Esclarecimento

Trata-se de iniciativa particular, no sentido de contribuir para a divulgação da Bíblia.

Temos pleno convencimento de que todo esforço em tornar a Palavra de Deus acessível a todos, nas mais diversas localidades e falantes das mais diversas línguas, precisa ser um objetivo de todos os que são guiados pelo Espírito Santo. Ele inspirou o profeta Jeremias a dizer "Não ensinará jamais cada um ao seu próximo, nem cada um ao seu irmão, dizendo: Conhece ao SENHOR, porque todos me conhecerão, desde o menor até ao maior deles, diz o SENHOR" (Jer. 31: 34).

Jesus, também, falou assim: "E será pregado este evangelho do reino por todo o mundo, para testemunho a todas as nações. " (Mat. 24: 14)

Nos dias atuais, existem instituições trabalhando para que a Bíblia seja traduzida para as diversas línguas. Não é uma tarefa simples. Anos de trabalho, dedicação e entrega, vêm sendo empregados, por muitos, em todo o mundo, para essa tão extraordinária missão.

Meu objetivo é o de colaborar, permitindo que as igrejas de Jesus, espalhadas pelo mundo, e, particularmente, no Brasil, tenham, primeiro, conhecimento dos diversos textos bíblicos disponíveis, e, em seguida, acesso a esses textos.

Por anos venho me dedicando a ter a Bíblia bem próxima a mim, nas mais diversas línguas. Também me dediquei muito por anunciá-la e distribuí-la, especialmente em escolas. Mas um dia entendi que precisava fazer muito mais, disponibilizando os textos que tão dedicadamente me esforcei em obter.

Assim, compartilho com todos, os textos bíblicos que mantenho em formato digital, conforme foram traduzidos pelas diversas instituições que são mencionadas em todas as páginas, não havendo de nossa parte, nehuma intenção comercial ou de divulgação pessoal.

Os textos deste presente trabalho foram fielmente extraídos das páginas eletrônicas das instituições que os produziram, não havendo qualquer acréscimo, seja por nota ou comentários. Cabendo a cada um de nós o compromisso de orar, contribuir, e, divulgar o trabalho que essas instituições realizam, para cumprir a ordem do Senhor Jesus.

Quanto a mim, reconhecendo e respeitando os direitos das instituições sobre os trabalhos de tradução, recai o encargo de ajudar a divulgar, pedindo aos que amam a Bíblia, que baixem os textos hoje existentes, para que a Palavra do Senhor possa ser preservada para as futuras gerações. Quem sabe se em algum tempo, época ou lugar não haverá situação, que hoje parece distante, mas que poderá ser vivida por outros, semelhante à vivenciada por Paulo e Barnabé, e, registrada em Atos 13: 44, "no sábado seguinte, afluiu quase toda a cidade para ouvir a palavra de Deus".

O futuro não nos pertence, mas nos cabe ser previdentes e zelosos pela guarda da Palavra de Deus, principalmente as Igrejas de Jesus.

Este é o meu desejo. Guarde a Palavra de Deus. Ela mostra o Caminho e permite a todos, que se conheça a vontade de Deus, em todos os lugares e épocas.
