Esclarecimento

Trata-se de iniciativa particular, com os seguintes objetivos: (i) colaborar para divulgação dos diversos textos bíblicos disponíveis, e, (ii) facilitar o acesso a esses textos, inclusive por meio de download.

Todo esforço em tornar a Palavra de Deus acessível a todos, em quaisquer localidades e falantes das mais diversas línguas, precisa ser um objetivo de todos os que são guiados pelo Espírito Santo. Ele inspirou o profeta Jeremias a dizer “não ensinará jamais cada um ao seu próximo, nem cada um ao seu irmão, dizendo: Conhece ao SENHOR, porque todos me conhecerão, desde o menor até ao maior deles, diz o SENHOR” (Jer. 31:34).

Jesus, também, falou assim: “e será pregado este evangelho do reino por todo o mundo, para testemunho a todas as nações” (Mat. 24:14).

Muitas organizações foram constituídas com o propósito de fazer a Bíblia disponível nas diversas línguas. Não é uma tarefa simples. Anos de trabalho, dedicação e entrega são necessários para esta tão extraordinária missão.

O texto deste trabalho está disponível na internet, em páginas eletrônicas de organizações que produzem ou divulgam bíblias, sem acréscimos de notas ou comentários. Assim, reconhecendo e respeitando os direitos que possuem sobre seus trabalhos, incumbe a todos os que amam a Palavra de Deus, o esforço em contribuir para amplificar sua divulgação.

Se possível, faça download do texto, para que sejamos, também, guardiões da Bíblia, e, com isso, preservando-a para as futuras gerações.

Divulga a Palavra de Deus, ela mostra o Caminho e permite a todos, que se conheça Sua vontade, em todos os lugares e épocas.
