naheen paahichanata: vyavastha yaadi n kahatee, ki lalach mat kar to maain lalach ko n janata.

⁸ parantu pap ne avasar pakar agyaa ke dara mujh men sab prakar ka lalach utpann kiya, kyonaki bina vyavastha ke pap murda haai.

⁹ maain to vyavastha bina paahile jeeavit tha, parantu jab agyaa ai, to pap jee gaya, aur maain mar gaya.

¹⁰ aur vahee agyaa jo jeevan ke liye thee mere liye mratyu ka karan ttharee.

¹¹ kyonaki pap ne avasar pakar agyaa ke dara mujhai bahakaya, aur usee ke dara mujhe mar bhee dala.

¹² isaliye vyavastha paavitra haai, aur agyaa bhee tteek aur achchhee haai.

¹³ to kya vah jo achchhee thee, mere liye mratyu ttharee? kadapi naheen! parantu pap us achchhee vastu ke dara mere liye mratyu ka utpann karanevala hua ki usaka pap hona pragatt ho, aur agyaa ke dara pap bahut hee papamay tthare.

¹⁴ kyonaki ham janate haain ki vyavastha to atmaik haai, parantu maain shareerik aur pap ke hath bika hua hoon.

¹⁵ aur jo maain karata hoo, us ko naheen janata, kyonaki jo maain chahata hoo, vah naheen kiya karata, parantu jis se mujhe gharana atee haai, vahee karata hoon.

¹⁶ aur yaadi, jo maain naheen chahata vahee karata hoo, to maain man leta hoo, ki vyavastha bhlee haai.

¹⁷ to aeesee dasha men usaka karanevala maain nahee, baran pap haai, jo mujh men basa hua haai.

¹⁸ kyonaki maain janata hoo, ki mujh men arthata mere shareer men koi achchhee vastu vas naheen karatee, ichchha to mujh men haai, parantu bhle kam mujh se ban naheen padte.

¹⁹ kyonaki jis achchhe kam kee maain ichchha karata hoo, vah to naheen karata, parantu jis burai kee ichchha naheen karata vahee kiya karata hoon.

²⁰ parantu yadi maain vahee karata hoo, jis kee ichchha naheen karata, to usaka karanevala maain n raha, parantu pap jo mujh men basa hua haai.

²¹ so maain yah vyavastha pata hoo, ki jab bhilai karane kee ichchha karata hoo, to burai mere pas atee haai.

²² kyonaki maain bheetaree manushyatv se to parameshvar kee vyavastha se bahut prasann rahata hoon.

²³ parantu mujhe apane ango men doosare prakar kee vyavastha dikhai padtee haai, jo meree buaddh ikee vyavastha se ladtee haai, aur mujhe pap kee vyavastha ke bandhan men dalatee haai jo mere angon men haai.

²⁴ maain kaaisa abhaga manushy hoon! mujhe is mratyu kee deh se kaun chhudaega?

²⁵ maain apane prabhu yeeshu maseeh ke dara parameshvar ka dhanyavad karata hoon: nidan maain ap buddh ise to parameshvar kee vyavastha ka, parantu shareer se pap kee vyavastha ka sevan karata hoon..

Romiyon 8

¹ so ab jo maseeh yeeshu men haai, un par dand kee agyaa naheen: kyonki ve shareer ke anusar naheen baran atma ke anusar chalate haain.

² kyonaki jeevan kee atma kee vyavastha ne maseeh yeeshu men mujhe pap kee, aur mratyu kee vyavastha se svatantra kar diya.

³ kyonaki jo kam vyavastha shareer ke karan durbal hokar n kar sakee, us ko parameshvar ne kiya, arthata apane hee putra ko papamay shareer ke samanata me, aur pap ke balidan hone ke liye bhejekar, shareer men pap par dand kee agyaa dee.

⁴ isaliye ki vyavastha kee vidhai ham men jo shareer ke anusar naheen baran atma ke anusar chalate haai, pooree kee jaae.

⁵ kyonaki shareearik vyaaktai shareer kee baton par man lagate haain parantu adhyaatmaik atma kee baton par man lagate haain.

⁶ shareer par man lagana to mratyu haai, parantu atma par man lagana jeevan aur shaantai haai.

⁷ kyonaki shareer par man lagana to parameshvar se baair rakhna haai, kyonaki n to parameshvar kee vyavastha ke adhaeen haai, aur n ho sakata haai.

- ⁸ aur jo shaareearik dasha men haai, ve parameshvar ko prasann naheen kar sakate.
- ⁹ parantu jab ki parameshvar ka atma tum men basata haai, to tum shaareearik dasha men nahee, parantu aatmaik dasha men ho. yaadi kisee men maseeh ka atma naheen to vah usaka jan naheen.
- ¹⁰ aur yaadi maseeh tum men haai, to deh pap ke karan maree hui haai parantu atma dharma ke karan jeeavit haai.
- ¹¹ aur yaadi usee ka atma jis ne yeeshu ko mare huon men se jilaya tum men basa hua haai to jis ne maseeh ko mare huon men se jilaya, vah tumharee maranahar dehon ko bhee apane atma ke dara jo tum men basa hua haai jilaaega.
- ¹² so he bhaiyo, ham shareer ke karjadan nahee, taki shareer ke anusar din katten.
- ¹³ kyonaki yadi tum shareer ke anusar din kattoge, to maroge, yadi atma se deh kee kriyaon ko maroge, to jeevit rahoge.
- ¹⁴ isaliye ki jitane log parameshvar ke atma ke chalaee chalte haai, ve hee parameshvar ke putra haain.
- ¹⁵ kyonaki tum ko dasatv kee atma naheen milee, ki fir bhyabheet ho parantu lepalakapan kee atma milee haai, jis se ham he abba, he pita kahakar pukarate haain.
- ¹⁶ atma ap hee hamaree atma ke sath gavahee deta haai, ki ham parameshvar kee santan haain.
- ¹⁷ aur yaadi santan haai, to varis bhee, baran parameshvar ke vaaris aur maseeh ke sangee vaaris haai, jab ki ham usake sath dukh uttaaen ki usake sath mahima bhee paaen..
- ¹⁸ kyonaki maain samajhta hoo, ki is samay ke du:kh aur klesh us mahima ke samhane, jo ham par pragatt honevalee haai, kuchh bhee naheen haain.
- ¹⁹ aikyonki srashtti badee ashaabhree drashtti se parameshvar ke putraen ke pragatt hone kee batt joh rahee haai.
- ²⁰ kyonaki srashtti apanee ichchha se naheen par adhaeen karanevale kee or se vyarthta ke adhaeen is asha se kee gai.
- ²¹ ki srashtti bhee ap hee vinash ke dasatv se chhuttakara pakar, parameshvar kee santanon kee mahima kee svatantrata praapt karegee.
- ²² kyonaki ham janate haai, ki saree srashtti ab tak milakar kaharatee aur peedaon men padee tadpatee haai.

23 aur keval vahee naheen par ham bhee jin ke pas atma ka pahila fal haai, ap hee apane men kaharate haain aur lepalak hone kee, arthata apanee deh ke chhuttikare kee batt johate haain.

24 asha ke dara to hamara uddhar hua haai parantu jis vastu kee asha kee jatee haai jab vah dekhne men aa, to fir asha kahan rahee? kyoki jis vastu ko koi dekh raha haai us kee asha kya karega?

25 parantu jis vastu ko ham naheen dekhte, yaadi us kee asha rakhte haai, to dhaeraj se us kee batt jahate bhee haain..

26 isee reeti se atma bhee hamaree durbalata men sahayata karata haai, kyonaki ham naheen janate, ki praarthna kis reeti se karana chahiae parantu atma ap hee aeese ahen bhr bhrakar jo bayan se bahar haai, hamare liye binatee karata haai.

27 aur manon ka janchanevala janata haai, ki atma kee manasa kya haai? kyonki vah pavitra logon ke liye parameshvar kee ichchha ke anusar binatee karata haai.

28 aur ham janate haai, ki jo log parameshvar se praem rakhte haai, un ke liye sab baten milakar bhilai hee ko utpann karatee haai arthata unheen ke liye jo us kee ichchha ke anusar bulaae huae haain.

29 kyonaki jinhen us ne pahile se jan liya haai unhen paahile se ttharaya bhee haai ki usake putra ke svaroop men hon taaki vah bahut bhaiyon men paahilautta tthare.

30 fir jinhen un se pahile se ttharaya, unhen bulaya bhee, aur jinhen bulaya, unhen dharmee bhee ttharaya haai, aur jinhen dharmee ttharaya, unhen mahima bhee dee haai..

31 so ham in baton ke vishay men kya kahen? yadi parameshvar hamaree or haai, to hamara virodhaee kaun ho sakata haai?

32 jis ne apane nij putra ko bhee n rakh chhoda, parantu use ham sab ke liye de diya: vah usake sath hamen aur sab kuchh kyonkar n dega?

33 parameshvar ke chune huon par dosh kaun lagaaega? parameshvar vah haai jo unako dharmee ttharanevala haai.

34 fir kaun haai jo dand kee agyaa dega? maseeh vah haai jo mar gaya baran murdon men se jee bhee utta, aur parameshvar kee daahitee or haai, aur hamare liye nivedan bhee karata haai.

35 kaun ham ko maseeh ke praem se alag karega? kya klesha, ya sankat, ya upadrav, ya akal, ya nangai, ya jokhaim, ya talavara?

36 jaaisa likha haai, ki tere liye ham din bhr ghaat kiae jate haain ham vadha honevalee bhendon kee nai gine gae haain.

³⁷ parantu in sab baton men ham usake dara jis ne ham se praem kiya haai, jayavant se bhee baddhkar haain.

³⁸ kyonaki maain nishchay janata hoo, ki n mratyu, n jeevan, n svargadoot, n pradhaanataae, n vartaman, n bhavishy, n samarth, n unchai,

³⁹ n gahirai aur n koi aur srashtti, hamen parameshvar ke praem se, jo hamare prabhu maseeh yeesu men haai, alag kar sakegee..

Romiyon 9

¹ maain maseeh men sach kahata hoo, joott naheen bolata aur mera vivek bhee paavitra atma men gavahee deta haai.

² ki mujhe bada shaek haai, aur mera man sada dukhta rahata haai.

³ kyonaki maain yahan tak chahata tha, ki apane bhaiyo, ke liye jo shareer ke bhav se mere kuttumbee haai, ap hee maseeh se shaapit ho jata.

⁴ ve israaelee haain aur lepalakapan ka hakk aur mahima aur vachaaen aur vyavastha aur upasana aur praatigyaaaen unheen kee haain.

⁵ purakhe bhee unheen ke haai, aur maseeh bhee shareer ke bhav se unheen men se hua, jo sab ke upar param parameshvar yuganuyug dhany haai. ameena.

⁶ parantu yah nahee, ki parameshvar ka vachan ttl gaya, isaaliye ki jo israael ke vansh haai, ve sab israaelee naheen.

⁷ aur n ibraaheem ke vansh hone ke karan sab us kee santan tthare, parantu likha haai ki isahak hee se tera vansh kahalaaega.

⁸ arthata shareer kee santan parameshvar kee santan nahee, parantu praatigyaa ke santan vansh gine jate haain.

⁹ kyonaki pratigyaa ka vachan yah haai, ki maain is samay ke anusar aunga, aur sara ke putra hoga.

¹⁰ aur keval yahee nahee, parantu jab ribaka bhee aek se arthata hamare pita isahak se garbhvatee thee.

¹¹ aur abhee tak n to balak janme the, aur n unhon ne kuchh bhla ya bura kiya tha ki us ne kaha, ki jetta chhuttke ka das hoga.

¹² isaliye ki parameshvar kee manasa jo usake chun lene ke anusar haai, karmon ke karan nahee, parantu bulanevale par banee rahe.

¹³ jaaisa likha haai, ki maain ne yakoob se praem kiya, parantu aesau ko aapiry jana..

¹⁴ so ham kya kahen? kya parameshvar ke yahan anyay haai? kadapi naheen!

- 15 kyonaki vah moosa se kahata haai, maain jis kisee par daya karana chahoo, us par daya karoonga, aur jis kisee par krapa karana chahoon usee par krapa karoonga.
- 16 so yah n to chahanevale kee, n daudnevale kee parantu daya karanevale parameshvar kee bat haai.
- 17 kyeanki pavitra shaasr men firaun se kaha gaya, ki maain ne tujhe isee liye khda kiya haai, ki tujh men apanee samarth dikhau, aur mere nam ka prachar saree prathvee par ho.
- 18 so vah jis par chahata haai, us par daya karata haai aur jise chahata haai, use kattor kar deta haai.
- 19 so too mujh se kahega, vah fir kyon dosh lagata haai? kaun us kee ichchha ka samhana karata haain?
- 20 he manushy, bhla too kaun haai, jo parameshvar ka samhana karata haai? kya gaddhee hui vastu gaddhnevale se kah sakatee haai ki too ne mujhe aeesa kyon banaya haai?
- 21 kya kumhar ko mittee par aadhaikar nahee, ki aek hee launde me se, aek baratan adar ke liye, aur doosare ko anadar ke liye banaae? to is men kaun see achambhe kee bat haai?
- 22 ki parameshvar ne apana krodha dikhane aur apanee samarth pragatt karane kee ichchha se krodha ke baratanon kee, jo vinash ke liye taaiyar kiae gae the bade dhaeraj se sahee.
- 23 aur daya ke baratanon par jinhen us ne mahima ke liye paahile se taaiyar kiya, apne maahima ke dhan ko pragatt karane kee ichchha kee?
- 24 arthata ham par jinhen us ne n keval yahoodiyon men se baran anyajaatiyon men se bhee bulaya.
- 25 jaaisa vah hosho kee pustak men bhee kahata haai, ki jo merree praja n thee, unhen maain apanee praja kahoonga, aur jo pirya n thee, use pirya kahoonga.
- 26 aur aeesa hoga ki jis jagah men un se yah kaha gaya tha, ki tum merree praja naheen ho, usee jagah ve jeevate parameshvar kee santan kahalaenge.
- 27 aur yashaayah israael ke vishay men pukarakar kahata haai, ki chahe israael kee santanon kee ginatee samudra ke baloo ke barabar ho, taubhee un men se thode hee bachenge.
- 28 kyonaki prabhu apana vachan prathvee par poora karake, dhaarmikata se shaeeha use siddh karega.

²⁹ jaaisa yashaayah ne pahile bhee kaha tha, ki yadi senaon ka prabhu hamare liye kuchh vansh n chhodta, to ham sadom kee nain ho jate, aur amora ke sareekhe ttharate..

³⁰ so ham kya kahen? yah ki anyajaatiyon ne jo dhaarmikata kee khoj naheen karate the, dhaarmikata praapt kee arthata us dhaarmikata ko jo vishvas se haai.

³¹ parantu israaelee jo dharma kee vyavastha kee khoj karate huae us vyavastha tak naheen pahunche.

³² kis liye? isaliye ki ve vishvas se nahee, parantu manon karmon se us kee khoj karate the: unhon ne us ttokar ke patthr par ttokar khai.

³³ jaaisa likha haai dekho maain siyyon men aek ttes lagane ka patthr, aur ttokar khane kee chattan rakhta hoon aur jo us par vishvas karega, vah lajjait n hoga..

Romiyaon 10

¹ he bhaiyo, mere man kee abhailasha aur un ke liye parameshvar se meree praarthna haai, ki ve uddhar paaen.

² kyonaki maain un kee gavahee deta hoo, ki un ko parameshvar ke liye dhaun rahatee haai, parantu buddhmaianee ke sath naheen.

³ kyonkai ve parameshvar kee dhaarmikata se anajan hokar, aur apanee dhaarmikata sthapan karane ka yatn karake, parameshvar kee dhaarmikata ke adhaeen n huae.

⁴ kyonaki har aek vishvas karanevale ke liye dhaarmikata ke nimitt maseeh vyavastha ka ant haai.

⁵ kyonaki moosa ne yah likha haai, ki jo manushy us dhaarmikata par jo vyavastha se haai, chalata haai, vah isee karan jeevit rahega.

⁶ parantu jo dhaarmikata vishvas se haai, vah yon kahatee haai, ki too apane man men yah n kahana ki svarga par kaun chaddhega? arthata maseeh ko utar lane ke liye!

⁷ ya gaahirav men kaun utarega? arthata maseeh ko mare huon men se jilakar upar lane ke liye!

⁸ parantu kya kahatee haai? yah, ki vachan tere nikatt haai, tere munh men aur tere man men haai yah vahee vishvas ka vachan haai, jo ham prachar karate haain.

⁹ ki yadi too apane munh se yeeshu ko prabhu janakar angeekar kare aur apane man se vishvas kare, ki parameshvar ne use mare huon men se jilaya, to too nishchay uddhar paaega.

10 kyonaki dhaarmikata ke liye man se vishvas kiya jata haai, aur uddhar ke liye munh se angeekar kiya jata haai.

11 kyonaki pavitra shaasr yah kahata haai ki jo koi us par vishvas karega, vah lajjait n hoga.

12 yahoodiyon aur yonaaniyon men kuchh bhed nahee, isaaliye ki vah sab ka prabhu haai aur apane sab nam lenevalon ke liye udar haai.

13 kyonaki jo koi prabhu ka nam lega, vah uddhar paaega.

14 fir jis par unhon ne vishvas naheen kiya, ve usaka nam kyonkar len? aur jis kee naheen sunee us par kyonkar vishvas karen?

15 aur pracharak bina kyonkar sunen? aur yadi bheje n jaae, to kyonkar prachar karen? jaaisa likha haai, ki un ke panv kya hee sohavane haai, jo achchhee baton ka susamachar sunate haain.

16 parantu sab ne us susamachar par kan n lagaya: yashaayah kahata haai, ki he prabhu, kis ne hamare samachar kee prateeati kee haai?

17 so vishvas sunane se, aur sunana maseeh ke vachan se hota haai.

18 parantu maain kahata hoo, kya unhon ne naheen suna? suna to sahee kyonaki likha haai ki un ke svar saree prathvee par, aur un ke vachan jagat kee chhor tak pahunch gaae haain.

19 fir maain kahata hoon. kya israaelee naheen janate the? paahile to moosa kahata haai, ki maain un ke dara jo jati nahee, tumhare man men jalan upajaunga, maain aek mooddh jati ke dara tumhen ris dilaunga.

20 fir yashaayah bade hiyav ke sath kahata haai, ki jo mujhe naheen ddoondhte the, unhon ne mujhe pa liya: aur jo mujhe poochhte bhee n the, un par maain pragatt ho gaya.

21 parantu israael ke vishay men vah yah kahata haai ki maain sare din apane hath aek agyaa n mananevalee aur vivad karanevalee praja kee or pasare raha..

Romiyon 11

1 isaliye maain kahata hoo, kya parameshvar ne apanee praja ko tyag diya? kadapi naheen maain bhee to israaelee hoon: ibraaheem ke vansh aur binyameen ke gotra men se hoon.

2 parameshvar ne apanee us praja ko naheen tyaga, jise us ne paahile hee se jana: kya tum naheen janate, ki pavitra shaasr aeliyah kee katha men kya kahata haai ki vah israael ke virodha men parameshvar se binatee karata haai.

³ ki he prabhu, unhon ne tere bhvishyadvktaon ko ghaat kiya, aur teree vediyon ko ddha diya haai aur maain hee akela bach raha hoo, aur ve mere praan ke bhee khojee haain.

⁴ parantu parameshvar se use kya uttr mila ki maain ne apane liye sat hajar purooshaen ko rakh chhoda haai jinhon ne baal ke ag ghauttne naheen tteke haain.

⁵ so isee reeti se is samay bhee, anugrah se chune huae kitane log bakee haain.

⁶ yaadi yah anugrah se hua haai, to fir karmon se nahee, naheen to anugrah fir anugrah naheen raha.

⁷ so paarinam kya hua? yah ki israaelee jis kee khoj men haai, vah un ko naheen mila parantu chune huon ko mila aur shosh log kattor kiae gaae haain.

⁸ jaaisa likha haai, ki parameshvar ne unhen aj ke din tak bharee neend men dal rakha haai aur aeesee ankhen dee jo n dekhen aur aeese kan jo n sunen.

⁹ aur daud kahata haai un ka bhojan un ke liye jal, aur fanda, aur ttokar, aur dand ka karan ho jaae.

¹⁰ un kee ankhon par andhora chha jaae taaki n dekhe, aur too sada un kee peett ko jhukaae rakh.

¹¹ so maain kahata hoon kya unhon ne isaaliye ttokar khai, ki gir paden? kadapi naheen: parantu un ke girane ke karan anyajaniyon ko uddhar mila, ki unhen jalan ho.

¹² so yaadi un ka girana jagat ke liye dhan aur un kee ghattee anyajaatiyon ke liye sampaati ka karan hua, to un kee bhrapooree se kitana n hoga..

¹³ maain tum anyajaatiyon se yah baten kahata hoon: jab ki maain anyajatiyon ke liye praerit hoo, to maain apanee seva kee badai karata hoon.

¹⁴ taaki kisee reeti se maain apane kuttumbaiyon se jalan karavakar un men se kai aek ka uddhar karaun.

¹⁵ kyonaki jab ki un ka tyag diya jana jagat ke milap ka karan hua, to kya un ka grahan kiya jana mare huon men se jee uttne ke barabar n hoga?

¹⁶ jab bhentt ka pahila peda paavitra tthara, to poora gundha hua atta bhee paavitra haai: aur jab jad paavitra ttharee, to daaliyan bhee aeesee hee haain.

¹⁷ aur yaadi kai aek dalee tod dee gai, aur too jangalee jalapai hokar un men satta gaya, aur jalapai kee jad kee chikanai ka bhagee hua haai.

¹⁸ to daaliyon par ghamand n karana: aur yadi too ghamand kare, to jan rak, ki too jad ko nahee, parantu jad tujhe sambhalatee haai.

¹⁹ fir too kahega daliyan isaliye todee gai, ki maain satta jaun.

- 20** bhla, ve to avishvas ke karan todee gai, parantu too vishvas se bana rahata haai isaliye aabhaimanee n ho, parantu bhy kara.
- 21** kyonaki jab parameshvar ne svabhavik daliyan n chhodee, to tujhe bhee n chhodega.
- 22** isaliye parameshvar kee krupa aur kadai ko dekh! jo gir gaa, un par kadai, parantu tujh par krupa, yadi too us men bana rahe, naheen to, too bhee katt dala jaaega.
- 23** aur ve bhee yaadi avishvas men n rahe, to satte jaaenge kyonaki paramashevar unhen fir satt sakata haai.
- 24** kyonaki yadi too us jalapai se, jo svabhav se jangalee haai katta gaya aur svabhav ke virooddh achchhee jalapai men satta gaya to ye jo svabhavik daliyan haai, apane hee jalapai men satte kyon n jaaenge.
- 25** he bhaiyo, kaheen aeesa n ho, ki tum apane ap ko buddhmaian samajh lo isaaliye maain naheen chahata ki tum is bhed se anajan raho, ki jab tak anyajaatiyan pooree reeati se pravesh n kar le, tab tak israael ka aek bhag aeesa hee kattor rahega.
- 26** aur is reeati se sara israael uddhar paaega jaaisa likha haai, ki chhudanevala siyyon se aaega, aur abhktai ko yakoob se door karega.
- 27** aur un ke sath meree yahee vacha hogee, jab ki maain un ke papon ko door kar doonga.
- 28** ve susamachar ke bhav se to tumhare baairee haai, parantu chun liye jane ke bhav se bapadadon ke pyare haain.
- 29** kyonaki parameshvar apane baradanon se, aur bulahatt se kabhee peechhe naheen hattta.
- 30** kyonaki jaaise tum ne pahile parameshvar kee agyaa n manee parantu abhee un ke agyaa n manane se tum par daya hui.
- 31** vaaise hee unhon ne bhee ab agyaa n manee ki tum par jo daya hotee haai is se un par bhee daya ho.
- 32** aikyonki parameshvar ne sab ko agyaa n manane ke karan band kar rakha taaki vah sab par daya kare..
- 33** aha! parameshvar ka dhan aur buddh iddh aur gyaan kya hee ganbheer haai! usake vichar kaaise athah, aur usake marga kaaise agam haain!
- 34** prabhu ki buddh iko kis ne jana? ya usaka mantraee kaun hua?
- 35** ya kis ne pahile use kuchh diya haai jis ka badala use diya jaae.

³⁶ kyonaki us kee or se, aur usee ke dara, aur usee ke liye sab kuchh haai: us kee mahima yuganuyug hotee rahe: ameena..

Romiyon 12

¹ isaliye he bhaiyo, maain tum se parameshvar kee daya smaran dila kar binatee karata hoo, ki apane shareero kon jeevit, aur paavitra, aur parameshvar ko bhavata hua balidan karake chaddhao: yahee tumharee atmaik seva haai.

² aur is sansar ke sadrash n bano parantu tumharee buaddh ike naye ho jane se tumhara chala-chalan bhee badalata jaa, jis se tum parameshvar kee bhlee, aur bhavatee, aur siddh ichchha anubhv se maloom karate raho..

³ kyonaki maain us anugrah ke karan jo mujh ko mila haai, tum men se har aek se kahata hoo, ki jaaisa samajhna chaahia, us se baddhkar koi bhee apane ap ko n samajhe par jaaisa parameshvar ne har aek ko paariman ke anusar bant diya haai, vaaisa hee subuaddh ike sath apane ko samajhe.

⁴ kyonaki jaaise hamaree aek deh men bahut se ang haai, aur sab angon ka aek hee sa kam naheen.

⁵ vaaisa hee ham jo bahut haai, maseeh men aek deh hokar apas men aek doosare ke ang haain.

⁶ aur jab ki us anugrah ke anusar jo hamen diya gaya haai, hamen bhainn bhainn baradan mile haai, to jis ko bhvishyadane ke dan mila ho, vah vishvas ke pariman ke anusar bhavishyadane kare.

⁷ yaadi seva karane ka dan mila ho, to seva men laga rahe, yadi koi sikhanevala ho, to sikhane men laga rahe.

⁸ jo upadeshak ho, vah upadesh dene men laga rahe dan denevala udarata se de, jo aguai kare, vah utsah se kare, jo daya kare, vah harsha se kare.

⁹ praem nishkapatt ho burai se gharana karo bhilai me lage raho.

¹⁰ bhaichare ke praem se aek doosare par maya rakho paraspar adar karane men aek doosare se baddh chalo.

¹² asha me anaandait raho klesh me sthiar raho praarthna me nity lage raho.

¹³ paavitra logon ko jo kuchh avashy ho, us men un kee sahayata karo pahunai karane me lage raho.

¹⁴ apane satanevalon ko ashaeesh do ashaeesh do srab n do.

¹⁵ anand karanevalon ke sath anand karo aur ronevalon ke sath roo.

¹⁶ apas men aek sa man rakho aabhaimanee n ho parantu deenon ke sath sangaati rakho apanee draashtti men buddhmaian n ho.

¹⁷ burai ke badale kisee se burai n karo jo baten sab logon ke nikatt bhlee haai, un kee chinta kiya karo.

¹⁸ jahan tak ho sake, tum apane bhrasak sab manushyon ke sath mel milap rakho.

¹⁹ he piryo apana palatta n lena parantu krodha ko avasar do, kyonki likha haai, palatta lena mera kam haai, prabhu kahata haai maain hee badala doonga.

²⁰ parantu yadi tera baairi bookha ho to use khana khaila yaadi pyasa ho, to use panee pila kyonki aesa karane se too usake sir par ag ke angaron ka ddher lagaega.

²¹ burai se n haro parantu bhilai se burai ka jeet lo..

Romiyon 13

¹ har aek vyaktai pradhaan adhaikaariyon ke adhaeen rahe kyonki koi aadhaikar aesa nahee, jo parameshvar kee or s n ho aur jo adhaikar haai, ve parameshvar ke ttharaae huae haain.

² is se jo koi adhaikar ka virodha karata haai, vah parameshvar kee vidhai ka samhana karata haai, aur samhana karanevale dand paaenge.

³ kyonki hakim achchhe kam ke nahee, parantu bure kam ke liye dr ka karan haain so yadi too hakim se nidr rahana chahata haai, to achchha kam kar aur us kee or se teree sarahana hogee

⁴ kyonki vah teree bhilai ke liye parameshvar ka sevak haai. parantu yadi too burai kare, to dra kyoki vah talavar vyarth liye huae naheen aur parameshvar ka sevak haai ki usake krodha ke anusar bure kam karanevale ko dand de.

⁵ isaliye adhaeen rahana n keval us krodha se parantu dr se avashy haai, varan vivek bhee yahee gavahee deta haai.

¹jo vishvas ke nirbal haai, use apanee sangaati men le lo parantu usee shankaon par vivad karane ke liye naheen.

²kyonaki aek ko vishvas haai, ki sab kuchh khana uchit haai, parantu jo vishvas men nirbal haai, vah sag pat hee khata haai.

³aur khanevala na-khanevale ko tuchchh n jane, aur na-khanevala khanevale par dosh n lagaae kyonaki parameshvar ne use grahan kiya haai.

⁴too kaun haai jo doosare ke sevak par dosh lagata haai? usak sthiar rahata ya gir jana usake svamee hee se sambandha rakhta haai, baran vah sthiar hee kar diya jaaega kyonki prabhu use sthiar rakh sakata haai.

⁵koi to aek din ko doosare se baddhkar janata haai, aur koi sab din aek sa janata haai: har aek apane hee man men nishchay kar le.

⁶jo kisee din ko manata haai, vah prabhu ke liye manata haai: jo khata haai, vah prabhu ke liye khata haai, kyonaki parameshvar ka dhanyavad karata haai, aur ja naheen khata, vah prabhu ke liye naheen khata aur parameshvar ka dhanyavad karata haai.

⁷kyonaki ham men se n to koi paane liye jeeta haai, aur n koi apane liye marata haai.

- ⁸ kyonaki yadi ham jeevit haai, to prabhu ke liye jeeavit haain aur yadi marate haai, to prabhu ke liye marate haain so ham jeevaen ya mare, ham prabhu hee ke haain.
- ⁹ kyonaki maseeh isee liye mara aur jee bhee utta ki vah mare huon aur jeevato, donon ka prabhu ho.
- ¹⁰ too apane bhai par kyon dosh lagata haai? ya too fir kyon apane bhai ko tuchchh janata haai? ham sab ke sab parameshvar ke nyay sinhasan ke samhane khde honge.
- ¹¹ kyonaki likha haai, ki prabhu kahata haai, mere jeevan kee saugandha ki har aek ghauttna mere samhane tkaiega, aur har aek jeebh parameshvar ko angeekar karega.
- ¹² so ham men se har aek parameshvar ko apana apana lekha dega..
- ¹³ so age ko ham aek doosare par dosh n lagaaen par tum yahee ttan lo ki koi apane bhai ke samhane ttes ya ttokar khane ka karan n rakhe.
- ¹⁴ maain janata hoo, aur prabhu yeeshu se mujhe nishchay hua haai, ki koi vastu apane ap se ashuddh nahee, parantu jo us ko ashuddh samajhta haai, usake liye ashuddh haai.
- ¹⁵ yaadi tera bhai tere bhojan ke karan udas hota haai, to fir too praem kee reeti se naheen chalata: jis ke liye maseeh mara us ko too apane bhojan ke dara nash n kara.
- ¹⁶ ab tumharee bhilai kee ninda n hone paae.
- ¹⁷ kyonaki paramashevar ka rajya khanapeena naheen parantu dharma aur milap aur vah anand haai
- ¹⁸ jo paavitraatma se hota haai aur jo koi is reeti se maseeh kee seva karata haai, vah parameshvar ko bhata haai aur manushyon men grahanyogy ttharata haai.
- ¹⁹ isaliye ham un baton ka prayatn karen jinase mel milap aur aek doosare ka sudhaar ho.
- ²⁰ bhojan ke liye parameshvar ka kam n bigad: sab kuchh shuddh to haai, parantu us manushy ke liye bura haai, jis ko usake bhojan karane se ttokar lagatee haai.
- ²¹ bhla to yah haai, ki too n mans khaa, aur n dakh ras peea, n aur kuchh aesa kare, jis se tera bhai ttokar khaae.

¹ nidan ham balavanon ko chahia, ki nirbalon kee nirbalataon ko sahen n ki apane ap ko prasann karen.

² ham men se har aek apane padosee ko us kee bhilai ke liye sudhaarane ke nimitt prasann kare.

³ kyonaki maseeh ne apane ap ko prasann naheen kiya, par jaaisa likha haai, ki tere nindakon kee ninda mujh par a padee.

⁴ jitane baten paahile se likhee gai, ve hamaree hee shaiksha ke liye likhee gain haain ki ham dhaeraj aur pavitra shaasr kee shaantai ke dara asha rakhen.

⁵ aur dhaeraj, aur shaaantai ka data parameshvar tumhen yah baradan de, ki maseeh yeeshu ke anusar apas men aek man raho.

⁶ taaki tum aek man aushra aek munh hokar hamare prabhu yeeshu maseeh ki pita parameshvar kee badai karo.

⁷ isaliye, jaaisa maseeh ne bhee parameshvar kee mahima ke liye tumhen grahan kiya haai, vaaise hee tum bhee aek doosare ko grahan karo.

⁸ maain kahata hoo, ki jo pratigyaaaen bapadadon ko dee gai thee, unhen draddh karane ke liye maseeh, parameshvar kee sachchai ka praman dene ke liye khtana kiae huae logon ka sevak bana.

⁹ aur anyajati bhee daya ke karan parameshvar kee badai kare, jaaisa likha haai, ki isaaliye maain jati jati men tera dhanyavad karoonga, aur tere nam ke bhjan gaunga.

¹⁰ fir kaha haai, he jati jati ke sab logo, us kee praja ke sath anand karo.

¹¹ aur fir he jati jati ke sab lago, prabhu kee stuati karo aur he rajy rajy ke sab logo use saraho.

¹² aur fir yashaayah kahata haai, ki yishau kee aek jad pragatt hogee, aur anyajaatiyon ka haakim hone ke liye aek uttega, us par anyajatiyan asha rakhengee.

¹³ so parameshvar jo asha ka data haai tumhen vishvas karane men sab prakar ke anand aur shaantai se paripoorn kare, ki pavitraatma kee samarth se tumharee asha baddhtee jaae..

- 14 he mere bhaiyo maain ap bhee tumhare vishay men nishchay janata hoo, ki tum bhee ap hee bhilai se bhre aur ishvareey gyaan se bhrapoor ho aur aek doosare ko chita sakate ho.
- 15 taubhee maain ne kaheen kaheen yad dilane ke liye tumhen jo bahut hiyav karake likha, yah us anugrah ke karan hua, jo parameshvar ne mujhe diya haai.
- 16 ki maain anyajatiyon ke liye maseeh yeeshu ka sevak hokar parameshvar ke susamachar kee seva yajak kee nai karoon jis se anyajaatiyon ka manon chaddhaya jana, pavitra atma se paavitra banakar grahan kiya jaae.
- 17 so un baton ke vishay men jo parameshvar se sambandha rakhtee haai, maain maseeh yeeshu men badai kar sakata hoon.
- 18 kyonaki un baton ko chhod mujhe aur kisee bat ke vishay men kahane ka hiyav nahee, jo maseeh ne anyajatiyon kee adhaeenata ke liye vachan, aur karma.
- 19 aur chinhon aur adabhuta kamon kee samarth se, aur pavitra atma kee samarth se mere hee dara kiae : yahan tak ki maain ne yarooshalem se lekar charon or illurikus tak maseeh ke susamachar ka poora poora prachar kiya.
- 20 par mere man kee umang yah haai, ki jahan jahan maseeh ka nam naheen liya gaya, vaheen susamachar sunaun aeese n ho, ki jinhen usaka susamachar naheen pahuncha, ve hee dekhenge aur jinhon ne naheen suna ve hee samajhenge..
- 21 parantu jaaisa likha haai, vaaisa hee ho, ki jinhen usaka susamachar naheen pahuncha, ve hee dekhenge aur jinhon ne naheen suna ve hee samajhenge..
- 22 isee liye maain tumhare pas ane se bar bar rooka raha.
- 23 parantu ab mujhe in deshaen men aur jagah naheen rahee, aur bahut vasharen se mujhe tumhare pas ane kee lalasa haai.
- 24 isaliye jab isapaaniya ko jaunga to tumhare pas hota hua jaunga kyonki mujhe asha haai, ki us yatra men tum se bhentt karoo, aur jab tumharee sangaati se mera jee kuchh bhr jaa, to tum mujhe kuchh door age pahuncha do.
- 25 parantu abhee to paavitra logon kee seva karane ke liye yarooshalem ko jata hoon.
- 26 kyonaki makiduaniya aur akhya ke logon ko yah achchha laga, ki yarooshalem ke paavitra logon ke kangalon ke liye kuchh chanda karen.
- 27 achchha to laga, parantu ve un ke karjadar bhee haai, kyonki yadi anyajaati un kee atmaik baton men bhagee hua, to unhen bhee uchit haai, ki shaareerik baton men un kee seva karen.

28 so maain yah kam poora karake aur un ko yah chanda saunpakar tumhare pas hota hua isapaniya ko jaunga.

29 aur maain janata hoo, ki jab maain tumhare pas aunga, to maseeh kee pooree ashaeesh ke sath aunga..

30 aur he bhaiyon maain yeeshu maseeh ka jo hamara prabhu haai aur pavitra atma ke praem ka smaran dila kar, tum se binatee karata hoo, ki mere liye parameshvar se praarthna karane men mere sath milakar lauleen raho.

31 ki maain yahoodiya ke aavishvasiyon se bacha rahoo, aur meree vah seva jo yarooshalem ke liye haai, pavitra logon ko bhaae.

32 aur maain parameshvar kee ichchha se tumhare pas anand ke sath akar tumhare sath vishraam paun.

² parantu vyaabhaichar ke dr se har aek puroosh kee patnee, aur har aek satraee ka pati ho.

³ paati apanee patnee ka hakk poora kare aur vaaise hee patnee bhee apane pati ka.

⁴ patnee ko apanee deh par aadhaikar naheen par usake pati ka adhaikar haai vaaise hee pati ko bhee apanee deh par adhaikar nahee, parantu patnee ko.

⁵ tum aek doosare se alag n raho parantu keval kuchh samay tak apas kee sammaati se ki praarthna ke liye avakash mile, aur fir aek sath raho, aesa n ho, ki tumhare asanyam ke karan shautan tumhen parakhe.

⁶ parantu maain jo yah kahata hoon vah anumati haai n ki agyaa.

⁷ maain yah chahata hoo, ki jaaisa maain hoo, vaaisa hee sab manushy hon parantu har aek ko parameshvar kee or se vishosh vishosh baradan mile haain kisee ko kisee prakar ka, aur kisee ko kisee aur prakar ka..

⁸ parantu maain aavivaahiton aur vidhavaon ke vishay men kahata hoo, ki un ke liye aesa hee rahana achchha haai, jaaisa maain hoon.

⁹ parantu yadi ve sanyam n kar sake, to vivah karen kyonaki vivah karana kamatur rahane se bhla haai.

¹⁰ jin ka byah ho gaya haai, un ko maain nahee, baran prabhu agyaa deta haai, ki patnee apane pati se alag n ho.

¹¹ aur yaadi alag bhee ho jaa, to bin doosara byah kiae rahe ya apane paati se fir mel kar le aur n paati apanee patnee ko chhode.

¹² doosaren se prabhu nahee, parantu maain hee kahata hoo, yadi kisee bhai kee patnee vishvas n rakhtee ho, aur usake sath rahate se prasann ho, to vah use n chhode.

¹³ aur jis sree ka pati vishvas n rakhta ho, aur usake sath rahane se prasann ho vah paati ko n chhode.

14 kyonaki aeesa paati jo vishvas n rakhta ho, vah patnee ke karan pavitra ttharata haai, aur aeesee patnee jo vishvas naheen rakhtee, paati ke karan paavitra ttharatee haai naheen to tumhare ladkebalen ashuddh hote, parantu ab to paavitra haain.

15 parantu jo puroosh vishvas naheen rakhta, yaadi vah alag ho, to alag hone do, aeesee dasa men koi bhai ya baahin bandhan men naheen parantu parameshvar ne to hamen mel milap ke liye bulaya haai.

16 kyonaki he sre, too kya janatee haai, ki tum apane pati ka uddhar kara le? aur he puroosha, too kya janata haai ki too apanee patnee ka uddhar kara le?

17 par jausa prabhu ne har aek ko bantta haai, aur parameshvar ne har aek ko bulaya haai vaaisa hee vah chale: aur maain sab kaleesiyaon men aeesa hee ttharatah hoon.

18 jo khtana kiya hu bulaya gaya ho, vah khtanaraahit n bane: jo khtanaraahit bulaya gaya ho, vah khtana n karaae.

19 n khtana kuchh haai, aur n khtanaraahit parantu parameshvar kee agyaaon ko manana hee sab kuchh haai.

20 har aek jan jis dasa men bulaya gaya ho, usee men rahe.

21 yaadi too das kee dasa men bulaya gaya ho to chinta n kara parantu yaadi too svatantra ho sake, to aeesa hee kam kara.

22 kyonaki jo das kee dasa men prabhu men bulaya gaya haai, vah prabhu ka svatantra kiya hua haai: aur vaaise hee jo svatantrata kee dasa men bulaya gaya haai, vah maseeh ka das haai.

23 tum dam dekar mol liye gaae ho, manushyon ke das n bano.

24 he bhaiyo, jo koi jis dasa men bulaya gaya ho, vah usee men parameshvar ke sath rahe..

25 kunvaariyon ke vishay men prabhu kee koi agyaa mujhe naheen milee, parantu vishvasayogy hone ke liye jaaisee daya prabhu ne mujh par kee haai, usee ke anusar sammaati deta hoon.

26 so merree samajh men yah achchha haai, ki ajakal klesh ke karan manushy jaaisa haai, vaaisa hee rahe.

27 yaadi tere patnee haai, to us se alag hone ka yatn n kara: aur yaadi tere patnee nahee, to patnee kee khoj n kara:

28 parantu yadi too byah bhee kare, to pap naheen aur yadi kunvaree byahee jaae to koi pap naheen parantu aeeson ko shaareearik dukh hoga, aur maain bachana chahata hoon.

29 he bhaiyo, maain yah kahata hoo, ki samay kam kiya gaya haai, isaliye chaahiae ki jin ke patnee ho, ve aeese hon mano un ke patnee naheen.

30 aur ronevale aeese ho, mano rote naheen aur anand karanevale aeese ho, mano anand naheen karate aur mol lenevale aeese ho, ki mano un ke pas kuchh haai naheen.

31 aur is sansar ke baratanevale aeese ho, ki sansar hee ke n ho len kyonki is sansar kee reeti aur vyavahar badalate jate haain.

32 so maain yah chahata hoo, ki tumhen chinta n ho: aavivaahit puroosh prabhu kee baton kee chinta men rahata haai, ki prabhu ko kyonkar prasann rakhe.

33 parantu vivaahit manushy sansar kee baton kee chinta men rahata haai, ki apanee patnee ko kis reeti se prasann rakhe.

34 vivaahita aur aavivaahita men bhee bhed haai: avivaahita prabhu kee chinta men rahatee haai, ki vah deh aur atma donon men paavitra ho, parantu vivaahita sansar kee chinta men rahatee haai, ki apane pati ko prasann rakhe.

35 yah bat tumhare hee labh ke liye kahata hoo, n ki tumhen fansane ke liye, baran isaaliye ki jaaisa sohata haai, vaaisa hee kiya jaae ki tum aek chitt hokar prabhu kee seva men lage raho.

36 aur yaadi koi yah samajhe, ki maain apanee us kunvaree ka hakk man raha hoo, jis kee javanee ddhl chalee haai, aur prayojan bhee hoa, to jaaisa chahe, vaaisa kare, is men pap nahee, vah usaka byah hone de.

37 parantu jo man men draddh rahata haai, aur us ko prayojan n ho, baran apanee ichchha pooree karane men adhaikar rakhta ho, aur apane man men yah bat ttan lee ho, ki maain apanee kunvaree ladkee ko bin byahee rakoonga, vah achchha karata haai.

38 so jo apanee kunvaree ka byah kar deta haai, vah achchha karata haai aur jo byah naheen kar deta, vah aur bhee achchha karata haai.

39 jab tak kisee sree ka paati jeevit rahata haai, tab tak vah us se bandhaee hui haai, parantu jab usaka pati mar jaa, to jis se chahe vivah kar sakatee haai, parantu keval prabhu men.

40 paranatu jesee haai yaadi vaaisee hee rahe, to mere vichar men aur bhee dhany haai, aur maain samajhta hoo, ki parameshvar ka atma mujh men bhee haai..

² yaadi koi samajhe, ki maain kuchh janata hoo, to jaaisa janana chahiae vaaisa ab tak naheen janata.

³ parantu yadi koi parameshvar se praem rakhta haai, to use parameshvar pahichanata haai.

⁴ so mooraton ke samhane baali kee hui vastuon ke khane ke vishay men ham janate haai, ki moorat jagat men koi vastu nahee, aur aek ko chhod aur koi parameshvar naheen.

⁵ yadhypi akash men aur prathvee par bahut se ishvar kahalate haai, jaaisa ki bahut se ishvar or bahut se prabhu haain.

⁶ taubhee hamare nikatt to aek hee parameshvar haai: arthata pita jis kee or se sab vastuen haai, aur ham usee ke liye haai, aur aek hee prabhu haai, arthata yeeshu maseeh jis ke dara sab vastuaen hui, aur ham bhee usee ke dara haain.

⁷ parantu sab ko yah gyaan nahee parantu kitane to ab tak moorat ko kuchh samajhne ke karan mooraton ke samhane bali kee hui ko kuchh vastu samajhkar khate haai, aur un ka vivek nirbal hokar ashuuddh hota haai.

⁸ bhejan hamen parameshvar ke nikatt naheen pahunchata, yadi ham n khana, to hamaree kuchh haani nahee, aur yadi khaae, to kuchh labh naheen.

⁹ parantu chaukas raho, aesa n ho, ki tumharee yah svatantrata kaheen nirbalon ke liye ttokar ka karan ho jaae.

¹⁰ kyeanki yadi koi tujh gyaanee ko moorat ke mandair men bhojan karate dekhe, aur vah nirbal jan ho, to kya usake vivek men moorat ke samhane bali kee hui vastu ke khane ka hiyav n ho jaaega.

¹² so bhaiyon ka aparadha karane se or un ke nirbal vivek ko chott dene se tum maseeh ka aparadha karate ho.

¹³ is karan yadi bhojan mere bhai ko ttokar khailaa, to maain kabhee kisee reeati se mans n khaunga, n ho ki maain apane bhai ke ttokar ka karan banoon.

¹⁰ ha, hamare liye hee likha gaya, kyonki uchit haai, ki jatanevala asha se jote, aur davanevala bhagee hone kee asha se davanee kare.

¹¹ so jab ki ham ne tumhare liye aatmaik vastuen boi, to kya yah koi badee bat haai, ki tumharee shaareearik vastuon kee fasal katten.

¹² jab auron ka tum par yah adhaikar haai, to kya hamara is se aadhaik n hoga? parantu ham yah aadhaikar kam men naheen laae parantu sab kuchh sahate haai, ki hamare dara maseeh kee susamachar kee kuchh rok n ho.

¹³ kya tum naheen janate ki jo pavitra vastuon kee seva karate haai, ve mandair men se khate haain aur jo vedee kee seva karate haain ve vedee kee sath bhagee hote haain?

¹⁴ isee reeti se prabhu ne bhee ttharaya, ki jo log susamachar sunate haai, un kee jeevika susamachar se ho.

¹⁵ parantu maain in men se koi bhee bat kam men n laya, aur maain ne to ye baten isaaliye naheen likhee, ki mere liye aeesa kiya jaa, kyonaki is se to mera marana hee bhla haai ki koi mera ghamand vyarth ttharaae.

¹⁶ aur yaadi maain susamachar sunau, to mera kuchh ghamand naheen kyonaki yah to mere liye avashy haai aur yadi maain susamachar n sunau, to mujh par haya.

¹⁷ kyonaki yadi apanee ichchha se yah karata hoo, to majadooree mujhe milatee haai, aur yaadi apanee ichchha se naheen karata, taubhee bhndareepan mujhe saunpa gaya haai.

18 so meree kaun see majadooree haai? yah ki susamachar sunane men maain maseeh ka susamachar sent ment kar doon yahan tak ki susamachar men jo mera adhaikar haai, us ko maain pooree reeti se kam men laun.

19 kyonaki sab se svatantra hone par bhee maain ne apne ap ko sab ka das bana diya haai ki adhaik logon ko kheench laun.

20 maain yahoodiyon ke liye yahoodee bana ki yahoodiyon ko kheench lau, jo log vyavastha ke adhaeen haain un ke liye maain vyavastha ke adhaeen n hone par bhee vyavastha ke adhaeen bana, ki unhen jo vyavastha ke adhaeen haai, kheench laun.

21 vyavasthaheenon ke liye maain jo parameshvar ke vyavastha se heen nahee, parantu maseeh ke vyavastha ke adhaeen hoon vyavasthaheen sa bana, ki vyavasthaheenon ko kheench laun.

22 maain nirbalon ke liye nirbal sa bana, ki nirbalon ko kheench lau, maain sab manushyon ke liye sab kuchh bana hoo, ki kisee n kisee reeti se kai aek ka uddhar karaun.

23 aur maain sab kuchh susamachar ke liye karata hoo, ki auron ke sath usaka bhagee ho jaun.

24 kya tum naheen janate, ki daud men to chhaudte sab hee haai, parantu inam aek hee le jata haai? tum vaaise hee daudo, ki jeeto.

25 aur har aek pahalavan sab prakar ka sanyam karata haai, ve to aek murajhanevale mukutt ko pane ke liye yah sab karate haai, parantu ham to us mukutt ke liye karate haai, jo murajhane ka naheen.

26 isaliye maain to isee reeti se daudta hoo, parantu beattkaiane nahee, maain bhee isee reeti se mukkon se ladta hoo, parantu us kee nain naheen jo hava peetta hua ladta haai.

27 paranatu maain apnee deh ko marata kootta, aur vash men lata hoon aesa n ho ki auron ko prachar karake, maain ap hee kisee reeti se nikamma ttharoon..

⁴ jo puroosh sir ddhanke huae praarthna ya bhvishyadaneer karata haai, vah apane sir ka apaman karata haai.

- ⁵ parantu jo sree ughaade sir praarthna ya bhavishyadvvanee karatee haai, vah apane sir ka apaman karatee haai, kyonaki vah mundee hone ke barabar haai.
- ⁶ yaadi sree addhnee n oddhe, to bal bhee katta le yaadi sree ke liye bal kattana ya mundana lajja kee bat haai, to oddhnee oddhe.
- ⁷ han puroosh ko apana sir ddhankana uchit hanee, kyonki vah parameshvar ka svaroop aur mahima haai parantu sree puroosh kee maahima!
- ⁸ kyonaki puroosh sree se naheen hua, parantu sree se hui haai.
- ⁹ aur puroosh sree ke liye naheen siraja gaya, parantu sree puroosh ke liye sirajee gai haai.
- ¹⁰ iseeliye svargadooton ke karan sree ko uchit haai, ki adhaikar apane sir par rakhe.
- ¹¹ taubhee prabhu men n to sree bina puroosh aur n puroosh bina sree ke haai.
- ¹² kyonaki jaaise sree puroosh se haai, vaaise hee puroosh sree ke dara haai parantu sab vastuen parameshvar ke dara haain.
- ¹³ tum ap hee vichar karo, kya sree ko ughaade sir parameshvar se praarthna karana sohana haai?
- ¹⁴ kya svaabhaivik reeti se bhee tum naheen janate, ki yadi puroosh lambe bal rakhe, to usake liye apaman haai.
- ¹⁵ parantu yadi sree lambe bal rakhe to usake liye shaebha haai kyonaki bal us ko oddhnee ke liye diae gae haain.
- ¹⁶ paranatu yadi koi vivad karana chahe, to yah jane ki n hamaree aur n parameshvar kee kaleesiyaon kee aeese reeti haai..
- ¹⁷ paranatu yah agyaa dete hua, maain tumhen naheen sarahata, isaliye ki tumhare ikatthe hone se bhlai nahee, parantu haani hotee haai.
- ¹⁸ kyonaki pahile to maain yah sunata hoo, ki jab tum kaleesiya men ikatthe hate ho, to tum men foott hotee haai aur maain kuchh kuchh prateeti bhee karata hoon.
- ¹⁹ kyanaki vidharma bhee tum men avashy honge, isaaliye ki jo lage tum men khre nikale haai, ve pragatt ho janae.
- ²⁰ so tum jo aek jagah men ikatthe hote ho to yah prabhu bhoj khane ke liye naheen.
- ²¹ kyonaki khane ke samay aek doosare se paahile apana bhoj kha leta haai, so koi to bookha rahata haai, aur koi matavala ho jata haai.
- ²² kya khane peene ke liye tumhare ghar naheen? ya parameshvar kee kaleesiya ko tuchchh janate ho, aur jin ke pas naheen haai unhen laajjait karate

ho? maain tum se kya kahoon? kya is bat men tumharee prashansa karoon? maain prashansa naheen karata.

²³ kyonaki yah bat mujhe prabhu se pahunchee, aur maain ne tumhen bhee pahuncha dee ki prabhu yeeshu ne jis rat pakadvaya gaya rottee lee.

²⁴ aur dhanyavad karake use todee, aur kaha ki yah meree deh haai, jo tumhare liye haai: mere smaran ke liye yahee kiya karo.

²⁵ isee reeti se us ne biyaree ke peechhe kattora bhee liya, aur kaha yah kattora mere lohoo men nai vacha haai: jab kabhee peeo, to mere smaran ke liye yahee kiya karo.

²⁶ kyonaki jab kabhee tum yah rottee khate, aur is kattore men se peete ho, to prabhu kee mratyuu ko jab tak vah n aa, prachar karate ho.

²⁷ isaliye jo koi anuachit reeti se prabhu kee rottee khaa, ya usake kattore men se peeae, vah prabhu kee deh aur lohoo ka aparadhaee ttharega.

²⁸ isaliye manushy apane ap ko janch le aur isee reeti se is rottee men se khaa, aur is kattore men se peeae.

²⁹ kyeanki jo khate-peete samay prabhu kee deh ko n paahichane, vah is khane aur peene se apane upar dand lata haai.

³⁰ isee karan tum men se bahut se nirbal aur rogee haai, aur bahut se so bhee gaae.

³¹ yaadi ham apane ap men janchate, to dand n pate.

³² parantu prabhu hamen dand dekar hamaree tadna karata haai isaliye ki ham sansar ke sath doshaee n ttharen.

³³ isaliye, he mere bhaiyo, jab tum khane ke liye ikatthe hote ho, to aek doosare ke liye tthara karo.

³⁴ yaadi koi bookha ho, to apane ghar men kha le jis se tumhar ikattha hona dand ka karan n ho: aur shosh baton ko maain akar tteek kar doonga..

¹ he bhaiyo, maain naheen chahata ki tum atmaik baradanon ke vishay men agyaat raho.

² tum janate ho, ki jab tum anyajaati the, to goongee mooraton ke peechhe jese chalaae jate the vaaise chalate the.

³ isaliye maain tumhen chitaunee deta hoon ki jo koi parameshvar kee atma kee aguai se bolata haai, vah naheen kahata ki yeeshu srapit haai aur n koi paavitra atma ke bina kah sakata haai ki yeeshu prabhu haai..

- ⁴ baradan to kai prakar ke haai, parantu atma aek hee haai.
- ⁵ aur seva bhee kai prakar kee haai, parantu prabhu aek hee haai.
- ⁶ aur prabhavashaalee kayrya kai prakar ke haai, parantu paramashevar aek hee haai, jo sab men har prakar ka prabhav utpann karata haai.
- ⁷ kintu sab ke labh pahunchane ke liye har aek ko atma ka prakash diya jata haai.
- ⁸ kyonaki aek ko atma ke dara buadi kee baten dee jatee haain aur doosare ko usee atma ke anusar gyaan kee baten.
- ⁹ aur kisee ko usee atma se vishvasa aur kisee ko usee aek atma se changa karane ka baradan diya jata haai.
- ¹⁰ fir kisee ko samarth ke kam karane kee shaaktai aur kisee ko bhavishyadane kee aur kisee ko anek prakar kee bhashaa aur kisee ko bhashaaon ka arth batana.
- ¹¹ parantu ye sab prabhavashaalee kayrya vahee aek atma karavata haai, aur jise jo chahata haai vah bantta deta haai..
- ¹² kyonaki jis prakar deh to aek haai aur usake ang bahut se haai, aur us aek deh ke sab ang, bahut hone par bhee sab milakar aek hee deh haai, usee prakar maseeh bhee haai.
- ¹³ kyonaki ham sab ne kya yahoodee ho, kya yunanee, kya das, kya svatantra aek hee atma ke dara aek deh hone ke liye bapatisma liya, aur ham aek ko aek hee atma pilaya gaya.
- ¹⁴ isaliye ki deh men aek hee ang nahee, parantu bahut se haain.
- ¹⁵ yaadi panv kahe: ki maain hath nahee, isaaliye deh ka nahee, to kya vah is karan deh ka naheen?

- ¹⁷ yaadi saree deh ankh kee hotee to sunana kahan se hota? yaadi saree deh kan hee hotee to soonghana kahan hota?
- ¹⁸ parantu sachamuch parameshvar ne ango ko apanee ichchha ke anusar aek aek karake deh men rakha haai.
- ¹⁹ yaadi ve sab aek hee ang hote, to deh kahan hotee?
- ²⁰ parantu ab ang to bahut se haai, parantu deh aek hee haai.
- ²¹ ankh hath se naheen kah sakatee, ki mujhe tera prayojan nahee, aur n sir panvon se kah sakata haai, ki mujhe tumhara prayojan naheen.

- 22** parantu deh ke ve ang jo auron se nirbal dekh padte haai, bahut hee avashyak haain.

- 26** isaliye yaadi aek ang du:kh pata haai, to sab ang usake sath du:kh pate haain aur yaadi aek ang kee badai hotee haai, to usake sath sab ang anand manate haain.

- 31** kya sab anuvad karate haain? tum badee se badee baradanon kee dhaun men raho! parantu maain tumhen aur bhee sab se uttm marga batata hoon..

- ⁸ praem kabhee tllata naheen bhavishyadaanaiyan ho, to samapt ho jaaengee, bhashaaaen ho to jatee rahengee gyaan ho, to mitt jaaega.

- ¹ praem ka anukaran karo, aur atmaik baradanon kee bhee dhaun men raho vishosh karake yah, ki bhvishyadaneer karo.
- ² kyonaki jo anyabhasha men baten karata haai vah manushyon se nahee, parantu parameshvar se baten karata haai isaliye ki us kee koi naheen samajhta kyonaki vah bhett kee baten atma men hokar bolata haai.
- ³ parantu jo bhvishyadaneer karata haai, vah manushyon se unnati, aur upadesha, aur shaantai kee baten kahata haai.
- ⁴ jo any bhasha men baten karata haai, vah apanee hee unnaati karata haai parantu jo bhvishyadaneer karata haai, vah kaleesiya kee unnaati karata haai.
- ⁵ maain chahata hoo, ki tum sab any bhashaon men baten karo, parantu aadhaikatar yah chahata hoon ki bhvishyadaneer karo: kyonaki yadi anyany bhasha bolanevala kaleesiya kee unnaati ke liye anuvad n kare to bhavishyadvvaner karanevala us se baddhkar haai.

- ⁶ isaliye he bhaiyo, yadi maain tumhare pas akar anyany bhasha men baten karoo, aur prakasha, ya gyaan, ya bhavishyadane, ya upadesh kee baten tum se n kahoo, to mujh se tumhen kya labh hoga?
- ⁷ isee prakar yaadi nirjeev vastuaen bhee, jin se dhvaani nikalatee haai jese bansuree, ya been, yadi un ke svaron men bhed n ho to jo foonka ya bajaya jata haai, vah kyonkar paahichana jaaega?

- ¹⁰ jagat men kitane kee prakar kee bhashaaaen kyon n ho, parantu un men se koi bhee bina arth kee n hogee.
- ¹¹ isaliye yaadi maain kisee bhasha ka arth n samajoo, to bolanevale kee drashti men paradshaee ttharoonga aur bolanevala mere drashti men paradshaee ttharega.
- ¹² isaliye tum bhee jab aatmaik baradanon kee dhaun men ho, to aeese prayatn karo, ki tumhare baradanon kee unnati se kaleesiya kee unnaati ho.
- ¹³ is karan jo any bhasha bole, to vah praarthna kare, ki usaka anuvad bhee kar sake.
- ¹⁴ isaliye yaadi maain any bhasha men praarthna karoo, to meree atma praarthna karatee haai, parantu meree buaddh ikam naheen detee.
- ¹⁵ so kya karan chahiae? maain atma se bhee praarthna karoonga, aur buddh ise bhee praarthna karoonga maain atma se gaunga, aur buaddh ise bhee gaunga.
- ¹⁶ naheen to yadi too atma hee se dhanyavad karega, to fir agyaanee tere dhanyavad par ameen kyonaki kahega? isaaliye ki vah to naheen janata, ki too kya kahata haai?
- ¹⁷ too to bhlee bhanati se dhanyavad karata haai, parantu doosare kee unnati naheen hotee.
- ¹⁸ maain apne parameshvar ka dhanyavad karata hoo, ki maain tum sab se aadhaik anyany bhasha men bolata hoon.
- ¹⁹ parantu kaleesiya men any bhasha men das hajar baten kahane se yah mujhe aur bhee achchha jan padta haai, ki auron ke sikhane ke liye buaddh ise panch hee baten kahoon..
- ²⁰ he bhaiyo, tum samajh men balak n bano: taubhee burai men to balak raho, parantu samajh men siyane bano.

21 vyavastha men likha haai, ki prabhu kahata haai maain any bhasha bolanevalon ke dara, aur paraae mukh ke dara in logon se bat karoonga taubhee ve merree n sunenge.

22 isaliye anyany bhashaaaen vishvasiyon ke liye nahee, parantu aavishvasiyon ke liye chinh haai, aur bhvishyadane avishvaseeyon ke liye naheen parantu vishvasiyon ke liye chinh haain.

23 so yaadi kaleesiya aek jagah ikatthee ho, aur sab ke sab anyany bhasha bole, aur anapaddhe ya avishvasee log bheetar a jaaen to kya ve tumhen pagal n kahenge?

24 parantu yadi sab bhvishyadane karane lage, aur koi aavishvasee ya anapaddha manushy bheetar a jaa, to sab use doshae tthara denge aur parakh lenge.

25 aur usake man ke bhe pragatt ho jaaenge, aur tab vah munh ke bal girakar parameshvar ko dandvat karega, aur man lega, ki sachamuch parameshvar tumhare beech men haai.

26 isaliye he bhaiyo kya karana chahiae? jab tum ikatthe hote ho, to har aek ke day men bhjan, ya upadesha, ya anyabhasha, ya prakasha, ya anyabhasha ka arth batana rahata haai: sab kuchh atmaik unnati ke liye hona chahiae.

27 yaadi any bhasha men baten karaneen ho, to do do, ya bahut ho to teen teen jan baree baree bole, aur aek vyaaktai anuvad kare.

28 parantu yadi anuvad karanevala n ho, to anyabhasha balanevala kaleesiya men shaant rahe, aur apane man se, aur parameshvar se baten kare.

29 bhavishyadvktaon men se do ya teen bole, aur shosh log un ke vachan ko parakhen.

30 parantu yadi doosare par jo baaitta haai, kuchh ishwareey prakash ho, to paahila chup ho jaae.

31 kyonaki tum sab aek aek karake bhvishyadane kar sakate ho taki sab seekhe, aur sab shaaantai paaen.

32 aur bhavishyadvktaon kee atma bhvishyadvktaon ke vash men haai.

33 kyonaki parameshvar gadbadee ka nahee, parantu shaantai ka kartta haai jaaisa pavitra logon kee sab kaleesiyaon men haai..

34 striayan kaleesiya kee sabha men chup rahe, kyonki unhen baten karane kee agyaa nahee, parantu adhaeen rahane kee agyaa haai: jaaisa vyavastha men likha bhee haai.

35 aur yaadi ve kuchh seekhna chahe, to ghar men apane apane pati se poochhe, kyonki sree ka kaleesiya men baten karana lajja kee bat haai.

³⁶ kyon paramashevar ka vachan tum men se nikala? ya keval tum hee tak pahuncha haai?

³⁷ yaadi koi manushy apne ap ko bhavishyadvakta ya aatmaik jan samajhe, to yah jan le, ki jo baten maain tumhen likhta hoo, ve prabhu kee agyaaen haain.

³⁸ parantu yadi koi n jane, to n jane..

³⁹ so he bhaiyo, bhvishyadaneer karane kee dhaun men raho aur anyabhasha bolane se mana n karo.

⁴⁰ par saree baten sabhyata aur kramanusar kee jaaen.

¹ he bhaiyo, maain tumhen vahee susamachar batata hoon jo pahile suna chuka hoo, jise tum ne angeekar bhee kiya tha aur jis men tum sthiar bhee ho.

² usee ke dara tumhara uddhar bhee hota haai, yaadi us susamachar ko jo maain ne tumhen sunaya tha smaran rakhte ho naheen to tumhara vishvas karana vyarth hua.

³ isee karan maain ne sab se pahile tumhen vahee bat pahuncha dee, jo mujhe pahunchee thee, ki pavitra shaasr ke vachan ke anusar yeeshu maseeh hamare papon ke liye mar gaya.

⁴ or gada gaya aur pavitra shaasr ke anusar teesare din jee bhee utta.

⁵ aur kaaifaa ko tab barahon ko dilai diya.

⁶ fir panch sau se aadhaik bhaiyon ko aek sath dikhai diya, jin men se bahutere ab tak vartaman haain par kitane so gaae.

⁷ fir yakoob ko dikhai diya tak sab praeriton ko dikhai diya.

⁸ aur sab ke bad mujh ko bhee dikhai diya, jo mano adhoore dinon ka janma hoon.

⁹ kyonaki maain praeriton men sab se chhotta hoo, baran praarit kahalane ke yogy bhee nahee, kyonki maain ne parameshvar kee kaleesiya ko sataya tha.

¹⁰ parantu maain jo kuchh bhee hoo, parameshvar ke anugrah se hoon: aur usaka anugrah jo mujh par hua, vah vyarth naheen huaddh paranatu maain ne un sab se baddhkar paarishram bhee kiya: taubhee yah merree or se naheen hua parantu parameshvar ke anugrah se jo mujh par tha.

¹¹ so chahe maain hoo, chahe ve ho, ham yahee prachar karate haai, aur isee par tum ne vishvas bhee kiya..

12 so jab ki maseeh ka yah prachar kiya jata haai, ki vah mare huon men se jee utta, to tum men se kitane kyonkar kahate haai, ki mare huon ka punarootthan haai hee naheen?

13 yaadi mare huon ka punarootthan hee nahee, to maseeh bhee naheen jee utta.

14 aur yaadi maseeh bhee naheen jee utta, to hamara prachar karana bhee vyarth haai aur tumhara vishvas bhee vyarth haai.

15 baran ham paramashevar ke jootte gavah tthare kyonaki ham ne parameshvar ke vishay men yah gavahee dee ki us ne maseeh ko jila diya yadhypa naheen jilaya, yadi mare huae naheen jee utte.

16 aur yaadi murde naheen jee utte, to maseeh bhee naheen jee utta.

17 aur yaadi maseeh naheen jee utta, to tumhara vishvas vyarth haai aur tum ab tak apne papon men fansa ho.

18 baran jo maseeh me so gaae haai, ve bhee nash huae.

19 yaadi ham keval isee jeevan men maseeh se asha rakhte haain to ham sab manushyon se aadhaik abhage haain..

20 parantu sachamuch maseeh mudorn men se jee utta haai, aur jo so gaae haai, un men pahila fal hua.

21 kyonaki jab manushy ke dara mratyu ai to manushy hee ke dara mare huon ka punarootthan bhee aya.

22 aur jaise adam men sab marate haai, vaaisa hee maseeh men sab jilaae jaaenge.

23 parantu har aek apnee apnee baree se paahila fal maseeha fir maseeh ke ane par usake loga.

24 is ke bad ant hoga us samay vah saree pradhaanata aur sara adhaikar aur samarth ka ant karake rajy ko parameshvar pita ke hath men saunp dega.

25 kyonaki jab tak ki vah apne baaiariyon ko apne panvon tale n le aa, tab tak usake rajy karana avashy haai.

26 sab se aantaim baairae jo nash kiya jaaega vah mratyu haai.

27 kyeanki parameshvar ne sab kuchh usake panvon tale kar diya haai, parantu jab vah kahata haai ki sab kuchh usake adhaeen kar diya gaya haai to pratyaksha haai, ki jis ne sab kuchh usake adhaeen kar diya, vah ap alag raha.

28 aur jab sab kuchh usake adhaeen ho jaaega, to putra ap bhee usake adhaeen ho jaaega jis ne sab kuchh usake adhaeen kar diya taaki sab men parameshvar hee sab kuchh ho..

- 29 naheen to jo log mare huon ke liye bapatisma lete haai, ve kya karenge? yadi murde jee uttte hee naheen? to fir kyon un ke liye bapatisma lete haain?
- 30 aur ham bhee kyon har ghadee jakhaim men pade rahate haain?
- 31 he bhaiyo, mujhe us ghamand kee sonh jo hamare maseeh yeeshu men maain tumhare vishay men karata hoo, ki maain praati din marata hoon.
- 32 yaadi maain manushy kee reeti par ifisus men bana-pashuon se lada, to mujhe kya labh hua? yadi murde jilaae naheen jaaenge, to ao, khaae-peeae, kyonaki kal to mar hee jaaenge.
- 33 dhaekha n khana, buree sangati achchhe charitra ko bigad detee haai.
- 34 dharm ke liye jag utto aur pap n karo kyonki kitane aeese haain jo parameshvar ko naheen janate, maain tumhen lajjait karate ke liye yah kahata hoon..
- 35 ab koi yah kahega, ki murde kis reeti se jee uttte haai, aur kisee deh ke sath ate haain?
- 36 he nirbuadi, jo kuchh tu bota haai, jab tak vah n mare jilaya naheen jata.
- 37 or je too bota haai, yah vah deh naheen jo utpann honevalee haai, parantu nira dana haai, chahe gehoon ka, chahe kisee aur anaj ka.
- 38 parantu parameshvar apanee ichchha ke anusar us ko deh deta haai aur har aek beej ko us kee vishosh deha.
- 39 sab shareer aek sareekhe nahee, parantu manushyon ka shareer aur haai, pashuon ka shareer aur haai paakshiyon ka shareer aur haai machhiilayon ka shareer aur haai.
- 40 svargeey deh haai, aur pathairv deh bhee haai: parantu svargeeyah dehon ka tej aur haai, aur pathairv ka aura.
- 41 soorya ka tej aur haai, chand ka tej aur haai, aur taraganon ka tej aur haai, kyonaki aek tare se doosare tare ke tej me antar haai.
- 42 mudorn ka jee uttna bhee aeese hee haai. shareer nashaman dasha men boya jata haai, aur avinashae roop men jee uttta haai.
- 43 vah anadar ke sath boya jata haai, aur tej ke sath jee uttta haai nirbalata ke sath boya jata haai aur samarth ke sath jee uttta haai.
- 44 svabhaavik deh boi jatee haai, aur aatmaik deh jee utttee haai: jab ki svabhavik deh haai, to aatmaik deh bhee haai.
- 45 aeese hee likha bhee haai, ki prathm manushy, arthata adam, jeevit praanee bana aur aantaim adam, jeevanadayak atma bana.
- 46 parantu pahile aatmaik n tha, par svabhaavik tha, is ke bad aatmaik hua.

47 prathm manushy dharatee se arthata mittee ka tha doosara manushy svargeey haai.

48 jaaisa vah mittee ka tha vaaise hee aur mittee ke haain aur jaaisa vah svargeey haai, vaaise hee aur bhee svargeey haain.

49 aur jaaise ham ne usaka roop jo mittee ka tha dhaaran kiya vaaise hee us svargeey ka roop bhee dhaaran karenge..

50 he bhaiyo, maain yah kahata hoon ki mans aur lohoo parameshvar ke rajy ke aadhaikaree naheen ho sakate, aur n vinash avinashae ka adhaikaree ho sakata haai.

51 dekhe, maain tum se bhed kee bat kahata hoon: ki ham sab to naheen soaenge, parantu sab badal jaaenge.

52 aur yah kshan bhr me, palak marate hee pichhlee turahee foonkate hee hoga: kayonaki turahee foonkee jaaegee aur murde aavinashaee dasha men uttaae janaege, aur ham badal jaaenge.

53 kyonaki avashy haai, ki vah nashaman deh avinash ko pahin le, aur yah maranahar deh amarata ko pahin le.

54 aur jab yah nashaman aavinash ko pahin lega, aur yah maranahar amarata ko paahin lega, tak vah vachan jo likha haai, pooraa ho jaaega, ki jay ne mratyuu ko nigal liya.

55 he mratyuu teree jay kahan raheen?

56 he mratyuu tera dnk kahan raha? mratyuu ka dnk pap haai aur pap ka bal byavastha haai.

57 parantu parameshvar ka dhanyavad ho, jo hamare prabhu yeeshu maseeh ke dara hamen jayavant karata haai.

58 so he mere piry bhaiyo, draddh aur attl raho, aur prabhu ke kam men sarvada baddhte jao, kyonki yah janate ho, ki tumhara paarishram prabhu men vyarth naheen haai..

- 4 aur yaadi mera bhee jana uchit hua, to ve mere sath jaaenge.
- 5 aur maain makiduniya hokar to jana hee haai.
- 6 parantu sambhv haai ki tumhare yahan hee tthar jaun aur sharad retu tumhare yanha kato, tab jis or mera jana ho, us or tum mujhe pahuncha do.
- 7 kyonaki maain ab marga men tum se bhentt karana naheen chahata parantu mujhe asha haai, ki yadi prabhu chahe to kuchh samay tak tumhare sath rahoonga.
- 8 paranatu maain peantaikust tak ifisus men rahoonga.
- 9 kyonaki mere liye aek bada aur upayogee dar khula haai, aur virodhaee bahut se haain..
- 10 yaadi teemuathaiyus a jaa, to dekhna, ki vah tumhare yahan nidr rahe kyonki vah meree nai prabhu ka kam karata haai.
- 11 isaliye koi use tuchchh n jane, parantu use kushal se is or pahuncha dena, ki mere pas a jaae kyonaki maain us kee batt joh raha hoo, ki vah bhaiyon ke sath aae.
- 12 aur bhai apullos se maain ne bahut binatee kee haai ki tumhare pas bhaiyon ke sath jaae parantu us ne us samay jane kee kuchh bhee ichchha n kee, parantu jab avasar paaega, tab a jaaega.
- 13 jagate raho, vishvas men sthiar raho, purooshaarth karo, balavant hoo.
- 14 jo kuchh karate ho praem se karo..
- 15 he bhaiyo, tum staifanas ke gharane ko janate ho, ki ve akhya ke pahile fal haai, aur pavitra logon kee seva ke liye taaiyar rahate haain.
- 16 so maain tum se binatee karata hoon ki aeeson ke adhaeen raho, baran har aek ke jo is kam men paarishramee aur sahakarmee haain.
- 17 aur maain staifanas aur fooratoonatus aur akhikus ke ane se anaandait hoo, kyonki unhon ne tumharee dhattee ko pooree kee haai.
- 18 aur unhon ne meree aur tumharee atma ko chaain diya haai isaliye aeeson ko mano..
- 19 aasiya kee kaleesiyaon kee or se tum ko namaskara akvaila aur pirsaka ka aur un ke ghar kee kaleesiya ko bhee tum ko prabhu men bahut bahut namaskara.
- 20 sab bhaiyon ka tum ko namaskara: paavitra chumban se apas men namaskar karo..
- 21 mujh paulus ka apane hath ka likha hua namaskara: yadi koi prabhu se praem n rakhe to vah srapit ho.

²² hamara prabhu anevala haai.

²³ prabhu yeeshu maseeh ka anugrah tum par hota rahe.

²⁴ mera praem maseeh yeeshu men tum sab se rahe. ameena..

¹ paulus kee or se jo parameshvar kee ichchha se maseeh yeeshu ka praeerit haai, aur bhai teemuathaiyus kee or se parameshvar kee us kaleesiya ke nam jo kuarinthus men haai aur sare akhma ke sab pavitra lagon ke nama..

² hamare pita parameshvar aur prabhu yeeshu maseeh kee or se anugrah aur shaaantai milatee rahe..

³ hamare prabhu yeeshu maseeh ke parameshvar, aur pita ka dhanyavad ho, jo daya ka pita, aur sab prakar kee shaaantai ka parameshvar haai.

⁴ vah hamare sab kleshaen men shaaantai deta haai taki ham us shaaantai ke karan jo parameshvar hamen deta haai, unhen bhee shaaantai de sake, jo kisee prakar ke klesh men hon.

⁵ kyonaki jaaise maseeh ke dukh ham ko aadhaik hote haai, vaaise hee hamaree shaaantai bhee maseeh ke dara adhaik hatee haai.

⁶ yaadi ham klesh pate haai, to yah tumharee shaantai aur uddhar ke liye haai aur yaadi shaaantai pate haai, to yah tumharee shaantai ke liye haai jis ke prabhav se tum dhaeraj ke sath un kleshaen ko sah lete ho, jinhen ham bhee sahate haain.

⁷ aur hamaree asha tumhare vishay men draddh haai kyonaki ham janate haai, ki tum jaaise dukhon ke vaaise hee shaantai ke bhee sahabhagee ho.

⁸ he bhaiyo, ham naheen chahate ki tum hamare us klesh se anajan raho, jo aasiya men ham par pada, ki aeese bharee bojh se dab gae the, jo hamaree samarth se bahar tha, yahan tak ki ham jeevan se bhee hath dhae baaitte the.

⁹ baran ham ne apane man men samajh liya tha, ki ham par mratyuu kee agyaa ho chukee haai ki ham apana bhrosa n rakhe, baran parameshvar ka jo mare huon ko jilata haai.

¹⁰ usee ne hamen aeesee badee mratyuu se bachaya, aur bachaega aur us se hamaree yah asha haai, ki vah age ko bhee bachata rahega.

¹¹ aur tum bhee milakar praarthna ke dara hamaree sahayata karoge, ki jo baradan bahuton ke dara hamen mila, usake karan bahut log hamaree or se dhanyavad karen..

¹² kyonaki ham apane vivek kee is gavahee par ghamand karate haai, ki jagat men aur vishosh karake tumhare beech hamara chaaritra parameshvar ke yogy aeesee paavitrata aur sachchai saahit tha, jo shaareerik gyaan se nahee, parantu parameshvar ke anugrah ke sath tha.

13 ham tumhen aur kuchh naheen likhte, keval vah jo tum paddhte ya manate bhee ho, aur mujhe asha haai, ki ant tak bhee manate rahoge.

14 jaaisa tum men se kitanon ne man liya haai, ki ham tumhare ghamand ka karan haai vaaise tum bhee prabhu yeeshu ke din hamare liye ghamand ka karan ttharoge..

15 aur is bhrose se maain chahata tha ki pahile tumhare pas aun ki tumhen aek aur dan mile.

16 aur tumhare pas se hokar maakiduniya ko jau, aur tum muchhe yahoodiya kee or kud door tak pahunchao.

17 isaliye maain ne jo yah ichchha kee thee to kya maain ne chanchalata dikhai? ya jo karana chahata hoon kya shareer ke anusar karana chahata hoo, ki maain bat men ha, han bhee karoon

18 aur naheen naheen bhee karoon? parameshvar sachcha gavah haai, ki hamare us vachan men jo tum se kaha han aur naheen danon pai naheen jateen.

19 kyonaki parameshvar ka putra yeeshu maseeh jisaka hamare dara arthata mere aur silavanus aur teemuthaiyus ke dara tumhare beech meen prachar hua us men han aur naheen donon n thee parantu, us men han hee han hui.

20 kyanaki parameshvar kee jitane pratigyaaaen haai, ve sab usee men han ke sath haain: isaliye usake dara ameen bhee hui, ki hamare dara parameshvar kee maahima ho.

21 aur jo hamen tumhare sath maseeh men draddh karata haai, aur jis ne hamen aabhaishok kiya vahee parameshvar haai.

22 jis ne ham par chhap bhee kar dee haai aur bayan men atma ko hamare manon men diya..

23 maain parameshvar ko gavah karata hoo, ki maai ab tak kurinthus men isaaliye naheen aya, ki mujhe tum par taras ata tha.

24 yah nahee, ki ham vishvas ke vishay men tum par prabhuta jatana chahate haain parantu tumhare anand men sahayak haain kyonki tum vishvas hee se sthiar rahate ho.

2 Kurinthiayon 2

1 maainne apane man men yahee ttan liya tha ki fir tumhare pas udas hokar n aun.

2 kyonaki yadi maain tumhen udas karoo, to mujhe anand denevala kaun hoga, keval vahee jis ko maain ne udas kiya?

- ³ aur maain ne yahee bat tumhen isaliye likhee, ki kaheen aeesa n ho, ki mere ane par jin se anand milana chahia, maain un se udas houn kyonaki mujhe tum sab par is bat ka bhrosa haai, ki jo mera anand haai, vahee tum sab ka bhee haai.
- ⁴ bade klesha, aur man ke kasht se, maain ne bahut se ansu baha bahakar tumhen likha, isaliye nahee, ki tum udas ho, parantu isaaliye ki tum us bade praem ko jan lo, jo mujhe tum se haai..
- ⁵ aur yaadi kisee ne udas kiya haai, to mujhe hee naheen baran ki usake sath bahut kadai n karoon kuchh kuchh tum sab ko bhee udas kiya haai.
- ⁶ aese jan ke liye yah dand jo bhaiyon men se bahuton ne diya, bahut haai.
- ⁷ isaliye is se yah bhla haai ki usaka aparadha kshama karo aur shaantai do, n ho ki aeesa manushy udasee men oob jaae.
- ⁸ is karan maain tum se binatee karata hoo, ki us ko apane praem ka praman do.
- ⁹ kyonaki maain ne isaliye bhee likha tha, ki tumhen parakh loo, ki sab baton ke manane ke liye taaiyar ho, ki naheen.
- ¹⁰ jis ka tum kuchh kshama karate ho us maain bhee kshama karata hoo, kyonki maain ne bhee jo kuchh kshama kiya haai, yadi kiya ho, to tumhare karan maseeh kee jagah men hokar kshama kiya haai.
- ¹¹ ki shautan ka ham par danv n chale, kyonki ham us kee yuktaiyon se anajan naheen.
- ¹² aur jab maain maseeh ka susamachar, sunane ko traeas men aya, aur prabhu ne mere liye aek dar khol diya.
- ¹³ to mere man men chaain ne mila, isaliye ki maain ne apane bhai titus ko naheen paya so un se vida hokar maain maakiduniya ko chala gaya.
- ¹⁴ parantu parameshvar ka dhanyavad ho, jo maseeh men sada ham ko jay ke utsav men liye firata haai, aur apane gyaan ka sugandha hamare dara har jagah faailata haai.
- ¹⁵ kyonaki ham parameshvar ke nikatt uddhar panevalo, aur nash honevalo, dono ke liye maseeh ke sugandha haain.
- ¹⁶ kitano ke liye to marane ke nimitt mranyu kee gandha, aur kitano ke liye jeevan ke nimitt jeevan kee sugandha, aur in baton ke yogy kaun haai?
- ¹⁷ kyonaki ham un bahuton ke saman nahee, jo parameshvar ke vachan men milavatt karate haain parantu man kee sachchai se, aur parameshvar kee or se parameshvar ko upaasthiat janakar maseeh men bolate haain..

2 Kurinthiayon 3

- 1 kya ham fir apanee badai karane lage? ya hamen kitanon ki nai sifaaarish kee paatraiyan tumhare pas lanee ya tum se lenee haain?
- 2 hamaree patraee tum hee ho, jo hamare dayon par likhee hui haai, aur use sab manushy pahichanate aur paddhte haai.
- 3 yah pragatt haai, ki tum maseeh kee patraee ho, jis ko ham ne sevakon kee nai likha aur jo siyahee se nahee, parantu jeevate parameshvar ke atma se patthr kee paattyaaien par nahee, parantu day kee mans roopee paattyaaien par likhee haai.
- 4 ham maseeh ke dara parameshvar par aeesa hee bhrosa rakhte haain.
- 5 yah nahee, ki ham apne ap se is yogy haai, ki apanee or se kisee bat ka vichar kar saken par hamaree yogyata parameshvar kee or se haai.
- 6 jis ne hamen nai vacha ke sevak hone ke yogy bhee kiya, shabd ke sevak naheen baran atma ke kyonaki shabd marata haai, par atma jilata haai.
- 7 aur yahad mratyuu kee yah vacha jis ke akshar patthron par khod gaae the, yahan tak tejomay hui, ki moosa ke munh par ke tej ke karan jo ghattta bhee jata tha, israael usake munh par draashti naheen kar sakate the.
- 8 to atma kee vacha aur bhee tejomay kyon n hogee?
- 9 kyonaki jab doshaee ttharanevalee vacha tejomay thee, to dharmee ttharanevalee vacha aur bhee tejomay kyon n hogee?
- 10 aur jo tejomay tha, vah bhee us tej ke karan jo us se baddhkar tejamay tha, kuchh tejomay n tthara.
- 11 kyonaki jab vah jo ghattta jata tha tejomay tha, to vah jo sthiar rahega, aur bhee tejomay kyon n hoga?
- 12 so aeesee asha rakhkar ham hiyav ke sath bolate haain.
- 13 aur moosar kee nain nahee, jis ne apne munh par parada dala tha taki israaelee us ghattnevalee vastu ke ant ko n dekhen.
- 14 parantu ve matimand ho gaa, kyonaki aj tak purane niyam ke paddhte समय un ke dayon par vahee parada pada rahata haai par vah maseeh men utt jata haai.
- 15 aur aj tak jab kabhee moosa kee pustak paddhee jatee haai, to un ke day par parada pada rahata haai.
- 16 parantu jab kabhee un ka day prabhu kee or firega, tab vah parada utt jaaega.

17 prabhu to atma haai: aur jahan kaheen prabhu ka atma haai vahan svatantrata haai.

18 parantu jab ham sab ke ughaade chehare se prabhu ka pratap is prakar pragatt hota haai, jis prakar darpan me, to prabhu ke dara jo atma haai, ham usee tejasvee roop men ansh ansh kar ke badalate jate haain..

2 Kurinthiayon 4

1 isaliye jab ham par aeesee daya hui, ki hamen yah seva milee, to ham hiyav naheen chhodte.

2 parantu ham ne lajja ke gupt kamon ko tyag diya, aur n chaturai se chalate, aur n parameshvar ke vachan men milavatt karate haai, parantu saty ko pragatt karake, parameshvar ke samhane har aek manushy ke vivek men apanee bhlai baaitate haain.

3 parantu yadi hamare susamachar par parada pada haai, to yah nash honevalon hee ke liye pada haai.

4 aur un aavishvasiyon ke liye, jin kee buddh iko is sansar ke ishvar ne andhaee kar dee haai, taki maseeh jo parameshvar ka praatiroop haai, usake tejomay susamachar ka prakash un par n chamake.

5 kyonaki ham apne ko nahee, parantu maseeh yeeshu ko prachar karate haai, ki vah prabhu haai aur usake vishay men yah kahate haai, ki ham yeeshu ke karan tumhare sevak haain.

6 isaliye ki parameshvar hee haai, jis ne kaha, ki andhakar men se jyoti chamake aur vahee hamare dayon men chamaka, ki parameshvar kee mahima kee paahichan kee jyoti yeeshu maseeh ke chehare se prakashaman ho..

7 parantu mahare pas yah dhan mitthee ke baratanon men rakha haai, ki yah aseem samarth hamaree or se nahee, baran parameshvar hee kee or se tthare.

8 ham charon or se klesh to bhogate haai, par sankatt men naheen padte niroopay to haai, par nirash naheen hote.

9 sataae to jate haain par tyage naheen jate giraae to jate haai, par nash naheen hote.

10 ham yeeshu kee mratyu ko apanee deh men har samay liye firate haain ki yeeshu ka jeevan bhee hamaree deh men pragatt ho.

11 kyonaki ham jeete jee sarvada yeeshu ke karan mratyu ke hath men saunpe jate haain ki yeeshu ka jeevan bhee hamare maranahar shareer men pragatt ho.

12 so mratyu to ham par prabhav dalatee haai aur jeevan tum para.

13 aur isaliye ki ham men vahee vishvas kee atma haai, jis ke vishay me likha haai, ki maain ne vishvas kiya, isaliye maain bola so ham bhee vishvas karate haai, isee liye bolate haain.

14 kyonaki ham jatane haai, jis ne prabhu yeeshu ko jilaya, vahee hamen bhee yeeshu men bhagee janakar jilaaega, aur tumhare sath apane samhane upaasthiat karega.

15 kyonaki sab vastuen tumhare liye haai, taki anugrah bahuton ke dara aadhaik hokar parameshvar kee maahima ke liye dhanyavad bhee baddhaae..

16 isaliye ham hiyav naheen chhodte yadhypi hamara baharee manushyatv nash bhee hota jata haai, taubhee hamara bheetaree manushyatv din pratidin naya hota jata haai.

17 kyonaki hamara pal bhr ka halka sa klesh hamare liye bahut hee mahatvapoor aur anant jeevan maahima utpann karata jata haai.

18 aur ham to dekhee hui vastuon ko naheen parantu anadekhee vastuon ko dekhte rahate haai, kyonki dekhee hui vastuon thode hee din kee haai, parantu anadekhee vastuon sada bane rahate haain.

2 Kurinthiayon 5

1 kyonaki ham janate haai, ki jab hamara prathvee par ka dera sareekha ghar giraya jaaega to hamen parameshvar kee or se svarga par aek aesa bhvan milega, jo hathon se bana hua ghar naheen parantu chirasthai haai.

2 is men to ham kaharate, aur badee lalasa rakhte haain ki apane svargeey ghar ko pahin len.

3 ki is ke pahinane se ham nange n paae jaaen.

4 aur ham is dere men rahate huae bojh se dabe kaharate rahate haain kyonaki ham utarana nahee, baran aur paahinana chahate haai, taki vah jo maranahar haai jeevan men oob jaae.

5 aur jis ne hamen isee bat ke liye taaiyar kiya haai vah parameshvar haai, jis ne hamen bayane men atma bhee diya haai.

6 so ham sada ddhaddhs bandho rahate haain aur yah janate haain ki jab tak ham deh men rahate haai, tab tak prabhu se alag haain.

7 kyonaki ham roop ko dekhkar nahee, par vishvas se chalate haain.

8 isaliye ham ddhaddhs bandho rahate haai, aur deh se alag hokar prabhu ke sath rahana aur bhee uttm samajhte haain.

⁹ is karan hamare man kee umang yah haai, ki chahe sath rahe, chahe alag rahen par ham use bhate rahen.

¹⁰ kyonaki avashy haai, ki ham sab ka hal maseeh ke nyay asan ke samhane khul jaa, ki har aek vyaaktai apane apane bhle bure kamon ka badala jo us ne deh ke dara kiae hon paae..

¹¹ so prabhu ka bhy manakar ham logon ko samajhate haain aur parameshvar par hamara hal pragatt haai aur meree asha yah haai, ki tumhare vivek par bhee pragatt hua hoga.

¹² ham fir bhee apanee badai tumhare samhane naheen karate baran ham apane vishay men tumhen ghamand karane ka avasar dete haai, ki tum unhen uttr de sako, jo man par nahee, baran dikhvattee baton par ghamand karate haain.

¹³ yaadi ham besudha haai, to parameshvar ke liye aur yaadi chaaitany haai, to tumhare liye haain.

¹⁴ kyonaki maseeh ka praem hamen vivash kar deta haai isaaliye ki ham yah samajhte haai, ki jab aek sab ke liye mara to sab mar gaae.

¹⁵ aur vah is nimitt sab ke liye mara, ki jo jeevit haai, ve age ko apane liye n jeeaeen parantu usake liye jo un ke liye mara aur fir jee utta.

¹⁶ so ab se ham kisee ko shareer ke anusar n samajhenge, aur yaadi ham ne maseeh ko bhee shareer ke anusar jana tha, taubhee ab se us ko aeesa naheen janenge.

¹⁷ so yaadi koi maseeh men haai to vah nai sraashtti haai: puranee baten beet gai haain dekho, ve sab nai ho gain.

¹⁸ aur sab baten parameshvar kee or se haai, jis ne maseeh ke dara apane sath hamara mel milap kee seva hamen saunp dee haai.

¹⁹ arthata parameshvar ne maseeh men hokar apane sath sansar ka mel milap kar liya, aur un ke aparadhaen ka dosh un par naheen lagaya aur us ne mel milap ka vachan hamen saunp diya haai..

²⁰ so ham maseeh ke rajadoot haain mano parameshvar hamare dara samajhata haai: ham maseeh kee or se nivedan karate haai, ki parameshvar ke sath mel milap kar lo.

²¹ jo pap se agyaat tha, usee ko us ne hamare liye pap ttharaya, ki ham us men hokar parameshvar kee dhaarmikata ban jaaen..

2 Kurinthiayon 6

- 1 aur ham jo usake sahakarmee haain yah bhee samajhate haai, ki parameshvar ka anuganh jo tum par hua, vyarth n rahane do.
- 2 kyonaki vah to kahata haai, ki apanee prasannata ke samay maain ne teree sahayata kee: dekho, abhee uddhar ka din haai.
- 3 ham kisee bat men ttokar khane ka koi bhee avasar naheen dete, ki hamaree seva par koi dosh n aae.
- 4 parantu har bat men parameshvar ke sevakon kee nai apane sadagunon ko pragatt karate haai, bade dhaurya se, kleshaen se, daridrata se, sankatto se.
- 5 kode khane se, kaaid hone se, hulladon se, parishram se, jagate rahane se, upavas karane se.
- 6 paavitrata se, gyaan se, dhaeeraj se, krapaluta se, paavitra atma se.
- 7 sachche praem se, saty ke vachan se, parameshvar kee samarth se dhaarmikata ke hathaiyaron se jo dahine, baaen haain.
- 8 adar aur niradar se, duranam aur sunam se, yadhypi bhramanevalon ke aeese maloom hote haain taubhee sachche haain.
- 9 anajanon ke sadrashy haain taubhee praasiddh haain marate huon ke aeese haain aur dekhon jeevit haain marakhanevalon ke sadrash haain parantu praan se mare naheen jate.
- 10 shaek karanevale ke saman haai, parantu sarvada anand karate haai, kangalon ke aeese haai, parantu bahuton ko dhanavan bana dete haain aeese haain jaaise hamare pas kuchh naheen taubhee sab kuchh rakhte haain.
- 11 he kuarinthiayo, ham ne khulakar tum se baten kee haai, hamara day tumharee or khula hua haai.
- 12 tumhare liye hamare man men kuchh saketee nahee, par tumhare hee manon men saketee haai.
- 13 par apane ladke-bale janakar tum se kahata hoo, ki tum bhee usake badale men apana day khol do..
- 14 aavishvasiyon ke sath asaman jooae men n juto, kyonki dhaarmikata aur adharma ka kya mel jola? ya jyoti aur andhakar kee kya sangati?
- 15 aur maseeh ka baliyal ke sath kya lagava? ya vishvasee ke sath aavishvasee ka kya nata?
- 16 aur mooraton ke sath parameshvar ke mandair ka kya sambandha? kyonaki ham to jeevate parameshvar ka mandair haain jaaisa parameshvar ne kaha haai ki maain un men basoonga aur un men chala fira karoonga aur maain un ka parameshvar hoonga, aur ve mere log honge.

17 isaliye prabhu kahata haai, ki un ke beech men se nikalo aur alag raho aur ashuddh vastu ko mat chooo, to maain tumhen grahan karoonga.

18 aur tumhara pita hoonga, aur tum mere bette aur bettyaian hoge: yah sarvashaktaiman prabhu parameshvar ka vachan haai..

2 Kurinthiayon 7

1 so he pyaro jab ki ye pratigyaaaen hamen milee haai, to ao, ham apane ap ko shareer aur atma kee sab malinata shuddh kare, aur parameshvar ka bhy rakhte huae paavitrata ko siddh karen..

2 hamen apane day men jagah do: ham ne n kisee se anyay kiya, n kisee ko bigada, aur n kisee ko ttga.

3 maain tumhen doshaee ttharane ke liye yah naheen kahata: kyonki maain paahile hee kah chooka hoo, ki tum hamare day men aeese bas gae ho ki ham tumhare sath marane jeene ke liye taaiyar haain.

4 maain tum se bahut hiyav ke sath bol raha hoo, mujhe tum par bada ghamand haai: maain shaantai se bhr gaya hoon apane sare klesh men maain anand se aati bhrapoor rahata hoon..

5 kyonaki jab ham makiduania men aa, tab bhee hamare shareer ko chaain naheen mila, parantu ham charon or se klesh pate the bahar ladaiyan thee, bheetar bhyankar baten thee.

6 taubhee danon ko shaantai denevale parameshvar ne titus ke ane se ham ko shaaantai dee.

7 aur n keval usake ane se parantu us kee us shaantai se bhee, jo us ko tumharee or se milee thee aur us ne tumharee lalasa, aur tumhare dukh or mere liye tumharee dhaun ka samachar hamen sunaya, jis se mujhe aur bhee anand hua.

8 kyoki yadhyapi maain ne apanee patraee se tumhen shaekit kiya, parantu us se pachhtata naheen jaaisa ki pahile pachhtata tha kyonki maain dekhta hoo, ki us patraee se tumhen shaek to hua parantu vah thodee der ke liye tha.

9 ab maain anaandait hoon par isaliye naheen ki tum ko shaek pahuncha baran isaliye ki tum ne us shaek ke karan man firaya, kyonki tumhara shaek parameshvar kee ichchha ke anusar tha, ki hamaree or se tumhen kisee bat men haani n pahunche.

10 kyonaki parameshvara-bhaktai ka shaek aeese pashchatap utpann karata haai jis ka parinam uddhar haai aur fir us se pachhtana naheen padta: parantu sansaree shaek mratyuu utpann karata haai.

11 so dekho, isee bat se ki tumheen parameshvara-bhktai ka shaek hua tum men kitanee uttejana aur pratyattr aur ris, aur bhy, aur lalasa, aur dhaun aur palaa lene ka vichar utpann hua? tum ne sab prakar se yah siddh kar dikhaya, ki tum is bat men nirdosh ho.

12 fir maain ne jo tumhare pas likha tha, vah n to usake karan likha, jis ne anyay kiya, aur n usake karan jis par anyay kiya gaya, parantu isaliye ki tumharee uttejana jo hamare liye haai, vah parameshvar ke samhane tum par pragatt ho jaae.

13 isaliye hamen shaaantai hui aur hamaree is shaantai ke sath titus ke anand ke karan aur bhee anand hua kayonaki usaka jee tum sab ke karan hara bhra ho gaya haai.

14 kyonaki yadi maain ne usake samhane tumhare vishay men kuchh ghamand dikhaya, to lajjait naheen hua, parantu jaise ham ne tum se sab baten sach sach kah dee thee, vaaise hee hamara dhamand dikhana titus ke samhane bhee sach nikala.

15 aur jab us ko tum sab ke agyaakaree hone ka smaran ata haai, ki kyonkar tum ne drate aur kanpate huae us se bhentt kee to usaka praem tumharee or aur bhee baddhta jata haai.

16 maain anand karata hoo, ki tumharee or se mujhe har bat men ddhaddhs hota haai..

2 Kurinthiayon 8

1 ab he bhaiyo, ham tumhen parameshvar ke us anugrah ka samachar dete haai, jo makiduaneya kee kaleesiyaon par hua haai.

2 ki klesh kee badee pareeksha men un ke bade anand aur bharee kangalapan ke baddh jane se un kee udarata bahut baddh gai.

3 aur unake vishay men meree yah gavahee haai, ki unhon ne apanee samarth bhr baran samarth se bhee bahar man se diya.

4 aur is dan men aur paavitra logon kee seva men bhagee hone ke anugrah ke vishay men ham se bar bar bahut binatee kee.

5 aur jaaisee ham ne agyaa kee thee, vaaisee hee nahee, baran unhon ne prabhu ko, fir parameshvar kee ichchha se ham ko bhee apane tai de diya.

6 isaliye ham ne titus ko samajhaya, ki jesa us ne paahile arambh kiya tha, vaaisa hee tumhare beech men is dan ke kam ko poora bhee kar le.

⁷ so jaise har bat men arthata vishvas, vachan, gyaan aur sab prakar ke yatn me, aur us praem me, jo ham se rakhte ho, baddhte jate ho, vaaise hee is dan ke kam men bhee baddhte jao.

⁸ maain agyaa kee reeati par to nahee, parantu aur ke utsah se tumhare praem kee sachchai ko parakhne ke liye kahata hoon.

⁹ tum hamare prabhu yeeshu maseeh ka anugrah janate ho, ki vah dhanee hokar bhee tumhare liye kangal ban gaya taki usake kangal ho jane se tum dhanee ho jao.

¹⁰ aur is bat men mera vichar yahee haai, kyonaki yah tumhare liye achchha haai jo aek varsha se n to keval is kam ko karane hee me, parantu is bat ke chahane men bhee prathm huae the.

¹¹ isaliye ab yah kam poora karo ki ichchha karane men tum taaiyar the, vaaisa hee apanee apanee poonjee ke anusar poora bhee karo.

¹² kayonaki yadi man kee taaiyaree ho to dan usake anusar grahan bhee hota haai jo usake pas haai n ki usake anusar jo usake pas naheen.

¹³ yah naheenkhi ki auro ko chaain aur tum ko klesh mile.

¹⁴ parantu barabaree ke vichar se is samay tumharee baddhtee unakee ghattee men kam aa, taki un kee baddhtee bhee tumharee ghattee men kam aa, ki barabaree ho jaae.

¹⁵ jesa likha haai, ki jis ne bahut battora usaka kuchh aadhaik n nikala aur jis ne thoda battora usaka kuchh kam n nikala..

¹⁶ aur parameshvar ka dhanyavad ho, jis ne tumhare liye vahee utsah titus ke day men dal diya haai.

¹⁷ ki us ne hamara samajhana man liya baran bahut utsahee hokar vah apanee ichchha se tumhare pas gaya haai.

¹⁸ aur ham ne usake sath us bhai ko bheja haai jis ka nam susamachar ke vishay men sab kaleesiya men faaila hua haai.

¹⁹ aur itana hee nahee, parantu vah kaleesiya se ttharaya bhee gaya ki is dan ke kam ke liye hamare sath jaae aur ham yah seva isaliye karate haai, ki prabhu kee maahima aur hamare man kee taaiyaree pragatt ho jaae.

²⁰ ham is bat men chaukas rahate haai, ki is udarata ke kam ke vishay men jis kee seva ham karate haai, koi ham par dosh n lagate paae.

²¹ kyeanki jo baten keval prabhu hee ke nikatt nahee, parantu manushyon ke nikatt bhee bhlee haain ham un kee chinta karate haain.

²⁴ so apana praem aur hamara vah ghamand jo tumhare vishay men haai kaleesiyaon ke samhane unhen siddh karake dikhao..

2 Kurinthiayon 9

¹ ab us seva ke vishay men jo paavitra logon ke liye kee jatee haai, mujhe tum ko likhna avashy naheen.

² kyonaki maain tumhare man kee taaiyaree ko janata hoo, jis ke karan maain tumhare vishay men maakiduanion ke samhane ghamand dikhata hoo, ki akhya ke log aek varsha se taaiyar huae haai, aur tumhare utsah ne aur bahuton ko bhee ubhara haai.

⁹ jesa likha haai, us ne bithraya, us ne kangalon ko dan diya, usaka dharma sada bana rahega.

¹⁰ so jo bonevale ko beej, aur bhojan ke liye rottee deta haai vah tumhen beej dega, aur use falavant karega aur tumhare dharma ke falon ko baddhaaega.

¹¹ ki tum har bat men sab prakar kee udarata ke liye jo hamare dara parameshvar ka dhanyavad karavatee haai, dhanavan kiae jao.

¹² kyonaki is seva ke poora karane se, n keval paavitra logon kee ghattyaian pooree hotee haai, parantu logon kee or se parameshvar ka bahut dhanyavad hota haai.

¹³ kyonaki is seva se praman lekar parameshvar kee maahima pragatt karate haai, ki tum maseeh ke susamachar ko man kar usake adhaeen rahate ho, aur un kee, aur sab kee sahayata karane men udarata pragatt karate rahate ho.

¹⁴ or ve tumhare liye praarthna karate haain aur isaaliye ki tum par parameshvar ka bada hee anugrah haai, tumharee lalasa karate rahate haain.

¹⁴ kyonaki ham apnee seema se bahar apne ap ko baddhana naheen chahate, jaaise ki tum tak n pahunchane kee dasa men hota, baran maseeh ka susamachar sunate huae tum tak pahunch chuke haain.

¹⁵ aur ham seema se bahar auron ke parishram par ghaman naheen karate parantu hamen asha haai, ki jyon jyon tumhara vishvas baddhta jaaega tyon tyon ham apnee seema ke anusar tumhare karan aur bhee baddhte jaaenge.

12 isaliye ki yakoob kee or se kitane logon ke ane se pahile vah anyajatiyon ke sath khaya karata tha, parantu jab ve aa, to khtana kiae huae logon ke dr ke mare un se hatt gaya aur kinara karane laga.

13 aur usake sath shosh yahoodiyon ne bhee kapatt kiya, yahan tak ki baranabas bhee un ke kapatt men pad gaya.

14 par jab maain ne dekha, ki ve susamachar kee sachchai par seedhaee chal naheen chalute, to maain ne sab ke samhane kaaifaa se kaha ki jab too yahoodee hokar anyajaatiyon kee nai chalata haai, aur yahoodiyon kee nain naheen to too anyajatiyon ko yahoodiyon kee nain chalane ko kyon kahata haai?

15 ham jo janm ke yahoodee haai, aur papee anyajatiyon men se naheen.

16 taubhee yah janakar ki manushy vyavastha ke kamon se nahee, par keval yeeshu maseeh par vishvas karane ke dara dharmee ttharata haai, ham ne ap bhee maseeh yeeshu par vishvas kiya, ki ham vyavastha ke kamon se naheen par maseeh par vishvas karane se dharmee ttharen isaaliye ki vyavastha ke kamon se koi praanee dharmee n ttharega.

17 ham jo maseeh men dharmee ttharana chahate haai, yadi ap hee papee nikale, to kya maseeh pap ka sevak haai? kadaapi naheen.

18 kyonaki jo kuchh maain ne gira diya, yaadi usee ko fir banata hoo, to apne ap ko aparadhaee ttharata hoon.

¹⁹ maain jo vyavasai ke dara vyavastha ke liye mar gaya, ki parameshvar ke liye jeeun.

²⁰ maain maseeh ke sath kroos par chaddhaya gaya hoo, aur ab maain jeeavit n raha, par maseeh mujh men jeeavit haai: aur maain shareer men ab jo jeeavit hoon to keval us vishvas se jeevit hoo, jo parameshvar ke putra par haai, jis ne mujh se praem kiya, aur mere liye apne ap ko de diya.

²¹ maain parameshvar ke anugrah ko vyarth naheen ttharata, kyonki yadi vyavastha ke dara dhaarmikata hotee, to maseeh ka marana vyarth hota..

Galatiyon 3

¹ he nirbuaddh igalatiyo, kis ne tumhen moh liya? tumharee to manon ankhon ke samhane yeeshu maseeh kroos par dikhaya gaya!

² maain tum se keval yah janana chahata hoo, ki tum ne atma ko, kya vyavastha ke kamon se, ya vishvas ke samachar se paya?

³ kya tum aeese nirbuaddh iho, ki atma kee reeti par arambh karake ab shareer kee reeti par ant karoge?

⁴ kya tum ne itana dukh yonhee uttaya? parantu kadachit vyarth naheen.

⁵ so jo tumhen atma dan karata aur tum men samarth ke kam karata haai, vah kya vyavastha ke kamon se ya vishvas ke susamachar se aeese karata haai?

⁶ ibraaheem ne to parameshvar par vishvas kiya aur yah usake liye dhaarmikata ginee gai.

⁷ to yah jan lo, ki jo vishvas karanevale haai, ve hee ibraaheem kee santan haain.

⁸ aur paavitrashaasr ne pahile hee se yah janakar, ki parameshvar anyajaatiyon ko vishvas se dharmee ttharaaega, pahile hee se ibraaheem ko yah susamachar suna diya, ki tujh men sab jatiyan ashaeesh paaengee.

⁹ to jo vishvas karanevale haai, ve vishvasee ibraaheem ke sath ashaeesh pate haain.

¹⁰ so jitane log vyavastha ke kamon par bhrosa rakhte haai, ve sab srap ke adhaeen haai, kyonki likha haai, ki jo koi vyavastha kee pustak men likhee hui sab baton ke karane men sthiar naheen rahata, vah srapit haai.

¹¹ par yah bat pragatt haai, ki vyavastha ke dara parameshvar ke yahan koi dharmee naheen ttharata kyonki dharmee jan vishvas se jeevit rahega.

¹² par vyavastha ka vishvas se kuchh sambandha naheen par jo un ko manega, vah un ke karan jeeavit rahega.

13 maseeh ne jo hamare liye srapiit bana, hamen mol lekar vyavastha ke srapiit se chhudaya kyonaki likha haai, jo koi katt par lattkaya jata haai vah srapiit haai.

14 yah isaliye hua, ki ibraahim kee ashaeesh maseeh yeeshu men anyajatiyon tak panhuche, aur ham vishvas ke dara us atma ko praapt kare, jis kee pratigyaa hui haai..

15 he bhaiyo, maain manushy kee reeti par kahata hoo, ki manushy kee vacha bhee jo pakkee ho jatee haai, to n koi use ttalata haai aur n us men kuchh baddhata haai.

16 nidan, pratigyaaaen ibraaheem ko, aur usake vansh ko dee gain vah yah naheen kahata, ki vashaen ko jese bahuton ke vishay men kaha, par jaaise aek ke vishay men ki tere vansh ko: aur vah maseeh haai.

17 par maain yah kahata hoon kee jo vacha parameshvar ne pahile se pakkee kee thee, us ko vyavastha char sau tees baras ke bad akar naheen ttal detee, ki pratigyaa vyarth tthare.

18 kyonaki yadi meeras vyavastha se milee haai, to fir pratigyaa se nahee, parantu parameshvar ne ibraaheem ko pratigyaa ke dara de dee haai.

19 tab fir vyavastha kya rahee? vah to aparadhaen ke karan bad men dee gai, ki us vansh ke ane tak rahe, jis ko pratigyaa dee gai thee, aur vah svargadooton ke dara aek madhyasth ke hath ttharai gai.

20 madhyasth to aek ka naheen hota, parantu parameshvar aek hee haai.

21 to kya vyavastha parameshvar kee pratigyaaon ke virodha men haai? kadapi n ho? kyonaki yadi aeesee vyavastha dee jatee jo jeevan de sakatee, to sachamuch dhaarmikata vyavastha se hotee.

22 parantu pavitra shaasr ne sab ko pap ke adhaeen kar diya, taaki vah pratigyaa jis ka adhaar yeeshu maseeh par vishvas karana haai, vishvas karanevalon ke liye pooree ho jaae..

23 par vishvas ke ane se paahile vyavastha kee adhaeenata men hamaree rakhvalee hotee thee, aur us vishvas ke ane tak jo pragatt honevala tha, ham usee ke bandhan men rahe.

24 isaliye vyavastha maseeh tak pahunchane ko hamara shaikshak hui haai, ki ham vishvas se dharmee ttharen.

25 parantu jab vishvas a chuka, to ham ab shaikshak ke adhaeen n rahe.

26 kyonaki tum sab us vishvas karane ke dara jo maseeh yeeshu par haai, parameshvar kee santan ho.

27 aur tum men se jitanon ne maseeh men bapatisma liya haai unhon ne maseeh ko pahin liya haai.

28 ab n koi yahooder raha aur n yoonanee n koi das, n svatantra n koi nar, n naree kyonki tum sab maseeh yeeshu men aek ho.

29 aur yaadi tum maseeh ke ho, to ibraaheem ke vansh aur pratigyaa ke anusar vaaris bhee ho..

Galatiyon 4

1 maain yah kahata hoo, ki varis jab tak balak haai, yadhyapi sab vastuon ka svamee haai, taubhee us men aur das men kuchh bhed naheen.

2 parantu pita ke ttharaae huae samay tak rakshakon aur bhndariyon ke vash men rahata haai.

3 vaaise hee ham bhee, jab balak the, to sansar kee adi shaiksha ke vash men hokar das bane huae the.

4 parantu jab samay poora hua, to parameshvar ne apane putra ko bheja, jo sree se janma, aur vyavastha ke adhaeen utpann hua.

5 taaki vyavastha ke adhaeenon ko mol lekar chhuda le, aur ham ko lepalak hone ka pad mile.

6 aur tum jo putra ho, isaaliye parameshvar ne apane putra ke atma ko, jo he abba, he pita kahakar pukarata haai, hamare day men bheja haai.

7 isaliye too ab das nahee, parantu putra haai aur jab putra hua, to parameshvar ke dara varis bhee hua.

8 bhla, tak to tum parameshvar ko n janakar unake das the jo svabhav se parameshvar naheen.

9 par ab jo tum ne parameshvar ko pahachan liya baran parameshvar ne tum ke pahachana, to un nirbal aur nikammee aadi-ashaiksha kee baton kee or kyon firate ho, jin ke tum dobara das hona chahate ho?

10 tum dinon aur maheenon aur niyat samayon aur vasharen ko manate ho.

12 he bhaiyo, maain tum se binatee karata hoo, tum mere saman ho jao: kyonaki maain bhee tumhare saman hua hoon tum ne mera kuchh bigada naheen.

13 par tum janate ho, ki pahile paahil maain ne shareer kee nirbalata ke karan tumhen susamachar sunaya.

14 aur tum ne merree shaareerik dasa ko jo tumharee pareeksha ka karan thee, tuchh n jana n us ne gharana kee aur parameshvar ke doot baran maseeh ke saman mujhe grahan kiya.

- 17 ve tumhen mitra banana to chahate haai, par bhlee manasa se naheen baran tumhen alag karana chahate haai, ki tum unheen ko mitra bana lo.
- 18 par yah bhee achchha haai, ki bhlee bat men har samay mitra banane ka yatn kiya jaa, n keval usee samay, ki jab maain tumhare sath rahata hoon.
- 19 he mere balako, jab tak tum men maseeh ka roop n ban jaa, tab tak maain tumhare liye fir jachcha kee see peedaaen sahata hoon.
- 20 ichchha to yah hotee haai, ki ab tumhare pas akar aur hee prakar se bolo, kyonaki tumhare vishay men mujhe sandeh haai..
- 21 tum jo vyavastha ke adhaeen hona chahate ho, mujh se kaho, kya tum vyavastha kee naheen sunate?
- 22 yah likha haai, ki ibraaheem ke do putra hue aek dasee se, aur aek svatantra sree se.
- 23 parantu jo dasee se hua, vah shaareerik reeti se janma, aur jo svatantra sree se hua, vah praatigyaa ke anusar janma.
- 24 in baton men drashttant haai, ye striayan manon do vachaaen haai, aek to seena pahad kee jis se das hee utpann hote haain aur vah hajira haai.
- 25 aur haajira mano arab ka seena pahad haai, aur adhaunik yarooshalem use tuly haai, kyonki vah apane balakon samet dasatv men haai.
- 26 par upar kee yarooshalem svatantra haai, aur vah hamaree mata haai.
- 27 kyonaki likha haai, ki he banj, too jo naheen janatee anand kar, tu jis ko peedaaen naheen uttteen gala kholakar jay jayakar kar, kyonki tyagee hui kee santan suhagin kee santan se bhee adhaik haai.
- 28 he bhaiyo, ham isahak kee nain pratigyaa kee santan haain.
- 29 aur jaaisa us samay shareer ke anusar janma hua atma ke anusar janme huae ko satata tha, vaaisa hee ab bhee hota haai.
- 30 parantu pavitra shaasr kya kahata haai? dasee aur usake putra ko nikal de, kyonaki dasee ka putra svatantra sree ke putra ke sath uttraadhaikaree naheen hoga.
- 31 isaliye he bhaiyo, ham dasee ke naheen parantu svatantra sree ke santan haain.

¹⁵ kyonaki ham prabhu ke vachan ke anusar tum se yah kahate haai, ki ham jo jeevit haai, aur prabhu ke ane tak bache rahenge to soae huon se kabhee age n baddhenge.

¹⁶ kyonaki prabhu ap hee svarga se utarega us samay lalakar, aur pradhaan doot ka shabd sunai dega, aur parameshvar kee turahee foonkee jaaegee, aur jo maseeh men mare haai, ve pahile jee uttenge.

- 12** usee ko arthata jo mere day ka ttukada haai, maain ne use tere pas lautta diya haai.
- 13** use maain apane hee pas rakhna chahata tha ki teree or se is kaaaid men jo susamachar ke karan haai, meree seva kare.
- 14** par maain ne teree ichchha bina kuchh bhee karana n chaha ki teree yah krupa dabav se naheen par anand se ho.
- 15** kyonaki kya jane vah tujh se kuchh din tak ke liye isee karan alag hua ki sadaaiv tere nikatt rahe.

16 parantu ab se das kee nai nahee, baran das se bhee uttm, arthata bhai ke saman hare jo shareer men bhee aur vishosh kar prabhu men bhee mera piry ho.

17 so yaadi too mujhe sahabhagee samajhta haai, to use is prakar grahan kar jaise mujhe.

18 aur yaadi us ne teree kuchh haani kee haai, ya us par tera kuchh ata haai, to mere nam par likh le.

19 maain paulus apane hath se likhta hoo, ki maain ap bhr doonga aur ham ke kahane kee kuchh avashyakata nahee, ki mera karja jo tujh par haai vah too hee haai.

20 he bhai yah anand mujhe prabhu men teree or se mile : maseeh men mere jee ko hara bhra kar de.

21 maain tere agyaakaree hone ka bhrosa rakhkar, tujhe likhta hoon aur yah janata hoo, ki jo kuchh maain kahata hoo, too us se kaheen baddhkar karega.

22 aur yah bhee, ki mere liye utarane kee jagah taaiyar rakh mujhe asha haai, ki tumharee praarthnaon ke dara maain tumhen de diya jaunga..

23 ipaas jo maseeh yeeshu men mere sath kaaidee haai.

24 aur marakus aur aaristarkhus aur demas aur looka jo mere sahakarmee haai in ka tujhe namaskara..

25 hamare prabhu yeeshu maseeh ka anugrah tumharee atma par hota rahe. ameena..

Ibraaaniyon

Ibraaaniyon 1

¹ poorva yug men parameshvar ne bapadadon se thoda thoda karake aur bhanati bhanati se bhvishyadvktaon ke dara baten karake.

² in dinon ke ant men ham se putra ke dara baten kee, jise us ne saree vastuon ka vaaris ttharaya aur usee ke dara us ne saree srashtti rachee haai.

³ vah us kee maahima ka prakasha, aur usake tatv kee chhap haai, aur sab vastuon ko apanee samarth ke vachan se sanbhalata haai: vah papon ko dhaekar unche sthanon par mahamaahiman ke daahine ja baaitta.

⁴ aur svargadooton se utana hee uttm tthara, jitana us ne un se bade pad ka varis hokar uttm nam paya.

⁵ kyonaki svargadooton men se us ne kab kisee se kaha, ki too mera putra haai, aj too mujh se utpann hua? aur fir yah, ki maain usaka pita hoonga, aur vah mera putra hoga?

⁶ aur jab paahilautte ko jagat men fir lata haai, to kahata haai, ki parameshvar ke sab svargadoot use dandvat karen.

⁷ aur svargadooton ke vishay men yah kahata haai, ki vah apane dooton ko pavan, aur apane sevakon ko dhadhakatee ag banata haai.

⁸ parantu putra se kahata haai, ki he parameshvar tera sinhasan yuganuyug rahega: tere rajy ka rajadand nyay ka rajadand haai.

⁹ too ne dharm se praem aur adharma se baair rakha is karan parameshvar tere parameshvar ne tere sathaiyon se baddhkar harsharoopee tel se tujhe aabhaishok kiya.

¹⁰ aur yah ki, he prabhu, aadi men too ne prathvee kee nev dalee, aur svarga tere hathon kee kareegaree haai.

¹¹ ve to nash ho jaaenge parantu too bana rahega: aur ve sab vasr kee nai purane ho jaaenge.

¹² aur too unhen chadar kee nain lapettega, aur ve vasr kee nai badal jaaenge: par too vahee haai aur tere vasharen ka ant n hoga.

¹³ aur svargadooton men se un ne kis se kab kaha, ki too mere daahine baait, jab ki maain tere baaiariyon ko tere panvon ke neeche kee peeddhee n kar doon?

¹⁴ kya ve sab seva tthal karanevalee atmaeen naheen jo uddhar panevalon ke liye seva karane ko bhejee jatee haain?

Ibraaaniyon 2

- ¹ is karan chahia, ki ham un baton par jo ham ne sunee haain aur bhee man lagaae, aesa n ho ki bahakar un se door chale jaaen.
- ² kyonaki jo vachan svargadooton ke dara kaha gaya tha jab vah sthiar raha or har aek aparadha aur agyaa n manane ka tteek tteek badala mila.
- ³ to ham log aeese bade uddhar se nishchaint rahakar kyonkar bach sakate haain? jis kee charcha paahile paahil prabhu ke dara hui, aur sunanevalon ke dara hamen nishchay hua.
- ⁴ aur sath hee parameshvar bhee apanee ichchha ke anusar chinho, aur adabhut kamo, aur nana prakar ke samarth ke kamo, aur pavitra atma ke varadanon ke bantne ke dara is kee gavahee deta raha..
- ⁵ us ne us anevale jagat ko jis kee charcha ham kar rahe haai, svargadooton ke adhaeen n kiya.
- ⁶ baran kisee ne kahee, yah gavahee dee haai, ki manushy kya haai, ki too us kee sudhai leta haai? ya manushy ka putra kya haai, ki too us par drashti karata haai?
- ⁷ too ne use svargadooton se kuchh hee kam kiya too ne us par maahima aur adar ka mukutt rakha aur use apane hathon ke kamon par aadhaikar diya.
- ⁸ too ne sab kuchh usake panvon ke neechे kar diya: isaliye jab ki us ne sab kuchh usake adhaeen kar diya, to us ne kuchh bhee rakh n chhoda, jo usake adhaeen n ho : par ham ab tak sab kuchh usake adhaeen naheen dekhte.
- ⁹ par ham ko yeeshu jo svargadooton se kuchh hee kam kiya gaya tha, mratyu ka dukh uttane ke karan maahima aur adar ka mukutt paahine huae dekhte haain taki parameshvar ke anugrah se har aek manushy ke liye mratyu ka svad chakhe.
- ¹⁰ kyonaki jis ke liye sab kuchh haai, aur jis ke dara sab kuchh haai, use yahee achchha laga ki jab vah bahut se putraen ko maahima men pahunchaa, to un ke uddhar ke karta ko dukh uttane ke dara siddh kare.
- ¹¹ kyonaki pavitra karanevala aur jo paavitra kiae jate haai, sab aek hee mool se haain: isee karan vah unhen bhai kahane se naheen lajata.
- ¹² par kahata haai, ki maain tera nam apane bhaiyon ko sunaunga, sabha ke beech men maain tera bhjan gaunga.
- ¹³ aur fir yah, ki maain us par bhrosa rakoonga aur fir yah ki dek, maain un ladkon saahit jise parameshvar ne mujhe diae.

¹⁴ isaliye jab ki ladke mans aur lohoo ke bhagee haai, to vah ap bhee un ke saman un ka sahabhagee ho gaya taaki mratyu ke dara use jise mratyu par shaaktai milee thee, arthata shautan ko nikamma kar de.

¹⁵ aur jitane mratyu ke bhy ke mare jeevan bhr dasatv men fanse the, unhen chhuda le.

¹⁶ kyonaki vah to svargadooton ko naheen baran ibraaheem ke vansh ko sanbhalata haai.

¹⁷ is karan usako chahiae tha, ki sab baton men apane bhaiyon ke saman bane jis se vah un baton men jo parameshvar se sambandha rakhtee haai, aek dayalu aur vishvasayogy mahayajak bane taaki logon ke papon ke liye praayaashchait kare.

¹⁸ kyonaki jab us ne pareeksha kee dasha men dukh uttaya, to vah un kee bhee sahayata kar sakata haai, jin kee pareeksha hotee haai..

Ibraaaniyon 3

¹ so he paavitra bhaiyon tum jo svargeey bulahatt men bhagee ho, us praearit aur mahayajak yeeshu par jise ham angeekar karate haain dhyan karo.

² jo apane niyukt karanevale ke liye vishvasayogy tha, jaaisa moosa bhee usake sare ghar men tha.

³ kyonaki vah moosa se itana baddhkar maahima ke yogy samajha gaya haai, jitana ki ghar bananevala ghar se baddhkar adar rakhta haai.

⁴ kyonaki har aek ghar ka koi n koi bananevala hota haai, par jis ne sab kuchh banaya vah parameshvar haai.

⁵ moosa to usake sare ghar men sevak kee nai vishvasayogy raha, ki jin baton ka varnn honevala tha, un kee gavahee de.

⁶ par maseeh putra kee nai usake ghar ka adhaikaree haai, aur usaka ghar ham haai, yadi ham sahas par, aur apanee asha ke ghamand par ant tak draddhta se sthiar rahen.

⁷ so jaaisa paavitra atma kahata haai, ki yadi aj tum usaka shabd suno.

⁸ to apane man ko kattor n karo, jaaisa ki krodha dilane ke samay aur pareeksha ke din jangal men kiya tha.

⁹ jahan tumhare bapadadon ne mujhe janchakar parakha aur chalees varsha tak mere kam dekhe.

¹⁰ is karan maain us samay ke logon se rootta raha, aur kaha, ki in ke man sada bhhtkate rahate haai, aur inhon ne mere magorn ko naheen paahichana.

- 11** tab maain ne krodha men akar shapath khai, ki ve mere vishraam men pravesch karane n paaenge.
- 12** he bhaiyo, chaukas raho, ki tum men aeesa bura aur avishvasee n man ho, jo jeevate parameshvar se door hatt jaae.
- 13** baran jis din tak aj ka din kaha jata haai, har din aek doosare ko samajhate raho, aeesa n ho, ki tum men se koi jan pap ke chhl men akar kattor ho jaae.
- 14** kyonaki ham maseeh ke bhagee huae haai, yadi ham apane prathm bhrose par ant tak draddhta se sthiar rahen.
- 15** jaaisa kaha jata haai, ki yadi aj tum usaka shabd suno, to apane manon ko kattor n karo, jaaisa ki krodha dilane ke samay kiya tha.
- 16** bhla kin logon ne sunakar krodha dilaya? kya un sab ne naheen jo moosa ke dara misar se nikale the?
- 17** aur vah chalees varsha tak kin logon se rootta raha? kya unheen se nahee, jinhon ne pap kiya, aur un kee lothen jangal men padee raheen?
- 18** aur us ne kin se shapath khai, ki tum mere vishraam men pravesch karane n paoge: keval un se jinhon ne agyaa n manee?
- 19** so ham dekhte haai, ki ve avishvas ke karan pravesch n kar sake..

Ibraaaniyon 4

- 1** isaliye jab ki usake vishraam men pravesch karane kee praatigyaa ab tak haai, to hamen drana chaahiae aeesa ne ho, ki tum men se koi jang us se rahat jan pade.
- 2** kyonaki hamen unheen kee nai susamachar sunaya gaya haai, par sune huae vachan se unhen kuchh loth n hua kyonki sunanevalon ke man men vishvas ke sath naheen baaitta.
- 3** aur ham jinhon ne vishvas kiya haai, us vishraam men pravesch karate haain jaaisa us ne kaha, ki maain ne apane krodha men shapath khai, ki ve mere vishraam men pravesch karane n paaenge, yadhyapi jagat kee utpaati ke samay se use kam ho chuke the.
- 4** kyonaki sataven din ke vishay men us ne kaheen yon kaha haai, ki parameshvar ne sataven din apane sab kamon ko nipatta karake vishraam kiya.
- 5** aur is jagah fir yah kahata haai, ki ve mere vishraam men pravesch n karane paaenge.

⁶ to jab yah bat bakee haai ki kitane aur haain jo us vishraam men pravesch kare, aur jinhen usaka susamachar paahile sunaya gaya, unhon ne agyaa n manane ke karan us men pravesch n kiya.

⁷ to fir vah kisee vishosh din kee ttharakar itane din ke bad daud kee pustak men use aj ka din kahata haai, jaaise paahile kaha gaya, ki yadi aj tum usaka shabd suno, to apane manon ko kattor n karo.

⁸ aur yaadi yahoshoo unhen vishraam men pravesch kar leta, to usake bad doosare din kee charcha n hotee.

⁹ so jan lo ki parameshvar ke logon ke liye sabt ka vishraam bakee haai.

¹⁰ kyonaki jis ne usake vishraam men pravesch kiya haai, us ne bhee parameshvar kee nai apane kamon ko poora karake vishraam kiya haai.

¹¹ so ham us vishraam men pravesch karane ka prayatn kare, aeesa n ho, ki koi jan un kee nai agyaa n manakar gir pade.

¹² kyonaki parameshvar ka vachan jeeavit, aur prabal, aur har aek dodhaaree talavar se bhee bahut chokha haai, aur jeev, aur atma ko, aur gantt gant, aur goode goode ko alag karake, var par chhedata haai aur man kee bhavanaon aur vicharon ko janchata haai.

¹³ aur sraashtti kee koi vastu us se chhpaiee naheen haai baran jis se hamen kam haai, us kee ankhon ke samhane sab vastuaen khulee aur beparad haain..

¹⁴ so jab hamara aeesa bada mahayajak haai, jo svagorn se hokar gaya haai, arthata parameshvar ka putra yeeshuu to ao, ham apane angeekar ko draddhta se thamen rahe.

¹⁵ kyonaki hamara aeesa mahayajak nahee, jo hamaree nirbalataon men hamare sath dukhee n ho sake baran vah sab baton men hamaree nai parakha to gaya, taubhee nishpap nikala.

¹⁶ isaliye ao, ham anugrah ke sinhasan ke nikatt hiyav bandhakar chale, ki ham par daya ho, aur vah anugrah paae, jo avashyakata ke समय hamaree sahayata kare..

Ibraaaniyon 5

¹ kyonaki har aek mahayajak manushyon men se liya jata haai, aur manushyon hee ke liye un baton ke vishay men jo parameshvar se sambandha rakhtee haai, ttharaya jata haai: ki bhentt aur pap baali chaddhaya kare.

² aur vah agyaano, aur boole bhhtkon ke sath narmee se vyavahar kar sakata haai isaaliye ki vah ap bhee nirbalata se ghaira haai.

³ aur isee liye use chahia, ki jaaise logon ke liye, vaaise hee apane liye bhee papa-bali chaddhaya kare.

⁴ aur yah adar ka pad koi apane ap se naheen leta, jab tak ki haroon kee nai parameshvar kee or se ttharaya n jaae.

⁵ vaaise hee maseeh ne bhee mahayajak banane kee badai apane ap se naheen lee, par us ko usee ne dee, jis ne us se kaha tha, ki too mera putra haai, aj maain hee ne tujhe janmaya haai.

⁶ vah doosaree jagah men bhee kahata haai, too malikisidak kee reeati par sada ke liye yajak haai.

⁷ us ne apanee deh men rahane ke dinon men unche shabd se pukar pukarakar, aur ansoo baha bahakar us se jo us ko mratyu se bacha sakata tha, praarthnaen aur binatee kee aur bhktai ke karan us kee sunee gai.

⁸ aur putra hone par bhee, us ne dukh utta uttakar agyaa mananee seekhee.

⁹ aur siddh banakar, apane sab agyaa mananevalon ke liye sada kal ke uddhar ka karan ho gaya.

¹⁰ aur use parameshvar kee or se malikisidak kee reeati par mahayajak ka pad mila..

¹¹ is ke vishay men hamen bahut see baten kahane haai, jin ka samajhna bhee kaattnai haai isaliye ki tum uncha sunane lage ho.

¹² samay ke vichar se to tumhen guroo ho jana chahiae tha, taubhee kya yah avashyak haai, ki koi tumhen parameshvar kee vachanon kee aadi shaiksha fir se sikhaae? or aeese ho gaae ho, ki tumhen ann ke badale ab tak doodha hee chaahiae.

¹³ kyonaki doodha peenevale bachche ko to dharma ke vachan kee paahichan naheen hotee, kyonaki vah balak haai.

¹⁴ par ann sayanon ke liye haai, jin ke gyaaneandairy abhyas karate karate, bhle bure men bhed karane ke liye pakke ho gaae haain..

Ibraaaniyon 6

¹ isaliye ao maseeh kee shaiksha kee arambh kee baton ko chhodkar, ham siddhta kee or baddhte jaae, aur mare huae kamon se man firane, aur parameshvar par vishvas karane.

² aur bapatismon aur hath rakhne, aur mare huon ke jee uttne, aur antaim nyay kee shaikshaaroopee neev, fir se n dalen.

³ aur yaadi parameshvar chahe, to ham yaheen karenge.

- ⁴ kyonaki jinhon ne aek bar jyoti pai haai, jo svargeey varadan ka svad chakh chuke haain aur paavitra atma ke bhagee ho gae haain.
- ⁵ aur parameshvar ke uttm vachan ka aur anevale yug kee samathorn ka svad chakh chuke haain.
- ⁶ yaadi ve bhthk jaaen to unhen man firav ke liye fir naya banana anhona haai kyonaki ve parameshvar ke putra ko apane liye fir kroos par chaddhate haain aur pragatt men. us par kalank lagate haain.
- ⁷ kyonaki jo boomi vashara ke panee ko jo us par bar bar padta haai, pee peekar jin logon ke liye vah jotee-boi jatee haai, un ke kam ka saga-pat upajatee haai, vah parameshvar se ashaeesh patee haai.
- ⁸ par yaadi vah jhadee aur unttkattare ugatee haai, to nikammee aur sraapit hone par haai, aur usaka ant jalaya jana haai..
- ⁹ par he piryo yadhyapi ham ye baten kahate haain taubhee tumhare vishay men ham is se achchha aur uddharavalee baton ka bhrosa karate haain.
- ¹⁰ kyonaki parameshvar anyayee nahee, ki tumhare kam, aur us praem ko bool jaa, jo tum ne unake nam ke liye is reeati se dikhaya, ki pavitra logon kee seva kee, aur kar rahe ho.
- ¹¹ par ham bahut chahate haai, ki tum men se har aek jan ant tak pooree asha ke liye aesa hee prayatn karata rahe.
- ¹² taaki tum alasee n ho jao baran un ka anukaran karo, jo vishvas aur dhaeraj ke dara praatigyaaon ke varis hote haain.
- ¹³ aur parameshvar ne ibraaheem ko pratigyaa dete समय jab ki shapath khane ke liye kisee ko apane se bada n paya, to apanee hee shapath khakar kaha.
- ¹⁴ ki maain sachamuch tujhe bahut ashaeesh doonga, aur teree santan ko baddhata jaunga.
- ¹⁵ aur is reeati se us ne dhaeraj dharakar pratigyaa kee hui bat praapt kee.
- ¹⁶ manushy to apane se kisee bade kee shapath khaya karate haain aur un ke har aek vivad ka faaisala shapath se pakka hota haai.
- ¹⁷ isaliye jab parameshvar ne praatigyaa ke vaarison par aur bhee safa reeati se pragatt karana chaha, ki usakee manasa badal naheen sakatee to shapath ko beech men laya.
- ¹⁸ taaki do be-badal baton ke dara jin ke vishay men parameshvar ka joota ttharana anhona haai, hamara draddhta se ddhaddhs bandha jaa, jo sharan lene ko isaaliye daude haai, ki us asha ko jo samhane rakhee hui haai praapt karen.
- ¹⁹ vah asha hamare praan ke liye aesa langar haai jo sthiar aur draddh haai, aur parade ke bheetar tak pahunchata haai.

²⁰ jahan yeeshu maalikisidak kee reeti par sada kal ka mahayajak banakar, hamare liye agua kee reeti par pravesh hua haai..

Ibraaaniyon 7

¹ yah maalikisidak shaalem ka raja, aur paramapradhaan parameshvar ka yajak, sarvada yajak bana rahata haai jab ibraaheem rajaon ko marakar lautta jata tha, to isee ne us se bhentt karake use ashaeesh dee.

² isee ko ibraaheem ne sab vastuon ka dasavan ansh bhee diya: yah paahile apane nam ke arth ke anusar, dharma ka raja haai.

³ jis ka n pita, n mata, n vanshaavalee haai, jis ke n dinon ka aadi haai aur n jeevan ka anat haai parantu parameshvar ke putra ke svaroop tthara..

⁴ ab is par dhyan karo ki yah kaaisa mahan tha jis ko kulapati ibraaheem ne achchhe se achchhe mal kee loott ka dasavan ansh diya.

⁵ levee kee santan men se jo yajak ka pad pate haai, unhen agyaa milee haai, ki logo, arthata apane bhaiyon se chahe, ve ibraaheem hee kee deh se kyon n janmen ha, vyavastha ke anusar dasavan ansh len.

⁶ par is ne, jo un kee vanshaavalee men ka bhee n tha ibraaheem se dasavan ansh liya aur jise praatigyaaaen milee thee use ashaeesh dee.

⁷ aur us men sandeh nahee, ki chhotta bade se ashaeesh pata haai.

⁸ aur yahan to maranahar manushy dasavan ansh lete haain par vahan vahee leta haai, jis kee gavahee dee jatee haai, ki vah jeevit haai.

⁹ to ham yah bhee kah sakate haai, ki levee ne bhee, jo dasavan ansh leta haai, ibraaheem ke dara dasavan ansh diya.

¹⁰ kyonaki jis samay maalikisidak ne usake pita se bhentt kee, us samay yah apane pita kee deh men tha..

¹¹ tak yaadi leveey yajak pad ke dara siddh iho sakatee haai jis ke sahare se logon ko vyavastha milee thee to fir kya avashyakata thee, ki doosara yajak malikisidak kee reeti par khda ho, aur haroon kee reeti ka n kahalaae?

¹² kyonaki jab yajak ka pad badala jata haai? to vyavastha ka bhee badalana avashy haai.

¹³ kyonaki jis ke vishay men ye baten kahee jatee haain ki vah doosare gotra ka haai, jis men se kisee ne vedee kee seva naheen kee.

¹⁴ to pragatt haai, ki hamara prabhu yahooda ke gotra men se uday hua haai aur is gotra ke vishay men moosa ne yajak pad kee kuchh charcha naheen kee.

¹⁵ or jab maalikisidak ke saman aek aur aeesa yajak utpann honevala tha.

16 jo shaareearik agyaa kee vyavastha ke anusar nahee, par avinashaee jeevan kee samarth ke anusar niyukt ho to hamara dava aur bhee spashtta se pragatt ho gaya.

17 kyonaki usake vishay men yah gavahee dee gai haai, ki too malikisidak kee reeati par yuganuyug yajak haai.

18 nidan, pahilee agyaa nirbala aur nishfal hone ke karan lop ho gai.

19 isaliye ki vyavastha ne kisee bat kee siddh inaheen ki aur usake sthan par aek aeesee uttm asha rakhee gai haai jis ke dara ham parameshvar ke sameep ja sakate haain.

20 aur isaliye ki maseeh kee niyuaktai bina shapath naheen hui.

21 kyonaki ve to bina shapath yajak ttharaae gaae par yah shapath ke sath us kee or se niyukt kiya gaya jis ne usake vishay men kaha, ki prabhu ne shapath khai, aur vah us se fir ne pachhtaega, ki too yuganuyug yajak haai.

22 so yeeshu aek uttm vacha ka jamin tthara.

23 ve to bahut se yajak banate aa, is ka karan yah tha ki mratyu unhen rahane naheen detee thee.

24 par yah yuganuyug rahata haai is karan usaka yajak pad attl haai.

25 isee liye jo usake dara parameshvar ke pas ate haai, vah un ka poora poora uddhar kar sakata haai, kyonki vah un ke liye binatee karane ko sarvada jeevit haai..

26 so aeesa hee mahayajak hamare yogy tha, jo pavitra, aur nishkapatt aur nirmal, aur papiyon se alag, aur svarga se bhee uncha kiya hua ho.

27 aur un mahayajakon kee nai use avashyak naheen ki prati din pahile apane papon aur fir logon ke papon ke liye baalidan chaddhaae kyonki us ne apane ap ko balidan chaddhakar use aek hee bar nipatta diya.

28 kyonaki vyavastha to nirbal manushyon ko mahayajak niyukt karatee haai parantu us shapath ka vachan jo vyavastha ke bad khai gai, us putra ko niyukt karata haai jo yuganuyug ke liye siddh kiya gaya haai..

Ibraaaniyon 8

1 ab to baten ham kah rahe haai, un men se sab se badee bat yah haai, ki hamara aeesa mahayajak haai, jo svarga par mahamaahiman ke sinhasan ke daahine ja baaitta.

2 aur paavitra sthan aur us sachche tamboo ka sevak hua, jise kisee manushy ne nahee, baran prabhu ne khda kiya tha.

³ kyonaki har aek mahayajak bhent, aur baalidan chaddhane ke liye ttharaya jata haai, is karan avashy haai, ki is ke pas bhee kuchh chaddhane ke liye ho.

⁴ aur yaadi prathvee par hota to kabhee yajak n hota, isaliye ki vyavastha ke anusar bhentt chaddhanevale to haain.

⁵ jo svarga men kee vastuon ke pratiroop aur praatibimb kee seva karate haai, jaise jab moosa tamboo banane par tha, to use yah chitavane milee, ki dekh jo namoona tujhe pahad par dikhaya gaya tha, usake anusar sab kuchh banana.

⁶ par us ko un kee sevakai se baddhkar milee, kyonaki vah aur bhee uttm vacha ka madhyasth tthara, jo aur uttm pratigyaaon ke sahare bandhaee gai haai.

⁷ kyonaki yadi vah pahilee vacha nirdosh hotee, to doosaree ke liye avasar n ddoonddha jata.

⁸ par vah un par dosh lagakar kahata haai, ki prabhu kahata haai, dekho ve din ate haai, ki maain israael ke gharane ke sat, aur yahooda ke gharane ke sat, nai vacha bandhoonga.

⁹ yah us vacha ke saman n hogee, jo maain ne un ke bapadadon ke sath us samay bandhaee thee, jab maain un ka hath pakadkar unhen misar desh se nikal laya, kyonki ve meree vacha par sthiar n rahe, aur maain ne un kee sudhai n lee prabhu yahee kahata haai.

¹⁰ fir prabhu kahata haai, ki jo vacha maain un dinon ke bad israael ke gharane ke sath bandhoonga, vah yah haai, ki maain apanee vyavastha ko un ke manon men daloonga, aur use un ke day par likoonga, aur maain un ka parameshvar ttharoonga, aur ve mere log tthareenge.

¹¹ aur har aek apane deshavale ko aur apane bhai ko yah shaiksha n dega, ki too prabhu ko paahichan kayonaki chhotte se bade tak sab mujhe jan lenge.

¹² kyonaki maain un ke adharma ke vishay me dayavant hoonga, aur un ke papon ko fir smaran n karoonga.

¹³ nai vacha ke sthapan se us ne prathm vacha ko puranee ttharai, aur jo vastu puranee aur jeern jo jatee haai usaka mitt jana aanivarya haai..

Ibraaaniyon 9

¹ nidan, us pahilee vacha men bhee seva ke niyam the aur aeesa pavitrasthan jo is jagat ka tha.

² arthata aek tamboo banaya gaya, pahile tamboo men deevat, aur mej, aur bhentt kee rotyaian thee aur vah paavitrasthan kahalata haai.

³ aur doosare parade ke peechhe vah tamboo tha, jo param pavitrasthan kahalata haai.

⁴ us men sone kee dhoopadane, aur charon or sone se maddha hua vacha ka sandook aur is men manna se bhra hua sone ka martaban aur haroon kee chhdee jis men fool fal a gae the aur vacha kee pattyaian theen.

⁵ aur usake upar donon tejomay karoob the, jo praayashchaitt ke ddhkane par chhaya kiae huae the: inheen ka aek aek karake bakhan karane ka abhee avasar naheen haai.

⁶ jab ye vastuaen is reeati se taaiyar ho chukee, tak paahile tamboo men to yajak har samay pravesh karake seva ke kam nibahate haain

⁷ par doosare men keval mahayajak varsha bhr men aek hee bar jata haai aur bina lohoo liye naheen jata jise vah apane liye aur logon kee bool chook ke liye chaddhava chaddhata haai.

⁸ is se paavitra atma yahee dikhata haai, ki jab tak pahila tamboo khda haai, tab tak pavitrasthan ka marga pragatt naheen hua.

⁹ aur yah tamboo to vartaman samay ke liye aek drashttant haai jis men aeese bhentt aur balidan chaddhaae jate haai, jin se aradhana karanevalon ke vivek siddh naheen ho sakate.

¹⁰ isaliye ki ve keval khane peene kee vastuo, aur bhanati bhanati ke snan vidhai ke adhaar par shaareerik niyam haai, jo sudhaar ke samay tak ke liye niyukt kiae gae haain..

¹¹ parantu jab maseeh anevalee achchhee achchhee vastuon ka mahayajak hokar aya, to us ne aur bhee bade aur siddh tamboo se hokar jo hath ka banaya hua nahee, arthata srashtti ka naheen.

¹² aur bakaron aur bachhdon ke lohoo ke dara nahee, par apane hee lohoo ke dara aek hee bar pavitra sthan men pravesh kiya, aur anant chhuttikara praapt kiya.

¹³ kyonaki jab bakaron aur baailon ka lohoo aur kalor kee rakh apaavitra logon par chhdike jane se shareer kee shuuddhta ke liye paavitra karatee haai.

¹⁴ to maseeh ka lohoo jis ne apane ap ko sanatan atma ke dara parameshvar ke samhane nirdosh chaddhaya, tumhare vivek ko mare huae kamon se kyon n shuuddh karega, taaki tum jeevate parameshvar kee seva karo.

¹⁵ aur isee karan vah nai vacha ka madhyasth haai, taaki us mratyu ke dara jo paahilee vacha ke samay ke aparadhaen se chhuttikara pane ke liye hui haai, bulaae huae log pratigyaa ke anuser anant meeras ko praapt karen.

¹⁶ kyonaki jahan vacha bandhaee gai haai vahan vacha bandhanevale kee mratyu ka samajh lena bhee avashy haai.

¹⁷ kyonaki aeese vacha marane par pakkee hotee haai, aur jab tak vacha bandhanevala jeevit rahata haai, tab tak vacha kam kee naheen hotee.

- 18 isee liye paahilee vacha bhee bina lohoo ke naheen bandhaee gai.
- 19 kyonaki jab moosa sab logon ko vyavastha kee har aek agyaa suna chuka, to us ne bachhdon aur bakaron ka lohoo lekar, panee aur lal un, aur joofaa ke sat, us pustak par aur sab logon par chhdik diya.
- 20 aur kaha, ki yah us vacha ka lohoo haai, jis kee agyaa parameshvar ne tumhare liye dee haai.
- 21 aur isee reeti se us ne tamboo aur seva ke sare saman par lohoo chhdika.
- 22 aur vyavastha ke anusar praaya: sab vastuaen lohoo ke dara shuuddh kee jatee haain aur bina lohoo bahaae kshama naheen hotee..
- 23 isaliye avashy haai, ki svarga men kee vastuon ke praatiroop in ke dara shuuddh kiae jaaen par svarga men kee vastuaen ap in se uttm balidanon ke dara.
- 24 kyonaki maseeh ne us hath ke banaae huae pavitra sthan men jo sachche pavitra sthan ka namoona haai, pravesh naheen kiya, par svarga hee men pravesh kiya, taaki hamare liye ab parameshvar ke samhane dikhai de.
- 25 yah naheen ki vah apane ap ko bar bar chaddhaa, jaaisa ki mahayajak praati varsha doosare ka lohoo liye paavitrasthan men pravesh kiya karata haai.
- 26 naheen to jagat kee utpaati se lekar us ko bar bar dukh uttana padta par ab yug ke ant men vah aek bar pragatt hua haai, taaki apane hee balidan ke dara pap ko door kar de.
- 27 aur jaaise manushyon ke liye aek bar marana aur usake bad nyay ka hona niyukt haai.
- 28 vaaise hee maseeh bhee bahuton ke papon ko utta lene ke liye aek bar baalidan hua aur jo log us kee batt johate haai, un ke uddhar ke liye doosaree bar bina pap ke dikhai dega..

Ibraaaniyon 10

- 1 kyonaki vyavastha jis men anevalee achchhee vastuon ka pratibimb haai, par un ka asalee svaroop nahee, isaaliye un aek hee prakar ke balidanon ke dara, jo praati varsha achook chaddhaae jate haai, pas anevalon ko kadapi siddh naheen kar sakateen.
- 2 naheen to un ka chaddhana band kyon n ho jata? isaliye ki jab seva karanevale aek hee bar shuuddh ho jate, to fir un ka vivek unhen papee n ttharata.
- 3 parantu un ke dara praati varsha papon ka smaran hua karata haai.
- 4 kyonaki anahona haai, ki baailon aur bakaron ka lohoo papon ko door kare.

- ⁵ isee karan vah jagat men ane samay kahata haai, ki balidan aur bhentt too ne n chahee, par mere liye aek deh taaiyar kiya.
- ⁶ homa-baliyon aur papa-baliyon se too prasann naheen hua.
- ⁷ tab maain ne kaha, dek, maain a gaya hoo, paavitra shasr men mere vishay men likha hua haai taaki he parameshvar teree ichchha pooree karoon.
- ⁸ upar to vah kahata haai, ki n too ne baalidan aur bhentt aur homa-baaliyon aur papa-baliyon ko chaha, aur n un se prasann hua yadhyapi ye balidan to vyavastha ke anusar chaddhaae jate haain.
- ⁹ fir yah bhee kahata haai, ki dek, maain a gaya hoo, taki teree ichchha pooree karoon nidan vah paahile ko utta deta haai, taki doosare ko niyukt kare.
- ¹⁰ usee ichchha se ham yeeshu maseeh kee deh ke ek hee bar balidan chaddhaae jane ke dara paavitra kiae gae haain.
- ¹¹ aur har aek yajak to khde hokar praati din seva karata haai, aur aek hee prakar ke baalidan ko jo papon ko kabhee bhee door naheen kar sakate bar bar chaddhata haai.
- ¹² par yah vyaktai to papon ke badale aek hee baalidan sarvada ke liye chaddhakar parameshvar ke dahine ja baaita.
- ¹³ aur usee samay se is kee batt joh raha haai, ki usake baairee usake panvon ke neeche kee peeddhee banen.
- ¹⁴ kyonaki us ne aek hee chaddhave ke dara unhen jo pavitra kiae jate haai, sarvada ke liye siddh kar diya haai.
- ¹⁵ aur paavitra atma bhee hamen yahee gavahee deta haai kyonaki us ne pahile kaha tha
- ¹⁶ ki prabhu kahata haai ki jo vacha maain un dinon ke bad un se bandhoonga vah yah haai ki maain apane vyavasthaon ko unake day par likoonga aur maain un ke vivek men daloonga.
- ¹⁷ fir vah yah kahata haai, ki maain un ke papon ko, aur un ke adharma ke kamon ko fir kabhee smaran n karoonga.
- ¹⁸ aur jab in kee kshama ho gai haai, to fir pap ka balidan naheen raha..
- ¹⁹ so he bhaiyo, jab ki hamen yeeshu ke lohoo ke dara us naae aur jeevate marga se paavitra sthan men pravesh karane ka hiyav ho gaya haai.
- ²⁰ jo us ne parade arthata apne shareer men se hokar, hamare liye aabhaishok kiya haai,
- ²¹ aur isaliye ki hamara aeesa mahan yajak haai, jo parameshvar ke ghar ka adhaikaree haai.

22 to ao ham sachche man, aur poore vishvas ke sat, aur vivek ko dosh door karane ke liye day par chhdikav lekar, aur deh ko shuuddh jal se dhaulavakar parameshvar ke sameep jaaen.

23 aur apanee asha ke angeekar ko draddhta se thamen rahen kyonki jis ne pratigyaa kiya haai, vah sachcha haai.

24 aur praem, aur bhle kamon men uskane ke liye aek doosare kee chinta kiya karen.

25 aur aek doosare ke sath ikattha hona ne chhode, jaaise ki kitanon kee reeti haai, par aek doosare ko samajhate rahen aur jyon jyon us din ko nikatt ate dekho, tyon tyon aur bhee aadhaik yah kiya karo..

26 kyonaki sachchai kee paahichan praapt karane ke bad yaadi ham jan boojhkar pap karate rahe, to papon ke liye fir koi baalidan bakee naheen.

27 ha, dand ka aek bhyanak batt johana aur ag ka jvalan bakee haai jo virodhaiyon ko bhsam kar dega.

28 jab ki moosa kee vyavastha ka n mananevala do ya teen janon kee gavahee par, bina daya ke mar dala jata haai.

29 to soch lo ki vah kitane aur bhee bharee dand ke yogy ttharega, jis ne parameshvar ke putra ko panvon se raunda, aur vacha ke lohoo ko jis ke dara vah paavitra ttharaya gaya tha, apavitra jana haai, aur anugrah kee atma ka apaman kiya.

30 kyonaki ham use janate haai, jis ne kaha, ki palatta lena mera kam haai, maain hee badala doonga: aur fir yah, ki prabhu apane logon ka nyay karega.

31 jeevate parameshvar ke hathon men padna bhyanak bat haai..

32 parantu un pahile dinon ko smaran karo, jin men tum jyoti pakar dukhon ke bade jhmele men sthiar rahe.

33 kuchh to yo, ki tum ninda, aur klesh sahate huae tamasha bane, aur kuchh yo, ki tum un ke sajhee huae jin kee durdasha kee jatee theen.

34 kyonaki tum kaaiadiyon ke dukh men bhee dukhee hua, aur apanee sanpati bhee anand se luttne dee yah janakar, ki tumhare pas aek aur bhee uttm aur sarvada ttharanevalee sanpaati haai.

35 so apana hiyav n chhodo kyonki usaka pratifal bada haai.

36 kyonaki tumhen dhaeraj dharana avashy haai, taaki parameshvar kee ichchha ko pooree karake tum pratigyaa ka fal pao.

37 kyonaki ab bahut hee thoda समय rah gaya haai jab ki aneivala aaega, aur der n karega.

38 aur mera dharmee jan vishvas se jeevit rahega, aur yadi vah peechhe hatt jaae to mera man us se prasann n hoga.

39 par ham hattnevale nahee, ki nash ho jaaen par vishvas karanevale haai, ki praanon ko bachaaen..

Ibraaaniyon 11

1 ab vishvas asha kee hui vastuon ka nishchay, aur man dekhee vastuon ka praman haai.

2 kyonaki isee ke vishay men praacheenon kee achchhee gavahee dee gain.

3 vishvas hee se ham jan jate haai, ki saree sraashti kee rachana parameshvar ke vachan ke dara hui haai. yah nahee, ki jo kuchh dekhne men ata haai, vah dekhee hui vastuon se bana ho.

4 vishvas kee se habil ne kaain se uttm balidan parameshvar ke liye chaddhaya aur usee ke dara usake dharmee hone kee gavahee bhee dee gai: kyonaki parameshvar ne us kee bhentton ke vishay men gavahee dee aur usee ke dara vah marane par bhee ab tak baten karata haai.

5 vishvas hee se hanok utta liya gaya, ki mratyu ko n dekhe, aur usaka pata naheen mila kyonaki parameshvar ne use utta liya tha, aur usake uttae jane se paahile us kee yah gavahee dee gai thee, ki us ne parameshvar ko prasann kiya haai.

6 aur vishvas bina use prasann karana anahona haai, kyonki parameshvar ke pas anevale ko vishvas karana chahia, ki vah haai aur apane khojanevalon ko praatifaal deta haai.

7 vishvas hee se nooh ne un baton ke vishay men jo us samay dikhai n padtee thee, chitaunee pakar bhaktai ke sath apane gharane ke bachav ke liye jahaj banaya, aur usake dara us ne sansar ko doshaee ttharaya aur us dharm ka varis hua, jo vishvas se hota haai.

8 vishvas hee se ibraaheem jab bulaya gaya to agyaa manakar aeese jagah nikal gaya jise meeras men lenevala tha, aur yah n janata tha, ki maain kidhar jata hoon taubhee nikal gaya.

9 vishvas hee se us ne pratigyaa kiae huae desh men jaaise paraae desh men paradshaee rahakar isahak aur yakoob samet jo usake sath usee pratigyaa ke vaaris the, tamboon men vas kiya.

10 kyonaki vah us sthiar nevala nagar kee batt johata tha, jis ka rachanevala aur bananevala parameshvar haai.

- 11 vishvas se sara ne ap booddhee hone par bhee garbh dhaaran karane kee samarth pai kyonaki us ne pratigyaa karanevale ko sachcha jana tha.
- 12 is karan aek hee jan se jo mara hua sa tha, akash ke taron aur samudra ke teer ke baloo kee nai, anaaginit vansh utpann hua..
- 13 ye sab vishvas hee kee dasha men mare aur unhon ne pratigyaa kee hui vastuen naheen pai par unhen door se dekhkar anandait huae aur man liya, ki ham prathvee par paradeshae aur baharee haain.
- 14 jo aeese aeese baten kahate haai, ve pragatt karate haai, ki svadesh kee khoj men haain.
- 15 aur jis desh se ve nikal aae the, yaadi us kee sudhai karate to unhen lauttt jane ka avasar tha.
- 16 par ve aek uttm arthata svargeey desh ke aabhailashae haai, isee liye parameshvar un ka parameshvar kahalane men un se naheen lajata, so us ne un ke liye aek nagar taaiyar kiya haai..
- 17 vishvas hee se ibraaheem ne, parakhe jane ke समय me, isahak ko balidan chaddhaya, aur jis ne pratigyaaon ko sach mana tha.
- 18 aur jis se yah kaha gaya tha, ki isahak se tera vansh kahalaega vah apne aekalaute ko chaddhane laga.
- 19 kyonaki us ne vichar kiya, ki parameshvar samarthee haai, ki mare huon men se jilaa, so unheen men se drashttant kee reeti par vah use fir mila.
- 20 vishvas hee se isahak ne yakoob aur aesav ko anevalee baton ke vishay me ashaeesh dee.
- 21 vishvas hee se yakoob ne marate समय yoosufa ke donon putraen men se aek aek ko ashaeesh dee, aur apanee lattee ke sire par sahara lekar dandvat kiya.
- 22 vishvas hee se yoosufa ne, jab vah marane par tha, to israel kee santan ke nikal jane kee charcha kee, aur apanee haaddiyon ke vishay men agyaa dee.
- 23 vishvas hee se moosa ke mata pita ne us ko, utpann hone ke bad teen maheene tak chhpai rakha kyonaki unhon ne dekha, ki balak sundar haai, aur ve raja kee agyaa se n dre.
- 24 vishvas hee se moosa ne sayana hokar firaun kee bettee ka putra kahalane se inkar kiya.
- 25 isaliye ki use pap men thode din ke sukh bhogane se parameshvar ke logon ke sath dukh bhogana aur uttm laga.
- 26 aur maseeh ke karan nindait hone ko misar ke bhndar se bada dhan samajha: kyonaki us kee ankhe fal pane kee or lagee theen.

- 27 vishvas hee se raja ke krodha se n drakar us ne misar ko chhod diya, kyonaki vah anadekhe ko manon dekhta hua draddh raha.
- 28 vishvas hee se us ne fasah aur lohoo chhdikane kee vidhai manee, ki pahilautton ka nash karanevala israaeliyon par hath n dale.
- 29 vishvas hee se ve lal samudra ke par aeese utar gaa, jaaise sookhee boomi par se aur jab misriyon ne vaaisa hee karana chaha, to sab oob mare.
- 30 vishvas hee se yareeho kee shaharapanah, jab sat din tak usaka chakkar laga chuke to vah gir padee.
- 31 vishvas hee se rahab veshya agyaa ne mananevalon ke sath nash naheen hui isaliye ki us ne bhediyaon ko kushal se rakha tha.
- 32 ab aur kya kahoo? kyonki समय naheen raha, ki gidon ka, aur barak aur samasoon ka, aur yifatah ka, aur daud ka aur shaamuael ka, aur bhavishyadvktaon ka varnn karoon.
- 33 inhon ne vishvas hee ke dara rajy jeete dharm ke kam kiae praatigyaa kee hui vastuen praapt kee, sinhon ke munh band kiae.
- 34 ag hee jvala ko ttnda kiya talavar kee dhaar se bach nikale, nirbalata men balavant hue ladai men veer nikale videashaiyon kee faojon ko mar bhgaya.
- 35 striayon ne apane mare huon ko fir jeevate paya kitane to mar khate khate mar gaae aur chhutt kara n chaha isaaliye ki uttm punarootthan ke bhagee hon.
- 36 kai aek tttthon men udaae jane aur kode khane varan bandho jane aur kaaid men padne ke dara parakhe gaae.
- 37 patthravah kiae gaae are se cheere gaae un kee pareeksha kee gai talavar se mare gaae ve kangalee men aur klesh men aur dukh bhogate huae bhedon aur bakariyon kee khaleen oddhe hua, idhar udhar mare mare fire.
- 38 aur jangalo, aur pahado, aur gufaaon me, aur prathvee kee dararon men bhhtkate fire.
- 39 sansar un ke yogay n tha: aur vishvas hee ke dara in sab ke vishay men achchhee gavahee dee gai, tobhee unhen praatigyaa kee hui vastu n milee.
- 40 kyonaki parameshvar ne hamare liye paahile se aek uttm bat ttharai, ki ve hamare bina siddhta ko n pahunche..

Ibraaaniyon 12

- 1 is karan jab ki gavahon ka aeese bada badal ham ko ghore huae haai, to ao, har aek rokanevalee vastu, aur ulajhanevale pap ko door karake, vah daud jis meen hamen daudna haai, dhaeraj se dauden.

² aur vishvas ke karta aur siddh karanevale yeeshu kee or se takate rahen jis ne us anand ke liye jo usake age dhara tha, lajja kee kuchh chinta n karake, kroos ka dukh saha aur sinhasan par parameshvar ke daahine ja baaita.

³ isaliye us par dhyan karo, jis ne apane virodha men papiyon ka itana vada-avivad sah liya ki tum nirash hokar hiyav n chhod do.

⁴ tum ne pap se ladte huae us se aeese muttbhed naheen kee, ki tumhara lohoo baha ho.

⁵ aur tum us upadesh ko jo tum ko putraen kee nai diya jata haai, bool gaae ho, ki he mere putra, prabhu kee tadna ko halakee bat n jan, aur jab vah tujhe ghaudke to hiyav n chhod.

⁶ kyonaki prabhu, jis se praem karata haai, us kee tadna bhee karata haai aur jise putra bana leta haai, us ko kode bhee lagata haai.

⁷ tum dukh ko tadna samajhkar sah lo: parameshvar tumhen putra janakar tumhare sath bartav karata haai, vah kaun sa putra haai, jis kee tadna pita naheen karata?

⁸ yaadi vah tadna jis ke bhagee sab hote haai, tumharee naheen hui, to tum putra nahee, par vyaabhaichar kee santan tthare!

⁹ fir jab ki hamare shaareerik pita bhee hamaree tadna kiya karate the, to kya atmaon ke pita ke aur bhee adhaeen n rahen jis se jeevit rahen.

¹⁰ ve to apanee apanee samajh ke anusar thode dinon ke liye tadna karate the, par yah to hamare labh ke liye karata haai, ki ham bhee us kee pavitrata ke bhagee ho jaaen.

¹¹ aur vartaman men har prakar kee tadna anand kee nahee, par shaek hee kee bat dikhai padtee haai, taubhee jo us ko sahate sahate pakke ho gaae haai, peeche unhen chaain ke sath dharma ka praatifaal milata haai.

¹² isaliye ddheele hathon aur nirbal ghauttnon ko seedho karo.

¹³ aur apane panvon ke liye seedho marga banao, ki langada bhthk n jaa, par bhla changa ho jaae..

¹⁴ sab se mel milap rakhne, aur us paavitrata ke khojee ho jis ke bina koi prabhu ko kadapi n dekhega.

¹⁵ aur dhyan se dekhte raho, aeese n ho, ki koi parameshvar ke anugrah se vanchit rah jaa, ya koi kadvee jad foottkar kasht de, aur usake dara bahut se log ashuddh ho jaaen.

¹⁶ aeese n ho, ki koi jan vyabhaicharee, ya aesav kee nai adharmee ho, jis n aek bar ke bhojan ke badale apane pahilautte hone ka pad bech dala.

17 tum janate to ho, ki bad ko jab us ne ashaeesh panee chahee, to ayogy gina gaya, aur ansoo baha bahakar khojane par bhee man firav ka avasar use n mila..

18 tum to us pahad ke pas jo chooa ja sakata tha aur ag se prajvaalit tha, aur kalee ghatta, aur andhora, aur andhaee ke pasa.

19 aur turahee kee dhvani, aur bolanevale ke aeese shabd ke pas naheen aa, jis ke sunanevalon ne binatee hee, ki ab ham se aur baten n kee jaaen.

20 kyonaki ve us agyaa ko n sah sake, ki yadi koi pashu bhee pahad ko chooa, to patthravah kiya jaae.

21 aur vah darshan aeese dravana tha, ki moosa ne kaha maain bahut drata aur kanpata hoon.

22 par tum siyyon ke pahad ke pas, aur jeevate parameshvar ke nagar svargeey yarooshalem ke pasa.

23 aur lakhon svargadooton aur un paahilautton kee sadhaaran sabha aur kaleeasiya jin ke nam svarga men likhe huae haain: aur sab ke nyayee parameshvar ke pas, aur siddh kiae huae dhaarmiyon kee atmaon.

24 aur nai vacha ke madhyasth yeeshu, aur chhdikav ke us lohoo ke pas aae ho, jo haabil ke lohoo se uttm baten kahata haai.

25 savadhaan raho, aur us kahanevale se munh n faero, kyonki ve log jab prathvee par ke chitavane denevale se munh modkar n bach sake, to ham svarga par se chitavane karanevale se munh modkar kyonkar bach sakenge?

26 us samay to usake shabd ne prathvee ko hila diya par ab us ne yah praatigyaa kee haai, ki ek bar fir maain keval prathvee ko nahee, baran akash ko bhee hila doonga.

27 aur yah vaky 'aek bar firan is bat ko pragatt karata haai, ki jo vastuen hilai jatee haai, ve srajee hui vastuen hone ke karan ttl jaaengee taki jo vastuen hilai naheen jatee, ve attl banee rahen.

28 is karan ham is rajy ko pakar jo hilane ka nahee, us anugrah ko hath se n jane de, jis ke dara ham bhaktai, aur bhy sahit, parameshvar kee aeesee aradhana kar sakate haain jis se vah prasann hota haai.

29 kyonaki hamara parameshvar bhsm karanevalee ag haai..

Ibraaaniyon 13

1 bhaichare kee praeeti banee rahe.

2 pahunai karana n boolana, kyonki is ke dara kitanon ne anajane svargadooton kee pahunai kee haai.

- ³ kaaidiyon kee aeesee sudhai lo, ki mano un ke sath tum bhee kaaid ho aur jin ke sath bura bartav kiya jata haai, un kee bhee yah samajhkar sudhai liya karo, ki hamaree bhee deh haai.
- ⁴ vivah sab men adar kee bat samajhee jaa, aur bichhauna nishkalank rahe kyonaki parameshvar vyaabhaichaariyo, aur parasreegamiyon ka nyay karega.
- ⁵ tumhara svabhav lobhrahait ho, aur jo tumhare pas haai, usee par santosh kiya karo kyonki us ne ap hee kaha haai, ki maain tujhe kabhee n chhoonga, aur n kabhee tujhe tyagoonga.
- ⁶ isaliye ham bedhadk hokar kahate haai, ki prabhu, mera sahayak haai maain n droonga manushy mera kya kar sakata haai..
- ⁷ jo tumhare aguve the, aur jinhon ne tumhen parameshvar ka vachan sunaya haai, unhen smaran rakho aur dhyan se un ke chala-chalan ka ant dekhkar un ke vishvas ka anukaran karo.
- ⁸ yeeshu maseeh kal aur aj aur yuganuyug aekasa haai.
- ⁹ nana prakar ke aur uparee upadeshaen se n bhramaae jao, kyonki man ka anugrah se draddh rahana bhla haai, n ki un khane kee vastuon se jin se kam rakhnevalon ko kuchh labh n hua.
- ¹⁰ hamaree aek aeesee vedee haai, jis par se khane ka aadhaikar un logon ko nahee, jo tamboo kee seva karate haain.
- ¹¹ kyonaki jin pashuon ka lohoo mahayajak papa-bali ke liye paavitra sthan men le jata haai, un kee deh chhavanee ke bahar jalai jatee haai.
- ¹² isee kara, yeeshu ne bhee logon ko apane hee lohoo ke dara pavitra karane ke liye faattk ke bahar dukh uttaya.
- ¹³ so ao us kee ninda apane upar liae huae chhavanee ke bahar usake pas nikal chalen.
- ¹⁴ kyonaki yahan hamara koi sthiar rahanevala nagar nahee, baran ham aek anevale nagar kee khoj men haain.
- ¹⁵ isaliye ham usake dara stuatiroopee balidan, arthata un hotton ka fal jo usake nam ka angeekar karate haai, parameshvar ke liye sarvada chaddhaya karen.
- ¹⁶ par bhilai karana, aur udarata n boolo kyonaki parameshvar aeese baalidanon se prasann hota haai.
- ¹⁷ apane aguvon kee mano aur unake adhaeen raho, kyonaki ve un kee nai tumhare praanon ke liye jagate rahate, jinhen lekha dena padega, ki ve yah kam anand se kare, n ki ttndee sans le lekar, kyonaki is dasa men tumhen kuchh labh naheen.

18 hamare liye praarthna karate raho, kyonaki hamen bhrosa haai, ki hamara vivek shuuddh haai aur ham sab baton men achchhee chal chalana chahate haain.

19 aur is ke karane ke liye maain tumhen aur bhee samajhata hoo, ki maain shaeegha tumhare pas fir a sakoon..

20 ab shaantaidata parameshvar jo hamare prabhu yeesu ko jo bhedon ka mahan rakhvala haai sanatan vacha ke lohoo ke gun se mare huon men se jilakar le aya.

21 tumhen har aek bhlee bat men siddh kare, jis se tum us kee ichchha pooree karo, aur jo kuchh us ko bhata haai, use yeesu maseeh ke dara ham men utpann kare, jis kee badai yuganuyug hotee rahe. ameen..

22 he bhaiyon maain tum se binatee karata hoo, ki in upadesh kee baton ko sah leo kyonaki maain ne tumhen bahut sankshop men likha haai.

23 tum yah jan lo ki teemuathaiyus hamara bhai choott gaya haai aur yadi vah shaeegha a gaya, to maain usake sath tum se bhentt karoonga.

24 apane sab aguvon aur sab paavitra logon ko namaskar kaho. itaaliyavale tumhen namaskar kahate haain..

25 tum sab par anugrah hota rahe. ameen..

- ⁹ deen bhai apane unche pad par ghamand kare.
- ¹⁰ aur dhanavan apanee neech dasha para: kyonaki vah ghaas ke fool kee nai jata rahega.
- ¹¹ kyonaki soorya uday hote hee kadee dhoop padtee haai aur ghaas ko sukha detee haai, aur usaka fool jhd jata haai, aur us kee shaebha jatee rahatee haai usee prakar dhanavan bhee apane marga par chalate chalate dhool men mil jaaega.
- ¹² dhany haai vah manushy, jo pareeksha men sthiar rahata haai kyonki vah khra nikalakar jeevan ka vah mukutt paaega, jis kee pratigyaa prabhu ne apane praem karanevalon ko dee haai.
- ¹³ jab kisee hee pareeksha ho, to vah yah n kahe, ki meree pareeksha parameshvar kee or se hotee haai kyonaki n to buree baton se parameshvar kee pareeksha ho sakatee haai, aur n vahee kisee kee pareeksha ap karata haai.
- ¹⁴ parantu pratyek vyaaktai apanee hee abhailasha men khainchakar, aur fansakar pareeksha men padta haai.
- ¹⁵ fir abhailasha garbhvatee hokar pap ko janata haai aur pap baddh jata haai to mratyu ko utpann karata haai.
- ¹⁶ he mere piry bhaiyo, dhaekha n khao.

¹⁷ kyonaki har aek achchha varadan aur har aek uttm dan upar hee se haai, aur jyotiyon ke pita kee or se milata haai, jis men n to koi parivartan ho sakata haai, or n adal badal ke karan us par chhaya padtee haai.

¹⁸ us ne apanee hee ichchha se hamen saty ke vachan ke dara utpann kiya, taaki ham us kee srashtti kee hui vastuon men se ek prakar ke prathm fal hon..

¹⁹ he mere piry bhaiyo, yah bat tum janate ho: isaliye har aek manushy sunane ke liye tatpar aur bolane men dhaeera aur krodha men dhaeema ho.

²⁰ kyonaki manushy ka krodha parameshvar ke dharma ka nirvah naheen kar sakata haai.

²¹ isaliye saree malinata aur baair bhav kee baddhtee ko door karake, us vachan ko namrata se grahan kar lo, jo day men boya gaya aur jo tumhare praanon ka uddhar kar sakata haai.

²² parantu vachan par chalaneevale bano, aur keval sunaneevale hee naheen jo apane ap ko dhaekha dete haain.

²³ kyonaki jo koi vachan ka sunaneevala ho, aur us par chalaneevala n ho, to vah us manushy ke saman haai jo apana svabhavik munh darpan men dekhta haai.

²⁴ isaliye ki vah apane ap ko dekhkar chala jata, aur turant bool jata haai ki maain kaaisa tha.

²⁵ par jo vyaktai svatantrata kee siddh vyavastha par dhyan karata rahata haai, vah apane kam men isaaliye ashaeesh paaega ki sunakar nahee, par vaaisa hee kam karata haai.

²⁶ yaadi koi apane ap ko bhkt samajhe, aur apanee jeebh par lagam n de, par apane day ko dhaekha de, to us kee bhktai vyarth haai.

²⁷ hamare parameshvar aur pita ke nikatt shuuddh aur nirmal bhktai yah haai, ki anathon or vidhavaon ke klesh men un kee suadhai le, aur apane ap ko sansar se nishkalank rakhen..

Yakoob 2

¹ he mere bhaiyo, hamare mahimayukt prabhu yeeshu maseeh ka vishvas tum men pakshapat ke sath n ho.

² kyonaki yadi aek puroosh sone ke chhille aur sundar vasr pahine huae tumharee sabha men aae aur aek kangal bhee maaile kuchaaile kapade paahine huae aae.

³ aur tum us sundar vasrvale ka munh dekhkar kaho ki too vahan achchhee jagah baaitt aur us kangal se kaho, ki too yahan khda rah, ya mere panv kee peeddhee ke pas baaitt.

- 4 to kya tum ne apas men bhed bhav n kiya aur kuavichar se nyay karanevale n tthare?
- 5 he mere piry bhaiyon suno kya parameshvar ne is jagat ke kangalon ko naheen chuna ki vishvas men dharmee, aur us rajy ke adhaikaree ho, jis kee pratigyaa us ne un se kee haai jo us se praem rakhte haain?
- 6 par tum ne us kangal ka apaman kiya: kya dhanee log tum par atyachar naheen karate aur kya ve hee tumhen kachahariyon men ghaseett ghaseett kar naheen le jate?
- 7 kya ve us uttm nam kee ninda naheen karate jis ke tum kahalaae jate ho?
- 8 taubhee yadi tum pavitra shaasr ke is vachan ke anusar, ki too apane padosee se apane saman praem rak, sachamuch us rajy vyavastha ko pooree karate ho, to achchha karate ho.
- 9 par yaadi tum pakshapat karate ho, to pap karate ho aur vyavastha tumhen aparadhaee ttharatee haai.
- 10 kyonaki jo koi saree vyavastha ka palan karata haai parantu aek hee bat men chook jaae to vah sab baton me doshaee tthara.
- 11 isaliye ki jis ne yah kaha, ki too vyaabhaichar n karana usee ne yah bhee kaha, ki too hatya n karana isaliye yaadi too ne vyaabhaichar to naheen kiya, par hatya kee taubhee too vyavastha ka ulanghan karane vala tthara.
- 12 tum un logon kee nai vachan bolo, aur kam bhee karo, jin ka nyay svatantrata kee vyavastha ke anusar hoga.
- 13 kyonaki jis ne daya naheen kee, usaka nyay bina daya ke hoga: daya nyay par jayavant hotee haai..
- 14 he mere bhaiyo, yadi koi kahe ki mujhe vishvas haai par vah karma n karata ho, to us se kya labh? kya aeesa vishvas kabhee usaka uddhar kar sakata haai?
- 15 yaadi koi bhai ya bahin nagen ughaade ho, aur unhen prati din bhojan kee ghattee ho.
- 16 aur tum men se koi un se kahe, kushal se jao, tum garam raho aur trapt raho par jo vastuaen deh ke liye avashyak haain vah unhen n de, to kya labh?
- 17 vaaise hee vishvas bhee, yadi karma saahit n ho to apane svabhav men mara hua haai.
- 18 baran koi kah sakata haai ki tujhe vishvas haai, aur maain karma karata hoon: too apana vishvas mujhe karma bina to dikha aur maain apana vishvas apane karmon ke dara tujhe dikhaunga.
- 19 tujhe vishvas haai ki aek hee parameshvar haai: too achchha karata haai: dushttatma bhee vishvas rakhte, aur thrathrate haain.

20 par he nikamme manushy kya too yah bhee naheen janata, ki karma bina vishvas vyarth haai?

21 jab hamare pita ibraaheem ne apane putra isahak ko vedee par chaddhaya, to kya vah karmo se dhaarmik n tthara tha.

22 so too ne dekh liya ki vishvas ne us ke kamon ke sath milakar prabhav dala haai aur karmo se vishvas siddh hua.

23 aur paavitra shaasr ka yah vachan poora hua, ki ibraaheem ne parameshvar kee prateeti kee, aur yah usake liye dharma gina gaya, aur vah parameshvar ka mitra kahalaya.

24 so tum ne dekh liya ki manushy keval vishvas se hee nahee, baran kamorn se bhee dharmee ttharata haai.

25 vaaise hee rahab veshya bhee jab us ne dooton ko apane ghar men utara, aur doosare marga se vida kiya, to kya karmon se dhaarmik n ttharee?

26 nidan, jaaise deh atma bina maree hui haai vaaisa hee vishvas bhee karma bina mara hua haai..

Yakoob 3

1 he mere bhaiyo, tum men se bahut upadeshak n bane, kyonki janate ho, ki ham upadeshak aur bhee doshaee ttharenge.

2 isaliye ki ham sab bahut bar chook jate haain: jo koi vachan men naheen chookata, vahee to siddh manushy haai aur saree deh par bhee lagam laga sakata haai.

3 jab ham apane vash men karane ke liye ghaedon ke munh men lagam lagate haai, to ham un kee saree deh ko bhee faer sakate haain.

4 dekho, jahaj bhee, yadhypi aeese bade hote haai, aur prachand vayu se chalaee jate haai, taubhee aek chhottee see patavar ke dara manjhee kee ichchha ke anusar ghaumaee jate haain.

5 vaaise hee jeebh bhee aek chhotta sa ang haai aur badee badee deenge maratee haai: dekho, thodee see ag se kitane bade ban men ag lag jatee haai.

6 jeebh bhee aek ag haai: bhee hamare angon men adharma ka aek lok haai aur saree deh par kalank lagatee haai, aur bhvachakr men ag laga detee haai aur narak kund kee ag se jalatee rahatee haai.

7 kyonaki har prakar ke bana-pashu, pakshae, aur renganevale jantu aur jalachar to manushy jaati ke vash men ho sakate haain aur ho bhee gaae haain.

⁸ par jeebh ko manushyon men se koi vash men naheen kar sakata vah aek aeesee bala haai jo kabhee rookatee hee naheen vah praan nashak vish se bhree hui haai.

⁹ isee se ham prabhu aur pita kee stuti karate haain aur isee se manushyon ko jo parameshvar ke svaroop men utpann huae haain srap dete haain.

¹⁰ aek hee munh se dhanyavad aur srap donon nikalate haain.

¹¹ he mere bhaiyo, aeese nahee hona chaahiae.

¹² kya sote ke aek hee munh se meetta aur khara jal donon nikalata haai? he mere bhaiyo, kya anjeer ke ped men jaaitoon, ya dakh kee lata men anjeer lag sakate haain? vaaise hee khare sote se meetta panee naheen nikal sakata..

¹³ tum men gyaanavan aur samajhdar kaun haai? jo aeese ho vah apane kamon ko achche chalachalan se us namrata sahit pragatt kare jo gyaan se utpann hotee haai.

¹⁴ par yaadi tum apane apane man men kadvee dah aur virodha rakhte ho, to saty ke virodha men ghamand n karana, aur n to joott bolana.

¹⁵ yah gyaan vah nahee, jo upar se utarata haai baran sansaarik, aur shaareearik, aur shautanee haai.

¹⁶ isaliye ki jahan dah aur virodha hota haai, vahan bakheda aur har prakar ka dushkarma bhee hota haai.

¹⁷ par jo gyaan upar se ata haai vah paahile to paavitra hota haai fir milanasar, komal aur mradubhav aur daya, aur achche falon se lada hua aur pakshapat aur kapatt rahit hota haai.

¹⁸ aur milap karanevalon ke liye dhaarmikata ka fal mela-milap ke sath boya jata haai..

Yakoob 4

¹ tum men ladaiyan aur jhgade kahan se a gaae? kya un sukh-avilason se naheen jo tumhare angon men ladte-bhaidte haain?

² tum lalasa rakhte ho, aur tumhen milata naheen tum hatya aur dah karate ho, or kuchh प्राप्त naheen kar sakate tum jhgadte aur ladte ho tumhen isaliye naheen milata, ki mangate naheen.

³ tum mangate ho aur pate nahee, isaaliye ki buree ichchha se mangate ho, taki apane bhog vilas men uda do.

⁴ he vyabhaicharinaiyo, kya tum naheen janatee, ki sansar se mitrata karanee parameshvar se baair karana haai? so jo koi sansar ka mitra hona chahata haai, vah apane ap ko parameshvar ka baair banata haai.

⁵ kya tum yah samajhte ho, ki pavitra shaasr vyarth kahata haai? jis atma ko us ne hamare bheetar basaya haai, kya vah aese lalasa karata haai, jis ka pratifaal dah ho?

⁶ vah to aur bhee anugrah deta haai is karan yah likha haai, ki parameshvar abhimaanion se virodha karata haai, par deenon par anugrah karata haai.

⁷ isaliye parameshvar ke adhaen ho jao aur shautan ka samhana karo, to vah tumhare pas se bhag nikalega.

⁸ parameshvar ke nikatt ao, to vah bhee tumhare nikatt aega: he paapiyo, apane hath shuuddh karo aur he duchitte logon apane day ko paavitra karo.

⁹ dukhee hoo, aur shaek kara, aur roo: tumharee hansee shaek se aur tumhara anand udasee se badal jaae.

¹⁰ prabhu ke samhane deen bano, to vah tumhen shairomanai banaaega.

¹¹ he bhaiyo, aek doosare kee badanamee n karo, jo apane bhai kee badanamee karata haai, ya bhai par dosh lagata haai, vah vyavastha kee badanamee karata haai, aur vyavastha par dosh lagata haai, to too vyavastha par chalanvala nahee, par us par hakim thara.

¹² vyavastha denevala aur hakim to aek hee haai, jise bachane aur nash karane kee samarth haai too kaun haai, jo apane padosee par dosh lagata haai?

¹³ tum jo yah kahate ho, ki aj ya kal ham kisee aur nagar men jakar vahan aek varsha bitaaenge, aur vyapar karake labh uttaaenge.

¹⁴ aur yah naheen janate ki kal kya hoga: sun to lo, tumhara jeevan haai hee kya? tum to mano bhap saman ho, jo thodee der dikhai detee haai, fir lop ho jatee haai.

¹⁵ is ke vipareet tumhen yah kahana chahia, ki yadi prabhu chahe to ham jeevit rahenge, aur yah ya vah kam bhee karenge.

¹⁶ par ab tum apanee deeng par ghamand karate ho aesa sab ghamand bura hota haai.

¹⁷ isaliye jo koi bhilai karana janata haai aur naheen karata, usake liye yah pap haai..

Yakoob 5

- 15** aur vishvas kee praarthna kee dara rogee bach jaaega aur prabhu us ko uttakar khda karega aur yaadi us ne pap bhee kiae ho, to un kee bhee kshama ho jaaegee.
- 16** isaliye tum apas men aek doosare kee samhane apane apane papon ko man lo aur aek doosare kee liye praarthna karo, jis kee change ho jao dharmee jan kee praarthna kee prabhav se bahut kuchh ho sakata haai.

17 aeliyyah bhee to hamare saman dukh-sukh bhogee manushy tha aur us ne gidgida kar praarthna kee ki menh n barase aur saddhe teen varsha tak boomi par menh naheen barasa.

18 fir us ne praarthna kee, to akash se vashara hui, aur boomi falavant hui..

19 he mere bhaiyo, yadi tum men koi saty ke marga se bhttk jaa, aur koi us ko faer laae.

20 to vah yah jan le, ki jo koi kisee bhttke huae papee ko faer laaega, vah aek praan ko mratyu se bachaaega, aur anek papon par parada dalega..

¹⁸ isaliye ki maseeh ne bhee, arthata adharmiyon ke liye dharmee ne papon ke karan aek bar dukh uttaya, taki hamen parameshvar ke pas pahunchaae: vah shareer ke bhav se to ghaat kiya gaya, par atma ke bhav se jilaya gaya.

³ aur jo koi us par yah asha rakhta haai, vah apane ap ko vaaisa hee pavitra karata haai, jaaisa vah pavitra haai.

⁴ jo koi pap karata haai, vah vyavastha ka virodha karata haai or pap to vyavastha ka virodha haai.

⁵ aur tum janate ho, ki vah isaaliye pragatt hua, ki papon ko har le jae aur usake svabhav men pap naheen.

⁶ jo koi us men bana rahata haai, vah pap naheen karata: jo koi pap karata haai, us ne n to use dekha haai, aur n us ko jana haai.

⁷ he balako, kisee ke bhramane men n ana jo dharma ke kam karata haai, vahee us kee nain dharmee haai.

⁸ jo koi pap karata haai, vah shautan kee or se haai, kyonaki shautan arambh hee se pap karata aya haai: parameshvar ka putra isaaliye pragatt hua, ki shautan ke kamon ko nash kare.

⁹ jo koi parameshvar se janma haai vah pap naheen karata kyonaki usaka beej us men bana rahata haai: aur vah pap kar hee naheen sakata, kyonaki parameshvar se janma haai.

¹⁰ isee se parameshvar kee santan, aur shautan kee santan jane jate haain jo koi dharma ke kam naheen karata, vah parameshvar se nahee, aur n vah, jo apane bhai se praem naheen rakhta.

¹¹ kyonaki jo samachar tum ne arambh se suna, vah yah haai, ki ham aek doosare se baair rakhe.

¹² aur kaain ke saman n bane, jo us dusht se tha, aur jis ne apane bhai ko ghaat kiya: aur use kis karan ghaat kiya? is karan ki usake kam bure the, aur usake bhai ke kam dharma ke the..

¹³ he bhaiyo, yadi sansar tum se baair karata haai to achambha n karana.

¹⁴ ham janate haai, ki ham mratyu se par hokar jeevan men pahunche haain kyonaki ham bhaiyon se praem rakhte haain: jo praem naheen rakhta, vah mratyu kee dasa men rahata haai.

¹⁵ jo koi apane bhai se baair rakhta haai, vah hatyara haai aur tum janate ho, ki kisee hatyare men anant jeevan naheen rahata.

¹⁶ ham ne praem isee se jana, ki us ne hamare apane praan de diae aur hamen bhee bhaiyon ke liye praan dena chaahiae.

17 par jis kisee ke pas sansar kee sanpaati ho aur vah apane bhai ko kangal dekhkar us par taras n khana chahe, to us men parameshvar ka praem kyonkar bana rah sakata haai?

18 he balako, ham vachan aur jeebh hee se nahee, par kam aur saty ke dara bhee praem karen.

19 isee se ham janenge, ki ham saty ke haain aur jis bat men hamara man hamen dosh dega, use vishay men ham usake samhane apane apane man ko ddhaddhs de sakenge.

20 kyonaki parameshvar hamare man se bada haai aur sab kuchh janata haai.

21 he piryo, yadi hamara man hamen dosh n de, to hamen parameshvar ke samhane hiyav hota haai.

22 aur jo kuchh ham mangate haai, vah hamen us se milata haai kyonaki ham us kee agyaaon ko manate haain aur jo use bhata haai vahee karate haain.

23 aur us kee agyaa yah haai ki ham usake putra yeeshu maseeh ke nam par vishvas karen aur jaaisa us ne hamen agyaa dee haai usee ke anusar apas men praem rakhen.

24 aur jo us kee agyaaon ko manata haai, vah is me, aur yah us men bana rahata haai: aur isee se, arthata us atma se jo us ne hamen diya haai, ham janate haai, ki vah ham men bana rahata haai..

3 aur jo koi atma yeeshu ko naheen manatee, vah parameshvar kee or se naheen aur vahee to maseeh ke virodhaee kee atma haai jis kee charcha tum sun chuke ho, ki vah anevala haai: aur ab bhee jagat men haai.

4 he balako, tum parameshvar ke ho: aur tum ne un par jay pai haai kyonaki jo tum men haai, vah us se jo sansar men haai, bada haai.

5 ve sansar ke haai, is karan ve sansar kee baten bolate haai, aur sansar un kee sunata haai.

6 ham parameshvar ke haain: jo parameshvar ko janata haai, vah hamaree sunata haai jo parameshvar ko naheen janata vah hamaree nahanee sunata isee prakar ham saty kee atma aur bhram kee atma ko pahachan lete haain.

7 he piryo, ham apas men praem rakhen kyonki praem parameshvar se haai: aur jo koi praem karata haai, vah parameshvar se janma haai aur parameshvar ko janata haai.

8 jo praem naheen rakhta, vah parameshvar ko naheen janata haai, kyonaki parameshvar praem haai.

9 jo praem parameshvar ham se rakhta haai, vah is se pragatt hua, ki parameshvar ne apane aekalaute putra ko jagat men bheja haai, ki ham use dara jeevan paaen.

10 praem is men naheen ki ham ne parameshvar ne praem kiya par is men haai, ki us ne ham se praem kiya aur hamare papon ke praayashchaitt ke liye apane putra ko bheja.

11 he piryo, jab parameshvar ne ham se aeese praem kiya, to ham ko bhee apas men praem rakhna chaahiae.

12 parameshvar ko kabhee kisee ne naheen dekha yaadi ham apas men praem rakhe, to parameshvar ham men bana rahata haai aur usaka praem ham men siddh ho gaya haai.

13 isee se ham janate haai, ki ham us men bane rahate haai, aur vah ham men kyonaki us ne apane atma men se hamen diya haai.

14 aur ham ne dekh bhee liya aur gavahee dete haai, ki pita ne putra ko jagat ka uddharakarta karake bheja haai.

15 jo koi yah man leta haai, ki yeeshu parameshvar ka putra haai: parameshvar us men bana rahata haai, aur vah parameshvar men.

16 aur jo praem parameshvar ham se rakhta haai, us ko ham jan gaa, aur hamen us kee prateeti haai parameshvar praem haai: jo praem men bana rahata haai, vah parameshvar men bana rahata haai aur parameshvar us men bana rahata haai.

17 isee se praem ham men siddh hua, ki hamen nyay ke din hiyav ho kyonaki jaaisa vah haai, vaaise hee sansar men ham bhee haai.

18 praem men bhy naheen hota, baran siddh praem bhy ko door kar deta haai, kyonki bhy ke kasht hota haai, aur jo bhy karata haai, vah praem men siddh naheen hua.

19 ham isaliye praem karate haai, ki pahile us ne ham se praem kiya.

²⁰ yaadi koi kahe, ki maain parameshvar se praem rakhta hoon aur apane bhai se baair rakhe to vah joota haai: kyonki jo apane bhai se, jis us ne dekha haai, praem naheen rakhta, to vah parameshvar se bhee jise us ne naheen dekha, praem naheen rakh sakata.

²¹ aur us se hamen yah agyaa milee haai, ki jo koi apane parameshvar se praem rakhta haai, vah apane bhai se bhee praem rakhe..

⁷ baran sataven svargadoot ke shabd dene ke dinon men jab vah turahee foonkane par hoga, to parameshvar ka gupt manorath us susamachar ke anusar jo us ne apne das bhvishyadvktaon ko diya pooraa hoga.

⁸ aur jis shabd karanevale ko maain ne svarga se bolate suna tha, vah fir mere sath baten karane laga ki ja, jo svargadoot samudra aur prathvee par khda haai, usake hath men kee khulee huin pustak le le.

⁹ aur maain ne svargadoot ke pas jakar kaha, yah chhottee pustak mujhe de aur us ne mujh se kaha le ise kha jo, aur yah tera pett kadva to karegee, par tere munh men madha see meettee lagee.

¹⁰ so maain vah chhottee pustak us svargadoot ke hath se lekar kha gaya, vah mere munh men madha see meettee to lagee, par jab maain use kha gaya, to mera pett kadva ho gaya.

¹¹ tab mujh se yah kaha gaya, ki tujhe bahut se logo, aur jatiyo, aur bhashaao, aur rajaon par, fir bhvishyadvvanee karanee hogee..

Prakashaitavakya 11

¹ aur mujhe laggee ke saman aek sarakanda diya gaya, aur kisee ne kaha ut, parameshvar ke maandair aur vedee, aur us men bhjan karanevalon ko nap le.

² aur maandair ke barah ka angan chhod de us mat nap, kyonaki vah anyajaatiyon ko diya gaya haai, aur ve paavitra nagar ko bayalees maheene tak raundengee.

³ aur maain apne do gavahon ko yah adhaikar doonga, ki ttatt oddhe huae aek hajar do sau satt din tak bhvishyadvvanee karen.

⁴ ye ve hee jaaitoon ke do ped aur do deevatt haain jo prathvee ke prabhu ke samhane khde rahate haain.

⁵ aur yaadi koi un ko haani pahunchana chahata haai, to un ke munh se ag nikalakar un ke baairiyon ko bhsm karatee haai, aur yaadi koi un ko haani pahunchana chahega, to avashy isee reeti se mar dala jaaega.

⁶ inhen aadhaikar haai, ki akash ko band kare, ki un kee bhvishyadvvanee ke dinon men menh n barase, aur unhen sab panee par adhaikar haai, ki use lohoo banaae, aur jab jab chahen tab tab prathvee par har prakar kee apaati laaen.

⁷ aur jab ve apanee gavahee de chukenge, to vah pashu jo athah kund men se nikalega, un se ladkar unhen jeetega aur unhen mar dalega.

⁸ aur un kee lothen us bade nagar ke chauk men padee rahengee, jo atmaik reeti se sadom aur misar kahalata haai, jahan un ka prabhu bhee kroos par chaddhaya gaya tha.

⁹ aur sab logo, aur kulo, aur bhashaao, aur jatiyon men se log un kee lothen saddhe teen din tak dekhte rahenge, aur un kee lothen kabra men rakhne ne denge.

¹⁰ aur prathvee ke rahanevale, un ke marane se anandait aur magan honge, aur aek doosare ke pas bhentt bhejenge, kyonki in donon bhavishyadvktaon ne prathvee ke rahanevalon ko sataya tha

¹¹ aur saddhe teen din ke bad parameshvar kee or se jeevan kee atma un men paaitt gai aur ve apane panvon ke bal khde ho gaa, aur unake dekhnevalon par bada bhy chha gaya.

¹² aur unhen svarga se aek bada shabd sunai diya, ki yahan upar ao yah sun ve badal par savar hokar apane baaiariyon ke dekhte dekhte svarga par chaddh gaae.

¹³ fir usee ghadee aek bada bhuindol hua, aur nagar ka dasavan ansh gir pada aur us bhuindol se sat hajar manushy mar gaae aur shosh dr gaa, aur svarga ke parameshvar kee mahima kee..

¹⁴ doosaree vipaati beet chukee, dekho, teesaree vipaati shaeegha anevalee haai..

¹⁵ aur jab sataven doot ne turahee foonkee, to svarga men is vishay ke bade bade shabd hone lage ki jagat ka rajy hamare prabhu ka, aur usake maseeh ka ho gaya.

¹⁶ aur vah yuganuyug rajy karega, aur chaubeeson praacheen jo parameshvar ke samhane apane apane sinhasan par baaitte the, munh ke bal girakar parameshvar ko dandvat karake.

¹⁷ yah kahane lage, ki he sarvashaktaiman prabhu parameshvar, jo haai, aur jo tha, ham tera dhanyavad karate haai, ki too ne apanee badee samrth kam men lakar rajy kiya haai.

¹⁸ aur anyajatiyon ne krodha kiya, aur tera prakop a pada aur vah samay a pahuncha haai, ki mare huon ka nyay kiya jaa, aur tere das bhvishyadvktaon aur pavitra logon ko aur un chhotte badon ko jo tere nam se drate haai, badala diya jaa, aur prathvee ke bigadnevale nash kiae jaaen..

¹⁹ aur parameshvar ka jo maandair svarga men haai, vah khola gaya, aur usake maandair men us kee vacha ka sandook dikhai diya, aur bijaaliyan aur shabd aur garjan aur bhuindol hua, aur bade bade ole pade..

Prakashaitavakya 12

- ¹ fir svarga par aek bada chinch dikhai diya, arthata aek sree jo soorya oddhe huae thee, aur chand usake panvon tale tha, aur usake sir par barah taron ka mukutt tha.
- ² aur vah garbhvatee hui, aur chillatee thee kayonaki prasav kee peeda use lagee thee aur vah bachcha janane kee peeda men thee.
- ³ aur aek aur chinch svarga par dikhai diya, aur dekho aek bada lal ajagar tha jis ke sat sir aur das seeng the, aur usake siron par sat rajamukutt the.
- ⁴ aur us kee poonchh ne akash ke taron kee aek tihai ko kheenchakar prathvee par dal diya, aur vah ajagar us sree se samhane jo jachcha thee, khda hua, ki jab vah bachcha jane to usake bachche ko nigal jaae.
- ⁵ aur vah betta janee jo lohe ka dand liae hua, sab jatiyon par rajy karane par tha, aur usaka bachcha aeakaek parameshvar ke pas, aur usake sinhasan ke pas uttakar pahuncha diya gaya.
- ⁶ aur vah sree us jangal ko bhag gai, jahan parameshvar kee or se usake liye aek jagah taaiyar kee gai thee, ki vahan vah aek hajar do sau satt din tak palee jaae..
- ⁷ fir svarga par ladai hui, meekail aur usake svargadoot ajagar se ladne ko nikale, aur ajagar or unake doot us se lade.
- ⁸ parantu prabal n hua, aur svarga men un ke liye fir jagah n rahee.
- ⁹ aur vah bada ajagar arthata vahee purana sanp, jo ibalees aur shautan kahalata haai, aur sare sansar ka bhramanevala haai, prathvee par gira diya gaya aur usake doot usake sath gira diae gaae.
- ¹⁰ fir maain ne svarga par se yah bada shabd ate huae suna, ki ab hamare parameshvar ka uddhar, aur samarth, aur rajy, aur usake maseeh ka aadhaikar pragatt hua haai kyonki hamare bhaiyon par dosh laganevala, jo rat din hamare parameshvar ke samhane un par dosh lagaya karata tha, gira diya gaya.
- ¹¹ aur ve memne ke lohoo ke kara, aur apanee gavahee ke vachan ke kara, us par jayavant hua, aur unhon ne apane praanon ko piry n jana, yahan tak ki mratyu bhee sah lee.
- ¹² is kara, he svagor, aur un men ke rahanevalon magan ho he prathvee, aur samudra, tum par haya! kyonki shautan bade krodha ke sath tumhare pas utar aya haai kyonki janata haai, ki usaka thoda hee samay aur bakee haai..
- ¹³ aur jab ajagar ne dekha, ki maain prathvee par gira diya gaya hoo, to us sree ko jo betta janee thee, sataya.
- ¹⁴ aur us sree ko bade ukab ke do pankh diae gaa, ki sanp ke samhane se udkar jangal men us jagah pahunch jaa, jahan vah aek samay, aur samayo, aur adho samay tak palee jaae.

15 aur sanp ne us sree ke peechhe apane munh se nadee kee nai panee bahaya, ki use is nadee se baha de.

16 parantu prathvee ne us sree kee sahayata kee, aur apana munh kholakar us nadee ko jo ajagar ne apane munh se bahai thee, pee liya.

17 aur ajagar sree par krodhait hua, aur usakee shosh santan se jo parameshvar kee agyaaon ko manate, aur yeeshu kee gavahee dene par sthiar haai, ladne ko gaya. aur vah samudra ke baloo par ja khda hua..

Prakashaitavakya 13

1 aur maain ne aek pashu ko samudra men se nikalate huae dekha, jis ke das seeng aur sat sir the aur usake siron par ninda ke nam likhe huae the.

2 aur jo pashu maain ne dekha, vah cheete kee nai tha aur usake panv bhaloo ke se, aur munh sinh ka sa tha aur us ajagar ne apanee samarth, aur apana sinhasan, aur bada adhaikar, use de diya.

3 aur maain ne usake siron men se aek par aeesa bharee ghaav laga dekha, mano vah mane par haai fir usaka praanghaatak ghaav achchha ho gaya, aur saree prathvee ke log us pashu ke peechhe peechhe achanbha karate huae chale.

4 aur unhon ne ajagar kee pooja kee, kyonaki us ne pashu ko apana aadhaikar de diya tha aur yah kahakar pashu kee pooja kee, ki is pashu ke saman kaun haai?

5 kaun us se lad sakata haai? aur bade bol bolane aur ninda karane ke liye use aek munh diya gaya, aur use bayalees maheene tak kam karane ka aadhaikar diya gaya.

6 aur us ne parameshvar kee ninda karane ke liye munh khola, ki usake nam aur usake tamboo arthata svarga ke rahanevalon kee ninda kare.

7 aur use yah adhaikar diya gaya, ki pavitra logon se lade, aur un par jay paa, aur use har aek kul, aur log, aur bhasha, aur jati par adhaikar diya gaya.

8 aur prathvee ke ve sab rahanevale jin ke nam us memne kee jeevan kee pustak men likhe naheen gaa, jo jangal kee utpaati ke समय se ghaat hua haai, us pashu kee pooja karenge.

9 jis ke kan hon vah sune.

10 jis ko kaaid men padna haai, vah kaaid men padega, jo talavar se marega, avashy haai ki vah talavar se mara jaaega, pavitra logon ka dhaeraj aur vishvas isee men haai..

11 fir maain ne aek aur pashu ko prathvee men se nikalate huae dekha, usake memne ke se do seeng the aur vah ajagar kee nain bolata tha.

12 aur yah us paahile pashu ka sara aadhaikar usake samhane kam men lata tha, aur prathvee aur usake rahanevalon se us paahile pashu kee jis ka praanghaatak ghaav achchha ho gaya tha, pooja karata tha.

13 aur vah bade bade chinh dikhata tha, yahan tak ki manushyon ke samhane svarga se prathvee par ag barasa deta tha.

14 aur un chinhon ke karan jinhen us pashu ke samhane dikhane ka adhaikar use diya gaya tha vah prathvee ke rahanevalon ko is prakar bhramata tha, ki prathvee ke rahanevalon se kahata tha, ki jis pashu ke talavar lagee thee, vah jee gaya haai, us kee moorat banao.

15 aur use us pashu kee moorat men praan dalane ka adhaikar diya gaya, ki pashu kee moorat bolane lage aur jitane log us pashu kee moorat kee pooja n kare, unhen marava dale.

16 aur us ne chhotte, bade, dhanee, kangal, svatrant, das sab ke dahine hath ya un ke mathe par aek aek chhap kara dee.

17 ki us ko chhod jis par chhap arthata us pashu ka nam, ya usake nam ka ank ho, aur koi len den n kar sake.

18 gyaan isee men haai, jise buaddh iho, vah is pashu ka ank jod le, kyonki manushy ka ank haai, aur usaka ank chh: sau chhyaiasatt haai..

Prakashaitavakya 14

1 fir maain ne draashti kee, aur dekho, vah memna siyyon pahad par khda haai, aur usake sath aek lakh chaualees hajar jan haai, jin ke mathe par usaka aur usake pita ka nam likha hua haai.

2 aur svarga se mujhe aek aeesa shabd sunai diya, jo jal kee bahut dhaaraon aur bade garjan ka sa shabd tha, aur jo shabd maain ne suna vah aeesa tha, mano veena bajanevale veena bajate hon.

3 aur ve sinhasan ke samhane aur charon praanaiyon aur praacheenon ke samhane mano, yah naya geet ga rahe the, aur un aek lakh chaualees hajar jano ko chhod jo mol liae gaae the, koi vah geet n seekh sakata tha.

4 ye ve haai, jo striayon ke sath ashuuddh naheen hua, par kunvare haain: ye ve hee haai, ki jahan kaheen memna jata haai, ve usake peechhe ho lete haain: ye to parameshvar ke nimitt pahile fal hone ke liye manushyon men se mol liae gaae haain.

5 aur un ke munh se kabhee joott n nikala tha, ve nirdosh haain..

6 fir maain ne aek aur svargadoot ko akash ke beech men udte huae dekha jis ke pas prathvee par ke rahanevalon kee har aek jati, aur kul, aur bhasha, aur logon ko sunane ke liye sanatan susamachar tha.

7 aur us ne bade shabd se kaha parameshvar se dro aur us kee mahima karo kyonki usake nyay karane ka samay a pahuncha haai, aur usaka bhjan karo, jis ne svarga aur prathvee aur samudra aur jal ke sote banaae..

8 fir is ke bad aek aur doosara svargadoot yah kahata hua aya, ki gir pada, vah bada babul gir pada jis ne apane vyaabhaichar kee kopamay maadira saree jatiyon ko pilai haai..

9 fir in ke bad aek aur svargadoot bade shabd se yah kahata hua aya, ki jo koi us pashu aur us kee moorat kee pooja kare, aur apane mathe ya apane hath par us kee chhap le.

10 to vah parameshvar ka prakop kee niree maadira jo usake krodha ke kattore men dalee gai haai, peeaega aur pavitra svargadooton ke samhane, aur memne ke samhane ag aur gandhak kee peeda men padega.

11 aur un kee peeda ka dhauan yuganuyug uttta rahega, aur jo us pashu aur us kee moorat kee pooja karate haai, aur jo usake nam hee chhap lete haai, un ko rat din chaain n milega.

12 paavitra logon ka dhaeraj isee men haai, jo parameshvar kee agyaaon ko manate, aur yeeshu par vishvas rakhte haain..

13 aur maain ne svarga se yah shabd suna, ki likh jo murade prabhu men marate haai, ve ab se dhany haai, atma kahata haai, han kyonaki ve apane parishramon se vishraam paaenge, aur un ke kayrya un ke sath ho lete haain..

14 aur maain ne drashtti kee, aur dekho, aek ujala badal haai, aur us badal par manushy ke putra sareekha koi baaitta haai, jis ke sir par sone ka mukutt aur hath men chokha hansua haai.

15 fir aek aur svargadoot ne mandair men se nikalakar, us se jo badal par baaitta tha, bade shabd se pukarakar kaha, ki apana hansua lagakar lavanee kar, kyonki lavane ka samay a panhucha haai, isaliye ki prathvee kee khetee pak chukee haai.

16 so jo badal par baaitta tha, us ne prathvee par apana hansua lagaya, aur prathvee kee lavanee kee gai..

17 fir aek aur svargadoot us mandair men se nikala, jo svarga men haai, aur usake pas bhee chokha hansua tha.

18 fir aek aur svargadoot jis ag par adhaikar tha, vedee men se nikala, aur jis ke pas chokha hansua tha, us se unche shabd se kaha apana chokha hansua lagakar

prathvee kee dakh lata ke guchchhe katt le kyonaki us kee dakh pak chukee haai.

¹⁹ aur us svargadoot ne prathvee par apana hansua dala, aur prathvee kee dakh lata ka fal kattkar, apane parameshvar ke prakop ke bade ras ke kund men dal diya.

²⁰ aur nagar ke bahar us ras kund men dakh raunde gaa, aur ras kund men se itana lohoo nikala ki ghaedon ke lagamon tak pahuncha, aur sau kos tak bah gaya..

Prakashaitavakya 15

¹ fir maain ne svarga men aek aur bada aur adabhut chinh dekha, arthata sat svargadoot jin ke pas saton pichhlee vipaatiyan thee, kyonki un ke ho jane par parameshvar ke prakop ka ant haai..

² aur maain ne ag se mile huae kanch ka sa aek samudra dekha, aur jo us pashu par, aur us kee moorat par, aur usake nam ke ank par jayavant huae the, unhen us kanch ke samudra ke nikatt parameshvar kee veenaon ko liae huae khde dekha.

³ aur ve parameshvar ke das moosa ka geet, aur memne ka geet ga gakar kahate the, ki he srvashtaiman prabhu parameshvar, tere kayrya bade, aur adabhut haai, he yug yug ke raja, teree chal tteek aur sachchee haai.

⁴ he prabhu, kaun tujh se n drega? aur tere nam kee mahima n karega? kyonki keval too hee paavitra haai, aur saree jaatiyan akar tere samhane dandvata karengee, kyonaki tere nyay ke kam pragatt ho gaae haain..

⁵ aur is ke bad maain ne dekha, ki svarga men sakshae ke tamboo ka maandair khola gaya.

⁶ aur ve saton svargadoot jin ke pas saton vipaatiyan thee, shuuddh aur chamakatee hui maanai pahine huae chhatee par sunahale pattuke bandho huae maandair se nikale.

⁷ aur un charon praanaiyon men se aek ne un sat svargadooton ko parameshvar ke, jo yuganuyug jeevata haai, prakop se bhre huae sat sone ke kattore diae.

⁸ aur parameshvar kee maahima, aur us kee samarth ke karan mandair dhauen se bhr gaya aur jab tak un saton svargadooton kee saton vipaatiyan samapt n hui, tab tak koi maandair men n ja saka..

Prakashaitavakya 16

- ¹ fir maain ne maandair men kisee ko unche shabd se un saton svargadooton se yah kahate suna ki jao, parameshvar ke prakop ke saton kattoron ko prathvee par undel do..
- ² so paahile ne jakar apana kattora prathvee par undel diya. aur un manushyon ke jin par pashu kee chhap thee, aur jo us kee moorat kee pooja karate the, aek prakar ka bura aur dukhdai faoda nikala..
- ³ aur doosare ne apana kattora samudra par undel diya aur vah mare huae ka sa lohoo ban gaya, aur samudra men ka har aek jeevadhaaree mar gaya..
- ⁴ aur teesare ne apana kattora naadiyo, aur panee ke soton par undel diya, aur ve lohoo ban gaae.
- ⁵ aur maain ne panee ke svargadoot ko yah kahate suna, ki he pavitra, jo haai, aur jo tha, too nyayee haai aur too ne yah nyay kiya.
- ⁶ kyonaki unhon ne pavitra logo, aur bhvishyadvktaon ko lohoo bahaya tha, aur too ne unhen lohoo pilaya kyonki ve isee yogy haain.
- ⁷ fir maain ne vedee se yah shabd suna, ki han he sarvashaktaiman prabhu parameshvar, tere nirny tteek aur sachche haain..
- ⁸ aur chauthe ne apana kattora soorya par undel diya, aur use manushyon ko ag se jhulasa dene ka adhaikar diya gaya.
- ⁹ aur manushy badee tapan se jhulas gaa, aur parameshvar ke nam kee jise in vipaatiayon par adhaikar haai, ninda kee aur us kee mahima karane ke liye man n firaya..
- ¹⁰ aur panchaven ne apana kattora us pashu ke sinhasan par undel diya aur usake rajy par andhora chha gaya aur log peeda ke mare apanee apanee jeebh chabane lage.
- ¹¹ aur apanee peedaon aur faodon ke karan svarga ke parameshvar kee ninda kee aur apane apane kamon se man n firaya..
- ¹² aur chhttven ne apana kattora badee nadee faurat par undel diya aur usaka panee sookh gaya ki poorva disha ke rajaon ke liye marga taaiyar ho jaae.
- ¹³ aur maain ne us ajagar ke munh se, aur us pashu ke munh se aur us jootte bhavishyadvkta ke munh se teen ashuddh atmaon ko menddhkon ke roop men nikalate dekha.
- ¹⁴ ye chinh dikhanevalee dushttatma haai, jo sare sansar ke rajaon ke pas nikalakar isaliye jatee haai, ki unhen sarvashaktaiman parameshvar ke us bade din kee ladai ke liye ikattha karen.

¹⁵ dek, maain chor kee nai ata hoon dhany vah haai, jo jagata rahata haai, aur apane vasr ki chaukasee karata haai, ki nanga n fire, aur log usaka nangapan n dekhien.

¹⁶ aur unhon ne un ko us jagah ikattha kiya, jo ibraanee men hara-maagidon kahalata haai..

¹⁷ aur sataven ne apana kattora hava par undel diya, aur mandir ke sinhasan se yah bada shabd hua, ki 'ho chukan.

¹⁸ fir bijaaliya, aur shabd, aur garjan hua, aur aek aeesa bada bhuindol hua, ki jab se manushy kee utpati prathvee par hui, tab se aeesa bada bhuindol kabhee n hua tha.

¹⁹ aur us bade nagar ke teen ttukade ho gaa, aur jaati jati ke nagar gir pade, aur bada babul ka smaran parameshvar ke yahan hua, ki vah apane krodha kee jalalahatt kee maadira use pilaae.

²⁰ aur har aek ttapoo apanee jagah se ttl gaya aur pahadon ka pata n laga.

²¹ aur akash se manushyon par man man bhr ke bade ole gire, aur isaliye ki yah vipaati bahut hee bharee thee, logon ne olon kee vipaati ke karan parameshvar kee ninda kee..

Prakashaitavakya 17

¹ aur jin sat svargadooton ke pas ve sat kattore the, un men se aek ne akar mujh se yah kaha ki idhar a, maain tujhe us badee veshya ka dand dikhau, jo bahut se paaniyon par baaittee haai.

² jis ke sath prathvee ke rajaon ne vyaabhaichar kiya, aur prathvee ke rahanevale usake vyabhaichar kee maadira se matavale ho gae the.

³ tab vah mujhe atma men jangal ko le gaya, aur maain ne kiraamijee rang ke pashu par jo ninda ke namon se chhpai hua tha aur jis ke sat sir aur das seeng the, aek sree ko baaitte huae dekha.

⁴ yah sree baainjanee, aur kiraamijee, kapade pahine thee, aur sone aur bahumol manaiyon aur motiyon se sajee hui thee, aur usake hath men aek sone ka kattora tha jo gharaanait vastuon se aur usake vyabhaichar kee ashuddh vastuon se bhra hua tha.

⁵ aur usake mathe par yah nam likha tha, bhed bada babul prathvee kee veshyaon aur gharanait vastuon kee mata.

⁶ aur maain ne us sree ko pavitra logon ke lohoo aur yeeshu ke gavahon ke lohoo peene se matavalee dekha aur use dekhkar maain chakit ho gaya.

⁷ us svargadoot ne mujh se kaha too kyon chaakit hua? maain is sre, aur us pashu ka, jis par vah savar haai, aur jis ke sat sir aur das seeng haai, tujhe bhed bataya hoon.

⁸ jo pashu too ne dekha haai, yah pahile to tha, par ab naheen haai, aur athah kund se nikalakar vinash men padega, aur prathvee ke rahanevale jin ke nam jagat kee utpaati ke samay se jeevan kee pustak men likhe naheen gaa, is pashu kee yah dasa dekhkar, ki pahile tha, aur ab naheen aur fir a jaaega, achanbha karenge.

⁹ us buaddh ike liye jis men gyaan haai yahee avasar haai, ve saton sir sat pahad haai, jin par vah sree baaittee haai.

¹⁰ aur ve sat raja bhee haai, panch to ho chuke haai, aur aek abhee haai aur aek ab tak aya nahee, aur jab aaega, to kuchh samay tak usaka rahana bhee avashy haai.

¹¹ aur jo pashu pahile tha, aur ab nahee, vah ap attvan haai aur un saton men se utpann hua, aur vinash men padega.

¹² aur jo das seeng too ne dekhe ve das raja haain jinhon ne ab tak rajy naheen paya par us pashu ke sath ghadee bhr ke liye rajaon ka sa aadhaikar paaenge.

¹³ ye sab aek man honge, aur ve apanee apanee samarth aur aadhaikar us pashu ko denge.

¹⁴ ye memne se ladenge, aur memna un par jay paaega kyonki vah prabhuon ka prabhu, aur rajaon ka raja haai: aur jo bulaae hua, aur chune hua, or vishvasee usake sath haai, ve bhee jay paaenge.

¹⁵ fir us ne mujh se kaha, ki jo panee too ne dekhe, jin par veshya baaittee haai, ve log, aur bheed aur jaatiya, aur bhasha haain.

¹⁶ aur jo das seeng too ne dekhe, ve aur pashu us veshya se baair rakhenge, aur use lachar aur nangee kar denge aur usaka mans kha jaaenge, aur use ag men jala denge.

¹⁷ kyonaki parameshvar un ke man men yah dalega, ki ve us kee manasa pooree karen aur jab tak parameshvar ke vachan poore n ho le, tab tak aek man hokar apana apana rajy pashu ko de den.

¹⁸ aur vah sre, jis too ne dekha haai vah bada nagar haai, jo prathvee ke rajaon par rajy karata haai..

Prakashaitavakya 18

¹ is ke bad maain ne aek svargadoot ko svarga se utarate dekha, jis ka bada adhaikar tha aur prathvee usake tej se prajvaalit ho gai.

² us ne unche shabad se pukarakar kaha, ki gir gaya bada babul gir gaya haai: aur dushttatmao ka nivas, aur har ek ashuuddh atma ka adda, aur ek ashuuddh aur gharanait pakshaee ka adda ho gaya.

³ kyonaki usake vyaabhaichar ke bhyanak maadira ke karan sab jatiyan gir gai haai, aur prathvee ke rajaon ne usake sath vyaabhaichar kiya haai aur prathvee ke vyaparee usake sukh-avilas kee bahutayat ke karan dhanavan huae haain.

⁴ fir maain ne svarga se kisee aur ka shabd suna, ki he mere logo, us men se nikal ao ki tum usake papon men bhagee n ho, aur us kee vipaatiyon men se koi tum par a n pade.

⁵ kyonaki usake pap svarga tak pahunch gaae haai, aur usake adharma parameshvar ko smaran aae haain.

⁶ jaaisa us ne tumhen diya haai, vaaisa hee us ko bhr do, aur usake kamon ke anusar use do guna badala do, jis kattore men us ne bhr diya tha usee men usake liye do guna bhr do.

⁷ jitane us ne apanee badai kee aur sukh-avilas kiya utanee us ko peeda, aur shaek do kyonki vah apane man men kahatee haai, maain ranee ho baaittee hoo, vidhava naheen aur shaek men kabhee n paoongee.

⁸ is karan aek hee din men us par vipaatiyan a padengee, arthata mratyu, aur shaek, aur akala aur vah ag men bhsm kar dee jaaengee, kyonki usaka nyayee prabhu parameshvar shaaktaiman haai.

⁹ aur prathvee ke raja jinhon ne usake sath vyaabhaichar, aur sukh-vilas kiya, jab usake jalane ka dhuan dekhenge, to usake liye roaenge, aur chhatee peetenge.

¹⁰ aur us kee peeda ke dr ke mare door khde hokar kahenge, he bade nagar, babula! he draddh nagar, haya! haya! ghaadee hee bhr men tujhe dand mil gaya haai.

¹¹ aur prathvee ke vyaparee usake liye roaenge aur kalapenge kyonki ab koi un ka mal mol n lega.

¹² arthata sona, chandee, ratn, motee, aur malamal, aur baainjane, aur reshamee, aur kiraamijee kapade, aur har prakar ka sugandhiat kat, aur hatheedant kee har prakar kee vastue, aur bahumol kat, aur peetal, aur lohe, aur sangamaramar ke sab bhanti ke patra.

¹³ aur daracheenee, masale, dhoop, itra, loban, madira, tel, maaida, gehoo, gay, baail, bhed, bakaariya, ghaede, rat, aur das, aur manushy ke praan.

¹⁴ ab mere man bhavane fal tere pas se jate rahe aur svadishtt aur bhdkeelee vastuen tujh se door hui haai, aur ve fir kadaapi n milengee.

15 in vastuon ke vyaparee jo usake dara dhanavan ho gaae the, us kee peeda ke dr ke mare door khde hongee, aur rote aur kalapate huae kahenge.

16 haya! haya! yah bada nagar jo malamal, aur baainjane, aur kiraamijee kapade pahine tha, aur sone, aur ratno, aur motiyon se saja tha,

17 ghadee hee bhr men usaka aeesa bharee dhan nash ho gaya: aur har aek manjhee, aur jalayatrae, aur mallah, aur jitane samudra se kamate haai, sab door khde huae.

18 aur usake jalane ka dhuan dekhte huae pukarakar kahenge, kaun sa nagar is bade nagar ke saman haai?

19 aur apane apane siron par dhool dalenge, aur rote huae aur kalapate huae chilla chillakar kahenge, ki haya! haya! yah bada nagar jis kee sampati ke dara samudra ke sab jahajavale dhane ho gaae the ghadee hee bhr men ujad gaya.

20 he svarga, aur he paavitra logo, aur praearito, aur bhvishyadvktao, us par anand karo, kyonaki parameshvar ne nyay karake us se tumhara palatta liya haai..

21 fir aek balavant svargadoot ne badee chakkee ke pa ke saman aek patthr uttaya, aur yah kahakar samudra men faenk diya, ki bada nagar babul aese hee bade bal se giraya jaaega, aur fir kabhee usaka pata n milega.

22 aur veena bajanevalo, aur bajaaniyo, aur bansee bajanevalo, aur turahee foonkanevalon ka shabd fir kabhee tujh men sunai n dega, aur kisee udhym ka koi kareegar bhee fir kabhee tujh men n milega aur chakkee ke chalane ka shabd fir kabhee tujh men sunai n dega.

23 aur deeya ka ujala fir kabhee tujh men ne chamekega aur doolhe aur dualhain ka shabd fir kabhee tujh men sunai n dega kyonaki tere vyaparee prathvee ke pradhaan the, aur tere ttone se sab jatiyan bhramai gai thee.

24 aur bhavishyadvktaon aur pavitra logo, aur prathvee par sab ghaat kiae huon ka lohoo usee men paya gaya..

Prakashaitavakya 19

1 is ke bad maain ne svarga men mano badee bheed ko unche shabd se yah kahate suna, ki hallailooyah uddhar, aur mahima, aur samarth hamare parameshvar hee kee haai.

2 kyonaki usake nirny sachche aur tteek haai, isaaliye ki us ne us badee veshya ka jo apane vyaabhaichar se prathvee ko bhrashtt karatee thee, nyay kiya, aur us se apane dason ke lohoo ka palatta liya haai.

- ³ fir doosaree bar unhon ne haallailooyah kaha: aur usake jalane ka dhauan yuganuyug uttta rahega.
- ⁴ aur chaubeeson praacheenon aur charon praanaiyon ne girakar parameshvar ko dandvata kiya jo sinhasan par baaita tha, aur kaha, ameen, hallailooyaha.
- ⁵ aur sinhasan men se aek shabd nikala, ki he hamare parameshvar se sab dranevale daso, kya chhotte, kya bade tum sab us kee stuti karo.
- ⁶ fir maain ne badee bheed ka sa, aur bahut jal ka sa shabd, aur garjanon ka sa bada shabd suna, ki hallailooyah, isaliye ki prabhu hamara parameshvar, sarvashaktaiman rajy karata haai.
- ⁷ ao, ham anaandait aur magan ho, aur us kee stuati karen kyonki memne ka byah a pahuncha: aur us kee patnee ne apne ap ko taaiyar kar liya haai.
- ⁸ aur us ko shuuddh aur chamakadar maheen malamal pahinane ka adhaikar diya gaya, kyonki us maheen malamal ka arth pavitra logon ke dharna ke kam haai.
- ⁹ aur us ne mujh se kaha yah lik, ki dhany ve haai, jo memne ke byah ke bhoj men bulaae gae haain fir us ne mujh se kaha, ye vachan parameshvar ke saty vachan haain.
- ¹⁰ aur maain us ko dandvat karane ke liye usake panvon par gira us ne mujh se kaha dek, aeasa mat kar, maain tera aur tere bhaiyon ka sangee das hoo, jo yeeshu kee gavahee dene par sthiar haai, parameshvar hee ko dandvata kara kyonki yeeshu kee gavahee bhavishyadane kee atma haai..
- ¹¹ fir maain ne svarga ko khula hua dekha aur dekhta hoon ki aek shvet ghaeda haai aur us par aek savar haai, jo vishvas yogy, aur saty kahalata haai aur vah dharna ke sath nyay aur ladai karata haai.
- ¹² us kee ankhe ag kee jvala haain: aur usake sir par bahut se rajamukutt haain aur usaka ek nam likha haai, jis us ko chhod aur koi naheen janata.
- ¹³ aur vah lohoo se chhdika hua vasr paahine haai: aur usaka nam parameshvar ka vachan haai.
- ¹⁴ aur svarga kee sena shvet ghaedon par savar aur shvet aur shuuddh malamal paahine huae usake peechhe peechhe haai.
- ¹⁵ aur jaati jati ko marane ke liye usake munh se aek chokhee talavar nikalatee haai, aur vah lohe ka rajadand liae huae un par rajy karega, aur vah sarvashaktaiman parameshvar ke bhyanak prakop kee jalajalahatt kee madira ke kund men dakh raundega.
- ¹⁶ aur usake vasr aur jangha par yah nam likha haai, rajaon ka raja aur prabhuon ka prabhu..

17 fir maain ne aek svargadoot ko soorya par khde huae dekha, aur us ne bade shabd se pukarakar akash ke beech men se udnevale sab paakshiyon se kaha, ao parameshvar kee badee biyaree ke liye ikatthe ho jao.

18 jis se tum rajaon ka mans, or saradaron ka mans, aur shaaktaiman purooshaen ka mans, aur ghaadon ka, aur un ke savaron ka mans, aur kya svatantra, kya das, kya chhotte, kya bade, sab logon ka mans khao..

19 fir maain ne us pashu aur prathvee ke rajaon aur un kee senaon ko us ghaede ke savar, aur us kee sena se ladne ke liye ikatthe dekha.

20 aur vah pashu aur usake sath vah joota bhvishyadvkta pakada gaya, jis ne usake samhane aeese chinh dikhaae the, jin ke dara us ne un ko bhramaya, jinhe ne us pashu kee chhap lee thee, aur jo us kee moorat kee pooja karate the, ye donon jeete jee us ag kee jheel men jo gandhak se jalatee haai, dale gaae.

21 aur shosh log us ghaede ke savar kee talavar se jo usake munh se nikalatee thee, mar dale gaae aur sab pakshae un ke mans se trapt ho gaae..

Prakashaitavakya 20

1 fir maai ne aek svargadoot ko svarga se utarate dekha jis ke hath men athah kund kee kunjee, aur aek badee janjeer thee.

2 aur us ne us ajagar, arthata purane sanp ko, jo ibalees aur shautan haai pakad ke hajar varsha ke liye bandha diya.

3 aur use athah kund men dalakar band kar diya aur us par muhar kar dee, ki vah hajar varsha ke poore hone tak jaati jati ke logon ko fir n bhramaae is ke bad avashy haai, ki thodee der ke liye fir khola jaae..

4 fir maain ne sinhasan dekhe, aur un par log baaitt gaa, aur un ko nyay karane ka aadhaikar diya gaya aur un kee atmaon ko bhee dekha, jin ke sir yeeshu kee gavahee dene aur parameshvar ke vachan ke karan katte gaae the aur jinhon ne n us pashu kee, aur n us kee moorat kee pooja kee thee, aur n us kee chhap apane mathe aur hathon par lee thee ve jeevit hokar maseeh ke sath hajar varsha tak rajy karate rahe.

5 aur jab tak ye hajar varsha poore n huae tak tak shosh mare huae n jee utte yah to pahila mratkotthan haai.

6 dhany aur pavitra vah haai, jo is pahile punarootthan ka bhagee haai, aeeson par doosaree mratyuu ka kuchh bhee aadhaikar nahee, par ve parameshvar aur maseeh ke yajak honge, aur usake sath hajar varsha tak rajy karenge..

7 aur jab hajar varsha poore ho chukenge to shautan kaaid se chhod diya jaaega.

⁸ aur un jaatyon ko jo prathvee ke charon or hongee, arthata yajooj aur majooj ko jin kee ginatee samudra kee baloo ke barabar hogee, bhramakar ladai ke liye ikatthe karane ko nikalega.

⁹ aur ve saree prathvee par faail jaaengee aur paavitra logon kee chhavaneer aur piry nagar ko ghor lengee: aur ag svarga se utarakar unhen bhsm karegee.

¹⁰ aur un ka bhramanevala shautan ag aur gandhak kee us jhaeel me, jis men vah pashu aur joota bhavishyadvkta bhee hoga, dal diya jaaega, aur ve rat din yuganuyug peed men tadpate rahenge..

¹¹ fir maain ne aek bada shvet sinhasan aur us ko jo us par baaitta hua haai, dekha, jis ke samhane se prathvee aur akash bhag gaa, aur un ke liye jagah n milee.

¹² fir maain ne chhotte bade sab mare huon ko sinhasan ke samhane khde huae dekha, aur pustaken kholee gai aur fir aek aur pustak kholee gain aur fir aek aur pustak kholee gai, arthata jeevan kee pustaka aur jaaise un pustakon men likha hua tha, un ke kamon ke anusar mare huon ka nyay kiya gaya.

¹³ aur samudra ne un mare huon ko jo us men the de diya, aur mratyu aur adhaelok ne un mare huon ko jo un men the de diya aur un men se har aek ke kamon ke anusar un ka nyay kiya gaya.

¹⁴ aur mratyu aur adhaelok bhee ag kee jheel men dale gaae yah ag kee jheel men dale gaae yah ag kee jheel to doosaree mratyu haai.

¹⁵ aur jis kisee ka nam jeevan kee pustak men likha hua n mila, vah ag kee jheel men dala gaya..

Prakashaitavakya 21

⁴ aur vah un kee ankhon se sab ansoo ponchh dalega aur is ke bad mratyu n rahegee, aur n shaek, n vilap, n peeda rahegee paahilee baten jatee raheen.

- ⁵ aur jo sinhasan par baaita tha, us ne kaha, ki dek, maain sab kuchh naya kar deta hoon: fir us ne kaha, ki likh le, kyonki ye vachan vishvas ke yogy aur saty haain.
- ⁶ fir us ne mujh se kaha, ye baten pooree ho gai haai, maain alafaa aur omiga, aadi aur ant hoon: maain pyase ko jeevan ke jal ke sote men se sentament pilaunga.
- ⁷ jo jay paa, vahee un vastuon ka vaaris hoga aur maain usaka parameshvar hounga, aur vah mera putra hoga.

Esclarecimento

Trata-se de iniciativa particular, com os seguintes objetivos: (i) colaborar para divulgação dos diversos textos bíblicos disponíveis, e, (ii) facilitar o acesso a esses textos, inclusive por meio de download.

Todo esforço em tornar a Palavra de Deus acessível a todos, em quaisquer localidades e falantes das mais diversas línguas, precisa ser um objetivo de todos os que são guiados pelo Espírito Santo. Ele inspirou o profeta Jeremias a dizer “não ensinará jamais cada um ao seu próximo, nem cada um ao seu irmão, dizendo: Conhece ao SENHOR, porque todos me conhecerão, desde o menor até ao maior deles, diz o SENHOR” (Jer. 31:34).

Jesus, também, falou assim: “e será pregado este evangelho do reino por todo o mundo, para testemunho a todas as nações” (Mat. 24:14).

Muitas organizações foram constituídas com o propósito de fazer a Bíblia disponível nas diversas línguas. Não é uma tarefa simples. Anos de trabalho, dedicação e entrega são necessários para esta tão extraordinária missão.

O texto deste trabalho está disponível na internet, em páginas eletrônicas de organizações que produzem ou divulgam bíblias, sem acréscimos de notas ou comentários. Assim, reconhecendo e respeitando os direitos que possuem sobre seus trabalhos, incumbe a todos os que amam a Palavra de Deus, o esforço em contribuir para amplificar sua divulgação.

Se possível, faça download do texto, para que sejamos, também, guardiões da Bíblia, e, com isso, preservando-a para as futuras gerações.

Divulga a Palavra de Deus, ela mostra o Caminho e permite a todos, que se conheça Sua vontade, em todos os lugares e épocas.
